Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include,” “includes” and “including” shall be deemed to be followed by the phrase “without limitation.” The word “will” shall be construed to have the same meaning and effect as the word “shall.” Unless the context requires otherwise, (a) any definition of or reference to any agreement (including this Agreement and the other Loan Documents), instrument or other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, amended and restated, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein), (b) any reference herein to any Person shall be construed to include such Person’s successors and assigns (subject to any restrictions on assignment set forth herein) and, in the case of any Governmental Authority, any other Governmental Authority that shall have succeeded to any or all functions thereof, (c) the words “herein,” “hereof” and “hereunder,” and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (d) all references herein to Articles, Sections, Exhibits and Schedules shall be construed to refer to Articles and Sections of, and Exhibits and Schedules to, this Agreement and (e) the words “asset” and “property” shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts and contract rights.

SECTION 1.04 Accounting Terms; GAAP.

(a) All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement shall be prepared in conformity with, GAAP, applied in a manner consistent with that used in preparing the Audited Financial Statements, except as otherwise specifically prescribed herein. Notwithstanding any changes in GAAP after the Effective Date, any lease of the Borrower or the Subsidiaries, or of any other entity not consolidated with the Borrower and its Subsidiaries at the time of its incurrence of such lease, that would be characterized as an operating lease under GAAP in effect on the Effective Date (whether such lease is entered into before or after the Effective Date) shall not constitute Indebtedness or a Capital Lease Obligation of the Borrower or any Subsidiary under this Agreement or any other Loan Document as a result of such changes in GAAP.

(b) Notwithstanding anything to the contrary herein, for purposes of determining compliance with any test contained in this Agreement, the Total Net Leverage Ratio, the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio and the Interest Coverage Ratio shall be calculated on a Pro Forma Basis to give effect to all Specified Transactions that have been made during the applicable period of measurement or subsequent to such period and prior to or simultaneously with the event for which the calculation is made; provided that, notwithstanding the foregoing, for purposes of the Financial Covenant set forth in Section 6.10 (but not any other provision of this Agreement that requires compliance with such covenant), any Specified Transaction that occurred subsequent to such period shall not be given pro forma effect.

(c) Notwithstanding anything to the contrary herein, for purposes of (i) determining compliance with any provision in this Agreement which requires the calculation of the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio, the Total Net Leverage Ratio or the Interest Coverage Ratio, (ii) determining compliance with representations, warranties, defaults or events of default or (iii) testing availability under baskets set forth in this Agreement (including baskets measured as a percentage of Consolidated EBITDA or Consolidated Total Assets) (including, in each case with respect to the incurrence of Indebtedness under Section 2.20), in each case, in connection with a Limited Condition Transaction, and for the purpose of any Specified Transactions that may be consummated thereafter, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCA Election"), the date of determination of whether any such Limited Condition Transaction is permitted hereunder, shall be deemed to be the date the definitive agreements for such Limited Condition Transaction is entered into (the "LCA Test Date"), and if, after giving pro forma effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) as if they had occurred at the beginning of the most recent test period ending prior to the LCA Test Date, the Borrower could have taken such action on the relevant LCA Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Borrower has made an LCA Election and any of the ratios or baskets for which compliance was determined or tested as of the LCA Test Date (including with respect to the incurrence of any Indebtedness) are exceeded as a result of fluctuations in any such ratio or basket (including due to fluctuations of the Person acquired in respect of any Limited Condition Transaction) at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Borrower has made an LCA Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio or basket on or following the relevant LCA Test Date and prior to the earlier of (1) the date on which such Limited Condition Transaction is consummated or (2) the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction (but not for purposes of calculating the Financial Covenant), any such ratio or basket shall be calculated on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

(d) Where reference is made to “Holdings, the Borrower and the Restricted Subsidiaries on a consolidated basis” or similar language, such consolidation shall not include any Subsidiaries of Holdings other than the Restricted Subsidiaries.

(e) In the event that Holdings elects to prepare its financial statements in accordance with IFRS and such election results in a change in the method of calculation of financial covenant, standards or terms (collectively, the “Accounting Changes”) in this Agreement, Holdings and the Administrative Agent agree to enter into good faith negotiations in order to amend such provisions of this Agreement (including the levels applicable herein to any computation of the Total Net Leverage Ratio, the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio and the Interest Coverage Ratio) so as to reflect equitably the Accounting Changes with the desired result that the criteria for evaluating Holdings’ financial condition shall be substantially the same after such change as if such change had not been made. Until such time as such an amendment shall have been executed and delivered by Holdings, the Administrative Agent and the Required Lenders, all financial covenant, standards and terms in this Agreement shall continue to be calculated or construed in accordance with GAAP (as determined in good faith by a Responsible Officer of Holdings) (it being agreed that the reconciliation between GAAP and IFRS used in such determination shall be made available to Lenders) as if such change had not occurred.

(f) Each Lender and the Administrative Agent hereby acknowledges and agrees that Holdings and its Subsidiaries may be required to restate historical financial statements as the result of the implementation of changes in GAAP or IFRS, or the respective interpretation or application thereof, and that such restatements will not, solely as a result of such change in GAAP or IFRS (or such interpretation or application), result in a Default or an Event of Default under the Loan Documents.

SECTION 1.05 Effectuation of Transactions. All references herein to Holdings, the Borrower and their subsidiaries shall be deemed to be references to such Persons, and all the representations and warranties of Holdings, the Borrower and the other Loan Parties contained in this Agreement and the other Loan Documents shall be deemed made, in each case, after giving effect to the Acquisition and the other Transactions to occur on the Effective Date, unless the context otherwise requires.

SECTION 1.06 Currency Translation; Rates.

(a) Notwithstanding the foregoing, for purposes of any determination under Article V, Article VI or Article VII or any determination under any other provision of this Agreement expressly requiring the use of a current exchange rate, all amounts incurred, outstanding or proposed to be incurred or outstanding in currencies other than dollars shall be translated into dollars at the spot rate (rounded to the nearest currency unit, with 0.5 or more of a currency unit being rounded upward); provided, however, that for purposes of determining compliance with Article VI with respect to the amount of any Indebtedness, Investment, Disposition or Restricted Payment in a currency other than dollars, no Default or Event of Default shall be deemed to have occurred solely as a result of changes in rates of exchange occurring after the time such Indebtedness or Investment is incurred or Disposition or Restricted Payment made; provided, further, that, for the avoidance of doubt, the foregoing provisions of this Section 1.06 shall otherwise apply to such Sections, including with respect to determining whether any Indebtedness or Investment may be incurred or Disposition or Restricted Payment made at any time under such Sections. For purposes of any determination of Consolidated Total Net Debt, amounts in currencies other than dollars shall be translated into dollars at the currency exchange rates used in preparing the most recently delivered financial statements pursuant to Section 5.01(a) or Section 5.01(b). Each provision of this Agreement shall be subject to such reasonable changes of construction as the Administrative Agent may from time to time specify with Holdings’ consent (such consent not to be unreasonably withheld) to appropriately reflect a change in currency of any country and any relevant market conventions or practices relating to such change in currency.

(b) The Administrative Agent does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to the administration, submission or any other matter related to the rates in the definition of “LIBO Rate” or with respect to any comparable or successor rate thereto, except as expressly provided herein.

SECTION 1.07 Cashless Rollovers. Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, to the extent that any Lender extends the maturity date of, or replaces, renews or refinances, any of its then-existing Loans with an Incremental Facility, Credit Agreement Refinancing Indebtedness or loans incurred under a new credit facility, in each case, to the extent such extension, replacement, renewal or refinancing is effected by means of a “cashless roll” by such Lender, such extension, replacement, renewal or refinancing shall be deemed to comply with any requirement hereunder or any other Loan Document that such payment be made “in Dollars”, “in immediately available funds”, “in Cash” or any other similar requirement.

(c) At the commencement of each Interest Period for any Eurocurrency Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum; provided that a Eurocurrency Borrowing that results from a continuation of an outstanding Eurocurrency Borrowing may be in an aggregate amount that is equal to such outstanding Borrowing. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

SECTION 2.04 Swingline Loans.

(a) Subject to the terms and conditions set forth herein (including Section 2.22), in reliance upon the agreements of the other Lenders set forth in this Section 2.04, the Swingline Lender agrees to make Swingline Loans to the Borrower from time to time during the Revolving Availability Period denominated in dollars in an aggregate principal amount at any time outstanding that will not result in (i) subject to Section 9.04(b)(ii), the Applicable Fronting Exposure of any Swingline Lender exceeding its Revolving Commitment, (ii) the aggregate Revolving Exposures exceeding the aggregate Revolving Commitments or (iii) the aggregate amount of Swingline Loans outstanding exceeding Swingline Sublimit; provided that the Swingline Lender shall be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Swingline Loans.

(b) To request a Swingline Loan, the Borrower shall notify the Swingline Lender of such request (i) by telephone (confirmed in writing) or by email or facsimile (confirmed by telephone), not later than 2:00 p.m. New York City time on the day of such proposed Swingline Loan. Each such notice shall be irrevocable and shall specify the requested date (which shall be a Business Day), the amount of the requested Swingline Loan and (x) if the funds are not to be credited to a general deposit account of the Borrower maintained with the Swingline Lender because the Borrower is unable to maintain a general deposit account with the Swingline Lender under applicable Requirements of Law, the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with Section 2.06 or (y) in the case of any ABR Revolving Loan Borrowing or Swingline Loan requested to finance the reimbursement of an LC Disbursement as provided in Section 2.05(f), the identity of the Issuing Bank that made such LC Disbursement. The Swingline Lender shall make each Swingline Loan available to the Borrower by means of a credit to the general deposit accounts of the Borrower maintained with the Swingline Lender for the Swingline Loan (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.05(f), by remittance to the applicable Issuing Bank) by 3:00 p.m., New York City time, on the requested date of such Swingline Loan. The Swingline Lender shall not be required to fund any Swingline Loan if any Lender is at that time a Defaulting Lender if, after giving effect to Section 2.22(a)(iv), any Defaulting Lender Fronting Exposure remains outstanding, unless the Swingline Lender has entered into arrangements, including the delivery of Cash Collateral, reasonably satisfactory to the Swingline Lender with the Borrower or such Lender to eliminate such Swingline Lender's Defaulting Lender Fronting Exposure.

(c) The Swingline Lender may by written notice given to the Administrative Agent not later than 12:00 noon, New York City time, on any Business Day require the Revolving Lenders to acquire participations on such Business Day in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Revolving Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Revolving Lender, specifying in such notice the Lender's Applicable Percentage of such Swingline Loan or Swingline Loans. Each Revolving Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent, for the account of the Swingline Lender, such Lender's Applicable Percentage of such Swingline Loan or Swingline Loans. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders pursuant to this paragraph), and the Administrative Agent shall promptly remit to the Swingline Lender the amounts so received by it from the Revolving Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Borrower (or other Person on behalf of the Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted by the Swingline Lender to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear; provided that any such payment so remitted shall be repaid to the Swingline Lender or the Administrative Agent, as the case may be, and thereafter to the Borrower, if and to the extent such payment is required to be refunded to the Borrower for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrower of any default in the payment thereof.

(d) The Borrower may, at any time and from time to time, designate as additional Swingline Lenders one or more Revolving Lenders that agree to serve in such capacity as provided below. The acceptance by a Revolving Lender of an appointment as a Swingline Lender hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower, executed by the Borrower, the Administrative Agent and such designated Swingline Lender, and, from and after the effective date of such agreement, (i) such Revolving Lender shall have all the rights and obligations of a Swingline Lender under this Agreement and (ii) references herein to the term "Swingline Lender" shall be deemed to include such Revolving Lender in its capacity as a lender of Swingline Loans hereunder.

(e) The Borrower may terminate the appointment of any Swingline Lender as a "Swingline Lender" hereunder by providing a written notice thereof to such Swingline Lender, with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (i) such Swingline Lender's acknowledging receipt of such notice and (ii) the fifth Business Day following the date of the delivery thereof; provided that no such termination shall become effective until and unless the Swingline Exposure of such Swingline Lender shall have been reduced to zero. Notwithstanding the effectiveness of any such termination, the terminated Swingline Lender shall remain a party hereto and shall continue to have all the rights of a Swingline Lender under this Agreement with respect to Swingline Loans made by it prior to such termination, but shall not make any additional Swingline Loans.

SECTION 2.05 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein (including Section 2.22), each Issuing Bank agrees, in reliance upon agreement of the Revolving Lenders set forth in this Section 2.05, to issue Letters of Credit denominated in dollars for the Borrower's own account (or for the account of any Subsidiary so long as the Borrower and such other Subsidiary are co-applicants in respect of such Letter of Credit), in a form reasonably acceptable to the Administrative Agent and the applicable Issuing Bank, which shall reflect the standard operating procedures of such Issuing Bank, at any time and from time to time during the Revolving Availability Period and prior to the fifth Business Day prior to the Revolving Maturity Date. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, the applicable Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(b) Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall deliver in writing by hand delivery or facsimile (or transmit by electronic communication, if arrangements for doing so have been approved by the recipient) to the applicable Issuing Bank and the Administrative Agent (at least five Business Days before the requested date of issuance, amendment, renewal or extension or such shorter period as the applicable Issuing Bank and the Administrative Agent may agree) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (d) of this Section), the amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the applicable Issuing Bank, the Borrower also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of any Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension, (i) subject to Section 9.04(b)(ii), the Applicable Fronting Exposure of each Issuing Bank shall not exceed its Revolving Commitment, (ii) the aggregate Revolving Exposures shall not exceed the aggregate Revolving Commitments and (iii) the aggregate LC Exposure shall not exceed the Letter of Credit Sublimit. No Issuing Bank shall be under any obligation to issue any Letter of Credit if (i) any order, judgment or decree of any Governmental Authority or arbitrator shall enjoin or restrain such Issuing Bank from issuing the Letter of Credit, or any law applicable to such Issuing Bank any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon such Issuing Bank with respect to the Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Bank in good faith deems material to it, (ii) except as otherwise agreed by the Administrative Agent and the such Issuing Bank, the Letter of Credit is in an initial stated amount less than \$100,000, in the case of a commercial Letter of Credit, or \$500,000, in the case of a standby Letter of Credit or (iii) any Lender is at that time a Defaulting Lender, if after giving effect to Section 2.22(a)(iv), any Defaulting Lender Fronting Exposure remains outstanding, unless such Issuing Bank has entered into arrangements, including the delivery of Cash Collateral, reasonably satisfactory to such Issuing Bank with the Borrower or such Lender to eliminate such Issuing Bank's Defaulting Lender Fronting Exposure arising from either the Letter of Credit then proposed to be issued or such Letter of Credit and all other LC Exposure as to which such Issuing Bank has Defaulting Lender Fronting Exposure.

(c) Notice. Each Issuing Bank agrees that it shall not permit any issuance, amendment, renewal or extension of a Letter of Credit to occur unless it shall have given to the Administrative Agent written notice thereof required under paragraph (m) of this Section.

(d) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date that is one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) the date that is five Business Days prior to the Revolving Maturity Date; provided that if such expiry date is not a Business Day, such Letter of Credit shall expire at or prior to the close of business on the next succeeding Business Day; provided, further, that any Letter of Credit may, upon the request of the Borrower, include a provision whereby such Letter of Credit shall be renewed automatically for additional consecutive periods of one year or less (but not beyond the date that is five Business Days prior to the Revolving Maturity Date, unless Borrower delivers Cash Collateral or other credit support pursuant to arrangements reasonably satisfactory to such Issuing Bank) unless the applicable Issuing Bank notifies the beneficiary thereof within the time period specified in such Letter of Credit or, if no such time period is specified, at least 30 days prior to the then-applicable expiration date, that such Letter of Credit will not be renewed.

(e) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuing Bank that is the issuer thereof or the Lenders, such Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Revolving Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of such Issuing Bank, such Revolving Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (f) of this Section in the currency of such LC Disbursement, or of any reimbursement payment required to be refunded to the Borrower for any reason. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(f) Reimbursement. If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount equal to such LC Disbursement not later than 4:00 p.m., New York City time, on the Business Day immediately following the day that the Borrower receives notice of such LC Disbursement; provided that, if such LC Disbursement is not less than the Dollar Equivalent of \$1,000,000, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or Section 2.04 that such payment be financed with an ABR Revolving Loan Borrowing or a Swingline Loan, in each case in an equivalent amount, and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Loan Borrowing or Swingline Loan. If the Borrower fails to make such payment when due, the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Revolving Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent its Applicable Percentage of the payment then due from the Borrower, in dollars and in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders pursuant to this paragraph), and the Administrative Agent shall promptly remit to the applicable Issuing Bank the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Revolving Lenders and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse any Issuing Bank for any LC Disbursement (other than the funding of ABR Revolving Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement.

(g) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (f) of this Section is absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by an Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. None of the Administrative Agent, the Lenders, the Issuing Banks or any of their Affiliates shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Banks; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to consequential or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of any Issuing Bank (as determined by a court of competent jurisdiction in a final, nonappealable judgment), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit, and any such acceptance or refusal shall be deemed not to constitute gross negligence or willful misconduct.

(h) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly notify the Administrative Agent and the Borrower by telephone (confirmed by hand delivery or facsimile) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement in accordance with paragraph (f) of this Section.

(i) Interim Interest. If an Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to in the case of an LC Disbursement denominated in dollars, ABR Revolving Loans; provided that, if the Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (f) of this Section, then Section 2.13(c) shall apply. Interest accrued pursuant to this paragraph shall be paid to the Administrative Agent, for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (f) of this Section to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment and shall be payable on demand or, if no demand has been made, on the date on which the Borrower reimburses the applicable LC Disbursement in full.

(j) Cash Collateralization. If any Event of Default under clause (a), (b), (h) or (i) of Section 7.01 shall occur and be continuing, on the Business Day on which the Borrower receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, Revolving Lenders with LC Exposure representing more than 50.0% of the aggregate LC Exposure of all Revolving Lenders) demanding the deposit of Cash Collateral pursuant to this paragraph, the Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Lenders, an amount of cash in dollars equal to the Dollar Equivalent of the portions of the LC Exposure attributable to Letters of Credit, as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such Cash Collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in clause (h) or (i) of Section 7.01. The Borrower also shall deposit Cash Collateral pursuant to this paragraph as and to the extent required by Section 2.11(b). Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. At any time that there shall exist a Defaulting Lender, if any Defaulting Lender Fronting Exposure remains outstanding (after giving effect to Section 2.22(a)(iv)), then promptly upon the request of the Administrative Agent, the Issuing Bank or the Swingline Lender, the Borrower shall deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover such Defaulting Lender Fronting Exposure (after giving effect to any Cash Collateral provided by the Defaulting Lender). The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent in Permitted Investments and at the Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Banks for LC Disbursements for which they have not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Revolving Lenders with LC Exposure representing more than 50.0% of the aggregate LC Exposure of all the Revolving Lenders), be applied to satisfy other obligations of the Borrower under this Agreement in accordance with the terms of the Loan Documents. If the Borrower is required to provide an amount of Cash Collateral hereunder as a result of the occurrence of an Event of Default or the existence of a Defaulting Lender, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after all Events of Default have been cured or waived or after the termination of Defaulting Lender status, as applicable. If the Borrower is required to provide an amount of Cash Collateral hereunder pursuant to Section 2.11(b), such amount (to the extent not applied as aforesaid) shall be returned to the Borrower as and to the extent that, after giving effect to such return, the Borrower would remain in compliance with Section 2.11(b) and no Event of Default shall have occurred and be continuing.

(k) Designation of Additional Issuing Banks. The Borrower may, at any time and from time to time, designate as additional Issuing Banks one or more Revolving Lenders that agree to serve in such capacity as provided below. The acceptance by a Revolving Lender of an appointment as an Issuing Bank hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower, executed by the Borrower, the Administrative Agent and such designated Revolving Lender and, from and after the effective date of such agreement, (i) such Revolving Lender shall have all the rights and obligations of an Issuing Bank under this Agreement and (ii) references herein to the term "Issuing Bank" shall be deemed to include such Revolving Lender in its capacity as an issuer of Letters of Credit hereunder.

(l) Termination of an Issuing Bank. The Borrower may terminate the appointment of any Issuing Bank as an “Issuing Bank” hereunder by providing a written notice thereof to such Issuing Bank, with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (i) such Issuing Bank’s acknowledging receipt of such notice and (ii) the fifth Business Day following the date of the delivery thereof; provided that no such termination shall become effective until and unless the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (or its Affiliates) shall have been reduced to zero. At the time any such termination shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the terminated Issuing Bank pursuant to Section 2.12(b). Notwithstanding the effectiveness of any such termination, the terminated Issuing Bank shall remain a party hereto and shall continue to have all the rights of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such termination, but shall not issue any additional Letters of Credit.

(m) Issuing Bank Reports to the Administrative Agent. Unless otherwise agreed by the Administrative Agent, each Issuing Bank shall, in addition to its notification obligations set forth elsewhere in this Section, report in writing to the Administrative Agent (i) periodic activity (for such period or recurrent periods as shall be requested by the Administrative Agent) in respect of Letters of Credit issued by such Issuing Bank, including all issuances, extensions, amendments and renewals, all expirations and cancellations and all disbursements and reimbursements, (ii) within five Business Days following the time that such Issuing Bank issues, amends, renews or extends any Letter of Credit, the date of such issuance, amendment, renewal or extension, and the currency and face amount of the Letters of Credit issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension (and whether the amounts thereof shall have changed), (iii) on each Business Day on which such Issuing Bank makes any LC Disbursement, the date, currency and amount of such LC Disbursement, (iv) on any Business Day on which the Borrower fails to reimburse an LC Disbursement required to be reimbursed to such Issuing Bank on such day, the date of such failure and amount of such LC Disbursement and (v) on any other Business Day, such other information as the Administrative Agent shall reasonably request as to the Letters of Credit issued by such Issuing Bank.

#### SECTION 2.06 Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds in U.S. dollars by 2:00 p.m., New York City time, to the Applicable Account of the Administrative Agent most-recently designated by it for such purpose by notice to the Lenders; provided that Swingline Loans shall be made as provided in Section 2.04. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower maintained with the Administrative Agent in New York City and designated by the Borrower in the applicable Borrowing Request; provided that ABR Revolving Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.05(f) shall be remitted by the Administrative Agent to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to Section 2.05(f) to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank as their interests may appear.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance on such assumption and in its sole discretion, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender agrees to pay to the Administrative Agent an amount equal to such share on demand of the Administrative Agent. If such Lender does not pay such corresponding amount forthwith upon demand of the Administrative Agent therefor, the Administrative Agent shall promptly notify the Borrower, and the Borrower agrees to pay such corresponding amount to the Administrative Agent forthwith on demand. The Administrative Agent shall also be entitled to recover from such Lender or Borrower interest on such corresponding amount, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, if such Borrowing is denominated in dollars, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, the rate reasonably determined by the Administrative Agent to be its cost of funding such amount or (ii) in the case of the Borrower, the interest rate applicable to such Borrowing in accordance with Section 2.13. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

(c) The obligations of the Lenders hereunder to make Term Loans and Revolving Loans, to fund participations in Letters of Credit and Swingline Loans and to make payments pursuant to Section 9.03(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 9.03(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and, other than as expressly provided herein with respect to a Defaulting Lender, no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 9.03(c).

#### SECTION 2.07 Interest Elections.

(a) Each Revolving Loan Borrowing and Term Loan Borrowing initially shall be of the Type specified in the applicable Borrowing Request or designated by Section 2.03 and, in the case of a Eurocurrency Borrowing, shall have an initial Interest Period as specified in such Borrowing Request or designated by Section 2.03. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurocurrency Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Loans, which may not be converted or continued.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by telephone by the time that a Revolving Loan Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and confirmed promptly by hand delivery, facsimile or other electronic transmission to the Administrative Agent of a written Interest Election Request signed by the Borrower.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.03:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing (solely to the extent such Borrowing is denominated in dollars) or a Eurocurrency Borrowing; and

(iv) if the resulting Borrowing is to be a Eurocurrency Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request in accordance with this Section, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Eurocurrency Borrowing and (ii) unless repaid, each Eurocurrency Borrowing shall be converted to an ABR Borrowing.

SECTION 2.08 Termination and Reduction of Commitments.

(a) Unless previously terminated, (i) the Initial Term Commitments shall terminate at 5:00 p.m., New York City time, on the Effective Date and (ii) the Revolving Commitments shall terminate on the Revolving Maturity Date. On the 2019 Incremental Effective Date (after giving effect to the funding of the 2019 Incremental Effective Date Term Loans to be made on such date), the 2019 Incremental Effective Date Term Loan Commitments of each Lender as of the Effective Date will terminate. The 2019 Delayed Draw Incremental Term Loan Commitments of each Lender shall terminate upon the Borrowing of 2019 Delayed Draw Incremental Term Loans in an amount equal to the principal amount of such 2019 Delayed Draw Incremental Term Loans that are borrowed on such date. On the 2019 Delayed Draw Termination Date, all then outstanding 2019 Delayed Draw Incremental Term Loan Commitments of each Lender on the 2019 Delayed Draw Termination Date will terminate.

(b) The Borrower may at any time terminate, or from time to time reduce, the Commitments of any Class; provided that (i) each reduction of the Commitments of any Class shall be in an amount that is an integral multiple of \$500,000 and not less than \$1,000,000 and (ii) the Borrower shall not terminate or reduce the Revolving Commitments if, after giving effect to any concurrent prepayment of the Revolving Loans or Swingline Loans in accordance with Section 2.11, the aggregate Revolving Exposures would exceed the aggregate Revolving Commitments.

(c) The Borrower may at any time prior to the funding thereunder terminate, or from time to time reduce, the 2019 Delayed Draw Incremental Term Loan Commitments; provided, that each reduction of the 2019 Delayed Draw Incremental Term Loan Commitments shall be in an amount that is an integral multiple of \$500,000 and not less than \$1,000,000.

(e)d The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section or any election to terminate or reduce the 2019 Delayed Draw Term Loan Commitments under paragraph (c) of this Section 2.08 at least one Business Day prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination of the Revolving Commitments or 2019 Delayed Draw Term Loan Commitments delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or the occurrence of some other identifiable event or condition, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date of termination) if such condition is not satisfied. Any termination or reduction of the Commitments of any Class shall be permanent. Each reduction of the Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Commitments of such Class.

SECTION 2.09 Repayment of Loans; Evidence of Debt; Superpriority of Revolving Loans.

(a) The Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Revolving Loan of such Lender on the Revolving Maturity Date, (ii) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender as provided in Section 2.10 and (iii) to the Swingline Lender the then unpaid principal amount of each Swingline Loan made by the Swingline Lender on the earlier to occur of (A) the date that is 10 Business Days after such Loan is made and (B) the Revolving Maturity Date; provided that on each date that a Revolving Loan Borrowing in any currency is made, the Borrower shall repay all Swingline Loans in such currency that were outstanding on the date such Borrowing was requested.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein, provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to pay any amounts due hereunder in accordance with the terms of this Agreement. In the event of any inconsistency between the entries made pursuant to paragraphs (b) and (c) of this Section, the accounts maintained by the Administrative Agent pursuant to paragraph (c) of this Section shall control.

(e) Any Lender may request through the Administrative Agent that Loans of any Class made by it be evidenced by a promissory note. In such event, the Borrower shall execute and deliver to such Lender a promissory note payable to such Lender or its registered assigns and in a form provided by the Administrative Agent and approved by the Borrower.

(f) Notwithstanding anything in the Loan Documents to the contrary, upon (i) the exercise of remedies (including acceleration of the Loans) provided for in Section 7.01 or (ii) the occurrence and during the continuation of an Event of Default under Section 7.01 (h) or (i), (a) all payments received by Administrative Agent, whether from Borrower, Holdings or any Guarantor or otherwise, (b) all proceeds received by Administrative Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral under any Collateral Document, and subject to Section 2.22, the application of all or any portion of such proceeds by the Administrative Agent to the maintenance, preservation and protection of the Collateral in accordance with the Loan Documents, (c) amounts received by any Lender by exercising any right of setoff or counterclaim or otherwise obtaining payment in respect of any principal of or interest on any of its Loans and (d) the application of cash collateral in accordance with the terms hereof, shall be applied to the Secured Obligations by the Administrative Agent, in each case in the following order of priority until each item is paid in full:

(i) *first*, to the reimbursable expenses of the Administrative Agent incurred in connection with such sale or other realization upon the Collateral, until the same shall have been paid in full;

(ii) *second*, to the fees and other reimbursable expenses of the Administrative Agent and the Issuing Banks then due and payable pursuant to any of the Loan Documents, until the same shall have been paid in full;

(iii) *third*, to all reimbursable expenses, if any, of the Lenders having or holding Revolving Loans (other than Incremental Facilities) or Revolving Commitments (other than Incremental Facilities) then due and payable pursuant to any of the Loan Documents (and including, without limitation, any fees, costs, expenses and indemnities that would accrue and become due but for the commencement of any proceeding under any Debtor Relief Law with respect to any Loan Party, whether or not such amounts are allowed or allowable in whole or in part in such case or similar proceeding), until the same shall have been paid in full.

(iv) *fourth*, to the fees due and payable under Sections 2.12(a) and (b) of this Agreement and to interest then due and payable with respect to any Revolving Loans (other than Incremental Facilities) made hereunder (and including, without limitation, any fees and interest that would accrue and become due but for the commencement of any proceeding under any Debtor Relief Law with respect to any Loan Party, whether or not such amounts are allowed or allowable in whole or in part in such case or similar proceeding), until the same shall have been paid in full;

#### SECTION 2.10 Amortization of Term Loans.

(a) Subject to adjustment pursuant to paragraph (c) of this Section 2.10, the Borrower shall repay Term Loan Borrowings on the last day of each March, June, September and December (commencing on December 31, 2018) in the principal amount of (x), in the case of the Initial Term Loans, Initial Term Loans equal to (i) the aggregate outstanding principal amount of Term Loans immediately after closing on the Effective Date multiplied by (ii) 0.25%, (y) in the case of each 2019 Incremental Effective Date Term Loan, an amount equal to 0.25% of the product of (A) the principal amount of such 2019 Incremental Effective Date Term Loan immediately after its funding on the 2019 Incremental Effective Date and (B) a fraction, the numerator of which is the aggregate principal amount of the Initial Term Loans outstanding immediately after closing on the Effective Date and the denominator of which is equal to the aggregate principal amount of Initial Term Loans outstanding immediately prior to the 2019 Incremental Effective Date and (z) in the case of each 2019 Delayed Draw Incremental Term Loan, an amount equal to 0.25% of the product of (A) the principal amount of such 2019 Delayed Draw Incremental Term Loan immediately after its funding and (B) a fraction, the numerator of which is the aggregate principal amount of the Initial Term Loans outstanding immediately after closing on the Effective Date and the denominator of which is equal to the aggregate principal amount of Initial Term Loans outstanding immediately prior to the funding of such 2019 Delayed Draw Incremental Term Loan; provided that if any such date is not a Business Day, such payment shall be due on the next succeeding Business Day.

(b) To the extent not previously paid, all Term Loans shall be due and payable on the Term Maturity Date.

(c) Any prepayment of a Term Facility Borrowing of any Class (i) pursuant to Section 2.11(a)(i) shall be applied to reduce the subsequent scheduled and outstanding repayments of the Term Facility Borrowings of such Class to be made pursuant to this Section as directed by the Borrower (and absent such direction in direct order of maturity) and (ii) pursuant to Section 2.11(c) or Section 2.11(d) shall be applied to reduce the next eight scheduled and outstanding principal installments of the Term Facility Borrowings of such Class in direct order of maturity and thereafter ratably to the remaining payments thereof (including the bullet due on the Term Maturity Date), or, if otherwise provided in any Refinancing Amendment, Loan Modification Agreement or Incremental Facility Amendment, pursuant to the corresponding section of such Refinancing Amendment, Loan Modification Agreement or Incremental Facility Amendment, as applicable.

(d) Prior to any repayment of any Term Loan Borrowings of any Class hereunder, the Borrower shall select the Borrowing or Borrowings of the applicable Class to be repaid and shall notify the Administrative Agent by telephone (confirmed by hand delivery or facsimile) of such election not later than 2:00 p.m., New York City time, two Business Day before the scheduled date of such repayment. In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.16. Each repayment of a Borrowing shall be applied ratably to the Loans included in the repaid Borrowing. Repayments of Term Loan Borrowings shall be accompanied by accrued interest on the amount repaid.

#### SECTION 2.11 Prepayment of Loans.

(a) (i) The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, without premium or penalty; provided that in the event that, on or prior to the six-month anniversary of the Effective Date, the Borrower (i) makes any prepayment of Term Loans in connection with any Repricing Transaction the primary purpose of which is to decrease the Effective Yield on such Term Loans or (ii) effects any amendment of this Agreement resulting in a Repricing Transaction the primary purpose of which is to decrease the Effective Yield on the Term Loans, the Borrower shall pay to the Administrative Agent, for the ratable account of each of the applicable Lenders, (x) a prepayment premium of 1.00% of the principal amount of the Term Loans being prepaid in connection with such Repricing Transaction and (y) in the case of clause (b) of the definition thereof, an amount equal to 1.00% of the aggregate amount of the applicable Term Loans outstanding immediately prior to such amendment that are subject to an effective pricing reduction pursuant to such Repricing Transaction.

(ii) Notwithstanding anything in any Loan Document to the contrary, so long as no Default or Event of Default has occurred and is continuing, the Borrower may prepay the outstanding Term Loans on the following basis:

(A) The Borrower shall have the right to make a voluntary prepayment of Term Loans at a discount to par (such prepayment, the “Discounted Term Loan Prepayment”) pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers, in each case made in accordance with this Section 2.11(a)(ii); provided that (x) the Borrower shall not make any Borrowing of Revolving Loans to fund any Discounted Term Loan Prepayment and (y) the Borrower shall not initiate any action under this Section 2.11(a)(ii) in order to make a Discounted Term Loan Prepayment unless (I) at least ten (10) Business Days shall have passed since the consummation of the most recent Discounted Term Loan Prepayment as a result of a prepayment made by the Borrower on the applicable Discounted Prepayment Effective Date; or (II) at least three (3) Business Days shall have passed since the date the Borrower was notified that no Term Lender was willing to accept any prepayment of any Term Loan and/or Other Term Loan at the Specified Discount, within the Discount Range or at any discount to par value, as applicable, or in the case of Borrower Solicitation of Discounted Prepayment Offers, the date of the Borrower’s election not to accept any Solicited Discounted Prepayment Offers.

(B) (1) Subject to the proviso to subclause (A) above, the Borrower may from time to time offer to make a Discounted Term Loan Prepayment by providing the Auction Agent with three (3) Business Days’ notice in the form of a Specified Discount Prepayment Notice; provided that (I) any such offer shall be made available, at the sole discretion of the Borrower, to each Term Lender and/or each Lender with respect to any Class of Term Loans on an individual tranche basis, (II) any such offer shall specify the aggregate principal amount offered to be prepaid (the “Specified Discount Prepayment Amount”) with respect to each applicable tranche, the tranche or tranches of Term Loans subject to such offer and the specific percentage discount to par (the “Specified Discount”) of such Term Loans to be prepaid (it being understood that different Specified Discounts and/or Specified Discount Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Agent will promptly provide each relevant Term Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the “Specified Discount Prepayment Response Date”).

(2) Each relevant Term Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its relevant then outstanding Term Loans at the Specified Discount and, if so (such accepting Term Lender, a “Discount Prepayment Accepting Lender”), the amount and the tranches of such Term Lender’s Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Term Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, the Borrower will make prepayment of outstanding Term Loans pursuant to this subclause (B) to each Discount Prepayment Accepting Lender in accordance with the respective outstanding amount and tranches of Term Loans specified in such Term Lender’s Specified Discount Prepayment Response given pursuant to clause (2); provided that, if the aggregate principal amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro-rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the “Specified Discount Proration”). The Auction Agent shall promptly, and in any case within three (3) Business Days following the Specified Discount Prepayment Response Date, notify (I) the Borrower of the respective Term Lenders’ responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Term Loan Prepayment and the tranches to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the tranches of Term Loans to be prepaid at the Specified Discount on such date and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, tranche and Type of Loans of such Term Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrower and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subclause (F) below (subject to subclause (J) below).

(C) (1) Subject to the proviso to subclause (A) above, the Borrower may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with three (3) Business Days' notice in the form of a Discount Range Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of the Borrower, to each Term Lender and/or each Lender with respect to any Class of Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate principal amount of the relevant Term Loans (the "Discount Range Prepayment Amount"), the tranche or tranches of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the "Discount Range") of the principal amount of such Term Loans with respect to each relevant tranche of Term Loans willing to be prepaid by the Borrower (it being understood that different Discount Ranges and/or Discount Range Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and (IV) each such solicitation by the Borrower shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Agent will promptly provide each relevant Term Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding relevant Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the "Discount Range Prepayment Response Date"). Each relevant Term Lender's Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the "Submitted Discount") at which such Term Lender is willing to allow prepayment of any or all of its then outstanding Term Loans of the applicable tranche or tranches and the maximum aggregate principal amount and tranches of such Term Lender's Term Loans (the "Submitted Amount") such Term Lender is willing to have prepaid at the Submitted Discount. Any Term Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(2) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this subclause (C). The Borrower agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by Auction Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the "Applicable Discount") which yields a Discounted Term Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Term Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following clause (3)) at the Applicable Discount (each such Term Lender, a "Participating Lender").

(3) If there is at least one Participating Lender, the Borrower will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate principal amount and of the tranches specified in such Term Lender's Discount Range Prepayment Offer at the Applicable Discount; provided that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the "Identified Participating Lenders") shall be made pro-rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the "Discount Range Proration"). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount Range Prepayment Response Date, notify (I) the Borrower of the respective Term Lenders' responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount of the Discounted Term Loan Prepayment and the tranches to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount and tranches of Term Loans to be prepaid at the Applicable Discount on such date, (III) each Participating Lender of the aggregate principal amount and tranches of such Term Lender to be prepaid at the Applicable Discount on such date and (z) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrower and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subclause (F) below (subject to subclause (J) below).

(D) (1) Subject to the proviso to subclause (A) above, the Borrower may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with three (3) Business Days' notice in the form of a Solicited Discounted Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of the Borrower, to each Term Lender and/or each Lender with respect to any Class of Term Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate dollar amount of the Term Loans (the "Solicited Discounted Prepayment Amount") and the tranche or tranches of Term Loans the Borrower is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and (IV) each such solicitation by the Borrower shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each relevant Term Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the "Solicited Discounted Prepayment Response Date"). Each Term Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date and (z) specify both a discount to par (the "Offered Discount") at which such Term Lender is willing to allow prepayment of its then outstanding Term Loan and the maximum aggregate principal amount and tranches of such Term Loans (the "Offered Amount") such Term Lender is willing to have prepaid at the Offered Discount. Any Term Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount.

(2) The Auction Agent shall promptly provide the Borrower with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. The Borrower shall review all such Solicited Discounted Prepayment Offers and select the largest of the Offered Discounts specified by the relevant responding Term Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the Borrower (the “Acceptable Discount”), if any. If the Borrower elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by the Borrower from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this clause (2) (the “Acceptance Date”), the Borrower shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from the Borrower by the Acceptance Date, the Borrower shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, within three (3) Business Days after receipt of an Acceptance and Prepayment Notice (the “Discounted Prepayment Determination Date”), the Auction Agent will determine (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the tranches of Term Loans (the “Acceptable Prepayment Amount”) to be prepaid by the Borrower at the Acceptable Discount in accordance with this subclause (D). If the Borrower elects to accept any Acceptable Discount, then the Borrower agrees to accept all Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Term Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Term Lender, a “Qualifying Lender”). The Borrower will prepay outstanding Term Loans pursuant to this subclause (D) to each Qualifying Lender in the aggregate principal amount and of the tranches specified in such Term Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; provided that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “Identified Qualifying Lenders”) shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “Solicited Discount Proration”). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (I) the Borrower of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the tranches to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the tranches to be prepaid to be prepaid at the Applicable Discount on such date, (III) each Qualifying Lender of the aggregate principal amount and the tranches of such Term Lender to be prepaid at the Acceptable Discount on such date and (IV) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrower and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subclause (F) below (subject to subclause (J) below).

(E) In connection with any Discounted Term Loan Prepayment, the Borrower and the Term Lenders acknowledge and agree that the Auction Agent may require as a condition to any Discounted Term Loan Prepayment, the payment of customary fees and expenses from the Borrower in connection therewith.

(F) If any Term Loan is prepaid in accordance with subclauses (B) through (D) above, the Borrower shall prepay such Term Loans on the Discounted Prepayment Effective Date. The Borrower shall make such prepayment to the Auction Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent's office in immediately available funds not later than 11:00 a.m., New York City time, on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining principal installments of the relevant tranche of Term Loans on a pro rata basis across such installments. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.11(a)(ii) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable. The aggregate principal amount of the tranches and installments of the relevant Term Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the tranches of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment.

(G) To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.11(a)(ii), established by the Auction Agent acting in its reasonable discretion, and as reasonably agreed by the Borrower.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.11(a)(ii), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; provided that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(I) Each of the Borrower and the Term Lenders acknowledges and agrees that the Auction Agent may perform any and all of its duties under this Section 2.11(a)(ii) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 2.11(a)(ii) as well as activities of the Auction Agent.

(J) The Borrower shall have the right, by written notice to the Auction Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date (and if such offer is revoked pursuant to this subclause (J), any failure by the Borrower to make any prepayment to a Term Lender, as applicable, pursuant to this Section 2.11(a)(ii) shall not constitute a Default or Event of Default under Section 7.01 or otherwise).

(b) In the event and on each occasion that the aggregate Revolving Exposures exceed the aggregate Revolving Commitments (including as a result of a determination with respect to the Dollar Equivalent of any Letter of Credit made by the Administrative Agent pursuant to Section 1.06), the Borrower shall prepay Revolving Loan Borrowings or Swingline Loans (or, if no such Borrowings are outstanding, deposit Cash Collateral in an account with the Administrative Agent pursuant to Section 2.05(j)) in an aggregate amount necessary to eliminate such excess.

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of the Borrower or any Subsidiary Loan Party in respect of any Prepayment Event, the Borrower shall, within three Business Days after such Net Proceeds are received (or, in the case of a Prepayment Event described in clause (c) of the definition of the term "Prepayment Event", on the date of such Prepayment Event, and, in the case of a Prepayment Event described in clause (a) or (b) of the definition of the term "Prepayment Event", within five Business Days of the date of such Prepayment Event), prepay Term Loan Borrowings in an aggregate amount equal to 100% of the amount of such Net Proceeds; provided that, in the case of any event described in clause (a) or (b) of the definition of the term "Prepayment Event", if Holdings and its Restricted Subsidiaries invest (or commit to invest or reasonably expects to invest) the Net Proceeds from such event (or a portion thereof) within 12 months after receipt of such Net Proceeds in the business of Holdings, the Borrower and the other Subsidiaries (including any acquisitions permitted under Section 6.04), then no prepayment shall be required pursuant to this paragraph in respect of such Net Proceeds in respect of such event (or the applicable portion of such Net Proceeds, if applicable) except to the extent of any such Net Proceeds therefrom that have not been so invested (or committed or reasonably expected to be invested) by the end of such 12-month period (or if committed or reasonably expected to be so invested within such 12-month period, have not been so invested within 18 months after receipt thereof), at which time a prepayment shall be required in an amount equal to such Net Proceeds that have not been so invested (or committed or reasonably expected to be invested); provided, further, that the Borrower may use a portion of such Net Proceeds to prepay or repurchase any other Indebtedness that is secured by the Collateral on a pari passu basis with the Borrowings to the extent such other Indebtedness and the Liens securing the same are permitted hereunder and the documentation governing such other Indebtedness requires such a prepayment or repurchase thereof with the proceeds of such Prepayment Event, in each case in an amount not to exceed the product of (x) the amount of such Net Proceeds and (y) a fraction, the numerator of which is the outstanding principal amount of such other Indebtedness and the denominator of which is the aggregate outstanding principal amount of Term Loans and such other Indebtedness.

(d) Following the end of each fiscal year of Holdings, commencing with the fiscal year ending on December 28, 2019, the Borrower shall prepay Term Loan Borrowings in an aggregate amount equal to the excess, if any, of (A) the ECF Percentage of Excess Cash Flow for such fiscal year (provided that such amount in this clause (A) shall be reduced by the aggregate amount of prepayments of (i) Term Loans and Other Term Loans (and, to the extent the Revolving Commitments are reduced in a corresponding amount pursuant to Section 2.08, Revolving Loans and Other Revolving Loans made pursuant to Section 2.11(a) or (c) (in connection with a Disposition or Casualty Event), in each case, during such fiscal year or after such fiscal year and prior to the time such prepayment is due as provided below (provided that such reduction as a result of prepayments pursuant to clause (ii) of Section 2.11(a) shall (x) be limited to the actual amount of such cash prepayment and (y) only be applicable if the applicable prepayment offer was made to all Lenders)) over (B) \$2,500,000. Each prepayment pursuant to this paragraph shall be made on or before the date that is five days after the date on which financial statements are required to be delivered pursuant to Section 5.01 with respect to the fiscal year for which Excess Cash Flow is being calculated.

(e) Prior to any optional or mandatory prepayment of Borrowings hereunder, the Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to paragraph (f) of this Section. In the event of any mandatory prepayment of Term Loan Borrowings made at a time when Term Loan Borrowings of more than one Class remain outstanding, the Borrower shall select Term Loan Borrowings to be prepaid so that the aggregate amount of such prepayment is allocated between Term Loan Borrowings (and, to the extent provided in the Refinancing Amendment or Loan Modification Agreement for any Class of Other Term Loans, the Borrowings of such Class) pro rata based on the aggregate principal amount of outstanding Borrowings of each such Class; provided that any Term Lender (and, to the extent provided in the Refinancing Amendment or Loan Modification Agreement for any Class of Other Term Loans, any Lender that holds Other Term Loans of such Class) may elect, by notice to the Administrative Agent by telephone (confirmed by facsimile) at least one Business Day prior to the prepayment date, to decline all or any portion of any prepayment of its Term Loans or Other Term Loans of any such Class pursuant to this Section (other than an optional prepayment pursuant to paragraph (a)(i) of this Section or a mandatory prepayment as a result of the Prepayment Event set forth in clause (b) of the definition thereof, which may not be declined), in which case the aggregate amount of the prepayment that would have been applied to prepay Term Loans or Other Term Loans of any such Class but was so declined shall be retained by the Borrower and the Restricted Subsidiaries (such amounts, "Retained Declined Proceeds"). Optional prepayments of Term Loan Borrowings shall be allocated among the Classes of Term Loan Borrowings as directed by the Borrower. In the absence of a designation by the Borrower as described in the preceding provisions of this paragraph of the Type of Borrowing of any Class, the Administrative Agent shall make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.16.

(f) The Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) by telephone (confirmed by facsimile substantially in the form of Exhibit R or any other form reasonably approved by the Administrative Agent) of any prepayment hereunder (i) in the case of prepayment of a Eurocurrency Borrowing, not later than 11:00 a.m., New York City time, three Business Days before the date of prepayment or (ii) in the case of prepayment of an ABR Borrowing, not later than 11:00 a.m., New York City time, one Business Day before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; provided that a notice of optional prepayment may state that such notice is conditional upon the effectiveness of other credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or the occurrence of some other identifiable event or condition, in which case such notice of prepayment may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified date of prepayment) if such condition is not satisfied. Promptly following receipt of any such notice (other than a notice relating solely to Swingline Loans), the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13. At the Borrower's election in connection with any prepayment pursuant to this Section 2.11, such prepayment shall not be applied to any Term Loan or Revolving Loan of a Defaulting Lender and shall be allocated ratably among the relevant non-Defaulting Lenders.

(g) Notwithstanding any other provisions of Section 2.11(c) or Section 2.11(d), (A) to the extent that any of or all the Net Proceeds of any Prepayment Event set forth in clause (a) of the definition thereof by a Foreign Subsidiary giving rise to a prepayment pursuant to Section 2.11(c) or Section 2.11(d) (a “Foreign Prepayment Event”) or Excess Cash Flow are prohibited or delayed by any Requirement of Law (including applicable local law) from being repatriated to the Borrower, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable Requirement of Law will not permit repatriation to the Borrower (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable Requirement of Law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds or Excess Cash Flow is permitted under the applicable Requirement of Law, such repatriation will be promptly effected and such repatriated Net Proceeds or Excess Cash Flow will be promptly (and in any event not later than three Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to Section 2.11(c) or Section 2.11(d), as applicable and (B) to the extent that and for so long as Holdings has determined in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash Flow would have an adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Proceeds or Excess Cash Flow, the Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by the applicable Foreign Subsidiary; provided that when Holdings determines in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash Flow would no longer have an adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Proceeds or Excess Cash Flow, such Net Proceeds or Excess Cash Flow shall be promptly (and in any event not later than three Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to Section 2.11(c) or Section 2.11(d), as applicable.

SECTION 2.12 Fees.

(a) The Borrower agrees to pay to the Administrative Agent in dollars for the account of each Revolving Lender a commitment fee, which shall accrue at the rate of 0.50% per annum on the average daily unused amount of the Revolving Commitment of such Lender during the period from and including the Effective Date to but excluding the date on which the Revolving Commitments terminate. Accrued commitment fees shall be payable in arrears on the third Business Day following the last day of March, June, September and December of each year and on the date on which the Revolving Commitments terminate, commencing on the first such date to occur after the date hereof. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). For purposes of computing commitment fees, a Revolving Commitment of a Lender shall be deemed to be used to the extent of the outstanding Revolving Loans and LC Exposure of such Lender (and the Swingline Exposure of such Lender shall be disregarded for such purpose).

(b) The Borrower agrees to pay (i) to the Administrative Agent in dollars for the account of each Revolving Lender (other than any Defaulting Lender) a participation fee with respect to its participations in Letters of Credit, which shall accrue at the Applicable Rate used to determine the interest rate applicable to Eurocurrency Revolving Loans on the daily amount of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date on which such Lender's Revolving Commitment terminates and the date on which such Lender ceases to have any LC Exposure and (ii) to each Issuing Bank in dollars a fronting fee, which shall accrue at the rate of 0.125% per annum on the average daily amount of the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the third Business Day following such last day, commencing on the first such date to occur after the Effective Date, provided that all such fees shall be payable on the date on which the Revolving Commitments terminate and any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. Any other fees payable to an Issuing Bank pursuant to this paragraph shall be payable within 10 days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent.

**(d) The Borrower agrees to pay to the 2019 Incremental Arrangers, for their own accounts, fees payable in the amounts and at the times separately agreed upon between the Borrower and the 2019 Incremental Arrangers.**

(e) The Borrower agrees to pay to the Administrative Agent in dollars for the account of each 2019 Incremental Effective Date Term Lender an upfront fee equal to 1.00% of the amount of 2019 Incremental Effective Date Term Loans advanced on the 2019 Incremental Effective Date by each such Lender. The Borrower and the Administrative Agent agree that such fee will be earned and payable as original issue discount on the 2019 Incremental Effective Date Term Loans on the 2019 Incremental Effective Date.

(f) The Borrower agrees to pay to the Administrative Agent in dollars for the account of each 2019 Delayed Draw Incremental Term Lender an upfront fee equal to 1.00% of the amount of 2019 Delayed Draw Incremental Term Loans advanced by each such Lender during the 2019 Delayed Draw Availability Period. The Borrower and the Administrative Agent agree that such fee will be earned and payable as original issue discount on the drawing of the 2019 Delayed Draw Incremental Term Loans during the 2019 Delayed Draw Availability Period.

(dg) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent (or to an Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the Revolving Lenders entitled thereto. Fees paid hereunder shall not be refundable under any circumstances.

(eh) Notwithstanding the foregoing, and subject to Section 2.22, the Borrower shall not be obligated to pay any amounts to any Defaulting Lender pursuant to this Section 2.12.

#### SECTION 2.13 Interest.

(a) The Loans comprising each ABR Borrowing (including each Swingline Loan) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Eurocurrency Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2.00% per annum plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2.00% per annum plus the rate applicable to Term Loans that are ABR Loans as provided in paragraph (a) of this Section; provided that no amount shall be payable pursuant to this Section 2.13(c) to a Defaulting Lender so long as such Lender shall be a Defaulting Lender; provided, further, that no amounts shall accrue pursuant to this Section 2.13(c) on any overdue amount, reimbursement obligation in respect of any LC Disbursement or other amount payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and, in the case of Revolving Loans, upon termination of the Revolving Commitments, provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Revolving Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All computations of interest for ABR Loans (including ABR Loans determined by reference to the Adjusted LIBO Rate) shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.18, bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.14 Alternate Rate of Interest. If at least two Business Days prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate for such Interest Period; or

(b) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period (in each case with respect to the Loans impacted by this clause (b) or clause (a) above, "Impacted Loans"),

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or facsimile as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective and (ii)(x) if any Borrowing Request requests a Eurocurrency Borrowing, then such Borrowing shall be made as an ABR Borrowing and the utilization of the LIBO Rate component in determining the Alternate Base Rate shall be suspended and (y) if any Borrowing Request requests a Eurocurrency Borrowing denominated in euro, then such Borrowing shall be made as a Eurocurrency Borrowing with the rate thereof determined in accordance with the definition of "LIBO Rate"; provided, however, that, in each case, the Borrower may revoke any Borrowing Request that is pending when such notice is received.

(c) Notwithstanding the foregoing, if the Administrative Agent has made the determination described in clause (a) of this Section 2.14 and/or is advised by the Required Lenders of their determination in accordance with clause (b) of this Section 2.14 and the Borrower shall so request, the Administrative Agent and the Borrower shall negotiate in good faith to amend the definition of "LIBO Rate" and other applicable provisions to preserve the original intent thereof in light of such change, taking into account then prevailing market convention for determining a rate of interest for U.S. syndicated loans at such time, and any such amendment to such provisions agreed to by the Borrower and the Administrative Agent shall become effective provided that such amendment is not objected to in a written notice provided to the Borrower and the Administrative Agent by Required Lenders within five (5) Business Days of the date that such proposed amendment is delivered to the Lenders electronically or in writing; provided that, until so amended, such Impacted Loans will be handled as otherwise provided pursuant to the terms of this Section 2.14.

SECTION 2.15 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender or any Issuing Bank (except any such reserve requirement reflected in the Adjusted LIBO Rate);

(ii) impose on any Lender or any Issuing Bank or the London interbank market any other condition, cost or expense (other than with respect to Taxes) affecting this Agreement or Eurocurrency Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Lender to any Tax of any kind whatsoever with respect to this Agreement or any Eurocurrency Loan made by such Lender, or change the basis of taxation of payments to such Lender in respect thereof (except for (A) any Indemnified Taxes or Other Taxes indemnifiable under Section 2.17 or (B) any Excluded Taxes);

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurocurrency Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or Issuing Bank of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or issue any Letter of Credit) or to reduce the amount of any sum received or receivable by such Lender or Issuing Bank hereunder (whether of principal, interest or otherwise), then, from time to time upon request of such Lender or Issuing Bank, the Borrower will pay to such Lender or Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or Issuing Bank, as the case may be, for such increased costs actually incurred or reduction actually suffered, provided that to the extent any such costs or reductions are incurred by any Lender as a result of any requests, rules, guidelines or directives enacted or promulgated under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and Basel III after the Effective Date, then such Lender shall be compensated pursuant to this Section 2.15(a) only to the extent such Lender is imposing such charges on similarly situated borrowers under the other syndicated credit facilities that such Lender is a lender under. Notwithstanding the foregoing, this paragraph (a) will not apply to (A) Indemnified Taxes or Other Taxes or (B) Excluded Taxes.

(b) If any Lender or Issuing Bank determines that any Change in Law regarding capital requirements has the effect of reducing the rate of return on such Lender's or Issuing Bank's capital or on the capital of such Lender's or Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit or Swingline Loans held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or Issuing Bank or such Lender's or Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or Issuing Bank's policies and the policies of such Lender's or Issuing Bank's holding company with respect to capital adequacy), then, from time to time upon request of such Lender or Issuing Bank, the Borrower will pay to such Lender or Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or Issuing Bank or such Lender's or Issuing Bank's holding company for any such reduction actually suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or Issuing Bank or its holding company in reasonable detail, as the case may be, as specified in paragraph (a) or (b) of this Section delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender or Issuing Bank, as the case may be, the amount shown as due on any such certificate within 15 days after receipt thereof.

(d) Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or Issuing Bank's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender or Issuing Bank pursuant to this Section for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender or Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16 Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Revolving Loan or Term Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(f) and is revoked in accordance therewith) or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19 or Section 9.02(c), then, in any such event, the Borrower shall, after receipt of a written request by any Lender affected by any such event (which request shall set forth in reasonable detail the basis for requesting such amount), compensate each Lender for the actual loss, cost and expense attributable to such event. For purposes of calculating amounts payable by the Borrower to the Lenders under this Section 2.16, each Lender shall be deemed to have funded each Eurocurrency Loan made by it at the Adjusted LIBO Rate (determined without giving effect to any interest rate “floor”) for such Loan by a matching deposit or other borrowing for a comparable amount and for a comparable period, whether or not such Eurocurrency Loan was in fact so funded. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 15 days after receipt of such demand. Notwithstanding the foregoing, this Section 2.16 will not apply to losses, costs or expenses resulting from Taxes, as to which Section 2.17 shall govern.

SECTION 2.17 Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made free and clear of and without deduction for any Taxes, provided that if the applicable Withholding Agent shall be required by applicable Requirements of Law to deduct any Taxes from such payments, then (i) the applicable Withholding Agent shall make such deductions, (ii) the applicable Withholding Agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Requirements of Law and (iii) if the Tax in question is an Indemnified Tax or Other Tax, the amount payable by the applicable Loan Party shall be increased as necessary so that after all required deductions have been made (including deductions applicable to additional amounts payable under this Section 2.17) the Lender (or, in the case of a payment received by the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such deductions been made.

(b) Without limiting the provisions of paragraph (a) above, the Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with Requirements of Law.

(c) The Borrower shall indemnify the Administrative Agent and each Lender, within 30 days after written demand therefor, for the full amount of any Indemnified Taxes paid by the Administrative Agent or such Lender, as the case may be, and any Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to the Borrower by a Lender or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Taxes attributable to the Administrative Agent or any Lender to a Governmental Authority by any Loan Party, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Each Lender shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable Requirements of Law and such other documentation reasonably requested by the Borrower or the Administrative Agent (i) as will permit such payments to be made without, or at a reduced rate of, withholding or (ii) as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to withholding or information reporting requirements. Each Lender shall, whenever a lapse of time or change in circumstances renders such documentation obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and the Administrative Agent in writing of its legal ineligibility to do so.

Without limiting the foregoing:

(1) Each Lender that is a “United States person” within the meaning of Section 7701(a)(30) of the Code shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) two properly completed and duly signed original copies of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.

(2) Each Lender that is not a “United States person” within the meaning of Section 7701(a)(30) of the Code shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(A) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable, (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party,

(B) two properly completed and duly signed original copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (x) two properly completed and duly signed certificates substantially in the form of Exhibit P-1, P-2, P-3 and P-4, as applicable, (any such certificate, a “U.S. Tax Compliance Certificate”) and (y) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable, (or any successor forms),

(D) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), two properly completed and duly signed original copies of Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by a Form W-8ECI, W-8BEN or W-8BEN-E, as applicable, U.S. Tax Compliance Certificate, Form W-9, Form W-8IMY or any other required information (or any successor forms) from each beneficial owner that would be required under this Section 2.17(e) if such beneficial owner were a Lender, as applicable (provided that, if the Lender is a partnership for U.S. federal income tax purposes (and not a participating Lender) and one or more direct or indirect partners are claiming the portfolio interest exemption, the U.S. Tax Compliance Certificate may be provided by such Lender on behalf of such direct or indirect partner(s)), or

(E) two properly completed and duly signed original copies of any other form prescribed by applicable U.S. federal income tax laws as a basis for claiming a complete exemption from, or a reduction in, U.S. federal withholding tax on any payments to such Lender under the Loan Documents, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

(3) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by applicable law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's obligations under FATCA and, if necessary, to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (3), "FATCA" shall include any amendments made to FATCA after the date hereof.

(4) If the Administrative Agent is a "United States person" within the meaning of Section 7701(a)(30) of the Code, the Administrative Agent shall deliver to the Borrower two properly completed and duly signed original copies of Internal Revenue Service Form W-9 certifying to such Administrative Agent's exemption from U.S. federal backup withholding. If the Administrative Agent is not a "United States person" within the meaning of Section 7701(a)(30) of the Code, the Administrative Agent shall deliver to the Borrower two properly completed and duly signed original copies of (i) Internal Revenue Service Form W-8ECI with respect to payments received for its own account and (ii) Internal Revenue Service Form W-8IMY (together with all required accompanying documentation) with respect to payments received by it on behalf of the Lenders.

Notwithstanding any other provisions of this Section 2.17(e), a Lender or the Administrative Agent shall not be required to deliver any form or other documentation (other than any form or documentation set forth in Section 2.17(e)(1), Sections 2.17(e)(2)(A) through (D), Section 2.17(e)(3) or Section 2.17(e)(4) that such Lender or the Administrative Agent is not legally eligible to deliver.

(f) If the Borrower determines in good faith that a reasonable basis exists for contesting any Taxes for which indemnification has been demanded hereunder, the Administrative Agent or the relevant Lender, as applicable, shall use commercially reasonable efforts to cooperate with Holdings or the Borrower in a reasonable challenge of such Taxes if so requested by the Borrower; provided that (a) the Administrative Agent or such Lender determines in its reasonable discretion that it would not be subject to any unreimbursed third party cost or expense or otherwise be prejudiced by cooperating in such challenge, (b) the Borrower pay all related expenses of the Administrative Agent or such Lender, as applicable and (c) the Borrower indemnify the Administrative Agent or such Lender, as applicable, for any liabilities or other costs incurred by such party in connection with such challenge. If the Administrative Agent or a Lender receives a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Borrower or any other Loan Party or with respect to which the Borrower or any other Loan Party has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to the Borrower (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower or any other Loan Party under this Section with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Borrower, upon the request of the Administrative Agent or such Lender, agrees promptly to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. The Administrative Agent or such Lender, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant taxing authority (provided that the Administrative Agent or such Lender may delete any information therein that the Administrative Agent or such Lender deems confidential). Notwithstanding anything to the contrary, this Section 2.17(f) shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to Taxes which it deems confidential to any Loan Party or any other Person).

(g) The agreements in this Section 2.17 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder, resignation of the Administrative Agent and any assignment or rights by, or replacement of, any Lender.

(h) For purposes of this Section 2.17, the term “Lender” shall include any Issuing Bank and the Swingline Lender.

SECTION 2.18 Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) The Borrower shall make each payment required to be made by it under any Loan Document (whether of principal, interest, fees, or reimbursement of LC Disbursement or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York City time), on the date when due, in immediately available funds, without setoff or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to such account as may be specified by the Administrative Agent, except payments to be made directly to any Issuing Bank or Swingline Lender shall be made as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment (other than payments on the Eurocurrency Loans) under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day. If any payment on a Eurocurrency Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate for the period of such extension. All payments or prepayments of any Loan shall be made in the currency in which such Loan is denominated, all reimbursements of any LC Disbursements shall be made in dollars, all payments of accrued interest payable on a Loan or LC Disbursement shall be made in dollars, and all other payments under each Loan Document shall be made in dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans of a given Class or participations in LC Disbursements or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans of such Class or participations in LC Disbursements or Swingline Loans and accrued interest thereon than the proportion received by any other Lender with outstanding Loans of the same Class or participations in LC Disbursements or Swingline Loans, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of such Class or participations in LC Disbursements of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans of such Class or participations in LC Disbursements; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest and (ii) the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or participant or (C) any disproportionate payment obtained by a Lender of any Class as a result of the extension by Lenders of the maturity date or expiration date of some but not all Loans or Commitments of that Class or any increase in the Applicable Rate in respect of Loans of Lenders that have consented to any such extension. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower's rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Banks hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole discretion, distribute to the Lenders or the Issuing Banks, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or Issuing Banks, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.04(c), Section 2.05(e) or Section 2.05(f), Section 2.06(a) or Section 2.06(b), Section 2.18(d) or Section 9.03(c), then the Administrative Agent may, in its discretion and in the order determined by the Administrative Agent (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Section until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account as Cash Collateral for, and to be applied to, any future funding obligations of such Lender under any such Section.

SECTION 2.19 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to, or otherwise indemnify, any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or any event that gives rise to the operation of Section 2.23, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or its participation in any Letter of Credit affected by such event, or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment and delegation (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or Section 2.17 or mitigate the applicability of Section 2.23, as the case may be and (ii) would not subject such Lender to any unreimbursed cost or expense reasonably deemed by such Lender to be material and would not be inconsistent with the internal policies of, or otherwise be disadvantageous in any material economic, legal or regulatory respect to, such Lender.

(b) If (i) any Lender requests compensation under Section 2.15 or gives notice under Section 2.23, (ii) the Borrower is required to pay any additional amount to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.17 or (iii) any Lender is or becomes a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement and the other Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment and delegation), provided that (A) the Borrower shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable (and if a Revolving Commitment is being assigned and delegated, each Principal Issuing Bank and each Swingline Lender), which consents, in each case, shall not unreasonably be withheld or delayed, (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and unreimbursed participations in LC Disbursements and Swingline Loans, accrued but unpaid interest thereon, accrued but unpaid fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts), (C) the Borrower or such assignee shall have paid (unless waived) to the Administrative Agent the processing and recordation fee specified in Section 9.04(b)(ii) and (D) in the case of any such assignment resulting from a claim for compensation under Section 2.15, payments required to be made pursuant to Section 2.17 or a notice given under Section 2.23, such assignment will result in a material reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise (including as a result of any action taken by such Lender under paragraph (a) above), the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each party hereto agrees that an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender required to make such assignment need not be a party thereto.

SECTION 2.20 Incremental Loans and Commitments.

(a) The Borrower may at any time or from time to time after the Effective Date, by written notice delivered to the Administrative Agent request (i) one or more additional Classes of term loans or additional term loans of the same Class of any existing Class of term loans (the “Incremental Term Loans”), (ii) one or more increases in the amount of the Revolving Commitments of any Class (each such increase, an “Incremental Revolving Commitment Increase”) or (iii) one or more additional Classes of revolving credit commitments (the “Additional/Replacement Revolving Commitments,” and, together with the Incremental Term Loans and the Incremental Revolving Commitment Increases, the “Incremental Facilities”) from any Additional Lender; provided that, subject to Section 1.04(c) in the case of Incremental Facilities incurred to finance a Limited Condition Transaction, after giving effect to the effectiveness of any Incremental Facility Amendment referred to below and at the time that any such Incremental Term Loan, Incremental Revolving Commitment Increase or Additional/Replacement Revolving Commitment is made or effected, (a) the representations and warranties of each Loan Party set forth in the Loan Documents shall be true and correct in all material respects (or in all respects if qualified by materiality) on and as of the date of such Limited Condition Transaction and (b) no Event of Default shall have occurred and be continuing (except, in the case of the incurrence or provision of any Incremental Facility in connection with a Permitted Acquisition or other Investment not prohibited by the terms of this Agreement, which shall be subject to no Event of Default under clause (a), (b), (h) or (i) of Section 7.01). Notwithstanding anything to contrary herein, the aggregate principal amount of the Incremental Facilities that can be incurred at any time shall not exceed the Incremental Cap at such time. Each Incremental Facility shall be in a minimum principal amount of \$5,000,000 and integral multiples of \$1,000,000 in excess thereof if such Incremental Facilities are denominated in dollars (unless the Borrower and the Administrative Agent otherwise agree); provided that such amount may be less than \$5,000,000 if such amount represents all the remaining availability under the aggregate principal amount of Incremental Facilities set forth above.

(b) (i) The Incremental Term Loans (i) to the extent secured, shall rank equal in or junior to right of payment with the Term Loans, shall be secured only by the Collateral securing the Secured Obligations and shall only be guaranteed by the Loan Parties, (ii) shall not mature earlier than the Term Maturity Date, (iii) except in the case of an amount of Incremental Term Loans elected by the Borrower in an aggregate principal amount not to exceed 50.0% of Consolidated EBITDA, shall not have a shorter Weighted Average Life to Maturity than the existing Term Loans, (iv) shall have a maturity date (subject to clause (ii)), an amortization schedule (subject to clause (iii)), and interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and prepayment terms and premiums for the Incremental Term Loans as determined by the Borrower and the lenders of the Incremental Term Loans; provided that, in the event that the Effective Yield for any Incremental Term Loans that (1) are not junior to the Term Loans in terms of security or right of payment (including as a result of being a “last out facility”) or unsecured and (2) have a stated maturity date less than one year after the Term Maturity Date is greater than the Effective Yield for the Term Loans by more than 0.75% per annum, then the Effective Yield for the Term Loans shall be increased to the extent necessary so that the Effective Yield for the Term Loans are equal to the Effective Yield for the Incremental Term Loans minus 0.75% per annum (provided that, to the extent any portion of the Effective Yield differential is attributable to a higher “LIBOR floor” being applicable to such Incremental Term Loans, such floor shall only be included in the calculation of such differential to the extent such floor is greater than the Adjusted LIBO Rate in effect for an Interest Period of three months’ duration at such time, and, with respect to such excess, the “LIBOR floor” applicable to the outstanding Term Loans shall be increased to an amount not to exceed the “LIBOR floor” applicable to such Incremental Term Loans prior to any increase in the Applicable Rate applicable to such Term Loans then outstanding); provided further that the Incremental Term Loans may participate on a pro rata basis or less than pro rata basis (but not greater than a pro rata basis) in any mandatory repayments or prepayments hereunder and (v) may otherwise have terms and conditions different from those of the Term Loans (including currency denomination); provided that (x) except with respect to matters contemplated by clauses (ii), (iii) and (iv) above, any differences shall be reasonably satisfactory to the Administrative Agent (except for covenants and other provisions applicable only to the periods after the Latest Maturity Date at the time such Incremental Term Loans are incurred) and (y) the documentation governing any Incremental Term Loans may include a financial maintenance covenant, it being understood that, to the extent that any financial maintenance covenant is added for the benefit of any Incremental Term Loan, no consent shall be required from the Administrative Agent or any of the Term Lenders to the extent that such financial maintenance covenant is (1) also added for the benefit of any existing Loans and Commitments or (2) only applicable after the Latest Maturity Date.

(ii) The Incremental Revolving Commitment Increase shall be treated the same as the Class of Revolving Commitments being increased (including with respect to maturity date thereof) and shall be considered to be part of the Class of Revolving Credit Facility being increased (it being understood that, if required to consummate an Incremental Revolving Commitment Increase, the pricing, interest rate margins, rate floors and undrawn commitment fees on the Class of Revolving Commitments being increased may be increased and additional upfront or similar fees may be payable to the lenders providing the Incremental Revolving Commitment Increase (without any requirement to pay such fees to any existing Revolving Lenders)) but shall not have “superpriority” status.

(iii) The Additional/Replacement Revolving Commitments (i) shall rank equal or junior in right of payment with the Revolving Loans (subject to Section 2.09(f)), shall be unsecured or secured only by the Collateral securing the Secured Obligations and shall only be guaranteed by the Loan Parties, (ii) shall not mature earlier than the Revolving Maturity Date and shall require no mandatory commitment reduction prior to the Revolving Maturity Date, (iii) shall have interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, undrawn commitment fees, funding discounts, original issue discounts, prepayment terms and premiums and commitment reduction and termination terms as determined by the Borrower and the lenders of such commitments, (iv) shall contain borrowing, repayment and termination of Commitment procedures as determined by the Borrower and the lenders of such commitments, (v) may include provisions relating to letters of credit, as applicable, issued thereunder, which issuances shall be on terms substantially similar (except for the overall size of such subfacilities, the fees payable in connection therewith and the identity of the letter of credit issuer, as applicable, which shall be determined by the Borrower, the lenders of such commitments and the applicable letter of credit issuers and borrowing, repayment and termination of commitment procedures with respect thereto, in each case which shall be specified in the applicable Incremental Facility Amendment) to the terms relating to the Letters of Credit with respect to the applicable Class of Revolving Commitments or otherwise reasonably acceptable to the Administrative Agent and (vi) may otherwise have terms and conditions different from those of the Revolving Credit Facility (including currency denomination); provided that (x) except with respect to matters contemplated by clauses (ii), (iii), (iv) and (v) above, any differences shall be reasonably satisfactory to the Administrative Agent (except for covenants and other provisions applicable only to the periods after the Latest Maturity Date) and (y) the documentation governing any Additional/Replacement Revolving Commitments may include financial maintenance covenant so long as the Administrative Agent shall have been given prompt written notice thereof and this Agreement is amended to include such financial maintenance covenant for the benefit of each facility (provided, further, however, that, if the applicable new financial maintenance covenant is a “springing” financial maintenance covenant for the benefit of such revolving credit facility or covenant only applicable to, or for the benefit of, a revolving credit facility, such financial maintenance covenant shall be automatically included in this Agreement only for the benefit of each revolving credit facility hereunder (and not for the benefit of any term loan facility hereunder)).

(c) Each notice from Holdings or the Borrower pursuant to this Section 2.20 shall be given in writing and shall set forth the requested amount and proposed terms of the relevant Incremental Term Loans, Incremental Revolving Commitment Increases or Additional/Replacement Revolving Commitments.

(d) Commitments in respect of Incremental Term Loans, Incremental Revolving Commitment Increases and Additional/Replacement Revolving Commitments shall become Commitments (or in the case of an Incremental Revolving Commitment Increase to be provided by an existing Lender with a Revolving Commitment, an increase in such Lender's applicable Revolving Commitment) under this Agreement pursuant to an amendment (an "Incremental Facility Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by Holdings, the Borrower, each Lender agreeing to provide such Commitment, if any, each Additional Lender, if any, and the Administrative Agent. Incremental Term Loans and loans under Incremental Revolving Commitment Increases and Additional/Replacement Revolving Commitments shall be a "Loan" for all purposes of this Agreement and the other Loan Documents. The Incremental Facility Amendment may, subject to Section 2.14(c), without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.20 (including, in connection with an Incremental Revolving Commitment Increase, to reallocate Revolving Exposure on a pro rata basis among the relevant Revolving Lenders). The effectiveness of any Incremental Facility Amendment and the occurrence of any credit event (including the making (but not the conversion or continuation) of a Loan and the issuance, increase in the amount, or extension of a Letter of Credit thereunder) pursuant to such Incremental Facility Amendment shall be subject to the satisfaction of such conditions as the parties thereto shall agree. The Borrower will use the proceeds of the Incremental Term Loans, Incremental Revolving Commitment Increases and Additional/Replacement Revolving Commitments for any purpose not prohibited by this Agreement.

(e) Notwithstanding anything to the contrary, this Section 2.20 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

SECTION 2.21 Refinancing Amendments.

(a) At any time after the Effective Date, the Borrower may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of (a) all or any portion of the Term Loans then outstanding under this Agreement (which for purposes of this clause (a) will be deemed to include any then outstanding Other Term Loans) or (b) all or any portion of the Revolving Loans (or unused Revolving Commitments) under this Agreement (which for purposes of this clause (b) will be deemed to include any then outstanding Other Revolving Loans and Other Revolving Commitments), which may be in the form of (x) Other Term Loans or Other Term Commitments or (y) Other Revolving Loans or Other Revolving Commitments, as the case may be, in each case pursuant to a Refinancing Amendment; provided that such Credit Agreement Refinancing Indebtedness (i) will have such pricing and optional prepayment terms as may be agreed by the Borrower and the Lenders thereof, (ii) (x) with respect to any Other Revolving Loans or Other Revolving Commitments, will have a maturity date that is not prior to the maturity date of the Revolving Loans (or unused Revolving Commitments) being refinanced and (y) with respect to any Other Term Loans or Other Term Commitments, will have a maturity date that is not prior to the earlier of the maturity date of the Term Loans being refinanced and the Latest Maturity Date at the time of such refinancing, (iii) the proceeds of such Credit Agreement Refinancing Indebtedness shall be applied, substantially concurrently with the incurrence thereof, to the prepayment of outstanding Term Loans or reduction of Revolving Commitments being so refinanced, as the case may be and (iv) no Event of Default shall exist or result therefrom; provided that the requirements in this subclause (iv) shall not apply to Credit Agreement Refinancing Indebtedness in respect of all the outstanding Term Loan and Revolving Loans (and unused Revolving Commitments). Each Class of Credit Agreement Refinancing Indebtedness incurred under this Section 2.21 shall be in an aggregate principal amount that is (x) not less than \$5,000,000 in the case of Other Term Loans or \$5,000,000 in the case of Other Revolving Loans and (y) an integral multiple of \$1,000,000 in excess thereof (in each case unless the Borrower and the Administrative Agent otherwise agree). Any Refinancing Amendment may provide for the issuance of Letters of Credit for the account of the Borrower, or the provision to the Borrower of Swingline Loans, pursuant to any Other Revolving Commitments established thereby, in each case on terms substantially equivalent to the terms applicable to Letters of Credit and Swingline Loans under the Revolving Commitments. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Term Loans, Other Revolving Loans, Other Revolving Commitments and/or Other Term Commitments). Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section. In addition, if so provided in the relevant Refinancing Amendment and with the consent of each Issuing Bank, participations in Letters of Credit expiring on or after the Revolving Maturity Date shall be reallocated from Lenders holding Revolving Commitments to Lenders holding extended revolving commitments in accordance with the terms of such Refinancing Amendment; provided, however, that such participation interests shall, upon receipt thereof by the relevant Lenders holding Revolving Commitments, be deemed to be participation interests in respect of such Revolving Commitments and the terms of such participation interests (including, without limitation, the commission applicable thereto) shall be adjusted accordingly.

(b) Notwithstanding anything to the contrary, this Section 2.21 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

SECTION 2.22 Defaulting Lenders.

(a) General. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 9.02.

(ii) Reallocation of Payments. Subject to the last sentence of Section 2.11(e), any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 9.08), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, in the case of a Revolving Lender, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to each Issuing Bank and the Swingline Lender hereunder; third, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fourth, in the case of a Revolving Lender, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; fifth, to the payment of any amounts owing to the Lenders, the Issuing Banks or the Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, such Issuing Bank or the Swingline Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; sixth, so long as no Default or Event of Default exists, to the payment of any amounts owing to any Loan Party as a result of any judgment of a court of competent jurisdiction obtained by any Loan Party against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and seventh, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if such payment is a payment of the principal amount of any Loans or LC Disbursements and such Lender is a Defaulting Lender under clause (a) of the definition thereof, such payment shall be applied solely to pay the relevant Loans of, and LC Disbursements owed to, the relevant non-Defaulting Lenders on a pro rata basis prior to being applied pursuant to Section 2.05(j). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to Section 2.05(j) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. That Defaulting Lender (x) shall not be entitled to receive or accrue any commitment fee pursuant to Section 2.12(a) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (y) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.12(b).

(iv) Reallocation of Applicable Percentages to Reduce Fronting Exposure. During any period in which there is a Defaulting Lender, all or any part of such Defaulting Lender's participation in the Letter of Credit and Swingline Loans shall be reallocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentages; provided that for purposes of computing the amount of the obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Swingline Loans and Letters of Credit pursuant to this Section, the "Applicable Percentage" of each non-Defaulting Lender shall be computed without giving effect to the Revolving Commitment of that Defaulting Lender; provided that the aggregate obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit and Swingline Loans shall not exceed the positive difference, if any, of (1) the Revolving Commitment of that non-Defaulting Lender minus (2) the aggregate principal amount of the Revolving Loans of that Lender.

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent, Swingline Lender and each Issuing Bank agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), such Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held on a pro rata basis by the Lenders in accordance with their Applicable Percentages (without giving effect to Section 2.22(a) (iv)), whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

SECTION 2.23 Illegality. If any Lender determines that any law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender to make, maintain or fund Loans whose interest is determined by reference to the Adjusted LIBO Rate, or to determine or charge interest rates based upon the Adjusted LIBO Rate, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligation of such Lender to make or continue Eurocurrency Loans or to convert ABR Loans to Eurocurrency Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon three Business Days' notice from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurocurrency Loans of such Lender to ABR Loans either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurocurrency Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Adjusted LIBO Rate, the Administrative Agent shall, during the period of such suspension, compute the Alternate Base Rate applicable to such Lender without reference to the Adjusted LIBO Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Adjusted LIBO Rate. Each Lender agrees to notify the Administrative Agent and the Borrower in writing promptly upon becoming aware that it is no longer illegal for such Lender to determine or charge interest rates based upon the Adjusted LIBO Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

SECTION 2.24 Loan Modification Offers.

(a) At any time after the Effective Date, the Borrower may on one or more occasions, by written notice to the Administrative Agent, make one or more offers (each, a "Loan Modification Offer") to all the Lenders of one or more Classes (each Class subject to such a Loan Modification Offer, an "Affected Class") to effect one or more Permitted Amendments relating to such Affected Class pursuant to procedures reasonably specified by the Administrative Agent and reasonably acceptable to the Borrower (including mechanics to permit cashless rollovers and exchanges by Lenders). Such notice shall set forth (i) the terms and conditions of the requested Permitted Amendment and (ii) the date on which such Permitted Amendment is requested to become effective. Permitted Amendments shall become effective only with respect to the Loans and Commitments of the Lenders of the Affected Class that accept the applicable Loan Modification Offer (such Lenders, the "Accepting Lenders") and, in the case of any Accepting Lender, only with respect to such Lender's Loans and Commitments of such Affected Class as to which such Lender's acceptance has been made.

(b) A Permitted Amendment shall be effected pursuant to a Loan Modification Agreement executed and delivered by Holdings, the Borrower, each applicable Accepting Lender and the Administrative Agent; provided that no Permitted Amendment shall become effective unless Holdings and the Borrower shall have delivered to the Administrative Agent such legal opinions, board resolutions, secretary's certificates, officer's certificates and other documents as shall be reasonably requested by the Administrative Agent in connection therewith. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Loan Modification Agreement. Each Loan Modification Agreement may, without the consent of any Lender other than the applicable Accepting Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to give effect to the provisions of this Section 2.24, including any amendments necessary to treat the applicable Loans and/or Commitments of the Accepting Lenders as a new or same "Class" of loans and/or commitments hereunder.

(c) If, in connection with any proposed Loan Modification Offer, any Lender declines to consent to such Loan Modification Offer on the terms and by the deadline set forth in such Loan Modification Offer (each such Lender, a "Non-Accepting Lender") then the Borrower may, on notice to the Administrative Agent and the Non-Accepting Lender, (i) replace such Non-Accepting Lender in whole or in part by causing such Lender to (and such Lender shall be obligated to) assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04) all or any part of its interests, rights and obligations under this Agreement in respect of the Loans and Commitments of the Affected Class to one or more Eligible Assignees (which Eligible Assignee may be another Lender, if a Lender accepts such assignment); provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that (a) the applicable assignee shall have agreed to provide Loans and/or Commitments on the terms set forth in the applicable Permitted Amendment, (b) such Non-Accepting Lender shall have received payment of an amount equal to the outstanding principal of the Loans of the Affected Class assigned by it pursuant to this Section 2.24(c), accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees) and (c) unless waived, the Borrower or such Eligible Assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 9.04(b).

Notwithstanding the foregoing, the obligations in clauses (a) and (b) of this Section 5.01 may be satisfied with respect to financial information of Holdings and its Subsidiaries by furnishing (A) the Form 10-K or 10-Q (or the equivalent), as applicable, of Holdings or any Intermediate Parent (or a parent company of any of the foregoing) filed with the SEC or with a similar regulatory authority in a foreign jurisdiction or (B) the applicable financial statements of Holdings (or any Intermediate Parent or any direct or indirect parent of Holdings); provided that to the extent such information relates to a parent of Holdings, such information is accompanied by consolidating information, which may be unaudited, that explains in reasonable detail the differences between the information relating to such parent, on the one hand, and the information relating to Holdings and its Subsidiaries on a stand-alone basis, on the other hand, and to the extent such information is in lieu of information required to be provided under Section 5.01(a), such materials are accompanied by a report and opinion of PricewaterhouseCoopers LLP or any other independent registered public accounting firm of nationally recognized standing, which report and opinion shall be prepared in accordance with generally accepted auditing standards and shall not be subject to any “going concern” or like qualification or exception (other than any qualification or exception that is expressly solely with respect to, or expressly resulting solely from, (i) an upcoming maturity date of Indebtedness under this Agreement occurring within one year from the time such opinion is delivered or (ii) any potential inability to satisfy a financial maintenance covenant on a future date or in a future period).

Each of Holdings and the Borrower hereby acknowledges that (a) the Administrative Agent and/or the Joint Bookrunners will make available to the Lenders materials and/or information provided by or on behalf of Holdings and the Borrower hereunder (collectively, "Company Materials") by posting the Company Materials on IntraLinks or another similar electronic system (the "Platform") and (b) certain of the Lenders (each, a "Public Lender") may have personnel who do not wish to receive material non-public information with respect to Holdings or its Affiliates, or the respective securities of any of the foregoing, and who may be engaged in investment and other market-related activities with respect to such Persons' securities. The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute (i) the incurrence at the time of designation of any Investment, Indebtedness or Liens of such Subsidiary existing at such time and (ii) a return on any Investment by Holdings in Unrestricted Subsidiaries pursuant to the preceding sentence in an amount equal to the Fair Market Value at the date of such designation of Holdings’ or its Subsidiary’s (as applicable) Investment in such Subsidiary.

Each Loan Party shall comply with, and maintain its real property, whether owned, leased, subleased or otherwise operated or occupied, in compliance with, all applicable Environmental Laws (including by implementing any remedial action necessary to achieve such compliance or that is required by orders and directives of any Governmental Authority) except for failures to comply that, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect. Without limiting the foregoing, if Administrative Agent at any time has a reasonable basis to believe that there exist violations of Environmental Laws by any Loan Party or any Subsidiary or any Environmental Liabilities that, in either case, individually or in the aggregate, would reasonably be expected have a Material Adverse Effect, then each Loan Party shall, promptly upon receipt of request from Administrative Agent, cause the performance of, and allow Administrative Agent and its Related Parties access to such real property for the purpose of conducting, such environmental audits and assessments, including subsurface sampling of soil and groundwater to the extent reasonably necessary, and cause the preparation of such reports, in each case as Administrative Agent may from time to time reasonably request to address such violations of Environmental Laws or Environmental Liabilities. (g) [reserved];

(h) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, court protection, reorganization or other relief in respect of Holdings, the Borrower or any Significant Subsidiary or its debts, or of a material part of its assets, under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, examiner, sequestrator, conservator or similar official for Holdings, the Borrower or any Significant Subsidiary or for a material part of its assets, and, in any such case, such proceeding or petition shall continue undismissed or unstayed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered;

(i) Holdings, the Borrower or any Significant Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, court protection, reorganization or other relief under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in clause (h) of this Section, (iii) apply for or consent to the appointment of a receiver, trustee, examiner, custodian, sequestrator, conservator or similar official for Holdings, the Borrower or any Significant Subsidiary or for a material part of its assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding or (v) make a general assignment for the benefit of creditors;

(j) one or more enforceable judgments for the payment of money in an aggregate amount in excess of \$8,000,000 (to the extent not covered by insurance as to which the insurer has been notified of such judgment or order and has not denied coverage) shall be rendered against Holdings, the Borrower, any of the Restricted Subsidiaries or any combination thereof and the same shall remain undischarged for a period of 60 consecutive days during which execution shall not be effectively stayed, or any judgment creditor shall legally attach or levy upon assets of such Loan Party that are material to the businesses and operations of Holdings, the Borrower and the Restricted Subsidiaries, taken as a whole, to enforce any such judgment;

(k) (i) an ERISA Event occurs that has resulted or would reasonably be expected to result in liability of any Loan Party under Title IV of ERISA in an aggregate amount that would reasonably be expected to result in a Material Adverse Effect or (ii) any Loan Party or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its Withdrawal Liability under Section 4201 of ERISA under a Multiemployer Plan in an aggregate amount that would reasonably be expected to result in a Material Adverse Effect;

(l) any Lien purported to be created under any Security Document shall cease to be, or shall be asserted by any Loan Party not to be, a valid and perfected Lien on any material portion of the Collateral, except (i) as a result of the sale or other disposition of the applicable Collateral to a Person that is not a Loan Party in a transaction permitted under the Loan Documents, (ii) as a result of the Administrative Agent's failure to (A) maintain possession of any stock certificates, promissory notes or other instruments delivered to it under the Security Documents or (B) file Uniform Commercial Code continuation statements, (iii) as to Collateral consisting of real property, to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage or (iv) as a result of acts or omissions of the Administrative Agent;

(m) any material provision of any Loan Document or any Guarantee of the Loan Document Obligations shall for any reason be asserted by any Loan Party not to be a legal, valid and binding obligation of any Loan Party thereto other than as expressly permitted hereunder or thereunder;

(n) any Guarantees of the Loan Document Obligations by Holdings, or Subsidiary Loan Party pursuant to the Guarantee Agreement shall cease to be in full force and effect (in each case, other than in accordance with the terms of the Loan Documents); or

(o) a Change in Control shall occur;

(p) any of the Secured Obligations for any reason shall cease to be "Senior Indebtedness" (or any comparable term) under, and as defined in, any documentation relating to any Subordinated Indebtedness or any other Indebtedness that is subordinated to, or secured on a junior Lien basis with, the Secured Obligations, or the subordination provisions set forth in any documentation relating to such Subordinated Indebtedness shall cease to be effective or cease to be legally valid, binding and enforceable against the holders thereof;

then, and in every such event (other than an event with respect to Holdings or the Borrower described in clause (h) or (i) of this Section), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to Holdings, take either or both of the following actions, at the same or different times: (i) terminate the Commitments, and thereupon the Commitments shall terminate immediately and (ii) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of Borrower accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; and in case of any event with respect to Holdings or the Borrower described in clause (h) or (i) of this Section, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower.

SECTION 7.02 Right to Cure. Notwithstanding anything to the contrary contained in Section 7.01, in the event that Holdings and the Restricted Subsidiaries fail to comply with the requirements of the Financial Covenant as of the last day of any fiscal quarter of Holdings, at any time after the beginning of such fiscal quarter until the expiration of the 10th Business Day (the "Cure Expiration Date") subsequent to the earlier of (i) the date on which a Compliance Certificate with respect to such fiscal quarter (or the fiscal year ended on the last day of such fiscal quarter) is delivered in accordance with Section 5.01(d) and (ii) the date on which the financial statements with respect to such fiscal quarter (or the fiscal year ended on the last day of such fiscal quarter) are required to be delivered pursuant to Section 5.01(a) or Section 5.01(b), as applicable, Holdings shall have the right to issue Qualified Equity Interests for cash or otherwise receive cash contributions to the capital of Holdings as cash common equity or other Qualified Equity Interests (collectively, the "Cure Right"), and upon the receipt by Holdings of the Net Proceeds of such issuance that are Not Otherwise Applied (the "Cure Amount") pursuant to the exercise by Holdings of such Cure Right the Financial Covenant shall be recalculated giving effect to the following pro forma adjustment:

(a) Consolidated EBITDA shall be increased with respect to such applicable fiscal quarter and any four fiscal quarter period that contains such fiscal quarter, solely for the purpose of measuring the Financial Covenant and not for any other purpose under this Agreement, by an amount equal to the Cure Amount;

(b) if, after giving effect to the foregoing pro forma adjustment (without giving effect to any portion of the Cure Amount on the balance sheet of Holdings and its Restricted Subsidiaries with respect to such fiscal quarter only but with giving pro forma effect to any portion of the Cure Amount actually applied to any repayment of any Indebtedness), Holdings and its Restricted Subsidiaries shall then be in compliance with the requirements of the Financial Covenant, Holdings and its Restricted Subsidiaries shall be deemed to have satisfied the requirements of the Financial Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the Financial Covenant that had occurred shall be deemed cured for the purposes of this Agreement; and

(c) notwithstanding anything herein to the contrary, (i) in each four consecutive fiscal quarter period of Holdings there shall be at least two fiscal quarters in which the Cure Right is not exercised, (ii) during the term of this Agreement, the Cure Right shall not be exercised more than five times, (iii) for purposes of this Section 7.02, the Cure Amount shall be no greater than the amount required for purposes of complying with both Financial Covenant and any amounts in excess thereof shall not be deemed to be a Cure Amount and (iv) there shall be no pro forma reduction in Indebtedness with the proceeds of the exercise of the Cure Right for determining compliance with the Financial Covenant for the fiscal quarter in respect of which such Cure Right is exercised except as a result of a prepayment of Indebtedness with the proceeds of the exercise of the Cure Right actually applied to any repayment of Indebtedness. Notwithstanding any other provision in this Agreement to the contrary, the Cure Amount received pursuant to any exercise of the Cure Right shall be disregarded for purposes of determining any financial ratio-based conditions, pricing or any available basket under Article VI of this Agreement and there shall not have been a breach of any covenant under Article VI of this Agreement by reason of having no longer included such Cure Amount in any basket during the relevant period.

SECTION 7.03 Application of Proceeds. After the exercise of remedies provided for in Section 7.01, any amounts received on account of the Secured Obligations shall be applied by the Administrative Agent in accordance with Section 2.09(f). Notwithstanding the foregoing, Excluded Swap Obligations with respect to any Guarantor shall not be paid with amounts received from such Guarantor or its assets, but appropriate adjustments shall be made with respect to payments from other Loan Parties to preserve the allocation to Secured Obligations otherwise set forth in Section 2.09(f).

## ARTICLE VIII

### THE ADMINISTRATIVE AGENT

Each of the Lenders and the Issuing Banks hereby irrevocably appoints SunTrust Bank to serve as Administrative Agent and Collateral Agent under the Loan Documents, and authorizes the Administrative Agent and Collateral Agent to take such actions and to exercise such powers as are delegated to the Administrative Agent and Collateral Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent, the Collateral Agent, the Lenders and the Issuing Banks, and none of Holdings, the Borrower or any other Loan Party shall have any rights as a third party beneficiary of any such provisions.

The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender or an Issuing Bank as any other Lender or Issuing Bank and may exercise the same as though it were not the Administrative Agent, and such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with Holdings, the Borrower or any other Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or to exercise any discretionary power, except discretionary rights and powers expressly contemplated by the Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in the Loan Documents); provided that the Administrative Agent shall not be required to take any action that, in its opinion, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to Holdings, the Borrower, any other Subsidiary or any other Affiliate of any of the foregoing that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by Holdings, the Borrower, a Lender or an Issuing Bank and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the value or the sufficiency of any Collateral or creation, perfection or priority of any Lien purported to be created by the Security Documents or (vi) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent. Notwithstanding anything herein to the contrary, the Administrative Agent shall not have any liability arising from any confirmation of the Revolving Exposure or the component amounts thereof. Neither the Administrative Agent nor any of its Affiliates and its and their respective partners, directors, officers, employees, agents, trustees, administrators, managers, advisors and representatives shall be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (i) be obligated to ascertain, monitor or inquire as to whether any Lender or prospective Lender is a Disqualified Lender or (ii) have any liability with respect to or arising out of any assignment of Loans, or disclosure of confidential information, to any Disqualified Lender.

The Administrative Agent shall be entitled to rely, and shall not incur any liability for relying, upon any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person (including, if applicable, a Responsible Officer or Financial Officer of such Person). The Administrative Agent also may rely, and shall not incur any liability for relying, upon any statement made to it orally or by telephone and believed by it to be made by the proper Person (including, if applicable, a Financial Officer or a Responsible Officer of such Person). The Administrative Agent may consult with legal counsel (who may be counsel for or the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of their duties and exercise their rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Subject to the appointment and acceptance of a successor Administrative Agent as provided in this paragraph, the Administrative Agent may resign upon 30 days' notice to the Lenders, the Issuing Banks and Holdings. If the Administrative Agent becomes a Defaulting Lender and is not performing its role hereunder as Administrative Agent, the Administrative Agent may be removed as the Administrative Agent hereunder at the request of Holdings and the Required Lenders. Upon receipt of any such notice of resignation or upon such removal, the Required Lenders shall have the right, with Holdings' consent (unless an Event of Default under Section 7.01(a), (b), (h) or (i) has occurred and is continuing), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may (but shall not be obligated to) on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent, which shall be an Approved Bank with an office in New York, New York, or an Affiliate of any such Approved Bank (the date upon which the retiring Administrative Agent is replaced, the "Resignation Effective Date").

If the Person serving as Administrative Agent is a Defaulting Lender, the Required Lenders and Holdings may, to the extent permitted by applicable law, by notice in writing to such Person remove such Person as Administrative Agent and, with the consent of Holdings, appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (1) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except (i) that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed and (ii) with respect to any outstanding payment obligations) and (2) except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Administrative Agent (other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder and under the other Loan Documents as set forth in this Section. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article and Section 9.04 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

Each Lender and each Issuing Bank acknowledges that it has, independently and without reliance upon the Administrative Agent, the Joint Bookrunners or any other Lender or any Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Joint Bookrunners or any other Lender or any Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Each Lender, by delivering its signature page to this Agreement and funding its Loans on the Effective Date, or delivering its signature page to an Assignment and Assumption, Incremental Facility Amendment or Refinancing Amendment pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Effective Date.

No Lender shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Secured Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent on behalf of the Lenders in accordance with the terms thereof. In the event of a foreclosure by the Administrative Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Administrative Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition, and the Administrative Agent, as agent for and representative of the Lenders (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any collateral payable by the Administrative Agent on behalf of the Lenders at such sale or other disposition. Each Lender, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Guarantees of the Secured Obligations, to have agreed to the foregoing provisions.

Notwithstanding anything herein to the contrary, neither a Joint Bookrunner nor any Person named on the cover page of this Agreement as a Joint Lead Arranger shall have any duties or obligations under this Agreement or any other Loan Document (except in its capacity, as applicable, as a Lender or an Issuing Bank), but all such Persons shall have the benefit of the indemnities provided for hereunder, including under Section 9.03, fully as if named as an indemnitee or indemnified person therein and irrespective of whether the indemnified losses, claims, damages, liabilities and/or related expenses arise out of, in connection with or as a result of matters arising prior to, on or after the effective date of any Loan Document.

To the extent required by any applicable Requirements of Law (as determined in good faith by the Administrative Agent), the Administrative Agent may withhold from any payment to any Lender under any Loan Document an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 2.17, each Lender shall indemnify the Administrative Agent against, and shall make payable in respect thereof within 30 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the U.S. Internal Revenue Service or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this paragraph. The agreements in this paragraph shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other obligations under any Loan Document. For the avoidance of doubt, the term "Lender" shall, for purposes of this paragraph, include any Issuing Bank and any Swingline Lender.

Each party to this Agreement hereby appoints the Administrative Agent and Collateral Agent to act as its agent under and in connection with the relevant Security Documents.

All provisions of this Article VIII applicable to the Administrative Agent shall apply to the Collateral Agent and the Collateral Agent shall be entitled to all the benefits and indemnities applicable to the Administrative Agent under this Agreement.

Any acknowledgment, consent, direction, certification or other action which might otherwise be valid or effective only if given or taken by the Borrower shall be valid and effective if given or taken by Holdings, whether or not the Borrower joins therein. Any notice, demand, consent, acknowledgement, direction, certification or other communication delivered to Holdings in accordance with the terms of this Agreement shall be deemed to have been delivered to the Borrower.

SECTION 9.02 Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or the issuance, amendment, renewal or extension of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time. No notice or demand on the Borrower or Holdings in any case shall entitle the Borrower or Holdings to any other or further notice or demand in similar or other circumstances.

(b) Except as provided in Section 2.14(d), Section 2.20 with respect to any Incremental Facilities, Section 2.21 with respect to any Refinancing Amendment and Section 2.24 with respect to any Permitted Amendment, neither any Loan Document nor any provision thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Holdings, the Borrower, the Administrative Agent (to the extent that such waiver, amendment or modification does not affect the rights, duties, privileges or obligations of the Administrative Agent under this Agreement, the Administrative Agent shall execute such waiver, amendment or other modification to the extent approved by the Required Lenders) and the Required Lenders, or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto, in each case with the consent of the Required Lenders, provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.02 or the waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender), (ii) reduce the principal amount of any Loan or LC Disbursement (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute a reduction or forgiveness in principal) or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender directly and adversely affected thereby (it being understood that any change to the definition of First Lien Net Leverage Ratio or in the component definitions thereof shall not constitute a reduction of interest or fees), provided that only the consent of the Required Lenders shall be necessary to waive any obligation of the Borrower to pay default interest pursuant to Section 2.13(c), (iii) postpone the maturity of any Loan (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension of any maturity date), or the date of any scheduled amortization payment of the principal amount of any Loan under Section 2.10 or the applicable Refinancing Amendment, or the reimbursement date with respect to any LC Disbursement, or any date for the payment of any interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly and adversely affected thereby, provided that any such change which is in favor of a Class of Lenders holding Loans maturing after the maturity of other Classes of Lenders (and only takes effect after the maturity of such other Classes of Loans or Commitments) will require the written consent of the Required Lenders with respect to each Class directly and adversely affected thereby, (v) change any of the provisions of this Section or the percentage set forth in the definition of "Required Lenders" or any other provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender (or each Lender of such Class, as the case may be), (vi) release all or substantially all the value of the Guarantees under the Guarantee Agreement (except as expressly provided in the Loan Documents) without the written consent of each Lender (other than a Defaulting Lender) or (vii) release all or substantially all the Collateral from the Liens of the Security Documents, without the written consent of each Lender (other than a Defaulting Lender) (except as expressly provided in the Loan Documents); provided, further, that (A) no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, any Issuing Bank or any Swingline Lender without the prior written consent of the Administrative Agent, such Issuing Bank or such Swingline Lender, as the case may be, (B) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by Holdings, the Borrower and the Administrative Agent to cure any ambiguity, omission, defect or inconsistency and (C) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by Holdings, the Borrower and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time. Notwithstanding the foregoing, (a) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders on substantially the same basis as the Lenders prior to such inclusion, (b) this Agreement and other Loan Documents may be amended or supplemented by an agreement or agreements in writing entered into by the Administrative Agent and Holdings, the Borrower or any Loan Party as to which such agreement or agreements is to apply, without the need to obtain the consent of any Lender, to include "parallel debt" or similar provisions, and any authorizations or granting of powers by the Lenders and the other Secured Parties in favor of the Administrative Agent, in each case required to create in favor of the Administrative Agent any security interest contemplated to be created under this Agreement, or to perfect any such security interest, where the Administrative Agent shall have been advised by its counsel that such provisions are necessary or advisable under local law for such purpose (with Holdings and the Borrower hereby agreeing to, and to cause their subsidiaries to, enter into any such agreement or agreements upon reasonable request of the Administrative Agent promptly upon such request) and (c) upon notice thereof by Holdings to the Administrative Agent with respect to the inclusion of any previously absent financial maintenance covenant, this Agreement shall be amended by an agreement in writing entered into by the Borrower and the Administrative Agent without the need to obtain the consent of any Lender to include such covenant on the date of the incurrence of the applicable Indebtedness to the extent required by the terms of such definition or section. Notwithstanding the foregoing (but subject to each proviso of the first sentence of this Section 9.02(b)), amendments to or waivers of any other terms or provisions relating solely to (x) the Revolving Commitments (or, subject to subclause (A) above, Swingline Commitments or Letters of Credit) will require only the written approval of a Majority in Interest of the outstanding Revolving Commitments and the Borrower and (y) the Term Facility will require only the written approval of a Majority in Interest of the outstanding Term Loans and the Borrower.

(c) In connection with any proposed amendment, modification, waiver or termination (a “Proposed Change”) requiring the consent of all Lenders or all directly and adversely affected Lenders, if the consent of the Required Lenders to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in paragraph (b) of this Section being referred to as a “Non-Consenting Lender”), then, so long as the Lender that is acting as Administrative Agent is not a Non-Consenting Lender, Holdings may, at its sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an Eligible Assignee that shall assume such obligations (which Eligible Assignee may be another Lender, if a Lender accepts such assignment), provided that (a) Holdings shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable (and, if a Revolving Commitment is being assigned, each Principal Issuing Bank and Swingline Lender), which consent shall not unreasonably be withheld, conditioned or delayed, (b) such Non-Consenting Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts (including any amounts under Section 2.11(a)(i)), payable to it hereunder from the Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (c) unless waived, the Borrower or such Eligible Assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 9.04(b).

(d) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, (i) the Term Loans of any Lender that is at the time an Affiliated Lender (other than an Affiliated Debt Fund) or (ii) the Revolving Commitments and Revolving Exposure of any Lender that is at the time a Defaulting Lender shall not have any voting or approval rights under the Loan Documents and shall be excluded in determining whether all Lenders (or all Lenders of a Class), all affected Lenders (or all affected Lenders of a Class) or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to this Section 9.02); provided that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender.

(e) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender (other than an Affiliated Debt Fund) hereby agrees that, if a proceeding under the United States Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency, receivership or similar law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Loans held by such Affiliated Lender in any manner in the Administrative Agent's sole discretion, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Loans held by it as the Administrative Agent directs; provided that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Secured Obligations held by such Affiliated Lender in a manner that is less favorable in any material respect to such Affiliated Lender than the proposed treatment of similar Secured Obligations held by Lenders that are not Affiliates of the Borrower.

(f) Without limiting the ability of any Loan Party to enter into or consummate any transactions permitted by the Loan Documents as in effect as of the Effective Date, neither any Loan Document nor any provision thereof may be waived, amended or modified without the written consent of each Revolving Lender holding Revolving Loans with superpriority status, to the extent such waiver, amendment or modification, as applicable, shall (i) designate obligations as senior in right of payment to the obligations under the Revolving Credit Facility, (ii) permit Liens on any assets of Holdings, the Borrower or any Subsidiary Guarantors on a senior or pari passu basis with the Liens securing the Revolving Credit Facility (other than those existing and permitted on the Effective Date or permitted under Section 6.02), (iii) increase amortization under (A) the Term Facility in an amount greater than the amortization in effect as of the Effective Date or (B) any Incremental Term Facility in an amount greater than the amortization in effect as of the closing of such Incremental Term Facility, (iv) amend or waive this clause (f) or (v) permit the Term Loans to be held by the Borrower or any Affiliated Lender in a manner other than as permitted under this Agreement as of the Effective Date.

(g) Without limiting the ability of any Loan Party to enter into or consummate any transactions permitted by the Loan Documents as in effect as of the Effective Date, neither any Loan Document nor any provision thereof may be waived, amended or modified without the written consent of the Required Revolving Lenders, to the extent such waiver, amendment or modification, as applicable, shall (i) amend, modify or waive compliance with the conditions precedent to the obligations of any Lenders to make any Revolving Loan (or of the Issuing Bank to issue any Letter of Credit) in Section 4.01 or Section 4.02; (ii) amend the definitions of Cash Management Agreement, Guarantors (in a manner that adversely affects the rights of the Revolving Lenders disproportionately to those of other Lenders), Issuing Bank, LC Disbursement, LC Exposure, Letter of Credit, Letter of Credit Sublimit, Pro Rata Share, Required Revolving Lenders, Revolving Exposure, Revolving Loan, Secured Cash Management Agreement, Secured Cash Management Obligations, Secured Swap Obligations, Swap Agreement, Swap Obligations, Swingline Commitment, Swingline Exposure, Swingline Lender, Swingline Loan, or Swingline Sublimit; or (iii) amend or waive Sections 2.03 (with respect to Revolving Loan Borrowings), 2.04, 2.05, 2.06 (with respect to Revolving Loans), 2.09(f) (in a manner adverse to the Revolving Lenders), 2.11(b), 2.22, 4.02(a), 4.02(b), 6.01(a)(vi) (in a manner that would cause any Secured Swap Obligation outstanding prior to the effectiveness of any such amendment to violate this Agreement) or this Section 9.02(g).

SECTION 9.03 Expenses; Indemnity; Damage Waiver.

(a) Holdings or the Borrower shall pay, if the Effective Date occurs, (i) all reasonable and documented or invoiced out of pocket expenses incurred by the Administrative Agent and its Affiliates (without duplication), including the reasonable fees, charges and disbursements of Moore & Van Allen PLLC (for services rendered through April 30, 2019) and King & Spalding LLP (for services rendered beginning April 1, 2019) and to the extent necessary, a single firm of local counsel to the Administrative Agent in each relevant material jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) or otherwise retained with the Borrower's consent, in each case for the Administrative Agent, and to the extent retained with Holdings' consent, consultants, in connection with the syndication of the credit facilities provided for herein, the preparation and administration of the Loan Documents or any amendments, modifications or waivers of the provisions thereof and (ii) all reasonable and documented or invoiced out-of-pocket expenses incurred by the Administrative Agent, each Issuing Bank or any Lender, including the fees, charges and disbursements of counsel for the Administrative Agent, the Issuing Banks and the Lenders, in connection with the enforcement or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out of pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit; provided that such counsel shall be limited to one lead counsel and one local counsel in each relevant material jurisdiction and, in the case of a conflict of interest, one additional counsel for all affected parties, taken as a whole.

(b) Holdings and the Borrower shall indemnify each Agent, each Issuing Bank, each Lender and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and reasonable and documented or invoiced out-of-pocket fees and expenses of one counsel for all Indemnitees, taken as a whole, and, if reasonably necessary, a single firm of local counsel in each relevant material jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) for all Indemnitees taken as a whole (and, in the case of a conflict of interest, where the Indemnitee affected by such conflict notifies Holdings of the existence of such conflict and thereafter retains its own counsel, one additional counsel for all such affected Indemnitees, taken as a whole) for all Indemnitees (which may include a single special counsel acting in multiple jurisdictions), incurred by or asserted against any Indemnitee by any third party or by Holdings or any Subsidiary arising out of, in connection with, or as a result of (i) the execution or delivery of any Loan Document or any other agreement or instrument contemplated thereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated thereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by the Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) to the extent in any way arising from or relating to any of the foregoing, any actual or alleged presence or Release of Hazardous Materials on, at or from any Mortgaged Property or any other property currently or formerly owned or operated by Holdings, the Borrower or any Restricted Subsidiary, or any other Environmental Liability or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by Holdings or any Subsidiary and regardless of whether any Indemnitee is a party thereto, provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (i) are determined by a court of competent jurisdiction by final, non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of, or a material breach of the Loan Documents by, any Indemnitee or its Related Parties or (ii) any dispute between and among indemnified persons that does not involve an act or omission by Holdings, the Borrower or any of the Restricted Subsidiaries except that each Agent, the Joint Lead Arrangers and the Joint Bookrunners shall be indemnified in their capacities as such to the extent that none of the exceptions set forth in clause (i) applies to such Person at such time. The Borrower shall not be liable for any special, indirect, consequential or punitive damages (other than in respect of any such damages required to be indemnified pursuant to this Section 9.03(b)).

(c) To the extent that Holdings or the Borrower fails to pay any amount required to be paid by it to the Administrative Agent, any Swingline Lender or any Issuing Bank under paragraph (a) or (b) of this Section, and without limiting Holdings’ or the Borrower’s obligation to do so, (x) each Lender severally agrees to pay to the Administrative Agent and (y) each Revolving Lender severally agrees to pay to such Swingline Lender or such Issuing Bank, as the case may be, such Lender’s pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, such Swingline Lender or such Issuing Bank in its capacity as such. For purposes hereof, a Lender’s “pro rata share” shall be determined based upon its share of the aggregate Revolving Exposures, outstanding Loans and unused Commitments at the time. The obligations of the Lenders under this paragraph (c) are subject to the last sentence of Section 2.02(a) (which shall apply mutatis mutandis to the Lenders’ obligations under this paragraph (c)).

(d) To the fullest extent permitted by applicable law, none of Holdings or the Borrower shall assert, and each hereby waives, any claim against any Indemnitee (i) for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the Internet), provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such damages are determined by a court of competent jurisdiction by final, non-appealable judgment to have resulted from the gross negligence or willful misconduct of, or a breach of the Loan Documents by, such Indemnitee or its Related Parties or (ii) on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, any Loan Document or any agreement or instrument contemplated thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof.

(e) All amounts due under this Section shall be payable not later than 10 Business Days after written demand therefor; provided, however, that any Indemnitee shall promptly refund an indemnification payment received hereunder to the extent that there is a final judicial determination that such Indemnitee was not entitled to indemnification with respect to such payment pursuant to this Section 9.03.

#### SECTION 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), except that (i) no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Bank and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in clause (ii) and paragraph (g) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent (except with respect to assignments to competitors of Holdings or the Borrower) not to be unreasonably withheld or delayed) of (A) Holdings, provided that no consent of Holdings shall be required for an assignment (1) by a Term Lender to any Lender or an Affiliate of any Lender or in the case of assignments during the primary syndication of the Commitments and Loans to Persons identified to and agreed by the Borrower in writing prior to the Effective Date, (2) by a Revolving Lender to any Revolving Lender or an Affiliate of any Revolving Lender (3) by a Term Lender to an Approved Fund or (4) if an Event of Default under Section 7.01(a), (b), (h) or (i) has occurred and is continuing, by a Term Lender or a Revolving Lender to any other assignee; and provided, further, that Holdings shall have the right to withhold its consent to any assignment if, in order for such assignment to comply with applicable law, Holdings would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority, (B) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund or to Holdings or any Affiliate thereof and (C) each Principal Issuing Bank and Swingline Lender, provided that no consent of any Issuing Bank or Swingline Lender shall be required for an assignment of all or any portion of a Term Loan or Term Commitment. Notwithstanding anything in this Section 9.04 to the contrary, if any Person the consent of which is required by this paragraph with respect to any assignment of Term Loans has not given the Administrative Agent written notice of its objection to such assignment within 10 Business Days after written notice to such Person, such Person shall be deemed to have consented to such assignment.

(ii) Assignments shall be subject to the following additional conditions: (A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the trade date specified in the Assignment and Assumption with respect to such assignment or, if no trade date is so specified, as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than in the case of a Revolving Loan or Revolving Commitment, \$2,000,000 (and integral multiples of \$1,000,000 in excess thereof) or, in the case of a Term Loan, \$2,000,000 (and integral multiples of \$1,000,000 in excess thereof), unless Holdings and the Administrative Agent otherwise consent (such consent not to be unreasonably withheld or delayed), provided that no such consent of Holdings shall be required if an Event of Default under Section 7.01(a), (b), (h) or (i) has occurred and is continuing, (B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement, provided that this subclause (B) shall not be construed to prohibit assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans, (C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption (which shall include a representation by the assignee that is not a Disqualified Lender or an Affiliate of a Disqualified Lender (so long as the list of Disqualified Lenders has been made available to all Lenders)), together (unless waived by the Administrative Agent) with a processing and recordation fee of \$3,500, provided that assignments made pursuant to Section 2.19 or Section 9.02(c) shall not require the signature of the assigning Lender to become effective; provided further that such recordation fee shall not be payable in the case of assignments by any Affiliate of any Joint Bookrunner in connection with assignments of such Loans during primary syndication, (D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent any tax forms required by Section 2.17(e) and an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower, the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws and (E) unless Holdings otherwise consents, no assignment of all or any portion of the Revolving Commitment of a Lender that is also a Swingline Lender or an Issuing Bank may be made unless (1) the assignee shall be or become a Swingline Lender and/or an Issuing Bank, as applicable, and assume a ratable portion of the rights and obligations of such assignor in its capacity as Swingline Lender and Issuing Bank or (2) the assignor agrees, in its discretion, to retain all of its rights with respect to and obligations to make or issue Swingline Loans and Letters of Credit, as applicable, hereunder in which case the Applicable Fronting Exposure of such assignor may exceed such assignor's Revolving Commitment for purposes of Section 2.04(a) and Section 2.05(b) by an amount not to exceed the difference between the assignor's Revolving Commitment prior to such assignment and the assignor's Revolving Commitment following such assignment; provided that no such consent of Holdings shall be required if an Event of Default under Section 7.01(a), (b), (h) or (i) has occurred and is continuing.

(iii) Subject to acceptance and recording thereof pursuant to clause (v) of this paragraph (b), from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (subject to the obligations and limitations of) Sections 2.15, 2.16, 2.17 and 9.03 and to any fees payable hereunder that have accrued for such Lender's account but have not yet been paid). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.04(c)(i).

(iv) The Administrative Agent, acting for this purpose as an agent of Holdings and the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it, each Affiliated Lender Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal and interest amounts of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and Holdings, the Borrower, the Administrative Agent, the Issuing Bank and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain on the Register information regarding the designation, and revocation of designation, of any Lender as a Defaulting Lender. The Register shall be available for inspection by Holdings, the Borrower and, solely with respect to its Loans or Commitments, any Lender, at any reasonable time and from time to time upon reasonable prior notice. Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender or a Disqualified Lender, nor shall the Administrative Agent be obligated to monitor the aggregate amount of the Loans or Incremental Facilities held by Affiliated Lenders.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and any tax forms required by Section 2.17(e) (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in this paragraph (b) and any written consent to such assignment required by this paragraph (b), the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph (b).

(vi) The words "execution," "signed," "signature" and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act.

The Administrative Agent may disclose the list of Disqualified Lenders to a Lender upon request and subject to the prior written consent of the Borrower (which may be withheld in the Borrower's sole discretion); provided that if such Lender's request is in connection with a proposed assignment of all or a portion of its rights and obligations under this Agreement, Borrower's written consent shall not be required.

(c) (i) Any Lender may, without the consent of Holdings or the Administrative Agent, sell participations to one or more banks or other Persons (other than to a Person that is not an Eligible Assignee; provided that for the purposes of this provision, Disqualified Lenders shall be deemed to be Eligible Assignees unless a list of Disqualified Lenders has been made available to all Lenders under the Term Facility or the Revolving Credit Facility, as applicable) (a "Participant"); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) Holdings, the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents, provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clauses (i), (ii), (iii), (v), (vi) and (vii) of the first proviso to Section 9.02(b) that directly and adversely affects such Participant (but, for the avoidance of doubt, not any waiver of any Default or Event of Default). Subject to clause (ii) below, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the obligations and limitations thereof and Section 2.19 it being understood that any tax forms required by Section 2.17(e) shall be provided solely to the participating Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender, provided that such Participant shall be subject to Section 2.18(c) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.15 2.16 or Section 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior consent (not to be unreasonably withheld or delayed).

(iii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal and interest amounts of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"), provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or its other obligations under any Loan Document) except to the extent that such disclosure is reasonably necessary in connection with a Tax audit or other proceeding to establish that such Commitment, Loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive (absent manifest error), and each Person whose name is recorded in the Participant Register pursuant to the terms hereof shall be treated as a Participant for all purposes of this Agreement, notwithstanding notice to the contrary.

(d) Any Lender may, without the consent of Holdings, the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank, and this Section shall not apply to any such pledge or assignment of a security interest, provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swingline Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(f) Notwithstanding anything to the contrary contained herein, any Lender (a “Granting Lender”) may grant to a special purpose funding vehicle (an “SPV”), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrower pursuant to this Agreement, provided that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, such party will not institute against, or join any other person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 9.04, any SPV may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower and Administrative Agent) providing liquidity or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (ii) disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV.

(g) Any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement to the Affiliated Lenders (and such Affiliated Lenders may contribute the same to the Borrower), subject to the following limitations:

(i) Affiliated Lenders will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of Borrowings, notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II; provided, however, that the foregoing provisions of this clause will not apply to the Affiliated Debt Funds;

(ii) for purposes of any amendment, waiver or modification of any Loan Document (including such modifications pursuant to Section 9.02), or, subject to Section 9.02(e), any plan of reorganization pursuant to the U.S. Bankruptcy Code, that in either case does not require the consent of each Lender or each affected Lender or does not adversely affect such Affiliated Lender in any disproportionately adverse respect as compared to other Lenders, Affiliated Lenders will be deemed to have voted in the same proportion as the Lenders that are not Affiliated Lenders voting on such matter; and each Affiliated Lender hereby acknowledges, agrees and consents that if, for any reason, its vote to accept or reject any plan pursuant to the U.S. Bankruptcy Code is not deemed to have been so voted, then such vote will be (x) deemed not to be in good faith and (y) "designated" pursuant to Section 1126(e) of the U.S. Bankruptcy Code such that the vote is not counted in determining whether the applicable class has accepted or rejected such plan in accordance with Section 1126(c) of the U.S. Bankruptcy Code; provided that Affiliated Debt Funds will not be subject to such voting limitations and will be entitled to vote as any other Lender;

(iii) Affiliated Lenders may not purchase Revolving Loans;

(iv) the aggregate principal amount of Loans purchased by assignment pursuant to this Section 9.04 and held at any one time by Affiliated Lenders (other than Affiliated Debt Funds) may not exceed 25.0% of the outstanding principal amount of all Loans plus the outstanding principal amount of all term loans made pursuant to any Incremental Facility calculated at the time such Loans are purchased (such percentage, the "Affiliated Lender Cap"); provided that to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of all Loans held by Affiliated Lenders exceeding the Affiliated Lender Cap, the assignment of such excess amount will be void *ab initio*; and

(v) the assigning Lender and the Affiliated Lender purchasing such Lender's Loans shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit B hereto (an "Affiliated Lender Assignment and Assumption"); provided that each Affiliated Lender agrees to notify the Administrative Agent and the Borrowers promptly (and in any event within 10 Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent and the Borrowers promptly (and in any event within 10 Business Days) if it becomes an Affiliated Lender.

Notwithstanding anything in Section 9.02 or the definition of “Required Lenders” to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to any Loan Document or (iii) directed or required the Administrative Agent, Collateral Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, the aggregate amount of Loans held by any Affiliated Debt Funds shall be deemed to be not outstanding to the extent in excess of 49.9% of the amount required for all purposes of calculating whether the Required Lenders have taken any actions.

Each Affiliated Lender by its acquisition of any Loans outstanding hereunder will be deemed to have waived any right it may otherwise have had to bring any action in connection with such Loans against the Administrative Agent, in its capacity as such, and will be deemed to have acknowledged and agreed that the Administrative Agent shall not have any liability for any losses suffered by any Person as a result of any purported assignment to or from an Affiliated Lender.

(h) Assignments of Term Loans to any Purchasing Borrower Party shall be permitted through open market purchases and/or, so long as any offer to purchase or take by assignment (other than through open market purchases) by such Purchasing Borrower Party shall have been made to all Term Lenders on a pro rata basis, through procedures (and subject to the terms) set forth in Section 2.11(a)(ii), so long as (i) no Event of Default has occurred and is continuing, (ii) the Term Loans purchased are immediately cancelled and (iii) no proceeds from any loan under the Revolving Credit Facility shall be used to fund such assignments.

(i) Upon any contribution of Loans to the Borrower or any Restricted Subsidiary and upon any purchase of Loans by a Purchasing Borrower Party, (A) the aggregate principal amount (calculated on the face amount thereof) of such Loans shall automatically be cancelled and retired by the Borrower on the date of such contribution or purchase (and, if requested by the Administrative Agent, with respect to a contribution of Loans, any applicable contributing Lender shall execute and deliver to the Administrative Agent an Assignment and Assumption, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in such Loans to the Borrower for immediate cancellation) and (B) the Administrative Agent shall record such cancellation or retirement in the Register.

SECTION 9.05 Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to any Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof. Notwithstanding the foregoing or anything else to the contrary set forth in this Agreement, in the event that, in connection with the refinancing or repayment in full of the credit facilities provided for herein, an Issuing Bank shall have provided to the Administrative Agent a written consent to the release of the Revolving Lenders from their obligations hereunder with respect to any Letter of Credit issued by such Issuing Bank (whether as a result of the obligations of the Borrower (and any other account party) in respect of such Letter of Credit having been collateralized in full by a deposit of cash with such Issuing Bank or being supported by a letter of credit that names such Issuing Bank as the beneficiary thereunder, or otherwise), then from and after such time such Letter of Credit shall cease to be a "Letter of Credit" outstanding hereunder for all purposes of this Agreement and the other Loan Documents, and the Revolving Lenders shall be deemed to have no participations in such Letter of Credit, and no obligations with respect thereto, under Section 2.05(e) or (f).

SECTION 9.06 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent or the syndication of the Loans and Commitments constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic means shall be effective as delivery of an original counterpart of this Agreement.

SECTION 9.07 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08 Right of Setoff. If an Event of Default under Section 7.01(a), (b), (h) or (i) shall have occurred and be continuing, each Lender and each Issuing Bank is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or such Issuing Bank to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower then due and owing under this Agreement held by such Lender or Issuing Bank, irrespective of whether or not such Lender or Issuing Bank shall have made any demand under this Agreement and although such obligations are owed to a branch or office of such Lender or Issuing Bank different from the branch or office holding such deposit or obligated on such Indebtedness. The applicable Lender and applicable Issuing Bank shall notify Holdings and the Administrative Agent of such setoff and application, provided that any failure to give or any delay in giving such notice shall not affect the validity of any such setoff and application under this Section. The rights of each Lender and each Issuing Bank under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or such Issuing Bank may have. Notwithstanding the foregoing, no amount set off from any Guarantor shall be applied to any Excluded Swap Obligation of such Guarantor.

SECTION 9.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the law of the State of New York; provided that, notwithstanding the foregoing, it is understood and agreed that (i) the interpretation of the definition of Company Material Adverse Effect (and whether or not a Company Material Adverse Effect has occurred), (ii) the determination of the accuracy of any Specified Representations pursuant to clause (a) thereof and whether as a result of any inaccuracy thereof Parent, Merger Sub or their respective Affiliates have the right (taking into account any applicable cure provisions) to terminate obligations of Parent or Merger Sub under the Merger Agreement or decline to consummate the Acquisition and (iii) the determination of whether the Acquisition has been consummated in accordance with the terms of the Merger Agreement, in each case shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof.

(b) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York sitting in New York County, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in any Loan Document shall affect any right that the Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to any Loan Document against Holdings, the Borrower or their respective properties in the courts of any jurisdiction.

(c) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to any Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in any Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12 Confidentiality.

(a) Each of the Administrative Agent, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees, trustees and agents, including accountants, legal counsel and other agents and advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential and any failure of such Persons to comply with this Section 9.12 shall constitute a breach of this Section 9.12 by the Administrative Agent, any Issuing Bank or the relevant Lender, as applicable), (b) (x) to the extent requested or required by any regulatory or administrative authority, required by applicable law or by any subpoena or similar legal process, based on the reasonable advice of such Person's legal counsel or (y) necessary in connection with the exercise of remedies; provided that, (i) in each case, unless specifically prohibited by applicable law or court order, each Lender and the Administrative Agent shall notify Holdings, prior to such disclosure, of any request by any governmental agency or representative thereof (other than any such request in connection with an examination of the financial condition of such Lender by such governmental agency or other routine examinations of such Lender by such governmental agency) for disclosure of any such non-public information prior to disclosure of such information and (ii) in the case of clause (y) only, each Lender and the Administrative Agent shall use reasonable best efforts to ensure that such Information is kept confidential in connection with the exercise of such remedies, and provided, further, that in no event shall any Lender or the Administrative Agent be obligated or required to return any materials furnished by Holdings, the Borrower or any of their Subsidiaries, (c) to any other party to this Agreement, (d) subject to an agreement containing confidentiality undertakings substantially similar to those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any Swap Agreement relating to any Loan Party or their Subsidiaries and its obligations under the Loan Documents, (e) with the consent of Holdings, in the case of Information provided by Holdings, the Borrower or any other Subsidiary, (f) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any Issuing Bank or any Lender on a nonconfidential basis from a source other than Holdings or the Borrower or (g) to any ratings agency or the CUSIP Service Bureau on a confidential basis. In addition, the Agents and the Lenders may disclose the existence of this Agreement and publicly available information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments and the Borrowings hereunder. For the purposes of this Section, "Information" means all information received from Holdings or the Borrower relating to Holdings, the Borrower, any Subsidiary or their business, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by Holdings or the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

(b) EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 9.12(a) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING HOLDINGS, THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

(c) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT, WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT HOLDINGS, THE BORROWER, THE OTHER LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

SECTION 9.13 USA Patriot Act. Each Lender that is subject to the USA Patriot Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that pursuant to the requirements of Title III of the USA Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or Administrative Agent, as applicable, to identify each Loan Party in accordance with the Title III of the USA Patriot Act.

SECTION 9.14 [Reserved].

SECTION 9.15 Release of Liens and Guarantees. A Loan Party shall automatically be released from its obligations under the Loan Documents, and all security interests created by the Security Documents in Collateral owned by such Subsidiary Loan Party shall be automatically released, (1) upon the consummation of any transaction permitted by this Agreement as a result of which such Subsidiary Loan Party ceases to be a Restricted Subsidiary (including pursuant to a merger with a Subsidiary that is not a Loan Party or a designation as an Unrestricted Subsidiary) or (2) upon the request of the Borrower, in connection with a transaction permitted under this Agreement, as a result of which such Subsidiary Loan Party ceases to be a wholly-owned Subsidiary. Upon (i) any sale or other transfer by any Loan Party (other than to Holdings, the Borrower or any other Subsidiary Loan Party) of any Collateral in a transaction permitted under this Agreement or (ii) the effectiveness of any written consent to the release of the Lien or security interest created under any Security Document in any Collateral or the release of any Loan Party from its Guarantee under the Guarantee Agreement pursuant to Section 9.02, the security interests in such Collateral created by the Security Documents or such guarantee shall be automatically released. Upon the occurrence of the Termination Date, all obligations under the Loan Documents and all security interests created by the Security Documents shall be automatically released. In connection with any termination or release pursuant to this Section, the Administrative Agent shall execute and deliver to any Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent. The Lenders irrevocably authorize the Administrative Agent to release or subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(iv) or Section 6.02(xxii) to the extent required by the terms of the obligations secured by such Liens pursuant to documents reasonably acceptable to the Administrative Agent).

SECTION 9.16 No Fiduciary Relationship. Each of Holdings and the Borrower, on behalf of itself and its Subsidiaries, agrees that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, Holdings, the Borrower, the other Subsidiaries and their Affiliates, on the one hand, and the Administrative Agent, the Lenders and their Affiliates, on the other hand, will have a business relationship that does not create, by implication or otherwise, any fiduciary duty on the part of the Administrative Agent, the Lenders or their Affiliates, and no such duty will be deemed to have arisen in connection with any such transactions or communications.

SECTION 9.17 Effectiveness of the Merger. The Target shall have no rights or obligations hereunder until the consummation of the Acquisition and the merger with Merger Sub and any representations and warranties of the Target hereunder shall not become effective until such time. Upon consummation of the Acquisition, the Target shall succeed to all the rights and obligations of Merger Sub under this Agreement and the other Loan Documents to which they are a party and all representations and warranties of the Target shall become effective as of the date hereof, without any further action by any Person.

SECTION 9.18 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the "Maximum Rate"). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof and (c) amortize, prorate, allocate and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the obligations hereunder.

SECTION 9.19 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority

SECTION 9.20 Lender ERISA Representation.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Joint Lead Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of 29 CFR § 2510.3-101, as modified by Section 3(42) of ERISA) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of subsections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has not provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Joint Lead Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that none of the Administrative Agent, the Joint Lead Arrangers or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto).

(c) The Administrative Agent, the Joint Lead Arrangers hereby informs the Lenders that each such Person is not undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Commitments and this Agreement, (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

(3) Each Incremental Term Loan Lender who executes and delivers this Amendment as an Incremental Term Loan Lender will make Incremental Term Loans to the Borrower in an aggregate principal amount equal to its Incremental Term Loan Commitment (as defined below).

(4) Holdings, the Borrower, the Subsidiary Loan Parties, the Administrative Agent, and the other Lenders party hereto desire to memorialize the terms of this Amendment and to make certain other changes set forth herein and in the Amended Credit Agreement (as defined below) by amending, in accordance with Section 9.02(b) of the Existing Credit Agreement, the Existing Credit Agreement as set forth herein, such amendment to become effective at the Incremental Effective Date (as defined below).

(5) SunTrust Robinson Humphrey, Inc. and Owl Rock Capital Advisors LLC, will act as the joint lead arrangers (in such capacity, the "**2020 Incremental Arrangers**") and joint bookrunners with respect to this Amendment.

NOW, THEREFORE, in consideration of the mutual agreements herein contained and other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, and subject to the conditions set forth herein, the parties hereto hereby agree as follows:

SECTION 1. Defined Terms. Capitalized terms used herein (including the preamble and preliminary statements hereof) but not defined herein shall have the meanings assigned to such terms in the Amended Credit Agreement. In addition, as used in this Amendment, the following terms have the meanings specified:

**“Incremental Term Loan Lender”** shall mean a Lender with an Incremental Term Loan Commitment on the Incremental Effective Date.

**“Incremental Term Loan Commitment”** shall mean, with respect to each Incremental Term Loan Lender, the commitment of such Incremental Term Loan Lender to make Incremental Term Loans to the Borrower on the Incremental Effective Date. The amount of each Lender’s Incremental Term Loan Commitment as of the Incremental Effective Date is set forth on Schedule 1 hereto. The aggregate amount of the Incremental Term Loan Commitments of all Incremental Term Loan Lenders as of the Incremental Effective Date is \$15,000,000.

SECTION 2. Incremental Term Loan Commitments, Incremental Term Loans.

(a) Subject to the terms and conditions set forth herein, each of the Incremental Term Loan Lenders agrees to make Incremental Term Loans to the Borrower on the Incremental Effective Date in a principal amount not to exceed its Incremental Term Loan Commitment. Unless previously terminated, the Incremental Term Loan Commitments shall terminate at 11:59 p.m., New York City time, on the Incremental Effective Date.

(b) The Lenders signatory hereto agree that the Incremental Term Loans are permitted without use of clause (a) of the definition of Incremental Cap in the Amended Credit Agreement, and the full amount of the Incremental Cap under clause (a) of the definition thereof remains available as of the Incremental Effective Date, subject to the terms and conditions of the Amended Credit Agreement.

(c) Except as set forth in this Amendment and in the Amended Credit Agreement, the Incremental Term Loans shall have identical terms as the existing Initial Term Loans (as defined in the Amended Credit Agreement) prior to the effectiveness of this Amendment, and shall otherwise be subject to the provisions, including any provisions restricting the rights, or regarding the obligations, of the Loan Parties or any provisions regarding the rights or obligations of the Lenders, of the Credit Agreement and the other Loan Documents.

SECTION 3. Representations of the Loan Parties. Each Loan Party hereby represents and warrants to the other parties hereto as of the Incremental Effective Date that:

(a) this Amendment has been duly authorized, executed and delivered by each Loan Party and constitutes when executed and delivered by such Loan Party a legal, valid and binding obligation of such Loan Party enforceable against each such Loan Party in accordance with its terms, subject to (i) the effects of applicable bankruptcy, insolvency, moratorium, reorganization, fraudulent conveyance or other similar laws affecting creditors’ rights generally, and (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law);

(b) the representations and warranties of the Borrower and each other Loan Party contained in the Loan Documents shall be true and correct in all material respects (or, if qualified by materiality or material adverse effect, in all respects) on and as of the Incremental Effective Date (both before and after giving effect to all borrowings on the Incremental Effective Date) with the same effect as though made on and as of the date hereof, except to the extent such representations and warranties expressly relate to an earlier date (in which case such representations and warranties shall be true and correct in all material respects (or, if qualified by materiality or material adverse effect, in all respects) as of such earlier date);

(c) after giving effect to this Amendment, the execution, delivery and performance by each Loan Party of this Amendment (i) have been duly authorized by all corporate, stockholder, partnership or limited liability company action required to be obtained by such Loan Party and (ii) will not (x) violate (A) any Requirement of Law applicable to such Loan Party or its property, (B) the Organizational Documents of such Loan Party or (C) any provision of any indenture, agreement or other instrument binding upon such Loan Party or any of their property, (y) result in a breach of or constitute (alone or with due notice or lapse of time or both) a default under, or give rise to a right of or result in any termination, cancellation or acceleration of any right or obligation (including any payment) under any such indenture, agreement or other instrument, where any such conflict, violation, breach or default referred to in clause (x)(A), (x)(C) or (y) of this clause (c), would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, or (z) result in the creation or imposition of any Lien upon or with respect to (1) any property or assets now owned or hereafter acquired by such Loan Party, other than the Liens created or permitted by the Loan Documents; and

(d) at the time of and immediately after giving effect to this Amendment, no Default or Event of Default has occurred or is continuing or shall result from this Amendment including in respect of the Incremental Term Loans or from the application of the proceeds therefrom.

(e) the First Lien Net Leverage Ratio as of the twelve months ended September 28, 2019, after giving pro forma effect to the incurrence of the Incremental Term Loans does not exceed 5.25:1.00 (for the avoidance of doubt, calculated with respect to EWC Ventures, LLC, the Borrower and its Restricted Subsidiaries). For the avoidance of doubt, the representation in this Section 3(e) and the certification relating hereto as required by Section 4(i) shall be deemed to be not curable.

SECTION 4. Conditions of Lending. The obligations of the Incremental Term Loan Lenders to make Incremental Term Loans on the Incremental Effective Date are subject (at the time of or substantially concurrently therewith) to the satisfaction (or waiver in accordance with Section 9.02 of the Existing Credit Agreement or by a majority of the Incremental Term Loan Lenders) of the following conditions (the date of such satisfaction or waiver, the “**Incremental Effective Date**”):

(a) The Administrative Agent (or its counsel) shall have (1) received (i) from each Incremental Term Loan Lender and (ii) from each of Holdings, Borrower and the Subsidiary Loan Parties, either (x) a counterpart of this Amendment signed on behalf of such party or (y) written evidence reasonably satisfactory to the Administrative Agent (which may include delivery of a signed signature page of this Amendment by facsimile or other means of electronic transmission (e.g., "pdf")) that such party has signed a counterpart of this Amendment.

(b) The Administrative Agent shall have received a Borrowing Request as required by Section 2.03 of the Existing Credit Agreement.

(c) The Administrative Agent shall have received a certificate of each Loan Party, dated the Incremental Effective Date, executed by any Responsible Officer of such Loan Party, including or attaching:

(i) either (x) a copy of each Organizational Document of each Loan Party certified, to the extent applicable, as of a recent date by the applicable Governmental Authority or (y) certifying there have been no changes to the Organization Documents of such Loan Parties since the 2019 Incremental Effective Date,

(ii) signature and incumbency certificates of the Responsible Officers of each Loan Party executing this Amendment and the other Loan Documents which it is a party,

(iii) resolutions of the Board of Directors and/or similar governing bodies of each Loan Party approving and authorizing the execution, delivery and performance of Loan Documents to which it is a party, certified as of the Incremental Effective Date by its secretary, an assistant secretary or a Responsible Officer as being in full force and effect without modification or amendment, and

(iv) a good standing certificate (to the extent such concept exists) from the applicable Governmental Authority of each Loan Party's jurisdiction of incorporation, organization or formation.

(d) The Administrative Agent shall have received a written opinion (addressed to the Administrative Agent and the Incremental Term Loan Lenders and dated the Incremental Effective Date) of (i) Paul, Weiss, Rifkind, Wharton & Garrison LLP, New York and Delaware counsel for the Loan Parties and (ii) Gunster, Florida counsel for the Loan Parties, in each case, in form and substance reasonably satisfactory to the Administrative Agent covering such matters relating to this Amendment as the Administrative Agent shall reasonably request.

(e) The Administrative Agent shall have received all fees payable thereto or to any 2020 Incremental Arranger, on or prior to the Incremental Effective Date and, to the extent invoiced at least two Business Days prior to the Incremental Effective Date (except as otherwise reasonably agreed by Holdings), reimbursement or payment of all reasonable and documented out-of-pocket expenses (including reasonable fees, charges and disbursements of King & Spalding LLP) required to be reimbursed or paid by the Loan Parties hereunder or under any other Loan Document on or prior to the Incremental Effective Date (which amounts may be offset against the proceeds of the Loans made hereunder), in each case to the extent required by the Amended Credit Agreement.

(f) The Administrative Agent or relevant Incremental Term Loan Lender, as applicable, shall have received on or prior to the date that is three Business Days prior to the Incremental Effective Date (i) all documentation and other information of the type set forth in Section 4.01(n) of the Existing Credit Agreement and (ii) if applicable, a certification regarding beneficial ownership required by 31 C.F.R. § 1010.230, in each case, to the extent such information has been reasonably requested by the Administrative Agent or an Incremental Term Loan Lender not less than 10 Business Days prior to the Incremental Effective Date.

(g) The Administrative Agent shall have received a solvency certificate from the chief financial officer of the Borrower substantially in the form of Exhibit F to the Credit Agreement.

(h) The Borrower shall have delivered to the Administrative Agent a certificate from a Responsible Officer of the Borrower dated as of the Incremental Effective Date, to the effect set forth in Sections 3(a), 3(b), 3(c) and 3(d) hereof.

(i) The Borrower shall have delivered to the Administrative Agent a certificate from the Chief Financial Officer of the Borrower dated as of the Incremental Effective Date, to the effect set forth in Section 3(e) hereof.

SECTION 5. Consent and Affirmation of Loan Parties. Each of the Loan Parties, in its capacity as a guarantor under the Guarantee Agreement to which it is a party and a pledgor under the Collateral Agreement and other Security Documents to which it is a party, hereby (i) consents to the execution, delivery and performance of this Amendment and agrees that each of the Guarantee Agreement and the Collateral Agreement and the other Loan Documents to which it is a party is, and shall continue to be, in full force and effect and is hereby in all respects ratified, reaffirmed and confirmed on the Incremental Effective Date and shall not be impaired or limited by the execution or effectiveness of this Amendment, except that, on and after the Incremental Effective Date, each reference to "Credit Agreement," "thereunder," "thereof" or words of like import shall, unless the context otherwise requires, mean and be a reference to the Amended Credit Agreement and (ii) confirms that the Collateral Agreement to which each of the Loan Parties is a party and all of the Collateral described therein do, and shall continue to, secure the payment and the performance of all of the Secured Obligations now or hereafter existing pursuant to valid and continuing Liens. Although each Loan Party has been informed of the matters set forth herein and has acknowledged and agreed to same, each Loan Party understands that the Administrative Agent and Lenders have no obligation to inform such Loan Party of such matters in the future or to seek such Loan Party's acknowledgment or agreement to future amendments, waivers or consents except as set forth in the Amended Credit Agreement, and nothing herein creates such a duty.

SECTION 6. Amendment of the Existing Credit Agreement. Effective on and as of the Incremental Effective Date, the Existing Credit Agreement shall be amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and to add the underlined text (indicated textually in the same manner as the following example: underlined text) as set forth on Annex A hereto (the Existing Credit Agreement, as so amended, the “**Amended Credit Agreement**”).

SECTION 7. Reference to and Effect on the Loan Documents. (a) On and after the Incremental Effective Date, each reference in the Amended Credit Agreement to “hereunder,” “hereof,” “this Amendment” or words of like import and each reference in the other Loan Documents to “Credit Agreement,” “thereunder,” “thereof” or words of like import shall, unless the context otherwise requires, mean and be a reference to the Amended Credit Agreement. From and after the Incremental Effective Date, this Amendment shall be a Loan Document under the Existing Credit Agreement and the Amended Credit Agreement.

(b) The Security Documents and each other Loan Document, as specifically amended by this Amendment, are and shall continue to be in full force and effect and are hereby in all respects ratified and confirmed, and the respective guarantees, pledges, grants of security interests and other agreements, as applicable, under each of the Security Documents, notwithstanding the consummation of the transactions contemplated hereby, shall continue to be in full force and effect and shall accrue to the benefit of the Secured Parties under the Existing Credit Agreement and the Amended Credit Agreement. Without limiting the generality of the foregoing, the Security Documents and all of the Collateral described therein do and shall continue to secure the payment of all Secured Obligations of the Loan Parties, in each case, as amended by this Amendment.

(c) The execution, delivery and effectiveness of this Amendment shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of any Lender or the Administrative Agent under any of the Loan Documents, nor constitute a waiver of any provision of any of the Loan Documents.

(d) (i) This Amendment shall constitute an “Incremental Assumption Agreement”, (ii) each of the Incremental Term Loan Lenders shall constitute “Lenders,” (iii) the Incremental Term Loans shall constitute “Term Loans” and “Loans,” and (iv) the Incremental Term Loan Commitments shall constitute “Commitments,” in each case, for all purposes of the Amended Credit Agreement and the other Loan Documents.

(e) This Amendment shall constitute notice to the Administrative Agent required under Section 2.20(a) of the Existing Credit Agreement and each Lender party hereto hereby waives any prior notice requirement under the Existing Credit Agreement (and such shorter period(s) are agreed to by the Administrative Agent).

SECTION 8. Execution in Counterparts. This Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement. Delivery of an executed counterpart of a signature page to this Amendment by .pdf or other electronic form shall be effective as delivery of a manually executed original counterpart of this Amendment.

SECTION 9. Amendments; Headings; Severability. This Amendment may not be amended nor may any provision hereof be waived except pursuant to a writing signed by Holdings, the Borrower, the Administrative Agent and the Lenders party hereto. The Section headings used herein are for convenience of reference only, are not part of this Amendment and are not to affect the construction of, or to be taken into consideration in interpreting this Amendment. Any provision of this Amendment held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof, and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions, the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 10. Governing Law; Etc.

(a) THIS AMENDMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AMENDMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.

(b) EACH PARTY HERETO HEREBY AGREES AS SET FORTH IN SECTIONS 9.09 AND 9.10 OF THE EXISTING CREDIT AGREEMENT AS IF SUCH SECTIONS WERE SET FORTH IN FULL HEREIN.

SECTION 11. No Novation. This Amendment shall not extinguish the obligations for the payment of money outstanding under the Existing Credit Agreement or discharge or release the Lien or priority of any Security Document or any other security therefor. Nothing herein contained shall be construed as a substitution or novation of the obligations outstanding under the Existing Credit Agreement or instruments securing the same, which shall remain in full force and effect, except to any extent expressly modified hereby or by instruments executed concurrently herewith and except to the extent repaid as provided herein. Nothing implied in this Amendment or in any other document contemplated hereby shall be construed as a release or other discharge of any of the Loan Parties under any Loan Document from any of its obligations and liabilities as a borrower, guarantor or pledgor under any of the Loan Documents.

SECTION 12. Notices. All notices hereunder shall be given in accordance with the provisions of Section 9.01 of the Amended Credit Agreement.

Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of 8 Eurocurrency Borrowings outstanding.

SECTION 2.03 Requests for Borrowings. To request a Revolving Loan Borrowing or Term Loan Borrowing, the Borrower shall notify the Administrative Agent of such request by telephone (a) in the case of a Eurocurrency Borrowing, not later than 2:00 p.m., New York City time, three Business Days before the date of the proposed Borrowing (or, in the case of any Eurocurrency Borrowing to be made on the Effective Date or, the 2019 Incremental Effective Date or the 2020 Incremental Effective Date, such shorter period of time as may be agreed to by the Administrative Agent) or (b) in the case of an ABR Borrowing, not later than 12:00 noon, New York City time, on the date of the proposed Borrowing; provided that any such notice of an ABR Revolving Loan Borrowing to finance the reimbursement of an LC Disbursement as contemplated by Section 2.05(f) may be given not later than 10:00 a.m., New York City time, on the date of the proposed Borrowing; provided, further that any such notice of an ABR Borrowing of 2019 Delayed Draw Incremental Term Loans may be given not later than 10:00 a.m., New York City time, one Business Day before the date of the proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery or facsimile to the Administrative Agent of a written Borrowing Request signed by the Borrower. Each such telephonic and written Borrowing Request shall specify the following information:

(i) whether the requested Borrowing is to be a Revolving Loan Borrowing, a Term Loan Borrowing or a Borrowing of any other Class (specifying the Class thereof);

(ii) the aggregate amount of such Borrowing;

(iii) the date of such Borrowing, which shall be a Business Day;

(iv) whether such Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing;

(v) in the case of a Eurocurrency Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period";

(vi) the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.06, or, in the case of any ABR Revolving Loan Borrowing or Swingline Loan requested to finance the reimbursement of an LC Disbursement as provided in Section 2.05(f), the identity of the Issuing Bank that made such LC Disbursement; and

(vii) that, as of the date of such Borrowing, the conditions set forth in Section 4.02(a) and Section 4.02(b), to the extent applicable, are satisfied.

If no election as to the Type of Borrowing is specified as to any Borrowing, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurocurrency Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

SECTION 2.04     Swingline Loans.

(a) Subject to the terms and conditions set forth herein (including Section 2.22), in reliance upon the agreements of the other Lenders set forth in this Section 2.04, the Swingline Lender agrees to make Swingline Loans to the Borrower from time to time during the Revolving Availability Period denominated in dollars in an aggregate principal amount at any time outstanding that will not result in (i) subject to Section 9.04(b)(ii), the Applicable Fronting Exposure of any Swingline Lender exceeding its Revolving Commitment, (ii) the aggregate Revolving Exposures exceeding the aggregate Revolving Commitments or (iii) the aggregate amount of Swingline Loans outstanding exceeding Swingline Sublimit; provided that the Swingline Lender shall be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Swingline Loans.

(b) To request a Swingline Loan, the Borrower shall notify the Swingline Lender of such request (i) by telephone (confirmed in writing) or by email or facsimile (confirmed by telephone), not later than 2:00 p.m. New York City time on the day of such proposed Swingline Loan. Each such notice shall be irrevocable and shall specify the requested date (which shall be a Business Day), the amount of the requested Swingline Loan and (x) if the funds are not to be credited to a general deposit account of the Borrower maintained with the Swingline Lender because the Borrower is unable to maintain a general deposit account with the Swingline Lender under applicable Requirements of Law, the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with Section 2.06 or (y) in the case of any ABR Revolving Loan Borrowing or Swingline Loan requested to finance the reimbursement of an LC Disbursement as provided in Section 2.05(f), the identity of the Issuing Bank that made such LC Disbursement. The Swingline Lender shall make each Swingline Loan available to the Borrower by means of a credit to the general deposit accounts of the Borrower maintained with the Swingline Lender for the Swingline Loan (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.05(f), by remittance to the applicable Issuing Bank) by 3:00 p.m., New York City time, on the requested date of such Swingline Loan. The Swingline Lender shall not be required to fund any Swingline Loan if any Lender is at that time a Defaulting Lender if, after giving effect to Section 2.22(a)(iv), any Defaulting Lender Fronting Exposure remains outstanding, unless the Swingline Lender has entered into arrangements, including the delivery of Cash Collateral, reasonably satisfactory to the Swingline Lender with the Borrower or such Lender to eliminate such Swingline Lender's Defaulting Lender Fronting Exposure.

(c) The Swingline Lender may by written notice given to the Administrative Agent not later than 12:00 noon, New York City time, on any Business Day require the Revolving Lenders to acquire participations on such Business Day in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Revolving Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Revolving Lender, specifying in such notice the Lender's Applicable Percentage of such Swingline Loan or Swingline Loans. Each Revolving Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent, for the account of the Swingline Lender, such Lender's Applicable Percentage of such Swingline Loan or Swingline Loans. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders pursuant to this paragraph), and the Administrative Agent shall promptly remit to the Swingline Lender the amounts so received by it from the Revolving Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Borrower (or other Person on behalf of the Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted by the Swingline Lender to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear; provided that any such payment so remitted shall be repaid to the Swingline Lender or the Administrative Agent, as the case may be, and thereafter to the Borrower, if and to the extent such payment is required to be refunded to the Borrower for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrower of any default in the payment thereof.

(d) The Borrower may, at any time and from time to time, designate as additional Swingline Lenders one or more Revolving Lenders that agree to serve in such capacity as provided below. The acceptance by a Revolving Lender of an appointment as a Swingline Lender hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower, executed by the Borrower, the Administrative Agent and such designated Swingline Lender, and, from and after the effective date of such agreement, (i) such Revolving Lender shall have all the rights and obligations of a Swingline Lender under this Agreement and (ii) references herein to the term "Swingline Lender" shall be deemed to include such Revolving Lender in its capacity as a lender of Swingline Loans hereunder.

(e) The Borrower may terminate the appointment of any Swingline Lender as a "Swingline Lender" hereunder by providing a written notice thereof to such Swingline Lender, with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (i) such Swingline Lender's acknowledging receipt of such notice and (ii) the fifth Business Day following the date of the delivery thereof; provided that no such termination shall become effective until and unless the Swingline Exposure of such Swingline Lender shall have been reduced to zero. Notwithstanding the effectiveness of any such termination, the terminated Swingline Lender shall remain a party hereto and shall continue to have all the rights of a Swingline Lender under this Agreement with respect to Swingline Loans made by it prior to such termination, but shall not make any additional Swingline Loans.

SECTION 2.05      Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein (including Section 2.22), each Issuing Bank agrees, in reliance upon agreement of the Revolving Lenders set forth in this Section 2.05, to issue Letters of Credit denominated in dollars for the Borrower's own account (or for the account of any Subsidiary so long as the Borrower and such other Subsidiary are co-applicants in respect of such Letter of Credit), in a form reasonably acceptable to the Administrative Agent and the applicable Issuing Bank, which shall reflect the standard operating procedures of such Issuing Bank, at any time and from time to time during the Revolving Availability Period and prior to the fifth Business Day prior to the Revolving Maturity Date. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, the applicable Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(b) Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall deliver in writing by hand delivery or facsimile (or transmit by electronic communication, if arrangements for doing so have been approved by the recipient) to the applicable Issuing Bank and the Administrative Agent (at least five Business Days before the requested date of issuance, amendment, renewal or extension or such shorter period as the applicable Issuing Bank and the Administrative Agent may agree) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (d) of this Section), the amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the applicable Issuing Bank, the Borrower also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of any Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension, (i) subject to Section 9.04(b)(ii), the Applicable Fronting Exposure of each Issuing Bank shall not exceed its Revolving Commitment, (ii) the aggregate Revolving Exposures shall not exceed the aggregate Revolving Commitments and (iii) the aggregate LC Exposure shall not exceed the Letter of Credit Sublimit. No Issuing Bank shall be under any obligation to issue any Letter of Credit if (i) any order, judgment or decree of any Governmental Authority or arbitrator shall enjoin or restrain such Issuing Bank from issuing the Letter of Credit, or any law applicable to such Issuing Bank any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon such Issuing Bank with respect to the Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Bank in good faith deems material to it, (ii) except as otherwise agreed by the Administrative Agent and the such Issuing Bank, the Letter of Credit is in an initial stated amount less than \$100,000, in the case of a commercial Letter of Credit, or \$500,000, in the case of a standby Letter of Credit or (iii) any Lender is at that time a Defaulting Lender, if after giving effect to Section 2.22(a) (iv), any Defaulting Lender Fronting Exposure remains outstanding, unless such Issuing Bank has entered into arrangements, including the delivery of Cash Collateral, reasonably satisfactory to such Issuing Bank with the Borrower or such Lender to eliminate such Issuing Bank's Defaulting Lender Fronting Exposure arising from either the Letter of Credit then proposed to be issued or such Letter of Credit and all other LC Exposure as to which such Issuing Bank has Defaulting Lender Fronting Exposure.

(c) Notice. Each Issuing Bank agrees that it shall not permit any issuance, amendment, renewal or extension of a Letter of Credit to occur unless it shall have given to the Administrative Agent written notice thereof required under paragraph (m) of this Section.

(d) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date that is one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) the date that is five Business Days prior to the Revolving Maturity Date; provided that if such expiry date is not a Business Day, such Letter of Credit shall expire at or prior to the close of business on the next succeeding Business Day; provided, further, that any Letter of Credit may, upon the request of the Borrower, include a provision whereby such Letter of Credit shall be renewed automatically for additional consecutive periods of one year or less (but not beyond the date that is five Business Days prior to the Revolving Maturity Date, unless Borrower delivers Cash Collateral or other credit support pursuant to arrangements reasonably satisfactory to such Issuing Bank) unless the applicable Issuing Bank notifies the beneficiary thereof within the time period specified in such Letter of Credit or, if no such time period is specified, at least 30 days prior to the then-applicable expiration date, that such Letter of Credit will not be renewed.

(e) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuing Bank that is the issuer thereof or the Lenders, such Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Revolving Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of such Issuing Bank, such Revolving Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (f) of this Section in the currency of such LC Disbursement, or of any reimbursement payment required to be refunded to the Borrower for any reason. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(f) Reimbursement. If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount equal to such LC Disbursement not later than 4:00 p.m., New York City time, on the Business Day immediately following the day that the Borrower receives notice of such LC Disbursement; provided that, if such LC Disbursement is not less than the Dollar Equivalent of \$1,000,000, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or Section 2.04 that such payment be financed with an ABR Revolving Loan Borrowing or a Swingline Loan, in each case in an equivalent amount, and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Loan Borrowing or Swingline Loan. If the Borrower fails to make such payment when due, the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Revolving Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent its Applicable Percentage of the payment then due from the Borrower, in dollars and in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders pursuant to this paragraph), and the Administrative Agent shall promptly remit to the applicable Issuing Bank the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Revolving Lenders and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse any Issuing Bank for any LC Disbursement (other than the funding of ABR Revolving Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement.

(g) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (f) of this Section is absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by an Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. None of the Administrative Agent, the Lenders, the Issuing Banks or any of their Affiliates shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Banks; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to consequential or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of any Issuing Bank (as determined by a court of competent jurisdiction in a final, nonappealable judgment), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit, and any such acceptance or refusal shall be deemed not to constitute gross negligence or willful misconduct.

(h) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly notify the Administrative Agent and the Borrower by telephone (confirmed by hand delivery or facsimile) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement in accordance with paragraph (f) of this Section.

(i) Interim Interest. If an Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to in the case of an LC Disbursement denominated in dollars, ABR Revolving Loans; provided that, if the Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (f) of this Section, then Section 2.13(c) shall apply. Interest accrued pursuant to this paragraph shall be paid to the Administrative Agent, for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (f) of this Section to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment and shall be payable on demand or, if no demand has been made, on the date on which the Borrower reimburses the applicable LC Disbursement in full.

(j) Cash Collateralization. If any Event of Default under clause (a), (b), (h) or (i) of Section 7.01 shall occur and be continuing, on the Business Day on which the Borrower receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, Revolving Lenders with LC Exposure representing more than 50.0% of the aggregate LC Exposure of all Revolving Lenders) demanding the deposit of Cash Collateral pursuant to this paragraph, the Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Lenders, an amount of cash in dollars equal to the Dollar Equivalent of the portions of the LC Exposure attributable to Letters of Credit, as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such Cash Collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in clause (h) or (i) of Section 7.01. The Borrower also shall deposit Cash Collateral pursuant to this paragraph as and to the extent required by Section 2.11(b). Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. At any time that there shall exist a Defaulting Lender, if any Defaulting Lender Fronting Exposure remains outstanding (after giving effect to Section 2.22(a)(iv)), then promptly upon the request of the Administrative Agent, the Issuing Bank or the Swingline Lender, the Borrower shall deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover such Defaulting Lender Fronting Exposure (after giving effect to any Cash Collateral provided by the Defaulting Lender). The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent in Permitted Investments and at the Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Banks for LC Disbursements for which they have not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Revolving Lenders with LC Exposure representing more than 50.0% of the aggregate LC Exposure of all the Revolving Lenders), be applied to satisfy other obligations of the Borrower under this Agreement in accordance with the terms of the Loan Documents. If the Borrower is required to provide an amount of Cash Collateral hereunder as a result of the occurrence of an Event of Default or the existence of a Defaulting Lender, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after all Events of Default have been cured or waived or after the termination of Defaulting Lender status, as applicable. If the Borrower is required to provide an amount of Cash Collateral hereunder pursuant to Section 2.11(b), such amount (to the extent not applied as aforesaid) shall be returned to the Borrower as and to the extent that, after giving effect to such return, the Borrower would remain in compliance with Section 2.11(b) and no Event of Default shall have occurred and be continuing.

(k) Designation of Additional Issuing Banks. The Borrower may, at any time and from time to time, designate as additional Issuing Banks one or more Revolving Lenders that agree to serve in such capacity as provided below. The acceptance by a Revolving Lender of an appointment as an Issuing Bank hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower, executed by the Borrower, the Administrative Agent and such designated Revolving Lender and, from and after the effective date of such agreement, (i) such Revolving Lender shall have all the rights and obligations of an Issuing Bank under this Agreement and (ii) references herein to the term "Issuing Bank" shall be deemed to include such Revolving Lender in its capacity as an issuer of Letters of Credit hereunder.

(l) Termination of an Issuing Bank. The Borrower may terminate the appointment of any Issuing Bank as an “Issuing Bank” hereunder by providing a written notice thereof to such Issuing Bank, with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (i) such Issuing Bank’s acknowledging receipt of such notice and (ii) the fifth Business Day following the date of the delivery thereof; provided that no such termination shall become effective until and unless the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (or its Affiliates) shall have been reduced to zero. At the time any such termination shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the terminated Issuing Bank pursuant to Section 2.12(b). Notwithstanding the effectiveness of any such termination, the terminated Issuing Bank shall remain a party hereto and shall continue to have all the rights of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such termination, but shall not issue any additional Letters of Credit.

(m) Issuing Bank Reports to the Administrative Agent. Unless otherwise agreed by the Administrative Agent, each Issuing Bank shall, in addition to its notification obligations set forth elsewhere in this Section, report in writing to the Administrative Agent (i) periodic activity (for such period or recurrent periods as shall be requested by the Administrative Agent) in respect of Letters of Credit issued by such Issuing Bank, including all issuances, extensions, amendments and renewals, all expirations and cancellations and all disbursements and reimbursements, (ii) within five Business Days following the time that such Issuing Bank issues, amends, renews or extends any Letter of Credit, the date of such issuance, amendment, renewal or extension, and the currency and face amount of the Letters of Credit issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension (and whether the amounts thereof shall have changed), (iii) on each Business Day on which such Issuing Bank makes any LC Disbursement, the date, currency and amount of such LC Disbursement, (iv) on any Business Day on which the Borrower fails to reimburse an LC Disbursement required to be reimbursed to such Issuing Bank on such day, the date of such failure and amount of such LC Disbursement and (v) on any other Business Day, such other information as the Administrative Agent shall reasonably request as to the Letters of Credit issued by such Issuing Bank.

SECTION 2.06      Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds in U.S. dollars by 2:00 p.m., New York City time, to the Applicable Account of the Administrative Agent most-recently designated by it for such purpose by notice to the Lenders; provided that Swingline Loans shall be made as provided in Section 2.04. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower maintained with the Administrative Agent in New York City and designated by the Borrower in the applicable Borrowing Request; provided that ABR Revolving Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.05(f) shall be remitted by the Administrative Agent to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to Section 2.05(f) to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank as their interests may appear.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance on such assumption and in its sole discretion, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender agrees to pay to the Administrative Agent an amount equal to such share on demand of the Administrative Agent. If such Lender does not pay such corresponding amount forthwith upon demand of the Administrative Agent therefor, the Administrative Agent shall promptly notify the Borrower, and the Borrower agrees to pay such corresponding amount to the Administrative Agent forthwith on demand. The Administrative Agent shall also be entitled to recover from such Lender or Borrower interest on such corresponding amount, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, if such Borrowing is denominated in dollars, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, the rate reasonably determined by the Administrative Agent to be its cost of funding such amount or (ii) in the case of the Borrower, the interest rate applicable to such Borrowing in accordance with Section 2.13. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

(c) The obligations of the Lenders hereunder to make Term Loans and Revolving Loans, to fund participations in Letters of Credit and Swingline Loans and to make payments pursuant to Section 9.03(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 9.03(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and, other than as expressly provided herein with respect to a Defaulting Lender, no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 9.03(c).

SECTION 2.07      Interest Elections.

(a) Each Revolving Loan Borrowing and Term Loan Borrowing initially shall be of the Type specified in the applicable Borrowing Request or designated by Section 2.03 and, in the case of a Eurocurrency Borrowing, shall have an initial Interest Period as specified in such Borrowing Request or designated by Section 2.03. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurocurrency Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Loans, which may not be converted or continued.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by telephone by the time that a Revolving Loan Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and confirmed promptly by hand delivery, facsimile or other electronic transmission to the Administrative Agent of a written Interest Election Request signed by the Borrower.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.03:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing (solely to the extent such Borrowing is denominated in dollars) or a Eurocurrency Borrowing; and

(iv) if the resulting Borrowing is to be a Eurocurrency Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request in accordance with this Section, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Eurocurrency Borrowing and (ii) unless repaid, each Eurocurrency Borrowing shall be converted to an ABR Borrowing.

SECTION 2.08 Termination and Reduction of Commitments.

(a) Unless previously terminated, (i) the Initial Term Commitments shall terminate at 5:00 p.m., New York City time, on the Effective Date and (ii) the Revolving Commitments shall terminate on the Revolving Maturity Date. On the 2019 Incremental Effective Date (after giving effect to the funding of the 2019 Incremental Effective Date Term Loans to be made on such date), the 2019 Incremental Effective Date Term Loan Commitments of each Lender as of the 2019 Incremental Effective Date will terminate. The 2019 Delayed Draw Incremental Term Loan Commitments of each Lender shall terminate upon the Borrowing of 2019 Delayed Draw Incremental Term Loans in an amount equal to the principal amount of such 2019 Delayed Draw Incremental Term Loans that are borrowed on such date. On the 2019 Delayed Draw Termination Date, all then outstanding 2019 Delayed Draw Incremental Term Loan Commitments of each Lender on the 2019 Delayed Draw Termination Date will terminate. On the 2020 Incremental Effective Date (after giving effect to the funding of the 2020 Incremental Effective Date Term Loans to be made on such date), the 2020 Incremental Effective Date Term Loan Commitments of each Lender as of the 2020 Incremental Effective Date will terminate.

(b) The Borrower may at any time terminate, or from time to time reduce, the Commitments of any Class; provided that (i) each reduction of the Commitments of any Class shall be in an amount that is an integral multiple of \$500,000 and not less than \$1,000,000 and (ii) the Borrower shall not terminate or reduce the Revolving Commitments if, after giving effect to any concurrent prepayment of the Revolving Loans or Swingline Loans in accordance with Section 2.11, the aggregate Revolving Exposures would exceed the aggregate Revolving Commitments.

(c) The Borrower may at any time prior to the funding thereunder terminate, or from time to time reduce, the 2019 Delayed Draw Incremental Term Loan Commitments; provided, that each reduction of the 2019 Delayed Draw Incremental Term Loan Commitments shall be in an amount that is an integral multiple of \$500,000 and not less than \$1,000,000.

(d) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section or any election to terminate or reduce the 2019 Delayed Draw Term Loan Commitments under paragraph (c) of this Section 2.08 at least one Business Day prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination of the Revolving Commitments or 2019 Delayed Draw Term Loan Commitments delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or the occurrence of some other identifiable event or condition, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date of termination) if such condition is not satisfied. Any termination or reduction of the Commitments of any Class shall be permanent. Each reduction of the Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Commitments of such Class.

SECTION 2.09      Repayment of Loans; Evidence of Debt; Superpriority of Revolving Loans.

(a)      The Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Revolving Loan of such Lender on the Revolving Maturity Date, (ii) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender as provided in Section 2.10 and (iii) to the Swingline Lender the then unpaid principal amount of each Swingline Loan made by the Swingline Lender on the earlier to occur of (A) the date that is 10 Business Days after such Loan is made and (B) the Revolving Maturity Date; provided that on each date that a Revolving Loan Borrowing in any currency is made, the Borrower shall repay all Swingline Loans in such currency that were outstanding on the date such Borrowing was requested.

(b)      Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c)      The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d)      The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein, provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to pay any amounts due hereunder in accordance with the terms of this Agreement. In the event of any inconsistency between the entries made pursuant to paragraphs (b) and (c) of this Section, the accounts maintained by the Administrative Agent pursuant to paragraph (c) of this Section shall control.

(e)      Any Lender may request through the Administrative Agent that Loans of any Class made by it be evidenced by a promissory note. In such event, the Borrower shall execute and deliver to such Lender a promissory note payable to such Lender or its registered assigns and in a form provided by the Administrative Agent and approved by the Borrower.

(f) Notwithstanding anything in the Loan Documents to the contrary, upon (i) the exercise of remedies (including acceleration of the Loans) provided for in Section 7.01 or (i) the occurrence and during the continuation of an Event of Default under Section 7.01 (h) or (i), (a) all payments received by Administrative Agent, whether from Borrower, Holdings or any Guarantor or otherwise, (b) all proceeds received by Administrative Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral under any Collateral Document, and subject to Section 2.22, the application of all or any portion of such proceeds by the Administrative Agent to the maintenance, preservation and protection of the Collateral in accordance with the Loan Documents, (c) amounts received by any Lender by exercising any right of setoff or counterclaim or otherwise obtaining payment in respect of any principal of or interest on any of its Loans and (d) the application of cash collateral in accordance with the terms hereof, shall be applied to the Secured Obligations by the Administrative Agent, in each case in the following order of priority until each item is paid in full:

(i) *first*, to the reimbursable expenses of the Administrative Agent incurred in connection with such sale or other realization upon the Collateral, until the same shall have been paid in full;

(ii) *second*, to the fees and other reimbursable expenses of the Administrative Agent and the Issuing Banks then due and payable pursuant to any of the Loan Documents, until the same shall have been paid in full;

(iii) *third*, to all reimbursable expenses, if any, of the Lenders having or holding Revolving Loans (other than Incremental Facilities) or Revolving Commitments (other than Incremental Facilities) then due and payable pursuant to any of the Loan Documents (and including, without limitation, any fees, costs, expenses and indemnities that would accrue and become due but for the commencement of any proceeding under any Debtor Relief Law with respect to any Loan Party, whether or not such amounts are allowed or allowable in whole or in part in such case or similar proceeding), until the same shall have been paid in full.

(iv) *fourth*, to the fees due and payable under Sections 2.12(a) and (b) of this Agreement and to interest then due and payable with respect to any Revolving Loans (other than Incremental Facilities) made hereunder (and including, without limitation, any fees and interest that would accrue and become due but for the commencement of any proceeding under any Debtor Relief Law with respect to any Loan Party, whether or not such amounts are allowed or allowable in whole or in part in such case or similar proceeding), until the same shall have been paid in full;

(v) *fifth*, to the aggregate outstanding principal amount of the Revolving Loans (other than Incremental Facilities), the LC Exposure (to the extent secured by Liens) of any Revolving Lender (other than Additional Lenders) or any of its Affiliates, the Secured Cash Management Obligations and the Secured Swap Obligations of the Borrower and its Subsidiaries maintained with any Revolving Lender (other than Additional Lenders) or any of its Affiliates, until the same shall have been paid in full, allocated pro rata among any Lender, any counterparty to a Secured Cash Management Agreement or Swap Agreement, based on their respective Pro Rata Share of the aggregate amount of such Revolving Loans, the LC Exposure (to the extent secured by Liens), Secured Cash Management Obligations and Secured Swap Obligations;

(vi) *sixth*, to additional Cash Collateral for the aggregate amount of all outstanding Letters of Credit until the aggregate amount of all Cash Collateral held by the Administrative Agent pursuant to this Agreement is equal to the LC Exposure after giving effect to the foregoing clause fifth;

(vii) *seventh*, to all reimbursable expenses, if any, of the Lenders to the extent not described in the foregoing clause third then due and payable pursuant to any of the Loan Documents, until the same shall have been paid in full;

(viii) *eighth*, to interest and fees, as applicable, then due and payable with respect to the Term Loan and any Loans under any Incremental Facility made hereunder (and including, without limitation, any fees and interest that would accrue and become due but for the commencement of any proceeding under any Debtor Relief Law with respect to any Loan Party, whether or not such amounts are allowed or allowable in whole or in part in such case or similar proceeding), until the same shall have been paid in full;

(ix) *ninth*, to the aggregate outstanding principal amount of the Term Loan and any Loans under any Incremental Facility made hereunder, until the same shall have been paid in full; and

(x) *thereafter*, to the extent any proceeds remain, to the Borrower or other parties lawfully entitled thereto.

All amounts allocated pursuant to the foregoing clauses third through sixth to the Lenders as a result of amounts owed to the Lenders (or any of their Affiliates, as applicable) under the Loan Documents shall be allocated among, and distributed to, the Revolving Lenders (or any of their Affiliates, as applicable) pro rata based on their respective Pro Rata Shares; provided, that all amounts allocated to that portion of the Applicable Fronting Exposure comprised of the aggregate undrawn amount of all outstanding Letters of Credit pursuant to clause fifth and sixth shall be distributed to the Administrative Agent, rather than to the Lenders, and held by the Administrative Agent in an account in the name of the Administrative Agent for the benefit of the Issuing Bank and the Revolving Lenders as Cash Collateral for the Applicable Fronting Exposure, such account to be administered in accordance with Section 2.05(j).

SECTION 2.10 Amortization of Term Loans.

(a) Subject to adjustment pursuant to paragraph (c) of this Section 2.10, the Borrower shall repay Term Loan Borrowings on the last day of each March, June, September and December (commencing on December 31, 2018) in the principal amount of ~~(\*w)~~ in the case of the Initial Term Loans, Initial Term Loans equal to (i) the aggregate outstanding principal amount of Term Loans immediately after closing on the Effective Date multiplied by (ii) 0.25%, ~~(yx)~~ in the case of each 2019 Incremental Effective Date Term Loan, an amount equal to 0.25% of the product of (A) the principal amount of such 2019 Incremental Effective Date Term Loan immediately after its funding on the 2019 Incremental Effective Date and (B) a fraction, the numerator of which is the aggregate principal amount of the Initial Term Loans outstanding immediately after closing on the Effective Date and the denominator of which is equal to the aggregate principal amount of Initial Term Loans outstanding immediately prior to the 2019 Incremental Effective Date ~~and (zy)~~ in the case of each 2019 Delayed Draw Incremental Term Loan, an amount equal to 0.25% of the product of (A) the principal amount of such 2019 Delayed Draw Incremental Term Loan immediately after its funding and (B) a fraction, the numerator of which is the aggregate principal amount of the Initial Term Loans outstanding immediately after closing on the Effective Date and the denominator of which is equal to the aggregate principal amount of Initial Term Loans outstanding immediately prior to the funding of such 2019 Delayed Draw Incremental Term Loan and (z) in the case of each 2020 Incremental Effective Date Term Loan, an amount equal to 0.25% of the product of (A) the principal amount of such 2020 Incremental Effective Date Term Loan immediately after its funding on the 2020 Incremental Effective Date and (B) a fraction, the numerator of which is the aggregate principal amount of the Initial Term Loans outstanding immediately after closing on the Effective Date and the denominator of which is equal to the aggregate principal amount of Initial Term Loans outstanding immediately prior to the 2020 Incremental Effective Date; provided that if any such date is not a Business Day, such payment shall be due on the next succeeding Business Day.

(b) To the extent not previously paid, all Term Loans shall be due and payable on the Term Maturity Date.

(c) Any prepayment of a Term Facility Borrowing of any Class (i) pursuant to Section 2.11(a)(i) shall be applied to reduce the subsequent scheduled and outstanding repayments of the Term Facility Borrowings of such Class to be made pursuant to this Section as directed by the Borrower (and absent such direction in direct order of maturity) and (ii) pursuant to Section 2.11(c) or Section 2.11(d) shall be applied to reduce the next eight scheduled and outstanding principal installments of the Term Facility Borrowings of such Class in direct order of maturity and thereafter ratably to the remaining payments thereof (including the bullet due on the Term Maturity Date), or, if otherwise provided in any Refinancing Amendment, Loan Modification Agreement or Incremental Facility Amendment, pursuant to the corresponding section of such Refinancing Amendment, Loan Modification Agreement or Incremental Facility Amendment, as applicable.

(d) Prior to any repayment of any Term Loan Borrowings of any Class hereunder, the Borrower shall select the Borrowing or Borrowings of the applicable Class to be repaid and shall notify the Administrative Agent by telephone (confirmed by hand delivery or facsimile) of such election not later than 2:00 p.m., New York City time, two Business Day before the scheduled date of such repayment. In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.16. Each repayment of a Borrowing shall be applied ratably to the Loans included in the repaid Borrowing. Repayments of Term Loan Borrowings shall be accompanied by accrued interest on the amount repaid.

SECTION 2.11 Prepayment of Loans.

(a) (i) The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, without premium or penalty; provided that in the event that, on or prior to the six-month anniversary of the Effective Date, the Borrower (i) makes any prepayment of Term Loans in connection with any Repricing Transaction the primary purpose of which is to decrease the Effective Yield on such Term Loans or (ii) effects any amendment of this Agreement resulting in a Repricing Transaction the primary purpose of which is to decrease the Effective Yield on the Term Loans, the Borrower shall pay to the Administrative Agent, for the ratable account of each of the applicable Lenders, (x) a prepayment premium of 1.00% of the principal amount of the Term Loans being prepaid in connection with such Repricing Transaction and (y) in the case of clause (b) of the definition thereof, an amount equal to 1.00% of the aggregate amount of the applicable Term Loans outstanding immediately prior to such amendment that are subject to an effective pricing reduction pursuant to such Repricing Transaction.

(ii) Notwithstanding anything in any Loan Document to the contrary, so long as no Default or Event of Default has occurred and is continuing, the Borrower may prepay the outstanding Term Loans on the following basis:

(A) The Borrower shall have the right to make a voluntary prepayment of Term Loans at a discount to par (such prepayment, the "Discounted Term Loan Prepayment") pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers, in each case made in accordance with this Section 2.11(a)(ii); provided that (x) the Borrower shall not make any Borrowing of Revolving Loans to fund any Discounted Term Loan Prepayment and (y) the Borrower shall not initiate any action under this Section 2.11(a)(ii) in order to make a Discounted Term Loan Prepayment unless (I) at least ten (10) Business Days shall have passed since the consummation of the most recent Discounted Term Loan Prepayment as a result of a prepayment made by the Borrower on the applicable Discounted Prepayment Effective Date; or (II) at least three (3) Business Days shall have passed since the date the Borrower was notified that no Term Lender was willing to accept any prepayment of any Term Loan and/or Other Term Loan at the Specified Discount, within the Discount Range or at any discount to par value, as applicable, or in the case of Borrower Solicitation of Discounted Prepayment Offers, the date of the Borrower's election not to accept any Solicited Discounted Prepayment Offers.

(B) (1) Subject to the proviso to subclause (A) above, the Borrower may from time to time offer to make a Discounted Term Loan Prepayment by providing the Auction Agent with three (3) Business Days' notice in the form of a Specified Discount Prepayment Notice; provided that (I) any such offer shall be made available, at the sole discretion of the Borrower, to each Term Lender and/or each Lender with respect to any Class of Term Loans on an individual tranche basis, (II) any such offer shall specify the aggregate principal amount offered to be prepaid (the "Specified Discount Prepayment Amount") with respect to each applicable tranche, the tranche or tranches of Term Loans subject to such offer and the specific percentage discount to par (the "Specified Discount") of such Term Loans to be prepaid (it being understood that different Specified Discounts and/or Specified Discount Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Agent will promptly provide each relevant Term Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the "Specified Discount Prepayment Response Date").

(2) Each relevant Term Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its relevant then outstanding Term Loans at the Specified Discount and, if so (such accepting Term Lender, a “Discount Prepayment Accepting Lender”), the amount and the tranches of such Term Lender’s Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Term Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, the Borrower will make prepayment of outstanding Term Loans pursuant to this subclause (B) to each Discount Prepayment Accepting Lender in accordance with the respective outstanding amount and tranches of Term Loans specified in such Term Lender’s Specified Discount Prepayment Response given pursuant to clause (2); provided that, if the aggregate principal amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro-rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the “Specified Discount Proration”). The Auction Agent shall promptly, and in any case within three (3) Business Days following the Specified Discount Prepayment Response Date, notify (I) the Borrower of the respective Term Lenders’ responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Term Loan Prepayment and the tranches to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the tranches of Term Loans to be prepaid at the Specified Discount on such date and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, tranche and Type of Loans of such Term Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrower and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subclause (F) below (subject to subclause (J) below).

(C) (1) Subject to the proviso to subclause (A) above, the Borrower may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with three (3) Business Days' notice in the form of a Discount Range Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of the Borrower, to each Term Lender and/or each Lender with respect to any Class of Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate principal amount of the relevant Term Loans (the "Discount Range Prepayment Amount"), the tranche or tranches of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the "Discount Range") of the principal amount of such Term Loans with respect to each relevant tranche of Term Loans willing to be prepaid by the Borrower (it being understood that different Discount Ranges and/or Discount Range Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and (IV) each such solicitation by the Borrower shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Agent will promptly provide each relevant Term Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding relevant Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the "Discount Range Prepayment Response Date"). Each relevant Term Lender's Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the "Submitted Discount") at which such Term Lender is willing to allow prepayment of any or all of its then outstanding Term Loans of the applicable tranche or tranches and the maximum aggregate principal amount and tranches of such Term Lender's Term Loans (the "Submitted Amount") such Term Lender is willing to have prepaid at the Submitted Discount. Any Term Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(2) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this subclause (C). The Borrower agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by Auction Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the “Applicable Discount”) which yields a Discounted Term Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Term Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following clause (3)) at the Applicable Discount (each such Term Lender, a “Participating Lender”).

(3) If there is at least one Participating Lender, the Borrower will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate principal amount and of the tranches specified in such Term Lender’s Discount Range Prepayment Offer at the Applicable Discount; provided that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the “Identified Participating Lenders”) shall be made pro-rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “Discount Range Proration”). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount Range Prepayment Response Date, notify (I) the Borrower of the respective Term Lenders’ responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount of the Discounted Term Loan Prepayment and the tranches to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount and tranches of Term Loans to be prepaid at the Applicable Discount on such date, (III) each Participating Lender of the aggregate principal amount and tranches of such Term Lender to be prepaid at the Applicable Discount on such date and (z) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrower and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subclause (F) below (subject to subclause (J) below).

(D) (1) Subject to the proviso to subclause (A) above, the Borrower may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with three (3) Business Days' notice in the form of a Solicited Discounted Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of the Borrower, to each Term Lender and/or each Lender with respect to any Class of Term Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate dollar amount of the Term Loans (the "Solicited Discounted Prepayment Amount") and the tranche or tranches of Term Loans the Borrower is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$ 1,000,000 and whole increments of \$500,000 in excess thereof and (IV) each such solicitation by the Borrower shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each relevant Term Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the "Solicited Discounted Prepayment Response Date"). Each Term Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date and (z) specify both a discount to par (the "Offered Discount") at which such Term Lender is willing to allow prepayment of its then outstanding Term Loan and the maximum aggregate principal amount and tranches of such Term Loans (the "Offered Amount") such Term Lender is willing to have prepaid at the Offered Discount. Any Term Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount.

(2) The Auction Agent shall promptly provide the Borrower with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. The Borrower shall review all such Solicited Discounted Prepayment Offers and select the largest of the Offered Discounts specified by the relevant responding Term Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the Borrower (the “Acceptable Discount”), if any. If the Borrower elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by the Borrower from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this clause (2) (the “Acceptance Date”), the Borrower shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from the Borrower by the Acceptance Date, the Borrower shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, within three (3) Business Days after receipt of an Acceptance and Prepayment Notice (the “Discounted Prepayment Determination Date”), the Auction Agent will determine (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the tranches of Term Loans (the “Acceptable Prepayment Amount”) to be prepaid by the Borrower at the Acceptable Discount in accordance with this subclause (D). If the Borrower elects to accept any Acceptable Discount, then the Borrower agrees to accept all Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Term Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Term Lender, a “Qualifying Lender”). The Borrower will prepay outstanding Term Loans pursuant to this subclause (D) to each Qualifying Lender in the aggregate principal amount and of the tranches specified in such Term Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; provided that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “Identified Qualifying Lenders”) shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “Solicited Discount Proration”). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (I) the Borrower of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the tranches to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the tranches to be prepaid to be prepaid at the Applicable Discount on such date, (III) each Qualifying Lender of the aggregate principal amount and the tranches of such Term Lender to be prepaid at the Acceptable Discount on such date and (IV) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrower and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subclause (F) below (subject to subclause (J) below).

(E) In connection with any Discounted Term Loan Prepayment, the Borrower and the Term Lenders acknowledge and agree that the Auction Agent may require as a condition to any Discounted Term Loan Prepayment, the payment of customary fees and expenses from the Borrower in connection therewith.

(F) If any Term Loan is prepaid in accordance with subclauses (B) through (D) above, the Borrower shall prepay such Term Loans on the Discounted Prepayment Effective Date. The Borrower shall make such prepayment to the Auction Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent's office in immediately available funds not later than 11:00 a.m., New York City time, on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining principal installments of the relevant tranche of Term Loans on a pro rata basis across such installments. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.11(a)(ii) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable. The aggregate principal amount of the tranches and installments of the relevant Term Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the tranches of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment.

(G) To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.11(a)(ii), established by the Auction Agent acting in its reasonable discretion, and as reasonably agreed by the Borrower.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.11(a)(ii), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; provided that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(I) Each of the Borrower and the Term Lenders acknowledges and agrees that the Auction Agent may perform any and all of its duties under this Section 2.11(a)(ii) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 2.11(a)(ii) as well as activities of the Auction Agent.

(J) The Borrower shall have the right, by written notice to the Auction Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date (and if such offer is revoked pursuant to this subclause (J), any failure by the Borrower to make any prepayment to a Term Lender, as applicable, pursuant to this Section 2.11(a)(ii) shall not constitute a Default or Event of Default under Section 7.01 or otherwise).

(b) In the event and on each occasion that the aggregate Revolving Exposures exceed the aggregate Revolving Commitments (including as a result of a determination with respect to the Dollar Equivalent of any Letter of Credit made by the Administrative Agent pursuant to Section 1.06), the Borrower shall prepay Revolving Loan Borrowings or Swingline Loans (or, if no such Borrowings are outstanding, deposit Cash Collateral in an account with the Administrative Agent pursuant to Section 2.05(j)) in an aggregate amount necessary to eliminate such excess.

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of the Borrower or any Subsidiary Loan Party in respect of any Prepayment Event, the Borrower shall, within three Business Days after such Net Proceeds are received (or, in the case of a Prepayment Event described in clause (c) of the definition of the term "Prepayment Event", on the date of such Prepayment Event, and, in the case of a Prepayment Event described in clause (a) or (b) of the definition of the term "Prepayment Event", within five Business Days of the date of such Prepayment Event), prepay Term Loan Borrowings in an aggregate amount equal to 100% of the amount of such Net Proceeds; provided that, in the case of any event described in clause (a) or (b) of the definition of the term "Prepayment Event", if Holdings and its Restricted Subsidiaries invest (or commit to invest or reasonably expects to invest) the Net Proceeds from such event (or a portion thereof) within 12 months after receipt of such Net Proceeds in the business of Holdings, the Borrower and the other Subsidiaries (including any acquisitions permitted under Section 6.04), then no prepayment shall be required pursuant to this paragraph in respect of such Net Proceeds in respect of such event (or the applicable portion of such Net Proceeds, if applicable) except to the extent of any such Net Proceeds therefrom that have not been so invested (or committed or reasonably expected to be invested) by the end of such 12-month period (or if committed or reasonably expected to be so invested within such 12-month period, have not been so invested within 18 months after receipt thereof), at which time a prepayment shall be required in an amount equal to such Net Proceeds that have not been so invested (or committed or reasonably expected to be invested); provided, further, that the Borrower may use a portion of such Net Proceeds to prepay or repurchase any other Indebtedness that is secured by the Collateral on a pari passu basis with the Borrowings to the extent such other Indebtedness and the Liens securing the same are permitted hereunder and the documentation governing such other Indebtedness requires such a prepayment or repurchase thereof with the proceeds of such Prepayment Event, in each case in an amount not to exceed the product of (x) the amount of such Net Proceeds and (y) a fraction, the numerator of which is the outstanding principal amount of such other Indebtedness and the denominator of which is the aggregate outstanding principal amount of Term Loans and such other Indebtedness.

(d) Following the end of each fiscal year of Holdings, commencing with the fiscal year ending on December 28, 2019, the Borrower shall prepay Term Loan Borrowings in an aggregate amount equal to the excess, if any, of (A) the ECF Percentage of Excess Cash Flow for such fiscal year (provided that such amount in this clause (A) shall be reduced by the aggregate amount of prepayments of (i) Term Loans and Other Term Loans (and, to the extent the Revolving Commitments are reduced in a corresponding amount pursuant to Section 2.08, Revolving Loans and Other Revolving Loans) made pursuant to Section 2.11(a) or (c) (in connection with a Disposition or Casualty Event), in each case, during such fiscal year or after such fiscal year and prior to the time such prepayment is due as provided below (provided that such reduction as a result of prepayments pursuant to clause (ii) of Section 2.11(a) shall (x) be limited to the actual amount of such cash prepayment and (y) only be applicable if the applicable prepayment offer was made to all Lenders)) over (B) \$2,500,000. Each prepayment pursuant to this paragraph shall be made on or before the date that is five days after the date on which financial statements are required to be delivered pursuant to Section 5.01 with respect to the fiscal year for which Excess Cash Flow is being calculated.

(e) Prior to any optional or mandatory prepayment of Borrowings hereunder, the Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to paragraph (f) of this Section. In the event of any mandatory prepayment of Term Loan Borrowings made at a time when Term Loan Borrowings of more than one Class remain outstanding, the Borrower shall select Term Loan Borrowings to be prepaid so that the aggregate amount of such prepayment is allocated between Term Loan Borrowings (and, to the extent provided in the Refinancing Amendment or Loan Modification Agreement for any Class of Other Term Loans, the Borrowings of such Class) pro rata based on the aggregate principal amount of outstanding Borrowings of each such Class; provided that any Term Lender (and, to the extent provided in the Refinancing Amendment or Loan Modification Agreement for any Class of Other Term Loans, any Lender that holds Other Term Loans of such Class) may elect, by notice to the Administrative Agent by telephone (confirmed by facsimile) at least one Business Day prior to the prepayment date, to decline all or any portion of any prepayment of its Term Loans or Other Term Loans of any such Class pursuant to this Section (other than an optional prepayment pursuant to paragraph (a)(i) of this Section or a mandatory prepayment as a result of the Prepayment Event set forth in clause (b) of the definition thereof, which may not be declined), in which case the aggregate amount of the prepayment that would have been applied to prepay Term Loans or Other Term Loans of any such Class but was so declined shall be retained by the Borrower and the Restricted Subsidiaries (such amounts, "Retained Declined Proceeds"). Optional prepayments of Term Loan Borrowings shall be allocated among the Classes of Term Loan Borrowings as directed by the Borrower. In the absence of a designation by the Borrower as described in the preceding provisions of this paragraph of the Type of Borrowing of any Class, the Administrative Agent shall make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.16.

(f) The Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) by telephone (confirmed by facsimile substantially in the form of Exhibit R or any other form reasonably approved by the Administrative Agent) of any prepayment hereunder (i) in the case of prepayment of a Eurocurrency Borrowing, not later than 11:00 a.m., New York City time, three Business Days before the date of prepayment or (ii) in the case of prepayment of an ABR Borrowing, not later than 11:00 a.m., New York City time, one Business Day before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; provided that a notice of optional prepayment may state that such notice is conditional upon the effectiveness of other credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or the occurrence of some other identifiable event or condition, in which case such notice of prepayment may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified date of prepayment) if such condition is not satisfied. Promptly following receipt of any such notice (other than a notice relating solely to Swingline Loans), the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13. At the Borrower's election in connection with any prepayment pursuant to this Section 2.11, such prepayment shall not be applied to any Term Loan or Revolving Loan of a Defaulting Lender and shall be allocated ratably among the relevant non-Defaulting Lenders.

(g) Notwithstanding any other provisions of Section 2.11(c) or Section 2.11(d), (A) to the extent that any of or all the Net Proceeds of any Prepayment Event set forth in clause (a) of the definition thereof by a Foreign Subsidiary giving rise to a prepayment pursuant to Section 2.11(c) or Section 2.11(d) (a “Foreign Prepayment Event”) or Excess Cash Flow are prohibited or delayed by any Requirement of Law (including applicable local law) from being repatriated to the Borrower, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable Requirement of Law will not permit repatriation to the Borrower (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable Requirement of Law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds or Excess Cash Flow is permitted under the applicable Requirement of Law, such repatriation will be promptly effected and such repatriated Net Proceeds or Excess Cash Flow will be promptly (and in any event not later than three Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to Section 2.11(c) or Section 2.11(d), as applicable and (B) to the extent that and for so long as Holdings has determined in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash Flow would have an adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Proceeds or Excess Cash Flow, the Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by the applicable Foreign Subsidiary; provided that when Holdings determines in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash Flow would no longer have an adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Proceeds or Excess Cash Flow, such Net Proceeds or Excess Cash Flow shall be promptly (and in any event not later than three Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to Section 2.11(c) or Section 2.11(d), as applicable.

SECTION 2.12 Fees.

(a) The Borrower agrees to pay to the Administrative Agent in dollars for the account of each Revolving Lender a commitment fee, which shall accrue at the rate of 0.50% per annum on the average daily unused amount of the Revolving Commitment of such Lender during the period from and including the Effective Date to but excluding the date on which the Revolving Commitments terminate. Accrued commitment fees shall be payable in arrears on the third Business Day following the last day of March, June, September and December of each year and on the date on which the Revolving Commitments terminate, commencing on the first such date to occur after the date hereof. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). For purposes of computing commitment fees, a Revolving Commitment of a Lender shall be deemed to be used to the extent of the outstanding Revolving Loans and LC Exposure of such Lender (and the Swingline Exposure of such Lender shall be disregarded for such purpose).

(b) The Borrower agrees to pay (i) to the Administrative Agent in dollars for the account of each Revolving Lender (other than any Defaulting Lender) a participation fee with respect to its participations in Letters of Credit, which shall accrue at the Applicable Rate used to determine the interest rate applicable to Eurocurrency Revolving Loans on the daily amount of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date on which such Lender's Revolving Commitment terminates and the date on which such Lender ceases to have any LC Exposure and (ii) to each Issuing Bank in dollars a fronting fee, which shall accrue at the rate of 0.125% per annum on the average daily amount of the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the third Business Day following such last day, commencing on the first such date to occur after the Effective Date, provided that all such fees shall be payable on the date on which the Revolving Commitments terminate and any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. Any other fees payable to an Issuing Bank pursuant to this paragraph shall be payable within 10 days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent.

(d) The Borrower agrees to pay to the 2019 Incremental Arrangers, for their own accounts, fees payable in the amounts and at the times separately agreed upon between the Borrower and the 2019 Incremental Arrangers.

(e) The Borrower agrees to pay to the Administrative Agent in dollars for the account of each 2019 Incremental Effective Date Term Lender an upfront fee equal to 1.00% of the amount of 2019 Incremental Effective Date Term Loans advanced on the 2019 Incremental Effective Date by each such Lender. The Borrower and the Administrative Agent agree that such fee will be earned and payable as original issue discount on the 2019 Incremental Effective Date Term Loans on the 2019 Incremental Effective Date.

(f) The Borrower agrees to pay to the Administrative Agent in dollars for the account of each 2019 Delayed Draw Incremental Term Lender an upfront fee equal to 1.00% of the amount of 2019 Delayed Draw Incremental Term Loans advanced by each such Lender during the 2019 Delayed Draw Availability Period. The Borrower and the Administrative Agent agree that such fee will be earned and payable as original issue discount on the drawing of the 2019 Delayed Draw Incremental Term Loans during the 2019 Delayed Draw Availability Period.

(g) The Borrower agrees to pay to the 2020 Incremental Arrangers, for their own accounts, fees payable in the amounts and at the times separately agreed upon between the Borrower and the 2020 Incremental Arrangers.

(h) The Borrower agrees to pay to the Administrative Agent in dollars for the account of each 2020 Incremental Effective Date Term Lender an upfront fee equal to 1.25% of the amount of 2020 Incremental Effective Date Term Loans advanced on the 2020 Incremental Effective Date by each such Lender. The Borrower and the Administrative Agent agree that such fee will be earned and payable as original issue discount on the 2020 Incremental Effective Date Term Loans on the 2020 Incremental Effective Date.

(gi) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent (or to an Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the Revolving Lenders entitled thereto. Fees paid hereunder shall not be refundable under any circumstances.

(hj) Notwithstanding the foregoing, and subject to Section 2.22, the Borrower shall not be obligated to pay any amounts to any Defaulting Lender pursuant to this Section 2.12.

#### SECTION 2.13 Interest.

(a) The Loans comprising each ABR Borrowing (including each Swingline Loan) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Eurocurrency Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2.00% per annum plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2.00% per annum plus the rate applicable to Term Loans that are ABR Loans as provided in paragraph (a) of this Section; provided that no amount shall be payable pursuant to this Section 2.13(c) to a Defaulting Lender so long as such Lender shall be a Defaulting Lender; provided, further, that no amounts shall accrue pursuant to this Section 2.13(c) on any overdue amount, reimbursement obligation in respect of any LC Disbursement or other amount payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and, in the case of Revolving Loans, upon termination of the Revolving Commitments, provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Revolving Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All computations of interest for ABR Loans (including ABR Loans determined by reference to the Adjusted LIBO Rate) shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.18, bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.14 Alternate Rate of Interest. If at least two Business Days prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate for such Interest Period; or

(b) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period (in each case with respect to the Loans impacted by this clause (b) or clause (a) above, "Impacted Loans"),

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or facsimile as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective and (ii)(x) if any Borrowing Request requests a Eurocurrency Borrowing, then such Borrowing shall be made as an ABR Borrowing and the utilization of the LIBO Rate component in determining the Alternate Base Rate shall be suspended and (y) if any Borrowing Request requests a Eurocurrency Borrowing denominated in euro, then such Borrowing shall be made as a Eurocurrency Borrowing with the rate thereof determined in accordance with the definition of "LIBO Rate"; provided, however, that, in each case, the Borrower may revoke any Borrowing Request that is pending when such notice is received.

(c) Notwithstanding the foregoing, if the Administrative Agent has made the determination described in clause (a) of this Section 2.14 and/or is advised by the Required Lenders of their determination in accordance with clause (b) of this Section 2.14 and the Borrower shall so request, the Administrative Agent and the Borrower shall negotiate in good faith to amend the definition of "LIBO Rate" and other applicable provisions to preserve the original intent thereof in light of such change, taking into account then prevailing market convention for determining a rate of interest for U.S. syndicated loans at such time, and any such amendment to such provisions agreed to by the Borrower and the Administrative Agent shall become effective provided that such amendment is not objected to in a written notice provided to the Borrower and the Administrative Agent by Required Lenders within five (5) Business Days of the date that such proposed amendment is delivered to the Lenders electronically or in writing; provided that, until so amended, such Impacted Loans will be handled as otherwise provided pursuant to the terms of this Section 2.14.

SECTION 2.15 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender or any Issuing Bank (except any such reserve requirement reflected in the Adjusted LIBO Rate);

(ii) impose on any Lender or any Issuing Bank or the London interbank market any other condition, cost or expense (other than with respect to Taxes) affecting this Agreement or Eurocurrency Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Lender to any Tax of any kind whatsoever with respect to this Agreement or any Eurocurrency Loan made by such Lender, or change the basis of taxation of payments to such Lender in respect thereof (except for (A) any Indemnified Taxes or Other Taxes indemnifiable under Section 2.17 or (B) any Excluded Taxes);

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurocurrency Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or Issuing Bank of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or issue any Letter of Credit) or to reduce the amount of any sum received or receivable by such Lender or Issuing Bank hereunder (whether of principal, interest or otherwise), then, from time to time upon request of such Lender or Issuing Bank, the Borrower will pay to such Lender or Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or Issuing Bank, as the case may be, for such increased costs actually incurred or reduction actually suffered, provided that to the extent any such costs or reductions are incurred by any Lender as a result of any requests, rules, guidelines or directives enacted or promulgated under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and Basel III after the Effective Date, then such Lender shall be compensated pursuant to this Section 2.15(a) only to the extent such Lender is imposing such charges on similarly situated borrowers under the other syndicated credit facilities that such Lender is a lender under. Notwithstanding the foregoing, this paragraph (a) will not apply to (A) Indemnified Taxes or Other Taxes or (B) Excluded Taxes.

(b) If any Lender or Issuing Bank determines that any Change in Law regarding capital requirements has the effect of reducing the rate of return on such Lender's or Issuing Bank's capital or on the capital of such Lender's or Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit or Swingline Loans held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or Issuing Bank or such Lender's or Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or Issuing Bank's policies and the policies of such Lender's or Issuing Bank's holding company with respect to capital adequacy), then, from time to time upon request of such Lender or Issuing Bank, the Borrower will pay to such Lender or Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or Issuing Bank or such Lender's or Issuing Bank's holding company for any such reduction actually suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or Issuing Bank or its holding company in reasonable detail, as the case may be, as specified in paragraph (a) or (b) of this Section delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender or Issuing Bank, as the case may be, the amount shown as due on any such certificate within 15 days after receipt thereof.

(d) Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or Issuing Bank's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender or Issuing Bank pursuant to this Section for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender or Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16 Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Revolving Loan or Term Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(f) and is revoked in accordance therewith) or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19 or Section 9.02(c), then, in any such event, the Borrower shall, after receipt of a written request by any Lender affected by any such event (which request shall set forth in reasonable detail the basis for requesting such amount), compensate each Lender for the actual loss, cost and expense attributable to such event. For purposes of calculating amounts payable by the Borrower to the Lenders under this Section 2.16, each Lender shall be deemed to have funded each Eurocurrency Loan made by it at the Adjusted LIBO Rate (determined without giving effect to any interest rate “floor”) for such Loan by a matching deposit or other borrowing for a comparable amount and for a comparable period, whether or not such Eurocurrency Loan was in fact so funded. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 15 days after receipt of such demand. Notwithstanding the foregoing, this Section 2.16 will not apply to losses, costs or expenses resulting from Taxes, as to which Section 2.17 shall govern.

SECTION 2.17 Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made free and clear of and without deduction for any Taxes, provided that if the applicable Withholding Agent shall be required by applicable Requirements of Law to deduct any Taxes from such payments, then (i) the applicable Withholding Agent shall make such deductions, (ii) the applicable Withholding Agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Requirements of Law and (iii) if the Tax in question is an Indemnified Tax or Other Tax, the amount payable by the applicable Loan Party shall be increased as necessary so that after all required deductions have been made (including deductions applicable to additional amounts payable under this Section 2.17) the Lender (or, in the case of a payment received by the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such deductions been made.

(b) Without limiting the provisions of paragraph (a) above, the Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with Requirements of Law.

(c) The Borrower shall indemnify the Administrative Agent and each Lender, within 30 days after written demand therefor, for the full amount of any Indemnified Taxes paid by the Administrative Agent or such Lender, as the case may be, and any Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to the Borrower by a Lender or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Taxes attributable to the Administrative Agent or any Lender to a Governmental Authority by any Loan Party, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Each Lender shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable Requirements of Law and such other documentation reasonably requested by the Borrower or the Administrative Agent (i) as will permit such payments to be made without, or at a reduced rate of, withholding or (ii) as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to withholding or information reporting requirements. Each Lender shall, whenever a lapse of time or change in circumstances renders such documentation obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and the Administrative Agent in writing of its legal ineligibility to do so.

Without limiting the foregoing:

(1) Each Lender that is a "United States person" within the meaning of Section 7701(a)(30) of the Code shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) two properly completed and duly signed original copies of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.

(2) Each Lender that is not a "United States person" within the meaning of Section 7701(a)(30) of the Code shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(A) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable, (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party,

(B) two properly completed and duly signed original copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (x) two properly completed and duly signed certificates substantially in the form of Exhibit P-1, P-2, P-3 and P-4, as applicable, (any such certificate, a “U.S. Tax Compliance Certificate”) and (y) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable, (or any successor forms),

(D) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), two properly completed and duly signed original copies of Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by a Form W-8ECI, W-8BEN or W-8BEN-E, as applicable, U.S. Tax Compliance Certificate, Form W-9, Form W-8IMY or any other required information (or any successor forms) from each beneficial owner that would be required under this Section 2.17(e) if such beneficial owner were a Lender, as applicable (provided that, if the Lender is a partnership for U.S. federal income tax purposes (and not a participating Lender) and one or more direct or indirect partners are claiming the portfolio interest exemption, the U.S. Tax Compliance Certificate may be provided by such Lender on behalf of such direct or indirect partner(s)), or

(E) two properly completed and duly signed original copies of any other form prescribed by applicable U.S. federal income tax laws as a basis for claiming a complete exemption from, or a reduction in, U.S. federal withholding tax on any payments to such Lender under the Loan Documents, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

(3) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by applicable law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender’s obligations under FATCA and, if necessary, to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (3), “FATCA” shall include any amendments made to FATCA after the date hereof.

(4) If the Administrative Agent is a “United States person” within the meaning of Section 7701(a)(30) of the Code, the Administrative Agent shall deliver to the Borrower two properly completed and duly signed original copies of Internal Revenue Service Form W-9 certifying to such Administrative Agent’s exemption from U.S. federal backup withholding. If the Administrative Agent is not a “United States person” within the meaning of Section 7701(a)(30) of the Code, the Administrative Agent shall deliver to the Borrower two properly completed and duly signed original copies of (i) Internal Revenue Service Form W-8ECI with respect to payments received for its own account and (ii) Internal Revenue Service Form W-8IMY (together with all required accompanying documentation) with respect to payments received by it on behalf of the Lenders.

Notwithstanding any other provisions of this Section 2.17(e), a Lender or the Administrative Agent shall not be required to deliver any form or other documentation (other than any form or documentation set forth in Section 2.17(e)(1), Sections 2.17(e)(2)(A) through (D), Section 2.17(e)(3) or Section 2.17(e)(4)) that such Lender or the Administrative Agent is not legally eligible to deliver.

(f) If the Borrower determines in good faith that a reasonable basis exists for contesting any Taxes for which indemnification has been demanded hereunder, the Administrative Agent or the relevant Lender, as applicable, shall use commercially reasonable efforts to cooperate with Holdings or the Borrower in a reasonable challenge of such Taxes if so requested by the Borrower; provided that (a) the Administrative Agent or such Lender determines in its reasonable discretion that it would not be subject to any unreimbursed third party cost or expense or otherwise be prejudiced by cooperating in such challenge, (b) the Borrower pay all related expenses of the Administrative Agent or such Lender, as applicable and (c) the Borrower indemnify the Administrative Agent or such Lender, as applicable, for any liabilities or other costs incurred by such party in connection with such challenge. If the Administrative Agent or a Lender receives a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Borrower or any other Loan Party or with respect to which the Borrower or any other Loan Party has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to the Borrower (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower or any other Loan Party under this Section with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Borrower, upon the request of the Administrative Agent or such Lender, agrees promptly to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. The Administrative Agent or such Lender, as the case may be, shall, at the Borrower’s request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant taxing authority (provided that the Administrative Agent or such Lender may delete any information therein that the Administrative Agent or such Lender deems confidential). Notwithstanding anything to the contrary, this Section 2.17(f) shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to Taxes which it deems confidential to any Loan Party or any other Person).

(g) The agreements in this Section 2.17 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder, resignation of the Administrative Agent and any assignment or rights by, or replacement of, any Lender.

(h) For purposes of this Section 2.17, the term "Lender" shall include any Issuing Bank and the Swingline Lender.

SECTION 2.18 Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) The Borrower shall make each payment required to be made by it under any Loan Document (whether of principal, interest, fees, or reimbursement of LC Disbursement or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York City time), on the date when due, in immediately available funds, without setoff or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to such account as may be specified by the Administrative Agent, except payments to be made directly to any Issuing Bank or Swingline Lender shall be made as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment (other than payments on the Eurocurrency Loans) under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day. If any payment on a Eurocurrency Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate for the period of such extension. All payments or prepayments of any Loan shall be made in the currency in which such Loan is denominated, all reimbursements of any LC Disbursements shall be made in dollars, all payments of accrued interest payable on a Loan or LC Disbursement shall be made in dollars, and all other payments under each Loan Document shall be made in dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans of a given Class or participations in LC Disbursements or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans of such Class or participations in LC Disbursements or Swingline Loans and accrued interest thereon than the proportion received by any other Lender with outstanding Loans of the same Class or participations in LC Disbursements or Swingline Loans, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of such Class or participations in LC Disbursements of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans of such Class or participations in LC Disbursements; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest and (ii) the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or participant or (C) any disproportionate payment obtained by a Lender of any Class as a result of the extension by Lenders of the maturity date or expiration date of some but not all Loans or Commitments of that Class or any increase in the Applicable Rate in respect of Loans of Lenders that have consented to any such extension. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower's rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Banks hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole discretion, distribute to the Lenders or the Issuing Banks, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or Issuing Banks, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.04(c), Section 2.05(e) or Section 2.05(f), Section 2.06(a) or Section 2.06(b), Section 2.18(d) or Section 9.03(c), then the Administrative Agent may, in its discretion and in the order determined by the Administrative Agent (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Section until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account as Cash Collateral for, and to be applied to, any future funding obligations of such Lender under any such Section.

SECTION 2.19 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to, or otherwise indemnify, any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or any event that gives rise to the operation of Section 2.23, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or its participation in any Letter of Credit affected by such event, or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment and delegation (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or Section 2.17 or mitigate the applicability of Section 2.23, as the case may be and (ii) would not subject such Lender to any unreimbursed cost or expense reasonably deemed by such Lender to be material and would not be inconsistent with the internal policies of, or otherwise be disadvantageous in any material economic, legal or regulatory respect to, such Lender.

(b) If (i) any Lender requests compensation under Section 2.15 or gives notice under Section 2.23, (ii) the Borrower is required to pay any additional amount to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.17 or (iii) any Lender is or becomes a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement and the other Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment and delegation), provided that (A) the Borrower shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable (and if a Revolving Commitment is being assigned and delegated, each Principal Issuing Bank and each Swingline Lender), which consents, in each case, shall not unreasonably be withheld or delayed, (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and unreimbursed participations in LC Disbursements and Swingline Loans, accrued but unpaid interest thereon, accrued but unpaid fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts), (C) the Borrower or such assignee shall have paid (unless waived) to the Administrative Agent the processing and recordation fee specified in Section 9.04(b)(ii) and (D) in the case of any such assignment resulting from a claim for compensation under Section 2.15, payments required to be made pursuant to Section 2.17 or a notice given under Section 2.23, such assignment will result in a material reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise (including as a result of any action taken by such Lender under paragraph (a) above), the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each party hereto agrees that an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender required to make such assignment need not be a party thereto.

SECTION 2.20 Incremental Loans and Commitments.

(a) The Borrower may at any time or from time to time after the Effective Date, by written notice delivered to the Administrative Agent request (i) one or more additional Classes of term loans or additional term loans of the same Class of any existing Class of term loans (the “Incremental Term Loans”), (ii) one or more increases in the amount of the Revolving Commitments of any Class (each such increase, an “Incremental Revolving Commitment Increase”) or (iii) one or more additional Classes of revolving credit commitments (the “Additional/Replacement Revolving Commitments,” and, together with the Incremental Term Loans and the Incremental Revolving Commitment Increases, the “Incremental Facilities”) from any Additional Lender; provided that, subject to Section 1.04(c) in the case of Incremental Facilities incurred to finance a Limited Condition Transaction, after giving effect to the effectiveness of any Incremental Facility Amendment referred to below and at the time that any such Incremental Term Loan, Incremental Revolving Commitment Increase or Additional/Replacement Revolving Commitment is made or effected, (a) the representations and warranties of each Loan Party set forth in the Loan Documents shall be true and correct in all material respects (or in all respects if qualified by materiality) on and as of the date of such Limited Condition Transaction and (b) no Event of Default shall have occurred and be continuing (except, in the case of the incurrence or provision of any Incremental Facility in connection with a Permitted Acquisition or other Investment not prohibited by the terms of this Agreement, which shall be subject to no Event of Default under clause (a), (b), (h) or (i) of Section 7.01). Notwithstanding anything to contrary herein, the aggregate principal amount of the Incremental Facilities that can be incurred at any time shall not exceed the Incremental Cap at such time. Each Incremental Facility shall be in a minimum principal amount of \$5,000,000 and integral multiples of \$1,000,000 in excess thereof if such Incremental Facilities are denominated in dollars (unless the Borrower and the Administrative Agent otherwise agree); provided that such amount may be less than \$5,000,000 if such amount represents all the remaining availability under the aggregate principal amount of Incremental Facilities set forth above.

(b) (i) The Incremental Term Loans (i) to the extent secured, shall rank equal in or junior to right of payment with the Term Loans, shall be secured only by the Collateral securing the Secured Obligations and shall only be guaranteed by the Loan Parties, (ii) shall not mature earlier than the Term Maturity Date, (iii) except in the case of an amount of Incremental Term Loans elected by the Borrower in an aggregate principal amount not to exceed 50.0% of Consolidated EBITDA, shall not have a shorter Weighted Average Life to Maturity than the existing Term Loans, (iv) shall have a maturity date (subject to clause (ii)), an amortization schedule (subject to clause (iii)), and interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and prepayment terms and premiums for the Incremental Term Loans as determined by the Borrower and the lenders of the Incremental Term Loans; provided that, in the event that the Effective Yield for any Incremental Term Loans that (1) are not junior to the Term Loans in terms of security or right of payment (including as a result of being a “last out facility”) or unsecured and (2) have a stated maturity date less than one year after the Term Maturity Date is greater than the Effective Yield for the Term Loans by more than 0.75% per annum, then the Effective Yield for the Term Loans shall be increased to the extent necessary so that the Effective Yield for the Term Loans are equal to the Effective Yield for the Incremental Term Loans minus 0.75% per annum (provided that, to the extent any portion of the Effective Yield differential is attributable to a higher “LIBOR floor” being applicable to such Incremental Term Loans, such floor shall only be included in the calculation of such differential to the extent such floor is greater than the Adjusted LIBO Rate in effect for an Interest Period of three months’ duration at such time, and, with respect to such excess, the “LIBOR floor” applicable to the outstanding Term Loans shall be increased to an amount not to exceed the “LIBOR floor” applicable to such Incremental Term Loans prior to any increase in the Applicable Rate applicable to such Term Loans then outstanding); provided further that the Incremental Term Loans may participate on a pro rata basis or less than pro rata basis (but not greater than a pro rata basis) in any mandatory repayments or prepayments hereunder and (v) may otherwise have terms and conditions different from those of the Term Loans (including currency denomination); provided that (x) except with respect to matters contemplated by clauses (ii), (iii) and (iv) above, any differences shall be reasonably satisfactory to the Administrative Agent (except for covenants and other provisions applicable only to the periods after the Latest Maturity Date at the time such Incremental Term Loans are incurred) and (y) the documentation governing any Incremental Term Loans may include a financial maintenance covenant, it being understood that, to the extent that any financial maintenance covenant is added for the benefit of any Incremental Term Loan, no consent shall be required from the Administrative Agent or any of the Term Lenders to the extent that such financial maintenance covenant is (1) also added for the benefit of any existing Loans and Commitments or (2) only applicable after the Latest Maturity Date.

(ii) The Incremental Revolving Commitment Increase shall be treated the same as the Class of Revolving Commitments being increased (including with respect to maturity date thereof) and shall be considered to be part of the Class of Revolving Credit Facility being increased (it being understood that, if required to consummate an Incremental Revolving Commitment Increase, the pricing, interest rate margins, rate floors and undrawn commitment fees on the Class of Revolving Commitments being increased may be increased and additional upfront or similar fees may be payable to the lenders providing the Incremental Revolving Commitment Increase (without any requirement to pay such fees to any existing Revolving Lenders)) but shall not have “superpriority” status.

(iii) The Additional/Replacement Revolving Commitments (i) shall rank equal or junior in right of payment with the Revolving Loans (subject to Section 2.09(f)), shall be unsecured or secured only by the Collateral securing the Secured Obligations and shall only be guaranteed by the Loan Parties, (ii) shall not mature earlier than the Revolving Maturity Date and shall require no mandatory commitment reduction prior to the Revolving Maturity Date, (iii) shall have interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, undrawn commitment fees, funding discounts, original issue discounts, prepayment terms and premiums and commitment reduction and termination terms as determined by the Borrower and the lenders of such commitments, (iv) shall contain borrowing, repayment and termination of Commitment procedures as determined by the Borrower and the lenders of such commitments, (v) may include provisions relating to letters of credit, as applicable, issued thereunder, which issuances shall be on terms substantially similar (except for the overall size of such subfacilities, the fees payable in connection therewith and the identity of the letter of credit issuer, as applicable, which shall be determined by the Borrower, the lenders of such commitments and the applicable letter of credit issuers and borrowing, repayment and termination of commitment procedures with respect thereto, in each case which shall be specified in the applicable Incremental Facility Amendment) to the terms relating to the Letters of Credit with respect to the applicable Class of Revolving Commitments or otherwise reasonably acceptable to the Administrative Agent and (vi) may otherwise have terms and conditions different from those of the Revolving Credit Facility (including currency denomination); provided that (x) except with respect to matters contemplated by clauses (ii), (iii), (iv) and (v) above, any differences shall be reasonably satisfactory to the Administrative Agent (except for covenants and other provisions applicable only to the periods after the Latest Maturity Date) and (y) the documentation governing any Additional/Replacement Revolving Commitments may include financial maintenance covenant so long as the Administrative Agent shall have been given prompt written notice thereof and this Agreement is amended to include such financial maintenance covenant for the benefit of each facility (provided, further, however, that, if the applicable new financial maintenance covenant is a “springing” financial maintenance covenant for the benefit of such revolving credit facility or covenant only applicable to, or for the benefit of, a revolving credit facility, such financial maintenance covenant shall be automatically included in this Agreement only for the benefit of each revolving credit facility hereunder (and not for the benefit of any term loan facility hereunder)).

(c) Each notice from Holdings or the Borrower pursuant to this Section 2.20 shall be given in writing and shall set forth the requested amount and proposed terms of the relevant Incremental Term Loans, Incremental Revolving Commitment Increases or Additional/Replacement Revolving Commitments.

(d) Commitments in respect of Incremental Term Loans, Incremental Revolving Commitment Increases and Additional/Replacement Revolving Commitments shall become Commitments (or in the case of an Incremental Revolving Commitment Increase to be provided by an existing Lender with a Revolving Commitment, an increase in such Lender's applicable Revolving Commitment) under this Agreement pursuant to an amendment (an "Incremental Facility Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by Holdings, the Borrower, each Lender agreeing to provide such Commitment, if any, each Additional Lender, if any, and the Administrative Agent. Incremental Term Loans and loans under Incremental Revolving Commitment Increases and Additional/Replacement Revolving Commitments shall be a "Loan" for all purposes of this Agreement and the other Loan Documents. The Incremental Facility Amendment may, subject to Section 2.14(c), without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.20 (including, in connection with an Incremental Revolving Commitment Increase, to reallocate Revolving Exposure on a pro rata basis among the relevant Revolving Lenders). The effectiveness of any Incremental Facility Amendment and the occurrence of any credit event (including the making (but not the conversion or continuation) of a Loan and the issuance, increase in the amount, or extension of a Letter of Credit thereunder) pursuant to such Incremental Facility Amendment shall be subject to the satisfaction of such conditions as the parties thereto shall agree. The Borrower will use the proceeds of the Incremental Term Loans, Incremental Revolving Commitment Increases and Additional/Replacement Revolving Commitments for any purpose not prohibited by this Agreement.

(e) Notwithstanding anything to the contrary, this Section 2.20 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

#### SECTION 2.21 Refinancing Amendments.

(a) At any time after the Effective Date, the Borrower may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of (a) all or any portion of the Term Loans then outstanding under this Agreement (which for purposes of this clause (a) will be deemed to include any then outstanding Other Term Loans) or (b) all or any portion of the Revolving Loans (or unused Revolving Commitments) under this Agreement (which for purposes of this clause (b) will be deemed to include any then outstanding Other Revolving Loans and Other Revolving Commitments), which may be in the form of (x) Other Term Loans or Other Term Commitments or (y) Other Revolving Loans or Other Revolving Commitments, as the case may be, in each case pursuant to a Refinancing Amendment; provided that such Credit Agreement Refinancing Indebtedness (i) will have such pricing and optional prepayment terms as may be agreed by the Borrower and the Lenders thereof, (ii) (x) with respect to any Other Revolving Loans or Other Revolving Commitments, will have a maturity date that is not prior to the maturity date of the Revolving Loans (or unused Revolving Commitments) being refinanced and (y) with respect to any Other Term Loans or Other Term Commitments, will have a maturity date that is not prior to the earlier of the maturity date of the Term Loans being refinanced and the Latest Maturity Date at the time of such refinancing, (iii) the proceeds of such Credit Agreement Refinancing Indebtedness shall be applied, substantially concurrently with the incurrence thereof, to the prepayment of outstanding Term Loans or reduction of Revolving Commitments being so refinanced, as the case may be and (iv) no Event of Default shall exist or result therefrom; provided that the requirements in this subclause (iv) shall not apply to Credit Agreement Refinancing Indebtedness in respect of all the outstanding Term Loan and Revolving Loans (and unused Revolving Commitments). Each Class of Credit Agreement Refinancing Indebtedness incurred under this Section 2.21 shall be in an aggregate principal amount that is (x) not less than \$5,000,000 in the case of Other Term Loans or \$5,000,000 in the case of Other Revolving Loans and (y) an integral multiple of \$1,000,000 in excess thereof (in each case unless the Borrower and the Administrative Agent otherwise agree). Any Refinancing Amendment may provide for the issuance of Letters of Credit for the account of the Borrower, or the provision to the Borrower of Swingline Loans, pursuant to any Other Revolving Commitments established thereby, in each case on terms substantially equivalent to the terms applicable to Letters of Credit and Swingline Loans under the Revolving Commitments. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Term Loans, Other Revolving Loans, Other Revolving Commitments and/or Other Term Commitments). Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section. In addition, if so provided in the relevant Refinancing Amendment and with the consent of each Issuing Bank, participations in Letters of Credit expiring on or after the Revolving Maturity Date shall be reallocated from Lenders holding Revolving Commitments to Lenders holding extended revolving commitments in accordance with the terms of such Refinancing Amendment; provided, however, that such participation interests shall, upon receipt thereof by the relevant Lenders holding Revolving Commitments, be deemed to be participation interests in respect of such Revolving Commitments and the terms of such participation interests (including, without limitation, the commission applicable thereto) shall be adjusted accordingly.

(b) Notwithstanding anything to the contrary, this Section 2.21 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

#### SECTION 2.22 Defaulting Lenders.

(a) General. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 9.02.

(ii) Reallocation of Payments. Subject to the last sentence of Section 2.11(e), any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 9.08), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, in the case of a Revolving Lender, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to each Issuing Bank and the Swingline Lender hereunder; third, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fourth, in the case of a Revolving Lender, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; fifth, to the payment of any amounts owing to the Lenders, the Issuing Banks or the Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, such Issuing Bank or the

Swingline Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; sixth, so long as no Default or Event of Default exists, to the payment of any amounts owing to any Loan Party as a result of any judgment of a court of competent jurisdiction obtained by any Loan Party against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and seventh, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if such payment is a payment of the principal amount of any Loans or LC Disbursements and such Lender is a Defaulting Lender under clause (a) of the definition thereof, such payment shall be applied solely to pay the relevant Loans of, and LC Disbursements owed to, the relevant non-Defaulting Lenders on a pro rata basis prior to being applied pursuant to Section 2.05(j). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to Section 2.05(j) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. That Defaulting Lender (x) shall not be entitled to receive or accrue any commitment fee pursuant to Section 2.12(a) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (y) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.12(b).

(iv) Reallocation of Applicable Percentages to Reduce Fronting Exposure. During any period in which there is a Defaulting Lender, all or any part of such Defaulting Lender's participation in the Letter of Credit and Swingline Loans shall be reallocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentages; provided that for purposes of computing the amount of the obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Swingline Loans and Letters of Credit pursuant to this Section, the "Applicable Percentage" of each non-Defaulting Lender shall be computed without giving effect to the Revolving Commitment of that Defaulting Lender; provided that the aggregate obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit and Swingline Loans shall not exceed the positive difference, if any, of (1) the Revolving Commitment of that non-Defaulting Lender minus (2) the aggregate principal amount of the Revolving Loans of that Lender.

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent, Swingline Lender and each Issuing Bank agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), such Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held on a pro rata basis by the Lenders in accordance with their Applicable Percentages (without giving effect to Section 2.22(a) (iv)), whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

SECTION 2.23 Illegality. If any Lender determines that any law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender to make, maintain or fund Loans whose interest is determined by reference to the Adjusted LIBO Rate, or to determine or charge interest rates based upon the Adjusted LIBO Rate, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligation of such Lender to make or continue Eurocurrency Loans or to convert ABR Loans to Eurocurrency Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon three Business Days' notice from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurocurrency Loans of such Lender to ABR Loans either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurocurrency Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Adjusted LIBO Rate, the Administrative Agent shall, during the period of such suspension, compute the Alternate Base Rate applicable to such Lender without reference to the Adjusted LIBO Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Adjusted LIBO Rate. Each Lender agrees to notify the Administrative Agent and the Borrower in writing promptly upon becoming aware that it is no longer illegal for such Lender to determine or charge interest rates based upon the Adjusted LIBO Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

SECTION 2.24 Loan Modification Offers.

(a) At any time after the Effective Date, the Borrower may on one or more occasions, by written notice to the Administrative Agent, make one or more offers (each, a "Loan Modification Offer") to all the Lenders of one or more Classes (each Class subject to such a Loan Modification Offer, an "Affected Class") to effect one or more Permitted Amendments relating to such Affected Class pursuant to procedures reasonably specified by the Administrative Agent and reasonably acceptable to the Borrower (including mechanics to permit cashless rollovers and exchanges by Lenders). Such notice shall set forth (i) the terms and conditions of the requested Permitted Amendment and (ii) the date on which such Permitted Amendment is requested to become effective. Permitted Amendments shall become effective only with respect to the Loans and Commitments of the Lenders of the Affected Class that accept the applicable Loan Modification Offer (such Lenders, the "Accepting Lenders") and, in the case of any Accepting Lender, only with respect to such Lender's Loans and Commitments of such Affected Class as to which such Lender's acceptance has been made.

(b) A Permitted Amendment shall be effected pursuant to a Loan Modification Agreement executed and delivered by Holdings, the Borrower, each applicable Accepting Lender and the Administrative Agent; provided that no Permitted Amendment shall become effective unless Holdings and the Borrower shall have delivered to the Administrative Agent such legal opinions, board resolutions, secretary's certificates, officer's certificates and other documents as shall be reasonably requested by the Administrative Agent in connection therewith. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Loan Modification Agreement. Each Loan Modification Agreement may, without the consent of any Lender other than the applicable Accepting Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to give effect to the provisions of this Section 2.24, including any amendments necessary to treat the applicable Loans and/or Commitments of the Accepting Lenders as a new or same "Class" of loans and/or commitments hereunder.

(c) If, in connection with any proposed Loan Modification Offer, any Lender declines to consent to such Loan Modification Offer on the terms and by the deadline set forth in such Loan Modification Offer (each such Lender, a "Non-Accepting Lender") then the Borrower may, on notice to the Administrative Agent and the Non-Accepting Lender, (i) replace such Non-Accepting Lender in whole or in part by causing such Lender to (and such Lender shall be obligated to) assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04) all or any part of its interests, rights and obligations under this Agreement in respect of the Loans and Commitments of the Affected Class to one or more Eligible Assignees (which Eligible Assignee may be another Lender, if a Lender accepts such assignment); provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that (a) the applicable assignee shall have agreed to provide Loans and/or Commitments on the terms set forth in the applicable Permitted Amendment, (b) such Non-Accepting Lender shall have received payment of an amount equal to the outstanding principal of the Loans of the Affected Class assigned by it pursuant to this Section 2.24(c), accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees) and (c) unless waived, the Borrower or such Eligible Assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 9.04(b).

(d) Notwithstanding anything to the contrary, this Section 2.24 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

SECTION 2.25 MIRE Events. Each of the parties hereto acknowledges and agrees that, if there are any Mortgaged Properties, any increase, extension or renewal of any of the Commitments or Loans (including the provision of incremental credit facilities hereunder pursuant to Section 2.20 or otherwise, but excluding (i) any continuation or conversion of Loans under Section 2.07, (ii) the making of any Revolving Loans or Swingline Loans or (iii) the issuance, renewal or extension of Letters of Credit) shall, if requested by any Lender, be subject to (and conditioned upon) the prior delivery of all flood hazard determination certifications, acknowledgements and evidence of flood insurance and other flood-related documentation with respect to such Mortgaged Properties as required by laws relating to flood insurance and as otherwise reasonably required by the Administrative Agent or any Lender.

(x) customary payments by Holdings, any Intermediate Parent, the Borrower and any of the Restricted Subsidiaries to the Sponsor made for any financial advisory, consulting, financing, underwriting or placement services or in respect of other investment banking activities (including in connection with acquisitions, divestitures or financings), which payments are approved by the majority of the members of the Board of Directors or a majority of the disinterested members of the Board of Directors of such Person in good faith;

(xi) the issuance or transfer of Equity Interests (other than Disqualified Equity Interests) of Holdings to any Permitted Holder or to any former, current or future director, manager, officer, employee or consultant (or any Affiliate of any of the foregoing) of the Borrower, any of the Subsidiaries or any direct or indirect parent of any of the foregoing;

(xv) Affiliate repurchases of the Loans or Commitments to the extent permitted hereunder and the holding of such Loans and the payments and other related transactions in respect thereof;

SECTION 6.10 Financial Covenant.

(a) Holdings and the Borrower will not permit the Total Net Leverage Ratio for any Test Period (commencing with the fiscal quarter ending on December 29, 2018) set forth below to be greater than 8.75 to 1.00.

SECTION 6.11 Change in Business. Holdings, the Borrower and the Restricted Subsidiaries, taken as a whole, will not fundamentally and substantively alter the character of their business, taken as a whole, from the business conducted by them on the Effective Date and other business activities which are extensions thereof or otherwise incidental, reasonably related or ancillary to any of the foregoing.

SECTION 6.12 Changes in Fiscal Periods. Holdings shall not make any change in its fiscal year; provided, however, that Holdings may, upon written notice to the Administrative Agent, change its fiscal year to any other fiscal year reasonably acceptable to the Administrative Agent, in which case, Holdings and the Administrative Agent will, and are hereby authorized by the Lenders to, make any adjustments to this Agreement that are necessary to reflect such change in fiscal year.

ARTICLE VII

EVENTS OF DEFAULT

SECTION 7.01 Events of Default. If any of the following events (any such event, an “Event of Default”) shall occur:

- (a) any Loan Party shall fail to pay any principal of any Loan or any reimbursement obligation in respect of any LC Disbursement when and as the same shall become due and payable, whether at the due date thereof or at a date fixed for prepayment thereof or otherwise;
- (b) any Loan Party shall fail to pay any interest on any Loan or any fee or any other amount (other than an amount referred to in clause (a) of this Section) payable under any Loan Document, when and as the same shall become due and payable, and such failure shall continue unremedied for a period of five Business Days;
- (c) any representation or warranty made or deemed made by or on behalf of Holdings, the Borrower or any of the Restricted Subsidiaries in or in connection with any Loan Document or any amendment or modification thereof or waiver thereunder, or in any report, certificate, financial statement or other document furnished pursuant to or in connection with any Loan Document or any amendment or modification thereof or waiver thereunder, shall prove to have been incorrect in any material respect when made or deemed made, and such incorrect representation or warranty (if curable) shall remain incorrect for a period of 30 days after notice thereof from the Administrative Agent to the Borrower; provided that the failure of any representations or warranties made or deemed made (other than the representations and warranties referred to in Section 4.01(i)) to be true and correct in any material respect on the Effective Date will not constitute an Event of Default hereunder;
- (d) Holdings, the Borrower or any of the Restricted Subsidiaries shall fail to observe or perform any covenant, condition or agreement contained in Section 5.02(a), 5.04 (with respect to the existence of the Borrower) or 5.13(b) or in Article VI (other than Section 6.10); provided that any Event of Default under Section 6.10 is subject to cure as provided in Section 7.02 and an Event of Default with respect to such Section shall not occur until the expiration of the 10th Business Day subsequent to the date on which the financial statements with respect to the applicable fiscal quarter (or the fiscal year ended on the last day of such fiscal quarter) are required to be delivered pursuant to Section 5.01(a) or Section 5.01(b), as applicable;
- (e) any Loan Party shall fail to observe or perform any covenant, condition or agreement contained in any Loan Document (other than those specified in clause (a), (b) or (d) of this Section), and such failure shall continue unremedied for a period of 30 days after notice thereof from the Administrative Agent to Holdings;

(f) Holdings, the Borrower or any of the Restricted Subsidiaries (i) shall fail to make any payment (whether of principal or interest and regardless of amount) in respect of any Material Indebtedness, when and as the same shall become due and payable (after giving effect to any applicable grace period) or (ii) any event or condition occurs that results in any Material Indebtedness becoming due prior to its scheduled maturity or that enables or permits (with all applicable grace periods having expired) the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf to cause any Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity; provided that this clause (ii) shall not apply to (w) secured Indebtedness that becomes due as a result of the sale, transfer or other disposition (including as a result of a casualty or condemnation event) of the property or assets securing such Indebtedness (to the extent such sale, transfer or other disposition is not prohibited under this Agreement) or (x) termination events or similar events occurring under any Swap Agreement that constitutes Material Indebtedness (it being understood that clause (f) of this Section will apply to any failure to make any payment required as a result of any such termination or similar event); provided further that this clause (f) shall not apply to any breach or default that is (I) remedied by Holdings, the Borrower or the applicable Restricted Subsidiary or (II) waived (including in the form of amendment) by the required holders of the applicable item of Indebtedness, in the case of (I) and (II), prior to the acceleration of Loans pursuant to this Section 7.01;

(g) [reserved];

(h) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, court protection, reorganization or other relief in respect of Holdings, the Borrower or any Significant Subsidiary or its debts, or of a material part of its assets, under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, examiner, sequestrator, conservator or similar official for Holdings, the Borrower or any Significant Subsidiary or for a material part of its assets, and, in any such case, such proceeding or petition shall continue undismissed or unstayed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered;

(i) Holdings, the Borrower or any Significant Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, court protection, reorganization or other relief under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in clause (h) of this Section, (iii) apply for or consent to the appointment of a receiver, trustee, examiner, custodian, sequestrator, conservator or similar official for Holdings, the Borrower or any Significant Subsidiary or for a material part of its assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding or (v) make a general assignment for the benefit of creditors;

(j) one or more enforceable judgments for the payment of money in an aggregate amount in excess of \$8,000,000 (to the extent not covered by insurance as to which the insurer has been notified of such judgment or order and has not denied coverage) shall be rendered against Holdings, the Borrower, any of the Restricted Subsidiaries or any combination thereof and the same shall remain undischarged for a period of 60 consecutive days during which execution shall not be effectively stayed, or any judgment creditor shall legally attach or levy upon assets of such Loan Party that are material to the businesses and operations of Holdings, the Borrower and the Restricted Subsidiaries, taken as a whole, to enforce any such judgment;

(k) (i) an ERISA Event occurs that has resulted or would reasonably be expected to result in liability of any Loan Party under Title IV of ERISA in an aggregate amount that would reasonably be expected to result in a Material Adverse Effect or (ii) any Loan Party or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its Withdrawal Liability under Section 4201 of ERISA under a Multiemployer Plan in an aggregate amount that would reasonably be expected to result in a Material Adverse Effect;

(l) any Lien purported to be created under any Security Document shall cease to be, or shall be asserted by any Loan Party not to be, a valid and perfected Lien on any material portion of the Collateral, except (i) as a result of the sale or other disposition of the applicable Collateral to a Person that is not a Loan Party in a transaction permitted under the Loan Documents, (ii) as a result of the Administrative Agent's failure to (A) maintain possession of any stock certificates, promissory notes or other instruments delivered to it under the Security Documents or (B) file Uniform Commercial Code continuation statements, (iii) as to Collateral consisting of real property, to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage or (iv) as a result of acts or omissions of the Administrative Agent;

(m) any material provision of any Loan Document or any Guarantee of the Loan Document Obligations shall for any reason be asserted by any Loan Party not to be a legal, valid and binding obligation of any Loan Party thereto other than as expressly permitted hereunder or thereunder;

(n) any Guarantees of the Loan Document Obligations by Holdings, or Subsidiary Loan Party pursuant to the Guarantee Agreement shall cease to be in full force and effect (in each case, other than in accordance with the terms of the Loan Documents); or

(o) a Change in Control shall occur;

(p) any of the Secured Obligations for any reason shall cease to be "Senior Indebtedness" (or any comparable term) under, and as defined in, any documentation relating to any Subordinated Indebtedness or any other Indebtedness that is subordinated to, or secured on a junior Lien basis with, the Secured Obligations, or the subordination provisions set forth in any documentation relating to such Subordinated Indebtedness shall cease to be effective or cease to be legally valid, binding and enforceable against the holders thereof;

then, and in every such event (other than an event with respect to Holdings or the Borrower described in clause (h) or (i) of this Section), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to Holdings, take either or both of the following actions, at the same or different times: (i) terminate the Commitments, and thereupon the Commitments shall terminate immediately and (ii) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of Borrower accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; and in case of any event with respect to Holdings or the Borrower described in clause (h) or (i) of this Section, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower.

SECTION 7.02 Right to Cure. Notwithstanding anything to the contrary contained in Section 7.01, in the event that Holdings and the Restricted Subsidiaries fail to comply with the requirements of the Financial Covenant as of the last day of any fiscal quarter of Holdings, at any time after the beginning of such fiscal quarter until the expiration of the 10th Business Day (the "Cure Expiration Date") subsequent to the earlier of (i) the date on which a Compliance Certificate with respect to such fiscal quarter (or the fiscal year ended on the last day of such fiscal quarter) is delivered in accordance with Section 5.01(d) and (ii) the date on which the financial statements with respect to such fiscal quarter (or the fiscal year ended on the last day of such fiscal quarter) are required to be delivered pursuant to Section 5.01(a) or Section 5.01(b), as applicable, Holdings shall have the right to issue Qualified Equity Interests for cash or otherwise receive cash contributions to the capital of Holdings as cash common equity or other Qualified Equity Interests (collectively, the "Cure Right"), and upon the receipt by Holdings of the Net Proceeds of such issuance that are Not Otherwise Applied (the "Cure Amount") pursuant to the exercise by Holdings of such Cure Right the Financial Covenant shall be recalculated giving effect to the following pro forma adjustment:

(a) Consolidated EBITDA shall be increased with respect to such applicable fiscal quarter and any four fiscal quarter period that contains such fiscal quarter, solely for the purpose of measuring the Financial Covenant and not for any other purpose under this Agreement, by an amount equal to the Cure Amount;

(b) if, after giving effect to the foregoing pro forma adjustment (without giving effect to any portion of the Cure Amount on the balance sheet of Holdings and its Restricted Subsidiaries with respect to such fiscal quarter only but with giving pro forma effect to any portion of the Cure Amount actually applied to any repayment of any Indebtedness), Holdings and its Restricted Subsidiaries shall then be in compliance with the requirements of the Financial Covenant, Holdings and its Restricted Subsidiaries shall be deemed to have satisfied the requirements of the Financial Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the Financial Covenant that had occurred shall be deemed cured for the purposes of this Agreement; and

(c) notwithstanding anything herein to the contrary, (i) in each four consecutive fiscal quarter period of Holdings there shall be at least two fiscal quarters in which the Cure Right is not exercised, (ii) during the term of this Agreement, the Cure Right shall not be exercised more than five times, (iii) for purposes of this Section 7.02, the Cure Amount shall be no greater than the amount required for purposes of complying with both Financial Covenant and any amounts in excess thereof shall not be deemed to be a Cure Amount and (iv) there shall be no pro forma reduction in Indebtedness with the proceeds of the exercise of the Cure Right for determining compliance with the Financial Covenant for the fiscal quarter in respect of which such Cure Right is exercised except as a result of a prepayment of Indebtedness with the proceeds of the exercise of the Cure Right actually applied to any repayment of Indebtedness. Notwithstanding any other provision in this Agreement to the contrary, the Cure Amount received pursuant to any exercise of the Cure Right shall be disregarded for purposes of determining any financial ratio-based conditions, pricing or any available basket under Article VI of this Agreement and there shall not have been a breach of any covenant under Article VI of this Agreement by reason of having no longer included such Cure Amount in any basket during the relevant period.

SECTION 7.03 Application of Proceeds. After the exercise of remedies provided for in Section 7.01, any amounts received on account of the Secured Obligations shall be applied by the Administrative Agent in accordance with Section 2.09(f). Notwithstanding the foregoing, Excluded Swap Obligations with respect to any Guarantor shall not be paid with amounts received from such Guarantor or its assets, but appropriate adjustments shall be made with respect to payments from other Loan Parties to preserve the allocation to Secured Obligations otherwise set forth in Section 2.09(f).

## ARTICLE VIII

### THE ADMINISTRATIVE AGENT

Each of the Lenders and the Issuing Banks hereby irrevocably appoints [Truist Bank, as successor by merger to SunTrust Bank](#), to serve as Administrative Agent and Collateral Agent under the Loan Documents, and authorizes the Administrative Agent and Collateral Agent to take such actions and to exercise such powers as are delegated to the Administrative Agent and Collateral Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent, the Collateral Agent, the Lenders and the Issuing Banks, and none of Holdings, the Borrower or any other Loan Party shall have any rights as a third party beneficiary of any such provisions.

The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender or an Issuing Bank as any other Lender or Issuing Bank and may exercise the same as though it were not the Administrative Agent, and such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with Holdings, the Borrower or any other Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or to exercise any discretionary power, except discretionary rights and powers expressly contemplated by the Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in the Loan Documents); provided that the Administrative Agent shall not be required to take any action that, in its opinion, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to Holdings, the Borrower, any other Subsidiary or any other Affiliate of any of the foregoing that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by Holdings, the Borrower, a Lender or an Issuing Bank and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the value or the sufficiency of any Collateral or creation, perfection or priority of any Lien purported to be created by the Security Documents or (vi) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent. Notwithstanding anything herein to the contrary, the Administrative Agent shall not have any liability arising from any confirmation of the Revolving Exposure or the component amounts thereof. Neither the Administrative Agent nor any of its Affiliates and its and their respective partners, directors, officers, employees, agents, trustees, administrators, managers, advisors and representatives shall be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (i) be obligated to ascertain, monitor or inquire as to whether any Lender or prospective Lender is a Disqualified Lender or (ii) have any liability with respect to or arising out of any assignment of Loans, or disclosure of confidential information, to any Disqualified Lender.

The Administrative Agent shall be entitled to rely, and shall not incur any liability for relying, upon any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person (including, if applicable, a Responsible Officer or Financial Officer of such Person). The Administrative Agent also may rely, and shall not incur any liability for relying, upon any statement made to it orally or by telephone and believed by it to be made by the proper Person (including, if applicable, a Financial Officer or a Responsible Officer of such Person). The Administrative Agent may consult with legal counsel (who may be counsel for or the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of their duties and exercise their rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Subject to the appointment and acceptance of a successor Administrative Agent as provided in this paragraph, the Administrative Agent may resign upon 30 days' notice to the Lenders, the Issuing Banks and Holdings. If the Administrative Agent becomes a Defaulting Lender and is not performing its role hereunder as Administrative Agent, the Administrative Agent may be removed as the Administrative Agent hereunder at the request of Holdings and the Required Lenders. Upon receipt of any such notice of resignation or upon such removal, the Required Lenders shall have the right, with Holdings' consent (unless an Event of Default under Section 7.01(a), (b), (h) or (i) has occurred and is continuing), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may (but shall not be obligated to) on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent, which shall be an Approved Bank with an office in New York, New York, or an Affiliate of any such Approved Bank (the date upon which the retiring Administrative Agent is replaced, the "Resignation Effective Date").

If the Person serving as Administrative Agent is a Defaulting Lender, the Required Lenders and Holdings may, to the extent permitted by applicable law, by notice in writing to such Person remove such Person as Administrative Agent and, with the consent of Holdings, appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (1) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except (i) that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed and (ii) with respect to any outstanding payment obligations) and (2) except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Administrative Agent (other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder and under the other Loan Documents as set forth in this Section. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article and Section 9.04 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

Each Lender and each Issuing Bank acknowledges that it has, independently and without reliance upon the Administrative Agent, the Joint Bookrunners or any other Lender or any Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Joint Bookrunners or any other Lender or any Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Each Lender, by delivering its signature page to this Agreement and funding its Loans on the Effective Date, or delivering its signature page to an Assignment and Assumption, Incremental Facility Amendment or Refinancing Amendment pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Effective Date.

No Lender shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Secured Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent on behalf of the Lenders in accordance with the terms thereof. In the event of a foreclosure by the Administrative Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Administrative Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition, and the Administrative Agent, as agent for and representative of the Lenders (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any collateral payable by the Administrative Agent on behalf of the Lenders at such sale or other disposition. Each Lender, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Guarantees of the Secured Obligations, to have agreed to the foregoing provisions.

Notwithstanding anything herein to the contrary, neither a Joint Bookrunner nor any Person named on the cover page of this Agreement as a Joint Lead Arranger shall have any duties or obligations under this Agreement or any other Loan Document (except in its capacity, as applicable, as a Lender or an Issuing Bank), but all such Persons shall have the benefit of the indemnities provided for hereunder, including under Section 9.03, fully as if named as an indemnitee or indemnified person therein and irrespective of whether the indemnified losses, claims, damages, liabilities and/or related expenses arise out of, in connection with or as a result of matters arising prior to, on or after the effective date of any Loan Document.

To the extent required by any applicable Requirements of Law (as determined in good faith by the Administrative Agent), the Administrative Agent may withhold from any payment to any Lender under any Loan Document an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 2.17, each Lender shall indemnify the Administrative Agent against, and shall make payable in respect thereof within 30 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the U.S. Internal Revenue Service or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this paragraph. The agreements in this paragraph shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other obligations under any Loan Document. For the avoidance of doubt, the term "Lender" shall, for purposes of this paragraph, include any Issuing Bank and any Swingline Lender.

Each party to this Agreement hereby appoints the Administrative Agent and Collateral Agent to act as its agent under and in connection with the relevant Security Documents.

All provisions of this Article VIII applicable to the Administrative Agent shall apply to the Collateral Agent and the Collateral Agent shall be entitled to all the benefits and indemnities applicable to the Administrative Agent under this Agreement.

(c) if to any Issuing Bank, to it at its address (or fax number or email address) most recently specified by it in a notice delivered to the Administrative Agent and the Borrower (or, in the absence of any such notice, to the address (or fax number or email address) set forth in the Administrative Questionnaire of the Lender that is serving as such Issuing Bank or is an Affiliate thereof);

(d) if to SunTrust Bank as Swingline Lender, to the notice address specified in clause (b) above. If to any other Swingline Lenders, to it at its address (or fax number or email address) most recently specified by it in a notice delivered to the Administrative Agent, Holdings and the Borrower (or, in the absence of any such notice, to the address (or fax number or email address) set forth in the Administrative Questionnaire of the Lender that is serving as such Swingline Lender or is an Affiliate thereof); and

(e) if to any other Lender, to it at its address (or fax number or email address) set forth in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by fax or other electronic transmission shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient).

Holdings and the Borrower may change their address, email or facsimile number for notices and other communications hereunder by notice to the Administrative Agent, the Administrative Agent may change its address, email or facsimile number for notices and other communications hereunder by notice to Holdings and the Borrower and the Lenders may change their address, email or facsimile number for notices and other communications hereunder by notice to the Administrative Agent. Notices and other communications to the Lenders and the Issuing Banks hereunder may also be delivered or furnished by electronic transmission (including email and Internet or intranet websites) pursuant to procedures reasonably approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender or Issuing Bank pursuant to Article II if such Lender or Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic transmission.

Any acknowledgment, consent, direction, certification or other action which might otherwise be valid or effective only if given or taken by the Borrower shall be valid and effective if given or taken by Holdings, whether or not the Borrower joins therein. Any notice, demand, consent, acknowledgement, direction, certification or other communication delivered to Holdings in accordance with the terms of this Agreement shall be deemed to have been delivered to the Borrower.

SECTION 9.02 Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or the issuance, amendment, renewal or extension of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time. No notice or demand on the Borrower or Holdings in any case shall entitle the Borrower or Holdings to any other or further notice or demand in similar or other circumstances.

(b) Except as provided in Section 2.14(d), Section 2.20 with respect to any Incremental Facilities, Section 2.21 with respect to any Refinancing Amendment and Section 2.24 with respect to any Permitted Amendment, neither any Loan Document nor any provision thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Holdings, the Borrower, the Administrative Agent (to the extent that such waiver, amendment or modification does not affect the rights, duties, privileges or obligations of the Administrative Agent under this Agreement, the Administrative Agent shall execute such waiver, amendment or other modification to the extent approved by the Required Lenders) and the Required Lenders, or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto, in each case with the consent of the Required Lenders, provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.02 or the waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender), (ii) reduce the principal amount of any Loan or LC Disbursement (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute a reduction or forgiveness in principal) or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender directly and adversely affected thereby (it being understood that any change to the definition of First Lien Net Leverage Ratio or in the component definitions thereof shall not constitute a reduction of interest or fees), provided that only the consent of the Required Lenders shall be necessary to waive any obligation of the Borrower to pay default interest pursuant to Section 2.13(c), (iii) postpone the maturity of any Loan (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension of any maturity date), or the date of any scheduled amortization payment of the principal amount of any Loan under Section 2.10 or the applicable Refinancing Amendment, or the reimbursement date with respect to any LC Disbursement, or any date for the payment of any interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly and adversely affected thereby), (iv) change any of the provisions of this Section without the written consent of each Lender directly and adversely affected thereby, provided that any such change which is in favor of a Class of Lenders holding Loans maturing after the maturity of other Classes of Lenders (and only takes effect after the maturity of such other Classes of Loans or Commitments) will require the written consent of the Required Lenders with respect to each Class directly and adversely affected thereby, (v) change any of the provisions of this Section or the percentage set forth in the definition of "Required Lenders" or any other provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender (or each Lender of such Class, as the case may be), (vi) release all or substantially all the value of the Guarantees under the Guarantee Agreement (except as expressly provided in the Loan Documents) without the written consent of each Lender (other than a Defaulting Lender) or (vii) release all or substantially all the Collateral from the Liens of the Security Documents, without the written consent of each Lender (other than a Defaulting Lender) (except as expressly provided in the Loan Documents); provided, further, that (A) no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, any Issuing Bank or any Swingline Lender without the prior written consent of the Administrative Agent, such Issuing Bank or such Swingline Lender, as the case may be, (B) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by Holdings, the Borrower and the Administrative Agent to cure any ambiguity, omission, defect or inconsistency and (C) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by Holdings, the Borrower and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time. Notwithstanding the foregoing, (a) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders on substantially the same basis as the Lenders prior to such inclusion, (b) this Agreement and other Loan Documents may be amended or supplemented by an agreement or agreements in writing entered into by the Administrative Agent and Holdings, the Borrower or any Loan Party as to which such agreement or agreements is to apply, without the need to obtain the consent of any Lender, to include "parallel debt" or similar provisions, and any authorizations or granting of powers by the Lenders and the other Secured Parties in favor of the Administrative Agent, in each case required to create in favor of the Administrative Agent any security interest contemplated to be created under this Agreement, or to perfect any such security interest, where the Administrative Agent shall have been advised by its counsel that such provisions are necessary or advisable under local law for such purpose (with Holdings and the Borrower hereby agreeing to, and to cause their subsidiaries to, enter into any such agreement or agreements upon reasonable request of the Administrative Agent promptly upon such request) and (c) upon notice thereof by Holdings to the Administrative Agent with respect to the inclusion of any previously absent financial maintenance covenant, this Agreement shall be amended by an agreement in writing entered into by the Borrower and the Administrative Agent without the need to obtain the consent of any Lender to include such covenant on the date of the incurrence of the applicable Indebtedness to the extent required by the terms of such definition or section. Notwithstanding the foregoing (but subject to each proviso of the first sentence of this Section 9.02(b)), amendments to or waivers of any other terms or provisions relating solely to (x) the Revolving Commitments (or, subject to subclause (A) above, Swingline Commitments or Letters of Credit) will require only the written approval of a Majority in Interest of the outstanding Revolving Commitments and the Borrower and (y) the Term Facility will require only the written approval of a Majority in Interest of the outstanding Term Loans and the Borrower.

(c) In connection with any proposed amendment, modification, waiver or termination (a “Proposed Change”) requiring the consent of all Lenders or all directly and adversely affected Lenders, if the consent of the Required Lenders to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in paragraph (b) of this Section being referred to as a “Non-Consenting Lender”), then, so long as the Lender that is acting as Administrative Agent is not a Non-Consenting Lender, Holdings may, at its sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an Eligible Assignee that shall assume such obligations (which Eligible Assignee may be another Lender, if a Lender accepts such assignment), provided that (a) Holdings shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable (and, if a Revolving Commitment is being assigned, each Principal Issuing Bank and Swingline Lender), which consent shall not unreasonably be withheld, conditioned or delayed, (b) such Non-Consenting Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts (including any amounts under Section 2.11(a)(i)), payable to it hereunder from the Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (c) unless waived, the Borrower or such Eligible Assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 9.04(b).

(d) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, (i) the Term Loans of any Lender that is at the time an Affiliated Lender (other than an Affiliated Debt Fund) or (ii) the Revolving Commitments and Revolving Exposure of any Lender that is at the time a Defaulting Lender shall not have any voting or approval rights under the Loan Documents and shall be excluded in determining whether all Lenders (or all Lenders of a Class), all affected Lenders (or all affected Lenders of a Class) or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to this Section 9.02); provided that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender.

(e) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender (other than an Affiliated Debt Fund) hereby agrees that, if a proceeding under the United States Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency, receivership or similar law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Loans held by such Affiliated Lender in any manner in the Administrative Agent's sole discretion, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Loans held by it as the Administrative Agent directs; provided that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Secured Obligations held by such Affiliated Lender in a manner that is less favorable in any material respect to such Affiliated Lender than the proposed treatment of similar Secured Obligations held by Lenders that are not Affiliates of the Borrower.

(f) Without limiting the ability of any Loan Party to enter into or consummate any transactions permitted by the Loan Documents as in effect as of the Effective Date, neither any Loan Document nor any provision thereof may be waived, amended or modified without the written consent of each Revolving Lender holding Revolving Loans with superpriority status, to the extent such waiver, amendment or modification, as applicable, shall (i) designate obligations as senior in right of payment to the obligations under the Revolving Credit Facility, (ii) permit Liens on any assets of Holdings, the Borrower or any Subsidiary Guarantors on a senior or pari passu basis with the Liens securing the Revolving Credit Facility (other than those existing and permitted on the Effective Date or permitted under Section 6.02), (iii) increase amortization under (A) the Term Facility in an amount greater than the amortization in effect as of the Effective Date or (B) any Incremental Term Facility in an amount greater than the amortization in effect as of the closing of such Incremental Term Facility, (iv) amend or waive this clause (f) or (v) permit the Term Loans to be held by the Borrower or any Affiliated Lender in a manner other than as permitted under this Agreement as of the Effective Date.

(g) Without limiting the ability of any Loan Party to enter into or consummate any transactions permitted by the Loan Documents as in effect as of the Effective Date, neither any Loan Document nor any provision thereof may be waived, amended or modified without the written consent of the Required Revolving Lenders, to the extent such waiver, amendment or modification, as applicable, shall (i) amend, modify or waive compliance with the conditions precedent to the obligations of any Lenders to make any Revolving Loan (or of the Issuing Bank to issue any Letter of Credit) in Section 4.01 or Section 4.02; (ii) amend the definitions of Cash Management Agreement, Guarantors (in a manner that adversely affects the rights of the Revolving Lenders disproportionately to those of other Lenders), Issuing Bank, LC Disbursement, LC Exposure, Letter of Credit, Letter of Credit Sublimit, Pro Rata Share, Required Revolving Lenders, Revolving Exposure, Revolving Loan, Secured Cash Management Agreement, Secured Cash Management Obligations, Secured Swap Obligations, Swap Agreement, Swap Obligations, Swingline Commitment, Swingline Exposure, Swingline Lender, Swingline Loan, or Swingline Sublimit; or (iii) amend or waive Sections 2.03 (with respect to Revolving Loan Borrowings), 2.04, 2.05, 2.06 (with respect to Revolving Loans), 2.09(f) (in a manner adverse to the Revolving Lenders), 2.11(b), 2.22, 4.02(a), 4.02(b), 6.01(a)(vi) (in a manner that would cause any Secured Swap Obligation outstanding prior to the effectiveness of any such amendment to violate this Agreement) or this Section 9.02(g).

SECTION 9.03 Expenses; Indemnity; Damage Waiver.

(a) Holdings or the Borrower shall pay, if the Effective Date occurs, (i) all reasonable and documented or invoiced out of pocket expenses incurred by the Administrative Agent and its Affiliates (without duplication), including the reasonable fees, charges and disbursements of Moore & Van Allen PLLC (for services rendered through April 30, 2019) and King & Spalding LLP (for services rendered beginning April 1, 2019) and to the extent necessary, a single firm of local counsel to the Administrative Agent in each relevant material jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) or otherwise retained with the Borrower's consent, in each case for the Administrative Agent, and to the extent retained with Holdings' consent, consultants, in connection with the syndication of the credit facilities provided for herein, the preparation and administration of the Loan Documents or any amendments, modifications or waivers of the provisions thereof and (ii) all reasonable and documented or invoiced out-of-pocket expenses incurred by the Administrative Agent, each Issuing Bank or any Lender, including the fees, charges and disbursements of counsel for the Administrative Agent, the Issuing Banks and the Lenders, in connection with the enforcement or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out of pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit; provided that such counsel shall be limited to one lead counsel and one local counsel in each relevant material jurisdiction and, in the case of a conflict of interest, one additional counsel for all affected parties, taken as a whole.

(b) Holdings and the Borrower shall indemnify each Agent, each Issuing Bank, each Lender and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and reasonable and documented or invoiced out-of-pocket fees and expenses of one counsel for all Indemnitees, taken as a whole, and, if reasonably necessary, a single firm of local counsel in each relevant material jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) for all Indemnitees taken as a whole (and, in the case of a conflict of interest, where the Indemnitee affected by such conflict notifies Holdings of the existence of such conflict and thereafter retains its own counsel, one additional counsel for all such affected Indemnitees, taken as a whole) for all Indemnitees (which may include a single special counsel acting in multiple jurisdictions), incurred by or asserted against any Indemnitee by any third party or by Holdings or any Subsidiary arising out of, in connection with, or as a result of (i) the execution or delivery of any Loan Document or any other agreement or instrument contemplated thereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated thereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by the Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) to the extent in any way arising from or relating to any of the foregoing, any actual or alleged presence or Release of Hazardous Materials on, at or from any Mortgaged Property or any other property currently or formerly owned or operated by Holdings, the Borrower or any Restricted Subsidiary, or any other Environmental Liability or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by Holdings or any Subsidiary and regardless of whether any Indemnitee is a party thereto, provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (i) are determined by a court of competent jurisdiction by final, non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of, or a material breach of the Loan Documents by, any Indemnitee or its Related Parties or (ii) any dispute between and among indemnified persons that does not involve an act or omission by Holdings, the Borrower or any of the Restricted Subsidiaries except that each Agent, the Joint Lead Arrangers and the Joint Bookrunners shall be indemnified in their capacities as such to the extent that none of the exceptions set forth in clause (i) applies to such Person at such time. The Borrower shall not be liable for any special, indirect, consequential or punitive damages (other than in respect of any such damages required to be indemnified pursuant to this Section 9.03(b)).

(c) To the extent that Holdings or the Borrower fails to pay any amount required to be paid by it to the Administrative Agent, any Swingline Lender or any Issuing Bank under paragraph (a) or (b) of this Section, and without limiting Holdings' or the Borrower's obligation to do so, (x) each Lender severally agrees to pay to the Administrative Agent and (y) each Revolving Lender severally agrees to pay to such Swingline Lender or such Issuing Bank, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, such Swingline Lender or such Issuing Bank in its capacity as such. For purposes hereof, a Lender's "pro rata share" shall be determined based upon its share of the aggregate Revolving Exposures, outstanding Loans and unused Commitments at the time. The obligations of the Lenders under this paragraph (c) are subject to the last sentence of Section 2.02(a) (which shall apply mutatis mutandis to the Lenders' obligations under this paragraph (c)).

(d) To the fullest extent permitted by applicable law, none of Holdings or the Borrower shall assert, and each hereby waives, any claim against any Indemnitee (i) for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the Internet), provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such damages are determined by a court of competent jurisdiction by final, non-appealable judgment to have resulted from the gross negligence or willful misconduct of, or a breach of the Loan Documents by, such Indemnitee or its Related Parties or (ii) on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, any Loan Document or any agreement or instrument contemplated thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof.

(e) All amounts due under this Section shall be payable not later than 10 Business Days after written demand therefor; provided, however, that any Indemnitee shall promptly refund an indemnification payment received hereunder to the extent that there is a final judicial determination that such Indemnitee was not entitled to indemnification with respect to such payment pursuant to this Section 9.03.

SECTION 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), except that (i) no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Bank and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in clause (ii) and paragraph (g) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent (except with respect to assignments to competitors of Holdings or the Borrower) not to be unreasonably withheld or delayed) of (A) Holdings, provided that no consent of Holdings shall be required for an assignment (1) by a Term Lender to any Lender or an Affiliate of any Lender or in the case of assignments during the primary syndication of the Commitments and Loans to Persons identified to and agreed by the Borrower in writing prior to the Effective Date, (2) by a Revolving Lender to any Revolving Lender or an Affiliate of any Revolving Lender (3) by a Term Lender to an Approved Fund or (4) if an Event of Default under Section 7.01(a), (b), (h) or (i) has occurred and is continuing, by a Term Lender or a Revolving Lender to any other assignee; and provided, further, that Holdings shall have the right to withhold its consent to any assignment if, in order for such assignment to comply with applicable law, Holdings would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority, (B) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund or to Holdings or any Affiliate thereof and (C) each Principal Issuing Bank and Swingline Lender, provided that no consent of any Issuing Bank or Swingline Lender shall be required for an assignment of all or any portion of a Term Loan or Term Commitment. Notwithstanding anything in this Section 9.04 to the contrary, if any Person the consent of which is required by this paragraph with respect to any assignment of Term Loans has not given the Administrative Agent written notice of its objection to such assignment within 10 Business Days after written notice to such Person, such Person shall be deemed to have consented to such assignment.

(ii) Assignments shall be subject to the following additional conditions: (A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the trade date specified in the Assignment and Assumption with respect to such assignment or, if no trade date is so specified, as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than in the case of a Revolving Loan or Revolving Commitment, \$2,000,000 (and integral multiples of \$1,000,000 in excess thereof) or, in the case of a Term Loan, \$2,000,000 (and integral multiples of \$1,000,000 in excess thereof), unless Holdings and the Administrative Agent otherwise consent (such consent not to be unreasonably withheld or delayed), provided that no such consent of Holdings shall be required if an Event of Default under Section 7.01(a), (b), (h) or (i) has occurred and is continuing, (B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement, provided that this subclause (B) shall not be construed to prohibit assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans, (C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption (which shall include a representation by the assignee that is not a Disqualified Lender or an Affiliate of a Disqualified Lender (so long as the list of Disqualified Lenders has been made available to all Lenders)), together (unless waived by the Administrative Agent) with a processing and recordation fee of \$ 3,500, provided that assignments made pursuant to Section 2.19 or Section 9.02(c) shall not require the signature of the assigning Lender to become effective; provided further that such recordation fee shall not be payable in the case of assignments by any Affiliate of any Joint Bookrunner in connection with assignments of such Loans during primary syndication, (D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent any tax forms required by Section 2.17(e) and an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower, the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws and (E) unless Holdings otherwise consents, no assignment of all or any portion of the Revolving Commitment of a Lender that is also a Swingline Lender or an Issuing Bank may be made unless (1) the assignee shall be or become a Swingline Lender and/or an Issuing Bank, as applicable, and assume a ratable portion of the rights and obligations of such assignor in its capacity as Swingline Lender and Issuing Bank or (2) the assignor agrees, in its discretion, to retain all of its rights with respect to and obligations to make or issue Swingline Loans and Letters of Credit, as applicable, hereunder in which case the Applicable Fronting Exposure of such assignor may exceed such assignor's Revolving Commitment for purposes of Section 2.04(a) and Section 2.05(b) by an amount not to exceed the difference between the assignor's Revolving Commitment prior to such assignment and the assignor's Revolving Commitment following such assignment; provided that no such consent of Holdings shall be required if an Event of Default under Section 7.01(a), (b), (h) or (i) has occurred and is continuing.

(iii) Subject to acceptance and recording thereof pursuant to clause (v) of this paragraph (b), from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (subject to the obligations and limitations of) Sections 2.15, 2.16, 2.17 and 9.03 and to any fees payable hereunder that have accrued for such Lender's account but have not yet been paid). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.04(c)(i).

(iv) The Administrative Agent, acting for this purpose as an agent of Holdings and the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it, each Affiliated Lender Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal and interest amounts of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and Holdings, the Borrower, the Administrative Agent, the Issuing Bank and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain on the Register information regarding the designation, and revocation of designation, of any Lender as a Defaulting Lender. The Register shall be available for inspection by Holdings, the Borrower and, solely with respect to its Loans or Commitments, any Lender, at any reasonable time and from time to time upon reasonable prior notice. Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender or a Disqualified Lender, nor shall the Administrative Agent be obligated to monitor the aggregate amount of the Loans or Incremental Facilities held by Affiliated Lenders.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and any tax forms required by Section 2.17(e) (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in this paragraph (b) and any written consent to such assignment required by this paragraph (b), the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph (b).

(vi) The words "execution," "signed," "signature" and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act.

The Administrative Agent may disclose the list of Disqualified Lenders to a Lender upon request and subject to the prior written consent of the Borrower (which may be withheld in the Borrower's sole discretion); provided that if such Lender's request is in connection with a proposed assignment of all or a portion of its rights and obligations under this Agreement, Borrower's written consent shall not be required.

(c) (i) Any Lender may, without the consent of Holdings or the Administrative Agent, sell participations to one or more banks or other Persons (other than to a Person that is not an Eligible Assignee; provided that for the purposes of this provision, Disqualified Lenders shall be deemed to be Eligible Assignees unless a list of Disqualified Lenders has been made available to all Lenders under the Term Facility or the Revolving Credit Facility, as applicable) (a "Participant"); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) Holdings, the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents, provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clauses (i), (ii), (iii), (v), (vi) and (vii) of the first proviso to Section 9.02(b) that directly and adversely affects such Participant (but, for the avoidance of doubt, not any waiver of any Default or Event of Default). Subject to clause (ii) below, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the obligations and limitations thereof and Section 2.19 it being understood that any tax forms required by Section 2.17(e) shall be provided solely to the participating Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender, provided that such Participant shall be subject to Section 2.18(c) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.15 2.16 or Section 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior consent (not to be unreasonably withheld or delayed).

(iii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal and interest amounts of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"), provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or its other obligations under any Loan Document) except to the extent that such disclosure is reasonably necessary in connection with a Tax audit or other proceeding to establish that such Commitment, Loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive (absent manifest error), and each Person whose name is recorded in the Participant Register pursuant to the terms hereof shall be treated as a Participant for all purposes of this Agreement, notwithstanding notice to the contrary.

(d) Any Lender may, without the consent of Holdings, the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank, and this Section shall not apply to any such pledge or assignment of a security interest, provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swingline Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(f) Notwithstanding anything to the contrary contained herein, any Lender (a “Granting Lender”) may grant to a special purpose funding vehicle (an “SPV”), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrower pursuant to this Agreement, provided that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, such party will not institute against, or join any other person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 9.04, any SPV may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower and Administrative Agent) providing liquidity or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (ii) disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV.

(g) Any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement to the Affiliated Lenders (and such Affiliated Lenders may contribute the same to the Borrower), subject to the following limitations:

(i) Affiliated Lenders will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of Borrowings, notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II; provided, however, that the foregoing provisions of this clause will not apply to the Affiliated Debt Funds;

(ii) for purposes of any amendment, waiver or modification of any Loan Document (including such modifications pursuant to Section 9.02), or, subject to Section 9.02(e), any plan of reorganization pursuant to the U.S. Bankruptcy Code, that in either case does not require the consent of each Lender or each affected Lender or does not adversely affect such Affiliated Lender in any disproportionately adverse respect as compared to other Lenders, Affiliated Lenders will be deemed to have voted in the same proportion as the Lenders that are not Affiliated Lenders voting on such matter; and each Affiliated Lender hereby acknowledges, agrees and consents that if, for any reason, its vote to accept or reject any plan pursuant to the U.S. Bankruptcy Code is not deemed to have been so voted, then such vote will be (x) deemed not to be in good faith and (y) “designated” pursuant to Section 1126(e) of the U.S. Bankruptcy Code such that the vote is not counted in determining whether the applicable class has accepted or rejected such plan in accordance with Section 1126(c) of the U.S. Bankruptcy Code; provided that Affiliated Debt Funds will not be subject to such voting limitations and will be entitled to vote as any other Lender;

(iii) Affiliated Lenders may not purchase Revolving Loans;

(iv) the aggregate principal amount of Loans purchased by assignment pursuant to this Section 9.04 and held at any one time by Affiliated Lenders (other than Affiliated Debt Funds) may not exceed 25.0% of the outstanding principal amount of all Loans plus the outstanding principal amount of all term loans made pursuant to any Incremental Facility calculated at the time such Loans are purchased (such percentage, the “Affiliated Lender Cap”); provided that to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of all Loans held by Affiliated Lenders exceeding the Affiliated Lender Cap, the assignment of such excess amount will be void *ab initio*; and

(v) the assigning Lender and the Affiliated Lender purchasing such Lender’s Loans shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit B hereto (an “Affiliated Lender Assignment and Assumption”); provided that each Affiliated Lender agrees to notify the Administrative Agent and the Borrowers promptly (and in any event within 10 Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent and the Borrowers promptly (and in any event within 10 Business Days) if it becomes an Affiliated Lender.

Notwithstanding anything in Section 9.02 or the definition of “Required Lenders” to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to any Loan Document or (iii) directed or required the Administrative Agent, Collateral Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, the aggregate amount of Loans held by any Affiliated Debt Funds shall be deemed to be not outstanding to the extent in excess of 49.9% of the amount required for all purposes of calculating whether the Required Lenders have taken any actions.

Each Affiliated Lender by its acquisition of any Loans outstanding hereunder will be deemed to have waived any right it may otherwise have had to bring any action in connection with such Loans against the Administrative Agent, in its capacity as such, and will be deemed to have acknowledged and agreed that the Administrative Agent shall not have any liability for any losses suffered by any Person as a result of any purported assignment to or from an Affiliated Lender.

(h) Assignments of Term Loans to any Purchasing Borrower Party shall be permitted through open market purchases and/or, so long as any offer to purchase or take by assignment (other than through open market purchases) by such Purchasing Borrower Party shall have been made to all Term Lenders on a pro rata basis, through procedures (and subject to the terms) set forth in Section 2.11(a)(ii), so long as (i) no Event of Default has occurred and is continuing, (ii) the Term Loans purchased are immediately cancelled and (iii) no proceeds from any loan under the Revolving Credit Facility shall be used to fund such assignments.

(i) Upon any contribution of Loans to the Borrower or any Restricted Subsidiary and upon any purchase of Loans by a Purchasing Borrower Party, (A) the aggregate principal amount (calculated on the face amount thereof) of such Loans shall automatically be cancelled and retired by the Borrower on the date of such contribution or purchase (and, if requested by the Administrative Agent, with respect to a contribution of Loans, any applicable contributing Lender shall execute and deliver to the Administrative Agent an Assignment and Assumption, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in such Loans to the Borrower for immediate cancellation) and (B) the Administrative Agent shall record such cancellation or retirement in the Register.

SECTION 9.05 Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to any Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof. Notwithstanding the foregoing or anything else to the contrary set forth in this Agreement, in the event that, in connection with the refinancing or repayment in full of the credit facilities provided for herein, an Issuing Bank shall have provided to the Administrative Agent a written consent to the release of the Revolving Lenders from their obligations hereunder with respect to any Letter of Credit issued by such Issuing Bank (whether as a result of the obligations of the Borrower (and any other account party) in respect of such Letter of Credit having been collateralized in full by a deposit of cash with such Issuing Bank or being supported by a letter of credit that names such Issuing Bank as the beneficiary thereunder, or otherwise), then from and after such time such Letter of Credit shall cease to be a "Letter of Credit" outstanding hereunder for all purposes of this Agreement and the other Loan Documents, and the Revolving Lenders shall be deemed to have no participations in such Letter of Credit, and no obligations with respect thereto, under Section 2.05(e) or (f).

SECTION 9.06 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent or the syndication of the Loans and Commitments constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic means shall be effective as delivery of an original counterpart of this Agreement.

SECTION 9.07 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08 Right of Setoff. If an Event of Default under Section 7.01(a), (b), (h) or (i) shall have occurred and be continuing, each Lender and each Issuing Bank is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or such Issuing Bank to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower then due and owing under this Agreement held by such Lender or Issuing Bank, irrespective of whether or not such Lender or Issuing Bank shall have made any demand under this Agreement and although such obligations are owed to a branch or office of such Lender or Issuing Bank different from the branch or office holding such deposit or obligated on such Indebtedness. The applicable Lender and applicable Issuing Bank shall notify Holdings and the Administrative Agent of such setoff and application, provided that any failure to give or any delay in giving such notice shall not affect the validity of any such setoff and application under this Section. The rights of each Lender and each Issuing Bank under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or such Issuing Bank may have. Notwithstanding the foregoing, no amount set off from any Guarantor shall be applied to any Excluded Swap Obligation of such Guarantor.

SECTION 9.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the law of the State of New York; provided that, notwithstanding the foregoing, it is understood and agreed that (i) the interpretation of the definition of Company Material Adverse Effect (and whether or not a Company Material Adverse Effect has occurred), (ii) the determination of the accuracy of any Specified Representations pursuant to clause (a) thereof and whether as a result of any inaccuracy thereof Parent, Merger Sub or their respective Affiliates have the right (taking into account any applicable cure provisions) to terminate obligations of Parent or Merger Sub under the Merger Agreement or decline to consummate the Acquisition and (iii) the determination of whether the Acquisition has been consummated in accordance with the terms of the Merger Agreement, in each case shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof.

(b) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York sitting in New York County, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in any Loan Document shall affect any right that the Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to any Loan Document against Holdings, the Borrower or their respective properties in the courts of any jurisdiction.

(c) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to any Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in any Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12 Confidentiality.

(a) Each of the Administrative Agent, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees, trustees and agents, including accountants, legal counsel and other agents and advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential and any failure of such Persons to comply with this Section 9.12 shall constitute a breach of this Section 9.12 by the Administrative Agent, any Issuing Bank or the relevant Lender, as applicable), (b) (x) to the extent requested or required by any regulatory or administrative authority, required by applicable law or by any subpoena or similar legal process, based on the reasonable advice of such Person's legal counsel or (y) necessary in connection with the exercise of remedies; provided that, (i) in each case, unless specifically prohibited by applicable law or court order, each Lender and the Administrative Agent shall notify Holdings, prior to such disclosure, of any request by any governmental agency or representative thereof (other than any such request in connection with an examination of the financial condition of such Lender by such governmental agency or other routine examinations of such Lender by such governmental agency) for disclosure of any such non-public information prior to disclosure of such information and (ii) in the case of clause (y) only, each Lender and the Administrative Agent shall use reasonable best efforts to ensure that such Information is kept confidential in connection with the exercise of such remedies, and provided, further, that in no event shall any Lender or the Administrative Agent be obligated or required to return any materials furnished by Holdings, the Borrower or any of their Subsidiaries, (c) to any other party to this Agreement, (d) subject to an agreement containing confidentiality undertakings substantially similar to those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any Swap Agreement relating to any Loan Party or their Subsidiaries and its obligations under the Loan Documents, (e) with the consent of Holdings, in the case of Information provided by Holdings, the Borrower or any other Subsidiary, (f) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any Issuing Bank or any Lender on a nonconfidential basis from a source other than Holdings or the Borrower or (g) to any ratings agency or the CUSIP Service Bureau on a confidential basis. In addition, the Agents and the Lenders may disclose the existence of this Agreement and publicly available information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments and the Borrowings hereunder. For the purposes of this Section, "Information" means all information received from Holdings or the Borrower relating to Holdings, the Borrower, any Subsidiary or their business, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by Holdings or the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

(b) EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 9.12(a) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING HOLDINGS, THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

(c) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT, WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT HOLDINGS, THE BORROWER, THE OTHER LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

SECTION 9.13 USA Patriot Act. Each Lender that is subject to the USA Patriot Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that pursuant to the requirements of Title III of the USA Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or Administrative Agent, as applicable, to identify each Loan Party in accordance with the Title III of the USA Patriot Act.

SECTION 9.14 [Reserved].

SECTION 9.15 Release of Liens and Guarantees. A Loan Party shall automatically be released from its obligations under the Loan Documents, and all security interests created by the Security Documents in Collateral owned by such Subsidiary Loan Party shall be automatically released, (1) upon the consummation of any transaction permitted by this Agreement as a result of which such Subsidiary Loan Party ceases to be a Restricted Subsidiary (including pursuant to a merger with a Subsidiary that is not a Loan Party or a designation as an Unrestricted Subsidiary) or (2) upon the request of the Borrower, in connection with a transaction permitted under this Agreement, as a result of which such Subsidiary Loan Party ceases to be a wholly-owned Subsidiary. Upon (i) any sale or other transfer by any Loan Party (other than to Holdings, the Borrower or any other Subsidiary Loan Party) of any Collateral in a transaction permitted under this Agreement or (ii) the effectiveness of any written consent to the release of the Lien or security interest created under any Security Document in any Collateral or the release of any Loan Party from its Guarantee under the Guarantee Agreement pursuant to Section 9.02, the security interests in such Collateral created by the Security Documents or such guarantee shall be automatically released. Upon the occurrence of the Termination Date, all obligations under the Loan Documents and all security interests created by the Security Documents shall be automatically released. In connection with any termination or release pursuant to this Section, the Administrative Agent shall execute and deliver to any Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent. The Lenders irrevocably authorize the Administrative Agent to release or subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(iv) or Section 6.02(xxii) to the extent required by the terms of the obligations secured by such Liens pursuant to documents reasonably acceptable to the Administrative Agent).

SECTION 9.16 No Fiduciary Relationship. Each of Holdings and the Borrower, on behalf of itself and its Subsidiaries, agrees that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, Holdings, the Borrower, the other Subsidiaries and their Affiliates, on the one hand, and the Administrative Agent, the Lenders and their Affiliates, on the other hand, will have a business relationship that does not create, by implication or otherwise, any fiduciary duty on the part of the Administrative Agent, the Lenders or their Affiliates, and no such duty will be deemed to have arisen in connection with any such transactions or communications.

SECTION 9.17 Effectiveness of the Merger. The Target shall have no rights or obligations hereunder until the consummation of the Acquisition and the merger with Merger Sub and any representations and warranties of the Target hereunder shall not become effective until such time. Upon consummation of the Acquisition, the Target shall succeed to all the rights and obligations of Merger Sub under this Agreement and the other Loan Documents to which they are a party and all representations and warranties of the Target shall become effective as of the date hereof, without any further action by any Person.

SECTION 9.18 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the "Maximum Rate"). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof and (c) amortize, prorate, allocate and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the obligations hereunder.

SECTION 9.19 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority

SECTION 9.20 Lender ERISA Representation.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Joint Lead Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of 29 CFR § 2510.3-101, as modified by Section 3(42) of ERISA) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of subsections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

Any provision of this Amendment held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof, and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions, the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8. Governing Law; Etc.

(b) EACH PARTY HERETO HEREBY AGREES AS SET FORTH IN SECTIONS 9.09 AND 9.10 OF THE EXISTING CREDIT AGREEMENT AS IF SUCH SECTIONS WERE SET FORTH IN FULL HEREIN.

SECTION 9. No Novation. This Amendment shall not extinguish the obligations for the payment of money outstanding under the Existing Credit Agreement or discharge or release the Lien or priority of any Security Document or any other security therefor. Nothing herein contained shall be construed as a substitution or novation of the obligations outstanding under the Existing Credit Agreement or instruments securing the same, which shall remain in full force and effect, except to any extent expressly modified hereby or by instruments executed concurrently herewith and except to the extent repaid as provided herein. Nothing implied in this Amendment or in any other document contemplated hereby shall be construed as a release or other discharge of any of the Loan Parties under any Loan Document from any of its obligations and liabilities as a borrower, guarantor or pledgor under any of the Loan Documents.

SECTION 10. Notices. All notices hereunder shall be given in accordance with the provisions of Section 9.01 of the Amended Credit Agreement.

SECTION 1.02 Classification of Loans and Borrowings. For purposes of this Agreement, Loans and Borrowings may be classified and referred to by Class (e.g., a “Term Loan”) or by Type (e.g., a “Eurocurrency Loan”) or by Class and Type (e.g., a “Eurocurrency Term Loan”). Borrowings also may be classified and referred to by Class (e.g., a “Term Borrowing”) or by Type (e.g., a “Eurocurrency Borrowing”) or by Class and Type (e.g., a “Eurocurrency Term Borrowing”).

SECTION 1.03 Terms Generally. The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include,” “includes” and “including” shall be deemed to be followed by the phrase “without limitation.” The word “will” shall be construed to have the same meaning and effect as the word “shall.” Unless the context requires otherwise, (a) any definition of or reference to any agreement (including this Agreement and the other Loan Documents), instrument or other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, amended and restated, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein), (b) any reference herein to any Person shall be construed to include such Person’s successors and assigns (subject to any restrictions on assignment set forth herein) and, in the case of any Governmental Authority, any other Governmental Authority that shall have succeeded to any or all functions thereof, (c) the words “herein,” “hereof” and “hereunder,” and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (d) all references herein to Articles, Sections, Exhibits and Schedules shall be construed to refer to Articles and Sections of, and Exhibits and Schedules to, this Agreement and (e) the words “asset” and “property” shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts and contract rights.

SECTION 1.04 Accounting Terms; GAAP.

(a) All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement shall be prepared in conformity with, GAAP, applied in a manner consistent with that used in preparing the Audited Financial Statements, except as otherwise specifically prescribed herein. Notwithstanding any changes in GAAP after the Effective Date, any lease of the Borrower or the Subsidiaries, or of any other entity not consolidated with the Borrower and its Subsidiaries at the time of its incurrence of such lease, that would be characterized as an operating lease under GAAP in effect on the Effective Date (whether such lease is entered into before or after the Effective Date) shall not constitute Indebtedness or a Capital Lease Obligation of the Borrower or any Subsidiary under this Agreement or any other Loan Document as a result of such changes in GAAP.

(b) Notwithstanding anything to the contrary herein, for purposes of determining compliance with any test contained in this Agreement, the Total Net Leverage Ratio, the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio and the Interest Coverage Ratio shall be calculated on a Pro Forma Basis to give effect to all Specified Transactions that have been made during the applicable period of measurement or subsequent to such period and prior to or simultaneously with the event for which the calculation is made; provided that, notwithstanding the foregoing, for purposes of the Financial ~~Covenant~~ Covenants set forth in Section 6.10 (but not any other provision of this Agreement that requires compliance with such covenant), any Specified Transaction that occurred subsequent to such period shall not be given pro forma effect.

(c) Notwithstanding anything to the contrary herein, for purposes of (i) determining compliance with any provision in this Agreement which requires the calculation of the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio, the Total Net Leverage Ratio or the Interest Coverage Ratio, (ii) determining compliance with representations, warranties, defaults or events of default or (iii) testing availability under baskets set forth in this Agreement (including baskets measured as a percentage of Consolidated EBITDA or Consolidated Total Assets) (including, in each case with respect to the incurrence of Indebtedness under Section 2.20), in each case, in connection with a Limited Condition Transaction, and for the purpose of any Specified Transactions that may be consummated thereafter, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCA Election"), the date of determination of whether any such Limited Condition Transaction is permitted hereunder, shall be deemed to be the date the definitive agreements for such Limited Condition Transaction is entered into (the "LCA Test Date"), and if, after giving pro forma effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) as if they had occurred at the beginning of the most recent test period ending prior to the LCA Test Date, the Borrower could have taken such action on the relevant LCA Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Borrower has made an LCA Election and any of the ratios or baskets for which compliance was determined or tested as of the LCA Test Date (including with respect to the incurrence of any Indebtedness) are exceeded as a result of fluctuations in any such ratio or basket (including due to fluctuations of the Person acquired in respect of any Limited Condition Transaction) at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Borrower has made an LCA Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio or basket on or following the relevant LCA Test Date and prior to the earlier of (1) the date on which such Limited Condition Transaction is consummated or (2) the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction (but not for purposes of calculating the Financial ~~Covenant~~ Covenants), any such ratio or basket shall be calculated on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

(d) Where reference is made to "Holdings, the Borrower and the Restricted Subsidiaries on a consolidated basis" or similar language, such consolidation shall not include any Subsidiaries of Holdings other than the Restricted Subsidiaries.

(e) In the event that Holdings elects to prepare its financial statements in accordance with IFRS and such election results in a change in the method of calculation of financial covenant, standards or terms (collectively, the “Accounting Changes”) in this Agreement, Holdings and the Administrative Agent agree to enter into good faith negotiations in order to amend such provisions of this Agreement (including the levels applicable herein to any computation of the Total Net Leverage Ratio, the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio and the Interest Coverage Ratio) so as to reflect equitably the Accounting Changes with the desired result that the criteria for evaluating Holdings’ financial condition shall be substantially the same after such change as if such change had not been made. Until such time as such an amendment shall have been executed and delivered by Holdings, the Administrative Agent and the Required Lenders, all financial covenant, standards and terms in this Agreement shall continue to be calculated or construed in accordance with GAAP (as determined in good faith by a Responsible Officer of Holdings) (it being agreed that the reconciliation between GAAP and IFRS used in such determination shall be made available to Lenders) as if such change had not occurred.

(f) Each Lender and the Administrative Agent hereby acknowledges and agrees that Holdings and its Subsidiaries may be required to restate historical financial statements as the result of the implementation of changes in GAAP or IFRS, or the respective interpretation or application thereof, and that such restatements will not, solely as a result of such change in GAAP or IFRS (or such interpretation or application), result in a Default or an Event of Default under the Loan Documents.

SECTION 1.05 Effectuation of Transactions. All references herein to Holdings, the Borrower and their subsidiaries shall be deemed to be references to such Persons, and all the representations and warranties of Holdings, the Borrower and the other Loan Parties contained in this Agreement and the other Loan Documents shall be deemed made, in each case, after giving effect to the Acquisition and the other Transactions to occur on the Effective Date, unless the context otherwise requires.

SECTION 1.06 Currency Translation; Rates.

(a) Notwithstanding the foregoing, for purposes of any determination under Article V, Article VI or Article VII or any determination under any other provision of this Agreement expressly requiring the use of a current exchange rate, all amounts incurred, outstanding or proposed to be incurred or outstanding in currencies other than dollars shall be translated into dollars at the spot rate (rounded to the nearest currency unit, with 0.5 or more of a currency unit being rounded upward); provided, however, that for purposes of determining compliance with Article VI with respect to the amount of any Indebtedness, Investment, Disposition or Restricted Payment in a currency other than dollars, no Default or Event of Default shall be deemed to have occurred solely as a result of changes in rates of exchange occurring after the time such Indebtedness or Investment is incurred or Disposition or Restricted Payment made; provided, further, that, for the avoidance of doubt, the foregoing provisions of this Section 1.06 shall otherwise apply to such Sections, including with respect to determining whether any Indebtedness or Investment may be incurred or Disposition or Restricted Payment made at any time under such Sections. For purposes of any determination of Consolidated Total Net Debt, amounts in currencies other than dollars shall be translated into dollars at the currency exchange rates used in preparing the most recently delivered financial statements pursuant to Section 5.01(a) or Section 5.01(b). Each provision of this Agreement shall be subject to such reasonable changes of construction as the Administrative Agent may from time to time specify with Holdings’ consent (such consent not to be unreasonably withheld) to appropriately reflect a change in currency of any country and any relevant market conventions or practices relating to such change in currency.

(b) The Administrative Agent does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to the administration, submission or any other matter related to the rates in the definition of “LIBO Rate” or with respect to any comparable or successor rate thereto, except as expressly provided herein.

SECTION 1.07 Cashless Rollovers. Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, to the extent that any Lender extends the maturity date of, or replaces, renews or refinances, any of its then-existing Loans with an Incremental Facility, Credit Agreement Refinancing Indebtedness or loans incurred under a new credit facility, in each case, to the extent such extension, replacement, renewal or refinancing is effected by means of a “cashless roll” by such Lender, such extension, replacement, renewal or refinancing shall be deemed to comply with any requirement hereunder or any other Loan Document that such payment be made “in Dollars”, “in immediately available funds”, “in Cash” or any other similar requirement.

## ARTICLE II

### THE CREDITS

SECTION 2.01 Commitments. Subject to the terms and conditions set forth herein, in the 2019 Incremental Assumption Agreement and in the 2020 Incremental Assumption Agreement, (a) each Term Lender agrees to make a Term Loan to the Borrower on the Effective Date denominated in dollars in a principal amount not exceeding its Incremental Term Commitment, (b) each Revolving Lender agrees to make Revolving Loans to the Borrower denominated in dollars from time to time during the Revolving Availability Period in an aggregate principal amount which will not result in such Lender’s Revolving Exposure exceeding such Lender’s Revolving Commitment, (c) each 2019 Incremental Effective Date Term Lender agrees to make 2019 Incremental Effective Date Term Loans in dollars on the 2019 Incremental Effective Date in an aggregate principal amount not to exceed its 2019 Incremental Effective Date Term Loan Commitment; provided that upon the borrowing of the 2019 Incremental Effective Date Term Loans, these shall have identical terms as, and shall automatically be part of the same fungible Class as (and the Borrower and the Administrative Agent shall make such modifications to the terms thereof as reasonably necessary to ensure such fungibility) the Initial Term Loans, (d) each 2019 Delayed Draw Incremental Term Lender agrees to make 2019 Delayed Draw Incremental Term Loans at any time during the 2019 Delayed Draw Availability Period in an aggregate amount not to exceed its 2019 Delayed Draw Incremental Term Loan Commitment; provided that upon the borrowing of the 2019 Delayed Draw Incremental Term Loans, these shall have identical terms as, and shall automatically be part of the same fungible Class as (and the Borrower and the Administrative Agent shall make such modifications to the terms thereof as reasonably necessary to ensure such fungibility) the Initial Term Loans and (e) each 2020 Incremental Effective Date Term Lender agrees to make 2020 Incremental Effective Date Term Loans in dollars on the 2020 Incremental Effective Date in an aggregate principal amount not to exceed its 2020 Incremental Effective Date Term Loan Commitment; provided that upon the borrowing of the 2020 Incremental Effective Date Term Loans, these shall have identical terms as, and shall automatically be part of the same fungible Class as (and the Borrower and the Administrative Agent shall make such modifications to the terms thereof as reasonably necessary to ensure such fungibility) the Initial Term Loans. The Borrower may borrow, prepay and reborrow Revolving Loans. Amounts repaid or prepaid in respect of Term Loans may not be reborrowed.

SECTION 2.02 Loans and Borrowings.

(a) Each Loan (other than a Swingline Loan) shall be made as part of a Borrowing consisting of Loans of the same Class and Type made by the Lenders ratably in accordance with their respective Commitments of the applicable Class. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and, other than as expressly provided herein with respect to a Defaulting Lender, no Lender shall be responsible for any other Lender's failure to make Loans as required hereby.

(b) Subject to Section 2.14, each Revolving Loan Borrowing and Term Loan Borrowing denominated in dollars shall be comprised entirely of ABR Loans or Eurocurrency Loans as the Borrower may request in accordance herewith; provided that all Borrowings made on the Effective Date must be made as ABR Borrowings unless the Borrower shall have given the notice required for a Eurocurrency Borrowing under Section 2.03 and provided an indemnity letter extending the benefits of Section 2.16 to Lenders in respect of such Borrowings. Each Swingline Loan shall be an ABR Loan. Each Lender at its option may make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any Eurocurrency Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum; provided that a Eurocurrency Borrowing that results from a continuation of an outstanding Eurocurrency Borrowing may be in an aggregate amount that is equal to such outstanding Borrowing. At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum. Each Swingline Loan shall be in an amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum. Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of 8 Eurocurrency Borrowings outstanding.

SECTION 2.03 Requests for Borrowings. To request a Revolving Loan Borrowing or Term Loan Borrowing, the Borrower shall notify the Administrative Agent of such request by telephone (a) in the case of a Eurocurrency Borrowing, not later than 2:00 p.m., New York City time, three Business Days before the date of the proposed Borrowing (or, in the case of any Eurocurrency Borrowing to be made on the Effective Date, the 2019 Incremental Effective Date or the 2020 Incremental Effective Date, such shorter period of time as may be agreed to by the Administrative Agent) or (b) in the case of an ABR Borrowing, not later than 12:00 noon, New York City time, on the date of the proposed Borrowing; provided that any such notice of an ABR Revolving Loan Borrowing to finance the reimbursement of an LC Disbursement as contemplated by Section 2.05(f) may be given not later than 10:00 a.m., New York City time, on the date of the proposed Borrowing; provided, further that any such notice of an ABR Borrowing of 2019 Delayed Draw Incremental Term Loans may be given not later than 10:00 a.m., New York City time, one Business Day before the date of the proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery or facsimile to the Administrative Agent of a written Borrowing Request signed by the Borrower. Each such telephonic and written Borrowing Request shall specify the following information:

- (i) whether the requested Borrowing is to be a Revolving Loan Borrowing, a Term Loan Borrowing or a Borrowing of any other Class (specifying the Class thereof);
- (ii) the aggregate amount of such Borrowing;
- (iii) the date of such Borrowing, which shall be a Business Day;
- (iv) whether such Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing;
- (v) in the case of a Eurocurrency Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period";
- (vi) the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.06, or, in the case of any ABR Revolving Loan Borrowing or Swingline Loan requested to finance the reimbursement of an LC Disbursement as provided in Section 2.05(f), the identity of the Issuing Bank that made such LC Disbursement; and
- (vii) that, as of the date of such Borrowing, the conditions set forth in Section 4.02(a) and Section 4.02(b), to the extent applicable, are satisfied.

If no election as to the Type of Borrowing is specified as to any Borrowing, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurocurrency Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

SECTION 2.04 Swingline Loans.

(a) Subject to the terms and conditions set forth herein (including Section 2.22), in reliance upon the agreements of the other Lenders set forth in this Section 2.04, the Swingline Lender agrees to make Swingline Loans to the Borrower from time to time during the Revolving Availability Period denominated in dollars in an aggregate principal amount at any time outstanding that will not result in (i) subject to Section 9.04(b)(ii), the Applicable Fronting Exposure of any Swingline Lender exceeding its Revolving Commitment, (ii) the aggregate Revolving Exposures exceeding the aggregate Revolving Commitments or (iii) the aggregate amount of Swingline Loans outstanding exceeding Swingline Sublimit; provided that the Swingline Lender shall be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Swingline Loans.

(b) To request a Swingline Loan, the Borrower shall notify the Swingline Lender of such request (i) by telephone (confirmed in writing) or by email or facsimile (confirmed by telephone), not later than 2:00 p.m. New York City time on the day of such proposed Swingline Loan. Each such notice shall be irrevocable and shall specify the requested date (which shall be a Business Day), the amount of the requested Swingline Loan and (x) if the funds are not to be credited to a general deposit account of the Borrower maintained with the Swingline Lender because the Borrower is unable to maintain a general deposit account with the Swingline Lender under applicable Requirements of Law, the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with Section 2.06 or (y) in the case of any ABR Revolving Loan Borrowing or Swingline Loan requested to finance the reimbursement of an LC Disbursement as provided in Section 2.05(f), the identity of the Issuing Bank that made such LC Disbursement. The Swingline Lender shall make each Swingline Loan available to the Borrower by means of a credit to the general deposit accounts of the Borrower maintained with the Swingline Lender for the Swingline Loan (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.05(f), by remittance to the applicable Issuing Bank) by 3:00 p.m., New York City time, on the requested date of such Swingline Loan. The Swingline Lender shall not be required to fund any Swingline Loan if any Lender is at that time a Defaulting Lender if, after giving effect to Section 2.22(a)(iv), any Defaulting Lender Fronting Exposure remains outstanding, unless the Swingline Lender has entered into arrangements, including the delivery of Cash Collateral, reasonably satisfactory to the Swingline Lender with the Borrower or such Lender to eliminate such Swingline Lender's Defaulting Lender Fronting Exposure.

(c) The Swingline Lender may by written notice given to the Administrative Agent not later than 12:00 noon, New York City time, on any Business Day require the Revolving Lenders to acquire participations on such Business Day in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Revolving Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Revolving Lender, specifying in such notice the Lender's Applicable Percentage of such Swingline Loan or Swingline Loans. Each Revolving Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent, for the account of the Swingline Lender, such Lender's Applicable Percentage of such Swingline Loan or Swingline Loans. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders pursuant to this paragraph), and the Administrative Agent shall promptly remit to the Swingline Lender the amounts so received by it from the Revolving Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Borrower (or other Person on behalf of the Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted by the Swingline Lender to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear; provided that any such payment so remitted shall be repaid to the Swingline Lender or the Administrative Agent, as the case may be, and thereafter to the Borrower, if and to the extent such payment is required to be refunded to the Borrower for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrower of any default in the payment thereof.

(d) The Borrower may, at any time and from time to time, designate as additional Swingline Lenders one or more Revolving Lenders that agree to serve in such capacity as provided below. The acceptance by a Revolving Lender of an appointment as a Swingline Lender hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower, executed by the Borrower, the Administrative Agent and such designated Swingline Lender, and, from and after the effective date of such agreement, (i) such Revolving Lender shall have all the rights and obligations of a Swingline Lender under this Agreement and (ii) references herein to the term "Swingline Lender" shall be deemed to include such Revolving Lender in its capacity as a lender of Swingline Loans hereunder.

(e) The Borrower may terminate the appointment of any Swingline Lender as a "Swingline Lender" hereunder by providing a written notice thereof to such Swingline Lender, with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (i) such Swingline Lender's acknowledging receipt of such notice and (ii) the fifth Business Day following the date of the delivery thereof; provided that no such termination shall become effective until and unless the Swingline Exposure of such Swingline Lender shall have been reduced to zero. Notwithstanding the effectiveness of any such termination, the terminated Swingline Lender shall remain a party hereto and shall continue to have all the rights of a Swingline Lender under this Agreement with respect to Swingline Loans made by it prior to such termination, but shall not make any additional Swingline Loans.

SECTION 2.05 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein (including Section 2.22), each Issuing Bank agrees, in reliance upon agreement of the Revolving Lenders set forth in this Section 2.05, to issue Letters of Credit denominated in dollars for the Borrower's own account (or for the account of any Subsidiary so long as the Borrower and such other Subsidiary are co-applicants in respect of such Letter of Credit), in a form reasonably acceptable to the Administrative Agent and the applicable Issuing Bank, which shall reflect the standard operating procedures of such Issuing Bank, at any time and from time to time during the Revolving Availability Period and prior to the fifth Business Day prior to the Revolving Maturity Date. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, the applicable Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(b) Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall deliver in writing by hand delivery or facsimile (or transmit by electronic communication, if arrangements for doing so have been approved by the recipient) to the applicable Issuing Bank and the Administrative Agent (at least five Business Days before the requested date of issuance, amendment, renewal or extension or such shorter period as the applicable Issuing Bank and the Administrative Agent may agree) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (d) of this Section), the amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the applicable Issuing Bank, the Borrower also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of any Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension, (i) subject to Section 9.04(b)(ii), the Applicable Fronting Exposure of each Issuing Bank shall not exceed its Revolving Commitment, (ii) the aggregate Revolving Exposures shall not exceed the aggregate Revolving Commitments and (iii) the aggregate LC Exposure shall not exceed the Letter of Credit Sublimit. No Issuing Bank shall be under any obligation to issue any Letter of Credit if (i) any order, judgment or decree of any Governmental Authority or arbitrator shall enjoin or restrain such Issuing Bank from issuing the Letter of Credit, or any law applicable to such Issuing Bank any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon such Issuing Bank with respect to the Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Bank in good faith deems material to it, (ii) except as otherwise agreed by the Administrative Agent and the such Issuing Bank, the Letter of Credit is in an initial stated amount less than \$100,000, in the case of a commercial Letter of Credit, or \$500,000, in the case of a standby Letter of Credit or (iii) any Lender is at that time a Defaulting Lender, if after giving effect to Section 2.22(a)(iv), any Defaulting Lender Fronting Exposure remains outstanding, unless such Issuing Bank has entered into arrangements, including the delivery of Cash Collateral, reasonably satisfactory to such Issuing Bank with the Borrower or such Lender to eliminate such Issuing Bank's Defaulting Lender Fronting Exposure arising from either the Letter of Credit then proposed to be issued or such Letter of Credit and all other LC Exposure as to which such Issuing Bank has Defaulting Lender Fronting Exposure.

(c) Notice. Each Issuing Bank agrees that it shall not permit any issuance, amendment, renewal or extension of a Letter of Credit to occur unless it shall have given to the Administrative Agent written notice thereof required under paragraph (m) of this Section.

(d) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date that is one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) the date that is five Business Days prior to the Revolving Maturity Date; provided that if such expiry date is not a Business Day, such Letter of Credit shall expire at or prior to the close of business on the next succeeding Business Day; provided, further, that any Letter of Credit may, upon the request of the Borrower, include a provision whereby such Letter of Credit shall be renewed automatically for additional consecutive periods of one year or less (but not beyond the date that is five Business Days prior to the Revolving Maturity Date, unless Borrower delivers Cash Collateral or other credit support pursuant to arrangements reasonably satisfactory to such Issuing Bank) unless the applicable Issuing Bank notifies the beneficiary thereof within the time period specified in such Letter of Credit or, if no such time period is specified, at least 30 days prior to the then-applicable expiration date, that such Letter of Credit will not be renewed.

(e) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuing Bank that is the issuer thereof or the Lenders, such Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Revolving Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of such Issuing Bank, such Revolving Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (f) of this Section in the currency of such LC Disbursement, or of any reimbursement payment required to be refunded to the Borrower for any reason. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(f) Reimbursement. If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount equal to such LC Disbursement not later than 4:00 p.m., New York City time, on the Business Day immediately following the day that the Borrower receives notice of such LC Disbursement; provided that, if such LC Disbursement is not less than the Dollar Equivalent of \$1,000,000, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or Section 2.04 that such payment be financed with an ABR Revolving Loan Borrowing or a Swingline Loan, in each case in an equivalent amount, and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Loan Borrowing or Swingline Loan. If the Borrower fails to make such payment when due, the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Revolving Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent its Applicable Percentage of the payment then due from the Borrower, in dollars and in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders pursuant to this paragraph), and the Administrative Agent shall promptly remit to the applicable Issuing Bank the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Revolving Lenders and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse any Issuing Bank for any LC Disbursement (other than the funding of ABR Revolving Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement.

(g) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (f) of this Section is absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by an Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. None of the Administrative Agent, the Lenders, the Issuing Banks or any of their Affiliates shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Banks; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to consequential or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of any Issuing Bank (as determined by a court of competent jurisdiction in a final, nonappealable judgment), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit, and any such acceptance or refusal shall be deemed not to constitute gross negligence or willful misconduct.

(h) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly notify the Administrative Agent and the Borrower by telephone (confirmed by hand delivery or facsimile) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement in accordance with paragraph (f) of this Section.

(i) Interim Interest. If an Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to in the case of an LC Disbursement denominated in dollars, ABR Revolving Loans; provided that, if the Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (f) of this Section, then Section 2.13(c) shall apply. Interest accrued pursuant to this paragraph shall be paid to the Administrative Agent, for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (f) of this Section to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment and shall be payable on demand or, if no demand has been made, on the date on which the Borrower reimburses the applicable LC Disbursement in full.

(j) Cash Collateralization. If any Event of Default under clause (a), (b), (h) or (i) of Section 7.01 shall occur and be continuing, on the Business Day on which the Borrower receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, Revolving Lenders with LC Exposure representing more than 50.0% of the aggregate LC Exposure of all Revolving Lenders) demanding the deposit of Cash Collateral pursuant to this paragraph, the Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Lenders, an amount of cash in dollars equal to the Dollar Equivalent of the portions of the LC Exposure attributable to Letters of Credit, as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such Cash Collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in clause (h) or (i) of Section 7.01. The Borrower also shall deposit Cash Collateral pursuant to this paragraph as and to the extent required by Section 2.11(b). Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. At any time that there shall exist a Defaulting Lender, if any Defaulting Lender Fronting Exposure remains outstanding (after giving effect to Section 2.22(a)(iv)), then promptly upon the request of the Administrative Agent, the Issuing Bank or the Swingline Lender, the Borrower shall deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover such Defaulting Lender Fronting Exposure (after giving effect to any Cash Collateral provided by the Defaulting Lender). The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent in Permitted Investments and at the Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Banks for LC Disbursements for which they have not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Revolving Lenders with LC Exposure representing more than 50.0% of the aggregate LC Exposure of all the Revolving Lenders), be applied to satisfy other obligations of the Borrower under this Agreement in accordance with the terms of the Loan Documents. If the Borrower is required to provide an amount of Cash Collateral hereunder as a result of the occurrence of an Event of Default or the existence of a Defaulting Lender, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after all Events of Default have been cured or waived or after the termination of Defaulting Lender status, as applicable. If the Borrower is required to provide an amount of Cash Collateral hereunder pursuant to Section 2.11(b), such amount (to the extent not applied as aforesaid) shall be returned to the Borrower as and to the extent that, after giving effect to such return, the Borrower would remain in compliance with Section 2.11(b) and no Event of Default shall have occurred and be continuing.

(k) Designation of Additional Issuing Banks. The Borrower may, at any time and from time to time, designate as additional Issuing Banks one or more Revolving Lenders that agree to serve in such capacity as provided below. The acceptance by a Revolving Lender of an appointment as an Issuing Bank hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower, executed by the Borrower, the Administrative Agent and such designated Revolving Lender and, from and after the effective date of such agreement, (i) such Revolving Lender shall have all the rights and obligations of an Issuing Bank under this Agreement and (ii) references herein to the term "Issuing Bank" shall be deemed to include such Revolving Lender in its capacity as an issuer of Letters of Credit hereunder.

(l) Termination of an Issuing Bank. The Borrower may terminate the appointment of any Issuing Bank as an “Issuing Bank” hereunder by providing a written notice thereof to such Issuing Bank, with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (i) such Issuing Bank’s acknowledging receipt of such notice and (ii) the fifth Business Day following the date of the delivery thereof; provided that no such termination shall become effective until and unless the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (or its Affiliates) shall have been reduced to zero. At the time any such termination shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the terminated Issuing Bank pursuant to Section 2.12(b). Notwithstanding the effectiveness of any such termination, the terminated Issuing Bank shall remain a party hereto and shall continue to have all the rights of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such termination, but shall not issue any additional Letters of Credit.

(m) Issuing Bank Reports to the Administrative Agent. Unless otherwise agreed by the Administrative Agent, each Issuing Bank shall, in addition to its notification obligations set forth elsewhere in this Section, report in writing to the Administrative Agent (i) periodic activity (for such period or recurrent periods as shall be requested by the Administrative Agent) in respect of Letters of Credit issued by such Issuing Bank, including all issuances, extensions, amendments and renewals, all expirations and cancellations and all disbursements and reimbursements, (ii) within five Business Days following the time that such Issuing Bank issues, amends, renews or extends any Letter of Credit, the date of such issuance, amendment, renewal or extension, and the currency and face amount of the Letters of Credit issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension (and whether the amounts thereof shall have changed), (iii) on each Business Day on which such Issuing Bank makes any LC Disbursement, the date, currency and amount of such LC Disbursement, (iv) on any Business Day on which the Borrower fails to reimburse an LC Disbursement required to be reimbursed to such Issuing Bank on such day, the date of such failure and amount of such LC Disbursement and (v) on any other Business Day, such other information as the Administrative Agent shall reasonably request as to the Letters of Credit issued by such Issuing Bank.

#### SECTION 2.06 Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds in U.S. dollars by 2:00 p.m., New York City time, to the Applicable Account of the Administrative Agent most-recently designated by it for such purpose by notice to the Lenders; provided that Swingline Loans shall be made as provided in Section 2.04. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower maintained with the Administrative Agent in New York City and designated by the Borrower in the applicable Borrowing Request; provided that ABR Revolving Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.05(f) shall be remitted by the Administrative Agent to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to Section 2.05(f) to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank as their interests may appear.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance on such assumption and in its sole discretion, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender agrees to pay to the Administrative Agent an amount equal to such share on demand of the Administrative Agent. If such Lender does not pay such corresponding amount forthwith upon demand of the Administrative Agent therefor, the Administrative Agent shall promptly notify the Borrower, and the Borrower agrees to pay such corresponding amount to the Administrative Agent forthwith on demand. The Administrative Agent shall also be entitled to recover from such Lender or Borrower interest on such corresponding amount, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, if such Borrowing is denominated in dollars, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, the rate reasonably determined by the Administrative Agent to be its cost of funding such amount or (ii) in the case of the Borrower, the interest rate applicable to such Borrowing in accordance with Section 2.13. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

(c) The obligations of the Lenders hereunder to make Term Loans and Revolving Loans, to fund participations in Letters of Credit and Swingline Loans and to make payments pursuant to Section 9.03(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 9.03(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and, other than as expressly provided herein with respect to a Defaulting Lender, no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 9.03(c).

#### SECTION 2.07 Interest Elections.

(a) Each Revolving Loan Borrowing and Term Loan Borrowing initially shall be of the Type specified in the applicable Borrowing Request or designated by Section 2.03 and, in the case of a Eurocurrency Borrowing, shall have an initial Interest Period as specified in such Borrowing Request or designated by Section 2.03. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurocurrency Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Loans, which may not be converted or continued.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by telephone by the time that a Revolving Loan Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and confirmed promptly by hand delivery, facsimile or other electronic transmission to the Administrative Agent of a written Interest Election Request signed by the Borrower.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.03:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing (solely to the extent such Borrowing is denominated in dollars) or a Eurocurrency Borrowing; and

(iv) if the resulting Borrowing is to be a Eurocurrency Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request in accordance with this Section, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Eurocurrency Borrowing and (ii) unless repaid, each Eurocurrency Borrowing shall be converted to an ABR Borrowing.

SECTION 2.08 Termination and Reduction of Commitments.

(a) Unless previously terminated, (i) the Initial Term Commitments shall terminate at 5:00 p.m., New York City time, on the Effective Date and (ii) the Revolving Commitments shall terminate on the Revolving Maturity Date. On the 2019 Incremental Effective Date (after giving effect to the funding of the 2019 Incremental Effective Date Term Loans to be made on such date), the 2019 Incremental Effective Date Term Loan Commitments of each Lender as of the 2019 Incremental Effective Date will terminate. The 2019 Delayed Draw Incremental Term Loan Commitments of each Lender shall terminate upon the Borrowing of 2019 Delayed Draw Incremental Term Loans in an amount equal to the principal amount of such 2019 Delayed Draw Incremental Term Loans that are borrowed on such date. On the 2019 Delayed Draw Termination Date, all then outstanding 2019 Delayed Draw Incremental Term Loan Commitments of each Lender on the 2019 Delayed Draw Termination Date will terminate. On the 2020 Incremental Effective Date (after giving effect to the funding of the 2020 Incremental Effective Date Term Loans to be made on such date), the 2020 Incremental Effective Date Term Loan Commitments of each Lender as of the 2020 Incremental Effective Date will terminate.

(b) The Borrower may at any time terminate, or from time to time reduce, the Commitments of any Class; provided that (i) each reduction of the Commitments of any Class shall be in an amount that is an integral multiple of \$500,000 and not less than \$1,000,000 and (ii) the Borrower shall not terminate or reduce the Revolving Commitments if, after giving effect to any concurrent prepayment of the Revolving Loans or Swingline Loans in accordance with Section 2.11, the aggregate Revolving Exposures would exceed the aggregate Revolving Commitments.

(c) The Borrower may at any time prior to the funding thereunder terminate, or from time to time reduce, the 2019 Delayed Draw Incremental Term Loan Commitments; provided, that each reduction of the 2019 Delayed Draw Incremental Term Loan Commitments shall be in an amount that is an integral multiple of \$500,000 and not less than \$1,000,000.

(d) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section or any election to terminate or reduce the 2019 Delayed Draw Term Loan Commitments under paragraph (c) of this Section 2.08 at least one Business Day prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination of the Revolving Commitments or 2019 Delayed Draw Term Loan Commitments delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or the occurrence of some other identifiable event or condition, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date of termination) if such condition is not satisfied. Any termination or reduction of the Commitments of any Class shall be permanent. Each reduction of the Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Commitments of such Class.

SECTION 2.09 Repayment of Loans; Evidence of Debt; Superpriority of Revolving Loans.

(a) The Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Revolving Loan of such Lender on the Revolving Maturity Date, (ii) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender as provided in Section 2.10 and (iii) to the Swingline Lender the then unpaid principal amount of each Swingline Loan made by the Swingline Lender on the earlier to occur of (A) the date that is 10 Business Days after such Loan is made and (B) the Revolving Maturity Date; provided that on each date that a Revolving Loan Borrowing in any currency is made, the Borrower shall repay all Swingline Loans in such currency that were outstanding on the date such Borrowing was requested.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein, provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to pay any amounts due hereunder in accordance with the terms of this Agreement. In the event of any inconsistency between the entries made pursuant to paragraphs (b) and (c) of this Section, the accounts maintained by the Administrative Agent pursuant to paragraph (c) of this Section shall control.

(e) Any Lender may request through the Administrative Agent that Loans of any Class made by it be evidenced by a promissory note. In such event, the Borrower shall execute and deliver to such Lender a promissory note payable to such Lender or its registered assigns and in a form provided by the Administrative Agent and approved by the Borrower.

(f) Notwithstanding anything in the Loan Documents to the contrary, upon (i) the exercise of remedies (including acceleration of the Loans) provided for in Section 7.01 or (i) the occurrence and during the continuation of an Event of Default under Section 7.01 (h) or (i), (a) all payments received by Administrative Agent, whether from Borrower, Holdings or any Guarantor or otherwise, (b) all proceeds received by Administrative Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral under any Collateral Document, and subject to Section 2.22, the application of all or any portion of such proceeds by the Administrative Agent to the maintenance, preservation and protection of the Collateral in accordance with the Loan Documents, (c) amounts received by any Lender by exercising any right of setoff or counterclaim or otherwise obtaining payment in respect of any principal of or interest on any of its Loans and (d) the application of cash collateral in accordance with the terms hereof, shall be applied to the Secured Obligations by the Administrative Agent, in each case in the following order of priority until each item is paid in full:

(i) *first*, to the reimbursable expenses of the Administrative Agent incurred in connection with such sale or other realization upon the Collateral, until the same shall have been paid in full;

(ii) *second*, to the fees and other reimbursable expenses of the Administrative Agent and the Issuing Banks then due and payable pursuant to any of the Loan Documents, until the same shall have been paid in full;

(iii) *third*, to all reimbursable expenses, if any, of the Lenders having or holding Revolving Loans (other than Incremental Facilities) or Revolving Commitments (other than Incremental Facilities) then due and payable pursuant to any of the Loan Documents (and including, without limitation, any fees, costs, expenses and indemnities that would accrue and become due but for the commencement of any proceeding under any Debtor Relief Law with respect to any Loan Party, whether or not such amounts are allowed or allowable in whole or in part in such case or similar proceeding), until the same shall have been paid in full.

(iv) *fourth*, to the fees due and payable under Sections 2.12(a) and (b) of this Agreement and to interest then due and payable with respect to any Revolving Loans (other than Incremental Facilities) made hereunder (and including, without limitation, any fees and interest that would accrue and become due but for the commencement of any proceeding under any Debtor Relief Law with respect to any Loan Party, whether or not such amounts are allowed or allowable in whole or in part in such case or similar proceeding), until the same shall have been paid in full;

(v) *fifth*, to the aggregate outstanding principal amount of the Revolving Loans (other than Incremental Facilities), the LC Exposure (to the extent secured by Liens) of any Revolving Lender (other than Additional Lenders) or any of its Affiliates, the Secured Cash Management Obligations and the Secured Swap Obligations of the Borrower and its Subsidiaries maintained with any Revolving Lender (other than Additional Lenders) or any of its Affiliates, until the same shall have been paid in full, allocated pro rata among any Lender, any counterparty to a Secured Cash Management Agreement or Swap Agreement, based on their respective Pro Rata Share of the aggregate amount of such Revolving Loans, the LC Exposure (to the extent secured by Liens), Secured Cash Management Obligations and Secured Swap Obligations;

(vi) *sixth*, to additional Cash Collateral for the aggregate amount of all outstanding Letters of Credit until the aggregate amount of all Cash Collateral held by the Administrative Agent pursuant to this Agreement is equal to the LC Exposure after giving effect to the foregoing clause fifth;

(vii) *seventh*, to all reimbursable expenses, if any, of the Lenders to the extent not described in the foregoing clause third then due and payable pursuant to any of the Loan Documents, until the same shall have been paid in full;

(viii) *eighth*, to interest and fees, as applicable, then due and payable with respect to the Term Loan and any Loans under any Incremental Facility made hereunder (and including, without limitation, any fees and interest that would accrue and become due but for the commencement of any proceeding under any Debtor Relief Law with respect to any Loan Party, whether or not such amounts are allowed or allowable in whole or in part in such case or similar proceeding), until the same shall have been paid in full;

(ix) *ninth*, to the aggregate outstanding principal amount of the Term Loan and any Loans under any Incremental Facility made hereunder, until the same shall have been paid in full; and

(x) *thereafter*, to the extent any proceeds remain, to the Borrower or other parties lawfully entitled thereto.

All amounts allocated pursuant to the foregoing clauses third through sixth to the Lenders as a result of amounts owed to the Lenders (or any of their Affiliates, as applicable) under the Loan Documents shall be allocated among, and distributed to, the Revolving Lenders (or any of their Affiliates, as applicable) pro rata based on their respective Pro Rata Shares; provided, that all amounts allocated to that portion of the Applicable Fronting Exposure comprised of the aggregate undrawn amount of all outstanding Letters of Credit pursuant to clause fifth and sixth shall be distributed to the Administrative Agent, rather than to the Lenders, and held by the Administrative Agent in an account in the name of the Administrative Agent for the benefit of the Issuing Bank and the Revolving Lenders as Cash Collateral for the Applicable Fronting Exposure, such account to be administered in accordance with Section 2.05(j).

SECTION 2.10 Amortization of Term Loans.

(a) Subject to adjustment pursuant to paragraph (c) of this Section 2.10, the Borrower shall repay Term Loan Borrowings on the last day of each March, June, September and December (commencing on December 31, 2018) in the principal amount of (w) in the case of the Initial Term Loans, Initial Term Loans equal to (i) the aggregate outstanding principal amount of Term Loans immediately after closing on the Effective Date multiplied by (ii) 0.25%, (x) in the case of each 2019 Incremental Effective Date Term Loan, an amount equal to 0.25% of the product of (A) the principal amount of such 2019 Incremental Effective Date Term Loan immediately after its funding on the 2019 Incremental Effective Date and (B) a fraction, the numerator of which is the aggregate principal amount of the Initial Term Loans outstanding immediately after closing on the Effective Date and the denominator of which is equal to the aggregate principal amount of Initial Term Loans outstanding immediately prior to the 2019 Incremental Effective Date, (y) in the case of each 2019 Delayed Draw Incremental Term Loan, an amount equal to 0.25% of the product of (A) the principal amount of such 2019 Delayed Draw Incremental Term Loan immediately after its funding and (B) a fraction, the numerator of which is the aggregate principal amount of the Initial Term Loans outstanding immediately after closing on the Effective Date and the denominator of which is equal to the aggregate principal amount of Initial Term Loans outstanding immediately prior to the funding of such 2019 Delayed Draw Incremental Term Loan and (z) in the case of each 2020 Incremental Effective Date Term Loan, an amount equal to 0.25% of the product of (A) the principal amount of such 2020 Incremental Effective Date Term Loan immediately after its funding on the 2020 Incremental Effective Date and (B) a fraction, the numerator of which is the aggregate principal amount of the Initial Term Loans outstanding immediately after closing on the Effective Date and the denominator of which is equal to the aggregate principal amount of Initial Term Loans outstanding immediately prior to the 2020 Incremental Effective Date; provided that if any such date is not a Business Day, such payment shall be due on the next succeeding Business Day.

(b) To the extent not previously paid, all Term Loans shall be due and payable on the Term Maturity Date.

(c) Any prepayment of a Term Facility Borrowing of any Class (i) pursuant to Section 2.11(a)(i) shall be applied to reduce the subsequent scheduled and outstanding repayments of the Term Facility Borrowings of such Class to be made pursuant to this Section as directed by the Borrower (and absent such direction in direct order of maturity) and (ii) pursuant to Section 2.11(c) or Section 2.11(d) shall be applied to reduce the next eight scheduled and outstanding principal installments of the Term Facility Borrowings of such Class in direct order of maturity and thereafter ratably to the remaining payments thereof (including the bullet due on the Term Maturity Date), or, if otherwise provided in any Refinancing Amendment, Loan Modification Agreement or Incremental Facility Amendment, pursuant to the corresponding section of such Refinancing Amendment, Loan Modification Agreement or Incremental Facility Amendment, as applicable.

(d) Prior to any repayment of any Term Loan Borrowings of any Class hereunder, the Borrower shall select the Borrowing or Borrowings of the applicable Class to be repaid and shall notify the Administrative Agent by telephone (confirmed by hand delivery or facsimile) of such election not later than 2:00 p.m., New York City time, two Business Day before the scheduled date of such repayment. In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.16. Repayments of Term Loan Borrowings shall be accompanied by accrued interest on the amount repaid.

(A) The Borrower shall have the right to make a voluntary prepayment of Term Loans at a discount to par (such prepayment, the "Discounted Term Loan Prepayment") pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers, in each case made in accordance with this Section 2.11(a)(ii); provided that (x) the Borrower shall not make any Borrowing of Revolving Loans to fund any Discounted Term Loan Prepayment and (y) the Borrower shall not initiate any action under this Section 2.11(a)(ii) in order to make a Discounted Term Loan Prepayment unless (I) at least ten (10) Business Days shall have passed since the consummation of the most recent Discounted Term Loan Prepayment as a result of a prepayment made by the Borrower on the applicable Discounted Prepayment Effective Date; or (II) at least three (3) Business Days shall have passed since the date the Borrower was notified that no Term Lender was willing to accept any prepayment of any Term Loan and/or Other Term Loan at the Specified Discount, within the Discount Range or at any discount to par value, as applicable, or in the case of Borrower Solicitation of Discounted Prepayment Offers, the date of the Borrower's election not to accept any Solicited Discounted Prepayment Offers.

(B) (1) Subject to the proviso to subclause (A) above, the Borrower may from time to time offer to make a Discounted Term Loan Prepayment by providing the Auction Agent with three (3) Business Days' notice in the form of a Specified Discount Prepayment Notice; provided that (I) any such offer shall be made available, at the sole discretion of the Borrower, to each Term Lender and/or each Lender with respect to any Class of Term Loans on an individual tranche basis, (II) any such offer shall specify the aggregate principal amount offered to be prepaid (the "Specified Discount Prepayment Amount") with respect to each applicable tranche, the tranche or tranches of Term Loans subject to such offer and the specific percentage discount to par (the "Specified Discount") of such Term Loans to be prepaid (it being understood that different Specified Discounts and/or Specified Discount Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Agent will promptly provide each relevant Term Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the "Specified Discount Prepayment Response Date").

(2) Each relevant Term Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its relevant then outstanding Term Loans at the Specified Discount and, if so (such accepting Term Lender, a "Discount Prepayment Accepting Lender"), the amount and the tranches of such Term Lender's Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Term Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, the Borrower will make prepayment of outstanding Term Loans pursuant to this subclause (B) to each Discount Prepayment Accepting Lender in accordance with the respective outstanding amount and tranches of Term Loans specified in such Term Lender's Specified Discount Prepayment Response given pursuant to clause (2); provided that, if the aggregate principal amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro-rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the "Specified Discount Proration"). The Auction Agent shall promptly, and in any case within three (3) Business Days following the Specified Discount Prepayment Response Date, notify (I) the Borrower of the respective Term Lenders' responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Term Loan Prepayment and the tranches to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the tranches of Term Loans to be prepaid at the Specified Discount on such date and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, tranche and Type of Loans of such Term Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrower and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subclause (F) below (subject to subclause (J) below).

(C) (1) Subject to the proviso to subclause (A) above, the Borrower may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with three (3) Business Days' notice in the form of a Discount Range Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of the Borrower, to each Term Lender and/or each Lender with respect to any Class of Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate principal amount of the relevant Term Loans (the "Discount Range Prepayment Amount"), the tranche or tranches of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the "Discount Range") of the principal amount of such Term Loans with respect to each relevant tranche of Term Loans willing to be prepaid by the Borrower (it being understood that different Discount Ranges and/or Discount Range Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and (IV) each such solicitation by the Borrower shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Agent will promptly provide each relevant Term Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding relevant Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the "Discount Range Prepayment Response Date"). Each relevant Term Lender's Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the "Submitted Discount") at which such Term Lender is willing to allow prepayment of any or all of its then outstanding Term Loans of the applicable tranche or tranches and the maximum aggregate principal amount and tranches of such Term Lender's Term Loans (the "Submitted Amount") such Term Lender is willing to have prepaid at the Submitted Discount. Any Term Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(2) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this subclause (C). The Borrower agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by Auction Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the "Applicable Discount") which yields a Discounted Term Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Term Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following clause (3)) at the Applicable Discount (each such Term Lender, a "Participating Lender").

(3) If there is at least one Participating Lender, the Borrower will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate principal amount and of the tranches specified in such Term Lender's Discount Range Prepayment Offer at the Applicable Discount; provided that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the "Identified Participating Lenders") shall be made pro-rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the "Discount Range Proration"). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount Range Prepayment Response Date, notify (I) the Borrower of the respective Term Lenders' responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount of the Discounted Term Loan Prepayment and the tranches to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount and tranches of Term Loans to be prepaid at the Applicable Discount on such date, (III) each Participating Lender of the aggregate principal amount and tranches of such Term Lender to be prepaid at the Applicable Discount on such date and (z) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrower and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subclause (F) below (subject to subclause (J) below).

(D) (1) Subject to the proviso to subclause (A) above, the Borrower may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with three (3) Business Days' notice in the form of a Solicited Discounted Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of the Borrower, to each Term Lender and/or each Lender with respect to any Class of Term Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate dollar amount of the Term Loans (the "Solicited Discounted Prepayment Amount") and the tranche or tranches of Term Loans the Borrower is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$ 1,000,000 and whole increments of \$500,000 in excess thereof and (IV) each such solicitation by the Borrower shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each relevant Term Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the "Solicited Discounted Prepayment Response Date"). Each Term Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date and (z) specify both a discount to par (the "Offered Discount") at which such Term Lender is willing to allow prepayment of its then outstanding Term Loan and the maximum aggregate principal amount and tranches of such Term Loans (the "Offered Amount") such Term Lender is willing to have prepaid at the Offered Discount. Any Term Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount.

(2) The Auction Agent shall promptly provide the Borrower with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. The Borrower shall review all such Solicited Discounted Prepayment Offers and select the largest of the Offered Discounts specified by the relevant responding Term Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the Borrower (the "Acceptable Discount"), if any. If the Borrower elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by the Borrower from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this clause (2) (the "Acceptance Date"), the Borrower shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from the Borrower by the Acceptance Date, the Borrower shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, within three (3) Business Days after receipt of an Acceptance and Prepayment Notice (the “Discounted Prepayment Determination Date”), the Auction Agent will determine (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the tranches of Term Loans (the “Acceptable Prepayment Amount”) to be prepaid by the Borrower at the Acceptable Discount in accordance with this subclause (D). If the Borrower elects to accept any Acceptable Discount, then the Borrower agrees to accept all Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Term Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Term Lender, a “Qualifying Lender”). The Borrower will prepay outstanding Term Loans pursuant to this subclause (D) to each Qualifying Lender in the aggregate principal amount and of the tranches specified in such Term Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; provided that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “Identified Qualifying Lenders”) shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “Solicited Discount Proration”). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (I) the Borrower of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the tranches to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the tranches to be prepaid to be prepaid at the Applicable Discount on such date, (III) each Qualifying Lender of the aggregate principal amount and the tranches of such Term Lender to be prepaid at the Acceptable Discount on such date and (IV) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrower and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subclause (F) below (subject to subclause (J) below).

(E) In connection with any Discounted Term Loan Prepayment, the Borrower and the Term Lenders acknowledge and agree that the Auction Agent may require as a condition to any Discounted Term Loan Prepayment, the payment of customary fees and expenses from the Borrower in connection therewith.

(F) If any Term Loan is prepaid in accordance with subclauses (B) through (D) above, the Borrower shall prepay such Term Loans on the Discounted Prepayment Effective Date. The Borrower shall make such prepayment to the Auction Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent’s office in immediately available funds not later than 11:00 a.m., New York City time, on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining principal installments of the relevant tranche of Term Loans on a pro rata basis across such installments. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.11(a)(ii) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable. The aggregate principal amount of the tranches and installments of the relevant Term Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the tranches of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment.

(G) To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.11(a)(ii), established by the Auction Agent acting in its reasonable discretion, and as reasonably agreed by the Borrower.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.11(a)(ii), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; provided that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(I) Each of the Borrower and the Term Lenders acknowledges and agrees that the Auction Agent may perform any and all of its duties under this Section 2.11(a)(ii) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 2.11(a)(ii) as well as activities of the Auction Agent.

(J) The Borrower shall have the right, by written notice to the Auction Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date (and if such offer is revoked pursuant to this subclause (J), any failure by the Borrower to make any prepayment to a Term Lender, as applicable, pursuant to this Section 2.11(a)(ii) shall not constitute a Default or Event of Default under Section 7.01 or otherwise).

(b) In the event and on each occasion that the aggregate Revolving Exposures exceed the aggregate Revolving Commitments (including as a result of a determination with respect to the Dollar Equivalent of any Letter of Credit made by the Administrative Agent pursuant to Section 1.06), the Borrower shall prepay Revolving Loan Borrowings or Swingline Loans (or, if no such Borrowings are outstanding, deposit Cash Collateral in an account with the Administrative Agent pursuant to Section 2.05(j)) in an aggregate amount necessary to eliminate such excess.

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of the Borrower or any Subsidiary Loan Party in respect of any Prepayment Event, the Borrower shall, within three Business Days after such Net Proceeds are received (or, in the case of a Prepayment Event described in clause (c) of the definition of the term "Prepayment Event", on the date of such Prepayment Event, and, in the case of a Prepayment Event described in clause (a) or (b) of the definition of the term "Prepayment Event", within five Business Days of the date of such Prepayment Event), prepay Term Loan Borrowings in an aggregate amount equal to 100% of the amount of such Net Proceeds; provided that, in the case of any event described in clause (a) or (b) of the definition of the term "Prepayment Event", if Holdings and its Restricted Subsidiaries invest (or commit to invest or reasonably expects to invest) the Net Proceeds from such event (or a portion thereof) within 12 months after receipt of such Net Proceeds in the business of Holdings, the Borrower and the other Subsidiaries (including any acquisitions permitted under Section 6.04), then no prepayment shall be required pursuant to this paragraph in respect of such Net Proceeds in respect of such event (or the applicable portion of such Net Proceeds, if applicable) except to the extent of any such Net Proceeds therefrom that have not been so invested (or committed or reasonably expected to be invested) by the end of such 12-month period (or if committed or reasonably expected to be so invested within such 12-month period, have not been so invested within 18 months after receipt thereof), at which time a prepayment shall be required in an amount equal to such Net Proceeds that have not been so invested (or committed or reasonably expected to be invested); provided, further, that the Borrower may use a portion of such Net Proceeds to prepay or repurchase any other Indebtedness that is secured by the Collateral on a pari passu basis with the Borrowings to the extent such other Indebtedness and the Liens securing the same are permitted hereunder and the documentation governing such other Indebtedness requires such a prepayment or repurchase thereof with the proceeds of such Prepayment Event, in each case in an amount not to exceed the product of (x) the amount of such Net Proceeds and (y) a fraction, the numerator of which is the outstanding principal amount of such other Indebtedness and the denominator of which is the aggregate outstanding principal amount of Term Loans and such other Indebtedness.

(d) Following the end of each fiscal year of Holdings, commencing with the fiscal year ending on December 28, 2019, the Borrower shall prepay Term Loan Borrowings in an aggregate amount equal to the excess, if any, of (A) the ECF Percentage of Excess Cash Flow for such fiscal year (provided that such amount in this clause (A) shall be reduced by the aggregate amount of prepayments of (i) Term Loans and Other Term Loans (and, to the extent the Revolving Commitments are reduced in a corresponding amount pursuant to Section 2.08, Revolving Loans and Other Revolving Loans) made pursuant to Section 2.11(a) or (c) (in connection with a Disposition or Casualty Event), in each case, during such fiscal year or after such fiscal year and prior to the time such prepayment is due as provided below (provided that such reduction as a result of prepayments pursuant to clause (ii) of Section 2.11(a) shall (x) be limited to the actual amount of such cash prepayment and (y) only be applicable if the applicable prepayment offer was made to all Lenders)) over (B) \$2,500,000. Each prepayment pursuant to this paragraph shall be made on or before the date that is five days (or, in the case of any prepayment in respect of the fiscal year ending December 26, 2020, six months) after the date on which financial statements are required to be delivered pursuant to Section 5.01 with respect to the fiscal year for which Excess Cash Flow is being calculated.

(e) Prior to any optional or mandatory prepayment of Borrowings hereunder, the Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to paragraph (f) of this Section. In the event of any mandatory prepayment of Term Loan Borrowings made at a time when Term Loan Borrowings of more than one Class remain outstanding, the Borrower shall select Term Loan Borrowings to be prepaid so that the aggregate amount of such prepayment is allocated between Term Loan Borrowings (and, to the extent provided in the Refinancing Amendment or Loan Modification Agreement for any Class of Other Term Loans, the Borrowings of such Class) pro rata based on the aggregate principal amount of outstanding Borrowings of each such Class; provided that any Term Lender (and, to the extent provided in the Refinancing Amendment or Loan Modification Agreement for any Class of Other Term Loans, any Lender that holds Other Term Loans of such Class) may elect, by notice to the Administrative Agent by telephone (confirmed by facsimile) at least one Business Day prior to the prepayment date, to decline all or any portion of any prepayment of its Term Loans or Other Term Loans of any such Class pursuant to this Section (other than an optional prepayment pursuant to paragraph (a)(i) of this Section or a mandatory prepayment as a result of the Prepayment Event set forth in clause (b) of the definition thereof, which may not be declined), in which case the aggregate amount of the prepayment that would have been applied to prepay Term Loans or Other Term Loans of any such Class but was so declined shall be retained by the Borrower and the Restricted Subsidiaries (such amounts, “Retained Declined Proceeds”). Optional prepayments of Term Loan Borrowings shall be allocated among the Classes of Term Loan Borrowings as directed by the Borrower. In the absence of a designation by the Borrower as described in the preceding provisions of this paragraph of the Type of Borrowing of any Class, the Administrative Agent shall make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.16.

(f) The Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) by telephone (confirmed by facsimile substantially in the form of Exhibit R or any other form reasonably approved by the Administrative Agent) of any prepayment hereunder (i) in the case of prepayment of a Eurocurrency Borrowing, not later than 11:00 a.m., New York City time, three Business Days before the date of prepayment or (ii) in the case of prepayment of an ABR Borrowing, not later than 11:00 a.m., New York City time, one Business Day before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; provided that a notice of optional prepayment may state that such notice is conditional upon the effectiveness of other credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or the occurrence of some other identifiable event or condition, in which case such notice of prepayment may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified date of prepayment) if such condition is not satisfied. Promptly following receipt of any such notice (other than a notice relating solely to Swingline Loans), the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13. At the Borrower’s election in connection with any prepayment pursuant to this Section 2.11, such prepayment shall not be applied to any Term Loan or Revolving Loan of a Defaulting Lender and shall be allocated ratably among the relevant non-Defaulting Lenders.

(g) Notwithstanding any other provisions of Section 2.11(c) or Section 2.11(d), (A) to the extent that any of or all the Net Proceeds of any Prepayment Event set forth in clause (a) of the definition thereof by a Foreign Subsidiary giving rise to a prepayment pursuant to Section 2.11(c) or Section 2.11(d) (a “Foreign Prepayment Event”) or Excess Cash Flow are prohibited or delayed by any Requirement of Law (including applicable local law) from being repatriated to the Borrower, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable Requirement of Law will not permit repatriation to the Borrower (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable Requirement of Law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds or Excess Cash Flow is permitted under the applicable Requirement of Law, such repatriation will be promptly effected and such repatriated Net Proceeds or Excess Cash Flow will be promptly (and in any event not later than three Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to Section 2.11(c) or Section 2.11(d), as applicable and (B) to the extent that and for so long as Holdings has determined in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash Flow would have an adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Proceeds or Excess Cash Flow, the Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by the applicable Foreign Subsidiary; provided that when Holdings determines in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash Flow would no longer have an adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Proceeds or Excess Cash Flow, such Net Proceeds or Excess Cash Flow shall be promptly (and in any event not later than three Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to Section 2.11(c) or Section 2.11(d), as applicable.

SECTION 2.12 Fees.

(a) The Borrower agrees to pay to the Administrative Agent in dollars for the account of each Revolving Lender a commitment fee, which shall accrue at the rate of 0.50% per annum on the average daily unused amount of the Revolving Commitment of such Lender during the period from and including the Effective Date to but excluding the date on which the Revolving Commitments terminate. Accrued commitment fees shall be payable in arrears on the third Business Day following the last day of March, June, September and December of each year and on the date on which the Revolving Commitments terminate, commencing on the first such date to occur after the date hereof. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). For purposes of computing commitment fees, a Revolving Commitment of a Lender shall be deemed to be used to the extent of the outstanding Revolving Loans and LC Exposure of such Lender (and the Swingline Exposure of such Lender shall be disregarded for such purpose).

(b) The Borrower agrees to pay (i) to the Administrative Agent in dollars for the account of each Revolving Lender (other than any Defaulting Lender) a participation fee with respect to its participations in Letters of Credit, which shall accrue at the Applicable Rate used to determine the interest rate applicable to Eurocurrency Revolving Loans on the daily amount of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date on which such Lender's Revolving Commitment terminates and the date on which such Lender ceases to have any LC Exposure and (ii) to each Issuing Bank in dollars a fronting fee, which shall accrue at the rate of 0.125% per annum on the average daily amount of the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the third Business Day following such last day, commencing on the first such date to occur after the Effective Date, provided that all such fees shall be payable on the date on which the Revolving Commitments terminate and any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. Any other fees payable to an Issuing Bank pursuant to this paragraph shall be payable within 10 days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent.

(d) The Borrower agrees to pay to the 2019 Incremental Arrangers, for their own accounts, fees payable in the amounts and at the times separately agreed upon between the Borrower and the 2019 Incremental Arrangers.

(e) The Borrower agrees to pay to the Administrative Agent in dollars for the account of each 2019 Incremental Effective Date Term Lender an upfront fee equal to 1.00% of the amount of 2019 Incremental Effective Date Term Loans advanced on the 2019 Incremental Effective Date by each such Lender. The Borrower and the Administrative Agent agree that such fee will be earned and payable as original issue discount on the 2019 Incremental Effective Date Term Loans on the 2019 Incremental Effective Date.

(f) The Borrower agrees to pay to the Administrative Agent in dollars for the account of each 2019 Delayed Draw Incremental Term Lender an upfront fee equal to 1.00% of the amount of 2019 Delayed Draw Incremental Term Loans advanced by each such Lender during the 2019 Delayed Draw Availability Period. The Borrower and the Administrative Agent agree that such fee will be earned and payable as original issue discount on the drawing of the 2019 Delayed Draw Incremental Term Loans during the 2019 Delayed Draw Availability Period.

(g) The Borrower agrees to pay to the 2020 Incremental Arrangers, for their own accounts, fees payable in the amounts and at the times separately agreed upon between the Borrower and the 2020 Incremental Arrangers.

(h) The Borrower agrees to pay to the Administrative Agent in dollars for the account of each 2020 Incremental Effective Date Term Lender an upfront fee equal to 1.25% of the amount of 2020 Incremental Effective Date Term Loans advanced on the 2020 Incremental Effective Date by each such Lender. The Borrower and the Administrative Agent agree that such fee will be earned and payable as original issue discount on the 2020 Incremental Effective Date Term Loans on the 2020 Incremental Effective Date.

(i) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent (or to an Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the Revolving Lenders entitled thereto. Fees paid hereunder shall not be refundable under any circumstances.

(j) Notwithstanding the foregoing, and subject to Section 2.22, the Borrower shall not be obligated to pay any amounts to any Defaulting Lender pursuant to this Section 2.12.

#### SECTION 2.13 Interest.

(a) The Loans comprising each ABR Borrowing (including each Swingline Loan) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Eurocurrency Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2.00% per annum plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2.00% per annum plus the rate applicable to Term Loans that are ABR Loans as provided in paragraph (a) of this Section; provided that no amount shall be payable pursuant to this Section 2.13(c) to a Defaulting Lender so long as such Lender shall be a Defaulting Lender; provided, further, that no amounts shall accrue pursuant to this Section 2.13(c) on any overdue amount, reimbursement obligation in respect of any LC Disbursement or other amount payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and, in the case of Revolving Loans, upon termination of the Revolving Commitments, provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Revolving Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All computations of interest for ABR Loans (including ABR Loans determined by reference to the Adjusted LIBO Rate) shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.18, bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.14 Alternate Rate of Interest. If at least two Business Days prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate for such Interest Period; or

(b) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period (in each case with respect to the Loans impacted by this clause (b) or clause (a) above, "Impacted Loans"),

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or facsimile as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective and (ii)(x) if any Borrowing Request requests a Eurocurrency Borrowing, then such Borrowing shall be made as an ABR Borrowing and the utilization of the LIBO Rate component in determining the Alternate Base Rate shall be suspended and (y) if any Borrowing Request requests a Eurocurrency Borrowing denominated in euro, then such Borrowing shall be made as a Eurocurrency Borrowing with the rate thereof determined in accordance with the definition of "LIBO Rate"; provided, however, that, in each case, the Borrower may revoke any Borrowing Request that is pending when such notice is received.

~~(c) Notwithstanding the foregoing, if the Administrative Agent has made the determination described in clause (a) of this Section 2.14 and/or is advised by the Required Lenders of their determination in accordance with clause (b) of this Section 2.14 and the Borrower shall so request, the Administrative Agent and the Borrower shall negotiate in good faith to amend the definition of "LIBO Rate" and other applicable provisions to preserve the original intent thereof in light of such change, taking into account then prevailing market convention for determining a rate of interest for U.S. syndicated loans at such time, and any such amendment to such provisions agreed to by the Borrower and the Administrative Agent shall become effective provided that such amendment is not objected to in a written notice provided to the Borrower and the Administrative Agent by Required Lenders within five (5) Business Days of the date that such proposed amendment is delivered to the Lenders electronically or in writing; provided that, until so amended, such Impacted Loans will be handled as otherwise provided pursuant to the terms of this Section 2.14.~~

(c) Effect of Benchmark Transition Event.

(i) Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, the Administrative Agent and the Borrower may amend this Agreement to replace the LIBO Rate with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 P.M. on the date that is five (5) Business Days after the date on which the Administrative Agent shall have posted such proposed amendment to all Lenders and the Borrower, so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders of each Class. Any such amendment with respect to an Early Opt-in Election will become effective on the date that Lenders comprising the Required Lenders of each Class have delivered to the Administrative Agent written notice that such Required Lenders accept such amendment. No replacement of the LIBO Rate with a Benchmark Replacement pursuant to this clause (i) shall occur prior to the applicable Benchmark Transition Start Date.

(ii) In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time, and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(iii) The Administrative Agent will promptly notify the Borrower and the Lenders of: (i) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date and Benchmark Transition Start Date; (ii) the implementation of any Benchmark Replacement; (iii) the effectiveness of any Benchmark Replacement Conforming Changes; and (iv) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision, or election that may be made by the Administrative Agent or Lenders pursuant to this Section 2.14(c), including any determination with respect to a tenor, rate or adjustment, or of the occurrence or non-occurrence of an event, circumstance, or date, and any decision to take, or refrain from taking, any action, will be conclusive and binding absent manifest error, and may be made in its or their, as applicable, sole discretion, and, in any event, without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 2.14(c).

(iv) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Eurocurrency Borrowing of, conversion to or continuation of Eurocurrency Loans to be made, converted, or continued during any Benchmark Unavailability Period, and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of, or a conversion to, ABR Loans. During any Benchmark Unavailability Period, the component of Alternate Base Rate based upon the Adjusted LIBO Rate shall not be used in any determination of the Alternate Base Rate for purposes of this Agreement or the other Loan Documents.

SECTION 2.15 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender or any Issuing Bank (except any such reserve requirement reflected in the Adjusted LIBO Rate);

(ii) impose on any Lender or any Issuing Bank or the London interbank market any other condition, cost or expense (other than with respect to Taxes) affecting this Agreement or Eurocurrency Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Lender to any Tax of any kind whatsoever with respect to this Agreement or any Eurocurrency Loan made by such Lender, or change the basis of taxation of payments to such Lender in respect thereof (except for (A) any Indemnified Taxes or Other Taxes indemnifiable under Section 2.17 or (B) any Excluded Taxes); and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurocurrency Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or Issuing Bank of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or issue any Letter of Credit) or to reduce the amount of any sum received or receivable by such Lender or Issuing Bank hereunder (whether of principal, interest or otherwise), then, from time to time upon request of such Lender or Issuing Bank, the Borrower will pay to such Lender or Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or Issuing Bank, as the case may be, for such increased costs actually incurred or reduction actually suffered, provided that to the extent any such costs or reductions are incurred by any Lender as a result of any requests, rules, guidelines or directives enacted or promulgated under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and Basel III after the Effective Date, then such Lender shall be compensated pursuant to this Section 2.15(a) only to the extent such Lender is imposing such charges on similarly situated borrowers under the other syndicated credit facilities that such Lender is a lender under. Notwithstanding the foregoing, this paragraph (a) will not apply to (A) Indemnified Taxes or Other Taxes or (B) Excluded Taxes.

(b) If any Lender or Issuing Bank determines that any Change in Law regarding capital requirements has the effect of reducing the rate of return on such Lender's or Issuing Bank's capital or on the capital of such Lender's or Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit or Swingline Loans held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or Issuing Bank or such Lender's or Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or Issuing Bank's policies and the policies of such Lender's or Issuing Bank's holding company with respect to capital adequacy), then, from time to time upon request of such Lender or Issuing Bank, the Borrower will pay to such Lender or Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or Issuing Bank or such Lender's or Issuing Bank's holding company for any such reduction actually suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or Issuing Bank or its holding company in reasonable detail, as the case may be, as specified in paragraph (a) or (b) of this Section delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender or Issuing Bank, as the case may be, the amount shown as due on any such certificate within 15 days after receipt thereof.

(d) Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or Issuing Bank's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender or Issuing Bank pursuant to this Section for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender or Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16 Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Revolving Loan or Term Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(f) and is revoked in accordance therewith) or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19 or Section 9.02(c), then, in any such event, the Borrower shall, after receipt of a written request by any Lender affected by any such event (which request shall set forth in reasonable detail the basis for requesting such amount), compensate each Lender for the actual loss, cost and expense attributable to such event. For purposes of calculating amounts payable by the Borrower to the Lenders under this Section 2.16, each Lender shall be deemed to have funded each Eurocurrency Loan made by it at the Adjusted LIBO Rate (determined without giving effect to any interest rate “floor”) for such Loan by a matching deposit or other borrowing for a comparable amount and for a comparable period, whether or not such Eurocurrency Loan was in fact so funded. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 15 days after receipt of such demand. Notwithstanding the foregoing, this Section 2.16 will not apply to losses, costs or expenses resulting from Taxes, as to which Section 2.17 shall govern.

SECTION 2.17 Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made free and clear of and without deduction for any Taxes, provided that if the applicable Withholding Agent shall be required by applicable Requirements of Law to deduct any Taxes from such payments, then (i) the applicable Withholding Agent shall make such deductions, (ii) the applicable Withholding Agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Requirements of Law and (iii) if the Tax in question is an Indemnified Tax or Other Tax, the amount payable by the applicable Loan Party shall be increased as necessary so that after all required deductions have been made (including deductions applicable to additional amounts payable under this Section 2.17) the Lender (or, in the case of a payment received by the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such deductions been made.

(b) Without limiting the provisions of paragraph (a) above, the Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with Requirements of Law.

(c) The Borrower shall indemnify the Administrative Agent and each Lender, within 30 days after written demand therefor, for the full amount of any Indemnified Taxes paid by the Administrative Agent or such Lender, as the case may be, and any Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to the Borrower by a Lender or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Taxes attributable to the Administrative Agent or any Lender to a Governmental Authority by any Loan Party, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Each Lender shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable Requirements of Law and such other documentation reasonably requested by the Borrower or the Administrative Agent (i) as will permit such payments to be made without, or at a reduced rate of, withholding or (ii) as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to withholding or information reporting requirements. Each Lender shall, whenever a lapse of time or change in circumstances renders such documentation obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and the Administrative Agent in writing of its legal ineligibility to do so.

Without limiting the foregoing:

(1) Each Lender that is a “United States person” within the meaning of Section 7701(a)(30) of the Code shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) two properly completed and duly signed original copies of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.

(2) Each Lender that is not a “United States person” within the meaning of Section 7701(a)(30) of the Code shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(A) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable, (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party,

(B) two properly completed and duly signed original copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (x) two properly completed and duly signed certificates substantially in the form of Exhibit P-1, P-2, P-3 and P-4, as applicable, (any such certificate, a “U.S. Tax Compliance Certificate”) and (y) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable, (or any successor forms),

(D) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), two properly completed and duly signed original copies of Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by a Form W-8ECI, W-8BEN or W-8BEN-E, as applicable, U.S. Tax Compliance Certificate, Form W-9, Form W-8IMY or any other required information (or any successor forms) from each beneficial owner that would be required under this Section 2.17(e) if such beneficial owner were a Lender, as applicable (provided that, if the Lender is a partnership for U.S. federal income tax purposes (and not a participating Lender) and one or more direct or indirect partners are claiming the portfolio interest exemption, the U.S. Tax Compliance Certificate may be provided by such Lender on behalf of such direct or indirect partner(s)), or

(E) two properly completed and duly signed original copies of any other form prescribed by applicable U.S. federal income tax laws as a basis for claiming a complete exemption from, or a reduction in, U.S. federal withholding tax on any payments to such Lender under the Loan Documents, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

(3) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by applicable law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender’s obligations under FATCA and, if necessary, to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (3), “FATCA” shall include any amendments made to FATCA after the date hereof.

(4) If the Administrative Agent is a “United States person” within the meaning of Section 7701(a)(30) of the Code, the Administrative Agent shall deliver to the Borrower two properly completed and duly signed original copies of Internal Revenue Service Form W-9 certifying to such Administrative Agent’s exemption from U.S. federal backup withholding. If the Administrative Agent is not a “United States person” within the meaning of Section 7701(a)(30) of the Code, the Administrative Agent shall deliver to the Borrower two properly completed and duly signed original copies of (i) Internal Revenue Service Form W-8ECI with respect to payments received for its own account and (ii) Internal Revenue Service Form W-8IMY (together with all required accompanying documentation) with respect to payments received by it on behalf of the Lenders.

Notwithstanding any other provisions of this Section 2.17(e), a Lender or the Administrative Agent shall not be required to deliver any form or other documentation (other than any form or documentation set forth in Section 2.17(e)(1), Sections 2.17(e)(2)(A) through (D), Section 2.17(e)(3) or Section 2.17(e)(4)) that such Lender or the Administrative Agent is not legally eligible to deliver.

(f) If the Borrower determines in good faith that a reasonable basis exists for contesting any Taxes for which indemnification has been demanded hereunder, the Administrative Agent or the relevant Lender, as applicable, shall use commercially reasonable efforts to cooperate with Holdings or the Borrower in a reasonable challenge of such Taxes if so requested by the Borrower; provided that (a) the Administrative Agent or such Lender determines in its reasonable discretion that it would not be subject to any unreimbursed third party cost or expense or otherwise be prejudiced by cooperating in such challenge, (b) the Borrower pay all related expenses of the Administrative Agent or such Lender, as applicable and (c) the Borrower indemnify the Administrative Agent or such Lender, as applicable, for any liabilities or other costs incurred by such party in connection with such challenge. If the Administrative Agent or a Lender receives a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Borrower or any other Loan Party or with respect to which the Borrower or any other Loan Party has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to the Borrower (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower or any other Loan Party under this Section with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Borrower, upon the request of the Administrative Agent or such Lender, agrees promptly to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. The Administrative Agent or such Lender, as the case may be, shall, at the Borrower’s request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant taxing authority (provided that the Administrative Agent or such Lender may delete any information therein that the Administrative Agent or such Lender deems confidential). Notwithstanding anything to the contrary, this Section 2.17(f) shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to Taxes which it deems confidential to any Loan Party or any other Person).

(g) The agreements in this Section 2.17 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder, resignation of the Administrative Agent and any assignment or rights by, or replacement of, any Lender.

(h) For purposes of this Section 2.17, the term "Lender" shall include any Issuing Bank and the Swingline Lender.

SECTION 2.18 Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) The Borrower shall make each payment required to be made by it under any Loan Document (whether of principal, interest, fees, or reimbursement of LC Disbursement or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York City time), on the date when due, in immediately available funds, without setoff or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to such account as may be specified by the Administrative Agent, except payments to be made directly to any Issuing Bank or Swingline Lender shall be made as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment (other than payments on the Eurocurrency Loans) under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day. If any payment on a Eurocurrency Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate for the period of such extension. All payments or prepayments of any Loan shall be made in the currency in which such Loan is denominated, all reimbursements of any LC Disbursements shall be made in dollars, all payments of accrued interest payable on a Loan or LC Disbursement shall be made in dollars, and all other payments under each Loan Document shall be made in dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans of a given Class or participations in LC Disbursements or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans of such Class or participations in LC Disbursements or Swingline Loans and accrued interest thereon than the proportion received by any other Lender with outstanding Loans of the same Class or participations in LC Disbursements or Swingline Loans, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of such Class or participations in LC Disbursements of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans of such Class or participations in LC Disbursements; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest and (ii) the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or participant or (C) any disproportionate payment obtained by a Lender of any Class as a result of the extension by Lenders of the maturity date or expiration date of some but not all Loans or Commitments of that Class or any increase in the Applicable Rate in respect of Loans of Lenders that have consented to any such extension. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower's rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Banks hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole discretion, distribute to the Lenders or the Issuing Banks, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or Issuing Banks, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.04(c), Section 2.05(e) or Section 2.05(f), Section 2.06(a) or Section 2.06(b), Section 2.18(d) or Section 9.03(c), then the Administrative Agent may, in its discretion and in the order determined by the Administrative Agent (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Section until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account as Cash Collateral for, and to be applied to, any future funding obligations of such Lender under any such Section.

SECTION 2.19 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to, or otherwise indemnify, any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or any event that gives rise to the operation of Section 2.23, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or its participation in any Letter of Credit affected by such event, or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment and delegation (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or Section 2.17 or mitigate the applicability of Section 2.23, as the case may be and (ii) would not subject such Lender to any unreimbursed cost or expense reasonably deemed by such Lender to be material and would not be inconsistent with the internal policies of, or otherwise be disadvantageous in any material economic, legal or regulatory respect to, such Lender.

(b) If (i) any Lender requests compensation under Section 2.15 or gives notice under Section 2.23, (ii) the Borrower is required to pay any additional amount to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.17 or (iii) any Lender is or becomes a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement and the other Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment and delegation), provided that (A) the Borrower shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable (and if a Revolving Commitment is being assigned and delegated, each Principal Issuing Bank and each Swingline Lender), which consents, in each case, shall not unreasonably be withheld or delayed, (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and unreimbursed participations in LC Disbursements and Swingline Loans, accrued but unpaid interest thereon, accrued but unpaid fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts), (C) the Borrower or such assignee shall have paid (unless waived) to the Administrative Agent the processing and recordation fee specified in Section 9.04(b)(ii) and (D) in the case of any such assignment resulting from a claim for compensation under Section 2.15, payments required to be made pursuant to Section 2.17 or a notice given under Section 2.23, such assignment will result in a material reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise (including as a result of any action taken by such Lender under paragraph (a) above), the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each party hereto agrees that an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender required to make such assignment need not be a party thereto.

SECTION 2.20 Incremental Loans and Commitments.

(a) The Borrower may at any time or from time to time after the Effective Date, other than during the Amendment No. 3 Trigger Period, by written notice delivered to the Administrative Agent request (i) one or more additional Classes of term loans or additional term loans of the same Class of any existing Class of term loans (the “Incremental Term Loans”), (ii) one or more increases in the amount of the Revolving Commitments of any Class (each such increase, an “Incremental Revolving Commitment Increase”) or (iii) one or more additional Classes of revolving credit commitments (the “Additional/Replacement Revolving Commitments,” and, together with the Incremental Term Loans and the Incremental Revolving Commitment Increases, the “Incremental Facilities”) from any Additional Lender; provided that, subject to Section 1.04(c) in the case of Incremental Facilities incurred to finance a Limited Condition Transaction, after giving effect to the effectiveness of any Incremental Facility Amendment referred to below and at the time that any such Incremental Term Loan, Incremental Revolving Commitment Increase or Additional/Replacement Revolving Commitment is made or effected, (a) the representations and warranties of each Loan Party set forth in the Loan Documents shall be true and correct in all material respects (or in all respects if qualified by materiality) on and as of the date of such Limited Condition Transaction and (b) no Event of Default shall have occurred and be continuing (except, in the case of the incurrence or provision of any Incremental Facility in connection with a Permitted Acquisition or other Investment not prohibited by the terms of this Agreement, which shall be subject to no Event of Default under clause (a), (b), (h) or (i) of Section 7.01). Notwithstanding anything to contrary herein, the aggregate principal amount of the Incremental Facilities that can be incurred at any time shall not exceed the Incremental Cap at such time. Each Incremental Facility shall be in a minimum principal amount of \$5,000,000 and integral multiples of \$1,000,000 in excess thereof if such Incremental Facilities are denominated in dollars (unless the Borrower and the Administrative Agent otherwise agree); provided that such amount may be less than \$5,000,000 if such amount represents all the remaining availability under the aggregate principal amount of Incremental Facilities set forth above.

(b) (i) The Incremental Term Loans (i) to the extent secured, shall rank equal in or junior to right of payment with the Term Loans, shall be secured only by the Collateral securing the Secured Obligations and shall only be guaranteed by the Loan Parties, (ii) shall not mature earlier than the Term Maturity Date, (iii) except in the case of an amount of Incremental Term Loans elected by the Borrower in an aggregate principal amount not to exceed 50.0% of Consolidated EBITDA, shall not have a shorter Weighted Average Life to Maturity than the existing Term Loans, (iv) shall have a maturity date (subject to clause (ii)), an amortization schedule (subject to clause (iii)), and interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and prepayment terms and premiums for the Incremental Term Loans as determined by the Borrower and the lenders of the Incremental Term Loans; provided that, in the event that the Effective Yield for any Incremental Term Loans that (1) are not junior to the Term Loans in terms of security or right of payment (including as a result of being a “last out facility”) or unsecured and (2) have a stated maturity date less than one year after the Term Maturity Date is greater than the Effective Yield for the Term Loans by more than 0.75% per annum, then the Effective Yield for the Term Loans shall be increased to the extent necessary so that the Effective Yield for the Term Loans are equal to the Effective Yield for the Incremental Term Loans minus 0.75% per annum (provided that, to the extent any portion of the Effective Yield differential is attributable to a higher “LIBOR floor” being applicable to such Incremental Term Loans, such floor shall only be included in the calculation of such differential to the extent such floor is greater than the Adjusted LIBO Rate in effect for an Interest Period of three months’ duration at such time, and, with respect to such excess, the “LIBOR floor” applicable to the outstanding Term Loans shall be increased to an amount not to exceed the “LIBOR floor” applicable to such Incremental Term Loans prior to any increase in the Applicable Rate applicable to such Term Loans then outstanding); provided further that the Incremental Term Loans may participate on a pro rata basis or less than pro rata basis (but not greater than a pro rata basis) in any mandatory repayments or prepayments hereunder and (v) may otherwise have terms and conditions different from those of the Term Loans (including currency denomination); provided that (x) except with respect to matters contemplated by clauses (ii), (iii) and (iv) above, any differences shall be reasonably satisfactory to the Administrative Agent (except for covenants and other provisions applicable only to the periods after the Latest Maturity Date at the time such Incremental Term Loans are incurred) and (y) the documentation governing any Incremental Term Loans may include a financial maintenance covenant, it being understood that, to the extent that any financial maintenance covenant is added for the benefit of any Incremental Term Loan, no consent shall be required from the Administrative Agent or any of the Term Lenders to the extent that such financial maintenance covenant is (1) also added for the benefit of any existing Loans and Commitments or (2) only applicable after the Latest Maturity Date.

(ii) The Incremental Revolving Commitment Increase shall be treated the same as the Class of Revolving Commitments being increased (including with respect to maturity date thereof) and shall be considered to be part of the Class of Revolving Credit Facility being increased (it being understood that, if required to consummate an Incremental Revolving Commitment Increase, the pricing, interest rate margins, rate floors and undrawn commitment fees on the Class of Revolving Commitments being increased may be increased and additional upfront or similar fees may be payable to the lenders providing the Incremental Revolving Commitment Increase (without any requirement to pay such fees to any existing Revolving Lenders)) but shall not have “superpriority” status.

(iii) The Additional/Replacement Revolving Commitments (i) shall rank equal or junior in right of payment with the Revolving Loans (subject to Section 2.09(f)), shall be unsecured or secured only by the Collateral securing the Secured Obligations and shall only be guaranteed by the Loan Parties, (ii) shall not mature earlier than the Revolving Maturity Date and shall require no mandatory commitment reduction prior to the Revolving Maturity Date, (iii) shall have interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, undrawn commitment fees, funding discounts, original issue discounts, prepayment terms and premiums and commitment reduction and termination terms as determined by the Borrower and the lenders of such commitments, (iv) shall contain borrowing, repayment and termination of Commitment procedures as determined by the Borrower and the lenders of such commitments, (v) may include provisions relating to letters of credit, as applicable, issued thereunder, which issuances shall be on terms substantially similar (except for the overall size of such subfacilities, the fees payable in connection therewith and the identity of the letter of credit issuer, as applicable, which shall be determined by the Borrower, the lenders of such commitments and the applicable letter of credit issuers and borrowing, repayment and termination of commitment procedures with respect thereto, in each case which shall be specified in the applicable Incremental Facility Amendment) to the terms relating to the Letters of Credit with respect to the applicable Class of Revolving Commitments or otherwise reasonably acceptable to the Administrative Agent and (vi) may otherwise have terms and conditions different from those of the Revolving Credit Facility (including currency denomination); provided that (x) except with respect to matters contemplated by clauses (ii), (iii), (iv) and (v) above, any differences shall be reasonably satisfactory to the Administrative Agent (except for covenants and other provisions applicable only to the periods after the Latest Maturity Date) and (y) the documentation governing any Additional/Replacement Revolving Commitments may include financial maintenance covenant so long as the Administrative Agent shall have been given prompt written notice thereof and this Agreement is amended to include such financial maintenance covenant for the benefit of each facility (provided, further, however, that, if the applicable new financial maintenance covenant is a “springing” financial maintenance covenant for the benefit of such revolving credit facility or covenant only applicable to, or for the benefit of, a revolving credit facility, such financial maintenance covenant shall be automatically included in this Agreement only for the benefit of each revolving credit facility hereunder (and not for the benefit of any term loan facility hereunder)).

(c) Each notice from Holdings or the Borrower pursuant to this Section 2.20 shall be given in writing and shall set forth the requested amount and proposed terms of the relevant Incremental Term Loans, Incremental Revolving Commitment Increases or Additional/Replacement Revolving Commitments.

(d) Commitments in respect of Incremental Term Loans, Incremental Revolving Commitment Increases and Additional/Replacement Revolving Commitments shall become Commitments (or in the case of an Incremental Revolving Commitment Increase to be provided by an existing Lender with a Revolving Commitment, an increase in such Lender's applicable Revolving Commitment) under this Agreement pursuant to an amendment (an "Incremental Facility Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by Holdings, the Borrower, each Lender agreeing to provide such Commitment, if any, each Additional Lender, if any, and the Administrative Agent. Incremental Term Loans and loans under Incremental Revolving Commitment Increases and Additional/Replacement Revolving Commitments shall be a "Loan" for all purposes of this Agreement and the other Loan Documents. The Incremental Facility Amendment may, subject to Section 2.14(c), without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.20 (including, in connection with an Incremental Revolving Commitment Increase, to reallocate Revolving Exposure on a pro rata basis among the relevant Revolving Lenders). The effectiveness of any Incremental Facility Amendment and the occurrence of any credit event (including the making (but not the conversion or continuation) of a Loan and the issuance, increase in the amount, or extension of a Letter of Credit thereunder) pursuant to such Incremental Facility Amendment shall be subject to the satisfaction of such conditions as the parties thereto shall agree. The Borrower will use the proceeds of the Incremental Term Loans, Incremental Revolving Commitment Increases and Additional/Replacement Revolving Commitments for any purpose not prohibited by this Agreement.

(e) Notwithstanding anything to the contrary, this Section 2.20 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

#### SECTION 2.21 Refinancing Amendments.

(a) At any time after the Effective Date, the Borrower may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of (a) all or any portion of the Term Loans then outstanding under this Agreement (which for purposes of this clause (a) will be deemed to include any then outstanding Other Term Loans) or (b) all or any portion of the Revolving Loans (or unused Revolving Commitments) under this Agreement (which for purposes of this clause (b) will be deemed to include any then outstanding Other Revolving Loans and Other Revolving Commitments), which may be in the form of (x) Other Term Loans or Other Term Commitments or (y) Other Revolving Loans or Other Revolving Commitments, as the case may be, in each case pursuant to a Refinancing Amendment; provided that such Credit Agreement Refinancing Indebtedness (i) will have such pricing and optional prepayment terms as may be agreed by the Borrower and the Lenders thereof, (ii) (x) with respect to any Other Revolving Loans or Other Revolving Commitments, will have a maturity date that is not prior to the maturity date of the Revolving Loans (or unused Revolving Commitments) being refinanced and (y) with respect to any Other Term Loans or Other Term Commitments, will have a maturity date that is not prior to the earlier of the maturity date of the Term Loans being refinanced and the Latest Maturity Date at the time of such refinancing, (iii) the proceeds of such Credit Agreement Refinancing Indebtedness shall be applied, substantially concurrently with the incurrence thereof, to the prepayment of outstanding Term Loans or reduction of Revolving Commitments being so refinanced, as the case may be and (iv) no Event of Default shall exist or result therefrom; provided that the requirements in this subclause (iv) shall not apply to Credit Agreement Refinancing Indebtedness in respect of all the outstanding Term Loan and Revolving Loans (and unused Revolving Commitments). Each Class of Credit Agreement Refinancing Indebtedness incurred under this Section 2.21 shall be in an aggregate principal amount that is (x) not less than \$5,000,000 in the case of Other Term Loans or \$5,000,000 in the case of Other Revolving Loans and (y) an integral multiple of \$1,000,000 in excess thereof (in each case unless the Borrower and the Administrative Agent otherwise agree). Any Refinancing Amendment may provide for the issuance of Letters of Credit for the account of the Borrower, or the provision to the Borrower of Swingline Loans, pursuant to any Other Revolving Commitments established thereby, in each case on terms substantially equivalent to the terms applicable to Letters of Credit and Swingline Loans under the Revolving Commitments. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Term Loans, Other Revolving Loans, Other Revolving Commitments and/or Other Term Commitments). Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section. In addition, if so provided in the relevant Refinancing Amendment and with the consent of each Issuing Bank, participations in Letters of Credit expiring on or after the Revolving Maturity Date shall be reallocated from Lenders holding Revolving Commitments to Lenders holding extended revolving commitments in accordance with the terms of such Refinancing Amendment; provided, however, that such participation interests shall, upon receipt thereof by the relevant Lenders holding Revolving Commitments, be deemed to be participation interests in respect of such Revolving Commitments and the terms of such participation interests (including, without limitation, the commission applicable thereto) shall be adjusted accordingly.

(b) Notwithstanding anything to the contrary, this Section 2.21 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

SECTION 2.22 Defaulting Lenders.

(a) General. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 9.02.

(ii) Reallocation of Payments. Subject to the last sentence of Section 2.11(e), any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 9.08), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, in the case of a Revolving Lender, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to each Issuing Bank and the Swingline Lender hereunder; third, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fourth, in the case of a Revolving Lender, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; fifth, to the payment of any amounts owing to the Lenders, the Issuing Banks or the Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, such Issuing Bank or the Swingline Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; sixth, so long as no Default or Event of Default exists, to the payment of any amounts owing to any Loan Party as a result of any judgment of a court of competent jurisdiction obtained by any Loan Party against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and seventh, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if such payment is a payment of the principal amount of any Loans or LC Disbursements and such Lender is a Defaulting Lender under clause (a) of the definition thereof, such payment shall be applied solely to pay the relevant Loans of, and LC Disbursements owed to, the relevant non-Defaulting Lenders on a pro rata basis prior to being applied pursuant to Section 2.05(j). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to Section 2.05(j) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. That Defaulting Lender (x) shall not be entitled to receive or accrue any commitment fee pursuant to Section 2.12(a) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (y) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.12(b).

(iv) Reallocation of Applicable Percentages to Reduce Fronting Exposure. During any period in which there is a Defaulting Lender, all or any part of such Defaulting Lender's participation in the Letter of Credit and Swingline Loans shall be reallocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentages; provided that for purposes of computing the amount of the obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Swingline Loans and Letters of Credit pursuant to this Section, the "Applicable Percentage" of each non-Defaulting Lender shall be computed without giving effect to the Revolving Commitment of that Defaulting Lender; provided that the aggregate obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit and Swingline Loans shall not exceed the positive difference, if any, of (1) the Revolving Commitment of that non-Defaulting Lender minus (2) the aggregate principal amount of the Revolving Loans of that Lender.

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent, Swingline Lender and each Issuing Bank agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), such Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held on a pro rata basis by the Lenders in accordance with their Applicable Percentages (without giving effect to Section 2.22(a)(iv)), whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

SECTION 2.23 Illegality. If any Lender determines that any law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender to make, maintain or fund Loans whose interest is determined by reference to the Adjusted LIBO Rate, or to determine or charge interest rates based upon the Adjusted LIBO Rate, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligation of such Lender to make or continue Eurocurrency Loans or to convert ABR Loans to Eurocurrency Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon three Business Days' notice from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurocurrency Loans of such Lender to ABR Loans either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurocurrency Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Adjusted LIBO Rate, the Administrative Agent shall, during the period of such suspension, compute the Alternate Base Rate applicable to such Lender without reference to the Adjusted LIBO Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Adjusted LIBO Rate. Each Lender agrees to notify the Administrative Agent and the Borrower in writing promptly upon becoming aware that it is no longer illegal for such Lender to determine or charge interest rates based upon the Adjusted LIBO Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

SECTION 2.24 Loan Modification Offers.

(a) At any time after the Effective Date, the Borrower may on one or more occasions, by written notice to the Administrative Agent, make one or more offers (each, a "Loan Modification Offer") to all the Lenders of one or more Classes (each Class subject to such a Loan Modification Offer, an "Affected Class") to effect one or more Permitted Amendments relating to such Affected Class pursuant to procedures reasonably specified by the Administrative Agent and reasonably acceptable to the Borrower (including mechanics to permit cashless rollovers and exchanges by Lenders). Such notice shall set forth (i) the terms and conditions of the requested Permitted Amendment and (ii) the date on which such Permitted Amendment is requested to become effective. Permitted Amendments shall become effective only with respect to the Loans and Commitments of the Lenders of the Affected Class that accept the applicable Loan Modification Offer (such Lenders, the "Accepting Lenders") and, in the case of any Accepting Lender, only with respect to such Lender's Loans and Commitments of such Affected Class as to which such Lender's acceptance has been made.

(b) A Permitted Amendment shall be effected pursuant to a Loan Modification Agreement executed and delivered by Holdings, the Borrower, each applicable Accepting Lender and the Administrative Agent; provided that no Permitted Amendment shall become effective unless Holdings and the Borrower shall have delivered to the Administrative Agent such legal opinions, board resolutions, secretary's certificates, officer's certificates and other documents as shall be reasonably requested by the Administrative Agent in connection therewith. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Loan Modification Agreement. Each Loan Modification Agreement may, without the consent of any Lender other than the applicable Accepting Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to give effect to the provisions of this Section 2.24, including any amendments necessary to treat the applicable Loans and/or Commitments of the Accepting Lenders as a new or same "Class" of loans and/or commitments hereunder.

(c) If, in connection with any proposed Loan Modification Offer, any Lender declines to consent to such Loan Modification Offer on the terms and by the deadline set forth in such Loan Modification Offer (each such Lender, a "Non-Accepting Lender") then the Borrower may, on notice to the Administrative Agent and the Non-Accepting Lender, (i) replace such Non-Accepting Lender in whole or in part by causing such Lender to (and such Lender shall be obligated to) assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04) all or any part of its interests, rights and obligations under this Agreement in respect of the Loans and Commitments of the Affected Class to one or more Eligible Assignees (which Eligible Assignee may be another Lender, if a Lender accepts such assignment); provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that (a) the applicable assignee shall have agreed to provide Loans and/or Commitments on the terms set forth in the applicable Permitted Amendment, (b) such Non-Accepting Lender shall have received payment of an amount equal to the outstanding principal of the Loans of the Affected Class assigned by it pursuant to this Section 2.24(c), accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees) and (c) unless waived, the Borrower or such Eligible Assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 9.04(b).

(b) Minimum Liquidity. (i) As of the last date of each fiscal month commencing with the fiscal month ending June 27, 2020 through (and including) the earlier of (x) July 24, 2021 and (y) the date that the Borrower delivers a notice to the Administrative Agent terminating the Minimum Liquidity covenant (such notice, a "Liquidity Termination Notice" and such period, the "Minimum Liquidity Period"), Holdings, Borrower and the Restricted Subsidiaries shall have, on a consolidated basis Liquidity of not less than \$6,000,000.

(ii) Notwithstanding anything to the contrary contained in clause (b)(i) above, the Borrower shall be deemed to be in compliance with clause (b)(i) for any month for which Liquidity is less than \$6,000,000 so long as Holdings has issued Qualified Equity Interests for Net Proceeds of an amount in cash, or has otherwise received an amount in cash contributions to its capital in the form of cash common equity or other Qualified Equity Interests that, when taken together with an amount concurrently committed pursuant to a subscription agreement in substantially the form of the Subscription Agreement (a "Liquidity Cure Subscription Agreement"), is at least \$10,000,000 (in either case, a "Liquidity Cure Amount") during the period starting on the first day of the relevant month and ending on the date that is 5 Business Days after the date on which the financial information required pursuant to Section 5.01(b)(ii) is required to be delivered; provided that such Liquidity Cure Amount shall (x) only be included in the calculation of Minimum Liquidity for the applicable testing period solely for the purposes of determining compliance with the Minimum Liquidity covenant at the end of such period and (y) be counted on a dollar-for-dollar basis as unrestricted cash of Holdings and its Subsidiaries for purposes of determining compliance with the Minimum Liquidity covenant for the applicable testing period and shall be disregarded for all other purposes under this Agreement (including, for the avoidance of doubt, for purposes of determining cash netting in calculating with the Financial Covenant set forth in Section 6.10(a) and determining any financial ratio-based conditions, pricing or any available basket under Article VI of this Agreement).

SECTION 6.11 Change in Business. Holdings, the Borrower and the Restricted Subsidiaries, taken as a whole, will not fundamentally and substantively alter the character of their business, taken as a whole, from the business conducted by them on the Effective Date and other business activities which are extensions thereof or otherwise incidental, reasonably related or ancillary to any of the foregoing.

SECTION 6.12 Changes in Fiscal Periods. Holdings shall not make any change in its fiscal year; provided, however, that Holdings may, upon written notice to the Administrative Agent, change its fiscal year to any other fiscal year reasonably acceptable to the Administrative Agent, in which case, Holdings and the Administrative Agent will, and are hereby authorized by the Lenders to, make any adjustments to this Agreement that are necessary to reflect such change in fiscal year.

SECTION 6.13 Sanctions; Anti-Corruption Laws. For the term of this Agreement, Holdings, the Borrower and the Restricted Subsidiaries, shall not, and shall not permit any of their Subsidiaries to use the proceeds of the Loans directly, or, to the knowledge of Holdings, indirectly in violation of Sections 3.18(a) or (b).

SECTION 6.14 Amendments to Organizational Documents. No Loan Party will, nor will it permit any of its Restricted Subsidiaries to, agree to any amendment to, or waive any of its rights under, any of its respective Organizational Documents in a manner that, individually or in the aggregate, would materially and adversely affect in any material respect the rights or interests of Administrative Agent, the Lenders or the Issuing Banks.

SECTION 7.01 Events of Default. If any of the following events (any such event, an “Event of Default”) shall occur:

- (a) any Loan Party shall fail to pay any principal of any Loan or any reimbursement obligation in respect of any LC Disbursement when and as the same shall become due and payable, whether at the due date thereof or at a date fixed for prepayment thereof or otherwise;
- (b) any Loan Party shall fail to pay any interest on any Loan or any fee or any other amount (other than an amount referred to in clause (a) of this Section) payable under any Loan Document, when and as the same shall become due and payable, and such failure shall continue unremedied for a period of five Business Days;
- (c) any representation or warranty made or deemed made by or on behalf of Holdings, the Borrower or any of the Restricted Subsidiaries in or in connection with any Loan Document or any amendment or modification thereof or waiver thereunder, or in any report, certificate, financial statement or other document furnished pursuant to or in connection with any Loan Document or any amendment or modification thereof or waiver thereunder, shall prove to have been incorrect in any material respect when made or deemed made, and such incorrect representation or warranty (if curable) shall remain incorrect for a period of 30 days after notice thereof from the Administrative Agent to the Borrower; provided that the failure of any representations or warranties made or deemed made (other than the representations and warranties referred to in Section 4.01(i)) to be true and correct in any material respect on the Effective Date will not constitute an Event of Default hereunder;

(d) Holdings, the Borrower or any of the Restricted Subsidiaries shall fail to observe or perform any covenant, condition or agreement contained in Section 5.02(a), 5.04 (with respect to the existence of the Borrower) or 5.13(b) or in Article VI (other than Section 6.10); provided that (j) any Event of Default under Section 6.10(a) is subject to cure as provided in Section 7.02 and an Event of Default with respect to such Section shall not occur until the expiration of the 10th Business Day subsequent to the date on which the financial statements with respect to the applicable fiscal quarter (or the fiscal year ended on the last day of such fiscal quarter) are required to be delivered pursuant to Section 5.01(a) or Section 5.01(b), as applicable; and (ii) any Event of Default under Section 6.10(b) is subject to cure as provided in Section 6.10(b) and an Event of Default with respect to such Section shall not occur until the expiration of the 5th Business Day subsequent to the date on which the financial information with respect to the applicable fiscal month is required to be delivered pursuant to Section 5.01(h)(ii);

(e) any Loan Party shall fail to observe or perform any covenant, condition or agreement contained in any Loan Document (other than those specified in clause (a), (b) or (d) of this Section), and such failure shall continue unremedied for a period of 30 days after notice thereof from the Administrative Agent to Holdings;

(f) Holdings, the Borrower or any of the Restricted Subsidiaries (i) shall fail to make any payment (whether of principal or interest and regardless of amount) in respect of any Material Indebtedness, when and as the same shall become due and payable (after giving effect to any applicable grace period) or (ii) any event or condition occurs that results in any Material Indebtedness becoming due prior to its scheduled maturity or that enables or permits (with all applicable grace periods having expired) the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf to cause any Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity; provided that this clause (ii) shall not apply to (w) secured Indebtedness that becomes due as a result of the sale, transfer or other disposition (including as a result of a casualty or condemnation event) of the property or assets securing such Indebtedness (to the extent such sale, transfer or other disposition is not prohibited under this Agreement) or (x) termination events or similar events occurring under any Swap Agreement that constitutes Material Indebtedness (it being understood that clause (f) of this Section will apply to any failure to make any payment required as a result of any such termination or similar event); provided further that this clause (f) shall not apply to any breach or default that is (I) remedied by Holdings, the Borrower or the applicable Restricted Subsidiary or (II) waived (including in the form of amendment) by the required holders of the applicable item of Indebtedness, in the case of (I) and (II), prior to the acceleration of Loans pursuant to this Section 7.01;

(g) ~~reserved~~ nonpayment of (i) the Amendment No. 3 Post-Closing Equity Contribution when due, as provided in the Subscription Agreement and (ii) all proceeds when due pursuant to any Liquidity Cure Subscription Agreement;

(h) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, court protection, reorganization or other relief in respect of Holdings, the Borrower or any Significant Subsidiary or its debts, or of a material part of its assets, under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, examiner, sequestrator, conservator or similar official for Holdings, the Borrower or any Significant Subsidiary or for a material part of its assets, and, in any such case, such proceeding or petition shall continue undismissed or unstayed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered;

(i) Holdings, the Borrower or any Significant Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, court protection, reorganization or other relief under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in clause (h) of this Section, (iii) apply for or consent to the appointment of a receiver, trustee, examiner, custodian, sequestrator, conservator or similar official for Holdings, the Borrower or any Significant Subsidiary or for a material part of its assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding or (v) make a general assignment for the benefit of creditors;

(j) one or more enforceable judgments for the payment of money in an aggregate amount in excess of \$8,000,000 (to the extent not covered by insurance as to which the insurer has been notified of such judgment or order and has not denied coverage) shall be rendered against Holdings, the Borrower, any of the Restricted Subsidiaries or any combination thereof and the same shall remain undischarged for a period of 60 consecutive days during which execution shall not be effectively stayed, or any judgment creditor shall legally attach or levy upon assets of such Loan Party that are material to the businesses and operations of Holdings, the Borrower and the Restricted Subsidiaries, taken as a whole, to enforce any such judgment;

(k) (i) an ERISA Event occurs that has resulted or would reasonably be expected to result in liability of any Loan Party under Title IV of ERISA in an aggregate amount that would reasonably be expected to result in a Material Adverse Effect or (ii) any Loan Party or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its Withdrawal Liability under Section 4201 of ERISA under a Multiemployer Plan in an aggregate amount that would reasonably be expected to result in a Material Adverse Effect;

(l) any Lien purported to be created under any Security Document shall cease to be, or shall be asserted by any Loan Party not to be, a valid and perfected Lien on any material portion of the Collateral, except (i) as a result of the sale or other disposition of the applicable Collateral to a Person that is not a Loan Party in a transaction permitted under the Loan Documents, (ii) as a result of the Administrative Agent's failure to (A) maintain possession of any stock certificates, promissory notes or other instruments delivered to it under the Security Documents or (B) file Uniform Commercial Code continuation statements, (iii) as to Collateral consisting of real property, to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage or (iv) as a result of acts or omissions of the Administrative Agent;

(m) any material provision of any Loan Document or any Guarantee of the Loan Document Obligations shall for any reason be asserted by any Loan Party not to be a legal, valid and binding obligation of any Loan Party thereto other than as expressly permitted hereunder or thereunder;

(n) any Guarantees of the Loan Document Obligations by Holdings, or Subsidiary Loan Party pursuant to the Guarantee Agreement shall cease to be in full force and effect (in each case, other than in accordance with the terms of the Loan Documents); or

(o) a Change in Control shall occur;

(p) any of the Secured Obligations for any reason shall cease to be "Senior Indebtedness" (or any comparable term) under, and as defined in, any documentation relating to any Subordinated Indebtedness or any other Indebtedness that is subordinated to, or secured on a junior Lien basis with, the Secured Obligations, or the subordination provisions set forth in any documentation relating to such Subordinated Indebtedness shall cease to be effective or cease to be legally valid, binding and enforceable against the holders thereof;

then, and in every such event (other than an event with respect to Holdings or the Borrower described in clause (h) or (i) of this Section), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to Holdings, take either or both of the following actions, at the same or different times: (i) terminate the Commitments, and thereupon the Commitments shall terminate immediately and (ii) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of Borrower accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; and in case of any event with respect to Holdings or the Borrower described in clause (h) or (i) of this Section, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower.

SECTION 7.02 Right to Cure. Notwithstanding anything to the contrary contained in Section 7.01, in the event that Holdings and the Restricted Subsidiaries fail to comply with the requirements of the Financial Covenant set forth in Section 6.10(a) as of the last day of any fiscal quarter of Holdings, at any time after the beginning of such fiscal quarter until the expiration of the 10th Business Day (the "Cure Expiration Date") subsequent to the earlier of (i) the date on which a Compliance Certificate with respect to such fiscal quarter (or the fiscal year ended on the last day of such fiscal quarter) is delivered in accordance with Section 5.01(d)(i) and (ii) the date on which the financial statements with respect to such fiscal quarter (or the fiscal year ended on the last day of such fiscal quarter) are required to be delivered pursuant to Section 5.01(a) or Section 5.01(b), as applicable, Holdings shall have the right to issue Qualified Equity Interests for cash or otherwise receive cash contributions to the capital of Holdings as cash common equity or other Qualified Equity Interests (collectively, the "Cure Right"), and upon the receipt by Holdings of the Net Proceeds of such issuance that are Not Otherwise Applied (the "Cure Amount") pursuant to the exercise by Holdings of such Cure Right ~~the~~such Financial Covenant shall be recalculated giving effect to the following pro forma adjustment:

(a) Consolidated EBITDA shall be increased with respect to such applicable fiscal quarter and any four fiscal quarter period that contains such fiscal quarter, solely for the purpose of measuring ~~the~~such Financial Covenant and not for any other purpose under this Agreement, by an amount equal to the Cure Amount;

(b) if, after giving effect to the foregoing pro forma adjustment (without giving effect to any portion of the Cure Amount on the balance sheet of Holdings and its Restricted Subsidiaries with respect to such fiscal quarter only but with giving pro forma effect to any portion of the Cure Amount actually applied to any repayment of any Indebtedness), Holdings and its Restricted Subsidiaries shall then be in compliance with the requirements of ~~the~~such Financial Covenant, Holdings and its Restricted Subsidiaries shall be deemed to have satisfied the requirements of ~~the~~such Financial Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of ~~the~~such Financial Covenant that had occurred shall be deemed cured for the purposes of this Agreement; and

(c) notwithstanding anything herein to the contrary, (i) in each four consecutive fiscal quarter period of Holdings there shall be at least two fiscal quarters in which the Cure Right is not exercised, (ii) during the term of this Agreement, the Cure Right shall not be exercised more than five times, (iii) for purposes of this Section 7.02, the Cure Amount shall be no greater than the amount required for purposes of complying with ~~both~~such Financial Covenant and any amounts in excess thereof shall not be deemed to be a Cure Amount and (iv) there shall be no pro forma reduction in Indebtedness with the proceeds of the exercise of the Cure Right for determining compliance with ~~the~~such Financial Covenant for the fiscal quarter in respect of which such Cure Right is exercised except as a result of a prepayment of Indebtedness with the proceeds of the exercise of the Cure Right actually applied to any repayment of Indebtedness. Notwithstanding any other provision in this Agreement to the contrary, the Cure Amount received pursuant to any exercise of the Cure Right shall be disregarded for purposes of determining any financial ratio-based conditions, pricing or any available basket under Article VI of this Agreement and there shall not have been a breach of any covenant under Article VI of this Agreement by reason of having no longer included such Cure Amount in any basket during the relevant period.

SECTION 7.03 Application of Proceeds. After the exercise of remedies provided for in Section 7.01, any amounts received on account of the Secured Obligations shall be applied by the Administrative Agent in accordance with Section 2.09(f). Notwithstanding the foregoing, Excluded Swap Obligations with respect to any Guarantor shall not be paid with amounts received from such Guarantor or its assets, but appropriate adjustments shall be made with respect to payments from other Loan Parties to preserve the allocation to Secured Obligations otherwise set forth in Section 2.09(f).

## ARTICLE VIII

### THE ADMINISTRATIVE AGENT

Each of the Lenders and the Issuing Banks hereby irrevocably appoints Truist Bank, as successor by merger to SunTrust Bank, to serve as Administrative Agent and Collateral Agent under the Loan Documents, and authorizes the Administrative Agent and Collateral Agent to take such actions and to exercise such powers as are delegated to the Administrative Agent and Collateral Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent, the Collateral Agent, the Lenders and the Issuing Banks, and none of Holdings, the Borrower or any other Loan Party shall have any rights as a third party beneficiary of any such provisions.

The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender or an Issuing Bank as any other Lender or Issuing Bank and may exercise the same as though it were not the Administrative Agent, and such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with Holdings, the Borrower or any other Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or to exercise any discretionary power, except discretionary rights and powers expressly contemplated by the Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in the Loan Documents); provided that the Administrative Agent shall not be required to take any action that, in its opinion, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to Holdings, the Borrower, any other Subsidiary or any other Affiliate of any of the foregoing that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by Holdings, the Borrower, a Lender or an Issuing Bank and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the value or the sufficiency of any Collateral or creation, perfection or priority of any Lien purported to be created by the Security Documents or (vi) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent. Notwithstanding anything herein to the contrary, the Administrative Agent shall not have any liability arising from any confirmation of the Revolving Exposure or the component amounts thereof. Neither the Administrative Agent nor any of its Affiliates and its and their respective partners, directors, officers, employees, agents, trustees, administrators, managers, advisors and representatives shall be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (i) be obligated to ascertain, monitor or inquire as to whether any Lender or prospective Lender is a Disqualified Lender or (ii) have any liability with respect to or arising out of any assignment of Loans, or disclosure of confidential information, to any Disqualified Lender.

The Administrative Agent shall be entitled to rely, and shall not incur any liability for relying, upon any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person (including, if applicable, a Responsible Officer or Financial Officer of such Person). The Administrative Agent also may rely, and shall not incur any liability for relying, upon any statement made to it orally or by telephone and believed by it to be made by the proper Person (including, if applicable, a Financial Officer or a Responsible Officer of such Person). The Administrative Agent may consult with legal counsel (who may be counsel for or the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of their duties and exercise their rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Subject to the appointment and acceptance of a successor Administrative Agent as provided in this paragraph, the Administrative Agent may resign upon 30 days' notice to the Lenders, the Issuing Banks and Holdings. If the Administrative Agent becomes a Defaulting Lender and is not performing its role hereunder as Administrative Agent, the Administrative Agent may be removed as the Administrative Agent hereunder at the request of Holdings and the Required Lenders. Upon receipt of any such notice of resignation or upon such removal, the Required Lenders shall have the right, with Holdings' consent (unless an Event of Default under Section 7.01(a), (b), (h) or (i) has occurred and is continuing), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may (but shall not be obligated to) on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent, which shall be an Approved Bank with an office in New York, New York, or an Affiliate of any such Approved Bank (the date upon which the retiring Administrative Agent is replaced, the "Resignation Effective Date").

If the Person serving as Administrative Agent is a Defaulting Lender, the Required Lenders and Holdings may, to the extent permitted by applicable law, by notice in writing to such Person remove such Person as Administrative Agent and, with the consent of Holdings, appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (1) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except (i) that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed and (ii) with respect to any outstanding payment obligations) and (2) except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Administrative Agent (other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder and under the other Loan Documents as set forth in this Section. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article and Section 9.04 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

Each Lender and each Issuing Bank acknowledges that it has, independently and without reliance upon the Administrative Agent, the Joint Bookrunners or any other Lender or any Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Joint Bookrunners or any other Lender or any Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Each Lender, by delivering its signature page to this Agreement and funding its Loans on the Effective Date, or delivering its signature page to an Assignment and Assumption, Incremental Facility Amendment or Refinancing Amendment pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Effective Date.

No Lender shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Secured Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent on behalf of the Lenders in accordance with the terms thereof. In the event of a foreclosure by the Administrative Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Administrative Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition, and the Administrative Agent, as agent for and representative of the Lenders (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any collateral payable by the Administrative Agent on behalf of the Lenders at such sale or other disposition. Each Lender, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Guarantees of the Secured Obligations, to have agreed to the foregoing provisions.

Notwithstanding anything herein to the contrary, neither a Joint Bookrunner nor any Person named on the cover page of this Agreement as a Joint Lead Arranger shall have any duties or obligations under this Agreement or any other Loan Document (except in its capacity, as applicable, as a Lender or an Issuing Bank), but all such Persons shall have the benefit of the indemnities provided for hereunder, including under Section 9.03, fully as if named as an indemnitee or indemnified person therein and irrespective of whether the indemnified losses, claims, damages, liabilities and/or related expenses arise out of, in connection with or as a result of matters arising prior to, on or after the effective date of any Loan Document.

To the extent required by any applicable Requirements of Law (as determined in good faith by the Administrative Agent), the Administrative Agent may withhold from any payment to any Lender under any Loan Document an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 2.17, each Lender shall indemnify the Administrative Agent against, and shall make payable in respect thereof within 30 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the U.S. Internal Revenue Service or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this paragraph. The agreements in this paragraph shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other obligations under any Loan Document. For the avoidance of doubt, the term "Lender" shall, for purposes of this paragraph, include any Issuing Bank and any Swingline Lender.

Each party to this Agreement hereby appoints the Administrative Agent and Collateral Agent to act as its agent under and in connection with the relevant Security Documents.

All provisions of this Article VIII applicable to the Administrative Agent shall apply to the Collateral Agent and the Collateral Agent shall be entitled to all the benefits and indemnities applicable to the Administrative Agent under this Agreement.

(c) if to any Issuing Bank, to it at its address (or fax number or email address) most recently specified by it in a notice delivered to the Administrative Agent and the Borrower (or, in the absence of any such notice, to the address (or fax number or email address) set forth in the Administrative Questionnaire of the Lender that is serving as such Issuing Bank or is an Affiliate thereof);

(d) if to ~~SunTrust~~ [Truist](#) Bank as Swingline Lender, to the notice address specified in clause (b) above. If to any other Swingline Lenders, to it at its address (or fax number or email address) most recently specified by it in a notice delivered to the Administrative Agent, Holdings and the Borrower (or, in the absence of any such notice, to the address (or fax number or email address) set forth in the Administrative Questionnaire of the Lender that is serving as such Swingline Lender or is an Affiliate thereof); and

(e) if to any other Lender, to it at its address (or fax number or email address) set forth in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by fax or other electronic transmission shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient).

Holdings and the Borrower may change their address, email or facsimile number for notices and other communications hereunder by notice to the Administrative Agent, the Administrative Agent may change its address, email or facsimile number for notices and other communications hereunder by notice to Holdings and the Borrower and the Lenders may change their address, email or facsimile number for notices and other communications hereunder by notice to the Administrative Agent. Notices and other communications to the Lenders and the Issuing Banks hereunder may also be delivered or furnished by electronic transmission (including email and Internet or intranet websites) pursuant to procedures reasonably approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender or Issuing Bank pursuant to Article II if such Lender or Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic transmission.

Any acknowledgment, consent, direction, certification or other action which might otherwise be valid or effective only if given or taken by the Borrower shall be valid and effective if given or taken by Holdings, whether or not the Borrower joins therein. Any notice, demand, consent, acknowledgement, direction, certification or other communication delivered to Holdings in accordance with the terms of this Agreement shall be deemed to have been delivered to the Borrower.

SECTION 9.02 Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or the issuance, amendment, renewal or extension of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time. No notice or demand on the Borrower or Holdings in any case shall entitle the Borrower or Holdings to any other or further notice or demand in similar or other circumstances.

(b) Except as provided in Section 2.14(d), Section 2.20 with respect to any Incremental Facilities, Section 2.21 with respect to any Refinancing Amendment and Section 2.24 with respect to any Permitted Amendment, neither any Loan Document nor any provision thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Holdings, the Borrower, the Administrative Agent (to the extent that such waiver, amendment or modification does not affect the rights, duties, privileges or obligations of the Administrative Agent under this Agreement, the Administrative Agent shall execute such waiver, amendment or other modification to the extent approved by the Required Lenders) and the Required Lenders, or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto, in each case with the consent of the Required Lenders, provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.02 or the waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender), (ii) reduce the principal amount of any Loan or LC Disbursement (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute a reduction or forgiveness in principal) or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender directly and adversely affected thereby (it being understood that any change to the definition of First Lien Net Leverage Ratio or in the component definitions thereof shall not constitute a reduction of interest or fees), provided that only the consent of the Required Lenders shall be necessary to waive any obligation of the Borrower to pay default interest pursuant to Section 2.13(c), (iii) postpone the maturity of any Loan (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension of any maturity date), or the date of any scheduled amortization payment of the principal amount of any Loan under Section 2.10 or the applicable Refinancing Amendment, or the reimbursement date with respect to any LC Disbursement, or any date for the payment of any interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly and adversely affected thereby), (iv) change any of the provisions of this Section without the written consent of each Lender directly and adversely affected thereby, provided that any such change which is in favor of a Class of Lenders holding Loans maturing after the maturity of other Classes of Lenders (and only takes effect after the maturity of such other Classes of Loans or Commitments) will require the written consent of the Required Lenders with respect to each Class directly and adversely affected thereby, (v) change any of the provisions of this Section or the percentage set forth in the definition of "Required Lenders" or any other provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender (or each Lender of such Class, as the case may be), (vi) release all or substantially all the value of the Guarantees under the Guarantee Agreement (except as expressly provided in the Loan Documents) without the written consent of each Lender (other than a Defaulting Lender) or (vii) release all or substantially all the Collateral from the Liens of the Security Documents, without the written consent of each Lender (other than a Defaulting Lender) (except as expressly provided in the Loan Documents); provided, further, that (A) no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, any Issuing Bank or any Swingline Lender without the prior written consent of the Administrative Agent, such Issuing Bank or such Swingline Lender, as the case may be, (B) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by Holdings, the Borrower and the Administrative Agent to cure any ambiguity, omission, defect or inconsistency and (C) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by Holdings, the Borrower and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time. Notwithstanding the foregoing, (a) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders on substantially the same basis as the Lenders prior to such inclusion, (b) this Agreement and other Loan Documents may be amended or supplemented by an agreement or agreements in writing entered into by the Administrative Agent and Holdings, the Borrower or any Loan Party as to which such agreement or agreements is to apply, without the need to obtain the consent of any Lender, to include "parallel debt" or similar provisions, and any authorizations or granting of powers by the Lenders and the other Secured Parties in favor of the Administrative Agent, in each case required to create in favor of the Administrative Agent any security interest contemplated to be created under this Agreement, or to perfect any such security interest, where the Administrative Agent shall have been advised by its counsel that such provisions are necessary or advisable under local law for such purpose (with Holdings and the Borrower hereby agreeing to, and to cause their subsidiaries to, enter into any such agreement or agreements upon reasonable request of the Administrative Agent promptly upon such request) and (c) upon notice thereof by Holdings to the Administrative Agent with respect to the inclusion of any previously absent financial maintenance covenant, this Agreement shall be amended by an agreement in writing entered into by the Borrower and the Administrative Agent without the need to obtain the consent of any Lender to include such covenant on the date of the incurrence of the applicable Indebtedness to the extent required by the terms of such definition or section. Notwithstanding the foregoing (but subject to each proviso of the first sentence of this Section 9.02(b)), amendments to or waivers of any other terms or provisions relating solely to (x) the Revolving Commitments (or, subject to subclause (A) above, Swingline Commitments or Letters of Credit) will require only the written approval of a Majority in Interest of the outstanding Revolving Commitments and the Borrower and (y) the Term Facility will require only the written approval of a Majority in Interest of the outstanding Term Loans and the Borrower.

(c) In connection with any proposed amendment, modification, waiver or termination (a “Proposed Change”) requiring the consent of all Lenders or all directly and adversely affected Lenders, if the consent of the Required Lenders to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in paragraph (b) of this Section being referred to as a “Non-Consenting Lender”), then, so long as the Lender that is acting as Administrative Agent is not a Non-Consenting Lender, Holdings may, at its sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an Eligible Assignee that shall assume such obligations (which Eligible Assignee may be another Lender, if a Lender accepts such assignment), provided that (a) Holdings shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable (and, if a Revolving Commitment is being assigned, each Principal Issuing Bank and Swingline Lender), which consent shall not unreasonably be withheld, conditioned or delayed, (b) such Non-Consenting Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts (including any amounts under Section 2.11(a)(i)), payable to it hereunder from the Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (c) unless waived, the Borrower or such Eligible Assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 9.04(b).

(d) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, (i) the Term Loans of any Lender that is at the time an Affiliated Lender (other than an Affiliated Debt Fund) or (ii) the Revolving Commitments and Revolving Exposure of any Lender that is at the time a Defaulting Lender shall not have any voting or approval rights under the Loan Documents and shall be excluded in determining whether all Lenders (or all Lenders of a Class), all affected Lenders (or all affected Lenders of a Class) or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to this Section 9.02); provided that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender.

(e) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender (other than an Affiliated Debt Fund) hereby agrees that, if a proceeding under the United States Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency, receivership or similar law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Loans held by such Affiliated Lender in any manner in the Administrative Agent’s sole discretion, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Loans held by it as the Administrative Agent directs; provided that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Secured Obligations held by such Affiliated Lender in a manner that is less favorable in any material respect to such Affiliated Lender than the proposed treatment of similar Secured Obligations held by Lenders that are not Affiliates of the Borrower.

(f) Without limiting the ability of any Loan Party to enter into or consummate any transactions permitted by the Loan Documents as in effect as of the Effective Date, neither any Loan Document nor any provision thereof may be waived, amended or modified without the written consent of each Revolving Lender holding Revolving Loans with superpriority status, to the extent such waiver, amendment or modification, as applicable, shall (i) designate obligations as senior in right of payment to the obligations under the Revolving Credit Facility, (ii) permit Liens on any assets of Holdings, the Borrower or any Subsidiary Guarantors on a senior or pari passu basis with the Liens securing the Revolving Credit Facility (other than those existing and permitted on the Effective Date or permitted under Section 6.02), (iii) increase amortization under (A) the Term Facility in an amount greater than the amortization in effect as of the Effective Date or (B) any Incremental Term Facility in an amount greater than the amortization in effect as of the closing of such Incremental Term Facility, (iv) amend or waive this clause (f) or (v) permit the Term Loans to be held by the Borrower or any Affiliated Lender in a manner other than as permitted under this Agreement as of the Effective Date.

(g) Without limiting the ability of any Loan Party to enter into or consummate any transactions permitted by the Loan Documents as in effect as of the Effective Date, neither any Loan Document nor any provision thereof may be waived, amended or modified without the written consent of the Required Revolving Lenders, to the extent such waiver, amendment or modification, as applicable, shall (i) amend, modify or waive compliance with the conditions precedent to the obligations of any Lenders to make any Revolving Loan (or of the Issuing Bank to issue any Letter of Credit) in Section 4.01 or Section 4.02; (ii) amend the definitions of Cash Management Agreement, Guarantors (in a manner that adversely affects the rights of the Revolving Lenders disproportionately to those of other Lenders), Issuing Bank, LC Disbursement, LC Exposure, Letter of Credit, Letter of Credit Sublimit, Pro Rata Share, Required Revolving Lenders, Revolving Exposure, Revolving Loan, Secured Cash Management Agreement, Secured Cash Management Obligations, Secured Swap Obligations, Swap Agreement, Swap Obligations, Swingline Commitment, Swingline Exposure, Swingline Lender, Swingline Loan, or Swingline Sublimit; or (iii) amend or waive Sections 2.03 (with respect to Revolving Loan Borrowings), 2.04, 2.05, 2.06 (with respect to Revolving Loans), 2.09(f) (in a manner adverse to the Revolving Lenders), 2.11(b), 2.22, 4.02(a), 4.02(b), 6.01(a)(vi) (in a manner that would cause any Secured Swap Obligation outstanding prior to the effectiveness of any such amendment to violate this Agreement) or this Section 9.02(g).

SECTION 9.03 Expenses; Indemnity; Damage Waiver.

(a) Holdings or the Borrower shall pay, if the Effective Date occurs, (i) all reasonable and documented or invoiced out of pocket expenses incurred by the Administrative Agent and its Affiliates (without duplication), including the reasonable fees, charges and disbursements of Moore & Van Allen PLLC (~~for services rendered through April 30, 2019~~) and King & Spalding LLP (for services rendered beginning April 1, 2019) and to the extent necessary, a single firm of local counsel to the Administrative Agent in each relevant material jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) or otherwise retained with the Borrower's consent, in each case for the Administrative Agent, and to the extent retained with Holdings' consent, consultants, in connection with the syndication of the credit facilities provided for herein, the preparation and administration of the Loan Documents or any amendments, modifications or waivers of the provisions thereof and (ii) all reasonable and documented or invoiced out-of-pocket expenses incurred by the Administrative Agent, each Issuing Bank or any Lender, including the fees, charges and disbursements of counsel for the Administrative Agent, the Issuing Banks and the Lenders, in connection with the enforcement or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out of pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit; provided that such counsel shall be limited to one lead counsel and one local counsel in each relevant material jurisdiction and, in the case of a conflict of interest, one additional counsel for all affected parties, taken as a whole.

(b) Holdings and the Borrower shall indemnify each Agent, each Issuing Bank, each Lender and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and reasonable and documented or invoiced out-of-pocket fees and expenses of one counsel for all Indemnitees, taken as a whole, and, if reasonably necessary, a single firm of local counsel in each relevant material jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) for all Indemnitees taken as a whole (and, in the case of a conflict of interest, where the Indemnitee affected by such conflict notifies Holdings of the existence of such conflict and thereafter retains its own counsel, one additional counsel for all such affected Indemnitees, taken as a whole) for all Indemnitees (which may include a single special counsel acting in multiple jurisdictions), incurred by or asserted against any Indemnitee by any third party or by Holdings or any Subsidiary arising out of, in connection with, or as a result of (i) the execution or delivery of any Loan Document or any other agreement or instrument contemplated thereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated thereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by the Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) to the extent in any way arising from or relating to any of the foregoing, any actual or alleged presence or Release of Hazardous Materials on, at or from any Mortgaged Property or any other property currently or formerly owned or operated by Holdings, the Borrower or any Restricted Subsidiary, or any other Environmental Liability or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by Holdings or any Subsidiary and regardless of whether any Indemnitee is a party thereto, provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (i) are determined by a court of competent jurisdiction by final, non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of, or a material breach of the Loan Documents by, any Indemnitee or its Related Parties or (ii) any dispute between and among indemnified persons that does not involve an act or omission by Holdings, the Borrower or any of the Restricted Subsidiaries except that each Agent, the Joint Lead Arrangers and the Joint Bookrunners shall be indemnified in their capacities as such to the extent that none of the exceptions set forth in clause (i) applies to such Person at such time. The Borrower shall not be liable for any special, indirect, consequential or punitive damages (other than in respect of any such damages required to be indemnified pursuant to this Section 9.03(b)).

(c) To the extent that Holdings or the Borrower fails to pay any amount required to be paid by it to the Administrative Agent, any Swingline Lender or any Issuing Bank under paragraph (a) or (b) of this Section, and without limiting Holdings' or the Borrower's obligation to do so, (x) each Lender severally agrees to pay to the Administrative Agent and (y) each Revolving Lender severally agrees to pay to such Swingline Lender or such Issuing Bank, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, such Swingline Lender or such Issuing Bank in its capacity as such. For purposes hereof, a Lender's "pro rata share" shall be determined based upon its share of the aggregate Revolving Exposures, outstanding Loans and unused Commitments at the time. The obligations of the Lenders under this paragraph (c) are subject to the last sentence of Section 2.02(a) (which shall apply mutatis mutandis to the Lenders' obligations under this paragraph (c)).

(d) To the fullest extent permitted by applicable law, none of Holdings or the Borrower shall assert, and each hereby waives, any claim against any Indemnitee (i) for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the Internet), provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such damages are determined by a court of competent jurisdiction by final, non-appealable judgment to have resulted from the gross negligence or willful misconduct of, or a breach of the Loan Documents by, such Indemnitee or its Related Parties or (ii) on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, any Loan Document or any agreement or instrument contemplated thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof.

(e) All amounts due under this Section shall be payable not later than 10 Business Days after written demand therefor; provided, however, that any Indemnitee shall promptly refund an indemnification payment received hereunder to the extent that there is a final judicial determination that such Indemnitee was not entitled to indemnification with respect to such payment pursuant to this Section 9.03.

SECTION 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), except that (i) no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Bank and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in clause (ii) and paragraph (g) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent (except with respect to assignments to competitors of Holdings or the Borrower) not to be unreasonably withheld or delayed) of (A) Holdings, provided that no consent of Holdings shall be required for an assignment (1) by a Term Lender to any Lender or an Affiliate of any Lender or in the case of assignments during the primary syndication of the Commitments and Loans to Persons identified to and agreed by the Borrower in writing prior to the Effective Date, (2) by a Revolving Lender to any Revolving Lender or an Affiliate of any Revolving Lender (3) by a Term Lender to an Approved Fund or (4) if an Event of Default under Section 7.01(a), (b), (h) or (i) has occurred and is continuing, by a Term Lender or a Revolving Lender to any other assignee; and provided, further, that Holdings shall have the right to withhold its consent to any assignment if, in order for such assignment to comply with applicable law, Holdings would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority, (B) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund or to Holdings or any Affiliate thereof and (C) each Principal Issuing Bank and Swingline Lender, provided that no consent of any Issuing Bank or Swingline Lender shall be required for an assignment of all or any portion of a Term Loan or Term Commitment. Notwithstanding anything in this Section 9.04 to the contrary, if any Person the consent of which is required by this paragraph with respect to any assignment of Term Loans has not given the Administrative Agent written notice of its objection to such assignment within 10 Business Days after written notice to such Person, such Person shall be deemed to have consented to such assignment.

(ii) Assignments shall be subject to the following additional conditions: (A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the trade date specified in the Assignment and Assumption with respect to such assignment or, if no trade date is so specified, as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than in the case of a Revolving Loan or Revolving Commitment, \$2,000,000 (and integral multiples of \$1,000,000 in excess thereof) or, in the case of a Term Loan, \$2,000,000 (and integral multiples of \$1,000,000 in excess thereof), unless Holdings and the Administrative Agent otherwise consent (such consent not to be unreasonably withheld or delayed), provided that no such consent of Holdings shall be required if an Event of Default under Section 7.01(a), (b), (h) or (i) has occurred and is continuing, (B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement, provided that this subclause (B) shall not be construed to prohibit assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans, (C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption (which shall include a representation by the assignee that is not a Disqualified Lender or an Affiliate of a Disqualified Lender (so long as the list of Disqualified Lenders has been made available to all Lenders)), together (unless waived by the Administrative Agent) with a processing and recordation fee of \$ 3,500, provided that assignments made pursuant to Section 2.19 or Section 9.02(c) shall not require the signature of the assigning Lender to become effective; provided further that such recordation fee shall not be payable in the case of assignments by any Affiliate of any Joint Bookrunner in connection with assignments of such Loans during primary syndication, (D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent any tax forms required by Section 2.17(e) and an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower, the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws and (E) unless Holdings otherwise consents, no assignment of all or any portion of the Revolving Commitment of a Lender that is also a Swingline Lender or an Issuing Bank may be made unless (1) the assignee shall be or become a Swingline Lender and/or an Issuing Bank, as applicable, and assume a ratable portion of the rights and obligations of such assignor in its capacity as Swingline Lender and Issuing Bank or (2) the assignor agrees, in its discretion, to retain all of its rights with respect to and obligations to make or issue Swingline Loans and Letters of Credit, as applicable, hereunder in which case the Applicable Fronting Exposure of such assignor may exceed such assignor's Revolving Commitment for purposes of Section 2.04(a) and Section 2.05(b) by an amount not to exceed the difference between the assignor's Revolving Commitment prior to such assignment and the assignor's Revolving Commitment following such assignment; provided that no such consent of Holdings shall be required if an Event of Default under Section 7.01(a), (b), (h) or (i) has occurred and is continuing.

(iii) Subject to acceptance and recording thereof pursuant to clause (v) of this paragraph (b), from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (subject to the obligations and limitations of) Sections 2.15, 2.16, 2.17 and 9.03 and to any fees payable hereunder that have accrued for such Lender's account but have not yet been paid). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.04(c)(i).

(iv) The Administrative Agent, acting for this purpose as an agent of Holdings and the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it, each Affiliated Lender Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal and interest amounts of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and Holdings, the Borrower, the Administrative Agent, the Issuing Bank and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain on the Register information regarding the designation, and revocation of designation, of any Lender as a Defaulting Lender. The Register shall be available for inspection by Holdings, the Borrower and, solely with respect to its Loans or Commitments, any Lender, at any reasonable time and from time to time upon reasonable prior notice. Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender or a Disqualified Lender, nor shall the Administrative Agent be obligated to monitor the aggregate amount of the Loans or Incremental Facilities held by Affiliated Lenders.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and any tax forms required by Section 2.17(e) (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in this paragraph (b) and any written consent to such assignment required by this paragraph (b), the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph (b).

(vi) The words "execution," "signed," "signature" and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act.

The Administrative Agent may disclose the list of Disqualified Lenders to a Lender upon request and subject to the prior written consent of the Borrower (which may be withheld in the Borrower's sole discretion); provided that if such Lender's request is in connection with a proposed assignment of all or a portion of its rights and obligations under this Agreement, Borrower's written consent shall not be required.

(c) (i) Any Lender may, without the consent of Holdings or the Administrative Agent, sell participations to one or more banks or other Persons (other than to a Person that is not an Eligible Assignee; provided that for the purposes of this provision, Disqualified Lenders shall be deemed to be Eligible Assignees unless a list of Disqualified Lenders has been made available to all Lenders under the Term Facility or the Revolving Credit Facility, as applicable) (a "Participant"); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) Holdings, the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents, provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clauses (i), (ii), (iii), (v), (vi) and (vii) of the first proviso to Section 9.02(b) that directly and adversely affects such Participant (but, for the avoidance of doubt, not any waiver of any Default or Event of Default). Subject to clause (ii) below, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the obligations and limitations thereof and Section 2.19 it being understood that any tax forms required by Section 2.17(e) shall be provided solely to the participating Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender, provided that such Participant shall be subject to Section 2.18(c) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.15 2.16 or Section 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior consent (not to be unreasonably withheld or delayed).

(iii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal and interest amounts of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"), provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or its other obligations under any Loan Document) except to the extent that such disclosure is reasonably necessary in connection with a Tax audit or other proceeding to establish that such Commitment, Loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive (absent manifest error), and each Person whose name is recorded in the Participant Register pursuant to the terms hereof shall be treated as a Participant for all purposes of this Agreement, notwithstanding notice to the contrary.

(d) Any Lender may, without the consent of Holdings, the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank, and this Section shall not apply to any such pledge or assignment of a security interest, provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swingline Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(f) Notwithstanding anything to the contrary contained herein, any Lender (a “Granting Lender”) may grant to a special purpose funding vehicle (an “SPV”), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrower pursuant to this Agreement, provided that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, such party will not institute against, or join any other person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 9.04, any SPV may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower and Administrative Agent) providing liquidity or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (ii) disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV.

(g) Any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement to the Affiliated Lenders (and such Affiliated Lenders may contribute the same to the Borrower), subject to the following limitations:

(i) Affiliated Lenders will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of Borrowings, notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II; provided, however, that the foregoing provisions of this clause will not apply to the Affiliated Debt Funds;

(ii) for purposes of any amendment, waiver or modification of any Loan Document (including such modifications pursuant to Section 9.02), or, subject to Section 9.02(e), any plan of reorganization pursuant to the U.S. Bankruptcy Code, that in either case does not require the consent of each Lender or each affected Lender or does not adversely affect such Affiliated Lender in any disproportionately adverse respect as compared to other Lenders, Affiliated Lenders will be deemed to have voted in the same proportion as the Lenders that are not Affiliated Lenders voting on such matter; and each Affiliated Lender hereby acknowledges, agrees and consents that if, for any reason, its vote to accept or reject any plan pursuant to the U.S. Bankruptcy Code is not deemed to have been so voted, then such vote will be (x) deemed not to be in good faith and (y) “designated” pursuant to Section 1126(e) of the U.S. Bankruptcy Code such that the vote is not counted in determining whether the applicable class has accepted or rejected such plan in accordance with Section 1126(c) of the U.S. Bankruptcy Code; provided that Affiliated Debt Funds will not be subject to such voting limitations and will be entitled to vote as any other Lender;

(iii) Affiliated Lenders may not purchase Revolving Loans;

(iv) the aggregate principal amount of Loans purchased by assignment pursuant to this Section 9.04 and held at any one time by Affiliated Lenders (other than Affiliated Debt Funds) may not exceed 25.0% of the outstanding principal amount of all Loans plus the outstanding principal amount of all term loans made pursuant to any Incremental Facility calculated at the time such Loans are purchased (such percentage, the "Affiliated Lender Cap"); provided that to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of all Loans held by Affiliated Lenders exceeding the Affiliated Lender Cap, the assignment of such excess amount will be void *ab initio*; and

(v) the assigning Lender and the Affiliated Lender purchasing such Lender's Loans shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit B hereto (an "Affiliated Lender Assignment and Assumption"); provided that each Affiliated Lender agrees to notify the Administrative Agent and the Borrowers promptly (and in any event within 10 Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent and the Borrowers promptly (and in any event within 10 Business Days) if it becomes an Affiliated Lender.

Notwithstanding anything in Section 9.02 or the definition of "Required Lenders" to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to any Loan Document or (iii) directed or required the Administrative Agent, Collateral Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, the aggregate amount of Loans held by any Affiliated Debt Funds shall be deemed to be not outstanding to the extent in excess of 49.9% of the amount required for all purposes of calculating whether the Required Lenders have taken any actions.

Each Affiliated Lender by its acquisition of any Loans outstanding hereunder will be deemed to have waived any right it may otherwise have had to bring any action in connection with such Loans against the Administrative Agent, in its capacity as such, and will be deemed to have acknowledged and agreed that the Administrative Agent shall not have any liability for any losses suffered by any Person as a result of any purported assignment to or from an Affiliated Lender.

(h) Assignments of Term Loans to any Purchasing Borrower Party shall be permitted through open market purchases and/or, so long as any offer to purchase or take by assignment (other than through open market purchases) by such Purchasing Borrower Party shall have been made to all Term Lenders on a pro rata basis, through procedures (and subject to the terms) set forth in Section 2.11(a)(ii), so long as (i) no Event of Default has occurred and is continuing, (ii) the Term Loans purchased are immediately cancelled and (iii) no proceeds from any loan under the Revolving Credit Facility shall be used to fund such assignments.

(i) Upon any contribution of Loans to the Borrower or any Restricted Subsidiary and upon any purchase of Loans by a Purchasing Borrower Party, (A) the aggregate principal amount (calculated on the face amount thereof) of such Loans shall automatically be cancelled and retired by the Borrower on the date of such contribution or purchase (and, if requested by the Administrative Agent, with respect to a contribution of Loans, any applicable contributing Lender shall execute and deliver to the Administrative Agent an Assignment and Assumption, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in such Loans to the Borrower for immediate cancellation) and (B) the Administrative Agent shall record such cancellation or retirement in the Register.

SECTION 9.05 Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to any Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof. Notwithstanding the foregoing or anything else to the contrary set forth in this Agreement, in the event that, in connection with the refinancing or repayment in full of the credit facilities provided for herein, an Issuing Bank shall have provided to the Administrative Agent a written consent to the release of the Revolving Lenders from their obligations hereunder with respect to any Letter of Credit issued by such Issuing Bank (whether as a result of the obligations of the Borrower (and any other account party) in respect of such Letter of Credit having been collateralized in full by a deposit of cash with such Issuing Bank or being supported by a letter of credit that names such Issuing Bank as the beneficiary thereunder, or otherwise), then from and after such time such Letter of Credit shall cease to be a "Letter of Credit" outstanding hereunder for all purposes of this Agreement and the other Loan Documents, and the Revolving Lenders shall be deemed to have no participations in such Letter of Credit, and no obligations with respect thereto, under Section 2.05(e) or (f).

SECTION 9.06 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent or the syndication of the Loans and Commitments constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic means shall be effective as delivery of an original counterpart of this Agreement.

SECTION 9.07 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08 Right of Setoff. If an Event of Default under Section 7.01(a), (b), (h) or (i) shall have occurred and be continuing, each Lender and each Issuing Bank is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or such Issuing Bank to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower then due and owing under this Agreement held by such Lender or Issuing Bank, irrespective of whether or not such Lender or Issuing Bank shall have made any demand under this Agreement and although such obligations are owed to a branch or office of such Lender or Issuing Bank different from the branch or office holding such deposit or obligated on such Indebtedness. The applicable Lender and applicable Issuing Bank shall notify Holdings and the Administrative Agent of such setoff and application, provided that any failure to give or any delay in giving such notice shall not affect the validity of any such setoff and application under this Section. The rights of each Lender and each Issuing Bank under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or such Issuing Bank may have. Notwithstanding the foregoing, no amount set off from any Guarantor shall be applied to any Excluded Swap Obligation of such Guarantor.

SECTION 9.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the law of the State of New York; provided that, notwithstanding the foregoing, it is understood and agreed that (i) the interpretation of the definition of Company Material Adverse Effect (and whether or not a Company Material Adverse Effect has occurred), (ii) the determination of the accuracy of any Specified Representations pursuant to clause (a) thereof and whether as a result of any inaccuracy thereof Parent, Merger Sub or their respective Affiliates have the right (taking into account any applicable cure provisions) to terminate obligations of Parent or Merger Sub under the Merger Agreement or decline to consummate the Acquisition and (iii) the determination of whether the Acquisition has been consummated in accordance with the terms of the Merger Agreement, in each case shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof.

(b) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York sitting in New York County, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in any Loan Document shall affect any right that the Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to any Loan Document against Holdings, the Borrower or their respective properties in the courts of any jurisdiction.

(c) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to any Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in any Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12 Confidentiality.

(a) Each of the Administrative Agent, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees, trustees and agents, including accountants, legal counsel and other agents and advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential and any failure of such Persons to comply with this Section 9.12 shall constitute a breach of this Section 9.12 by the Administrative Agent, any Issuing Bank or the relevant Lender, as applicable), (b) (x) to the extent requested or required by any regulatory or administrative authority, required by applicable law or by any subpoena or similar legal process, based on the reasonable advice of such Person's legal counsel or (y) necessary in connection with the exercise of remedies; provided that, (i) in each case, unless specifically prohibited by applicable law or court order, each Lender and the Administrative Agent shall notify Holdings, prior to such disclosure, of any request by any governmental agency or representative thereof (other than any such request in connection with an examination of the financial condition of such Lender by such governmental agency or other routine examinations of such Lender by such governmental agency) for disclosure of any such non-public information prior to disclosure of such information and (ii) in the case of clause (y) only, each Lender and the Administrative Agent shall use reasonable best efforts to ensure that such Information is kept confidential in connection with the exercise of such remedies, and provided, further, that in no event shall any Lender or the Administrative Agent be obligated or required to return any materials furnished by Holdings, the Borrower or any of their Subsidiaries, (c) to any other party to this Agreement, (d) subject to an agreement containing confidentiality undertakings substantially similar to those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any Swap Agreement relating to any Loan Party or their Subsidiaries and its obligations under the Loan Documents, (e) with the consent of Holdings, in the case of Information provided by Holdings, the Borrower or any other Subsidiary, (f) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any Issuing Bank or any Lender on a nonconfidential basis from a source other than Holdings or the Borrower or (g) to any ratings agency or the CUSIP Service Bureau on a confidential basis. In addition, the Agents and the Lenders may disclose the existence of this Agreement and publicly available information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments and the Borrowings hereunder. For the purposes of this Section, "Information" means all information received from Holdings or the Borrower relating to Holdings, the Borrower, any Subsidiary or their business, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by Holdings or the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

(b) EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 9.12(a) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING HOLDINGS, THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

(c) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT, WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT HOLDINGS, THE BORROWER, THE OTHER LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

SECTION 9.13 USA Patriot Act. Each Lender that is subject to the USA Patriot Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that pursuant to the requirements of Title III of the USA Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or Administrative Agent, as applicable, to identify each Loan Party in accordance with the Title III of the USA Patriot Act.

SECTION 9.14 Electronic Signatures. The words "execution," "execute," "signed," "signature," and words of like import in or related to this Agreement or any other document to be signed in connection with this Agreement and the transactions contemplated hereby (including any amendment, waiver, consent or other modification hereof) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

~~SECTION 9.14~~ ~~{Reserved}~~

SECTION 9.15 Release of Liens and Guarantees. A Loan Party shall automatically be released from its obligations under the Loan Documents, and all security interests created by the Security Documents in Collateral owned by such Subsidiary Loan Party shall be automatically released, (1) upon the consummation of any transaction permitted by this Agreement as a result of which such Subsidiary Loan Party ceases to be a Restricted Subsidiary (including pursuant to a merger with a Subsidiary that is not a Loan Party or a designation as an Unrestricted Subsidiary) or (2) upon the request of the Borrower, in connection with a transaction permitted under this Agreement, as a result of which such Subsidiary Loan Party ceases to be a wholly-owned Subsidiary. Upon (i) any sale or other transfer by any Loan Party (other than to Holdings, the Borrower or any other Subsidiary Loan Party) of any Collateral in a transaction permitted under this Agreement or (ii) the effectiveness of any written consent to the release of the Lien or security interest created under any Security Document in any Collateral or the release of any Loan Party from its Guarantee under the Guarantee Agreement pursuant to Section 9.02, the security interests in such Collateral created by the Security Documents or such guarantee shall be automatically released. Upon the occurrence of the Termination Date, all obligations under the Loan Documents and all security interests created by the Security Documents shall be automatically released. In connection with any termination or release pursuant to this Section, the Administrative Agent shall execute and deliver to any Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent. The Lenders irrevocably authorize the Administrative Agent to release or subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(iv) or Section 6.02(xxii) to the extent required by the terms of the obligations secured by such Liens pursuant to documents reasonably acceptable to the Administrative Agent).

SECTION 9.16 No Fiduciary Relationship. Each of Holdings and the Borrower, on behalf of itself and its Subsidiaries, agrees that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, Holdings, the Borrower, the other Subsidiaries and their Affiliates, on the one hand, and the Administrative Agent, the Lenders and their Affiliates, on the other hand, will have a business relationship that does not create, by implication or otherwise, any fiduciary duty on the part of the Administrative Agent, the Lenders or their Affiliates, and no such duty will be deemed to have arisen in connection with any such transactions or communications.

SECTION 9.17 Effectiveness of the Merger. The Target shall have no rights or obligations hereunder until the consummation of the Acquisition and the merger with Merger Sub and any representations and warranties of the Target hereunder shall not become effective until such time. Upon consummation of the Acquisition, the Target shall succeed to all the rights and obligations of Merger Sub under this Agreement and the other Loan Documents to which they are a party and all representations and warranties of the Target shall become effective as of the date hereof, without any further action by any Person.

SECTION 9.18 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the "Maximum Rate"). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof and (c) amortize, prorate, allocate and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the obligations hereunder.

SECTION 9.19 Acknowledgement and Consent to Bail-In of EEA-Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Lender that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of ~~an EEA~~the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA-Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of ~~any EEA~~the applicable Resolution Authority

SECTION 9.20 Lender ERISA Representation.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Joint Lead Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of 29 CFR § 2510.3 -101, as modified by Section 3(42) of ERISA) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of subsections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has not provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Joint Lead Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that none of the Administrative Agent, the Joint Lead Arrangers or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto).

(c) The Administrative Agent, the Joint Lead Arrangers hereby informs the Lenders that each such Person is not undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Commitments and this Agreement, (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

#### SECTION 9.21 Acknowledgment Regarding Any Supported QFCs.

(a) To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Swap Obligation or any other agreement or instrument that is a QFC (such support, "QFC Credit Support"; and each such QFC, a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the Laws of the State of New York and/or of the United States or any other state of the United States.

(b) In the event that a Covered Entity that is a party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the Laws of the United States or a state of the United States. In the event that a Covered Party, or a BHC Act Affiliate of a Covered Party, becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

**INDEMNIFICATION AGREEMENT**

INDEMNIFICATION AGREEMENT, dated effective as of [\_\_\_\_\_] (this "Agreement"), by and between European Wax Center, Inc., a Delaware corporation (the "Company"), and [\_\_\_\_\_] ("Indemnitee"). Capitalized terms used herein and not otherwise defined shall have the respective meanings set forth in Article 1.

WHEREAS, the Company desires to attract and retain the services of highly qualified individuals, such as Indemnitee, to serve the Company;

WHEREAS, in order to induce Indemnitee to provide or continue to provide services to the Company, the Company wishes to provide for the indemnification of, and advancement of expenses to, Indemnitee to the fullest extent permitted by law;

WHEREAS, the Company and Indemnitee further recognize the substantial increase in corporate litigation in general, subjecting directors, officers, employees, agents and fiduciaries to expensive litigation risks at the same time as the availability and scope of coverage of liability insurance provide increasing challenges for the Company;

WHEREAS, the Company's Amended and Restated Certificate of Incorporation (as the same may be amended and/or restated from time to time, the "Certificate of Incorporation") requires indemnification of the officers and directors of the Company, and Indemnitee may also be entitled to indemnification pursuant to applicable provisions of the Delaware General Corporation Law ("DGCL");

WHEREAS, the Certificate of Incorporation and the DGCL expressly provide that the indemnification provisions set forth therein are not exclusive, and thereby contemplate that contracts providing for indemnification may be entered into between the Company and members of the board of directors of the Company (the "Board"), executive officers and other key employees of the Company;

WHEREAS, this Agreement is a supplement to and in furtherance of the Certificate of Incorporation and any resolutions adopted pursuant thereto and shall not be deemed a substitute therefor nor to diminish or abrogate any rights of Indemnitee thereunder (regardless of, among other things, any amendment to or revocation of governing documents or any change in the composition of the Board or any Corporate Transaction); and

WHEREAS, Indemnitee will serve or continue to serve as a director, officer or key employee of the Company for so long as Indemnitee is duly elected or appointed or until Indemnitee tenders his or her resignation or is otherwise terminated by the Company.

NOW, THEREFORE, in consideration of the promises and the covenants contained herein, the Company and Indemnitee do hereby covenant and agree as follows:

  - (a) Acquisition of Stock by Third Party. Any Person other than a Permitted Holder is or becomes the Beneficial Owner, directly or indirectly, of securities of the Company representing more than 50% of the combined voting power of the Company’s then outstanding Voting Securities, unless (i) the change in the relative Beneficial Ownership of the Company’s securities by any Person results solely from a reduction in the aggregate number of outstanding shares of securities entitled to vote generally in the election of directors or (ii) such acquisition was approved in advance by the Continuing Directors and such acquisition would not constitute a Change in Control under part (c) of this definition;
  - (b) Change in Board of Directors. Individuals who, as of the date hereof, constitute the Board, and any new director whose appointment or election by the Board or nomination for election by the Company’s stockholders was approved or recommended by a vote of at least a majority of the directors then still in office who were directors on the date hereof or whose appointment, election or nomination for election was previously so approved or recommended by the directors referred to in this clause (b) (collectively, the “Continuing Directors”), cease for any reason to constitute at least a majority of the members of the Board;

(d) Other Events. The approval by the stockholders of the Company of a plan of complete liquidation or dissolution of the Company or the consummation of an agreement or series of related agreements for the sale or other disposition, directly or indirectly, by the Company of all or substantially all of the Company's assets, other than such sale or other disposition by the Company of all or substantially all of the Company's assets to a Person, at least 50% of the combined voting power of the Voting Securities of which are Beneficially Owned by (i) the stockholders of the Company immediately prior to such sale or (ii) the Permitted Holders.

1.8. "Company" shall have the meaning set forth in the preamble and shall also include, in addition to the resulting corporation or other entity, any constituent corporation (including, without limitation, any constituent of a constituent) absorbed in a consolidation or merger that, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, employees or agents, so that if Indemnitee is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, manager, managing member, employee or agent of another corporation, partnership, limited liability company, joint venture, trust or other enterprise, Indemnitee shall stand in the same position under the provisions of this Agreement with respect to the resulting or surviving corporation or other entity as Indemnitee would have with respect to such constituent corporation if its separate existence had continued.

1.9. “Continuing Directors” shall have the meaning set forth in Section 1.7(b).

1.10. “Corporate Status” shall describe the status as such of a person who is or was a director, officer, trustee, general partner, manager, managing member, fiduciary, employee or agent of the Company or of any other Enterprise which such person is or was serving at the request of the Company.

1.11. “Corporate Transaction” shall have the meaning set forth in Section 1.7(c).

1.12. “Delaware Court” shall mean the Court of Chancery of the State of Delaware.

1.13. “DGCL” shall have the meaning set forth in the recitals.

1.14. “Disinterested Director” shall mean a director of the Company who is not and was not a party to the Proceeding in respect of which indemnification is sought by Indemnitee.

1.15. “Enterprise” shall mean the Company and any other corporation, constituent corporation (including, without limitation, any constituent of a constituent) absorbed in a consolidation or merger to which the Company (or any of its wholly owned Subsidiaries) is a party, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise of which Indemnitee is or was serving at the request of the Company as a director, officer, trustee, general partner, manager, managing member, fiduciary, employee or agent.

1.16. “Exchange Act” shall mean the Securities Exchange Act of 1934, as amended.

Expenses also shall include expenses incurred in connection with any appeal resulting from any Proceeding, including, without limitation, the premium, security for, and other costs relating to any cost bond, supersedeas bond, or other appeal bond or its equivalent and any federal, state, local or foreign taxes imposed on the Indemnitee as a result of the actual or deemed receipt of any payments under this Agreement. Expenses, however, shall not include amounts paid in settlement by Indemnitee or the amount of judgments, fines or penalties against Indemnitee.

1.18. “Indemnification Arrangements” shall have the meaning set forth in Section 15.2.

1.19. “Indemnitee” shall have the meaning set forth in the preamble.

1.20. “Indemnitee-Related Entities” shall mean any corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise (other than the Company, any other Enterprise controlled by the Company or the insurer under and pursuant to an insurance policy of the Company or any such controlled Enterprise) from whom an Indemnitee may be entitled to indemnification or advancement of expenses with respect to which, in whole or in part, the Company or any other Enterprise controlled by the Company may also have an indemnification or advancement obligation.

1.21. “Independent Counsel” shall mean a law firm, or a person admitted to practice law in any state of the United States or the District of Columbia who is a member of a law firm, that is of outstanding reputation, experienced in matters of corporation law and neither is as of the date of selection of such firm, nor has been during the period of three years immediately preceding the date of selection of such firm, retained to represent: (a) the Company or Indemnitee in any material matter (other than with respect to matters concerning Indemnitee under this Agreement, or of other indemnitees under similar indemnification agreements); or (b) any other party to the Proceeding giving rise to a claim for indemnification hereunder. Notwithstanding the foregoing, the term “Independent Counsel” shall not include any person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing either the Company or Indemnitee in an action to determine Indemnitee’s rights under this Agreement. The Company agrees to pay the reasonable fees and expenses of the Independent Counsel referred to above and to fully indemnify such counsel against any and all Expenses, claims, liabilities and damages arising out of or relating to this Agreement or its engagement pursuant hereto. 1.23. “Person” shall have the meaning set forth in Sections 13(d) and 14(d) of the Exchange Act (as in effect on the date hereof); provided, however, that the term “Person” shall exclude: (a) the Company; (b) any Subsidiaries of the Company; and (c) any employee benefit plan of the Company or a Subsidiary of the Company or any trustee or other fiduciary holding securities under an employee benefit plan of the Company or of a Subsidiary of the Company or of a corporation or other entity owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of stock of the Company.

1.24. “Proceeding” shall include any threatened, pending or completed action, suit, arbitration, mediation, alternate dispute resolution mechanism, investigation, inquiry, administrative hearing or any other actual, threatened, pending or completed proceeding, including, without limitation, any and all appeals, whether brought by or in the right of the Company or otherwise and whether of a civil (including, without limitation, intentional or unintentional tort claims), criminal, administrative or investigative nature, whether formal or informal, in which Indemnitee was, is, will or might be involved as a party or otherwise by reason of the fact that Indemnitee is or was a director or officer or key employee of the Company, by reason of any action taken by or omission by Indemnitee, or of any action or omission on Indemnitee’s part while acting as a director or officer or key employee of the Company, or by reason of the fact that Indemnitee is or was serving at the request of the Company as a director, officer, trustee, general partner, managing member, fiduciary, employee or agent of any other Enterprise; in each case whether or not acting or serving in such capacity at the time any liability or expense is incurred for which indemnification, reimbursement or advancement of expenses can be provided under this Agreement or Section 145 of the DGCL; including any proceeding pending on or before the date of this Agreement but excluding any proceeding initiated by Indemnitee to enforce Indemnitee’s rights under this Agreement or Section 145 of the DGCL.

1.25. “Related Party” shall mean, with respect to any Person, (a) any controlling stockholder, controlling member, general partner, Subsidiary, spouse or immediate family member (in the case of an individual) of such Person, (b) any estate, trust, corporation, partnership or other entity, the beneficiaries, stockholders, partners or owners of which consist solely of one or more Permitted Holders and/or such other Persons referred to in the immediately preceding clause (a), or (c) any executor, administrator, trustee, manager, director or other similar fiduciary of any Person referred to in the immediately preceding clause (b), acting solely in such capacity.

1.29. References to “fines” shall include any excise tax or penalty assessed on Indemnitee with respect to any employee benefit plan; references to “other enterprise” shall include employee benefit plans; references to “serving at the request of the Company.” shall include, without limitation, any service as a director, officer, employee, agent or fiduciary of the Company which imposes duties on, or involves services by, such director, officer, employee, agent or fiduciary with respect to an employee benefit plan, its participants or beneficiaries; and if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in the best interests of the participants and beneficiaries of an employee benefit plan, Indemnitee shall be deemed to have acted in a manner “not opposed to the best interests of the Company” as referred to in this Agreement.

1.30. The phrase “to the fullest extent not prohibited by (and not merely to the extent affirmatively permitted by) applicable law” shall include, but not be limited to: (a) to the fullest extent authorized or permitted by the provision of the DGCL that authorizes or contemplates additional indemnification by agreement, or the corresponding provision of any amendment to or replacement of the DGCL and (b) to the fullest extent authorized or permitted by any amendments to or replacements of the DGCL adopted after the date of this Agreement that increase the extent to which a corporation may indemnify its officers and directors.

## ARTICLE 2

### INDEMNITY IN THIRD-PARTY PROCEEDINGS

Subject to Article 8, the Company shall indemnify, hold harmless and exonerate Indemnitee in accordance with the provisions of this Article 2 if Indemnitee is, was or is threatened to be made a party to or a participant (as a witness or otherwise) in any Proceeding, other than a Proceeding by or in the right of the Company to procure a judgment in its favor. Subject to Article 8, to the fullest extent not prohibited by applicable law, Indemnitee shall be indemnified against all Expenses, judgments, fines, penalties and, subject to Section 10.3, amounts paid in settlement actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with such Proceeding or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company and, in the case of a criminal Proceeding, had no reasonable cause to believe that such conduct was unlawful. No indemnification for Expenses shall be made under this Article 2 in respect of any claim, issue or matter as to which Indemnitee shall have been finally adjudged (and not subject to further appeal) by a court of competent jurisdiction to be liable to the Company, except to the extent that the Delaware Court or any court in which the Proceeding was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, Indemnitee is fairly and reasonably entitled to indemnification.

## ARTICLE 3

### INDEMNITY IN PROCEEDINGS BY OR IN THE RIGHT OF THE COMPANY

Subject to Article 8, the Company shall indemnify, hold harmless and exonerate Indemnitee in accordance with the provisions of this Article 3 if Indemnitee is, was or is threatened to be made a party to or a participant (as a witness or otherwise) in any Proceeding by or in the right of the Company to procure a judgment in its favor. Subject to Article 8, to the fullest extent not prohibited by (and not merely to the extent affirmatively permitted by) applicable law, Indemnitee shall be indemnified, held harmless and exonerated against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with such Proceeding or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company. No indemnification for Expenses shall be made under this Article 3 in respect of any claim, issue or matter as to which Indemnitee shall have been finally adjudged (and not subject to further appeal) by a court of competent jurisdiction to be liable to the Company, except to the extent that the Delaware Court or any court in which the Proceeding was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, Indemnitee is fairly and reasonably entitled to indemnification.

#### ARTICLE 4

##### INDEMNIFICATION FOR EXPENSES OF A PARTY WHO IS WHOLLY OR PARTLY SUCCESSFUL

Notwithstanding any other provisions of this Agreement, to the extent that Indemnitee is a party to (or a participant in) and is successful, on the merits or otherwise, in any Proceeding or in defense of any claim, issue or matter therein, in whole or in part, the Company shall indemnify, hold harmless and exonerate Indemnitee against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection therewith. For the avoidance of doubt, if Indemnitee is not wholly successful in such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, then the Company shall indemnify, hold harmless and exonerate Indemnitee against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with each resolved claim, issue or matter, whether or not Indemnitee was wholly or partly successful; provided that Indemnitee shall only be entitled to indemnification for Expenses with respect to unsuccessful claims under this Article 4 to the extent Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company and, in the case of a criminal Proceeding, had no reasonable cause to believe that such conduct was unlawful. For purposes of this Article 4 and without limitation, the termination of any claim, issue or matter in such a Proceeding by dismissal, with or without prejudice, or by settlement, shall be deemed to be a successful result as to such claim, issue or matter.

#### ARTICLE 5

##### INDEMNIFICATION FOR EXPENSES OF A WITNESS

Notwithstanding any other provision of this Agreement, to the extent that Indemnitee is, by reason of Indemnitee's Corporate Status, a witness in any Proceeding to which Indemnitee is not a party, Indemnitee shall be indemnified, held harmless and exonerated against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection therewith.

#### ARTICLE 6

##### ADDITIONAL INDEMNIFICATION, HOLD HARMLESS AND EXONERATION RIGHTS

In addition to and notwithstanding any limitations in Articles 2, 3 or 4, but subject to Article 8, the Company shall indemnify, hold harmless and exonerate Indemnitee to the fullest extent not prohibited by (and not merely to the extent affirmatively permitted by) law if Indemnitee is, was or is threatened to be made a party to or a participant in, any Proceeding (including a Proceeding by or in the right of the Company to procure a judgment in its favor) against all Expenses, judgments, fines, penalties and, subject to Section 10.3, penalties and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of such Expenses, judgments, fines, penalties and amounts paid in settlement) actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with the Proceeding. No indemnity shall be available under this Article 6 on account of Indemnitee's conduct that constitutes a breach of Indemnitee's duty of loyalty to the Company or its stockholders or is an act or omission not in good faith or that involves intentional misconduct or a knowing violation of the law.

## ARTICLE 7

### CONTRIBUTION IN THE EVENT OF JOINT LIABILITY

7.1. To the fullest extent not prohibited by (and not merely to the extent affirmatively permitted by) law, if the indemnification rights provided for in this Agreement are unavailable to Indemnitee in whole or in part for any reason whatsoever, the Company, in lieu of indemnifying Indemnitee, shall pay, in the first instance, the entire amount incurred by Indemnitee, whether for judgments, liabilities, fines, penalties, amounts paid or to be paid in settlement and/or for Expenses, in connection with any Proceeding without requiring Indemnitee to contribute to such payment, and the Company hereby waives and relinquishes any right of contribution it may have at any time against Indemnitee.

7.2. The Company shall not enter into any settlement of any Proceeding in which the Company is jointly liable with Indemnitee (or would be if joined in such Proceeding) unless such settlement provides for a full and final release of all claims asserted against Indemnitee.

7.3. The Company hereby agrees to fully indemnify, hold harmless and exonerate Indemnitee from any claims for contribution which may be brought by officers, directors or employees of the Company (other than Indemnitee) who may be jointly liable with Indemnitee subject to the other terms and provisions of this Agreement.

## ARTICLE 8

### EXCLUSIONS

8.1. Notwithstanding any provision in this Agreement, the Company shall not be obligated under this Agreement to make any indemnity, contribution or advancement of Expenses in connection with any claim made against Indemnitee:

- (a) except as provided in Section 15.4, for which payment has actually been made to or on behalf of Indemnitee under any insurance policy of the Company or its Subsidiaries or other indemnity provision of the Company or its Subsidiaries, except with respect to any excess beyond any amounts that have actually been paid under any insurance policy, contract, agreement, other indemnity provision or otherwise as of such date with respect to such claim; or

- (b) for an accounting of profits made from the purchase and sale (or sale and purchase) by Indemnitee of securities of the Company within the meaning of Section 16(b) of the Exchange Act (or any similar successor statute) or similar provisions of state statutory law or common law; or
- (c) in connection with any Proceeding (or any part of any Proceeding) initiated or brought voluntarily by Indemnitee, including, without limitation, any Proceeding (or any part of any Proceeding) initiated by Indemnitee against the Company or its directors, officers, managers, managing members, employees or other indemnitees, other than a Proceeding initiated by Indemnitee to enforce its rights under this Agreement, unless (i) the Board authorized the Proceeding (or any part of any Proceeding) or (ii) the Company provides the indemnification payment, in its sole discretion, pursuant to the powers vested in the Company under applicable law; or
- (d) for the payment of amounts required to be reimbursed to the Company pursuant to Section 304 of the Sarbanes-Oxley Act of 2002, as amended, or any similar successor statute; or
- (e) for any payment to Indemnitee that is determined to be unlawful by a final judgment or other adjudication of a court or arbitration, arbitral or administrative body of competent jurisdiction as to which there is no further right or option of appeal or the time within which an appeal must be filed has expired without such filing and under the procedures and subject to the presumptions of this Agreement; or
- (f) in connection with any Proceeding initiated by Indemnitee to enforce its rights under this Agreement if a court or arbitration, arbitral or administrative body of competent jurisdiction determines by final judicial decision that each of the material assertions made by Indemnitee in such Proceeding was not made in good faith or was frivolous.

The exclusions in this Article 8 shall not apply to counterclaims or affirmative defenses asserted by Indemnitee in an action brought against Indemnitee.

## **ARTICLE 9**

### **ADVANCES OF EXPENSES; SELECTION OF LAW FIRM**

9.1. Subject to Article 8, the Company shall, unless prohibited by applicable law, advance the Expenses incurred by or on behalf of Indemnitee in connection with any Proceeding within ten business days after the receipt by the Company of a statement or statements requesting such advances, together with a reasonably detailed written explanation of the basis therefor and an itemization of legal fees and disbursements in reasonable detail, from time to time, whether prior to or after final disposition of any Proceeding. Advances shall be unsecured and interest free. Indemnitee shall qualify for advances, to the fullest extent permitted by this Agreement, solely upon the execution and delivery to the Company of an undertaking providing that Indemnitee undertakes to repay the advance to the extent that it is ultimately determined, by final judicial decision of a court or arbitration, arbitral or administrative body of competent jurisdiction from which there is no further right to appeal, that Indemnitee is not entitled to be indemnified by the Company under the provisions of this Agreement or pursuant to applicable law. This Section 9.1 shall not apply to any claim made by Indemnitee for which an indemnification payment is excluded pursuant to Article 8.

9.2. If the Company shall be obligated under Section 9.1 hereof to pay the Expenses of any Proceeding against Indemnitee, then the Company shall be entitled to assume the defense of such Proceeding upon the delivery to Indemnitee of written notice of its election to do so. If the Company elects to assume the defense of such Proceeding, then unless the plaintiff or plaintiffs in such Proceeding include one or more Persons holding, together with his, her or its Affiliates, in the aggregate, a majority of the combined voting power of the Company's then outstanding Voting Securities, the Company shall assume such defense using a single law firm (in addition to local counsel) selected by the Company representing Indemnitee and other present and former directors or officers of the Company. The retention of such law firm by the Company shall be subject to prior written approval by Indemnitee, which approval shall not be unreasonably withheld, delayed or conditioned. If the Company elects to assume the defense of such Proceeding and the plaintiff or plaintiffs in such Proceeding include one or more Persons holding, together with his, her or its Affiliates, in the aggregate, a majority of the combined voting power of the Company's then outstanding Voting Securities, then the Company shall assume such defense using a single law firm (in addition to local counsel) selected by Indemnitee and any other present or former directors or officers of the Company who are parties to such Proceeding. After (x) in the case of retention of any such law firm selected by the Company, delivery of the required notice to Indemnitee, approval of such law firm by Indemnitee and the retention of such law firm by the Company, or (y) in the case of retention of any such law firm selected by Indemnitee, the completion of such retention, the Company will not be liable to Indemnitee under this Agreement for any Expenses of any other law firm incurred by Indemnitee after the date that such first law firm is retained by the Company with respect to the same Proceeding; provided, that in the case of retention of any such law firm selected by the Company (a) Indemnitee shall have the right to retain a separate law firm in any such Proceeding at Indemnitee's sole expense; and (b) if (i) the retention of a law firm by Indemnitee has been previously authorized by the Company in writing, (ii) Indemnitee shall have reasonably concluded that (1) there may be a conflict of interest between either (x) the Company and Indemnitee or (y) Indemnitee and another present or former director or officer of the Company also represented by such law firm in the conduct of any such defense, or (2) there may be defenses available to Indemnitee that are incompatible or inconsistent with those available to the Company or another present or former director represented by such law firm in the conduct of such defense, or (iii) the Company shall not, in fact, have retained a law firm to prosecute the defense of such Proceeding within thirty days, then the reasonable Expenses of a single law firm retained by Indemnitee shall be at the expense of the Company. Notwithstanding anything else to the contrary in this Section 9.2, the Company will not be entitled without the written consent of the Indemnitee to assume the defense of any Proceeding brought by or in the right of the Company.

## ARTICLE 10

### PROCEDURE FOR NOTIFICATION; DEFENSE OF CLAIM; SETTLEMENT

10.1. Indemnitee shall, as a condition precedent to Indemnitee's right to be indemnified under this Agreement, give the Company notice in writing promptly of any claim made against Indemnitee for which indemnification will or could be sought under this Agreement; provided, however, that a delay in giving such notice shall not deprive Indemnitee of any right to be indemnified under this Agreement unless, and then only to the extent that, such delay is materially prejudicial to the defense of such claim. The omission or delay to notify the Company will not relieve the Company from any liability for indemnification which it may have to Indemnitee otherwise than under this Agreement. The Secretary of the Company shall, promptly upon receipt of such a request for indemnification, advise the Board in writing that Indemnitee has requested indemnification.

10.2. The Company will be entitled to participate in the Proceeding at its own expense.

10.3. The Company shall have no obligation to indemnify Indemnitee under this Agreement for any amounts paid in settlement of any claim effected without the Company's prior written consent, provided the Company has not breached its obligations hereunder. The Company shall not settle any claim, including, without limitation, any claim in which it takes the position that Indemnitee is not entitled to indemnification in connection with such settlement, nor shall the Company settle any claim which would impose any fine or obligation on Indemnitee or attribute to Indemnitee any admission of liability, without Indemnitee's prior written consent. Neither the Company nor Indemnitee shall unreasonably withhold, delay or condition their consent to any proposed settlement.

## ARTICLE 11

### PROCEDURE UPON APPLICATION FOR INDEMNIFICATION

11.1. Upon written request by Indemnitee for indemnification pursuant to the first sentence of Section 10.1, a determination, if required by applicable law, with respect to Indemnitee's entitlement thereto shall be made in the specific case: (a) by a majority of the Company's stockholders, (b) if a Change in Control shall have occurred, by Independent Counsel in a written opinion to the Board, a copy of which shall be delivered to Indemnitee; or (c) if a Change in Control shall not have occurred, (i) by a majority vote of the Disinterested Directors (provided there is a minimum of three Disinterested Directors), even though less than a quorum of the Board, (ii) by a committee of Disinterested Directors designated by a majority vote of the Disinterested Directors (provided there is a minimum of three Disinterested Directors), even though less than a quorum of the Board, or (iii) if there are less than three Disinterested Directors or, if such Disinterested Directors so direct, by Independent Counsel in a written opinion to the Board, a copy of which shall be delivered to Indemnitee, and, if it is so determined that Indemnitee is entitled to indemnification, payment to Indemnitee shall be made within ten business days after such determination and any future amounts due to Indemnitee shall be paid in accordance with this Agreement. Indemnitee shall cooperate with the Persons making such determination with respect to Indemnitee's entitlement to indemnification, including, without limitation, providing to such Persons upon reasonable advance request any documentation or information which is not privileged or otherwise protected from disclosure and which is reasonably available to Indemnitee and reasonably necessary to such determination, provided, that nothing contained in this Agreement shall require Indemnitee to waive any privilege Indemnitee may have. Any costs or Expenses (including, without limitation, reasonable and documented attorneys' fees and disbursements) incurred by Indemnitee in so cooperating with the Persons making such determination shall be borne by the Company (irrespective of the determination as to Indemnitee's entitlement to indemnification), and the Company hereby indemnifies and agrees to hold Indemnitee harmless therefrom.

11.2. If the determination of entitlement to indemnification is to be made by Independent Counsel pursuant to Section 11.1 hereof, the Independent Counsel shall be selected as provided in this Section 11.2. If a Change in Control shall not have occurred, the Independent Counsel shall be selected by the Board, and the Company shall give written notice to Indemnitee advising Indemnitee of the identity of the Independent Counsel so selected. If a Change in Control shall have occurred, the Independent Counsel shall be selected by Indemnitee (unless Indemnitee shall request that such selection be made by the Board, in which event the preceding sentence shall apply), and Indemnitee shall give written notice to the Company advising it of the identity of the Independent Counsel so selected. In either event, Indemnitee or the Company, as the case may be, may, within thirty days after such written notice of selection shall have been given, deliver to the Company or to Indemnitee, as the case may be, a written objection to such selection; provided, however, that such objection may be asserted only on the ground that the Independent Counsel so selected does not meet the requirements of "Independent Counsel" as defined in Article 1 of this Agreement, and the objection shall set forth with particularity the factual basis of such assertion. Absent a proper and timely objection, the person so selected shall act as Independent Counsel. If such written objection is so made and substantiated, the Independent Counsel so selected may not serve as Independent Counsel unless and until such objection is withdrawn or a court or arbitration, arbitral or administrative body has determined that such objection is without merit. If, within thirty days after submission by Indemnitee of a written request for indemnification pursuant to Section 10.1 hereof, no Independent Counsel shall have been selected and not objected to, either the Company or Indemnitee may seek arbitration for resolution of any objection which shall have been made by the Company or Indemnitee to the other's selection of Independent Counsel and/or for the appointment as Independent Counsel of a person selected by the arbitrator or by such other person as the arbitrator shall designate, and the person with respect to whom all objections are so resolved or the person so appointed shall act as Independent Counsel under Section 11.1 hereof. Such arbitration referred to in the previous sentence shall be conducted by a single arbitrator pursuant to the Commercial Arbitration Rules of the American Arbitration Association, and Article 13 hereof shall apply in respect of such arbitration and the Company and Indemnitee. Upon the due commencement of any arbitration pursuant to Section 13.1 of this Agreement, Independent Counsel shall be discharged and relieved of any further responsibility in such capacity (subject to the applicable standards of professional conduct then prevailing).

## ARTICLE 12

### PRESUMPTIONS AND EFFECT OF CERTAIN PROCEEDINGS

12.1. In making a determination with respect to entitlement to indemnification hereunder, the Person making such determination shall presume that Indemnitee is entitled to indemnification under this Agreement if Indemnitee has submitted a request for indemnification in accordance with Section 10.1 of this Agreement. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence. Neither the failure of the Company (including by its Board, its Independent Counsel and its stockholders) to have made a determination prior to the commencement of any action pursuant to this Agreement that indemnification or advancement of expenses is proper in the circumstances because Indemnitee has met the applicable standard of conduct, nor an actual determination by the Company (including by its Board, its Independent Counsel and its stockholders) that Indemnitee has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that Indemnitee has not met the applicable standard of conduct.

12.2. If the Person empowered or selected under Article 11 of this Agreement to determine whether Indemnitee is entitled to indemnification shall not have made a determination within sixty days after receipt by the Company of the request therefor, the requisite determination of entitlement to indemnification shall be deemed to have been made and Indemnitee shall be entitled to such indemnification, absent (a) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (b) a final judicial determination that any or all such indemnification is expressly prohibited under applicable law; provided, however, that such sixty-day period may be extended for a reasonable time, not to exceed an additional thirty days, if the Person making the determination with respect to entitlement to indemnification in good faith requires such additional time for the obtaining or evaluating of documentation and/or information relating thereto, provided further that, if final selection of Independent Counsel has not occurred within thirty days after receipt by the Company of the request for indemnification, such sixty-day period may be after the final selection of Independent Counsel pursuant to Section 11.2.

12.3. The termination of any Proceeding or of any claim, issue or matter therein, by judgment, order, settlement (with or without court approval), conviction, or upon a plea of nolo contendere or its equivalent, shall not (except as otherwise expressly provided in this Agreement) of itself adversely affect the right of Indemnitee to indemnification or create a presumption that Indemnitee did not act in good faith and in a manner which Indemnitee reasonably believed to be in or not opposed to the best interests of the Company or, with respect to any criminal Proceeding, that Indemnitee had reasonable cause to believe that Indemnitee's conduct was unlawful.

12.4. For purposes of any determination of good faith pursuant to this Agreement, Indemnitee shall be deemed to have acted in good faith if, among other things, Indemnitee's action is based on the records or books of account of the Enterprise, including financial statements, or on information supplied to Indemnitee by the directors or officers of the Enterprise in the course of their duties, or on the advice of legal counsel for the Enterprise, its board of directors, any committee of the board of directors or any director, or on information or records given or reports made to the Enterprise, its board of directors, any committee of the board of directors or any director, by an independent certified public accountant or by an appraiser or other expert selected with reasonable care by the Enterprise, its board of directors, any committee of the board of directors or any director. The provisions of this Section 12.4 shall not be deemed to be exclusive or to limit in any way the other circumstances in which Indemnitee may be deemed or found to have met the applicable standard of conduct set forth in this Agreement. In any event, it shall be presumed that Indemnitee has at all times acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence.

12.5. The knowledge and/or actions, or failure to act, of any other director, officer, trustee, partner, managing member, fiduciary, agent or employee of the Enterprise shall not be imputed to Indemnitee for purposes of determining the right to indemnification under this Agreement.

12.6. The Company acknowledges that a settlement or other disposition short of final judgment may be successful if it permits a party to avoid expense, delay, distraction, disruption and uncertainty. In the event that any action, claim or proceeding to which Indemnitee is a party is resolved in any manner other than by adverse judgment against Indemnitee (including, without limitation, settlement of such action, claim or proceeding with or without payment of money or other consideration) it shall be presumed that Indemnitee has been successful on the merits or otherwise in such action, suit or proceeding. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence.

## ARTICLE 13

### REMEDIES OF INDEMNITEE

13.1. In the event that (a) a determination is made pursuant to Article 11 of this Agreement that Indemnitee is not entitled to indemnification under this Agreement, (b) advancement of Expenses, to the fullest extent permitted by applicable law, is not timely made pursuant to Article 9 of this Agreement, (c) no determination of entitlement to indemnification shall have been made pursuant to Section 11.1 of this Agreement within thirty days after receipt by the Company of the request for indemnification and of reasonable documentation and information which Indemnitee may be called upon to provide pursuant to Section 11.1, (d) payment of indemnification is not made pursuant to Articles 4, 5, 6 or the last sentence of Section 11.1 of this Agreement within ten business days after receipt by the Company of a written request therefor, (e) a contribution payment is not made in a timely manner pursuant to Article 7 of this Agreement, (f) payment of indemnification pursuant to Article 3 or 6 of this Agreement is not made within thirty days after a determination has been made that Indemnitee is entitled to indemnification or (g) the Company or any representative thereof takes or threatens to take any action to declare this Agreement void or unenforceable, or institutes any Proceeding designed to deny, or to recover from, Indemnitee the benefits provided or intended to be provided to Indemnitee hereunder, Indemnitee may either (a) be entitled to an adjudication by a court of competent jurisdiction of Indemnitee's entitlement to such indemnification, contribution or advancement of Expenses or (b) seek an award in arbitration to be conducted by a single arbitrator pursuant to the Commercial Arbitration Rules of the American Arbitration Association. Except as set forth herein, the provisions of Delaware law (without regard to its conflict of laws rules) shall apply to any such arbitration. The Company shall not oppose Indemnitee's right to seek any such adjudication or award in arbitration. The award rendered by such arbitration will be final and binding upon the parties hereto, and final judgment on the arbitration award may be entered in any court of competent jurisdiction.

13.2. In the event that a determination shall have been made pursuant to Section 11.1 of this Agreement that Indemnitee is not entitled to indemnification, any judicial proceeding or arbitration commenced pursuant to this Article 13 shall be conducted in all respects as a de novo trial, or arbitration, on the merits and Indemnitee shall not be prejudiced by reason of that adverse determination. In any judicial proceeding or arbitration commenced pursuant to this Article 13, Indemnitee shall be presumed to be entitled to receive advances of Expenses under this Agreement and the Company shall have the burden of proving Indemnitee is not entitled to indemnification or advancement of Expenses, as the case may be, and the Company may not refer to or introduce into evidence any determination pursuant to Section 11.1 of this Agreement adverse to Indemnitee for any purpose. If Indemnitee commences a judicial proceeding or arbitration pursuant to this Article 13, Indemnitee shall not be required to reimburse the Company for any advances pursuant to Article 9 until a final determination is made with respect to Indemnitee's entitlement to indemnification (as to which all rights of appeal shall have been exhausted or lapsed).

13.3. If a determination shall have been made pursuant to Section 11.1 of this Agreement that Indemnitee is entitled to indemnification, the Company shall be bound by such determination in any judicial proceeding or arbitration commenced pursuant to this Article 13, absent (a) a misstatement by Indemnitee of a material fact or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification or (b) a prohibition of such indemnification under applicable law.

13.4. The Company shall be precluded from asserting in any judicial proceeding or arbitration commenced pursuant to this Article 13 that the procedures and presumptions of this Agreement are not valid, binding and enforceable and shall stipulate in any such court or before any such arbitrator that the Company is bound by all the provisions of this Agreement.

13.5. The Company shall indemnify and hold harmless Indemnitee to the fullest extent permitted by law against all Expenses and, if requested by Indemnitee, shall (within ten business days after the Company's receipt of such written request) pay to Indemnitee, to the fullest extent permitted by applicable law, such Expenses which are incurred by Indemnitee in connection with any judicial proceeding or arbitration brought by Indemnitee (a) to enforce his or her rights under, or to recover damages for breach of, this Agreement or any other indemnification, advancement or contribution agreement or provision of the Certificate of Incorporation, or the By-Laws now or hereafter in effect; or (b) for recovery or advances under any insurance policy maintained by any person for the benefit of Indemnitee, regardless of the outcome and whether Indemnitee ultimately is determined to be entitled to such indemnification, advancement, contribution or insurance recovery, as the case may be (unless such judicial proceeding or arbitration was not brought by Indemnitee in good faith).

13.6. Interest shall be paid by the Company to Indemnitee at the legal rate under Delaware law for amounts which the Company indemnifies, or is obliged to indemnify, for the period commencing with the date on which Indemnitee requests indemnification, contribution, reimbursement or advancement of any Expenses and ending with the date on which such payment is made to Indemnitee by the Company.

## ARTICLE 14

### SECURITY

Notwithstanding anything herein to the contrary, to the extent requested by Indemnitee and approved by the Board, the Company may, as permitted by applicable securities laws, at any time and from time to time provide security to Indemnitee for the Company's obligations hereunder through an irrevocable bank line of credit, funded trust or other collateral. Any such security, once provided to Indemnitee, may not be revoked or released without the prior written consent of Indemnitee.

## ARTICLE 15

### NON-EXCLUSIVITY; SURVIVAL OF RIGHTS; INSURANCE; PRIMACY OF INDEMNIFICATION; SUBROGATION

15.1. The rights of Indemnitee as provided by this Agreement shall not be deemed exclusive of any other rights to which Indemnitee may at any time be entitled under applicable law, the Certificate of Incorporation, the By-Laws, any agreement, a vote of stockholders or a resolution of directors, or otherwise. To the extent that a change in applicable law, whether by statute or judicial decision, permits greater indemnification or advancement of Expenses than would be afforded currently under the Certificate of Incorporation, the By-Laws or this Agreement, it is the intent of the parties hereto that Indemnitee shall enjoy by this Agreement the greater benefits so afforded by such change. No right or remedy herein conferred is intended to be exclusive of any other right or remedy, and every other right and remedy shall be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other right or remedy.

15.2. The DGCL and the Certificate of Incorporation permit the Company to purchase and maintain insurance or furnish similar protection or make other arrangements, including, but not limited to, providing a trust fund, letter of credit or surety bond ("Indemnification Arrangements") on behalf of Indemnitee against any liability asserted against Indemnitee or incurred by or on behalf of Indemnitee or in such capacity as a director, officer, employee or agent of the Company, or arising out of his or her status as such, whether or not the Company would have the power to indemnify Indemnitee against such liability under the provisions of this Agreement or under the DGCL, as it may then be in effect. The purchase, establishment and maintenance of any such Indemnification Arrangement shall not in any way limit or affect the rights and obligations of the Company or of Indemnitee under this Agreement except as expressly provided herein, and the execution and delivery of this Agreement by the Company and Indemnitee shall not in any way limit or affect the rights and obligations of the Company or the other party or parties thereto under any such Indemnification Arrangement.

15.3. To the extent that the Company maintains an insurance policy or policies providing liability insurance for directors, officers, trustees, partners, managers, managing members, fiduciaries, employees or agents of the Company or of any other Enterprise which such person serves at the request of the Company, Indemnitee shall be covered by such policy or policies in accordance with its or their terms to the maximum extent of the coverage available for any such director, officer, trustee, partner, manager, managing member, fiduciary, employee or agent under such policy or policies. If, at the time the Company receives notice from any source of a Proceeding as to which Indemnitee is a party or a participant (as a witness or otherwise), the Company has director and officer liability insurance in effect, the Company shall give prompt notice of the commencement of such Proceeding to the insurers in accordance with the procedures set forth in the respective policies. The Company shall thereafter take all necessary or desirable action to cause such insurers to pay, on behalf of Indemnitee, all amounts payable as a result of such Proceeding in accordance with the terms of such policies and Indemnitee shall promptly cooperate with any request by the Company or insurers in connection with such action.

15.4. The Company hereby acknowledges that Indemnitee has certain rights to indemnification, advancement of Expenses and/or insurance provided by the Indemnitee-Related Entities. The Company hereby agrees (i) that it is the indemnitor of first resort (i.e., its obligations to Indemnitee are primary and any obligation of the Indemnitee-Related Entities to advance Expenses or to provide indemnification for the same Expenses or liabilities incurred by Indemnitee are secondary), (ii) that it shall be required to advance the full amount of Expenses incurred by Indemnitee and shall be liable for the full amount of all Expenses, judgments, penalties, fines and amounts paid in settlement to the extent not prohibited by (and not merely to the extent affirmatively permitted by) applicable law and as required by the terms of this Agreement and the Certificate of Incorporation or the By-Laws (or any other agreement between the Company and Indemnitee), without regard to any rights Indemnitee may have against the Indemnitee-Related Entities and (iii) that it irrevocably waives, relinquishes and releases the Indemnitee-Related Entities from any and all claims against the Indemnitee-Related Entities for contribution, subrogation or any other recovery of any kind in respect thereof. The Company further agrees that no advancement or payment by the Indemnitee-Related Entities on behalf of Indemnitee with respect to any claim for which Indemnitee has sought indemnification from the Company shall reduce or otherwise alter the rights of Indemnitee or the obligations of the Company hereunder. Under no circumstance shall the Company be entitled to any right of subrogation or contribution by the Indemnitee-Related Entities. In the event that any of the Indemnitee-Related Entities shall make any advancement or payment on behalf of Indemnitee with respect to any claim for which Indemnitee has sought indemnification from the Company, the Indemnitee-Related Entity making such payment shall have a right of contribution and/or be subrogated to the extent of such advancement or payment to all of the rights of recovery of Indemnitee against the Company, and Indemnitee shall execute all papers reasonably required and take all action reasonably necessary to secure such rights, including, without limitation, execution of such documents as are necessary to enable the Indemnitee-Related Entities to bring suit to enforce such rights. The Company and Indemnitee agree that the Indemnitee-Related Entities are express third party beneficiaries of the terms of this Section 15.4, entitled to enforce this Section 15.4 as though each of the Indemnitee-Related Entities were a party to this Agreement.

15.5. Except as provided in Section 15.4, in the event of any payment under this Agreement, the Company shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee (other than against the Indemnitee-Related Entities), who shall execute all papers reasonably required and take all action reasonably necessary to secure such rights, including, without limitation, execution of such documents as are necessary to enable the Company to bring suit to enforce such rights.

15.6. Except as provided in Section 15.4, the Company shall not be liable under this Agreement to make any payment of amounts otherwise indemnifiable hereunder (or for which advancement is provided hereunder) if and to the extent that Indemnitee has otherwise actually received such payment under any insurance policy, contract, agreement or otherwise.

15.7. Except as provided in Section 15.4, the Company's obligation to indemnify or advance Expenses hereunder to Indemnitee who is or was serving at the request of the Company as a director, officer, trustee, partner, managing member, fiduciary, employee or agent of any other Enterprise shall be reduced by any amount Indemnitee has actually received as indemnification payments or advancement of Expenses from such Enterprise. Notwithstanding any other provision of this Agreement to the contrary, (a) Indemnitee shall have no obligation to reduce, offset, allocate, pursue or apportion any indemnification advancement, contribution or insurance coverage among multiple parties possessing such duties to Indemnitee prior to the Company's satisfaction and performance of all its obligations under this Agreement, and (b) the Company shall perform fully its obligations under this Agreement without regard to whether Indemnitee holds, may pursue or has pursued any indemnification, advancement, contribution or insurance coverage rights against any person or entity other than the Company.

## **ARTICLE 16**

### **ENFORCEMENT AND BINDING EFFECT**

16.1. The Company expressly confirms and agrees that it has entered into this Agreement and assumed the obligations imposed on it hereby in order to induce Indemnitee to serve or continue to serve as a director, officer or key employee of the Company, and the Company acknowledges that Indemnitee is relying upon this Agreement in serving or continuing to serve as a director, officer or key employee of the Company.

16.2. This Agreement shall be effective as of the date set forth on the first page and may apply to acts or omissions of Indemnitee which occurred prior to such date if Indemnitee was an officer, director, employee or other agent of the Company, or was serving at the request of the Company as a director, officer, trustee, general partner, managing member, fiduciary, employee or agent of another corporation, limited liability company, partnership, joint venture, trust or other enterprise, at the time such act or omission occurred.

16.3. The Company and Indemnitee agree herein that a monetary remedy for breach of this Agreement, at some later date, may be inadequate, impracticable and difficult to prove, and further agree that such breach may cause Indemnitee irreparable harm. Accordingly, the parties hereto agree that Indemnitee may enforce this Agreement by seeking, among other things, injunctive relief and/or specific performance hereof, without any necessity of showing actual damage or irreparable harm and that by seeking injunctive relief and/or specific performance, Indemnitee shall not be precluded from seeking or obtaining any other relief to which he may be entitled. The Company and Indemnitee further agree that Indemnitee shall be entitled to such specific performance and injunctive relief, including, without limitation, temporary restraining orders, preliminary injunctions and permanent injunctions, without the necessity of posting bonds or other undertaking in connection therewith. The Company acknowledges that in the absence of a waiver, a bond or undertaking may be required of Indemnitee by the Court, and the Company hereby waives any such requirement of such a bond or undertaking.

## ARTICLE 17

### MISCELLANEOUS

17.1. Successors and Assigns. This Agreement shall be binding upon the Company and its successors and assigns and shall inure to the benefit of Indemnitee and Indemnitee's assigns, heirs, executors and administrators. The Company shall require and cause any successor (whether direct or indirect successor by purchase, merger, consolidation or otherwise) to all, substantially all or a substantial part, of the business and/or assets of the Company, by written agreement in form and substance reasonably satisfactory to Indemnitee, expressly to assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform if no such succession had taken place.

17.2. Section 409A. It is intended that any indemnification payment or advancement of Expenses made hereunder shall be exempt from Section 409A of the Internal Revenue Code of 1986, as amended, and the guidance issued thereunder ("Section 409A") pursuant to Treasury Regulation Section 1.409A-1(b)(10). Notwithstanding the foregoing, if any indemnification payment or advancement of Expenses made hereunder shall be determined to be "nonqualified deferred compensation" within the meaning of Section 409A, then (i) the amount of the indemnification payment or advancement of Expenses during one taxable year shall not affect the amount of the indemnification payments or advancement of Expenses during any other taxable year, (ii) the indemnification payments or advancement of Expenses must be made on or before the last day of the Indemnitee's taxable year following the year in which the expense was incurred and (iii) the right to indemnification payments or advancement of Expenses hereunder is not subject to liquidation or exchange for another benefit.

17.3. Severability. In the event that any provision of this Agreement is determined by a court to require the Company to do or to fail to do an act which is in violation of applicable law, such provision (including, without limitation, any provision within a single Article, Section, paragraph or sentence) shall be limited or modified in its application to the minimum extent necessary to avoid a violation of law, and, as so limited or modified, such provision and the balance of this Agreement shall be enforceable in accordance with their terms to the fullest extent permitted by law.

17.4. Entire Agreement. Without limiting any of the rights of Indemnitee under the Certificate of Incorporation or By-Laws, this Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings, oral, written and implied, between the parties hereto with respect to the subject matter hereof.

17.5. Modification, Waiver and Termination. No supplement, modification, termination, cancellation or amendment of this Agreement shall be binding unless executed in writing by each of the parties hereto. No amendment, alteration or repeal of this Agreement or of any provision hereof shall limit or restrict any right of Indemnitee under this Agreement in respect of any action taken or omitted by such Indemnitee in Indemnitee's Corporate Status prior to such amendment, alteration or repeal. All notices, requests, demands and other communications under this Agreement shall be in writing and shall be deemed to have been duly given (a) if delivered by hand and receipted for by the party to whom said notice or other communication shall have been directed or (b) mailed by certified or registered mail with postage prepaid on the third business day after the date on which it is so mailed:

or to any other address as may have been furnished to Indemnitee in writing by the Company.

17.7. Applicable Law. This Agreement and the legal relations among the parties shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware, without regard to its conflict of laws rules. If, notwithstanding the foregoing sentence, a court of competent jurisdiction shall make a final determination that the provisions of the law of any state other than Delaware govern indemnification by the Company of Indemnitee, then the indemnification provided under this Agreement shall in all instances be enforceable to the fullest extent permitted under such law, notwithstanding any provision of this Agreement to the contrary.

17.8. Identical Counterparts. This Agreement may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original but all of which together shall constitute one and the same Agreement. Only one such counterpart signed by the party against whom enforceability is sought needs to be produced to evidence the existence of this Agreement.

17.9. Headings. The headings of the paragraphs of this Agreement are inserted for convenience only and shall not be deemed to constitute part of this Agreement or to affect the construction thereof.

17.10. Representation by Counsel. Each of the parties has been represented by and has had an opportunity to consult legal counsel in connection with the negotiation and execution of this Agreement. No provision of this Agreement shall be construed against or interpreted to the disadvantage of any party by any court or arbitrator or any governmental authority by reason of such party having drafted or being deemed to have drafted such provision.

17.11. Period of Limitations. No legal action shall be brought and no cause of action shall be asserted by or in the right of the Company, the Indemnitee, or Indemnitee's spouse, heirs, executors or personal or legal representatives against the Company, Indemnitee, or Indemnitee's spouse, heirs, executors or personal or legal representatives after the expiration of two years from the date of accrual of such cause of action, and any claim or cause of action of the Company, the Indemnitee, or Indemnitee's spouse, heirs, executors or personal or legal representatives, shall be extinguished and deemed released unless asserted by the timely filing of a legal action within such two-year period; provided, however, that if any shorter period of limitations is otherwise applicable to any such cause of action, such shorter period shall govern.

17.12. Additional Acts. If for the validation of any of the provisions in this Agreement any act, resolution, approval or other procedure is required, the Company undertakes to cause such act, resolution, approval or other procedure to be affected or adopted in a manner that will enable the Company to fulfill its obligations under this Agreement.

## ARTICLE II CORPORATE GOVERNANCE

Section 2.1 The Board of Directors.

(a) Prior to the IPO, the Company and the Stockholders shall take all Necessary Action to cause the Board to be comprised of seven (7) directors, who shall be divided into three (3) classes of directors in accordance with the terms of the Company Charter, and (i) [●] of whom shall be designated by the Stockholders (each, together with any replacement directors designated by the Stockholders in accordance with Section 2.1(b) or (c), a “GA Director”) and (ii) [●] of whom shall be an Independent Director who meets the independence criteria set forth in Rule 10A-3 under the Exchange Act (the “Unaffiliated Director”). The foregoing directors shall be divided into such classes as follows:

- (i) the initial class I directors shall be [●];
- (ii) the initial class II directors shall be [●]; and
- (iii) the initial class III directors shall be [●].

The initial term of the class I directors shall expire immediately following the Company's 2022 annual meeting of stockholders at which directors are elected. The initial term of the class II directors shall expire immediately following the Company's 2023 annual meeting of stockholders at which directors are elected. The initial term of the class III directors shall expire immediately following the Company's 2024 annual meeting at which directors are elected. For the avoidance of doubt, this Section 2.1(a) is applicable solely to the initial composition of the Board (except that (i) a director shall remain a member of the class of directors to which he or she was assigned in accordance with this Section 2.1(a) and (ii) the initial terms of each class of directors shall expire as set forth in this Section 2.1(a)).

(b) For so long as the Stockholders beneficially own in the aggregate a number of shares of Class A Common Stock representing at least the percentage of shares of Class A Common Stock (determined on an "as-converted" basis taking into account any and all securities then convertible into, or exercisable or exchangeable for, shares of Class A Common Stock (including Common Units and shares of Class B Common Stock exchangeable pursuant to the Exchange Agreement)) issued and outstanding shown below, there shall be included in the slate of nominees recommended by the Board for election as directors at each applicable annual or special meeting of stockholders at which directors are to be elected that number of individuals designated by the Stockholders, that, if elected, will result in the Stockholders having the number of directors serving on the Board that is shown below.

	<u>Percent</u>	<u>Number of Directors</u>
50% or greater		4
Less than 50% but greater than or equal to 30%		3
Less than 30% but greater than or equal to 15%		2
Less than 15% but greater than or equal to 10%		1

Upon any decrease in the number of directors that the Stockholders are entitled to designate for election to the Board, the Stockholders shall take all Necessary Action to cause the appropriate number of directors designated by the Stockholders to offer to tender resignation. If such resignation is then accepted by the Board, the Company and the Stockholders shall cause the authorized size of the Board to be reduced accordingly unless a majority of the Board (including, so long as the Stockholders are entitled to designate at least one director for election to the Board, at least one director designated by the Stockholders) determine not to reduce the authorized size of the Board.

(c) Except as provided in Section 2.1(b), (i) the Stockholders shall have the exclusive right to remove its designees from the Board, and the Company shall take all Necessary Action reasonably available within its power to cause the removal of any such director at the request of the Stockholders and (ii) the Stockholders shall have the exclusive right to designate for election to the Board directors to fill vacancies created by reason of the permanent disability, death, removal or resignation of its designees to the Board, and the Company shall take all Necessary Action reasonably available within its power to cause any such vacancies to be filled by replacement directors designated by the Stockholders as promptly as reasonably practicable; provided, that, for the avoidance of doubt and notwithstanding anything to the contrary in this Section 2.1(c), the Stockholders shall not have the right to designate a replacement director, and the Company and the Stockholders shall not be required to take any action to cause any vacancy to be filled by any such designee, to the extent that election or appointment of such designee to the Board would result in a number of directors designated by the Stockholders in excess of the number of directors that the Stockholders are then entitled to designate for membership on the Board pursuant to Section 2.1(b).

(d) The Stockholders shall use commercially reasonable efforts to cause their designees to the Board at all times to comply with the Company's corporate policies, including its code of ethics, and the Stockholders shall promptly remove any of their designees to the Board who fails to comply with such corporate policies (provided, that (i) the Company has provided such designees a written copy of such corporate policies reasonably in advance of the date on which such designees are obligated to comply therewith, (ii) such corporate policies apply to all members of the Board in an equal manner and do not apply differently or disproportionately to such designees as compared to each other or other members of the Board, (iii) such corporate policies are enforced by the Company against all members of the Board equally and to the same extent, (iv) such corporate policies do not conflict with or are otherwise inconsistent with any agreement entered into by the Stockholders (x) with the Company, EWC Ventures or any of EWC Ventures' Subsidiaries in connection with the IPO, including this Agreement, or (y) with the underwriters to the IPO in connection with the IPO and (v) such corporate policies do not otherwise create any liability or obligation of such designees that is not reasonable or customary for public companies whose boards of directors include professionals from private equity firms or financial sponsors) after reasonable notice from the Company is provided to the Stockholders, and their designees are given a reasonable opportunity to comply with such corporate policies.

(e) Except as otherwise provided in this Section 2.1, all directors of the Company shall be nominated or elected by the Board upon the recommendation of the nominating and corporate governance committee of the Board. Notwithstanding any other provision of this Section 2.1, if necessary due to requirements under applicable federal or state securities laws or the rules of The Nasdaq Stock Market (or any other securities exchange upon which the Class A Common Stock is traded), the Board shall be expanded to include additional Independent Directors to comply with such laws or rules with such Independent Directors selected in accordance with the preceding sentence.

(f) Subject to applicable laws or the rules of The Nasdaq Stock Market (or any other securities exchange upon which the Class A Common Stock is traded), the Stockholders shall have the right to have a representative appointed to serve on each committee of the Board for so long as the Stockholders have the right to designate at least one (1) director for election to the Board.

(g) The Company shall reimburse each Director and Unaffiliated Director for all reasonable and documented out-of-pocket costs and expenses incurred in connection with such director's attendance or participation in the meetings of the Board or any committee of the Board, including reasonable travel, lodging and meal expenses.

Section 2.2 Major Actions.

(a) In addition to any voting requirements contained in the Company Charter or the Company By-Laws (or similar governing documents of the Company or any of its Subsidiaries), the following actions shall not be taken by the Company or any of its Subsidiaries, directly or indirectly (including by merger, consolidation, reorganization or similar event), including any proposal by the Board to put to the vote of the stockholders of the Company with respect thereto, without the prior written consent of the Stockholders for so long as the Stockholders beneficially own shares of Class A Common Stock (determined on an "as-converted" basis taking into account any and all securities then convertible into, or exercisable or exchangeable for, shares of Class A Common Stock (including Common Units and shares of Class B Common Stock exchangeable pursuant to the Exchange Agreement)) representing at least 25% of the Class A Common Stock (determined on an "as-converted" basis taking into account any and all securities then convertible into, or exercisable or exchangeable for, shares of Class A Common Stock (including Common Units and shares of Class B Common Stock exchangeable pursuant to the Exchange Agreement)) then outstanding:

(i) any transaction or series of related transactions involving, or entering into any agreement providing for, (a) the purchase, lease, license, exchange or other acquisition by the Company or its Subsidiaries of any assets and/or equity securities for consideration having a fair market value (as reasonably determined by the Board) in excess of \$100 million and/or (b) the sale, lease, license, exchange or other disposal by the Company or its Subsidiaries of any assets and/or equity securities having a fair market value or for consideration having a fair market value (in each case as reasonably determined by the Board) in excess of \$100 million; in each case, other than transactions solely between or among the Company and one or more of its direct or indirect wholly-owned Subsidiaries;

(ii) any entry into or effectuation of a Change of Control;

(iii) incurrence of (or extension or modification of the material terms of) any indebtedness for borrowed money (including any refinancing of existing indebtedness), assuming, guaranteeing, endorsing or otherwise as an accommodation becoming responsible for the obligations of any other Person (other than the Company or any of its Subsidiaries), or the entry into (or extension or modification any of the material terms of) any agreement under which the Company or any Subsidiary may incur indebtedness for borrowed money in the future, in each case, resulting in an aggregate principal amount in excess of \$150 million other than a drawdown of amounts committed (including under a revolving facility) under a debt agreement that previously received the prior written consent of the Stockholders or that was entered into on or prior to the date hereof;

(iv) appointment or removal of the Chief Executive Officer of the Company;

(v) any increase or decrease in the size of the Board;

(vi) any initiation of a voluntary liquidation, dissolution, receivership, bankruptcy or other insolvency proceeding, recapitalization or reorganization involving the Company or any Subsidiary of the Company;

(vii) any redemption, repurchase or other acquisition by the Company of its equity securities or any declaration thereof, other than (i) the redemption, repurchase or other acquisition by the Company of any equity securities of any director, officer, independent contractor or employee in connection with the termination of the employment or services of such director, officer, independent contractor or employee as contemplated by the applicable equity compensation plan or award agreement with respect to such equity securities, or (ii) pursuant to an offer made to all stockholders of the Company *pro rata* with respect to such equity securities (regardless of whether any or all of such stockholders elect to participate in such redemption, repurchase or other acquisition);

(viii) any payment or declaration of any dividend or distribution on any equity securities of the Company or entering into a recapitalization transaction the primary purpose of which is to pay a dividend or distribution, other than dividends or distributions required to be made pursuant to the terms of any outstanding preferred stock of the Company;

(ix) any entry, directly or indirectly, into a joint venture or similar business alliance involving, or entering into any agreement providing for, the investment, contribution or disposition by the Company or its Subsidiaries of assets (including stock of Subsidiaries) having a fair market value (as reasonably determined by the Board) in excess of \$100 million, other than transactions solely between or among the Company and one or more of its direct or indirect wholly-owned Subsidiaries; or

(x) any adoption, approval or issuance of any “poison pill,” stockholder or similar rights plan by the Company or its Subsidiaries or any amendment, restatement, modification or waiver of such plan after the adoption thereof has been approved by the Stockholders in accordance with this Section 2.2.

(b) For so long as the Stockholders beneficially own any shares of Class A Common Stock (taking into account any and all securities then convertible into, or exercisable or exchangeable for, shares of Class A Common Stock (including Common Units and shares of Class B Common Stock exchangeable pursuant to the Exchange Agreement)) issued and outstanding, the Company shall not, and shall cause its Subsidiaries not to, amend (including by merger, consolidation, reorganization or similar event) the Company Charter, Company By-Laws or similar governing documents of the Company or any of its Subsidiaries if such change is adverse to the rights of the Stockholders (including, for the avoidance of doubt, the advance waiver of corporate opportunities) or agree to, enter into or adopt any plan with respect thereto without the prior approval (which approval may be in the form of an action by written consent or any other written instrument or writing) of the Stockholders.

(b) *Stockholder Indemnification.*

(i) The Company agrees to indemnify and hold harmless each Stockholder, its respective directors, officers, partners, members, managers, Affiliates and controlling persons (each, an “Stockholder Indemnitee”) from and against any and all liability, including, without limitation, all obligations, costs, fines, claims, actions, injuries, demands, suits, judgments, proceedings, investigations, arbitrations (including stockholder claims, actions, injuries, demands, suits, judgments, proceedings, investigations or arbitrations) and reasonable expenses, including reasonable accountant’s and reasonable attorney’s fees and expenses (together the “Losses”), incurred by such Stockholder Indemnitee before or after the date of this Agreement to the extent arising out of, resulting from, or relating to (i) such Stockholder Indemnitee’s purchase and/or ownership of any Company Common Stock or Common Unit or (ii) any litigation to which any Stockholder Indemnitee is made a party in its capacity as a stockholder or owner of securities (or as a director, officer, partner, member, manager, Affiliate or controlling person of any Stockholder) of the Company; provided, that the foregoing indemnification rights in this Section 3.1(b)(i) shall not be available to the extent that (a) any such Losses are incurred as a result of such Stockholder Indemnitee’s willful misconduct or gross negligence; (b) any such Losses are incurred as a result of non-compliance by such Stockholder Indemnitee with any laws or regulations applicable to it; or (c) subject to the rights of contribution provided for below, to the extent indemnification for any Losses would violate any applicable law or public policy. For purposes of this Section 3.1(b)(i), none of the circumstances described in the limitations contained in the proviso in the immediately preceding sentence shall be deemed to apply absent a final non-appealable judgment of a court of competent jurisdiction to such effect, in which case to the extent any such limitation is so determined to apply to any Stockholder Indemnitee as to any previously advanced indemnity payments made by the Company under this Section 3.1(b)(i), then such payments shall be promptly repaid by such Stockholder Indemnitee to the Company. The rights of any Stockholder Indemnitee to indemnification hereunder will be in addition to any other rights any such party may have under any other agreement or instrument to which such Stockholder Indemnitee is or becomes a party or is or otherwise becomes a beneficiary or under law or regulation. In the event of any payment of indemnification pursuant to this Section 3.1(b)(i), to the extent that any Stockholder Indemnitee is indemnified for Losses, except as set forth in Section 3.1(b)(iii), the Company will be subrogated to the extent of such payment to all of the related rights of recovery of the Stockholder Indemnitee to which such payment is made against all other Persons. Such Stockholder Indemnitee shall execute all papers reasonably required to evidence such rights. The Company will be entitled at its election to participate in the defense of any third party claim upon which indemnification is due pursuant to this Section 3.1(b)(i) or to assume the defense thereof, with counsel reasonably satisfactory to such Stockholder Indemnitee unless, in the reasonable judgment of the Stockholder Indemnitee, a conflict of interest between the Company and such Stockholder Indemnitee may exist, in which case such Stockholder Indemnitee shall have the right to assume its own defense and the Company shall be liable for all reasonable expenses therefor. Except as set forth above, should the Company assume such defense all further defense costs of the Stockholder Indemnitee in respect of such third party claim shall be for the sole account of such party and not subject to indemnification hereunder. The Company will not without the prior written consent of the Stockholder Indemnitee (which consent shall not be unreasonably withheld) effect any settlement of any threatened or pending third party claim in which such Stockholder Indemnitee is or could have been a party and be entitled to indemnification hereunder unless such settlement solely involves the payment of money by the Company and includes an unconditional release of such Stockholder Indemnitee from all liability and claims that are the subject matter of such claim. If the indemnification provided for above is unavailable in respect of any Losses, then the Company, in lieu of indemnifying an Stockholder Indemnitee, shall, if and to the extent permitted by law, contribute to the amount paid or payable by such Stockholder Indemnitee in such proportion as is appropriate to reflect the relative fault of the Company and such Stockholder Indemnitee in connection with the actions which resulted in such Losses, as well as any other equitable considerations.

(ii) The Company agrees to pay or reimburse the Stockholders (i) for all reasonable costs and expenses (including reasonable attorneys’ fees, charges, disbursement and expenses) incurred in connection with any amendment, supplement, modification or waiver of or to any of the terms or provisions of this Agreement or any related agreements and (ii) for all costs and expenses of the Stockholders (including reasonable attorneys’ fees, charges, disbursement and expenses) incurred in connection with (1) the consent to any departure by the Company or any of its Subsidiaries from the terms of any provision of this Agreement or any related agreements and (2) the enforcement or exercise by the Stockholders of any right granted to it or provided for hereunder.

(iii) The Company hereby acknowledges that the Stockholder Indemnitee may have certain rights to advancement and/or indemnification by certain Affiliates of the Stockholder (collectively, the “Fund Indemnitors”). In all events, (i) the Company hereby agrees that it is the indemnitor of first resort (i.e., its obligation to a Stockholder Indemnitee to provide advancement and/or indemnification to such Stockholder Indemnitee are primary and any obligation of the Fund Indemnitors (including any Affiliate thereof other than the Company) to provide advancement or indemnification hereunder or under any other indemnification agreement (whether pursuant to contract, by-laws or charter), or any obligation of any insurer of the Fund Indemnitors to provide insurance coverage, for the same expenses, liabilities, judgments, penalties, fines and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of such expenses, liabilities, judgments, penalties, fines and amounts paid in settlement) incurred by such Stockholder Indemnitee are secondary and it irrevocably waives any claims against the Fund Indemnitors for contribution, subrogation, reimbursement or any other recovery of any kind for which the Company is liable pursuant to this Agreement and the Company’s by-laws or charter and (ii) if any Fund Indemnitor (or any Affiliate thereof, other than the Company) pays or causes to be paid, for any reason, any amounts otherwise indemnifiable hereunder or under any other indemnification agreement (whether pursuant to contract, by-laws or charter) with such Stockholder Indemnitee, then (x) such Fund Indemnitor (or such Affiliate, as the case may be) shall be fully subrogated to all rights of such Stockholder Indemnitee with respect to such payment and (y) the Company shall fully indemnify, reimburse and hold harmless such Fund Indemnitor (or such other Affiliate, as the case may be) for all such payments actually made by such Fund Indemnitor (or such other Affiliate, as the case may be).

Section 3.2 Company Charter; Company By-Laws; Corporate Opportunities. The Company Charter, as may be amended, supplemented and/or restated from time to time, shall provide for a renunciation of corporate opportunities presented to the Stockholders (and their respective Affiliates and director nominees) to the maximum extent permitted by Section 122(17) of the Delaware General Corporations Law and substantially on the terms and conditions set forth in Article 10 of the Company Charter as in effect on the date hereof.

Section 3.3 Conflicting Organizational Document Provisions. Each Stockholder shall vote all of its Company Securities and execute proxies or written consents, as the case may be, and shall take all Necessary Action reasonably available within their power, to ensure that the Company Charter and Company By-Laws both (i) facilitate, and do not at any time conflict with, any provision of this Agreement and (ii) permit the parties hereof to receive the benefits to which they are entitled under this Agreement. In the event of any ambiguity or conflict arising between the terms of this Agreement and those of the Company Charter and/or Company By-Laws, the Company and the Stockholders shall take all Necessary Action reasonably available within their power to amend the Company Charter and/or Company By-laws, as the case may be, to eliminate such ambiguity or conflict such that the terms of this Agreement shall prevail. The parties hereto acknowledge and agree that the Company Charter, in the form attached hereto as Exhibit I, and Company By-Laws, in the form attached hereto as Exhibit II, (x) do not conflict with any provision of this Agreement and (y) permit the parties hereof to receive the benefits to which they are entitled under this Agreement.

Section 3.4 Information Rights. So long as the Stockholders beneficially own, in the aggregate, at least five percent (5%) of the outstanding shares of Class A Common Stock (determined on an “as-converted” basis taking into account any and all securities then convertible into, or exercisable or exchangeable for, shares of Class A Common Stock (including Common Units and shares of Class B Common Stock exchangeable pursuant to the Exchange Agreement)), the Company shall provide the Stockholders or its authorized representatives with (i) reasonable access to visit and inspect any of the properties of the Company or any of its Subsidiaries, including its and their books of account, monthly management reports, operating and capital expenditure budgets, periodic information packages relating to the operations and cash flows of the Company and other records, and to discuss the Company’s or its subsidiaries’ affairs, finances and accounts with its and their officers, during normal business hours following reasonable notice and (ii) for so long as the Company is not a public reporting company, (x) an unaudited consolidated balance sheet of the Company as of the end of each completed fiscal quarter in each year following the date hereof and (y) an audited annual consolidated balance sheet of the Company as of the end of the fiscal year in each year following the date hereof and the related audited consolidated statements of income, changes in stockholders’ equity and cash flow for the fiscal years then ended, including the notes thereto.

ARTICLE II  
EXCHANGE

Section 2.01 Exchange of Paired Interests for Class A Common Stock or Cash; Restrictions on Exchange. Subject to Section 2.02(g), from and after the execution and delivery of this Agreement, each Holder shall be entitled, from time to time, upon the terms and subject to the conditions hereof, to surrender to the Company for cancellation its Paired Interests (excluding, for the avoidance of doubt, any Paired Interest that includes an Unvested Common Unit) to the Company (subject to adjustment as provided in Section 2.03) in exchange for the delivery by the Company of (such exchange, an “Exchange”), at the option of Pubco (in its capacity as Managing Member of the Company) either, (i) a number of shares of Class A Common Stock that is equal to the product of (A) the number of Paired Interests surrendered *multiplied by* (B) the Exchange Rate in effect as of immediately prior to the close of business on the Exchange Date or (ii) cash in an amount equal to the Fair Market Value of the shares of Class A Common Stock such Holder would have otherwise received pursuant to clause (i). In accordance with Section 7.1(a) of the LLC Agreement, the Company will issue to Pubco a number of Common Units equal to the number of shares of Class A Common Stock delivered in exchange for any Paired Interests pursuant to this Section 2.01.

Section 2.02 Exchange Procedures; Notices and Revocations.

(a) A Holder may exercise the right to effect an Exchange as set forth in Section 2.01 by delivering a written notice of exchange in respect of the Paired Interests to be Exchanged substantially in the form of Exhibit A hereto (the “Notice of Exchange”), duly executed by such Holder or such Holder’s duly authorized attorney, to Pubco and the Company, not less than three (3) Business Days nor more than ten (10) Business Days (or such shorter or longer period of time as may be agreed by the Company in advance of the Exchange Date) to its address set forth in Section 4.03 during normal business hours, or if any agent for the Exchange is duly appointed and acting (the “Exchange Agent”), to the office of the Exchange Agent during normal business hours. The Notice of Exchange must set forth (i) the Exchange Date, which shall be not less than three (3) Business Days nor more than ten (10) Business Days (or such shorter or longer period of time as may be agreed by the Company) after the date of the Notice of Exchange and (ii) the number of Paired Interests to be surrendered, which number shall not be less than the number of Paired Interests reasonably expected to have a value of at least \$50,000 unless (x) the number of surrendered Paired Interests constitutes all of such Holder’s Paired Interests or (y) the Company consents to such Exchange.

(b) *Contingent Notice of Exchange and Revocation by Holders.*

(i) A Notice of Exchange from a Holder may specify that the Exchange is to be contingent (including as to the timing) upon the consummation of a purchase by another Person (whether in a tender or exchange offer, an underwritten offering or otherwise) of shares of Deliverable Common Stock into which the Paired Interests are exchangeable, or contingent (including as to timing) upon the closing of an announced merger, consolidation or other transaction or event in which the Deliverable Common Stock would be exchanged or converted or become exchangeable for or convertible into cash or other securities or property.

(ii) Notwithstanding anything herein to the contrary, a Holder may withdraw or amend a Notice of Exchange, in whole or in part, prior to the effectiveness of the Exchange, at any time prior to 5:00 p.m. New York City time, on the Business Day immediately preceding the Exchange Date (or any such later time as may be required by Applicable Law) by delivery of a written notice of withdrawal to Pubco and the Company, or the Exchange Agent, specifying (1) the number of withdrawn Paired Interests, (2) if any, the number of Paired Interests as to which the Notice of Exchange remains in effect and (3) if the Holder so determines, a new Exchange Date or any other new or revised information permitted in the Notice of Exchange.

(c) Each Exchange shall be deemed to be effective immediately prior to the close of business on the Exchange Date, and, from and after that time, (i) the Exchanging Holder (or other Person(s) whose name or names in which the Deliverable Common Stock is to be issued) shall be deemed to be a holder of Deliverable Common Stock, if any, or (ii) such Exchanging Holder's (or other Person's or Persons' whose name or names in which the cash is to be delivered) right to receive cash, if any, shall vest. As promptly as practicable on or after the Exchange Date, Pubco shall deliver or cause to be delivered to the Exchanging Holder (or other Person(s) whose name or names in which the Deliverable Common Stock is to be issued or cash is to be paid) (i) the number of shares of Deliverable Common Stock deliverable upon such Exchange, if any, pursuant to Section 2.01 hereof, registered in the name of such Holder (or other Person(s) whose name or names in which the Deliverable Common Stock is to be issued) or (ii) an amount of cash to which such Holder or such other Person(s) is entitled to pursuant to Section 2.01 hereof, if any, by wire transfer of immediately available funds to the account or accounts designated by such Holder or such other Person(s) in the Notice of Exchange. To the extent an Exchanging Holder (or other Person(s) to which the Deliverable Common Stock is to be issued) is entitled to receive Deliverable Common Stock pursuant to Section 2.01 hereof, and the Deliverable Common Stock is settled through the facilities of The Depository Trust Company, Pubco will, subject to Section 2.02(e) below, upon the written instruction of an Exchanging Holder, deliver or cause to be delivered the shares of Deliverable Common Stock deliverable to such Holder (or other Person(s) whose name or names in which the Deliverable Common Stock is to be issued), through the facilities of The Depository Trust Company, to the account of the participant of The Depository Trust Company designated by such Holder.

(d) The shares of Deliverable Common Stock issued upon an Exchange, if any, shall bear a legend in substantially the following form:

THE TRANSFER OF THESE SECURITIES HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR UNDER THE SECURITIES LAWS OF ANY OTHER JURISDICTION, AND MAY NOT BE SOLD OR TRANSFERRED OTHER THAN IN ACCORDANCE WITH THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT OF 1933, AS AMENDED (OR OTHER APPLICABLE LAW), OR AN EXEMPTION THEREFROM.

(e) If (i) any shares of Deliverable Common Stock may be sold pursuant to a registration statement that has been declared effective by the Securities and Exchange Commission, (ii) all of the applicable conditions of Rule 144 are met, or (iii) the legend (or a portion thereof) otherwise ceases to be applicable, Pubco, as applicable, upon the written request of the Holder thereof shall promptly provide such Holder or its respective transferees, without any expense to such Persons (other than applicable transfer taxes and similar governmental charges, if any) with new certificates (or evidence of book-entry share) for securities of like tenor not bearing the provisions of the legend with respect to which the restriction has terminated. In connection therewith, such Holder shall provide Pubco with such information in its possession as Pubco may reasonably request in connection with the removal of any such legend.

(f) The Company shall bear all expenses in connection with the consummation of any Exchange, whether or not any such Exchange is ultimately consummated, including any transfer taxes, stamp taxes or duties, or other similar taxes in connection with, or arising by reason of, any Exchange; provided, however, that if any shares of Deliverable Common Stock are to be delivered in a name other than that of the Holder that requested the Exchange (or The Depository Trust Company or its nominee for the account of a participant of The Depository Trust Company that will hold the shares for the account of such Holder), then such Holder and/or the Person in whose name such shares are to be delivered shall pay to the Company the amount of any transfer taxes, stamp taxes or duties, or other similar taxes in connection with, or arising by reason of, such Exchange or shall establish to the reasonable satisfaction of Pubco that such tax has been paid or is not payable.

(g) Notwithstanding anything to the contrary in this Article II, a Holder shall not be entitled to effect an Exchange, and Pubco, as Managing Member of the Company, shall have the right to refuse to honor any request to effect an Exchange, at any time or during any period, if Pubco, as Managing Member of the Company, shall reasonably determine that such Exchange (i) would be prohibited by any Applicable Law (including the unavailability of any requisite registration statement filed under the Securities Act or any exemption from the registration requirements thereunder), or (ii) would not be permitted under (x) the LLC Agreement, (y) other agreements with Pubco, the Company or any of the Company's subsidiaries to which such Holder may be party or (z) any written policies of Pubco, the Company or any of the Company's subsidiaries related to unlawful or inappropriate trading applicable to its directors, officers or other personnel. Upon such determination, Pubco, as Managing Member of the Company, shall notify the Holder requesting the Exchange of such determination, which such notice shall include an explanation in reasonable detail as to the reason that the Exchange has not been honored. Notwithstanding anything to the contrary herein, if PubCo, as Managing Member of the Company, after consultation with its outside legal counsel and tax advisor, shall determine in good faith that interests in the Company do not meet the requirements of Treasury Regulation Section 1.7704-1(h) (or other provisions of those Treasury Regulations as determined by PubCo), the Company may impose such restrictions on Exchange as the Company may reasonably determine to be necessary or advisable so that the Company is not treated as a "publicly traded partnership" under Section 7704 of the Code, taking into account the exceptions under Treasury Regulation Section 1.7704-1. None of such procedures shall be adopted with a principal purpose of restricting or otherwise impairing in any material respect the Holders' rights to consummate Exchanges.

(h) The parties hereto acknowledge and agree that Pubco's determination (as the Managing Member of the Company) of the settlement method (issuance of Deliverable Common Stock or payment of cash) for any Exchange shall be made by the board of directors of Pubco or, if the Holder of the Paired Units surrendered for such Exchange is an Affiliate, by the independent directors (within the meaning of the rules of the NASDAQ who are disinterested) of Pubco (or a duly authorized committee thereof), in each case, acting on behalf of Pubco in its capacity as Managing Member of the Company.

Section 2.03 Adjustment.

(a) The Exchange Rate with respect to Paired Interests shall be adjusted accordingly if there is: (i) any subdivision (by any stock or unit split, stock or unit dividend or distribution, reclassification, reorganization, recapitalization or otherwise) or combination (by reverse stock or unit split, reclassification, reorganization, recapitalization or otherwise) of the shares of Class B Common Stock or Common Units that is not accompanied by a substantively identical subdivision or combination of the Class A Common Stock; or (ii) any subdivision (by any stock split, stock dividend, reclassification, reorganization, recapitalization or otherwise) or combination (by reverse stock split, reclassification, reorganization, recapitalization or otherwise) of the Class A Common Stock that is not accompanied by a substantively identical subdivision or combination of the shares of Class B Common Stock and Common Units. If there is any reclassification, reorganization, recapitalization or other similar transaction in which the Class A Common Stock is converted or changed into another security, securities or other property, then upon any subsequent Exchange, the Holder or such other Person(s) shall be entitled to receive the amount of such security, securities or other property that such Holder or such other Person(s) would have received if such Exchange had occurred immediately prior to the effective date of such reclassification, reorganization, recapitalization or other similar transaction, taking into account any adjustment as a result of any subdivision (by any split, dividend or distribution, reclassification, reorganization, recapitalization or otherwise) or combination (by reverse split, reclassification, reorganization, recapitalization or otherwise) of such security, securities or other property that occurs after the effective time of such reclassification, reorganization, recapitalization or other similar transaction. For the avoidance of doubt, if there is any reclassification, reorganization, recapitalization or other similar transaction in which the Class A Common Stock is converted or changed into another security, securities or other property, this Section 2.03(a) shall continue to be applicable, *mutatis mutandis*, with respect to such security or other property. This Agreement shall apply to, *mutatis mutandis*, and all references to "Paired Interests" shall be deemed to include, any security, securities or other property of Pubco or the Company which may be issued in respect of, in exchange for or in substitution of shares of Class B Common Stock or Common Units, as applicable, by reason of stock or unit split, reverse stock or unit split, stock or unit dividend or distribution, combination, reclassification, reorganization, recapitalization, merger, exchange (other than an Exchange) or other transaction.

(b) This Agreement shall apply to the Paired Interests held by the Holders and their Permitted Transferees as of the date hereof, as well as any Paired Interests hereafter acquired by a Holder and his, her or its Permitted Transferees.

Section 2.04 Tender Offers and Other Events with Respect to Pubco.

(a) In the event that a tender offer, share exchange offer, issuer bid, take-over bid, recapitalization or similar transaction with respect to Class A Common Stock (a "Pubco Offer") is proposed by Pubco or is proposed to Pubco or its stockholders and approved by the board of directors of Pubco or is otherwise effected or to be effected with the consent or approval of the board of directors of Pubco, the Holders of Paired Interests shall be permitted to participate in such Pubco Offer by delivery of a Notice of Exchange (which Notice of Exchange shall be effective immediately prior to the consummation of such Pubco Offer (and, for the avoidance of doubt, shall be contingent upon such Pubco Offer and not be effective if such Pubco Offer is not consummated)). In the case of a Pubco Offer proposed by Pubco, Pubco will use its reasonable best efforts expeditiously and in good faith to take all such actions and do all such things as are necessary or desirable to enable and permit the Holders of Paired Interests to participate in such Pubco Offer to the same extent or on an economically equivalent basis as the holders of shares of Class A Common Stock without discrimination; provided, that without limiting the generality of this sentence, Pubco will use its reasonable best efforts expeditiously and in good faith to ensure that such Holders may participate in each such Pubco Offer without being required to Exchange Paired Interests. For the avoidance of doubt, in no event shall the Holders of Paired Interests be entitled to receive in such Pubco Offer aggregate consideration for each Paired Interest that is greater than the consideration payable in respect of each share of Class A Common Stock in connection with a Pubco Offer.

(b) Notwithstanding any other provision of this Agreement, if a Disposition Event (as such term is defined in the Pubco Charter) is approved by the board of directors of Pubco and consummated in accordance with Applicable Law, at the request of the Company (or following such Disposition Event, its successor) or Pubco (or following such Disposition Event, its successor), each of the Holders other than the Sponsor Members shall be required to exchange with Pubco, at any time and from time to time after, or simultaneously with, the consummation of such Disposition Event, all of such Holder's Paired Interests for aggregate consideration for each Paired Interest that is equivalent to the consideration payable in respect of each share of Class A Common Stock in connection with the Disposition Event.

(c) For purposes of determining equivalent consideration, in a Disposition Event or other Pubco Offer, payments under or in respect of the Tax Receivable Agreements shall not be considered part of the consideration payable in respect of any Paired Interest or share of Class A Common Stock in connection with such Disposition Event or other Pubco Offer for the purposes of Section 2.04(a) and Section 2.04(b).

Section 2.05 Listing of Deliverable Common Stock. If the Class A Common Stock is listed on a securities exchange, Pubco shall use its reasonable best efforts to cause all Class A Common Stock issued upon an exchange of Paired Interests to be listed on the same securities exchange at the time of such issuance.

Section 2.06 Deliverable Common Stock to be Issued; Class B Common Stock to be Cancelled.

(a) Pubco shall at all times reserve and keep available out of its authorized but unissued Class A Common Stock, solely for the purpose of issuance upon an Exchange, the maximum number of shares of Deliverable Common Stock as shall be deliverable upon Exchange of all then-outstanding Paired Interests; provided, that nothing contained herein shall be construed to preclude Pubco from satisfying its obligations in respect of an Exchange by (i) payment of cash as permitted by the terms of this Agreement or (ii) delivery of shares of Deliverable Common Stock that are held in the treasury of Pubco or any of its subsidiaries or by delivery of purchased shares of Deliverable Common Stock (which may or may not be held in the treasury of Pubco or any subsidiary thereof). Pubco covenants that all shares of Deliverable Common Stock issued upon an Exchange will, upon issuance thereof, be validly issued, fully paid and non-assessable.

(b) When a Paired Interest has been Exchanged in accordance with this Agreement, (i) the share of Class B Common Stock corresponding to such Paired Interest shall be cancelled by Pubco and (ii) the Common Unit corresponding to such Paired Interest shall be deemed transferred from the Exchanging Holder to Pubco and the Company shall cause such transfer to be registered in the books and records of the Company.

(c) Pubco agrees that it has taken all or will take such steps as may be required to cause to qualify for exemption under Rule 16b-3(d) or (e), as applicable, under the Exchange Act, and to be exempt for purposes of Section 16(b) under the Exchange Act, any acquisitions from, or dispositions to, Pubco of equity securities of Pubco (including derivative securities with respect thereto) and any securities that may be deemed to be equity securities or derivative securities of Pubco for such purposes that result from the transactions contemplated by this Agreement, by each officer or director of Pubco, including any director by deputization. The authorizing resolutions shall be approved by either Pubco's board of directors or a committee composed solely of two or more Non-Employee Directors (as defined in Rule 16b-3) of Pubco.

Section 2.07 Distributions. No Exchange shall impair the right of the Exchanging Holder to receive any distributions payable on the Common Units so exchanged in respect of a record date that occurs prior to the Exchange Date for such Exchange. No adjustments in respect of dividends or distributions on any Common Unit will be made on the Exchange of any Paired Interest, and if the Exchange Date with respect to a Common Unit occurs after the record date for the payment of a dividend or other distribution on Common Units but before the date of the payment, then the registered Holder of the Common Unit at the close of business on the record date will be entitled to receive the dividend or other distribution payable on the Common Unit on the payment date (without duplication of any distribution to which such Holder may be entitled under Section 4.1(d) of the LLC Agreement in respect of taxes) notwithstanding the Exchange of the Paired Interests or a default in payment of the dividend or distribution due on the Exchange Date. For the avoidance of doubt, no Exchanging Holder shall be entitled to receive, in respect of a single record date, distributions or dividends both on Common Units exchanged by such Holder and on shares of Deliverable Common Stock received by such Holder in such Exchange.

Section 2.08 Withholding; Certification of Non-Foreign Status

(a) If Pubco or the Company shall be required to withhold any amounts by reason of any federal, state, local or non-U.S. foreign tax rules or regulations in respect of any Exchange, Pubco or the Company, as the case may be, shall be entitled to take such action as it deems appropriate in order to ensure compliance with such withholding requirements, including, at its option, withholding shares of Class A Common Stock, as applicable, with a fair market value equal to the minimum amount of any taxes that Pubco or the Company, as the case may be, may be required to withhold with respect to such Exchange. To the extent that amounts are (or property is) so withheld and paid over to the appropriate taxing authority, such withheld amounts (or property) shall be treated for all purposes of this Agreement as having been paid (or delivered) to the applicable Holder.

(b) Notwithstanding anything to the contrary herein, each of Pubco and the Company may, in its discretion, require that an exchanging Holder deliver to the Pubco or the Company, as the case may be, a certification of non-foreign status in accordance with Treasury Regulation Section 1.1445-2(b) and 1.1446(f)-2(b)(2) prior to an Exchange. In the event Pubco or the Company has required delivery of such certification but an exchanging Holder does not provide such certification, Pubco or the Company, as the case may be, shall nevertheless deliver or cause to be delivered to the exchanging Holder the Class A Common Stock, as applicable, or payment of cash in accordance with Section 2.01, but subject to withholding as provided in Section 2.08(a).

Upon such a determination, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the fullest extent possible.

Section 4.10 Amendment. This Agreement can be amended at any time and from time to time by written instrument signed by the Company and Pubco and, so long as any Sponsor Member owns any Paired Interests, such Sponsor Member; provided, that no amendment to this Agreement may adversely modify in any material respect the rights (including the ability to Exchange Paired Interests pursuant to this Agreement) and obligations of any Holders in any materially disproportionate manner to the rights and obligations of any other Holders without the prior written consent of a majority in interest of such disproportionately affected Holder or Holders.

In the event that this Agreement is amended, whether or not the prior written consent of the relevant Sponsor Member or a majority in interest of such disproportionately affected Holder or Holders are required, the Company and Pubco shall make a copy of such amendment available to all Holders.

Section 4.11 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to the conflicts of law rules of such State that would result in the application of the laws of any other State.

Section 4.12 Tax Treatment. This Agreement shall be treated as part of the LLC Agreement as described in Section 761(c) of the Code and Sections 1.704-1(b)(2)(ii)(h) and 1.761-1(c) of the Treasury Regulations promulgated thereunder. As required by the Code and the Treasury Regulations, the parties shall report any Exchange consummated hereunder as a taxable sale under Section 1001 of the Code of the Common Units and shares of Class B Common Stock by a Holder to Pubco which generated a Section 743 adjustment, and no party shall take a contrary position on any income tax return or amendment thereof unless an alternate position is permitted under the Code and Treasury Regulations and the Managing Member consents in writing.

Section 4.13 Independent Nature of Holders' Rights and Obligations. The obligations of each Holder hereunder are several and not joint with the obligations of any other Holder, and no Holder shall be responsible in any way for the performance of the obligations of any other Holder hereunder. The decision of each Holder to enter into this Agreement has been made by such Holder independently of any other Holder. Nothing contained herein, and no action taken by any Holder pursuant hereto, shall be deemed to constitute the Holders as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Holders are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated hereby.

## EUROPEAN WAX CENTER, INC.

**REGISTRATION RIGHTS AGREEMENT**

THIS REGISTRATION RIGHTS AGREEMENT (this “Agreement”) is made as of [●], 2021 among European Wax Center, Inc., a Delaware corporation (the “Company”), the General Atlantic Holders (as defined herein), EWC Holdings, Inc., a Delaware corporation (“EWC Holdings”), and each other Person listed on the signature pages hereto under the caption “Other Holders” or who executes a Joinder as an “Other Holder” (collectively, the “Other Holders”). Except as otherwise specified herein, all capitalized terms used in this Agreement are defined in Exhibit A attached hereto.

In consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties to this Agreement hereby agree as follows:

Section 1 Demand Registrations.

(a) Requests for Registration. At any time and from time to time, the Investors or an Investor may, in each case, request registration under the Securities Act of all or any portion of their Registrable Securities on Form S-1 or any similar long-form registration statement (“Long-Form Registrations”) or on Form S-3 or any similar short-form registration statement (“Short-Form Registrations”) if available (any such requested registration, a “Demand Registration”). The Majority Participating Investors may request that any Demand Registration be made pursuant to Rule 415 under the Securities Act (a “Shelf Registration”) and (if the Company is a WKSI at the time any such request is submitted to the Company or will become one by the time of the filing of such Shelf Registration with the SEC) that such Shelf Registration be an automatic shelf registration statement (as defined in Rule 405 under the Securities Act) (an “Automatic Shelf Registration Statement”). Each request for a Demand Registration must specify the approximate number or dollar value of Registrable Securities requested to be registered by the requesting Holders and (if known) the intended method of distribution (which may include underwritten offerings). Subject to Section 11(e), the General Atlantic Holders and their Permitted Assignees will be entitled to request an unlimited number of Demand Registrations and EWC Holdings will be entitled to request two Demand Registrations (which shall be reduced by each Shelf Offering Notice submitted by EWC Holdings), provided that the aggregate anticipated offering price, net of any underwriting discounts or commissions, of each such offering is at least \$50,000,000; provided, further, that EWC Holdings will only be entitled to one request for a Demand Registration or submission of a Shelf Offering Notice (but not both) in any 12-month period.

(b) Notice to Other Holders. Within five (5) days after receipt of any such request, the Company will give written notice of the Demand Registration to all other Holders and, subject to the terms of Section 1(e), will include in such Demand Registration (and in all related registrations and qualifications under state blue sky laws and in any related underwriting agreement) all Registrable Securities with respect to which the Company has received written requests for inclusion therein within five (5) days after the receipt of the Company’s notice; provided that, with the consent of the Majority Participating Investors, which consent shall not be unreasonably withheld, conditioned or delayed, the Company may instead provide notice of the Demand Registration to all Other Holders within three (3) Business Days following the non-confidential filing of the registration statement with respect to the Demand Registration so long as such registration statement is not an Automatic Shelf Registration Statement.

---

(c) Form of Registrations. All Long-Form Registrations will be underwritten registrations unless otherwise approved by the Majority Participating Investors. Demand Registrations will be Short-Form Registrations whenever the Company is permitted to use any applicable short form.

(d) Shelf Registrations.

(i) For so long as a registration statement for a Shelf Registration (a “Shelf Registration Statement”) is and remains effective, any Holder will have the right at any time or from time to time to elect to sell pursuant to an offering (including, with respect to the Investors, an underwritten offering, subject to Section 1(d)(v)) Registrable Securities available for sale pursuant to such registration statement (such Registrable Securities, the “Shelf Registrable Securities”), which may include Shelf Registrable Securities to be sold by the Holder. If any Investor desires to sell Registrable Securities pursuant to an underwritten offering, such Investor shall deliver to the Company a written notice (a “Shelf Offering Notice”) specifying the number of Shelf Registrable Securities that such Investor desires to sell pursuant to such underwritten offering (the “Shelf Offering”). As promptly as practicable, but in no event later than two (2) Business Days after receipt of a Shelf Offering Notice (unless such Shelf Offering Notice relates to an Underwritten Block Trade (as defined below) pursuant to Section 1(d)(ii)), the Company will give written notice of such Shelf Offering Notice to all other Holders of Shelf Registrable Securities that have been identified as selling stockholders in such Shelf Registration Statement and are otherwise permitted to sell in such Shelf Offering. The Company, subject to Section 1(e) and Section 7, will include in such Shelf Offering all Shelf Registrable Securities with respect to which the Company has received written requests for inclusion (which request will specify the maximum number of Shelf Registrable Securities intended to be disposed of by such Holder) within five (5) days after the receipt of the Shelf Offering Notice. The Company will, as expeditiously as possible (and in any event within 20 days after the receipt of a Shelf Offering Notice), but subject to Section 1(e), use its reasonable best efforts to facilitate such Shelf Offering.

(ii) If any Investor wishes to engage in an underwritten block trade or bought deal off of a Shelf Registration Statement (either through filing an Automatic Shelf Registration Statement or through a take-down from an already existing Shelf Registration Statement) (each, an “Underwritten Block Trade”), then notwithstanding the time periods set forth in Section 1(d)(i), such Investor will submit the Shelf Offering Notice with respect to the Underwritten Block Trade not less than two (2) Business Days prior to the day such offering is first anticipated to commence. The Company will as expeditiously as possible use its reasonable best efforts to facilitate such Underwritten Block Trade (which may close as early as two (2) Business Days after the date it commences); provided that (x) no other Holder or Investor will be permitted to participate in an Underwritten Block Trade without the written consent of the Majority Participating Investors and (y) the aggregate anticipated offering price, net of any underwriting discounts or commissions, of such offering is at least \$25,000,000.

(iii) All determinations as to whether to complete any Shelf Offering and as to the timing, manner, price and other terms of any Shelf Offering contemplated by this Section 1(d) shall be determined by the Majority Participating Investors, and the Company shall use its reasonable best efforts to cause any Shelf Offering to occur as promptly as practicable.

(iv) The Company will, at the request of the Majority Participating Investors, file any prospectus supplement or any post-effective amendments and otherwise take any action necessary to include therein all disclosure and language deemed necessary or advisable by the Majority Participating Investors to effect such Shelf Offering.

(v) Subject to Section 11(e), the General Atlantic Holders and their Permitted Assignees will be entitled to submit an unlimited number of Shelf Offering Notices and EWC Holdings will be entitled to submit two Shelf Offering Notices (which shall be reduced by each Demand Registration initiated by EWC Holdings), provided that the aggregate anticipated offering price, net of any underwriting discounts or commissions, of each such offering is at least \$50,000,000; provided, further, that EWC Holdings will only be entitled to one request for a Demand Registration or submission of a Shelf Offering Notice (but not both) in any 12-month period.

(e) Priority on Demand Registrations and Shelf Offerings. The Company will not include in any Demand Registration any securities which are not Registrable Securities without the prior written consent of the Majority Participating Investors, which consent shall not be unreasonably withheld, conditioned or delayed. If a Demand Registration or a Shelf Offering is an underwritten offering and the managing underwriters advise the Company in writing that in their reasonable and good faith opinion the number of Registrable Securities and (if permitted hereunder) other securities requested to be included in such offering exceeds the number of Registrable Securities and other securities (if any), which can be sold therein without adversely affecting the marketability, proposed offering price, timing or method of distribution of the offering, then the Company will include in such offering (prior to the inclusion of any securities which are not Registrable Securities): (i) first, the number of Investor Registrable Securities requested to be included which, in the reasonable and good faith opinion of such underwriters, can be sold, without any such adverse effect, pro rata among the Participating Investors on the basis of the number of Investor Registrable Securities owned by each such Participating Investor; and (ii) second, the number of Registrable Securities requested to be included by other Holders which, in the reasonable and good faith opinion of such underwriters, can be sold, without any such adverse effect, pro rata among the respective other Holders on the basis of the number of Registrable Securities owned by each such Holder.

(f) Restrictions on Demand Registration and Shelf Offerings.

(i) The Company may postpone, for up to 90 days from the date of the request (the "Suspension Period"), the filing or the effectiveness of a registration statement for a Demand Registration or suspend the use of a prospectus that is part of a Shelf Registration Statement (and therefore suspend sales of the Shelf Registrable Securities) by providing written notice to the Holders, to be in the form of a certificate signed by the Company's chief executive officer or chief financial officer stating that matters contained in such certificate reflect the good faith judgment of the board of directors of the Company, if the following conditions are met: (A) the Company determines that the offer or sale of Registrable Securities would reasonably be expected to have a material adverse effect on any proposal or plan by the Company or any Subsidiary to engage in any material acquisition of assets or stock (other than in the ordinary course of business) or any material merger, consolidation, tender offer, recapitalization, reorganization, financing or other transaction involving the Company and (B) upon advice of counsel, the sale of Registrable Securities pursuant to the registration statement would require disclosure of material non-public information not otherwise required to be disclosed under applicable law, and either (x) the Company has a bona fide business purpose for preserving the confidentiality of such transaction, (y) disclosure would have a material adverse effect on the Company or the Company's ability to consummate such transaction, or (z) such transaction renders the Company unable to comply with SEC requirements, in each case under circumstances that would make it impractical or inadvisable to cause the registration statement (or such filings) to become effective or to promptly amend or supplement the registration statement on a post effective basis, as applicable. The Company may delay or suspend the effectiveness of a Demand Registration or Shelf Registration Statement pursuant to this Section 1(f)(i) only once in any twelve (12)-month period (for avoidance of doubt, in addition to the Company's rights and obligations under Section 4(a)(vi)); provided that the Company shall not register any securities for its own account or that of any other stockholder during such 90 day period other than pursuant to a registration relating to the sale of securities to employees of the Company or a subsidiary pursuant to a stock option, stock purchase, or similar plan.

(ii) In the case of an event that causes the Company to suspend the use of a Shelf Registration Statement as set forth in paragraph (f)(i) above or pursuant to Section 4(a)(vi) (a "Suspension Event"), the Company will give a notice to the Holders whose Registrable Securities are registered pursuant to such Shelf Registration Statement (a "Suspension Notice") to suspend sales of the Registrable Securities and such notice must state generally the basis for the notice and that such suspension will continue only for so long as the Suspension Event or its effect is continuing. Each Holder agrees not to effect any sales of its Registrable Securities pursuant to such Shelf Registration Statement (or such filings) at any time after it has received a Suspension Notice from the Company and prior to receipt of an End of Suspension Notice. A Holder may recommence effecting sales of the Registrable Securities pursuant to the Shelf Registration Statement (or such filings) following further written notice to such effect (an "End of Suspension Notice") from the Company, which End of Suspension Notice will be given by the Company to the Holders promptly following the conclusion of any Suspension Event (and in any event during the permitted Suspension Period).

(g) Selection of Underwriters. The Majority Participating Investors will have the right to select the investment banker(s) and manager(s) to administer any underwritten offering in connection with any Demand Registration or Shelf Offering, which selection shall be reasonably acceptable to the Company.

(h) Other Registration Rights. Except as provided in this Agreement, the Company will not grant to any Person(s) the right to request the Company or any Subsidiary to register any equity securities of the Company or any Subsidiary, or any securities convertible or exchangeable into or exercisable for such securities, without the prior written consent of the Majority Investors, which consent shall not be unreasonably withheld, conditioned or delayed.

(i) Revocation of Demand Notice or Shelf Offering Notice. At any time prior to the effective date of the registration statement relating to a Demand Registration or the “pricing” of any offering relating to a Shelf Offering Notice, the Investors who initiated such Demand Registration or Shelf Offering may revoke such notice of a Demand Registration or Shelf Offering Notice on behalf of all Holders participating in such Demand Registration or Shelf Offering without liability to such Holders (including, for the avoidance of doubt, the other Participating Investors), in each case by providing written notice to the Company, and such revoked Demand Registration or Shelf Offering Notice shall not count as one of the permitted Demand Registrations or Shelf Offering Notices hereunder so long as notice thereof occurs prior to the filing of the applicable registration statement provided, however, that any other Participating Investor that would otherwise have the right to request such Demand Registration or Shelf Offering in the first instance may in such case request the Company to continue with such Demand Registration or Shelf Offering with such other Investor taking the place of the Investor that originally made such Demand Registration or requested such Shelf Offering.

(j) Confidentiality. Each Holder agrees to treat as confidential the receipt of any notice hereunder (including notice of a Demand Registration, a Shelf Offering Notice and a Suspension Notice) and the information contained therein, and not to disclose or use the information contained in any such notice (or the existence thereof) without the prior written consent of the Company until such time as the information contained therein is or becomes available to the public generally (other than as a result of disclosure by such Holder in breach of the terms of this Agreement).

## Section 2 Piggyback Registrations.

(a) Right to Piggyback. Whenever the Company proposes to register any of its equity securities under the Securities Act (including primary and secondary registrations, and other than pursuant to an Excluded Registration) (a “Piggyback Registration”), the Company will give prompt written notice (and in any event within three (3) Business Days after the public filing of the registration statement relating to the Piggyback Registration) to all Holders of its intention to effect such Piggyback Registration and, subject to the terms of Section 2(b) and Section 2(c), will include in such Piggyback Registration (and in all related registrations or qualifications under blue sky laws and in any related underwriting) all Registrable Securities with respect to which the Company has received written requests for inclusion therein within five (5) days after delivery of the Company’s notice. Any Participating Investor may withdraw its request for inclusion at any time prior to executing the underwriting agreement, or if none, prior to the applicable registration statement becoming effective. For certainty, any Participating Investor who has withdrawn its request for inclusion shall nevertheless continue to have the right to include any Registrable Securities in any subsequent registration statement or registration statements as may be filed by the Company with respect to offerings of its securities, all upon the terms and conditions set forth herein.

(b) Priority on Primary Registrations. If a Piggyback Registration is an underwritten primary registration on behalf of the Company, and the managing underwriters advise the Company in writing that in their reasonable and good faith opinion the number of securities requested to be included in such registration exceeds the number which can be sold in such offering without adversely affecting the marketability, proposed offering price, timing or method of distribution of the offering, the Company will include in such registration (i) first, the securities the Company proposes to sell, (ii) second, the Registrable Securities requested to be included in such registration which, in the reasonable and good faith opinion of the underwriters, can be sold without any such adverse effect, pro rata among the Holders on the basis of the number of Registrable Securities owned by each such Holder, and (iii) third, other securities requested to be included in such registration which, in the reasonable and good faith opinion of the underwriters, can be sold without any such adverse effect.

(c) Priority on Secondary Registrations. If a Piggyback Registration is an underwritten secondary registration on behalf of holders of the Company's equity securities (other than pursuant to Section 1 hereof), and the managing underwriters advise the Company in writing that in their reasonable and good faith opinion the number of securities requested to be included in such registration exceeds the number which can be sold in such offering without adversely affecting the marketability, proposed offering price, timing or method of distribution of the offering, the Company will include in such registration (i) first, the securities requested to be included therein by the holders initially requesting such registration and the Investor Registrable Securities requested to be included in such registration which, in the reasonable and good faith opinion of the underwriters, can be sold without any such adverse effect, (ii) second, the Registrable Securities requested to be included in such registration, pro rata among the other Holders on the basis of the number of Registrable Securities owned by each such Holder, which, in the reasonable and good faith opinion of the underwriters, can be sold without any such adverse effect, and (iii) third, other securities requested to be included in such registration which, in the reasonable and good faith opinion of the underwriters, can be sold without any such adverse effect.

(d) Right to Terminate Registration. The Company will have the right to terminate or withdraw any registration initiated by it under this Section 2, whether or not any holder of Registrable Securities has elected to include securities in such registration.

(e) Selection of Underwriters. If any Piggyback Registration is an underwritten offering, then the selection of investment banker(s) and manager(s) for the offering must be approved by the Majority Participating Investors, which approval shall not be unreasonably withheld, conditioned or delayed.

### Section 3 Stockholder Lock-Up Agreements and Company Holdback Agreement.

(a) Stockholder Lock-up Agreements. In connection with any underwritten Public Offering, each Holder will enter into any lock-up, holdback or similar agreements requested by the underwriter(s) managing such offering, in each case with such modifications and exceptions as may be reasonably approved by the Majority Participating Investors (provided that such lock-up, holdback or similar agreements shall be on the same terms and conditions as any such agreement executed by the Majority Participating Investors unless otherwise agreed in writing by such other Holder or Holders). Without limiting the generality of the foregoing, each Holder hereby agrees that in connection with the Company's initial Public Offering and in connection with any Demand Registration, Shelf Offering or Piggyback Registration that is an underwritten Public Offering, not to (i) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend, or otherwise transfer or dispose of, directly or indirectly, any Common Equity beneficially owned (as such term is used in Rule 13d-3 of the Exchange Act) (collectively, "Securities") by such Holder, or any other securities so owned convertible into or exchangeable or exercisable for Securities (collectively, "Other Securities"), (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences or ownership of any Securities or Other Securities, whether such transaction is to be settled by delivery of such Securities or Other Securities, in cash or otherwise (each of (i) and (ii) above, a "Sale Transaction"), or (iii) publicly disclose the intention to enter into any Sale Transaction, commencing on the date on which the Company gives notice to the Holders that a preliminary prospectus has been circulated for such underwritten Public Offering or the "pricing" of such offering and continuing to the date that is (x) 180 days following the date of the final prospectus for such underwritten Public Offering in the case of the Company's initial Public Offering, or (y) 90 days following the date of the final prospectus or prospectus supplement, as applicable, in the case of any other such underwritten Public Offering (each such period, or such shorter period as agreed to by the managing underwriters, a "Holdback Period"), in each case with such modifications and exceptions as may be approved by the Majority Investors, which approval shall not be unreasonably withheld, conditioned or delayed. The Company may impose stop-transfer instructions with respect to any Securities or Other Securities subject to the restrictions set forth in this Section 3(a) until the end of such Holdback Period. Each Holder subject to the restrictions of this Section 3(a) shall receive the benefit of any shorter "lock-up" period or permitted exceptions agreed to by the managing underwriter(s) for any underwritten offering pursuant to this Agreement.

(b) Company Holdback Agreement. The Company (i) will not file any registration statement for a Public Offering or cause any such registration statement to become effective, or effect any public sale or distribution of its Securities or Other Securities during any Holdback Period (other than as part of such underwritten Public Offering, or a registration on Form S-4 or Form S-8 or any successor or similar form which is (x) then in effect or (y) shall become effective upon the conversion, exchange or exercise of any then outstanding Other Securities) and (ii) will cause each holder of Securities and Other Securities (including each of its directors and executive officers) to agree not to effect any Sale Transaction during any Holdback Period, except as part of such underwritten registration (if otherwise permitted), unless approved in writing by the Majority Participating Investors and the underwriters managing the Public Offering and to enter into any lock-up, holdback or similar agreements requested by the underwriter(s) managing such offering, in each case with such modifications and exceptions as may be approved by the Majority Participating Investors.

#### Section 4 Registration Procedures.

(a) Company Obligations. Whenever the Holders have requested that any Registrable Securities be registered pursuant to this Agreement or have initiated a Shelf Offering, the Company will use its reasonable best efforts to effect the registration and the sale of such Registrable Securities in accordance with the intended method of disposition thereof, and pursuant thereto the Company will as expeditiously as possible:

(i) prepare and file with (or submit confidentially to) the SEC a registration statement, and all amendments and supplements thereto and related prospectuses, with respect to such Registrable Securities and use its reasonable best efforts to cause such registration statement to become effective, all in accordance with the Securities Act and all applicable rules and regulations promulgated thereunder (provided that before filing or confidentially submitting a registration statement or prospectus or any amendments or supplements thereto, the Company will furnish to the counsel selected by the Investors covered by such registration statement copies of all such documents proposed to be filed or submitted, which documents will be subject to the review and comment of such counsel);

(ii) notify each Holder that holds Registrable Securities registered by a registration statement of (A) the issuance by the SEC of any stop order suspending the effectiveness of any such registration statement or the initiation of any proceedings for that purpose, (B) the receipt by the Company or its counsel of any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose, and (C) the effectiveness of each such registration statement filed hereunder;

(iii) prepare and file with the SEC such amendments and supplements to such registration statement and the prospectus used in connection therewith as may be necessary to keep such registration statement effective for a period ending when all of the securities covered by such registration statement have been disposed of in accordance with the intended methods of distribution by the sellers thereof set forth in such registration statement (but not in any event before the expiration of any longer period required under the Securities Act or, if such registration statement relates to an underwritten Public Offering, such longer period as in the opinion of counsel for the underwriters a prospectus is required by law to be delivered in connection with the sale of Registrable Securities by an underwriter or dealer) and comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such registration statement during such period in accordance with the intended methods of disposition by the sellers thereof set forth in such registration statement;

(iv) furnish, without charge, to each seller of Registrable Securities thereunder and each underwriter, if any, such number of copies of such registration statement, each amendment and supplement thereto, the prospectus included in such registration statement (including each preliminary prospectus) (in each case including all exhibits and documents incorporated by reference therein), each amendment and supplement thereto, each Free Writing Prospectus and such other documents as such seller or underwriter, if any, may reasonably request in order to facilitate the disposition of the Registrable Securities owned by such seller (the Company hereby consenting to the use in accordance with all applicable laws of each such registration statement, each such amendment and supplement thereto, and each such prospectus (or preliminary prospectus or supplement thereto) or Free Writing Prospectus by each such seller of Registrable Securities and the underwriters, if any, in connection with the offering and sale of the Registrable Securities covered by such registration statement or prospectus);

(v) use its reasonable best efforts to register or qualify such Registrable Securities under such other securities or blue sky laws of such jurisdictions as any seller reasonably requests and do any and all other acts and things which may be reasonably necessary or advisable to enable such seller to consummate the disposition in such jurisdictions of the Registrable Securities owned by such seller (provided that the Company will not be required to (A) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this subparagraph, (B) consent to general service of process in any such jurisdiction or (C) subject itself to taxation in any such jurisdiction);

(vi) notify in writing each seller of such Registrable Securities (A) promptly after it receives notice thereof, of the date and time when such registration statement and each post-effective amendment thereto has become effective or a prospectus or supplement to any prospectus relating to a registration statement has been filed and when any registration or qualification has become effective under a state securities or blue sky law or any exemption thereunder has been obtained, (B) promptly after receipt thereof, of any request by the SEC for the amendment or supplementing of such registration statement or prospectus or for additional information, and (C) at any time when a prospectus relating thereto is required to be delivered under the Securities Act, of the happening of any event or of any information or circumstances as a result of which the prospectus included in such registration statement contains an untrue statement of a material fact or omits any fact necessary to make the statements therein not misleading, and, subject to Section 1(f), if required by applicable law or to the extent requested by the Majority Participating Investors, the Company will use its reasonable best efforts to promptly prepare and file a supplement or amendment to such prospectus so that, as thereafter delivered to the purchasers of such Registrable Securities, such prospectus will not contain an untrue statement of a material fact or omit to state any fact necessary to make the statements therein not misleading and (D) if at any time the representations and warranties of the Company in any underwriting agreement, securities sale agreement, or other similar agreement, relating to the offering shall cease to be true and correct;

(vii) (A) use reasonable best efforts to cause all such Registrable Securities to be listed on each securities exchange on which similar securities issued by the Company are then listed and, if not so listed, to be listed on a securities exchange and, without limiting the generality of the foregoing, to arrange for at least two market makers to register as such with respect to such Registrable Securities with FINRA, and (B) comply (and continue to comply) with the requirements of any self-regulatory organization applicable to the Company, including without limitation all corporate governance requirements;

(viii) provide a transfer agent and registrar for all such Registrable Securities and a CUSIP number for all such Registrable Securities, not later than the effective date of such registration statement;

(ix) enter into and perform such customary agreements (including, as applicable, underwriting agreements in customary form) and take all such other reasonable actions as the Majority Participating Investors or the underwriters, if any, reasonably request in order to expedite or facilitate the disposition of such Registrable Securities (including, without limitation, making available the executive officers of the Company and participating in "road shows," investor presentations, marketing events and other selling efforts and effecting a stock or unit split or combination, recapitalization or reorganization);

(x) make available for inspection by any seller of Registrable Securities, any underwriter participating in any disposition or sale pursuant to such registration statement and any attorney, accountant or other agent retained by any such seller or underwriter, all financial and other records, pertinent corporate and business documents and properties of the Company as will be necessary to enable them to exercise their due diligence responsibility, and cause the Company's officers, directors, employees, agents, representatives and independent accountants to supply all information reasonably requested by any such seller, underwriter, attorney, accountant or agent in connection with such registration statement and the disposition of such Registrable Securities pursuant thereto;

(xi) take all reasonable actions to ensure that any Free Writing Prospectus utilized in connection with any Demand Registration or Piggyback Registration or Shelf Offering hereunder complies in all material respects with the Securities Act, is filed in accordance with the Securities Act to the extent required thereby, is retained in accordance with the Securities Act to the extent required thereby and, when taken together with the related prospectus, prospectus supplement and related documents, will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(xii) otherwise use its best efforts to comply with all applicable rules and regulations of the SEC, and make available to its security holders, as soon as reasonably practicable, an earnings statement covering the period of at least twelve (12) months beginning with the first day of the Company's first full calendar quarter after the effective date of the registration statement, which earnings statement will satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder;

(xiii) permit any Holder which, in its sole and exclusive judgment, might be deemed to be an underwriter or a controlling person of the Company, to participate in the preparation of such registration or comparable statement and to allow such Holder to provide language for insertion therein, in form and substance satisfactory to the Company, which in the reasonable judgment of such Holder and its counsel should be included;

(xiv) use reasonable best efforts to (A) make Short-Form Registration available for the sale of Registrable Securities and (B) prevent the issuance of any stop order suspending the effectiveness of a registration statement, or the issuance of any order suspending or preventing the use of any related prospectus or suspending the qualification of any Common Equity included in such registration statement for sale in any jurisdiction use, and in the event any such order is issued, reasonable best efforts to obtain promptly the withdrawal of such order;

(xv) use its reasonable best efforts to cause such Registrable Securities covered by such registration statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to enable the sellers thereof to consummate the disposition of such Registrable Securities;

(xvi) cooperate with the Holders covered by the registration statement and the managing underwriter or agent, if any, to facilitate the timely preparation and delivery of certificates (not bearing any restrictive legends) representing securities to be sold under the registration statement, or the removal of any restrictive legends associated with any account at which such securities are held, and enable such securities to be in such denominations and registered in such names as the managing underwriter, or agent, if any, or such Holders may request;

(xvii) if requested by any managing underwriter, include in any prospectus or prospectus supplement updated financial or business information for the Company's most recent period or current quarterly period (including estimated results or ranges of results) if required for purposes of marketing the offering in the view of the managing underwriter;

(xviii) take no direct or indirect action prohibited by Regulation M under the Exchange Act; provided, however, that to the extent that any prohibition is applicable to the Company, the Company will take such action as is necessary to make any such prohibition inapplicable;

(xix) (A) cooperate with each Holder covered by the registration statement and each underwriter or agent participating in the disposition of such Registrable Securities and their respective counsel in connection with the preparation and filing of applications, notices, registrations and responses to requests for additional information with FINRA, the New York Stock Exchange, Nasdaq or any other national securities exchange on which the Common Equity is or is to be listed, and (B) to the extent required by the rules and regulations of FINRA, retain a Qualified Independent Underwriter acceptable to the managing underwriter;

(xx) in the case of any underwritten offering, use its reasonable best efforts to obtain, and deliver to the underwriter(s), in the manner and to the extent provided for in the applicable underwriting agreement, one or more cold comfort letters from the Company's independent public accountants in customary form and covering such matters of the type customarily covered by cold comfort letters;

(xxi) use its reasonable best efforts to provide (A) a legal opinion of the Company's outside counsel dated the effective date of such registration statement addressed to the Company addressing the validity of the Registrable Securities being offered thereby, (B) on the date that such Registrable Securities are delivered to the underwriters for sale in connection with a Demand Registration or Shelf Offering, if such securities are being sold through underwriters, or, if such securities are not being sold through underwriters, on the closing date of the applicable sale, (1) one or more legal opinions of the Company's outside counsel, dated such date, in form and substance as customarily given to underwriters in an underwritten public offering or, in the case of a non-underwritten offering, to the broker, placement agent or other agent of the Holders assisting in the sale of the Registrable Securities and (2) one or more "negative assurances letters" of the Company's outside counsel, dated such date, in form and substance as is customarily given to underwriters in an underwritten public offering or, in the case of a non-underwritten offering, to the broker, placement agent or other agent of the Holders assisting in the sale of the Registrable Securities, in each case, addressed to the underwriters, if any, or, if requested, in the case of a non-underwritten offering, to the broker, placement agent or other agent of the Holders assisting in the sale of the Registrable Securities and (C) customary certificates executed by authorized officers of the Company as may be requested by any Holder or any underwriter of such Registrable Securities;

(xxii) if the Company files an Automatic Shelf Registration Statement covering any Registrable Securities, use its reasonable best efforts to remain a WKSI (and not become an ineligible issuer (as defined in Rule 405 under the Securities Act)) during the period during which such Automatic Shelf Registration Statement is required to remain effective;

(xxiii) if the Company does not pay the filing fee covering the Registrable Securities at the time an Automatic Shelf Registration Statement is filed, pay such fee at such time or times as the Registrable Securities are to be sold; and

(xxiv) if the Automatic Shelf Registration Statement has been outstanding for at least three (3) years, at the end of the third year, refile a new Automatic Shelf Registration Statement covering the Registrable Securities, and, if at any time when the Company is required to re-evaluate its WKSI status the Company determines that it is not a WKSI, use its reasonable best efforts to refile the Shelf Registration Statement on Form S-3 and, if such form is not available, Form S-1 and keep such registration statement effective during the period during which such registration statement is required to be kept effective.

(b) Officer Obligations. Each Holder that is an officer of the Company agrees that if and for so long as he or she is employed by the Company or any Subsidiary thereof, he or she will participate fully in the sale process in a manner customary for persons in like positions and consistent with his or her other duties with the Company, including the preparation of the registration statement and the preparation and presentation of any road shows.

(c) Automatic Shelf Registration Statements. If the Company files any Automatic Shelf Registration Statement for the benefit of the holders of any of its securities other than the Holders, and the Investors do not request that their Registrable Securities be included in such Shelf Registration Statement, the Company agrees that, at the request of any Investor, it will include in such Automatic Shelf Registration Statement such disclosures as may be required by Rule 430B in order to ensure that the Investors may be added to such Shelf Registration Statement at a later time through the filing of a prospectus supplement rather than a post-effective amendment. If the Company has filed any Automatic Shelf Registration Statement for the benefit of the holders of any of its securities other than the Holders, the Company shall, at the request of any Investor, file any post-effective amendments necessary to include therein all disclosure and language necessary to ensure that the holders of Registrable Securities may be added to such Shelf Registration Statement.

(d) Additional Information. The Company may require each seller of Registrable Securities as to which any registration is being effected to furnish the Company such information regarding such seller and the distribution of such securities as the Company may from time to time reasonably request in writing, as a condition to such seller's participation in such registration.

(e) In-Kind Distributions. If any Investor (and/or any of their Affiliates) seeks to effectuate an in-kind distribution of all or part of their Registrable Securities to their respective direct or indirect equityholders, the Company will, subject to any applicable lock-ups, work with the foregoing Persons to facilitate such in-kind distribution in the manner reasonably requested and consistent with the Company's obligations under the Securities Act.

(f) Suspended Distributions. Each Person participating in a registration hereunder agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 4(a)(vi), such Person will immediately discontinue the disposition of its Registrable Securities pursuant to the registration statement until such Person's receipt of the copies of a supplemented or amended prospectus as contemplated by Section 4(a)(vi), subject to the Company's compliance with its obligations under Section 4(a)(vi).

(g) Other. To the extent that any of the Participating Investors is or may be deemed to be an "underwriter" of Registrable Securities pursuant to any SEC comments or policies, the Company agrees that (i) the indemnification and contribution provisions contained in Section 6 shall be applicable to the benefit of such Participating Investor in their role as an underwriter or deemed underwriter in addition to their capacity as a holder and (ii) such Participating Investor shall be entitled to conduct the due diligence which they would normally conduct in connection with an offering of securities registered under the Securities Act, including without limitation receipt of customary opinions and comfort letters addressed to such Participating Investor.

Section 5 Registration Expenses. Except as expressly provided herein, all out-of-pocket expenses incurred by the Company in connection with the performance of or compliance with this Agreement and/or in connection with any Demand Registration, Piggyback Registration or Shelf Offering, whether or not the same shall become effective or consummation, shall be paid by the Company, including, without limitation: (i) all registration and filing fees, and any other fees and expenses associated with filings required to be made with the SEC or FINRA, (ii) all fees and expenses in connection with compliance with any securities or "blue sky" laws, (iii) all printing, duplicating, word processing, messenger, telephone, facsimile and delivery expenses (including expenses of printing certificates for the Registrable Securities in a form eligible for deposit with The Depository Trust Company or other depository and of printing prospectuses and Free Writing Prospectuses), (iv) all fees and disbursements of counsel for the Company and of all independent certified public accountants of the Company (including the expenses of any special audit and cold comfort letters required by or incident to such performance), (v) Securities Act liability insurance or similar insurance if the Company so desires or the underwriters so require in accordance with then-customary underwriting practice, (vi) all fees and expenses incurred in connection with the listing of the Registrable Securities on any securities exchange on which similar securities of the Company are then listed (or on which exchange the Registrable Securities are proposed to be listed in the case of the Company's initial Public Offering), (vii) all applicable rating agency fees with respect to the Registrable Securities, (viii) all reasonable fees and disbursements of one legal counsel for the Investors, in each case selected by the Majority Participating Investors, together with any necessary local counsel as may be required by the Investors or the managing underwriters, (ix) any fees and disbursements of underwriters customarily paid by issuers or sellers of securities, (x) all fees and expenses of any special experts or other Persons retained by the Company or the Investors in connection with any Registration, (xi) all of the Company's internal expenses (including all salaries and expenses of its officers and employees performing legal or accounting duties) and (xii) all expenses related to the "road-show" for any underwritten offering, including all travel, meals and lodging. All such expenses are referred to herein as "Registration Expenses." The Company shall not be required to pay, and each Person that sells securities pursuant to a Demand Registration, Shelf Offering or Piggyback Registration hereunder will bear and pay, all underwriting discounts and commissions applicable to the Registrable Securities sold for such Person's account and all transfer taxes (if any) attributable to the sale of Registrable Securities.

Section 6 Indemnification and Contribution.

(a) By the Company. The Company will indemnify and hold harmless, to the fullest extent permitted by law and without limitation as to time, each Holder, such Holder's officers, directors, employees, agents, fiduciaries, stockholders, managers, partners, members, affiliates, direct and indirect equityholders, consultants and representatives, and any successors and assigns thereof, and each Person who controls such Holder (within the meaning of the Securities Act) (the "Indemnified Parties") against all losses, claims, actions, damages, liabilities and expenses (including with respect to actions or proceedings, whether commenced or threatened, and including reasonable attorney fees and expenses) (collectively, "Losses") caused by, resulting from, arising out of, based upon or related to any of the following (each, a "Violation") by the Company: (i) any untrue or alleged untrue statement of material fact contained in (A) any registration statement, prospectus, preliminary prospectus or Free Writing Prospectus, or any amendment thereof or supplement thereto or (B) any application or other document or communication (in this Section 6, collectively called an "application") executed by or on behalf of the Company or based upon written information furnished by or on behalf of the Company filed in any jurisdiction in order to qualify any securities covered by such registration under the "blue sky" or securities laws thereof, (ii) any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading or (iii) any violation or alleged violation by the Company of the Securities Act or any other similar federal or state securities laws or any rule or regulation promulgated thereunder applicable to the Company and relating to action or inaction required of the Company in connection with any such registration, qualification or compliance. In addition, the Company will reimburse such Indemnified Party for any legal or any other expenses reasonably incurred by them in connection with investigating or defending any such Losses. Notwithstanding the foregoing, the Company will not be liable in any such case to the extent that any such Losses result from, arise out of, are based upon, or relate to an untrue statement, or omission, made in such registration statement, any such prospectus, preliminary prospectus or Free Writing Prospectus or any amendment or supplement thereto, or in any application, in reliance upon, and in conformity with, written information prepared and furnished in writing to the Company by such Indemnified Party expressly for use therein or by such Indemnified Party's failure to deliver a copy of the registration statement or prospectus or any amendments or supplements thereto after the Company has furnished such Indemnified Party with a sufficient number of copies of the same. In connection with an underwritten offering, the Company will indemnify such underwriters, their officers and directors, and each Person who controls such underwriters (within the meaning of the Securities Act) to the same extent as provided above with respect to the indemnification of the Indemnified Parties or as otherwise agreed to in the underwriting agreement executed in connection with such underwritten offering. Such indemnity and reimbursement of expenses shall remain in full force and effect regardless of any investigation made by or on behalf of such Indemnified Party and shall survive the transfer of such securities by such seller.

(b) By Holders. In connection with any registration statement in which a Holder is participating, each such Holder will furnish to the Company in writing such information regarding such Holder as the Company reasonably requests for use in connection with any such registration statement, prospectus or prospectus supplement and, to the extent permitted by law, will indemnify the Company, its officers, directors, employees, agents and representatives, and each Person who controls the Company (within the meaning of the Securities Act) against any Losses resulting from (as determined by a final and appealable judgment, order or decree of a court of competent jurisdiction) any untrue or alleged untrue statement of material fact contained in the registration statement, prospectus or preliminary prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is contained in any information so furnished in writing by such Holder expressly for use therein; provided that the obligation to indemnify will be individual, not joint and several, for each Holder and each Holder's liability pursuant to the indemnification and contribution provisions herein will be limited to the net amount of proceeds received by such Holder from the sale of Registrable Securities pursuant to such registration statement.

(c) Claim Procedure. Any Person entitled to indemnification hereunder will (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice will impair any Person's right to indemnification hereunder only to the extent such failure has prejudiced the indemnifying party) and (ii) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party will not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent will not be unreasonably withheld, conditioned or delayed). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim will not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. In such instance, the conflicted indemnified parties will have a right to retain one separate counsel, chosen by the majority of the conflicted indemnified parties involved in the indemnification and approved by the Majority Investors, at the expense of the indemnifying party, which approval shall not be unreasonably withheld, conditioned or delayed.

(d) Contribution. If the indemnification provided for in this Section 6 is held by a court of competent jurisdiction to be unavailable to, or is insufficient to hold harmless, an indemnified party or is otherwise unenforceable with respect to any Loss referred to herein, then such indemnifying party will contribute to the amounts paid or payable by such indemnified party as a result of such Loss, (i) in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and of the indemnified party on the other hand in connection with the statements or omissions which resulted in such Loss as well as any other relevant equitable considerations or (ii) if the allocation provided by clause (i) of this Section 6(d) is not permitted by applicable law, then in such proportion as is appropriate to reflect not only such relative fault but also the relative benefit of the Company on the one hand and of the sellers of Registrable Securities and any other sellers participating in the registration statement on the other in connection with the statement or omissions which resulted in such Losses, as well as any other relevant equitable considerations; provided that the maximum amount of liability in respect of the indemnification and contribution provisions herein will be limited, in the case of each seller of Registrable Securities, to an amount equal to the net proceeds actually received by such seller from the sale of Registrable Securities effected pursuant to such registration. The relative fault of the indemnifying party and of the indemnified party will be determined by reference to, among other things, whether the untrue (or, as applicable alleged) untrue statement of a material fact or the omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just or equitable if the contribution pursuant to this Section 6(d) were to be determined by pro rata allocation or by any other method of allocation that does not take into account such equitable considerations. The amount paid or payable by an indemnified party as a result of the Losses referred to herein will be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending against any action or claim which is the subject hereof. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) will be entitled to contribution from any Person who is not guilty of such fraudulent misrepresentation.

(e) Indemnification Priority. The Company hereby acknowledges and agrees that any of the Persons entitled to indemnification and contribution pursuant to this Section 6 (each, a "Company Indemnatee" and collectively, the "Company Indemnitees") may have certain rights to indemnification, advancement of expenses and/or insurance provided by other sources. The Company hereby acknowledges and agrees (i) that it is the indemnitor of first resort (i.e., its obligations to a Company Indemnatee are primary and any obligation of such other sources to advance expenses or to provide indemnification for the same expenses or liabilities incurred by such Company Indemnatee are secondary) and (ii) that it shall be required to advance the full amount of expenses incurred by a Company Indemnatee and shall be liable for the full amount of all expenses, judgments, penalties, fines and amounts paid in settlement to the extent legally permitted and as required by the terms of this Agreement without regard to any rights a Company Indemnatee may have against such other sources. The Company further agrees that no advancement or payment by such other sources on behalf of a Company Indemnatee with respect to any claim for which such Company Indemnatee has sought indemnification, advancement of expenses or insurance from the Company shall affect the foregoing, and that such other sources shall have a right of contribution and/or be subrogated to the extent of such advancement or payment to all of the rights of recovery of such Company Indemnatee against the Company.

(f) Release. No indemnifying party will, except with the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement that does not include as an unconditional term thereof giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

(g) Non-exclusive Remedy; Survival. The indemnification and contribution provided for under this Agreement will be in addition to any other rights to indemnification or contribution that any indemnified party may have pursuant to law or contract (and the Company and its Subsidiaries shall be considered the indemnitors of first resort in all such circumstances to which this Section 6 applies) and will remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling Person of such indemnified party and will survive the transfer of Registrable Securities and the termination or expiration of this Agreement.

Section 7 Cooperation with Underwritten Offerings. No Person may participate in any underwritten registration hereunder unless such Person (i) agrees to sell such Person's securities on the basis provided in any underwriting arrangements approved by the Person or Persons entitled hereunder to approve such arrangements (including, without limitation, pursuant to the terms of any over-allotment or "green shoe" option requested by the underwriters; provided that no Holder will be required to sell more than the number of Registrable Securities such Holder has requested to include in such registration) and (ii) completes, executes and delivers all questionnaires, powers of attorney, stock powers, custody agreements, indemnities, underwriting agreements and other documents and agreements required under the terms of such underwriting arrangements or as may be reasonably requested by the Company and the lead managing underwriter(s). To the extent that any such agreement is entered into pursuant to, and consistent with, Section 3, Section 4 and/or this Section 7, the respective rights and obligations created under such agreement will supersede the respective rights and obligations of the Holders, the Company and the underwriters created thereby with respect to such registration.

Section 8 Subsidiary Public Offering. If, after an initial Public Offering of the common equity securities of one of its Subsidiaries, the Company distributes securities of such Subsidiary to its equityholders, then the rights and obligations of the Company pursuant to this Agreement will apply, *mutatis mutandis*, to such Subsidiary, and the Company will cause such Subsidiary to comply with such Subsidiary's obligations under this Agreement as if it were the Company hereunder.

Section 9 Joinder. The Company may from time to time (with the prior written consent of the Majority Investors, which consent shall not be unreasonably withheld, conditioned or delayed) permit any Person who acquires Common Equity (or rights to acquire Common Equity) to become a party to this Agreement and to be entitled to and be bound by all of the rights and obligations as a Holder by obtaining an executed Joinder to this Agreement from such Person in the form of Exhibit B attached hereto (a "Joinder"). Subject to Section 11(e), upon the execution and delivery of a Joinder by such Person, the Common Equity held by such Person shall become the category of Registrable Securities (i.e., Investor or Other Holder Registrable Securities) and such Person shall be deemed the category of Holder (i.e., Investor or Other Holder), in each case as set forth on the signature page to such Joinder.

Section 10 Synthetic Secondary Offerings. If an Investor elects to conduct an offering of Registrable Securities pursuant to this Agreement, the Company or such Investor, in each of their discretion, may elect to conduct a synthetic secondary offering with respect to such Registrable Securities (i.e., an offering in which the Company sells Common Equity for its own account and uses the net proceeds of such offering to acquire an equal number of Registrable Securities from the Investor that has elected to conduct an offering). In such case, the Common Equity sold by the Company for its own account shall be treated the same as Registrable Securities being offered by the Investor for purposes of Sections 1(e), 2(b) and 2(c) and other related provisions of this Agreement.

#### Section 11 General Provisions.

(a) Amendments and Waivers. Except as otherwise provided herein, the provisions of this Agreement may be amended, modified or waived only with the prior written consent of the Company and each of the Majority Investors; provided that no such amendment, modification or waiver that would (i) treat a specific Holder or group of Holders of Registrable Securities (i.e., Other Holders) in a manner materially and adversely different than any other Holder or group of Holders or (ii) materially and adversely change a specific right granted to such Holder or group by name, will be effective against such Holder or group of Holders without the consent of the holders of a majority of the Registrable Securities that are held by the group of Holders that is materially and adversely affected thereby; provided further that the foregoing provision shall not apply to any amendments or modifications otherwise expressly permitted by this Agreement, including any required to add a party hereto. The failure or delay of any Person to enforce any of the provisions of this Agreement will in no way be construed as a waiver of such provisions and will not affect the right of such Person thereafter to enforce each and every provision of this Agreement in accordance with its terms. A waiver or consent to or of any breach or default by any Person in the performance by that Person of his, her or its obligations under this Agreement will not be deemed to be a consent or waiver to or of any other breach or default in the performance by that Person of the same or any other obligations of that Person under this Agreement.

(b) Remedies. The parties to this Agreement will be entitled to enforce their rights under this Agreement specifically (without posting a bond or other security), to recover damages caused by reason of any breach of any provision of this Agreement and to exercise all other rights existing in their favor. The parties hereto agree and acknowledge that a breach of this Agreement would cause irreparable harm and money damages would not be an adequate remedy for any such breach and that, in addition to any other rights and remedies existing hereunder, any party will be entitled to specific performance and/or other injunctive relief from any court of law or equity of competent jurisdiction (without posting any bond or other security) in order to enforce or prevent violation of the provisions of this Agreement.

(c) Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be prohibited, invalid, illegal or unenforceable in any respect under any applicable law or regulation in any jurisdiction, such prohibition, invalidity, illegality or unenforceability will not affect the validity, legality or enforceability of any other provision of this Agreement in such jurisdiction or in any other jurisdiction, but this Agreement will be reformed, construed and enforced in such jurisdiction as if such prohibited, invalid, illegal or unenforceable provision had never been contained herein.

(d) Entire Agreement. Except as otherwise provided herein, this Agreement contains the complete agreement and understanding among the parties hereto with respect to the subject matter hereof and supersedes and preempts any prior understandings, agreements or representations by or among the parties hereto, written or oral, which may have related to the subject matter hereof in any way.

(e) Successors, Assigns and Transferees. Except as otherwise provided herein, this Agreement will bind and inure to the benefit and be enforceable by the Company and its successors and permitted assigns. The rights and obligations of the Holders may not be assigned, in whole or in part; provided, however, that the rights and obligations set forth herein may be assigned, in whole or in part, by the General Atlantic Holders to any of their Affiliates, or to any transferee of Registrable Securities that holds (after giving effect to such transfer) in excess of five percent (5%) of the then-outstanding Common Equity, and such transferee shall, with the consent of the Majority Investors, be treated as an Investor for all purposes of this Agreement (each Person to whom the rights and obligations are assigned in compliance with this Section 11(e) is a "Permitted Assignee" and all such Persons, collectively, are "Permitted Assignees"; provided, further, that any such transferee shall only be admitted as a party hereunder upon its, his or her execution and delivery of a Joinder, agreeing to be bound by the terms and conditions of this Agreement as if such Person were a party hereto, whereupon such Person will be treated as an Investor for all purposes of this Agreement, with the same rights, benefits and obligations hereunder as a General Atlantic Holder with respect to the transferred Registrable Securities.

(d) Notices. Any notice, demand or other communication to be given under or by reason of the provisions of this Agreement will be in writing and will be deemed to have been given (i) when delivered personally to the recipient, (ii) when sent by confirmed electronic mail or facsimile if sent during normal business hours of the recipient; but if not, then on the next Business Day, (iii) one Business Day after it is sent to the recipient by reputable overnight courier service (charges prepaid) or (iv) three Business Days after it is mailed to the recipient by first class mail, return receipt requested. Such notices, demands and other communications will be sent to the Company at the address specified on the signature page hereto or any Joinder and to any holder, or at such address or to the attention of such other Person as the recipient party has specified by prior written notice to the sending party. Any party may change such party's address for receipt of notice by giving prior written notice of the change to the sending party as provided herein. The Company's address is:

## **ARTICLE I**

### **DEFINITIONS**

Section 1.1. Definitions. As used in this Agreement, the terms set forth in this Article I shall have the following meanings (such meanings to be equally applicable to both the singular and plural forms of the terms defined).

“Acquired Units” means the Units acquired by the Corporate Taxpayer in the Mergers.

“Actual Tax Liability” means, with respect to any Taxable Year, the sum of (i) the sum of (A) the liability for U.S. federal income Taxes of the Corporate Taxpayer and (B) without duplication, the portion of any liability for U.S. federal income Taxes imposed directly on OpCo (and OpCo’s applicable subsidiaries) under Section 6225 or any similar provision of the Code that is allocable to the Corporate Taxpayer under Section 704 of the Code, in each case, (a) using the same methods, elections, conventions and similar practices used on the relevant IRS Form 1120 (or any successor form) and (b) calculating the amount in clause (A) by treating the Corporate Taxpayer as having only paid an amount of state and local Taxes equal to the amount in prong (ii) of this definition (rather than any actual amount of state, local and foreign tax liabilities paid) for such Taxable Year to the extent state and local taxes are deductible for the applicable entity, (ii) the product of the amount of the U.S. federal taxable income (calculated assuming that state and local taxes are not deductible) for such taxable year reported on the Corporate Taxpayer’s IRS Form 1120 (or any successor form) and the Blended Rate.

“Affiliate” means, with respect to any Person, any other Person that directly or indirectly, through one or more intermediaries, Controls, is Controlled by, or is under common Control with, such first Person.

“Agreed Rate” means a per annum rate of LIBOR plus 100 basis points.

“Agreement” has the meaning set forth in the Preamble to this Agreement.

“Amended Schedule” has the meaning set forth in Section 2.3(b) of this Agreement.

“Attributable” means the portion of any Tax Attribute of the Corporate Taxpayer that is “Attributable” to the Blocker Shareholders or to any present or former Unit Holder, as the case may be, determined under the following principles:

(i) any Pre-Merger NOLs shall be determined separately with respect to each Blocker and are Attributable to the Blocker Shareholders of each Blocker that, but for the participation of a Blocker and the relevant Blocker Shareholder in the Mergers, the Corporate Taxpayer would not have had the use of such Pre-Merger NOLs;

(ii) any Blocker Transferred Basis shall be determined separately with respect to each Blocker and is Attributable to the Blocker Shareholders of each Blocker proportionately based on the Blocker Shareholders’ proportionate ownership of total equity interests of the Blockers immediately prior to the Mergers;

(iii) the Basis Adjustments and the Common Basis in any Reference Asset transferred in an Exchange shall be determined separately with respect to each Exchanging Holder and are Attributable to each Exchanging Holder in an amount equal to the total Basis Adjustment and the Common Basis relating to such Units delivered to the Corporate Taxpayer by such Exchanging Holder in the Exchange (for the avoidance of doubt, with respect to any Basis Adjustments and the Common Basis attributable to a distribution or redemption, the Exchanging Holder shall be the Unit Holder relinquishing its interest in the Reference Asset); and

(iv) any deduction to the Corporate Taxpayer with respect to a Taxable Year in respect of Imputed Interest is Attributable to the Person that is required to include the Imputed Interest in income (without regard to whether such Person is actually subject to Tax thereon).

“Basis Adjustment” means the adjustment to the tax basis of a Reference Asset under Sections 732, 734(b), 707(a), 737, 755 and/or 1012 of the Code (in situations where, as a result of one or more Exchanges, OpCo becomes an entity that is disregarded as separate from its owner for U.S. federal income Tax purposes) or under Sections 704(c)(1)(B), 707, 734(b) 737(c)(2), 743(b), 754, 755 and/or 1012 of the Code (in situations where, following an Exchange, OpCo remains in existence as an entity treated as a partnership for U.S. federal income Tax purposes) and, in each case, analogous sections of U.S. state and local Tax laws, as a result of an Exchange and the payments made pursuant to this Agreement in respect of such Exchange. For the avoidance of doubt, the amount of any Basis Adjustment resulting from an Exchange of one or more Units shall be determined without regard to any Pre-Exchange Transfer of such Units and as if any such Pre-Exchange Transfer had not occurred. The amount of any Basis Adjustment shall be determined using the Market Value at the time of the Exchange.

“Basis Schedule” has the meaning set forth in Section 2.1 of this Agreement.

“Beneficial Owner” means, with respect to any security, a Person who directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise, has or shares: (i) voting power, which includes the power to vote, or to direct the voting of, such security; and/or (ii) investment power, which includes the power to dispose of, or to direct the disposition of, such security. The terms “Beneficially Own” and “Beneficial Ownership” shall have correlative meanings.

“Blended Rate” means, with respect to any Taxable Year, the sum of the apportionment-weighted effective rates of Tax imposed on the aggregate net income of the Corporate Taxpayer or OpCo, as applicable, in each state or local jurisdiction in which the Corporate Taxpayer or OpCo, as applicable, files Tax Returns for such Taxable Year, with the maximum effective rate in any state or local jurisdiction being equal to the product of (i) the apportionment factor on the income or franchise Corporate Taxpayer Return in such jurisdiction for such Taxable Year and (ii) the maximum applicable corporate Tax rate in effect in such jurisdiction in such Taxable Year. As an illustration of the calculation of the Blended Rate for a Taxable Year, if the Corporate Taxpayer solely files Tax Returns in State 1 and State 2 in a Taxable Year, the maximum applicable corporate Tax rates in effect in such states in such Taxable Year are 6.5% and 5.5%, respectively, and the apportionment factors for such states in such Taxable Year are 55% and 45% respectively, then the Blended Rate for such Taxable Year is equal to 6.05% (i.e., 6.5% multiplied by 55% plus 5.5% multiplied by 45%).

“Blockers” means GAPCO Blocker and GA Blocker, and each, individually, a Blocker.

“Blocker Shareholder” means, a Person who, prior to the Mergers, holds equity interests of a Blocker, and as a result of the Mergers, holds Class A Shares.

## ARTICLE II

### DETERMINATION OF CERTAIN REALIZED TAX BENEFIT

Section 2.1. Basis Schedule. All costs and expenses incurred in connection with the provision and preparation of the Basis Schedules and Tax Benefit Schedules for each TRA Party in compliance with this Agreement shall be borne by OpCo.

Section 2.2. Tax Benefit Schedule.

(a) Tax Benefit Schedule. Within one hundred and twenty (120) calendar days after the due date (including extensions) of IRS Form 1120 (or any successor form) of the Corporate Taxpayer for any Taxable Year in which there is a Realized Tax Benefit or a Realized Tax Detriment Attributable to a TRA Party, the Corporate Taxpayer shall provide to such TRA Party and to the TRA Party Representative a schedule showing, in reasonable detail, the calculation of the Realized Tax Benefit and Tax Benefit Payment or the Realized Tax Detriment, as applicable, in respect of such TRA Party for such Taxable Year (a "Tax Benefit Schedule"). Each Tax Benefit Schedule will become final as provided in Section 2.3(a) and may be amended as provided in Section 2.3(b) (subject to the procedures set forth in Section 2.3(b)).

(b) Applicable Principles.

(i) General. Subject to Section 3.3, the Realized Tax Benefit (or the Realized Tax Detriment) for each Taxable Year is intended to measure the decrease (or increase) in the actual liability for Taxes of the Corporate Taxpayer for such Taxable Year attributable to the Tax Attributes, determined using a "with and without" methodology. Carryovers or carrybacks of any Tax item attributable to any of the Tax Attributes shall be considered to be subject to the rules of the Code and the Treasury Regulations or the appropriate provisions of U.S. state and local income and franchise Tax law, as applicable, governing the use, limitation and expiration of carryovers or carrybacks of the relevant type. If a carryover or carryback of any Tax item includes a portion that is attributable to any Tax Attribute and another portion that is not, such portions shall be considered to be used in accordance with the "with and without" methodology. The parties agree that (A) all Tax Benefit Payments (other than Imputed Interest thereon) attributable to Blocker Transferred Basis or Pre-Merger NOLs will be treated as non-qualifying property or money for purposes of Sections 351 or 356 of the Code received in the Mergers, (B) as a result, any additional Basis Adjustments will be incorporated into the calculation for the year in which the applicable Tax Benefits Payments are paid and into future year calculations, as appropriate, and (C) the Actual Tax Liability will take into account the deduction of the portion of the Tax Benefit Payment that must be accounted for as Imputed Interest.

(ii) Applicable Principles of Section 734(b) Exchanges. Notwithstanding any provisions to the contrary in this Agreement, the foregoing treatment set out in Section 2.3(b)(i) shall not be required to apply to payments hereunder to an Exchanging Holder in respect of a Section 734(b) Exchange by such Exchanging Holder. For the avoidance of doubt, payments made under this Agreement relating to a Section 734(b) Exchange shall not be treated as resulting in a Basis Adjustment to the extent such payments are treated as Imputed Interest. The parties intend that (A) an Exchanging Holder that has made a Section 734(b) Exchange shall, with respect to the Basis Adjustment resulting from such Section 734(b) Exchange or any payments hereunder in respect of such Section 734(b) Exchange, be entitled to Tax Benefit Payments attributable to such Basis Adjustments only to the extent such Basis Adjustments are allocable to the Corporate Taxpayer following such Section 734(b) Exchange (without taking into account any concurrent or subsequent Exchanges) and (B) if, as a result of a subsequent Exchange, an increased portion of the Basis Adjustments resulting from such Section 734(b) Exchange or any payments hereunder in respect of such Section 734(b) Exchange becomes allocable to the Corporate Taxpayer, then the Unit Holder that makes such subsequent Exchange shall be entitled to a Tax Benefit Payment calculated in respect of such increased portion.

(iii) Applicable Principles for Blocker Transferred Basis. For the avoidance of doubt, the Realized Tax Benefit (or the Realized Tax Detriment) attributable to the Blocker Transferred Basis is intended to represent the decrease (or increase) in the actual liability for Taxes of the Corporate Taxpayer for such Taxable Year attributable to the Tax deductions resulting from the tax basis of the Reference Assets measured at the time of the IPO based on the Blocker Shareholders' proportionate ownership of the total equity interests of the Blockers and such Blockers' relative pro rata share in accordance with Units held immediately prior to the Mergers.

Section 2.3. Procedures, Amendments.

(a) Procedure. Every time the Corporate Taxpayer delivers to a TRA Party and to the TRA Party Representative an applicable Schedule under this Agreement, including any Amended Schedule, the Corporate Taxpayer shall also (x) deliver to such TRA Party and to the TRA Party Representative supporting schedules and work papers, as determined by the Corporate Taxpayer or as reasonably requested by such TRA Party or the TRA Party Representative, providing reasonable detail regarding data and calculations that were relevant for purposes of preparing such Schedule and (y) allow such TRA Party or the TRA Party Representative reasonable access at no cost to the appropriate representatives at the Corporate Taxpayer, as determined by the Corporate Taxpayer or as reasonably requested by such TRA Party or TRA Party Representative, in connection with a review of such Schedule. Without limiting the generality of the preceding sentence, the Corporate Taxpayer shall ensure that any Tax Benefit Schedule that is delivered to a TRA Party and to the TRA Party Representative, along with any supporting schedules and work papers, provides a reasonably detailed presentation of the calculation of the Actual Tax Liability and the Hypothetical Tax Liability and identifies any material assumptions or operating procedures or principles that were used for purposes of such calculations. An applicable Schedule or amendment thereto shall become final and binding on all parties thirty (30) calendar days from the date on which all relevant TRA Parties are treated as having received the applicable Schedule or amendment thereto under Section 7.1 unless the TRA Party Representative (i) within thirty (30) calendar days from such date provides the Corporate Taxpayer with written notice of a material objection to such Schedule ("Objection Notice") made in good faith or (ii) provides a written waiver of such right of any Objection Notice within the period described in clause (i) above, in which case such Schedule or amendment thereto becomes binding on the date the waiver is received by the Corporate Taxpayer. If the Corporate Taxpayer and the TRA Party Representative, for any reason, are unable to successfully resolve the issues raised in the Objection Notice within thirty (30) calendar days after receipt by the Corporate Taxpayer of an Objection Notice, the Corporate Taxpayer and the TRA Party Representative shall employ the reconciliation procedures as described in Section 7.9 of this Agreement (the "Reconciliation Procedures").

(b) Amended Schedule. The applicable Schedule for any Taxable Year may be amended from time to time by the Corporate Taxpayer (i) in connection with a Determination affecting such Schedule, (ii) to correct inaccuracies in the Schedule identified as a result of the receipt of additional factual information relating to a Taxable Year after the date the Schedule was provided to a TRA Party, (iii) to comply with an Expert's determination under the Reconciliation Procedures, (iv) to reflect a change in the Realized Tax Benefit, or the Realized Tax Detriment for such Taxable Year attributable to a carryback or carryforward of a loss or other Tax item to such Taxable Year, (v) to reflect a change in the Realized Tax Benefit or the Realized Tax Detriment for such Taxable Year attributable to an amended Tax Return filed for such Taxable Year or (vi) to adjust an applicable TRA Party's Basis Schedule to take into account payments made pursuant to this Agreement (any such Schedule, an "Amended Schedule"). The Corporate Taxpayer shall provide an Amended Schedule to each TRA Party and to the TRA Party Representative within ninety (90) calendar days of the occurrence of an event referenced in clauses (i) through (vi) of the preceding sentence.

### ARTICLE III

#### TAX BENEFIT PAYMENTS

##### Section 3.1. Payments.

(a) Payments. Within five (5) calendar days after a Tax Benefit Schedule delivered to a TRA Party becomes final in accordance with Section 2.3(a) and Section 7.9, if applicable, the Corporate Taxpayer shall pay such TRA Party for such Taxable Year the Tax Benefit Payment determined pursuant to Section 3.1(b) that is Attributable to the relevant TRA Party. Each such Tax Benefit Payment shall be made by wire transfer of immediately available funds to the bank account previously designated by such TRA Party to the Corporate Taxpayer or as otherwise agreed by the Corporate Taxpayer and such TRA Party. For the avoidance of doubt, (x) no Tax Benefit Payment shall be made in respect of estimated Tax payments, including, without limitation, U.S. federal estimated income Tax payments and (y) the payments provided for pursuant to the above sentence shall be computed separately for each TRA Party. (b) A “Tax Benefit Payment” in respect of a TRA Party for a Taxable Year means an amount, not less than zero, equal to the Net Tax Benefit that is Attributable to such TRA Party and the Interest Amount with respect thereto. For the avoidance of doubt, for Tax purposes, a portion of the Interest Amount shall be treated as interest pursuant to Section 483 of the Code and a portion of the Interest Amount shall be treated as additional consideration in the applicable transaction, unless otherwise required by law. Subject to Section 3.3, the “Net Tax Benefit” for a Taxable Year shall be an amount equal to the excess, if any, of 85% of the Cumulative Net Realized Tax Benefit as of the end of such Taxable Year, over the total amount of payments previously made under the first sentence of Section 3.1(a) (excluding payments attributable to Interest Amounts); provided, for the avoidance of doubt, that no such recipient shall be required to return any portion of any previously made Tax Benefit Payment. The “Interest Amount” shall equal the interest on the Net Tax Benefit calculated at the Agreed Rate from the due date (without extensions) for filing IRS Form 1120 (or any successor form) of the Corporate Taxpayer with respect to Taxes for such Taxable Year until the payment date under Section 3.1(a).

The provisions of this Agreement shall be construed in the appropriate manner to ensure such intentions are realized.

Section 3.3. Pro Rata Payments. Notwithstanding anything in Section 3.1 to the contrary, to the extent that the aggregate Realized Tax Benefit of the Corporate Taxpayer with respect to the Tax Attributes is limited in a particular Taxable Year because the Corporate Taxpayer does not have sufficient taxable income, the Net Tax Benefit for that Taxable Year shall be allocated among all parties then-eligible to receive Tax Benefit Payments under this Agreement in proportion to the amounts of Net Tax Benefit for that Taxable Year, respectively, that would have been Attributable to each TRA Party if the Corporate Taxpayer had sufficient taxable income so that there were no such limitation; provided, that, for the avoidance of doubt, for purposes of allocating among the TRA Parties the aggregate Net Tax Benefit with respect to any Taxable Year, the operation of this Section 3.3 with respect to any prior Taxable Years shall be taken into account so as to eliminate as quickly as possible, proportionately, the difference with respect to each TRA Party between (i) the aggregate Net Tax Benefit that would be Attributable to such TRA Party under Section 3.1(b) with respect to each such Taxable Year (on a cumulative basis) if the Corporate Taxpayer had sufficient taxable income so that there were no limitation under this clause (a) and (ii) the actual aggregate Net Tax Benefit deemed Attributable to such TRA Party under Section 3.1(b) with respect to each such Taxable Year (on a cumulative basis) by operation of this clause (a). Consistent with the foregoing, the Tax Benefit Schedule for a given Taxable Year shall reflect the operation of this Section 3.3 in respect of previous Taxable Years, with Pre-Merger NOLs, Blocker Transferred Basis, Basis Adjustments and Imputed Interest described in such Tax Benefit Schedule that are attributable to a TRA Party being adjusted to reflect payments received in respect of such Pre-Merger NOLs, Blocker Transferred Basis, Basis Adjustments and Imputed Interest (the intention of the parties being to avoid duplicative payments and maintain records sufficient to allow the Corporate Taxpayer to allocate Tax Benefit Payments consistent with the terms of this Section 3.3). For the avoidance of doubt, the determination of whether Tax Benefit Payments are held-back pursuant to Section 3.6, shall not be relevant in the determination of whether a Net Tax Benefit is eligible to be allocated to the relevant TRA Party for purposes of this Section 3.3.

Section 3.4. Payment Ordering. If for any reason the Corporate Taxpayer does not fully satisfy its payment obligations to make all Tax Benefit Payments due under this Agreement in respect of a particular Taxable Year, then the Corporate Taxpayer and the TRA Parties agree that (i) Tax Benefit Payments for such Taxable Year shall be allocated to all parties eligible to receive Tax Benefit Payments under this Agreement in such Taxable Year in proportion to the amounts of Tax Benefit Payments, respectively, that would have been made to each TRA Party if the Corporate Taxpayer had sufficient cash available to make such Tax Benefit Payments and (ii) no Tax Benefit Payments shall be made in respect of any Taxable Year until all Tax Benefit Payments to all TRA Parties in respect of all prior Taxable Years have been made in full; provided, however, that any payments that were previously held by the Corporate Taxpayer on behalf of a TRA Party and have now become due and payable pursuant to Section 3.5 or Section 3.6 shall be made prior to any other Tax Benefit Payments.

## ARTICLE IV

### TERMINATION

#### Section 4.1. Early Termination of Agreement; Breach of Agreement.

(a) The Corporate Taxpayer may terminate this Agreement with respect to all amounts payable to the TRA Parties and with respect to all of the Units held by the TRA Parties at any time by paying to each TRA Party the Early Termination Payment in respect of such TRA Party; provided, however, that this Agreement shall only terminate upon the receipt of the Early Termination Payment by all TRA Parties, and provided, further, that the Corporate Taxpayer may withdraw any notice to execute its termination rights under this Section 4.1(a) prior to the time at which any Early Termination Payment has been paid. Upon payment of the Early Termination Payment in respect of each TRA Party by the Corporate Taxpayer the Corporate Taxpayer shall have no further payment obligations under this Agreement, other than for any (a) Tax Benefit Payments due and payable and that remain unpaid as of the Early Termination Notice and (b) Tax Benefit Payment due for the Taxable Year ending with or including the date of the Early Termination Notice (except to the extent that the amount described in clause (b) is included in the Early Termination Payment). If an Exchange occurs after the Corporate Taxpayer makes all of the required Early Termination Payments, the Corporate Taxpayer shall have no obligations under this Agreement with respect to such Exchange.

(b) In the event that the Corporate Taxpayer (1) breaches any of its material obligations under this Agreement, whether as a result of failure to make any payment when due, failure to honor any other material obligation required hereunder or by operation of law as a result of the rejection of this Agreement in a case commenced under the Bankruptcy Code or otherwise or (2)(A) shall commence any case, proceeding or other action (i) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate a bankruptcy or insolvency, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts or (ii) seeking an appointment of a receiver, trustee, custodian, conservator or other similar official for it or for all or any substantial part of its assets, or it shall make a general assignment for the benefit of creditors or (B) there shall be commenced against the Corporate Taxpayer any case, proceeding or other action of the nature referred to in clause (A) above that remains undismissed or undischarged for a period of sixty (60) calendar days, unless otherwise waived or directed in writing by the TRA Party Representative, all obligations hereunder shall be automatically accelerated and shall be immediately due and payable, and such obligations shall be calculated as if an Early Termination Notice had been delivered on the date of such breach and shall include, but not be limited to, (x) the Early Termination Payments calculated as if an Early Termination Notice had been delivered on the date of a breach, (y) any Tax Benefit Payment due and payable and that remains unpaid as of the date of a breach, and (z) any Tax Benefit Payment in respect of any TRA Party due for the Taxable Year ending with or including the date of a breach; provided, that procedures similar to the procedures of Section 4.2 shall apply with respect to the determination of the amount payable by the Corporate Taxpayer pursuant to this sentence. Notwithstanding the foregoing, in the event that the Corporate Taxpayer breaches this Agreement, to the fullest extent permitted by applicable law, each TRA Party shall be entitled to elect to receive the amounts set forth in clauses (x), (y) and (z) above or to seek specific performance of the terms hereof. The parties agree that the failure to make any payment due pursuant to this Agreement within three (3) months of the date such payment is due shall be deemed to be a breach of a material obligation under this Agreement for all purposes of this Agreement, and that it will not be considered to be a breach of a material obligation under this Agreement to make a payment due pursuant to this Agreement within three (3) months of the date such payment is due. Notwithstanding anything in this Agreement to the contrary, it shall not be a breach of a material obligation of this Agreement if the Corporate Taxpayer fails to make any Tax Benefit Payment when due to the extent that the Corporate Taxpayer has insufficient funds to make such payment; provided, that the interest provisions of Section 5.2 shall apply to such late payment (unless the Corporate Taxpayer does not have sufficient funds to make such payment as a result of limitations imposed by any Senior Obligations, in which case Section 5.2 shall apply, but the Default Rate shall be replaced by the Agreed Rate).

(c) In the event of a Change of Control, unless otherwise waived in writing by the TRA Party Representative, all obligations hereunder shall be accelerated and such obligations shall be calculated as if an Early Termination Notice had been delivered on the date of such Change of Control and utilizing the Valuation Assumptions by substituting in each case the terms “the closing date of a Change of Control” in each place where the phrase “Early Termination Date” appears. Such obligations shall include (1) the Early Termination Payments calculated as if the Early Termination Date is the date of such Change of Control, (2) any Tax Benefit Payment due and payable and that remains unpaid as of the date of such Change of Control, and (3) any Tax Benefit Payment in respect of any TRA Party due for any Taxable Year ending prior to, with or including the date of such Change of Control (except to the extent any amounts described in clause (2) or (3) are included in the Early Termination Payment). For the avoidance of doubt, Sections 4.2 and 4.3 shall apply to a Change of Control, *mutatis mutandis*.

Section 4.2. Early Termination Notice. If the Corporate Taxpayer chooses to exercise its right of early termination under Section 4.1(a) above, the Corporate Taxpayer shall deliver to each TRA Party and to the TRA Party Representative notice of such intention to exercise such right (“Early Termination Notice”) and a schedule (the “Early Termination Schedule”) specifying the Corporate Taxpayer’s intention to exercise such right under either clause (i) or (ii) thereof and showing in reasonable detail the calculation of the Early Termination Payment(s) due for each relevant TRA Party. Each Early Termination Schedule shall become final and binding on all parties thirty (30) calendar days from the first date on which the TRA Party Representative is treated as having received such Schedule or amendment thereto under Section 7.1 unless the TRA Party Representative (i) within thirty (30) calendar days after such date provides the Corporate Taxpayer with notice of a material objection to such Schedule made in good faith (“Material Objection Notice”) or (ii) provides a written waiver of such right of a Material Objection Notice within the period described in clause (i) above, in which case such Schedule becomes binding on the date the waiver is received by the Corporate Taxpayer. If the Corporate Taxpayer and the TRA Party Representative, for any reason, are unable to successfully resolve the issues raised in such notice within thirty (30) calendar days after receipt by the Corporate Taxpayer of the Material Objection Notice, the Corporate Taxpayer and the TRA Party Representative shall employ the Reconciliation Procedures in which case such Schedule becomes binding ten (10) calendar days after the conclusion of the Reconciliation Procedures.

Section 4.3. Payment upon Early Termination.

(a) Within three (3) calendar days after an Early Termination Effective Date, the Corporate Taxpayer shall pay to each relevant TRA Party an amount equal to the Early Termination Payment in respect of such TRA Party. Such payment shall be made by wire transfer of immediately available funds to a bank account or accounts designated by such TRA Party or as otherwise agreed by the Corporate Taxpayer and such TRA Party or, in the absence of such designation or agreement, by check mailed to the last mailing address provided by such TRA Party to the Corporate Taxpayer.

(b) “Early Termination Payment” in respect of a TRA Party shall equal the present value, discounted at the Early Termination Rate as of the applicable Early Termination Effective Date, of all Tax Benefit Payments in respect of such TRA Party that would be required to be paid by the Corporate Taxpayer beginning from the Early Termination Date and assuming that the Valuation Assumptions in respect of such TRA Party are applied.

**ARTICLE V**

**SUBORDINATION AND LATE PAYMENTS**

Section 5.1. Subordination. Notwithstanding any other provision of this Agreement to the contrary, any Tax Benefit Payment required to be made by the Corporate Taxpayer to the TRA Parties under this Agreement shall rank subordinate and junior in right of payment to any principal, interest or other amounts due and payable in respect of any obligations in respect of indebtedness for borrowed money of the Corporate Taxpayer and its Subsidiaries (“Senior Obligations”) and shall rank *pari passu* in right of payment with all current or future unsecured obligations of the Corporate Taxpayer that are not Senior Obligations. To the extent that any payment under this Agreement is not permitted to be made at the time payment is due as a result of this Section 5.1 and the terms of agreements governing Senior Obligations, such payment obligation nevertheless shall accrue for the benefit of TRA Parties and the Corporate Taxpayer shall make such payments at the first opportunity that such payments are permitted to be made in accordance with the terms of the Senior Obligations. Notwithstanding any other provision of this Agreement to the contrary, to the extent that the Corporate Taxpayer or any of its Affiliates enters into future Tax receivable or other similar agreements (“Future TRAs”), the Corporate Taxpayer shall ensure that the terms of any such Future TRA shall provide that the Tax Attributes subject to this Agreement are considered senior in priority to any Tax attributes subject to any such Future TRA for purposes of calculating the amount and timing of payments under any such Future TRA. The Corporate Taxpayer shall use commercially reasonable efforts not to enter into any agreement if a principal purpose of such agreement is to restrict in any material respect the amounts payable hereunder.

Section 5.2. Late Payments by the Corporate Taxpayer. Subject to the proviso in the last sentence of Section 4.1(b), the amount of all or any portion of any Tax Benefit Payment or Early Termination Payment not made to the TRA Parties when due under the terms of this Agreement, whether as a result of Section 5.1 or otherwise, shall be payable together with any interest thereon, computed at the Default Rate and commencing from the date on which such Tax Benefit Payment or Early Termination Payment was first due and payable to the date of actual payment.

## ARTICLE VI

### NO DISPUTES; CONSISTENCY; COOPERATION

Section 6.1. Participation in the Corporate Taxpayer's and OpCo's Tax Matters. Except as otherwise provided herein, and except as provided in the OpCo Agreement, the Corporate Taxpayer shall have full responsibility for, and sole discretion over, all Tax matters concerning the Corporate Taxpayer and OpCo, including without limitation the preparation, filing or amending of any Tax Return and defending, contesting or settling any issue pertaining to Taxes. Notwithstanding the foregoing, the Corporate Taxpayer shall notify the TRA Party Representative of, and keep the TRA Party Representative reasonably informed with respect to, the portion of any audit of the Corporate Taxpayer and OpCo by a Taxing Authority the outcome of which is reasonably expected to materially affect the rights and obligations of a TRA Party under this Agreement, and shall provide to the TRA Party Representative reasonable opportunity to provide information and other input to the Corporate Taxpayer, OpCo and their respective advisors concerning the conduct of any such portion of such audit; provided, however, that the Corporate Taxpayer and OpCo shall not be required to take any action that is inconsistent with any provision of the OpCo Agreement; provided, further, that the Corporate Taxpayer shall not settle or fail to contest any issue pertaining to Taxes or Tax matters where such settlement or failure to contest would reasonably be expected to materially adversely affect the TRA Parties' rights and obligations under this Agreement without the written consent of the TRA Party Representative, such consent not to be unreasonably withheld, conditioned, or delayed.

Section 6.2. Consistency. The Corporate Taxpayer and the TRA Parties agree to report and cause to be reported for all purposes, including U.S. federal, state and local Tax purposes and financial reporting purposes, all Tax-related items (including, without limitation, the Basis Adjustments and each Tax Benefit Payment) in a manner consistent with that contemplated by this Agreement or specified by the Corporate Taxpayer in any Schedule required to be provided by or on behalf of the Corporate Taxpayer under this Agreement unless otherwise required by law. Any dispute concerning such advice shall be subject to the terms of Section 7.9.

Section 6.3. Cooperation. Each of the TRA Parties shall (a) furnish to the Corporate Taxpayer in a timely manner such information, documents and other materials as the Corporate Taxpayer may reasonably request for purposes of making any determination or computation necessary or appropriate under this Agreement, preparing any Tax Return or contesting or defending any audit, examination or controversy with any Taxing Authority, (b) make itself available to the Corporate Taxpayer and its representatives to provide explanations of documents and materials and such other information as the Corporate Taxpayer or its representatives may reasonably request in connection with any of the matters described in clause (a) above, and (c) reasonably cooperate in connection with any such matter, and the Corporate Taxpayer shall reimburse each such TRA Party for any reasonable and documented out-of-pocket costs and expenses incurred pursuant to this Section 6.3. Upon the request of any TRA Party, the Corporate Taxpayer shall cooperate in taking any action reasonably requested by such TRA Party in connection with its tax or financial reporting and/or the consummation of any assignment or transfer of any of its rights and/or obligations under this Agreement, including without limitation, providing any information or executing any documentation. The Corporate Taxpayer shall not, without the prior written consent of the TRA Party Representative, take any action that has the primary purpose of circumventing the achievement or attainment of any Tax Benefit Payment or Early Termination Payment under this Agreement.

All notices hereunder shall be delivered as set forth below, or pursuant to such other instructions as may be designated in writing by the party to receive such notice:

If to the Corporate Taxpayer, to:

European Wax Center, Inc.  
5830 Granite Parkway, 3rd Floor  
Plano, Texas 75024  
Attention: Gavin O'Conner, Chief Legal Officer

If to the TRA Parties, to the respective addresses, fax numbers and email addresses set forth in the records of OpCo.

Any party may change its address, fax number or email by giving the other party written notice of its new address, fax number or email in the manner set forth above.

Section 7.2. Counterparts. This Agreement may be executed in one or more counterparts (including counterparts transmitted electronically in portable document format (pdf)), all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties, it being understood that all parties need not sign the same counterpart. Delivery of an executed signature page to this Agreement by facsimile transmission shall be as effective as delivery of a manually signed counterpart of this Agreement. Electronic signatures shall be a valid method of executing this Agreement.

Section 7.3. Entire Agreement; No Third Party Beneficiaries. This Agreement constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof. This Agreement shall be binding upon and inure solely to the benefit of each party hereto and their respective successors and permitted assigns, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

Section 7.4. Governing Law. The laws of the State of Delaware shall govern (a) all proceedings, claims or matters related to or arising from this Agreement (including any tort or non-contractual claims) and (b) any questions concerning the construction, interpretation, validity and enforceability of this Agreement, and the performance of the obligations imposed by this Agreement, in each case without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

Section 7.5. Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any law or public policy, all other terms and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

Section 7.6. Successors; Assignment; Amendments; Waivers.

(a) Each TRA Party may assign all or any portion of its rights under this Agreement to any Person as long as such transferee has executed and delivered, or, in connection with such transfer, executes and delivers, a joinder to this Agreement, substantially in form of Exhibit A hereto, agreeing to become a TRA Party for all purposes of this Agreement, except as otherwise provided in such joinder.

(b) No provision of this Agreement may be amended unless such amendment is approved in writing by each of the Corporate Taxpayer and by the TRA Parties who would be entitled to receive at least two-thirds of the total amount of the Early Termination Payments payable to all TRA Parties hereunder if the Corporate Taxpayer had exercised its right of early termination on the date of the most recent Exchange prior to such amendment (excluding, for purposes of this sentence, all payments made to any TRA Party pursuant to this Agreement since the date of such most recent Exchange); provided, that no such amendment shall be effective if such amendment will have a disproportionate effect on the payments one or more TRA Parties receive under this Agreement unless such amendment is consented in writing by such TRA Parties disproportionately affected who would be entitled to receive at least two-thirds of the total amount of the Early Termination Payments payable to all TRA Parties disproportionately affected hereunder if the Corporate Taxpayer had exercised its right of early termination on the date of the most recent Exchange prior to such amendment (excluding, for purposes of this sentence, all payments made to any TRA Party pursuant to this Agreement since the date of such most recent Exchange). No provision of this Agreement may be waived unless such waiver is in writing and signed by the party against whom the waiver is to be effective.

(c) All of the terms and provisions of this Agreement shall be binding upon, shall inure to the benefit of and shall be enforceable by the parties hereto and their respective successors, assigns, heirs, executors, administrators and legal representatives. The Corporate Taxpayer shall require and cause any direct or indirect successor (whether by purchase, merger, consolidation or otherwise) to all or substantially all of the business or assets of the Corporate Taxpayer, by written agreement, expressly to assume and agree to perform this Agreement in the same manner and to the same extent that the Corporate Taxpayer would be required to perform if no such succession had taken place.

Section 7.7. Titles and Subtitles. The titles of the sections and subsections of this Agreement are for convenience of reference only and are not to be considered in construing this Agreement.

Section 7.8. Resolution of Disputes.

(a) Any and all disputes which are not governed by Section 7.9 and cannot be settled amicably, including any ancillary claims of any party, arising out of, relating to or in connection with the validity, negotiation, execution, interpretation, performance or non-performance of this Agreement (including the validity, scope and enforceability of this arbitration provision) (each a "Dispute") shall be finally settled by arbitration conducted by a single arbitrator in the state of Delaware in accordance with the then-existing Rules of Arbitration of the International Chamber of Commerce. If the parties to the Dispute fail to agree on the selection of an arbitrator within thirty (30) calendar days of the receipt of the request for arbitration, the International Chamber of Commerce shall make the appointment. The arbitrator shall be a lawyer admitted to the practice of law in the State of Delaware and shall conduct the proceedings in the English language. Performance under this Agreement shall continue if reasonably possible during any arbitration proceedings.

(b) Notwithstanding the provisions of paragraph (a), the Corporate Taxpayer may bring an action or special proceeding in any court of competent jurisdiction for the purpose of compelling a party to arbitrate, seeking temporary or preliminary relief in aid of an arbitration hereunder, and/or enforcing an arbitration award and, for the purposes of this paragraph (b), each TRA Party (i) expressly consents to the application of paragraph (c) of this Section 7.8 to any such action or proceeding, (ii) agrees that proof shall not be required that monetary damages for breach of the provisions of this Agreement would be difficult to calculate and that remedies at law would be inadequate, and (iii) irrevocably appoints the Corporate Taxpayer as agent of such TRA Party for service of process in connection with any such action or proceeding and agrees that service of process upon such agent, who shall promptly advise the TRA Party of any such service of process, shall be deemed in every respect effective service of process upon the TRA Party in any such action or proceeding.

(c) (i) EACH PARTY HEREBY IRREVOCABLY SUBMITS TO THE JURISDICTION OF COURTS LOCATED IN THE STATE OF DELAWARE FOR THE PURPOSE OF ANY JUDICIAL PROCEEDING BROUGHT IN ACCORDANCE WITH THE PROVISIONS OF THIS SECTION 7.8, OR ANY JUDICIAL PROCEEDING ANCILLARY TO AN ARBITRATION OR CONTEMPLATED ARBITRATION ARISING OUT OF OR RELATING TO OR CONCERNING THIS AGREEMENT. Such ancillary judicial proceedings include any suit, action or proceeding to compel arbitration, to obtain temporary or preliminary judicial relief in aid of arbitration, or to confirm an arbitration award. The parties acknowledge that the fora designated by this paragraph (c) have a reasonable relation to this Agreement, and to the parties' relationship with one another; and (ii) The parties hereby waive, to the fullest extent permitted by applicable law, any objection which they now or hereafter may have to personal jurisdiction or to the laying of venue of any such ancillary suit, action or proceeding brought in any court referred to in the preceding paragraph of this Section 7.8 and such parties agree not to plead or claim the same.

Section 7.9. Reconciliation. In the event that the Corporate Taxpayer and the TRA Party Representative are unable to resolve a disagreement with respect to the matters governed by Sections 2.3, 4.2 and 6.2 within the relevant period designated in this Agreement ("Reconciliation Dispute"), the Reconciliation Dispute shall be submitted for determination to a nationally recognized expert (the "Expert") in the particular area of disagreement mutually acceptable to both parties. The Expert shall be a partner or principal in a nationally recognized accounting or law firm, and unless the Corporate Taxpayer and the TRA Party Representative agree otherwise, the Expert shall not, and the firm that employs the Expert shall not, have any material relationship with the Corporate Taxpayer or the TRA Party Representative or other actual or potential conflict of interest. If the Corporate Taxpayer and the TRA Party Representative are unable to agree on an Expert within fifteen (15) calendar days of receipt by the respondent(s) of written notice of a Reconciliation Dispute, then the Expert shall be appointed by the International Chamber of Commerce Centre for Expertise. The Expert shall resolve any matter relating to the TRA Party's Basis Schedule or an amendment thereto or the Early Termination Schedule or an amendment thereto within thirty (30) calendar days and shall resolve any matter relating to a Tax Benefit Schedule or an amendment thereto within fifteen (15) calendar days or as soon thereafter as is reasonably practicable, in each case after the matter has been submitted to the Expert for resolution. Notwithstanding the preceding sentence, if the matter is not resolved before any payment that is the subject of a disagreement would be due (in the absence of such disagreement) or any Tax Return reflecting the subject of a disagreement is due, the undisputed amount shall be paid on the date prescribed by this Agreement and such Tax Return may be filed as prepared by the Corporate Taxpayer, subject to adjustment or amendment upon resolution. The costs and expenses relating to the engagement of such Expert or amending any Tax Return shall be borne by the Corporate Taxpayer except as provided in the next sentence. The Corporate Taxpayer and the TRA Party Representative shall bear their own costs and expenses of such proceeding, unless (i) the Expert adopts the TRA Party Representative's position, in which case the Corporate Taxpayer shall reimburse the TRA Party Representative for any reasonable out-of-pocket costs and expenses in such proceeding, or (ii) the Expert adopts the Corporate Taxpayer's position, in which case the TRA Party Representative shall reimburse the Corporate Taxpayer for any reasonable out-of-pocket costs and expenses in such proceeding. Any dispute as to whether a dispute is a Reconciliation Dispute within the meaning of this Section 7.9 shall be decided by the Expert. The Expert shall finally determine any Reconciliation Dispute and the determinations of the Expert pursuant to this Section 7.9 shall be binding on the Corporate Taxpayer and each of the TRA Parties and may be entered and enforced in any court having jurisdiction.

Section 7.10. Withholding. The Corporate Taxpayer shall be entitled to deduct and withhold from any payment payable pursuant to this Agreement such amounts as the Corporate Taxpayer is required to deduct and withhold with respect to the making of such payment under the Code or any provision of state, local or foreign Tax law. To the extent that amounts are so withheld and paid over to the appropriate Taxing Authority by the Corporate Taxpayer, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of whom such withholding was made. To the extent that any payment pursuant to this Agreement is not reduced by such deductions or withholdings, such recipient shall indemnify the applicable withholding agent for any amounts imposed by any Taxing Authority together with any costs and expenses related thereto. Each TRA Party shall promptly provide the Corporate Taxpayer, OpCo or other applicable withholding agent with any applicable Tax forms and certifications (including IRS Form W-9 or the applicable version of IRS Form W-8) reasonably requested, in connection with determining whether any such deductions and withholdings are required under the Code or any provision of U.S. state, local or foreign Tax law.

Section 7.11. Admission of the Corporate Taxpayer into a Consolidated Group; Transfers of Corporate Assets.

(a) If the Corporate Taxpayer is or becomes a member of an affiliated or consolidated group of corporations that files a consolidated income Tax Return pursuant to Sections 1501 et seq. of the Code or any corresponding provisions of state or local law, then: (i) the provisions of this Agreement shall be applied with respect to the group as a whole; and (ii) Tax Benefit Payments, Early Termination Payments and other applicable items hereunder shall be computed with reference to the consolidated taxable income of the group as a whole (including, for the avoidance of doubt, by treating any direct or indirect transfer of one or more Reference Assets or Common Units to a corporation with which the Corporate Taxpayer files a consolidated Tax Return pursuant to Section 1501 of the Code as an Exchange which gives rise to a Basis Adjustment).

(b) If the Corporate Taxpayer (or any member of a group described in Section 7.11(a)) transfers one or more Reference Assets to a Person treated as a corporation for U.S. federal income tax purposes (with which, in the case of PubCo, PubCo does not file a consolidated Tax Return pursuant to Section 1501 of the Code), such transferor, for purposes of calculating the amount of any Tax Benefits Payment due hereunder, shall be treated as having disposed of such asset in a fully taxable transaction on the date of such transfer. The consideration deemed to be received by the Corporate Taxpayer, shall be equal to the fair market value of the transferred asset plus the amount of debt to which such asset is subject, in the case of a transfer of an encumbered asset. For purposes of this Section 7.1(b), a transfer of a partnership interest shall be treated as a transfer of the transferring partner's applicable share of each of the assets and liabilities of that partnership. Notwithstanding anything to the contrary set forth herein, if the Corporate Taxpayer or any member of a group described in Section 7.1(a) transfers its assets pursuant to a transaction that qualifies as a "reorganization" (within the meaning of Section 368(a) of the Code) in which such entity does not survive or pursuant to any other transaction to which Section 381(a) of the Code applies (other than any such reorganization or any such other transaction, in each case, pursuant to which such entity transfers assets to a corporation with which the Corporate Taxpayer or any member of the group described in Section 7.1(a) (other than any such member being transferred in such reorganization or other transaction) does not file a consolidated Tax Return pursuant to Section 1501 of the Code), the transfer will not cause such entity to be treated as having transferred any assets to a corporation (or a Person classified as a corporation for U.S. federal income tax purposes) pursuant to this Section 7.1(b).

Section 7.12. Confidentiality.

(a) Subject to the last sentence of Section 6.3, each TRA Party and each of their assignees acknowledge and agree that the information of the Corporate Taxpayer is confidential and, except in the course of performing any duties as necessary for the Corporate Taxpayer and its Affiliates, as required by law or legal process or to enforce the terms of this Agreement, such person shall keep and retain in the strictest confidence and not disclose to any Person any confidential matters, acquired pursuant to this Agreement, of the Corporate Taxpayer and its Affiliates and successors, concerning OpCo and its Affiliates and successors or the members, learned by the TRA Party heretofore or hereafter. This Section 7.12 shall not apply to (i) any information that has been made publicly available by the Corporate Taxpayer or any of its Affiliates, becomes public knowledge (except as a result of an act of the TRA Party in violation of this Agreement) or is generally known to the business community and (ii) the disclosure of information to the extent necessary for the TRA Party to prepare and file its Tax Returns, to respond to any inquiries regarding the same from any Taxing Authority or to prosecute or defend any action, proceeding or audit by any Taxing Authority with respect to such returns. Notwithstanding anything to the contrary herein, each TRA Party and each of its assignees (and each employee, representative or other agent of the TRA Party or its assignees, as applicable) may disclose to any and all Persons, without limitation of any kind, the Tax treatment and Tax structure of the Corporate Taxpayer, OpCo and their Affiliates, and any of their transactions, and all materials of any kind (including opinions or other Tax analyses) that are provided to the TRA Party relating to such Tax treatment and Tax structure.

(b) If a TRA Party or an assignee commits a breach, or threatens to commit a breach, of any of the provisions of this Section 7.12, the Corporate Taxpayer shall have the right and remedy to have the provisions of this Section 7.12 specifically enforced by injunctive relief or otherwise by any court of competent jurisdiction without the need to post any bond or other security, it being acknowledged and agreed that any such breach or threatened breach shall cause irreparable injury to the Corporate Taxpayer or any of its Subsidiaries or the TRA Parties and the accounts and funds managed by the Corporate Taxpayer and that money damages alone shall not provide an adequate remedy to such Persons. Such rights and remedies shall be in addition to, and not in lieu of, any other rights and remedies available at law or in equity.

Section 7.13. Change in Law. Notwithstanding anything herein to the contrary, if, in connection with an actual or proposed change in law, a TRA Party reasonably believes that the existence of this Agreement could cause income (other than income arising from receipt of a payment under this Agreement) recognized by the TRA Party upon any Exchange by such TRA Party to be treated as ordinary income rather than capital gain (or otherwise taxed at ordinary income rates) for U.S. federal income Tax purposes or would have other material adverse Tax consequences to such TRA Party, then at the election of such TRA Party and to the extent specified by such TRA Party, this Agreement (i) shall cease to have further effect with respect to such TRA Party, (ii) shall not apply to an Exchange by such TRA Party occurring after a date specified by such TRA Party, or (iii) shall otherwise be amended in a manner determined by such TRA Party and PubCo as it relates to such TRA Party, provided, that such amendment shall not result in an increase in payments under this Agreement at any time as compared to the amounts and times of payments that would have been due in the absence of such amendment.

Section 7.14. TRA Party Representative. By executing this Agreement, each of the TRA Parties shall be deemed to have irrevocably constituted the TRA Party Representative as his, her or its agent and attorney in fact with full power of substitution to act from and after the date hereof and to do any and all things and execute any and all documents on behalf of such TRA Parties which may be necessary, convenient or appropriate to facilitate any matters under this Agreement, including but not limited to: (i) execution of the documents and certificates required pursuant to this Agreement; (ii) except to the extent specifically provided in this Agreement receipt and forwarding of notices and communications pursuant to this Agreement; (iii) administration of the provisions of this Agreement; (iv) any and all consents, waivers, amendments or modifications deemed by the TRA Party Representative, in its sole and absolute discretion, to be necessary or appropriate under this Agreement and the execution or delivery of any documents that may be necessary or appropriate in connection therewith; (v) amending this Agreement or any of the instruments to be delivered to the Corporate Taxpayer pursuant to this Agreement; (vi) taking actions the TRA Party Representative is expressly authorized to take pursuant to the other provisions of this Agreement; (vii) negotiating and compromising, on behalf of such TRA Parties, any dispute that may arise under, and exercising or refraining from exercising any remedies available under, this Agreement or any other agreement contemplated hereby and executing, on behalf of such TRA Parties, any settlement agreement, release or other document with respect to such dispute or remedy; and (viii) engaging attorneys, accountants, agents or consultants on behalf of such TRA Parties in connection with this Agreement or any other agreement contemplated hereby and paying any fees related thereto. The TRA Party Representative may resign upon thirty (30) days' written notice to the Corporate Taxpayer. All reasonable, documented out-of-pocket costs and expenses incurred by the TRA Party Representative in its capacity as such shall be promptly reimbursed by the Corporate Taxpayer upon invoice and reasonable support therefor by the TRA Party Representative. To the fullest extent permitted by law, none of the TRA Party Representative, any of its Affiliates, or any of the TRA Party Representative's or Affiliate's directors, officers, employees or other agents (each a "Covered Person") shall be liable, responsible or accountable in damages or otherwise to any TRA Party, OpCo or the Corporate Taxpayer for damages arising from any action taken or omitted to be taken by the TRA Party Representative or any other Person with respect to OpCo or the Corporate Taxpayer, except in the case of any action or omission which constitutes, with respect to such Person, willful misconduct or fraud. Each of the Covered Persons may consult with legal counsel, accountants, and other experts selected by it, and any act or omission suffered or taken by it on behalf of OpCo or the Corporate Taxpayer or in furtherance of the interests of OpCo or the Corporate Taxpayer in good faith in reliance upon and in accordance with the advice of such counsel, accountants, or other experts shall create a rebuttable presumption of the good faith and due care of such Covered Person with respect to such act or omission; provided, that such counsel, accountants, or other experts were selected with reasonable care. Each of the Covered Persons may rely in good faith upon, and shall have no liability to OpCo, the Corporate Taxpayer or the TRA Parties for acting or refraining from acting upon, any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture, or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties.

Section 7.15. Partnership Agreement. This Agreement shall be treated as part of the partnership agreement of OpCo as described in Section 761(c) of the Code, and Sections 1.704-1(b)(2)(ii)(h) and 1.761-1(c) of the Treasury Regulations.

The Managing Member may, from time to time, change such registered agent and registered office, by appropriate filings as required by law.

## ARTICLE 2 UNITS; CAPITAL CONTRIBUTIONS;

### 2.1 **Units.**

(a) Effective upon the date hereof, Pubco has been admitted to the Company as the Managing Member and, pursuant to Section 2.1(b)(viii) of the Reorganization Agreement, the Company hereby reclassifies all Class A Units, Class B Units, Class C Units and Class D Units outstanding as of immediately following the Pricing into a number of Common Units (rounded up or down to the nearest whole number) having a value equal to the amount that would have been distributed in respect thereof pursuant to Section 6.4(b) of the Prior Agreement had the Company been liquidated on the date of the Pricing and had gross proceeds from such liquidation been distributed to the Members pursuant to Section 6.4(b) of the Prior Agreement in an aggregate amount equal to the total equity value of all Class A Units, Class B Units, Class C Units and Class D Units that is implied by the public offering price per share of Class A Common Stock in the IPO (with respect to each Class A Unit, Class B Unit, Class C Unit or Class D Unit, its “**Hypothetical Liquidation Value**”), such number of Common Units are set forth on Exhibit A.

(b) Effective upon the date hereof, pursuant to the terms of the Management Holdco Equity Agreements, Management Holdco has recapitalized the Management Holdco Interests (whether vested or unvested) held by each respective Management Holdco Partner into a corresponding number of Holdco Common Units in respect of each Common Unit that Management Holdco holds in the Company attributable to such Management Holdco Partner.

(c) After giving effect to the transactions described in Section 2.1(a) and Section 2.1(a), each of the Persons listed on the Register of Members attached hereto as Exhibit A delivered to the GA Members concurrently with the execution of this Agreement (the “**Register of Members**”) owns the number of Common Units set forth opposite such Member’s name on Exhibit A and shall be credited with the Reorganization Date Capital Account Balance set forth on Exhibit A. As soon as reasonably practicable following the execution of this Agreement, the Company shall provide written notice to each Member setting forth the Hypothetical Liquidation Value attributable to the Class A Units, Class B Units, Class C Units and/or Class D Units previously held thereby and the resulting number of Common Units then owned thereby. The Register of Members shall be maintained by the Managing Member on behalf of the Company in accordance with this Agreement and, upon any subsequent update to the Register of Members, the Managing Member shall deliver a copy of such updated Register of Members to the GA Members. When any Units are issued, repurchased, redeemed, converted or Transferred in accordance with this Agreement, the Register of Members shall be amended by the Managing Member to reflect such issuance, repurchase, redemption, conversion or Transfer, the admission of additional Members and the resulting Tax Allocation Percentages and Percentage Interest of each Member. Following the date hereof, no Person shall be admitted as a Member and no additional Units shall be issued except as expressly provided herein.

(d) The Managing Member may cause the Company to authorize and issue from time to time such other Units of any type, class or series and having the designations, preferences and/or special rights as may be determined by the Managing Member. Such Units may be issued pursuant to such agreements as the Managing Member shall approve, including pursuant to the Incentive Plan, with respect to Persons employed by or otherwise performing services for the Company or any of the Subsidiaries, other equity compensation agreements, options or warrants. When any such other Units are authorized and issued, the Register of Members and this Agreement shall be amended by the Managing Member to reflect such additional issuances and resulting dilution, which shall be borne pro rata by all Members based on their Common Units.

(e) Unvested Common Units shall be subject to the terms of the Incentive Plan and/or the Management Holdco Equity Agreements, and the Managing Member shall have sole and absolute discretion to interpret and administer the Incentive Plan and/or the Management Holdco Equity Agreements and to adopt such amendments thereto or otherwise determine the terms and conditions of such Unvested Common Units in accordance with this Agreement, the Incentive Plan and/or the Management Holdco Equity Agreements. Distributions shall not be made in respect of Unvested Common Units. Unvested Common Units that fail to vest and are forfeited by the applicable Member shall cease to be outstanding and shall not be entitled to any distributions pursuant to Section 4.1.

## **2.2 Capital Contributions.**

(a) Except as provided in the Act and this Agreement, the Members may, but shall not be required to, make additional Capital Contributions to the Company or restore any deficit. The receipt by the Members from the Company of any distributions whatsoever (whether pursuant to Section 4.1 or otherwise and whether or not such distributions may be considered a return of capital) shall not obligate the Members to make any additional Capital Contributions. No Member shall have the right or obligation to make additional Capital Contributions to the Company at any time, even if the Managing Member determines pursuant to Section 2.2(b) that the Company needs additional capital.

(b) If, from time to time, the Managing Member determines in its discretion that the Company (or any of its direct or indirect Subsidiaries) needs additional capital, the Managing Member may request (i) that the Members make additional Capital Contributions to the Company pro rata in proportion to each such Member's respective Percentage Interest or otherwise as determined by the Managing Member or (ii) that additional Members admitted to the Company in accordance with this Agreement make additional Capital Contributions.

(c) In consideration of the Capital Contributions, the Company may, in the discretion of the Managing Member, issue new Common Units or Units of any other class with such rights (including distribution rights) as the Managing Member shall determine in its sole discretion, to the Members and the new Members making such additional Capital Contributions.

**2.3** **Limitation of Liability of Member**. No Members shall have any liability or obligation for any of the debts, liabilities, expenses or other obligations of the Company, or of any agent or employee of the Company, except as may be expressly required by this Agreement or applicable law.

**2.4** **Loans**. If a Member makes, upon the request of the Managing Member, any loans to the Company, or advances money on its behalf, the amount of any such loan or advance shall not be deemed an increase in, or contribution to, the Capital Contribution of such Member. Interest shall accrue on any such loan as determined in the discretion of the Managing Member based upon prevailing market conditions.

### **ARTICLE 3 ALLOCATION OF PROFITS AND LOSSES**

**3.1** **Capital Accounts**. The Company shall maintain for each Member an account to be designated as such Member's "**Capital Account**". The Company shall also maintain sub-capital accounts with respect to each Member that holds more than one class of Units. Each Member's Capital Account shall be the sum of the sub-capital accounts of all classes of Units held by each such Member. Each Member's Capital Account shall be maintained and adjusted in accordance with federal income tax principles as specified in Regulations promulgated under Section 704(b) of the Code. Without limiting the generality of the foregoing, each Member's Capital Account (x) shall be increased by such Member's Capital Contributions in cash, the agreed fair market value of property contributed by such Member (net of liabilities secured by such contributed property that the Company is considered to assume or take subject to under Section 752 of the Code), and all items of Company income and gain not included in Profits and Losses allocated to such Member pursuant this Agreement; (y) shall be decreased by the amount of cash distributed to such Member, the agreed fair market value of all actual and deemed distributions of property made to such Member pursuant to this Agreement (net of liabilities secured by such distributed property that the Member is considered to assume or take subject to under Section 752 of the Code), and all items of Company deduction and loss not included in Profits and Losses and allocated to such Member pursuant to this Agreement; and (z) shall be increased or decreased, as applicable, in respect of all Profits and Losses allocated to such Member pursuant to this Agreement. At the election of the Managing Member, the value of the Company property shall be adjusted in accordance with Regulations Section 1.704-1(b)(2)(iv)(f) to reflect a revaluation of Company property (i) in connection with either (a) a contribution of money or other property (other than a de minimis amount) to the Company by a new or existing Member as consideration for an interest in the Company, (b) the liquidation of the Company or a distribution of money or other property (other than a de minimis amount) by the Company to a retiring or continuing Member as consideration for an interest in the Company, or (c) the grant of an interest in the Company (other than a de minimis interest) as consideration for the provision of services to or for the benefit of the Company by an existing Member acting in a partner capacity, or by a new Member acting in a partner capacity or in anticipation of being a partner; or (ii) as otherwise permitted under such Regulations.

**3.2 Allocation of Profits and Losses.** Except as otherwise provided in this Agreement, and after giving effect to the special allocations set forth in Section 3.3(a), Profits and Losses (and, to the extent necessary, individual items of income, gain, loss, deduction or credit) of the Company shall be allocated among the Capital Accounts of the Members pro rata in accordance with their respective Tax Allocation Percentages. Notwithstanding the foregoing, the Managing member shall make such adjustments to the Capital Accounts as it determines in its sole discretion to be appropriate to ensure allocations are made in accordance with a Member's interest in the Company.

**3.3 Special Allocations and Tax Allocations.**

(a) **Special Allocations.** The provisions of Sections 3.1, 3.2, 8.2, this Section 3.3 and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Regulations Section 1.704-1(b) and shall be interpreted and applied in a manner consistent with such Regulations. In furtherance of the foregoing, the provisions of Section 704 of the Code and the Regulations thereunder addressing qualified income offset, minimum gain chargeback requirements and allocations of deductions attributable to nonrecourse debt and partner nonrecourse debt (as defined in Regulations Section 1.704-2(b)(4)), are hereby incorporated by reference. To the extent special allocations are required to be made pursuant to this Section 3.3(a), they shall be offset as quickly as possible by other allocations (including other special allocations pursuant to this Section 3.3(a) if permissible) so that the parties are allocated the same amounts on an aggregate basis as if this Section 3.3(a) were not included in this Agreement. Should the statutory and regulatory provisions described in this Section 3.3 be amended, to the extent that such amendments are applicable to this Agreement, the affected provisions of this Agreement shall be interpreted and applied in accordance with such amended provisions. In addition, the Members' share of the debt of the Company shall be determined in accordance with Section 752 of the Code and the Regulations promulgated thereunder, as reasonably determined by the Managing Member. The Managing Member shall be authorized to make appropriate amendments to the allocations set forth in Section 3.2 and this Section 3.3 if necessary in order to comply with Section 704 of the Code or applicable Regulations thereunder.

(b) **Tax Allocations.** For U.S. federal income tax purposes, each item of income, gain, loss and deduction shall be allocated among the Members in the same manner as its corresponding item of book income, gain, loss or deduction is allocated pursuant to this Article 3, except as otherwise provided in the following sentence. In accordance with Section 704(c) of the Code and the Regulations thereunder, income, gain, loss, and deduction with respect to any property contributed to the capital of the Company and with respect to reverse Section 704(c) allocations described in Regulations Section 1.704-3(a)(6) shall, solely for tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of such property to the Company for U.S. federal income tax purposes and its initial Gross Asset Value or its Gross Asset Value determined pursuant to Regulations Section 1.704-1(b)(2)(iv)(f) (computed in accordance with the definition of Gross Asset Value) using the traditional method under Regulations Section 1.704-3(b). Allocations pursuant to this Section 3.3(b) shall not affect, or in any way be taken into account in computing, any Member's Capital Account or share of Profits and Losses pursuant to any provision of this Agreement.

**3.4 Allocation in Event of Transfer.** If any Units are transferred in accordance with Article 6 hereof, to the extent consistent with Section 706 of the Code and the applicable Regulations, there shall be allocated to each Member who held the transferred Units during the fiscal year of transfer the product of (a) the Company's Profits and Losses allocable to such transferred Unit for such fiscal year and (b) a fraction, the numerator of which is the number of days the Member has held the Units and the denominator of which is the total number of days in such fiscal year; provided, however, that the Managing Member may, in its discretion, allocate such Profits and Losses by closing the books of the Company immediately after the transfer of such Units or using any other reasonable method permitted by Section 706 of the Code and applicable Regulations as determined by the Managing Member. Such allocation shall be made without regard to the date, amount or recipient of any distributions which may have been made with respect to such transferred Units to the extent consistent with Section 706 of the Code and the Regulations thereunder. As of the date of such transfer, the Transferee shall succeed to the Capital Account of the transferor Member with respect to the transferred Units.

## ARTICLE 4 DISTRIBUTIONS

### 4.1 Amounts and Priority of Distributions.

(a) **Distributions Generally.** Except as otherwise provided in Section 4.1(d) and Section 8.2, distributions shall be made to the Members as set forth in this Section 4.1, at such times and in such amounts as the Managing Member, in its sole discretion, shall determine.

(b) **Distributions to the Members.** Subject to Sections 4.1(c) and 4.1(d), distributions shall be made to the Members in proportion to their respective Percentage Interests.

(c) **Pubco Distributions.** Notwithstanding the provisions of Section 4.1(b), the Managing Member, in its sole discretion, may authorize that (i) cash be paid to Pubco (which payment shall be made without pro rata distributions to the other Members) in exchange for the redemption, repurchase or other acquisition of Units held by Pubco to the extent that such cash payment is used to redeem, repurchase or otherwise acquire an equal number of shares of Class A Common Stock in accordance with Section 7.2(b), and (ii) to the extent that the Managing Member determines that expenses or other obligations of Pubco are related to its role as the Managing Member or the business and affairs of Pubco that are conducted through the Company or any of the Subsidiaries, cash (and, for the avoidance of doubt, only cash) distributions may be made to Pubco (which distributions shall be made without pro rata distributions to the other Members) in amounts required for Pubco to pay (A) operating, administrative and other similar costs incurred by Pubco, including payments in respect of Indebtedness of Pubco or the Company Group and preferred stock, to the extent the proceeds are used or will be used by Pubco to pay expenses or other obligations described in this clause (ii) (in either case (without limiting the Company's obligations under Section 7.1) only to the extent economically equivalent Indebtedness of the Company Group or equity securities of the Company were not issued to Pubco), payments representing interest with respect to payments not made when due under the terms of a Tax Receivable Agreement and payments pursuant to any legal, tax, accounting and other professional fees and expenses (but, for the avoidance of doubt, excluding any income tax liabilities of Pubco), (B) any judgments, settlements, penalties, fines or other costs and expenses in respect of any claims against, or any litigation or proceedings involving, Pubco or its directors or officers, (C) fees and expenses related to any securities offering, loan agreement, investment or acquisition transaction (whether or not successful) authorized by the board of directors of Pubco (including any (I) underwriters discounts or commissions, (II) commitment, arrangement, syndicate, facility, upfront, closing, ticking, escrow, agency, breakage or similar fees, and (III) interest or dividend expense for escrowed securities), (D) the amounts needed by Pubco to satisfy its obligations under the Purchase Agreements to the extent that the amounts received by Pubco upon the exercise of the underwriters' overallotment option in the IPO are not sufficient and (E) other fees and expenses in connection with the maintenance of the existence of Pubco (including any costs or expenses associated with being a public company listed on a national securities exchange). For the avoidance of doubt, distributions made under this Section 4.1(c) may not be used to pay or facilitate dividends or distributions on the Pubco Common Stock and must be used solely for one of the express purposes set forth under clause (i) or (ii) of the immediately preceding sentence.

(d) **Tax Distributions.** Notwithstanding any provision in this Agreement to the contrary, for each fiscal year, the Company, subject to the Company having cash available in the judgment of the Managing Member and to the extent permitted by applicable law and consistent with the Company's obligations to its creditors as reasonably determined by the Managing Member, make a distribution or distributions (a "Tax Distribution") to the Members based on the number of Common Units held on the record date for the Tax Distribution at such times as will permit the Members to pay their taxes (including estimated taxes) sufficient so that each Member receives an amount that is at least equal to its Income Tax Liability, calculated separately with respect to each Member, with respect to the fiscal year. The Tax Distributions made to Members pursuant to this Section 4.1(d) shall not be treated as advance distributions and shall not reduce the amount of any distribution subsequently distributable to Members under Section 4.1(b) (including by reason of the application of Section 8.2). For the avoidance of doubt, all Tax Distributions made pursuant to this Section 4.1(d) shall be made on a pro rata basis in accordance with Tax Allocation Percentages.

(e) **Pre-IPO Tax Distribution.** Notwithstanding Section 4.1(b), before any other distributions are distributed to the Members by the Company, unless already made prior to the date hereof, the Company shall distribute to certain Members and former Members an amount of cash sufficient to fund tax obligations of such Members and former Members for periods prior to the date hereof.

(f) **No Distributions with Respect to Unvested Common Units.** A Member holding an Unvested Common Unit shall only be entitled to receive a distribution in respect of such Unvested Common Unit in an amount equal to the applicable portion of the Tax Distribution (if any) made with respect to the Common Unit in accordance with Section 4.1(d). The Company shall make equitable adjustments to distributions as necessary to give effect to Section [6.9] of the Management Holdco LLC Agreement.

#### 4.2 **Withholding.**

(a) The Company shall withhold and pay over to the Internal Revenue Service (or any other relevant taxing authority) such amounts as the Company is required to withhold or pay over, pursuant to the Code or any other applicable law, on account of a distribution or payment to any Member and/or a Member's distributive share of the Company's items of gross income, income or gain.

(b) For purposes of this Agreement, any amounts paid over by the Company for and/or in respect of any Member on or in respect of any gross or net income and/or gain allocated or allocable to such Member shall be deemed to be, and shall be treated as, for all purposes of this Agreement, an advance on distributions pursuant to Section 4.1(b), and shall reduce future distributions under Section 4.1(b). All such withholding advances shall be satisfied prior to any exchange of Paired Interests for shares of Class A Common Stock of Pubco as contemplated in the Exchange Agreement. Any amounts so withheld and/or paid over by the Company for and/or in respect of any Member on or in respect of any distributions made to such Member shall be deemed to have been (and shall be treated for all purposes of this Agreement as having been) distributed to such Member. If the amount of such taxes is greater than any such distributable or payable amounts, then, notwithstanding anything in this Agreement to the contrary, such Member and any successor to such Member's interest shall (and notwithstanding anything to the contrary in Section 2.2) pay the amount of such excess to the Company, as a contribution to the capital of the Company within five (5) days of the Managing Member's request.

(c) The Company shall not be obligated to apply for or obtain a reduction of or exemption from withholding tax on behalf of any Member that may be eligible for such reduction or exemption. To the extent that a Member claims to be entitled to a reduced rate of, or exemption from, a withholding tax pursuant to an applicable income tax treaty, or otherwise, the Member shall furnish the Managing Member with such information and forms as such Member may be required to complete where necessary to comply with any and all laws and regulations governing the obligations of withholding tax agents and any other information reasonably requested by the Company. Each Member represents and warrants that any such information and forms furnished by such Member shall be true and accurate and agrees to indemnify the Company and each of the Members from any and all damages, costs and expenses (including interest and penalties) resulting from the filing of inaccurate or incomplete information or forms or otherwise relating to withholding taxes allocable to such Member.

(d) Notwithstanding anything to the contrary contained in this Agreement, the Managing Member may condition the Company's issuance or grant of any Units to any Person on and upon such Person first (and may cause the Company to not so issue or grant any Units until the following conditions are satisfied): (A) furnishing to the Company any certification, documentation and other information in connection with such issuance or grant; and (B) paying to the Company (or to any such one or more other Person(s) or the Internal Revenue Service or any other federal or any state, local and/or foreign tax, judicial or other governmental authority, agency, body or instrumentality), and/or making adequate provision for the payment to the Company of, any and all withholding, income and other taxes, all as (and in such amount that) the Managing Member shall determine and require in its sole and absolute discretion.

## **ARTICLE 5 MANAGEMENT; GOVERNANCE**

**5.1** **Management.** The Managing Member shall manage the business and affairs of the Company and shall be deemed to be a "manager" for purposes of the Act. The Managing Member shall have, to the fullest extent permitted by the Act, full and complete authority, power and discretion to direct, manage and control the business, affairs and properties of the Company and the Subsidiaries, to make all decisions regarding such matters and to perform any and all acts and to engage in any and all activities necessary, customary or incidental to the management of the business, affairs and properties of the Company and the Subsidiaries. The Managing Member may delegate to Members, employees, officers or agents of the Company or any of the Subsidiaries in its discretion the authority to execute on behalf of the Company and the Subsidiaries all contracts, deeds, promissory notes, mortgages, bonds, leases and all other documents, agreements and instruments. For the avoidance of doubt, notwithstanding the last sentence of Section 18-402 of the Act, no Member has the authority to bind the Company unless authorized by the Managing Member.

## 5.2 Fiduciary Duties.

(a) (i) The Managing Member shall, in its capacity as Managing Member, and not in any other capacity, have the same fiduciary duties to the Company and the Members as a member of the board of directors of a Delaware corporation (assuming such corporation had in its certificate of incorporation (A) a provision eliminating the liabilities of directors and officers to the maximum extent permitted by Section 102(b)(7) of the Corporation Law and (B) a provision renouncing the right of such corporation to business opportunities to the maximum extent permitted by the certificate of incorporation of Pubco); (ii) any member of the board of directors of the Managing Member that is an officer of the Managing Member shall, in its capacity as a director, and not in any other capacity, have the same fiduciary duties to the Managing Member as a member of the board of directors of a Delaware corporation (assuming such corporation had in its certificate of incorporation (A) a provision eliminating the liabilities of directors and officers to the maximum extent permitted by Section 102(b)(7) of the Corporation Law and (B) a provision renouncing the right of such corporation to business opportunities to the maximum extent permitted by the certificate of incorporation of Pubco); and (iii) each officer of the Company and each officer of the Managing Member shall, in their capacity as such, and not in any other capacity, have the same fiduciary duties to the Company and the Members (in the case of any officer of the Company) or the Managing Member (in the case of any officer of the Managing Member) as an officer of a Delaware corporation (assuming such corporation had in its certificate of incorporation (A) a provision eliminating the liabilities of directors and officers to the maximum extent permitted by Section 102(b)(7) of the Corporation Law and (B) a provision renouncing the right of such corporation to business opportunities to the maximum extent permitted by the certificate of incorporation of Pubco). For the avoidance of doubt, the fiduciary duties described in clause (i) above shall not be limited by the fact that the Managing Member shall be permitted to take certain actions in its sole or reasonable discretion pursuant to the terms of this Agreement or any other agreement entered into in connection herewith. Each of the GA Members shall have the exclusive right to enforce the rights and duties, or to waive such rights and duties, as set forth in this Section 5.2(a), in each case so long as such GA Member meets the Ownership Minimum.

(b) The parties acknowledge that the Managing Member will take action through its board of directors, and that the members of the Managing Member's board of directors will owe fiduciary duties to the stockholders of the Managing Member. The Managing Member will use all commercially reasonable and appropriate efforts and means, as determined in good faith by the Managing Member, to minimize any conflict of interest between the Members, on the one hand, and the stockholders of the Managing Member, on the other hand, and to effectuate any transaction that involves or affects any of the Company, the Managing Member, the Members and/or the stockholders of the Managing Member in a manner that does not (i) disadvantage the Members or their interests relative to the stockholders of the Managing Member, (ii) advantage the stockholders of the Managing Member relative to the Members or (iii) treats the Members and the stockholders of the Managing Member differently; provided, that in the event of a conflict between the interests of the stockholders of the Managing Member and the interests of the Members other than the Managing Member, such other Members agree that the Managing Member shall discharge its fiduciary duties to such other Members by acting in the best interests of the Managing Member's stockholders. Each of the GA Members shall have the exclusive right to enforce the rights and duties, or to waive such rights and duties, set forth in this Section 5.2(b), in each case so long as such GA Member meets the Ownership Minimum.

(c) Without the prior written consent of the GA Members (so long as the GA Members and/or their respective Affiliates continue to own any Common Units), the Managing Member will not engage in any business activity other than the direct or indirect management and ownership of the Company and the Subsidiaries, or own any assets (other than on a temporary basis or with the intention to contribute such assets to the Company or the Subsidiaries as soon as reasonably practicable) other than securities or Indebtedness of the Company and the Subsidiaries (whether directly or indirectly held), any other arrangement contemplated by Section 7.2(d) and/or any cash or other property or assets distributed by or otherwise received from the Company in accordance with this Agreement, provided that the Managing Member may take any action (including incurring its own Indebtedness) or own any asset if it determines in good faith that such actions or ownership are in the best interests of the Company.

**5.3 Withdrawal of the Managing Member.** Pubco may withdraw as the Managing Member and appoint as its successor at any time upon written notice to the Company (i) any wholly owned subsidiary of Pubco, (ii) any Person of which Pubco is a wholly owned subsidiary, (iii) any Person into which Pubco is merged or consolidated or (iv) any transferee of all or substantially all of the assets of Pubco, which withdrawal and replacement shall be effective upon the delivery of such notice. No appointment of a Person other than Pubco (or its successor, as applicable) as Managing Member shall be effective unless Pubco (or its successor, as applicable) and the new Managing Member (as applicable) provide all other Members with contractual rights, directly enforceable by such other Members against the new Managing Member, to cause the new Managing Member to comply with all the Managing Member's obligations under this Agreement and the Exchange Agreement.

**5.4 Designated Person.** The Members (other than the GA Members) hereby authorize the Managing Member to designate any Member or other Person to exercise the powers set forth in Section 5.5 and Section 8.4, as applicable, in respect of each such Member (the "**Designated Person**").

**5.5 Power of Attorney.** Each Member (other than the GA Members) hereby appoints the Designated Person, and any future Designated Person, as its, his, her or their agent and attorney-in-fact, to execute and record all documents or instruments necessary to evidence the existence and term of the Company and for other purposes related to this Agreement.

**5.6 Exculpation.**

(a) Subject to the duties of the Managing Member and the officers of the Company set forth in Section 5.2, to the fullest extent permitted by applicable law, no Indemnified Party in its capacity as the Managing Member, any Designated Person, the Partnership Representative or any Member, as applicable, shall be liable, including under any legal or equitable theory of fiduciary duty or other theory of liability, in damages or otherwise, to the Company, the Members or any of their Affiliates or any other Indemnified Party for losses, claims, damages or liabilities incurred by reason of any act or omission performed or omitted by any of them (including, without limitation, any act or omission performed or omitted by any of them in reliance upon and in accordance with the opinion or advice of experts, including, without limitation, of legal counsel as to matters of law, of accountants as to matters of accounting, or of investment bankers or appraisers as to matters of valuation), except with respect to any act or omission with respect to which such Indemnified Party committed fraud, engaged in willful misconduct, willfully breached this Agreement or was grossly negligent as determined pursuant to a final, non-appealable judgment by a court of competent jurisdiction.

(b) There shall be, and each Indemnified Party shall be entitled to, a presumption that such Indemnified Party acted in good faith. An Indemnified Party shall be fully protected in relying in good faith upon the records of the Company and upon such information, opinions, reports or statements presented to the Company by any Person as to matters the Indemnified Party reasonably believes are within such Person's professional or expert competence.

#### 5.7 Indemnification.

(a) The Company shall indemnify, defend and hold harmless (i) the Managing Member, any Designated Person or Partnership Representative, as applicable, acting in its capacity as such, (ii) each Member and any Affiliate thereof, in each case in such capacity, (iii) each officer, director, employee, stockholder, partner (limited and/or general), manager, member, consultant, agent or trustee of a Member or an Affiliate thereof, in all cases in such capacity, and (iv) each current and former officer or director of the Managing Member, Pubco (in the event Pubco is not the Managing Member), the Company or an Affiliate controlled thereby, in all cases in such capacity (the "**Indemnified Parties**", each of which shall be a third party beneficiary of this Agreement solely for purposes of this Section 5.7) against any losses, claims, damages, liabilities, expenses (including all reasonable out-of-pocket fees and expenses of counsel and other advisors), judgments, fines, settlements and other amounts arising from any and all claims, demands, actions, suits or proceedings, in which such Indemnified Party may be involved or become subject to, in connection with any matter arising out of or in connection with the Company's business or affairs, or this Agreement or any related document, unless such loss, claim, damage, liability, expense, judgment, fine, settlement or other amount (i) is as a result of an Indemnified Party not acting in good faith on behalf of the Company or arose as a result of the willful commission by such Indemnified Party of any act that is dishonest and materially injurious to the Company or (ii) results from the breach by any Member (in such capacity) of its contractual obligations under this Agreement. If any Indemnified Party becomes involved in any capacity in any action, suit, proceeding or investigation in connection with any matter arising out of or in connection with the Company's business or affairs, or this Agreement or any related document, other than by reason of a Indemnified Party not acting in good faith on behalf of the Company or by reason of the willful commission by such Indemnified Party of any act that is dishonest and materially injurious to the Company, the Company shall reimburse such Indemnified Party for its reasonable legal and other reasonable out-of-pocket expenses (including the cost of any investigation and preparation) as they are incurred in connection therewith; provided that such Indemnified Party shall promptly repay to the Company the amount of any such reimbursed expenses paid to it if it shall be finally judicially determined that such Indemnified Party was not entitled to indemnification by, or contribution from, the Company in connection with such action, suit, proceeding or investigation. If for any reason (other than by reason of a Indemnified Party not acting in good faith on behalf of the Company or by reason of the willful commission by such Indemnified Party of any act that is dishonest and materially injurious to the Company) the foregoing indemnification is unavailable to such Indemnified Party, or insufficient to hold it harmless, then the Company shall contribute to the amount paid or payable by such Indemnified Party as a result of such loss, claim, damage, liability, expense, judgment, fine, settlement or other amount in such proportion as is appropriate to reflect any relevant equitable considerations. There shall be, and each Indemnified Party shall be entitled to, a rebuttable presumption that such Indemnified Party acted in good faith.

(b) The obligations of the Company under Section 5.7(b) shall be satisfied only out of and to the extent of the Company's assets, and no Indemnified Party shall have any personal liability on account thereof.

(c) Given that certain Jointly Indemnifiable Claims may arise by reason of the service of a Indemnified Party to the Company or as a director, trustee, officer, partner, member, manager, employee, consultant, fiduciary or agent of other corporations, limited liability companies, partnerships, joint ventures, trusts, employee benefit plans or other enterprises controlled by the Company (collectively, the "**Controlled Entities**"), or by reason of any action alleged to have been taken or omitted in any such capacity, the Company acknowledges and agrees that the Company shall, and to the extent applicable shall cause the Controlled Entities to, be fully and primarily responsible for the payment to the Indemnified Party in respect of indemnification or advancement of all out-of-pocket costs of any type or nature whatsoever (including, without limitation, all attorneys' fees and related disbursements) in each case, actually and reasonably incurred by or on behalf of a Indemnified Party in connection with either the investigation, defense or appeal of a claim, demand, action, suit or proceeding or establishing or enforcing a right to indemnification under this Agreement or otherwise incurred in connection with a claim that is indemnifiable hereunder (collectively, "**Expenses**") in connection with any such Jointly Indemnifiable Claim, pursuant to and in accordance with (as applicable) the terms of (i) the Corporation Law, (ii) this Agreement, (iii) any other agreement between the Company or any Controlled Entity and the Indemnified Party pursuant to which the Indemnified Party is indemnified, (iv) the laws of the jurisdiction of incorporation or organization of any Controlled Entity or (v) the certificate of incorporation, certificate of organization, bylaws, partnership agreement, operating agreement, certificate of formation, certificate of limited partnership, certificate of qualification or other organizational or governing documents of any Controlled Entity ((i) through (v) collectively, the "**Indemnification Sources**"), irrespective of any right of recovery the Indemnified Party may have from the Indemnitee-Related Entities. Under no circumstance shall the Company or any Controlled Entity be entitled to any right of subrogation or contribution by the Indemnitee-Related Entities and no right of advancement or recovery the Indemnified Party may have from the Indemnitee-Related Entities shall reduce or otherwise alter the rights of the Indemnified Party or the obligations of the Company or any Controlled Entity under the Indemnification Sources. In the event that any of the Indemnitee-Related Entities shall make any payment to the Indemnified Party in respect of indemnification or advancement of Expenses with respect to any Jointly Indemnifiable Claim, (i) the Company shall, and to the extent applicable shall cause the Controlled Entities to, reimburse the Indemnitee-Related Entity making such payment to the extent of such payment promptly upon written demand from such Indemnitee-Related Entity, (ii) to the extent not previously and fully reimbursed by the Company or any Controlled Entity pursuant to clause (i), the Indemnitee-Related Entity making such payment shall be subrogated to the extent of the outstanding balance of such payment to all of the rights of recovery of the Indemnified Party against the Company or any Controlled Entity, as applicable, and (iii) the Indemnified Party shall execute all papers reasonably required and shall do all things that may be reasonably necessary to secure such rights, including the execution of such documents as may be necessary to enable the Indemnitee-Related Entities effectively to bring suit to enforce such rights. The Company and the Indemnified Party agree that each of the Indemnitee-Related Entities shall be third-party beneficiaries with respect to this Section 5.7(c), entitled to enforce this Section 5.7(c) as though each such Indemnitee-Related Entity were a party to this Agreement. The Company shall cause each of the Controlled Entities to perform the terms and obligations of this Section 5.7(c) as though each such Controlled Entity were the "Company" under this Agreement. The Indemnitee-Related Entities shall be third party beneficiaries of this Agreement solely for purposes of this Section 5.7(c). For purposes of this Section 5.7(c), the following terms shall have the following meanings:

(i) The term "**Indemnitee-Related Entities**" means any corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise (other than the Company, any Controlled Entity or the insurer under and pursuant to an insurance policy of the Company or any Controlled Entity) from whom a Indemnified Party may be entitled to indemnification or advancement of Expenses with respect to which, in whole or in part, the Company or any Controlled Entity may also have an indemnification or advancement obligation.

(ii) The term “**Jointly Indemnifiable Claims**” shall be broadly construed and shall include, without limitation, any claim, demand, action, suit or proceeding for which the Indemnified Party shall be entitled to indemnification or advancement of Expenses from both (i) the Company or any Controlled Entity pursuant to the Indemnification Sources, on the one hand, and (ii) any Indemnitee-Related Entity pursuant to any other agreement between any Indemnitee-Related Entity and the Indemnified Party pursuant to which the Indemnified Party is indemnified, the laws of the jurisdiction of incorporation or organization of any Indemnitee-Related Entity or the certificate of incorporation, certificate of organization, bylaws, partnership agreement, operating agreement, certificate of formation, certificate of limited partnership or other organizational or governing documents of any Indemnitee-Related Entity, on the other hand.

## **ARTICLE 6 TRANSFER OF UNITS**

### **6.1        Restrictions on Transfer.**

(a) Except (i) as expressly permitted by Section 6.1(b) or Section 6.2, subject to the other requirements set forth in this Article 6 or (ii) as set forth in Section 6.5, the Units, or any portion thereof, shall not be (A) transferable either voluntarily or by operation of law or (B) sold, assigned, transferred, exchanged, mortgaged, pledged, granted, hypothecated, encumbered or otherwise transferred (whether absolutely or as security), including, without limitation, (I) by means of a total return swap or other contract, or (II) a transfer of the rights to receive distributions with respect to the Units by contract or otherwise (such actions described in clauses (A) and (B), whether effected directly or indirectly, “**Transfers**”). Any attempt to do any of the foregoing not in accordance with this Section 6.1 shall be automatically null and void and without effect. In addition to the conditions set forth in Section 6.3 hereof, the Managing Member may place such conditions or requirements on its consent, if so granted as provided for above, as it may determine in its sole discretion.

(b) Notwithstanding anything to the contrary in this Article 6, (i) the Exchange Agreement shall govern the exchange of Paired Interests for shares of Class A Common Stock or cash at the option of Pubco as the Managing Member of the Company, and an exchange pursuant to and in accordance with the Exchange Agreement (including with respect to any required exchanges of Paired Interests in connection with a Disposition Event (as such term is defined in the certificate of incorporation of Pubco) pursuant to Section 2.04 thereof) shall not be considered a “Transfer” for purposes of this Agreement, (ii) a Transfer of Registrable Securities (as such term is defined in the Registration Rights Agreement) in accordance with the Registration Rights Agreement shall not be considered a “Transfer” for the purposes of the Agreement, and (iii) any other Transfer of shares of Class A Common Stock shall not be considered a “Transfer” for purposes of this Agreement.

**6.2 Certain Permitted Transfers.** The following Transfers shall be permitted:

(a) Any Transfer by any Member of its Units pursuant to a Pubco Offer (as such term is defined in the Exchange Agreement or Disposition Event (as such term is defined in the Certificate of Incorporation of Pubco));

(b) Subject to Section 6.4, any Transfer by any Member of its Units to (i) an Affiliated Transferee of such Member or (ii) another Member;

(c) Any Transfer by any Member of Units to any Transferee (i) previously approved in writing by the Company prior to the date hereof or (ii) approved in writing by the Managing Member (not to be unreasonably withheld, delayed or conditioned), it being understood that it shall be reasonable for the Managing Member to withhold such consent if the Managing Member reasonably determines that such Transfer would materially increase the risk that the Company would be classified as a “publicly traded partnership” as that term is defined in Section 7704 of the Code and applicable Regulations; or

(d) Any Transfer of Units to any Management Holdco Partner in connection with (x) the exercise of any repurchase right in respect of such Units by Management Holdco pursuant to the terms of the Management Holdco LLC Agreement, (y) the exercise of any right of such Management Holdco Partner to be distributed such Units pursuant to the terms of the Management Holdco LLC Agreement (including in exchange for Management Holdco redeeming such Management Holdco Partner’s Management Holdco Interests) or (z) the liquidation, dissolution and/or winding up of Management Holdco.

**6.3 Admission of Additional Members.**

(a) Subject to Section 6.3(b) hereof, additional Members of the Company may be admitted to the Company at the direction of the Managing Member in its sole and absolute discretion. In the event that any additional Members are added, this Agreement shall be construed to apply to all of the Members, and the additional Members shall be required to either: (i) enter into, ratify and approve this Agreement, which may be by execution and delivery of a joinder agreement hereto in substantially the form attached hereto as Exhibit B; or (ii) execute a new operating agreement after the Members have terminated this Agreement or otherwise in accordance with Section 6.3(b).

(b) In connection with the Managing Member's right to admit additional Members under this Section 6.3, the Managing Member shall be authorized to admit one or more of such additional Members to an existing class of Members, to create one or more new classes of Members in the Company, to admit one or more additional Members into such new classes, and/or to recapitalize the then outstanding Units into new class(es) of equity interests with such rights (including distribution rights) as the Managing Member shall determine, all as the Managing Member may determine in its sole discretion, including with respect to the rights (including distribution rights) of such classes. The Managing Member, without any obligation to do so, may elect to offer to one or more existing Members the opportunity to be admitted into a new class of Members, subject to this Section 6.3. Subject to the terms of Section 10.6 and this Section 6.3, the Managing Member, acting individually and without further authorization from the Members, shall have the right to further amend this Agreement to effectuate the terms of this Section 6.3, including one or more amendments (or an amendment or restatement of this Agreement) providing for the admittance of additional Members, the creation of new classes of Members, each with such rights as the Managing Member may determine (subject to the limitation set forth in the immediately preceding sentence), and the placement of additional Members into one or more classes of Members, all as the Managing Member may determine in its sole and absolute discretion.

**6.4 Additional Requirements.** In addition to the conditions and requirements set forth above and except as otherwise provided for in this Agreement or as otherwise agreed to by the Managing Member (in its sole discretion), no Transfer or assignment of any Units may be made unless (i) any consents required under any applicable state law are obtained; (ii) the Company is provided with an opinion of counsel acceptable to the Company, at the transferor's expense, to the effect that the Transfer would be exempt from the registration requirements of the Securities Act of 1933, as amended, and of applicable state securities laws and would not cause the Company (or any of its successors, transferees or assignees) to be subject to the registration requirements of the Investment Company Act of 1940, as amended, or to lose the "safe harbor" exemption from such registration requirement which relates to the number of investors; and (iii) with respect to any Transfer of any Common Unit that constitutes a portion of a Paired Interest, concurrently with such Transfer, such transferor shall also Transfer to such Transferee the number of shares of Class B Common Stock constituting the remainder of such Paired Interest (which, as of the date hereof, would be one share of Class B Common Stock). The Managing Member may, in its discretion, waive any of the conditions of clause (i) or (ii) of the preceding sentence. No Transfer of any Units may be made if the Transfer would, in the reasonable discretion of the Managing Member, materially increase the risk that the Company would be classified as a "publicly traded partnership" as that term is defined in Section 7704 of the Code and applicable Regulations. For the avoidance of doubt, in addition to any restrictions on Transfer set forth in this Article 6 that may apply to such Transfer, (i) any Transfer of Units by any Member shall be subject to the restrictions on Transfer applicable thereto pursuant to the Lock-Up Agreements, the Management Holdco Equity Agreements, the Incentive Plan and/or any other agreement between such Member or any Management Holdco Partner and the Company, Pubco or any of their controlled Affiliates and (ii) any Transfer of Management Holdco Interests (as defined below) shall be subject to the restrictions on Transfer applicable thereto pursuant to the Management Holdco LLC Agreement.

## 6.5 Company Call Right.

(a) In connection with any Involuntary Transfer by any Non-Pubco Member (other than a GA Member), the Company or the Managing Member may, in the Managing Member's sole discretion, elect to purchase from such Member and/or such Transferee(s) in such Involuntary Transfer (each, a "**Call Member**") any or all of the Units so Transferred, together with any shares of Pubco Common Stock constituting the remainder of any Paired Interests in which such Units were included ("**Call Paired Interests**"), at any time by delivery of a written notice (a "**Call Notice**") to such Call Member. The Call Notice shall set forth the Call Price and the proposed closing date of such purchase of such Call Paired Interests; provided, that such closing date shall occur within ninety (90) days following the date of such Call Notice. At the closing of any such sale, in exchange for the payment by the Company or the Managing Member to such Call Members of the Call Price in cash, (i) each Call Member shall deliver its Call Paired Interests, duly endorsed, or accompanied by written instruments of transfer in form satisfactory to the Company or the Managing Member, as applicable, duly executed by such Call Member and accompanied by all requisite transfer taxes, if any, (ii) such Call Paired Interests shall be free and clear of any liens and (iii) each Call Member shall so represent and warrant and further represent and warrant that it is the sole beneficial and record owner of such Call Paired Interests. Following such closing, any such Call Member shall no longer be entitled to any rights in respect of its Call Paired Interests, including any distributions of the Company or Pubco thereupon (other than the payment of the Call Price at such closing), and, to the extent any such Call Member does not hold any Units thereafter, shall thereupon cease to be a Member and, to the extent any such Call Member does not hold any shares of Pubco Common Stock thereafter, shall thereupon cease to be a stockholder of Pubco.

(b) For the purposes of this Section 6.5, "**Call Price**" means an amount equal to the fair market value of such Call Paired Interests (as reasonably determined by the Managing Member based on the market price of the Class A Common Stock into which such Call Paired Interests are exchangeable).

## ARTICLE 7 CERTAIN OTHER AGREEMENTS

### 7.1 Pubco Ownership.

(a) If at any time Pubco issues a share of Class A Common Stock or any other equity security of Pubco entitled to any economic rights (including in the IPO) (an "**Economic Pubco Security**") with regard thereto, (i) the Company shall issue to Pubco one Common Unit (if Pubco issues a share of Class A Common Stock) or such other equity security of the Company (if Pubco issues an Economic Pubco Security other than Class A Common Stock) corresponding to the Economic Pubco Security, and with substantially the same rights to dividends and distributions (including distributions upon liquidation) and other economic rights as those of such Economic Pubco Security and (ii) the net proceeds received by Pubco with respect to the corresponding Economic Pubco Security, if any (or the assets acquired by Pubco, or one or more subsidiaries of Pubco other than the Company, with such net proceeds) shall be contributed to the Company as soon as reasonably practicable upon (A) receipt by Pubco of such net proceeds or (B) the closing of the acquisition of such assets by Pubco or one or more subsidiaries of Pubco); provided, however, that if Pubco issues any Economic Pubco Securities, some or all of the net proceeds of which are to be used to fund expenses or other obligations of Pubco for which Pubco would be permitted a distribution pursuant to Section 4.1(c), then Pubco shall not be required to transfer such net proceeds to the Company which are used or will be used to fund such expenses or obligations; provided, further, that if Pubco issues (x) any shares of Class A Common Stock in order to purchase or fund the purchase from a Non-Pubco Member of a number of Common Units (and shares of Class B Common Stock) or to purchase or fund the purchase of shares of Class A Common Stock or (y) any Economic Pubco Security in order to purchase or fund the purchase from a Non-Pubco Member of a number of corresponding economic securities issued by the Company, in each case equal to the number of shares of Class A Common Stock or Economic Pubco Securities issued, then the Company shall not issue any new Common Units or corresponding economic securities in connection therewith and Pubco shall not be required to transfer such net proceeds to the Company (it being understood that such net proceeds shall instead be transferred to such Non-Pubco Member as consideration for such purchase).

(b) Notwithstanding Section 7.1(a), this Article 7 shall not apply (i) to the issuance and distribution to holders of shares of Pubco Common Stock of rights to purchase equity securities of Pubco under a “poison pill” or similar shareholders rights plan (it being understood that upon exchange of Paired Interests for Class A Common Stock pursuant to the Exchange Agreement, such Class A Common Stock will be issued together with a corresponding right) or (ii) to the issuance under the Pubco Equity Plan or Pubco’s other employee benefit plans of any warrants, options or other rights to acquire equity securities of Pubco or rights or property that may be converted into or settled in equity securities of Pubco, but shall in each of the foregoing cases apply to the issuance of equity securities of Pubco in connection with the exercise or settlement of such rights, warrants, options or other rights or property.

## **7.2 Restrictions on Pubco Common Stock.**

(a) Except as otherwise determined by the Managing Member in accordance with Section 7.2(d), (i) the Company may not issue any additional Common Units to Pubco or any of its subsidiaries unless substantially simultaneously therewith Pubco or such subsidiary issues or sells an equal number of shares of Class A Common Stock to another Person and (ii) the Company may not issue any other equity securities of the Company to Pubco or any of its subsidiaries unless substantially simultaneously, Pubco or such subsidiary issues or sells, to another Person, an equal number of shares of a new class or series of equity securities of Pubco or such subsidiary with substantially the same rights to dividends and distributions (including distributions upon liquidation) and other economic rights as those of such equity securities of the Company.

(b) Except as otherwise determined by the Managing Member in accordance with Section 7.2(d), (i) Pubco or any of its subsidiaries may not redeem, repurchase or otherwise acquire any shares of Class A Common Stock (including upon forfeiture of any Unvested Common Units or the acquisition of any such shares deposited in escrow) unless substantially simultaneously the Company redeems, repurchases or otherwise acquires from Pubco an equal number of Units for the same price per security (other than when Pubco uses the net proceeds from an issuance of Class A Common Stock to fund such redemption, repurchase or acquisition) and (ii) Pubco or any of its subsidiaries may not redeem or repurchase any other equity securities of Pubco unless substantially simultaneously, the Company redeems or repurchases from Pubco an equal number of equity securities of the Company of a corresponding class or series with substantially the same rights to dividends and distributions (including distributions upon liquidation) or other economic rights as those of such equity securities of Pubco for the same price per security (other than when Pubco uses the net proceeds from an issuance of Class A Common Stock to fund such redemption, repurchase or acquisition). Except as otherwise determined by the Managing Member in accordance with Section 7.2(d): (x) the Company may not redeem, repurchase or otherwise acquire Common Units from Pubco or any of its subsidiaries unless substantially simultaneously Pubco or such subsidiary redeems, repurchases or otherwise acquires an equal number of shares of Class A Common Stock for the same price per security from holders thereof (except that if the Company cancels Common Units for no consideration as described in clause (i) above, then the price per security need not be the same) and (y) the Company may not redeem, repurchase or otherwise acquire any other equity securities of the Company from Pubco or any of its subsidiaries unless substantially simultaneously Pubco or such subsidiary redeems, repurchases or otherwise acquires for the same price per security an equal number of equity securities of Pubco of a corresponding class or series with substantially the same rights to dividends and distributions (including dividends and distributions upon liquidation) and other economic rights as those of such equity securities of Pubco (except that if the Company cancels equity securities for no consideration as described in clause (ii) above, then the price per security need not be the same). Notwithstanding the immediately preceding sentence, to the extent that any consideration payable to Pubco in connection with the redemption or repurchase of any shares or other equity securities of Pubco or any of its subsidiaries consists (in whole or in part) of shares or such other equity securities (including, for the avoidance of doubt, in connection with the cashless exercise of an option or warrant), then redemption or repurchase of the corresponding Common Units or other equity securities of the Company shall be effectuated in an equivalent manner (except if the Company cancels Common Units or other equity securities for no consideration as described in this Section 7.2(b)).

(c) The Company shall not in any manner effect any subdivision (by any stock or unit split, stock or unit dividend or distribution, reclassification, reorganization, recapitalization or otherwise) or combination (by reverse stock or unit split, reclassification, reorganization, recapitalization or otherwise) of the outstanding Common Units unless accompanied by a substantively identical subdivision or combination, as applicable, of the outstanding Pubco Common Stock, with corresponding changes made with respect to any other exchangeable or convertible securities. Pubco shall not in any manner effect any subdivision (by any stock or unit split, stock or unit dividend or distribution, reclassification, reorganization, recapitalization or otherwise) or combination (by reverse stock or unit split, reclassification, reorganization, recapitalization or otherwise) of the outstanding Pubco Common Stock unless accompanied by a substantively identical subdivision or combination, as applicable, of the outstanding Common Units, with corresponding changes made with respect to any other exchangeable or convertible securities.

(d) Notwithstanding anything to the contrary in this Article 7:

(i) if at any time the Managing Member shall determine that any debt instrument of Pubco, the Company or its Subsidiaries shall not permit Pubco or the Company to comply with the provisions of Section 7.2(a) or Section 7.2(b) in connection with the issuance, redemption or repurchase of any shares of Class A Common Stock or other equity securities of Pubco or any of its subsidiaries or any Units, then the Managing Member may in good faith implement an economically equivalent alternative arrangement without complying with such provisions; provided, that such arrangement shall also be subject to the prior written consent (not to be unreasonably withheld, delayed or conditioned) of each of the GA Members, in each case so long as they meet the Ownership Minimum; and

(ii) if (x) Pubco incurs any Indebtedness and desires to transfer the proceeds of such Indebtedness to the Company and (y) Pubco is unable to lend the proceeds of such Indebtedness to the Company on an equivalent basis because of restrictions in any debt instrument of Pubco, the Company or the Subsidiaries, then notwithstanding Section 7.2(a) or Section 7.2(b), the Managing Member may in good faith implement an economically equivalent alternative arrangement in connection with the transfer of proceeds to the Company using non-participating preferred equity securities of the Company without complying with such provisions; provided that such arrangement shall also be subject to the prior written consent (not to be unreasonably withheld) of each of the GA Members, in each case so long as they meet the Ownership Minimum.

(i) If Pubco receives a distribution pursuant to Section 4.1 and Pubco subsequently contributes any of the amounts received to the Company, the Managing Member may take any reasonable action to properly reflect the changes in the Members' economic interests in the Company including by making appropriate adjustments to the number of Common Units held by the Members other than Pubco in order to proportionally reduce the respective Tax Allocation Percentages and Percentage Interests held by the Members other than Pubco.

(ii) In the event any adjustment pursuant to this Agreement in the number of Common Units held by a Member results (x) in a decrease in the number of Common Units held by a Member that constitute a portion of a Paired Interest, concurrently with such decrease, such Member shall surrender the number of shares of Class B Common Stock, as the case may be, constituting the remainder of such Paired Interest (which, as of the date hereof, would be one share of Class B) to Pubco or (y) in an increase in the number of Common Units held by a Member that constitute a portion of a Paired Interest, concurrently with such increase, Pubco shall issue the number of shares of Class B Common Stock, as the case may be, constituting the remainder of such Paired Interest (which, as of the date hereof, would be one share of Class B Common Stock) to such Member.

### 7.3 Management Holdco.

(a) Management Holdco has been established as a special purpose investment vehicle through which the parties to the Management Holdco Equity Agreements who, prior to Pricing, held Class B Units and who have contributed Common Units to Management Holdco (such persons, the "**Management Holdco Partners**") and indirectly hold Units through the ownership of limited liability company interests in Management Holdco ("**Management Holdco Interests**"). In applying the provisions of this Agreement (including Article 2, Article 3, Article 4, Article 5, Article 6, Article 7 and Article 9), and in order to determine equitably the rights and obligations of Management Holdco and the Management Holdco Partners, the Managing Member, the Company and/or Management Holdco may treat (a) the Units held by Management Holdco as if they were directly held by the Management Holdco Partners having an indirect economic interest therein and (b) any Management Holdco Partner as if it were a Member with a corresponding interest in a proportionate portion of the Units owned by Management Holdco (including, in each case, for purposes of determining whether such Unit is a Vested Common Unit or Unvested Common Unit). Accordingly, upon (i) any issuance of additional Units to Management Holdco for the benefit of any Management Holdco Partner (or the occurrence of any event that causes the repurchase or forfeiture of any Units), (ii) the Transfer of Units by Management Holdco or (iii) any merger, consolidation, sale of all or substantially all of the assets of the Company, issuance of debt or other similar capital transaction of the Company (each, a "**Management Holdco Action**"), the Managing Member, the Company and/or Management Holdco may take any action or make any adjustment with respect to the Management Holdco Interests to replicate, as closely as possible, such Management Holdco Action (including the effects thereof), and the Members shall take all actions reasonably requested by the Managing Member in connection with any Management Holdco Action and this Section 7.3.

(b) Notwithstanding the provisions of Section 4.1(b), the Managing Member, in its sole discretion, may authorize that cash be paid to Management Holdco (which payment shall be made without pro rata distributions to the other Members) in exchange for the redemption, repurchase or other acquisition of Management Holdco's Units to the extent that such cash payment is used by Management Holdco to redeem, repurchase or otherwise acquire from an Management Holdco Partner the Management Holdco Interests representing a corresponding indirect interest in the Units so redeemed, repurchased or otherwise acquired by the Company; provided, that the amount of cash so paid does not exceed the fair market value thereof (as determined by the Managing Member based on the market price of the Class A Common Stock into which such Units are exchangeable).

## **ARTICLE 8 DISSOLUTION AND LIQUIDATION**

### **8.1      Dissolution.**

(a) The Company shall be dissolved and its affairs shall be wound up, upon the first to occur of the following: (i) the expiration of forty-five (45) days after the sale or other disposition of all or substantially all the assets of the Company; or (ii) upon the approval of the Managing Member.

(b) Notwithstanding any other provision of this Agreement, neither the bankruptcy of any Member nor the occurrence with respect to any Member of any of the other events specified in Section 18-304 of the Act shall cause such Member to cease to be a Member and upon the occurrence of such an event (including with respect to the last Member), the Company shall continue, without dissolution.

(c) In the event of dissolution, the Company shall conduct only such activities as are necessary to wind up its affairs (including the sale of the assets of the Company in an orderly manner), and the assets of the Company shall be applied in the manner, and in the order of priority, set forth in Section 8.2 below, to the extent not inconsistent with Section 18-804 of the Act.

(i) *first*, to creditors, including any Member that is a creditor, in the order of priority as established by law, in satisfaction of liabilities of the Company (including, for the avoidance of doubt, liabilities of the Company under Section 4.1(c)) (whether by payment or the making of reasonable provision for payment thereof) other than liabilities for which reasonable provision for payment has been made and liabilities for distributions to the Members under the Act; and then

(ii) *second*, to the setting up of any reserves in such amount and for such period as shall be necessary to make reasonable provisions for payment of all contingent, conditional or unmatured claims and obligations known to the Company and all claims and obligations known to the Company but for which the identity of the claimant is unknown; and then

(iii) *third*, to be distributed to the Members in accordance with Section 4.1(b) (the amount so distributable to the Members, the “**Final Distribution**”), which Final Distribution may be made to the Members in cash or noncash property, with such noncash property to be treated as an amount equal to the fair market value of such noncash property as determined by a qualified independent appraiser to be selected by the Managing Member.

(b) Immediately prior to the Final Distribution, the Capital Account balances of the Members shall be adjusted, taking into account all Capital Contributions, distributions (other than the Final Distribution), and allocations of items of Profits and Losses (including any allocable items of gross income, gain, loss, and expense includible in the computation of Profits and Losses) pursuant to Section 3.2 and Section 3.3, such that the Capital Account of each Member immediately prior to the Final Distribution equals (to the fullest extent possible) the distribution to be received by such Member pursuant to the Final Distribution.

**8.3 Distributions in Cash or Noncash Property.** Upon the dissolution of the Company, the Managing Member shall use all commercially reasonable efforts to liquidate all of the Company’s assets in an orderly manner and apply the proceeds of such liquidation as set forth in Section 8.2(a), provided that the Managing Member shall in good faith attempt to liquidate sufficient assets of the Company to satisfy in cash (or make reasonable provision for) the debts and liabilities referred to in Section 8.2(a). Subject to the order of priorities set forth in Section 8.2(a), the Managing Member shall determine the allocation of any noncash property to be distributed among the Members, which may be in the form of (i) all or any portion of such noncash property, (ii) undivided interests as tenants in common of all or any portion of such noncash property, or (iii) a combination of the foregoing.

**8.4**        **Certificate of Cancellation.** Upon the dissolution of the Company and the completion of the liquidation and winding up of the Company's affairs and business, the Managing Member or the Designated Person shall on behalf of the Company prepare and file a certificate of cancellation with the Secretary of State of the State of Delaware, as required by the Act. When such certificate is filed, the Company's existence shall cease.

(a)        The Company will furnish each Member with tax information (including an Internal Revenue Service Schedule K-1) necessary to prepare its, his or her federal, state and, if applicable, local income tax return on or before March 1 of each calendar year or as soon as reasonably practicable thereafter. If the Company cannot provide a Schedule K-1 by March 1, it shall provide tax estimates or a draft Schedule K-1 and/or the associated state-equivalent returns, as applicable, on an estimated basis by such date and, in all events, shall furnish final tax information by June 1. The Company will use commercially reasonable efforts to furnish to the Members all other necessary or otherwise reasonably requested tax information as quickly as reasonably possible following the close of the Company's fiscal year (or at such other times as reasonably requested by a Member).

(b)        Subject to Section 1.7, the Managing Member shall be permitted to cause the Company and its Subsidiaries to make any election for U.S. federal, state, or local tax purposes, or make any other tax determinations, in each case as reasonably determined by the Managing Member; provided, however, that the Managing Member shall not take any action to revoke the election made by the Company under Section 754 of the Code.

**9.5 Financial Statements, Reports, Etc.** In the event neither Pubco nor the Company is subject to periodic reporting requirements under the Exchange Act, any Member (other than Management Holdco) holding, together with its Affiliated Transferees who are Members or stockholders of Pubco, at least 5% of the outstanding shares of Class A Common Stock (determined on an “as-converted” basis taking into account any and all securities then convertible into, or exercisable or exchangeable for, shares of Class A Common Stock (including Common Units and shares of Class B Common Stock exchangeable pursuant to the Exchange Agreement)), shall be entitled to receive, upon written request to the Company, the following:

The Annual Financial Statements shall also include comparative statements from the prior fiscal year;

(b) as soon as available, and in any event within forty-five (45) days after the end of each quarter in each fiscal year (other than the last quarter of such fiscal year) of the Company, a quarterly consolidated balance sheet of the Company and the related consolidated statements of operations, changes in Members’ capital, and cash flows, unaudited but prepared in accordance with GAAP consistently applied by the Company (except that such unaudited financial statements need not contain all of the required footnotes and may be subject to normal, recurring year-end adjustments) and certified by the chief financial officer of the Company (the “**Quarterly Financial Statements**”). The Quarterly Financial Statements shall be accompanied by a quarterly management report describing the current status of the Company and its operations and prospects. The Quarterly Financial Statements shall be prepared as of the end of such quarter with consolidated statements of operations, changes in Members’ capital, and cash flows to be for such quarter and for the period from the beginning of the fiscal year to the end of such quarter, in each case with comparative statements for the prior fiscal year;

The Partnership Representative may retain, at the Company’s expense, such outside counsel, accountants and other professional consultants as it may reasonably deem necessary in the course of fulfilling its obligations as the Partnership Representative. The Partnership Representative is authorized to take, and shall determine in its sole discretion whether or not the Company will take, such actions and execute and file all statements and forms on behalf of the Company that are approved by the Managing Member and are permitted or required by the applicable provisions of the Partnership Audit Provisions (including a “push-out” election under Section 6226 of the Code or any analogous election under state or local tax law). Each Member agrees to cooperate with the Partnership Representative and to use commercially reasonable efforts to do or refrain from doing any or all things requested by the Partnership Representative (including paying any and all resulting taxes, additions to tax, penalties and interest in a timely fashion) in connection with any examination of the Company’s affairs by any federal, state, or local tax authorities, including resulting administrative and judicial proceedings.

**ARTICLE 10  
MISCELLANEOUS**

**10.1 Binding Effect.** Except as otherwise provided in this Agreement to the contrary, this Agreement shall be binding upon and inure to the benefit of the Members and, subject to Article 6, their respective successors and assigns.

**10.2 Execution and Filing of Certificates.** The Members hereby authorize the Managing Member to designate a Person to execute and file any amendments to and/or restatements of the Certificate of Formation as may be required by applicable law to be filed on behalf of the Company with the Secretary of State of the State of Delaware and any other certificates (and any amendments thereto and/or restatements thereof) necessary for the Company to qualify to do business in any jurisdiction in which the Company may wish to conduct business. EACH PARTY IRREVOCABLY WAIVES, TO THE EXTENT LAWFUL, AND AGREES NOT TO ASSERT ANY RIGHT TO TRIAL BY JURY IN ANY LEGAL SUIT, ACTION OR PROCEEDING ARISING OUT OF RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY AND AGREES THAT ANY OF THEM MAY FILE A COPY OF THIS SENTENCE WITH ANY COURT AS WRITTEN EVIDENCE OF THE KNOWING, VOLUNTARY AND BARGAINED-FOR AGREEMENT AMONG THE PARTIES EACH IRREVOCABLY TO WAIVE ITS RIGHT TO TRIAL BY JURY IN ANY SUCH SUIT, ACTION OR PROCEEDING.

**10.4 Severability.** If any term or provision of this Agreement is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such a final and non-appealable judicial determination by a court of competent jurisdiction that any term or other provision hereof is invalid, illegal or unenforceable, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

**10.5 Gender.** As used in this Agreement, the masculine gender shall include the feminine and the neuter, and vice versa and the singular shall include the plural.

**10.6 Amendment; Waiver.**

(a) This Agreement can be amended at any time and from time to time by the Managing Member; provided, that, in addition to the approval of the Managing Member, no amendment to this Agreement may:

(i) without the prior written consent of the GA Members, (x) adversely modify the limited liability of any GA Member set forth in Section 2.2, Section 2.3, Section 5.6 or Section 5.7, or otherwise modify in any material respect the limited liability of any GA Member, or adversely increase the liabilities or obligations (other than de minimis liabilities or obligations) of any GA Member, (y) adversely modify the express rights of the GA Members set forth in Section 2.1(c), Section 5.2(c), Section 6.2, Section 7.2 and this Section 10.6 (in the case of clause (y), only so long as the GA Members are entitled to such express rights) or (z) modify Section 1.7 or take any action the principal purpose of which is to restrict the amounts payable pursuant to the Tax Receivable Agreement; or

(ii) adversely modify in any material respect the Units (or the rights, preferences or privileges of the Units) then held by any Members in any materially disproportionate manner to those then held by any other Members without the prior written consent of a majority in interest of such disproportionately affected Member or Members.

(b) For the avoidance of doubt (i) the Managing Member, acting alone, may amend this Agreement, including the Register of Members, (x) to reflect the admission of new Members or Transfers of Units, each as provided by and in accordance with, the terms of this Agreement, (y) to effect any subdivisions or combinations of Units made in compliance with Section 7.2(c) and (z) to issue additional Common Units or any new class of Units (whether or not pari passu with the Common Units) in accordance with the terms of this Agreement and to provide that the Members being issued such new Units be entitled to the rights provided to the GA Members with respect to all or a portion of the provisions applicable thereto hereunder and any other rights that do not diminish or eliminate any of the express rights of the GA Members described in Section 10.6(a)(i)(y) and (ii) any merger, consolidation or other business combination that constitutes a Disposition Event (as such term is defined in the certificate of incorporation of Pubco) in which the Non-Pubco Members are required to exchange all of their Paired Interests pursuant to the Exchange Agreement and receive consideration in such Disposition Event in accordance with the terms of this Agreement and the Exchange Agreement as in effect immediately prior to the consummation of such Disposition Event shall not be deemed an amendment hereof; provided, that such amendment is only effective upon consummation of such Disposition Event.

(c) No waiver of any provision or default under, nor consent to any exception to, the terms of this Agreement or any agreement contemplated hereby shall be effective unless in writing and signed by the party to be bound and then only to the specific purpose, extent and instance so provided.

**10.7 Conflicts of Interest.** Except to the extent otherwise expressly agreed to by a Member other than the Managing Member (or any Affiliate or, in the case of a trust, trustee or beneficiary thereof) pursuant to an employment agreement or any other agreement with the Company or any of its Affiliates to which such Member is a party, and without limiting the generality of Section 1.6, nothing in this Agreement shall be construed to limit the right of the Members (for the avoidance of doubt, other than the Managing Member) to enter into any transaction that may be considered to be competitive with, or a business opportunity that may be beneficial to, the Company or any Subsidiary and such transaction will not constitute a conflict of interest with respect to the Company, any Subsidiary or the Members. No such Member violates a duty or obligation to the Company, any Subsidiary or the Members merely because the conduct of such Members furthers the interests of such Members. Such Members may lend money to and transact other business with the Company. The rights and obligations of such Members upon lending money to or transacting business with the Company are the same as those of a Person who is not a Member, subject to other applicable law. No transaction with the Company shall be void or voidable solely because such a Member has a direct or indirect interest in the transaction. The Company and each such Member expressly acknowledge that such Members will not be obligated to inform or present to the Company, any Subsidiary or the Members any such competitive transaction or business opportunity and none of the Company, any Subsidiary or any Member will be entitled to acquire, on account of the transaction by such Member, any interest or participation in any such other competitive transaction or business opportunity. Without limiting the generality of the foregoing, the Company and each such Member expressly acknowledges and agrees that, except to the extent otherwise expressly agreed to by any such Member (or any Affiliate or, in the case of a trust, trustee or beneficiary thereof) pursuant to an employment agreement or otherwise, (a) such Members and their respective Affiliates may from time to time acquire or possess knowledge of a competitive transaction or business opportunity in which the Company or any Subsidiary could have an interest (each an “**Opportunity**”) and may exploit any such Opportunity or otherwise engage in or possess an interest in any business venture that is competitive with the activities of the Company or any Subsidiary, (b) neither the Company nor any Subsidiary shall have an interest in such Opportunity or expectation that such Opportunity be offered to it, any such interest or expectation being hereby renounced so that such Members and their respective Affiliates (i) shall have no duty to communicate or present any such Opportunity to the Company, any Subsidiary or any other Member, (ii) shall have the right to hold any such Opportunity for their own account, or recommend, assign or otherwise transfer such Opportunity to Persons other than the Company, any Subsidiary or any other Member and (iii) shall not be liable to the Company, any Subsidiary or any other Member for pursuing or acquiring such Opportunity for themselves, for recommending, assigning or otherwise transferring such Opportunity to another Person, for not informing or presenting such Opportunity to the Company, any Subsidiary or any other Member, or for engaging in or possessing an interest in any business venture that is competitive with the activities of the Company or any Subsidiary. For the avoidance of doubt, the duties or obligations of the Managing Member with respect to any Opportunity or other actual or potential conflict of interest shall be governed by Section 5.2.

**10.8 Rights of Creditors and Third Parties.** This Agreement is entered into by the Members solely to govern the operation of the Company. This Agreement is expressly not intended for the benefit of any creditor of the Company or any other Person. Except and only to the extent provided by applicable statute or expressly provided by this Agreement, no such creditor or third party shall have any rights under this Agreement or any other agreement between the Company and the Members, with respect to the subject matter hereof.

**10.9 Counterparts.** This Agreement may be executed and delivered in any number of counterparts, including delivery by facsimile or by electronic means intended to preserve the original graphic and pictorial appearance thereof, all such executed counterparts shall constitute the same agreement, and the signature of any party to any counterpart shall be deemed a signature to, and may be appended to, any other counterpart and this Agreement.

**10.10 Certificates.** Units may be certificated. The Company shall issue to each Member who so requests a certificate evidencing the Unit held by such Member. The Company shall keep, or cause to be kept, a register that will provide for the registration and transfer of Units. To the extent any Unit is certificated, the certificate evidencing such Unit shall bear the following legend:

“THE SECURITIES EVIDENCED HEREBY ARE SUBJECT TO THE PROVISIONS OF THE LIMITED LIABILITY COMPANY AGREEMENT OF THE COMPANY, AS AMENDED FROM TIME TO TIME (A COPY OF WHICH MAY BE OBTAINED FROM THE COMPANY), AND BY ACCEPTING ANY INTEREST IN SUCH SECURITIES THE PERSON ACCEPTING SUCH INTEREST SHALL BE DEEMED TO AGREE TO AND SHALL BECOME BOUND BY ALL OF THE PROVISIONS OF THE AFORESAID LIMITED LIABILITY COMPANY AGREEMENT.

THE SECURITIES EVIDENCED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS AND MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR OTHERWISE DISPOSED OF EXCEPT IN COMPLIANCE WITH SUCH ACT AND LAWS AND EXCEPT IN ACCORDANCE WITH THE PROVISIONS OF THE AFORESAID LIMITED LIABILITY COMPANY AGREEMENT.

THIS CERTIFICATE EVIDENCES LIMITED LIABILITY COMPANY INTERESTS IN EWC VENTURES, LLC, A DELAWARE LIMITED LIABILITY COMPANY, AND SHALL BE A SECURITY FOR PURPOSES OF ARTICLE 8 OF THE UNIFORM COMMERCIAL CODE IN EFFECT IN THE STATE OF DELAWARE AND THE UNIFORM COMMERCIAL CODE OF ANY OTHER RELEVANT JURISDICTION.”

**10.11 Entirety.** This Agreement (including the Exhibits hereto), together with the Incentive Plan and any award or similar agreements thereunder and the Reorganization Documents (collectively, the “**Transaction Documents**”), represents the entire agreement and understanding of the parties (and their Affiliates) with respect to the Members and their respective Units and supersedes and cancels all prior agreements, understandings, or communications, whether oral or in writing, relating to the subject matter hereof. No representation, warranty, promise, inducement, or statement of intention relating to the subject matter hereof has been made by any party hereto which is not embodied in the Transaction Documents, and no party shall be found liable for any alleged representation, warranty, promise, covenant, inducement, or statement or intention not so set forth.

**10.12 Each Unit is a Security.** The Company and each Member expressly acknowledge and agree that each Unit shall constitute a “security” within the meaning of, and be governed by, (i) Article 8 of the Uniform Commercial Code (the “**UCC**”) (including Section 8-102(a)(15) thereof) as in effect from time to time in the State of Delaware, and (ii) Article 8 of the UCC of any other applicable jurisdiction that now or hereafter substantially includes the 1994 revisions to Article 8 thereof as adopted by the American Law Institute and the National Conference of Commissioners on Uniform State Laws and approved by the American Bar Association on February 14, 1995, and the Company hereby “opts-in” to such provisions for the purpose of the UCC. Notwithstanding any provision of this Agreement to the contrary, to the extent that any provision of this Agreement is inconsistent with any non-waivable provision of Article 8 of the UCC as in effect in the State of Delaware (6 Del C. § 8-101, et. seq.) such provision of Article 8 of the UCC shall be controlling.

**EMPLOYMENT AGREEMENT**

THIS EMPLOYMENT AGREEMENT (the “Agreement”), dated as of September 25, 2018 (the “Effective Date”), is made and entered into by and between EWC Ventures, LLC, a Delaware limited liability company (the “Company”), and David Berg (the “Executive”).

WHEREAS, in connection with the transactions (the “Transactions”) contemplated by that certain Agreement and Plan of Merger (the “Merger Agreement”), dated as of August 8, 2018, by and among the Company, General Atlantic (EW) Collections, L.P. (“Parent”), EW Merger Sub, LLC (“Merger Sub”), and David Coba, Parent will acquire 70% of the issued and outstanding units of capital stock of the Company in a reverse subsidiary merger transaction, and Merger Sub will merge with and into the Company, with the Company surviving as the surviving company.

WHEREAS, in connection with the consummation of the Transactions, the Company desires to employ the Executive, and the Executive desires to be employed by the Company, on the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the mutual promises made herein and intending to be legally bound, the Company and the Executive agree as follows:

1. **Employment.** The Company hereby employs the Executive, and the Executive hereby accepts employment with the Company, on the terms and conditions set forth in this Agreement. The term of the Executive’s employment hereunder (the “Initial Term”) shall commence as of October 8, 2018 (the “Commencement Date”) and, unless sooner terminated as set forth in Section 5 below, shall expire on the third (3<sup>rd</sup>) anniversary of the Commencement Date; provided, that the Initial Term shall automatically renew for successive additional terms of one (1) year (each, a “Renewal Term”), unless notice of nonrenewal is given in writing by either party at least sixty (60) days prior to the expiration of the then-current term (the Initial Term and any Renewal Term(s) are hereinafter referred to as the “Term”). Except as set forth in the next sentence, the Company’s obligations pursuant to this Agreement are conditioned upon (i) the consummation of the Transactions, and (ii) the Executive commencing employment on the Commencement Date and if either of clauses (i) or (ii) does not occur, the Agreement shall be void *ab initio* without liability to the Company or any of its affiliates. The Executive agrees to, as of the Effective Date and for no additional compensation, be available to the Company for purposes of transitioning into his role with the Company on the Commencement Date.

2. **Title and Duties.** The Executive will serve as Chief Executive Officer of the Company and its subsidiaries (collectively, the “Group Companies”) and will have the normal duties, responsibilities and authority of this office, subject to the power of the Board of Directors of the Company (the “Board”), to expand or limit such duties, responsibilities and authority and to override Executive’s actions. The Executive shall report directly to the Board. Executive’s duties and responsibilities shall include, without limitation, carrying out the policies and directives of the Board; executing the strategic direction of the Group Companies; advising and making recommendations to the Board on potential acquisitions, dispositions and financings; maintaining and developing relationships with the suppliers, customer and lenders of the Group Companies; and overseeing all other officers and employees of the Group Companies. During the Term, the Executive shall be appointed the Board as a director without additional compensation and shall be covered by directors’ and officers’ insurance coverage on terms consistent with the coverage maintained by the Company for its Board members and officers. The Executive’s principal place of employment will be at the Company’s headquarters at a location prescribed by the Company, which location is currently in the Greater Miami Beach/Fort Lauderdale metropolitan area; provided, that, the Executive understands and acknowledges that travel will be required from time to time to fully perform the Executive’s duties and responsibilities hereunder.

3. **Full Time; Best Efforts.** The Executive will devote his best efforts and his full business time and attention to the business and affairs of the Group Companies. The Executive will not engage in any other business activity without the prior written approval of the Board, and will perform his duties and responsibilities hereunder to the Group Companies to the best of his abilities in a diligent, trustworthy and business-like manner. This provision shall not operate to prohibit the Executive from continuing to serve as a member of the board of directors of Planet Fitness or engaging in charitable activities, so long as such activities, individually or in the aggregate, do not inhibit or interfere with the performance of the Executive's duties under this Agreement.

4. **Compensation and Benefits; Co-Investment.**

(a) **Salary.** Commencing on the Commencement Date, the Company shall pay the Executive a base salary at the annual rate of \$675,000 (as in effect from time to time, the "Salary"), as reduced by all payroll deductions required by law and/or authorized by the Executive, which Salary shall be payable in equal installments in accordance with the Company's normal payroll practice and prorated during any partial year of employment. The Salary shall be subject to annual review by the Board and any increase thereof shall be within the Board's sole discretion.

(b) **Sign-On Bonus.** The Executive shall be paid a sign-on bonus of \$100,000 ("Sign-On Bonus"), payable within thirty (30) days following the Commencement Date. If the Executive's employment with the Company is terminated by the Company for Cause (as defined below) or the Executive resigns, in either case, during the Initial Term, then the Executive shall repay to the Company within ten (10) days of the date of termination a portion of the Sign-On Bonus equal to the product obtained by multiplying (i) the Sign-On Bonus, by (ii) a fraction, (x) the numerator of which is equal to the number of calendar days the Executive was employed during the Initial Term and (y) the denominator of which is 1095.

(c) **Performance Bonus.** Beginning in fiscal year 2019, the Executive will be eligible to participate in the Company's annual incentive bonus plan (the "Bonus Plan"). The target payout pursuant to the Bonus Plan shall be 100% and the maximum payout pursuant to the Bonus Plan shall be 150% of the Executive's annual base salary. The amount of any such bonus will be determined in the sole discretion of the Board, based on performance against specified objectives established by the Board and shall be paid at the same time annual bonuses are paid to other active employees of the Company. The Executive must remain employed with the Company through the applicable payment date in order to receive his annual bonus. For the 2018 calendar year, the Executive will be guaranteed a prorated portion of his Target Bonus.

(d) **Benefits.** The Executive will be entitled to participate in the Company's health and welfare benefit programs and vacation and other benefit programs from time to time in effect for executives of the Company generally, except to the extent such plans are in a category of benefits otherwise provided to Executive (*e.g.*, severance pay). Such participation shall be subject to the terms of the applicable plan documents and generally applicable Company policies, and such benefit plans or arrangements may be changed, terminated or reduced from time to time.

(e) **Reimbursement of Expenses.** The Executive shall receive prompt reimbursement of all reasonable expenses incurred in the ordinary course of business on behalf of the Company, subject to the presentation of receipts or other appropriate documentation and approval by, and in accordance with the policies established by, the Board.

(f) **Equity Award.** Parent (or its affiliate) shall adopt an equity incentive program as soon as reasonably practicable following the Effective Date, and the Executive shall, subject to his initial investment in the Company pursuant to Section 4(g) below, be eligible to receive a profits interest award in respect of 3.5% of the fully diluted equity interests of the Company as of the date of grant, of which 1.5% will vest based on service ("Time-Vesting Units") and the remaining 2.0% will vest based on service and performance ("Performance-Vesting Units" and collectively time the Time-Vesting Units, the "Profits Interest Units"). Time-Vesting Units shall vest as follows, subject to the Executive remaining employed by or continuing to provide services to the Company or its affiliates through the applicable vesting date:

- 30% on the 18-month anniversary of the grant date;
- 10% on the 24-month anniversary of the grant date;
- 20% on the 36-month anniversary of the grant date;
- 20% on the 48-month anniversary of the grant date; and
- 20% on the 60-month anniversary of the grant date.

Upon the consummation of a GA Exit, subject to the Executive's continued employment through such GA Exit, the Time-Vesting Units shall become 100% vested and nonforfeitable.

Subject to continued employment through a GA Exit (as defined below), Performance-Vesting Units are eligible to vest upon such GA Exit as follows:

- 50% vests based on an achievement of 2x MOIC (as defined below);
- 25% vests based on 2.5x MOIC; and
- 25% vested based on 3.0x MOIC.

For purposes of this Section 4(f), the following definitions apply:

“GA Exit” means the date on which Parent reduces its direct or indirect equity investments in the Company to less than 20% of the fully diluted units of the Company or upon a sale of all or substantially all of the Company’s assets. No GA Exit shall be deemed to have occurred until all of the non-cash proceeds received by Parent in any such transaction have been reduced to cash. A transaction or initial public offering shall not in and of itself constitute a GA Exit if it is not accompanied by the requisite sell-down of equity.

“MOIC” means, as of the date of a GA Exit, as calculated by the Board, (x) the total cash-on-cash equity return actually realized by GA (excluding any deal-based, transaction or exit fees of GA), divided by (y) the aggregate equity and any other capital contributions made by Parent.

The Profits Interest Units shall be granted pursuant to, and in accordance with, the terms and conditions of (i) an incentive equity plan, (ii) a grant agreement, and (iii) the limited liability company agreements of the Company and a management holding vehicle through which such profits interest will be granted.

(g) **Investment Equity.** On or within thirty (30) days following the Commencement Date, the Executive shall invest, directly or indirectly, \$1,000,000 in the Company on similar terms as Parent (the “Co-Investment Units”). The Executive shall be required to enter into a standard subscription agreement, a joinder agreement to the limited liability company agreement of the management holding vehicle, and any other agreements as reasonably required to effectuate the foregoing.

(a) **Equity Repurchase Top-Up.** If (a) the Executive’s employment is terminated by the Company without Cause or by the Executive with Good Reason, in each case within eighteen (18) months prior to the consummation of a “Sale Transaction” (as defined forth in the limited liability company agreement of the Company, dated as of September 25, 2018, as amended, restated or otherwise modified from time to time), and (b) in connection with such termination all or any portion of the Co-Investment Units and/or Profits Interest Units are repurchased by the Company, then the fair market value of such repurchased Co-Investment Units and/or Profits Interest Units shall be based on the implied equity value of the Company from the Sale Transaction (the “Sale Repurchase Price”). To the extent that the Sale Repurchase Price exceeds the amount paid to the Executive prior to the Sale Transaction in respect of the repurchase of all or any portion of the Co-Investment Units and/or Profits Interest Units (the “Pre-Sale Repurchase Price”), the Executive shall receive an amount equal to the positive difference between the Sale Repurchase Price and the Pre-Sale Repurchase Price upon the closing of the Sale Transaction. For the avoidance of doubt, to the extent the Pre-Sale Repurchase Price exceeds the Sale Repurchase Price, the Executive shall not be required to repay any amount to the Company.

5. **Termination of Employment.** The Executive’s employment shall end upon the earliest to occur of (i) the Executive’s death or a termination of the Executive’s employment by the Company due to Disability (as defined below), (ii) a termination of the Executive’s employment by the Company for Cause (as defined below), (iii) a termination of the Executive’s employment by the Company without Cause, (iv) a termination by the Executive for Good Reason (as defined below) or (v) upon thirty (30) days’ written notice, a resignation by the Executive; provided, that, if the Executive gives notice of resignation pursuant to clause (v), (x) the Company may accept such resignation as of a date earlier than the end of the thirty (30) day period, and (y) the Company may put the Executive on “garden leave” for all or part of such period. Upon any termination of the Executive’s employment with the Company, the Executive shall be deemed to have concurrently resigned from all other positions with the Company and its affiliates, whether as an officer, director, manager, employee, fiduciary or otherwise, and shall execute any documents reasonably required to effectuate the foregoing, and failure to do so shall result in a termination for Cause. For the avoidance of doubt, a non-renewal of the Initial Term shall not constitute a termination without Cause or a basis for resigning for Good Reason.

(a) **Benefits Payable Upon Separation.**

(i) **Death or Disability.** In the event of the termination of the Executive's employment on account of death or Disability, the Company shall pay to the Executive (or the Executive's estate) (x) all earned but unpaid Salary through such date at the rate then in effect, (y) any accrued but unused paid vacation through the date of termination, and (z) the amount of any earned but unpaid Bonus in respect of the most recently completed calendar year prior to the date of termination at the time described in Section 4(c) (together, the "Accrued Benefits").

(ii) **Termination by the Company Without Cause or Resignation by the Executive with Good Reason.** If the Executive's employment with the Company is terminated by the Company without Cause (but not, for the avoidance of doubt, as a result of the Executive death or Disability) or by the Executive with Good Reason, the Company shall:

1. pay to the Executive the Accrued Benefits; and
2. pay to the Executive an amount equal to one (1) times the Salary as of the termination date, such payments to be made in equal installments on the Company's normal payroll schedule over the one (1) year period commencing as of the 60<sup>th</sup> day after the Executive's employment termination date; provided, that (i) the Executive shall notify the Company immediately upon obtaining other employment or commencing any business activity and shall report immediately following the end of each month the amount of any compensation earned during such month and (ii) there shall be an offset of any such compensation on a dollar-for-dollar basis against amounts due to the Executive pursuant to this paragraph;
3. pay to the Executive, at the time described in Section 4(c), a prorated share of the amount of any Bonus for the year in which the termination occurs, based on actual performance for the year and prorated based on the number of days the Executive was employed by the Company in the year in which the termination occurs; and
4. for a period of one (1) year after the Executive's termination, pay the Executive during each calendar month an amount equal to the COBRA premium rate for such calendar month that is in effect from time to time for continued coverage under the Company's group health plan for the Executive and the Executive's eligible dependents, subject to the Executive's timely election of COBRA continuation benefits; provided, that the Company's obligation to provide such payments shall cease in the event the Executive becomes eligible for group health coverage provided by a subsequent employer.

The payments and benefits to be provided in clauses (2) through (4) above are conditioned upon the Executive's (or the Executive's estate's, if applicable) execution and delivery to the Company, within sixty (60) days of the date of termination, of a fully effective release of claims (for which the applicable revocation period has expired) in a form satisfactory to the Company and the Executive's continued compliance with the restrictive covenants set forth in Section 6. All payments and benefits set forth in clauses (2) through (4) above that would otherwise be paid prior to the sixtieth (60th) day after the Executive's termination of employment shall be paid in a lump sum as soon as reasonably practicable following the sixtieth (60th) day after the Executive's termination of employment. Further, the amounts payable to the Executive pursuant to clauses (2) through (4) above are in lieu of any severance benefits or other compensation-based payments by the Company to the Executive and are subject to Executive's continued compliance with the terms of this Agreement and any restrictive covenants applicable to the Executive.

(iii) **Termination by the Company for Cause; Resignation by the Executive without Good Reason.** In the event of a termination for Cause or the Executive's resignation without Good Reason, the Company shall pay to the Executive the Accrued Benefits; provided, that in the case of a termination for Cause, the Accrued Benefits shall not include the payment described in clause (z) of the definition of such term.

(b) **Definitions.** For the purposes of this Agreement, the following capitalized terms shall have the following meanings:

(i) "Cause" means (i) the indictment, conviction of, or plea of guilty or *nolo contendere* by, the Executive to a (A) felony or (B) other crime involving moral turpitude, (ii) commission of any act of material dishonesty or breach of trust or any act constituting fraud, embezzlement, theft, the misappropriation of funds, money, assets or other property of the Company or any of its subsidiaries or affiliates, customers or suppliers by the Executive, (iii) the attempt to willfully obtain any personal profit from any transaction in which the Executive has an interest not disclosed to the Board which is adverse to the interests of the Company or any of its subsidiaries or affiliates, (iv) reporting to work under the influence of alcohol or illegal drugs or repeatedly using alcohol to the point of intoxication or illegal drugs, whether or not at the workplace, (v) failure or refusal to perform duties, or gross negligence in the performance of the Executive's duties and responsibilities, as reasonably directed by the Company or any of its subsidiaries or affiliates, other than as a result of a Disability or other approved absence, (vi) violation of the rules, regulations, procedures or instructions (whether written or oral) relating to the conduct of employees, directors and/or consultants of the Company or any of its subsidiaries or affiliates, (vii) breach of any non-competition, non-disclosure or non-solicitation covenant in any agreement with the Company or any of its subsidiaries or affiliates, (viii) improperly or illegally aiding or abetting a competitor, supplier or customer of the Company or any of its subsidiaries or affiliates to the material disadvantage or detriment of the Company or any of its subsidiaries or affiliates, (ix) without limiting clause (vii) hereof, Executive's material breach of any written employment or services agreement (which (if capable of cure) is not cured to the Board's reasonable satisfaction within ten (10) days after written notice thereof to the Executive) or (x) any breach of fiduciary duty, gross negligence or willful misconduct with respect to the Company or any of its subsidiaries or affiliates (which (if capable of cure) is not cured to the Board's reasonable satisfaction within 10 days after written notice thereof to the Executive). For the avoidance of doubt, and without limitation to the foregoing, any breach of the representations set forth in Section 8 of this Agreement shall be deemed to constitute a breach and violation of a material term of this Agreement and shall serve as the basis for a termination of the Executive's services pursuant to clause (vii) of the definition of Cause. Notwithstanding anything to the contrary in this Agreement, (i) the Company shall not be required to provide advance written notice to the Executive for any act or omission constituting Cause if the Board determines in good faith that such Cause event is not reasonably capable of prompt cure or the Board determines that its fiduciary obligation requires it to effect a termination of the Executive for Cause immediately; and (ii) the Board may suspend the Executive with full pay and benefits while it conducts an inquiry of whether grounds for Cause exist.

(ii) “Disability” means the Executive’s substantial inability, due to a physical or mental condition, to perform essential functions of the Executive’s position, with or without accommodation, for a period of three (3) consecutive months or for shorter periods aggregating six (6) months during any twelve (12) month period, as determined by the Board in its good faith judgment.

(iii) “Good Reason” means a termination of the Executive’s employment with the Company by the Executive following: (i) a reduction in the Executive’s rate of Base Salary; (ii) a material diminution of the Executive’s authority, duties and responsibilities, provided, that, Good Reason shall not exist under this clause (ii) if such material diminution of authority, duties and responsibilities is a result of: (1) the hiring of additional subordinates to fill some of the Executive’s duties and responsibilities, or (2) any disposition or sale of any subsidiary or division of the Company; or (iii) the relocation of the Executive’s principal place of employment to a location that increases by 25 miles the Executive’s one-way commute from his residence; provided, however, that in each case, the Executive may not terminate his employment for Good Reason unless the Executive (A) provides the Company with 30 days’ advance written notice of his intent to resign for Good Reason, (B) such notice is given within 90 days of the events or circumstances claimed to give rise to Good Reason, (C) the Company fails to cure such alleged violation within 30 days after the Executive delivers such notice, and (D) if the Company fails to cure such alleged violation, the Executive must terminate his employment within five (5) days of the Company’s failure to cure such violation within the 30-day cure period. The Executive understands that he may be required to travel at the request of the Company and that such travel shall not constitute Good Reason.

6. **Restrictive Covenants.** In consideration of the Company’s offer of employment to the Executive pursuant to this Agreement, and other good and valuable consideration, the receipt of which is hereby acknowledged, the Executive agrees to the covenants contained in this Section 6. For the avoidance of doubt, such covenants are in addition to, and not in lieu of, and do not amend, modify, or abrogate in any way, any other similar covenants that run in favor of the Company and its affiliates and by which the Executive is bound.

(a) **Acknowledgements.** The Executive acknowledges and agrees that (a) the term “Business” means, with respect to any person, firm, corporation, or other entity, in whatever form, (i) franchising, developing, owning and operating businesses engaged in waxing, body hair removal, facial hair removal, or threading, or (ii) engaging in the business of providing any other activities, products or services of the specific type conducted, authorized, offered or provided by the Employer Group within six (6) months prior to the termination of the Executive’s employment (the date of such termination, the “Termination Date”); (b) the Executive has intimate and valuable knowledge of the Business, as well as technical, financial, customer, supplier and other confidential information related to the Business, which, if exploited by the Executive in contravention of the terms of this Agreement, would seriously, adversely and irreparably affect the ability of the Employer Group to continue the Business; (c) the agreements and covenants contained in this Agreement, as they relate to the Business and otherwise, have been determined by the Employer Group to be essential to protect the Business and goodwill of the Employer Group; (d) the Company would not enter into this Agreement but for the Executive agreeing to be bound by such agreements and covenants; and (e) the Executive has the means to support himself and his dependents other than by engaging in the Business, and the provisions of this Agreement will not impair such ability in any manner whatsoever. For purposes of this Section 6, “Employer Group” shall mean the Company and any direct or indirect parent or subsidiary thereof.

(b) **Non-Competition.** During the period of the Executive’s employment and through the second (2<sup>nd</sup>) anniversary of the Termination Date (such period, the “Restricted Period”), the Executive shall not, either directly or indirectly (and whether or not for compensation): (i) engage in the Business for the Executive’s own account in any state of the United States and in any other country, in each case, in which the Employer Group conducts business or has plans to conduct business as of the Termination Date (the “Restricted Territory”); (ii) render any services to or for any person or entity engaged in the Business in any part of the Restricted Territory; (iii) acquire a financial interest in, or otherwise become actively involved with, any person or entity engaged in the Business in any part of the Restricted Territory, as an individual, partner, stockholder, member, officer, director, employee, principal, agent, trustee or consultant; or (iv) interfere with business relationships between the Employer Group or any direct or indirect parent or subsidiary thereof (each, a “Protected Party” and collectively, the “Protected Parties”), on the one hand, and employees, clients or suppliers of, or consultants to, any Protected Party, on the other hand. Notwithstanding anything to the contrary in this Agreement, the Executive may, directly or indirectly, own, solely through passive ownership as a portfolio investment (with no director designation rights or other special governance rights), securities of any person engaged in the Business which are publicly traded on a national or regional stock exchange or over-the-counter if the Executive (a) is not a controlling person of, or a member of a group which controls, such person and (b) does not, directly or indirectly, own 2% or more of any class of securities of such person.

(c) **Non-Solicitation.** During the Restricted Period and without written consent of the Company, the Executive shall not, either directly or indirectly, (i) solicit or hire, or attempt to solicit or hire, any person who the Executive knows, or should have known, is (or within six (6) months prior to the Termination Date has been) an employee of, or consultant to, any Protected Party, or (ii) solicit or encourage any person which is (or within the six (6) months prior to the Termination Date has been) a vendor of any Protected Party to terminate or diminish its relationship with them, or otherwise alter such relationship in any manner that is adverse to any Protected Party. Notwithstanding the foregoing, this Section 6(c) shall not prohibit the Executive from making general solicitations of employment that are not specifically targeted at any such employee or consultant, or soliciting or hiring any such person who responds to any such general solicitation or who approaches the Executive without having been solicited in a manner prohibited hereby.

(d) **Nondisclosure.** The Executive hereby agrees to hold in confidence all Confidential Information of the Employer Group (as defined below) that came into the Executive's knowledge during the Executive's employment with the Employer Group and will not disclose, publish or make use of such Confidential Information without the prior written consent of the Company for as long as the information remains Confidential Information other than in connection with the performance of the Executive's duties to the Employer Group. For purposes hereof, "**Confidential Information**" means any data or information that is valuable to any member of the Employer Group (or, if owned by someone else, is valuable to that third party) and not generally known or available to the public or to competitors in the industry, including, but not limited to, any nonpublic information (regardless of whether in writing or retained as personal knowledge) pertaining to research and development; product costs, designs and processes; equityholder information; pricing, cost, or profit factors; recipes; quality programs; annual budget and long-range business plans; marketing plans and methods; contracts and bids; business ideas and methods, store concepts, inventions, innovations, developments, graphic designs, website designs, patterns, specifications, procedures, databases and personnel; and trade secrets.

(e) **Nondisparagement.** During the Executive's employment with the Company and thereafter, the Executive shall not, directly or indirectly, take any action, or encourage others to take any action, to disparage or criticize any member of the Employer Group or their respective employees, officers, directors, managers, products, services, customers or owners.

(f) **Assignment of Inventions.** Notwithstanding ideas, inventions, discoveries and improvements (collectively, "**Inventions**") that qualify fully under the provisions of California Labor Code Section 2870 or other applicable state law, the Executive hereby assigns and agrees to assign to the Company and its affiliates all of the Executive's right, title and interest, if any, in and to any and all Inventions licensed to the Company and all other Inventions (and all Proprietary Rights with respect thereto) that exist on the date hereof, whether or not patentable or registrable under copyright or similar statutes, made or conceived or reduced to practice or learned by the Executive, either alone or jointly with others, during the period of the Executive's affiliation with the Company or any predecessor thereof, as a member or stockholder, officer, director, agent, consultant or employee, in each case, pertaining in any manner to the business of the Company, or any of its affiliates. Notwithstanding Inventions that qualify fully under the provisions of California Labor Code Section 2870 or other applicable state law, the Executive hereby further assigns and agrees to assign in the future (when any such Inventions or Proprietary Rights are first reduced to practice or first fixed in a tangible medium, as applicable) to the Company and its affiliates all of the Executive's right, title and interest in and to any and all Inventions (and all Proprietary Rights with respect thereto) whether or not patentable or registrable under copyright or similar statutes, made or conceived or reduced to practice or learned by the Executive, either alone or jointly with others, during the period of the Executive's employment, or for a six (6) month period thereafter, with the Company or its affiliates, in each case, pertaining in any manner to the business of the Company or any of its affiliates. The term "Proprietary Rights" shall mean all trade secret, patent, copyright, mask work and other intellectual property rights throughout the world. Inventions assigned to the Company, or to a third party as directed by the Company pursuant to this Section 6, are hereinafter referred to as "Company Inventions." At the Company's sole cost and expense, the Executive will assist the Company at its reasonable request in every proper way to obtain, and from time to time enforce, U.S. and non-U.S. Proprietary Rights relating to Company Inventions in any and all countries. In the event the Company is unable for any reason, after reasonable effort, to secure the Executive's signature on any document needed in connection with the actions specified in the preceding sentence, the Executive hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as the Executive's agent and attorney in fact, which appointment is coupled with an interest, to act for and in the Executive's behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of this paragraph with the same legal force and effect as if executed by the Executive. The Executive hereby waives and quitclaims to the Company any and all claims, of any nature whatsoever, which the Executive now or may hereafter have for infringement of any Proprietary Rights assigned hereunder to the Company.

(g) **Works for Hire; Obligation to Keep Company Informed.** The Executive acknowledges that all original works of authorship which are made by the Executive (solely or jointly with others) within the scope of the Executive's services to the Company and its affiliates and which are protectable by copyright are "works made for hire," pursuant to the United States Copyright Act (17 U.S.C. § 101, *et. seq.*). The Executive will promptly disclose to the Company all patent applications filed by the Executive or on the Executive's behalf during the Executive's employment and within two (2) years after termination of the Executive's employment.

(h) **Tolling.** The Restricted Period shall be tolled and extended by the length of the Executive's breach of any of the covenants contained in this Section 6, to the extent permitted by law.

(i) **Reasonableness of Restrictions.** The Executive has carefully considered the nature and extent of the restrictions contained in this Section 6 and the rights and remedies conferred upon the Company under this Agreement, and hereby acknowledges and agrees that the same are reasonable in time and territory and that sufficient consideration is being provided to the Executive in exchange for the same.

(j) **Legal and Equitable Remedies.** The Executive acknowledges that the Executive's services are personal and unique, and that the Executive has had or will have access to and become acquainted with the Proprietary Rights and Confidential Information of the Company and its affiliates. The Executive further acknowledges and agrees that irreparable injury will result to the Company and its affiliates and its goodwill if Executive breaches any of the terms of the covenants set forth in this Section 6, the exact amount of which will be difficult or impossible to ascertain, and that remedies at law would be an inadequate remedy for any breach. Accordingly, the Executive hereby agrees that, in the event of the Executive's breach of any of the covenants contained in this Section 6, in addition to any other remedy which may be available at law or in equity, the Company and its affiliates shall be entitled to specific performance and injunctive relief, without bond or other security and without prejudice to any other rights and remedies that the Company and its affiliates may have for a breach of this Agreement.

(k) **Independent Enforcement; Blue Pencil.** Each of the covenants set forth in this Section 6 shall be construed as an agreement independent of (i) each of the other covenants set forth in this Section 6, (ii) any other agreements, or (iii) any other provision in this Agreement. If any one or more of the provisions contained in this Section 6 shall for any reason be held to be excessively broad as to duration, geographical scope, activity or subject, it shall be construed by limiting and reducing it, so as to be enforceable to the extent compatible with applicable law.

(l) **Whistleblower Acknowledgement.** Notwithstanding anything to the contrary contained herein, nothing in this Agreement shall prohibit the Executive from reporting possible violations of federal law or regulation to or otherwise cooperating with or providing information requested by any governmental agency or entity, including, but not limited to, the Department of Justice, the Securities and Exchange Commission, the Congress, and any agency Inspector General, or making other disclosures that are protected under the whistleblower provisions of federal law or regulation. The Executive does not need the prior authorization of the Company to make any such reports or disclosures and the Executive is not required to notify the Company that the Executive has made such reports or disclosures.

(m) **Defend Trade Secrets Act Acknowledgment.** Notwithstanding anything to the contrary contained herein, pursuant to the Defend Trade Secrets Act of 2016, the Executive shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that: (A) is made (i) in confidence to a Federal, state, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. The Executive also understands that if he files a lawsuit for retaliation by the Company for reporting a suspected violation of law, the Executive may disclose the trade secret to his attorney and use the trade secret information in the court proceeding, if the Executive (i) files any document containing the trade secret under seal, and (ii) does not disclose the trade secret, except pursuant to court order.

7. **Return of Materials.** All files, forms, brochures, books, materials, written correspondence, memoranda, documents, manuals, computer disks, software products and lists (including financial and other information and lists of customers, suppliers, products and prices) pertaining to the Company or to any of its direct or indirect affiliates which may come into the possession or control of the Executive shall at all times remain the property of the Company or such affiliate, as the case may be. Upon termination of the Executive's employment hereunder for any reason, the Executive agrees to immediately return all such property of the Company or its direct or indirect affiliates in the possession of the Executive or directly or indirectly under the control of the Executive. The Executive agrees not to make, for personal or business use or that of any other person, reproductions or copies of any such property or other property of the Company or of any of its direct or indirect affiliates.

8. **Executive Acknowledgements.** The Executive hereby represents and warrants that the execution of this Agreement and the performance of the Executive's obligations hereunder does not breach and is not in conflict with any other agreement to which the Executive is a party or is bound and that the Executive is not now subject to any covenants against competition or similar covenants that would affect the performance of the Executive's obligations hereunder. The Executive will not disclose to or use on behalf of the Company or its affiliates any proprietary information of a third party without such party's consent.

9. **Miscellaneous.**

(a) **Validity and Enforceability.** The invalidity or unenforceability of any provision or provisions of this Agreement shall not affect the validity or enforceability of any other provision or provisions of this Agreement, which shall remain in full force and effect. If any provision of this Agreement is held to be invalid, void or unenforceable in any jurisdiction, any court so holding shall substitute a valid, enforceable provision that preserves, to the maximum lawful extent, the terms and intent of such provisions of this Agreement.

(b) **Binding Effect.** This Agreement shall be binding on and inure to the benefit of the Company and any person or entity that succeeds to the interest of the Company (regardless of whether such succession does or does not occur by operation of law) by reason of the sale of all or a portion of the Company's membership interests or stock, a merger, consolidation or reorganization involving the Company or a sale of the assets of the business of the Company (or portion thereof) in which the Executive performs a majority of the Executive's services. This Agreement shall also inure to the benefit of the Executive's heirs, executors, administrators and legal representatives.

(c) **Assignment.** This Agreement, and the Executive's rights and obligations hereunder, may not be assigned by the Executive. Any successor to the Company's business shall expressly assume the Company's obligations hereunder unless such assumption occurs by operation of law. The Company may assign its rights, together with its obligations, hereunder without the Executive's consent in connection with any sale, transfer or other disposition of all or substantially all of the business assets with respect to which the Executive is performing a majority of the Executive's services at any such time, or in the event that the Company shall hereafter effect a reorganization, consolidate with, or merge into any other entity that is an affiliate of the Company or transfer all or substantially all of its properties or assets to any other person or entity that is an affiliate of the Company.

(d) **Entire Agreement.** This Agreement (including all of its exhibits) constitutes the entire agreement between the parties hereto with respect to the matters referred to herein. No other agreement relating to the terms of the Executive's employment by the Company, oral or otherwise, shall be binding between the parties unless it is in writing and signed by the party against whom enforcement is sought.

(e) **Waiver.** Waiver by any party hereto of any breach or default by the other party of any of the terms of this Agreement shall not operate as a waiver of any other breach or default, whether similar to or different from the breach or default waived. No waiver of any provision of this Agreement shall be implied from any course of dealing between the parties hereto or from any failure by either party hereto to assert its or his or her rights hereunder on any occasion or series of occasions.

(f) **Notices.** Any notice required or desired to be delivered under this Agreement shall be in writing and shall be delivered personally, by courier service, by registered mail, return receipt requested, or by telecopy and shall be effective upon actual receipt by the party to which such notice shall be directed; provided, that, a refusal by a party to accept delivery shall constitute receipt. Notices shall be addressed as follows (or to such other address as the party entitled to notice shall hereafter designate in accordance with the terms hereof):

If to the Company: to the address of the Company's headquarters, c/o the Company's Chairman of the Board.

If to the Executive: to the address then reflected in the Company's records.

(g) **Amendments.** This Agreement may not be altered, modified or amended except by a written instrument signed by each of the parties hereto.

(h) **Headings.** Headings to paragraphs in this Agreement are for the convenience of the parties only and are not intended to be part of or to affect the meaning or interpretation hereof.

(i) **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

(j) **Withholding.** Any payments provided for herein shall be reduced by any amounts required to be withheld by the Company from time to time under applicable federal, state or local income or employment tax laws or similar statutes or other provisions of law then in effect.

(k) **Governing Law.** It is the intent of the parties hereto that all questions with respect to the construction of this Agreement and the rights and liabilities of the parties hereunder shall be determined in accordance with the laws of the State of Delaware, without regard to principles of conflicts of laws thereof that would call for the application of the substantive law of any jurisdiction other than the State of Delaware.

(l) **Dispute Resolution; Waiver of Jury Trial.** Each party irrevocably agrees for the exclusive benefit of the other that any and all suits, actions or proceedings relating to this Agreement, the Executive's employment with the Company or any termination of such employment (collectively, "Proceedings") and, individually, a "Proceeding") shall be maintained in either the courts of the State of Delaware or the federal District Courts sitting in Wilmington, Delaware (collectively, the "Chosen Courts") and that the Chosen Courts shall have exclusive jurisdiction to hear, determine or settle any Proceeding and any Proceedings shall only be brought in the Chosen Courts. Each party irrevocably waives any objection that it may have now or hereafter to the laying of the venue of any Proceeding in the Chosen Courts and any claim that any Proceedings have been brought in an inconvenient forum and further irrevocably agrees that a judgment in any Proceeding brought in the Chosen Courts shall be conclusive and binding upon it and may be enforced in the courts of any other jurisdiction. Each of the parties hereto agrees that this Agreement involves at least \$100,000 and that this Agreement has been entered into in express reliance on Section 2708 of Title 6 of the Delaware Code. Each of the parties hereto irrevocably and unconditionally agrees (i) that, to the extent such party is not otherwise subject to service of process in the State of Delaware, it will appoint (and maintain an agreement with respect to) an agent in the State of Delaware as such party's agent for acceptance of legal process and notify the other parties hereto of the name and address of said agent, (ii) that service of process may also be made on such party by pre-paid certified mail with a validated proof of mailing receipt constituting evidence of valid service sent to such party at the address set forth in this Agreement, as such address may be changed from time to time pursuant hereto, and (iii) that service made pursuant to clause (i) or (ii) above shall, to the fullest extent permitted by applicable law, have the same legal force and effect as if served upon such party personally within the State of Delaware. EACH PARTY HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY SUIT, ACTION OR OTHER PROCEEDING INSTITUTED BY OR AGAINST SUCH PARTY IN RESPECT OF ITS RIGHTS OR OBLIGATIONS HEREUNDER.

(m) **Section 409A of the Code.**

(i) **Compliance.** The intent of the parties is that payments and benefits under this Agreement are either exempt from or comply with Section 409A of the Internal Revenue Code of 1986, as amended and Treasury Regulations and interpretive guidance issued thereunder (collectively, "Section 409A") and, accordingly, to the maximum extent permitted, the Agreement shall be interpreted to that end. The parties acknowledge and agree that the interpretation of Section 409A and its application to the terms of this Agreement is uncertain and may be subject to change as additional guidance and interpretations become available.

(ii) **Six Month Delay for Specified Employees.** If any payment, compensation or other benefit provided to the Executive in connection with the Executive's employment termination is determined, in whole or in part, to constitute "nonqualified deferred compensation" within the meaning of Section 409A and the Executive is at the relevant time a "specified employee" as defined in Section 409A, no part of such payments shall be paid before the day that is six (6) months plus one (1) day after the Executive's date of termination or, if earlier, the Executive's death (the "New Payment Date"). The aggregate of any payments that otherwise would have been paid to the Executive during the period between the date of termination and the New Payment Date shall be paid to the Executive in a lump sum on such New Payment Date. Thereafter, any payments that remain outstanding as of the day immediately following the New Payment Date shall be paid without delay over the time period originally scheduled, in accordance with the terms of this Agreement.

(iii) **Termination as a Separation from Service.** A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits subject to Section 409A upon or following a termination of employment until such termination is also a "separation from service" within the meaning of Section 409A, and for purposes of any such provision of this Agreement, references to a "resignation," "termination," "terminate," "termination of employment" or like terms shall mean separation from service.

(iv) **Payments for Reimbursements and In-Kind Benefits.** All reimbursements for costs and expenses under this Agreement shall be paid in no event later than the end of the calendar year following the calendar year in which the Executive incurs such expense. With regard to any provision herein that provides for reimbursement of costs and expenses or in-kind benefits, except as permitted by Section 409A, (x) the right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit, and (y) the amount of expenses eligible for reimbursements or in-kind benefits provided during any taxable year shall not affect the expenses eligible for reimbursement or in-kind benefits to be provided in any other taxable year.

(v) **Payments within Specified Number of Days.** Whenever a payment under this Agreement specifies a payment period with reference to a number of days (e.g., “payment shall be made within thirty (30) days following the date of termination”), the actual date of payment within the specified period shall be decided at the sole discretion of the Company.

(vi) **Installments as Separate Payment.** If under this Agreement, an amount is paid in two or more installments, for purposes of Section 409A, each installment shall be treated as a separate payment.

IN WITNESS WHEREOF, the Company has caused this Agreement to be executed by its duly authorized officer and the Executive has hereunto set the Executive's hand as of the day and year first above written.

Dear David:

Re: Amendment to Employment Agreement

We are writing to you to make a clarifying amendment to the Sign-On Bonus provision in Section 4(b) of your Employment Agreement with EWC Ventures, LLC, dated September 25, 2018 (the "Employment Agreement"). The Sign-On Bonus is subject repayment if your employment terminates in certain circumstances prior to the 3<sup>rd</sup> anniversary of your employment (such three-year period, the "Initial Term"). It was intended that the amount subject to repayment decrease ratably from 100% to 0% during the course of the Initial Term, such that you will no longer have to repay any amount of the Sign-On Bonus if your employment terminates following the expiration of the Initial Term. Due to a scrivener's error, your Employment Agreement does not currently operate in the intended manner.

In light of the foregoing, the second sentence of Section 4(b) of the Employment Agreement is hereby revised to delete the struck-through language in red and to add the underlined language in blue, as follows:

If the Executive's employment with the Company is terminated by the Company for Cause (as defined below) or the Executive resigns, in either case, during the Initial Term, then the Executive shall repay to the Company within ten ( 10) days of the date of termination a portion of the Sign-On Bonus equal to the product obtained by multiplying (i) the Sign-On Bonus, by (ii) a fraction, (x) the numerator of which is equal to the number of calendar days ~~the Executive was employed during~~ remaining in the Initial Term and (y) the denominator of which is 1095.

Please sign below to acknowledge this change to your Employment Agreement. This amendment shall not modify any other provision of your Employment Agreement.

Sincerely,

EWC Ventures, LLC

**EMPLOYMENT AGREEMENT**

THIS EMPLOYMENT AGREEMENT (the “Agreement”), dated as of December 10, 2019 (the “Effective Date”), is made and entered into by and between EWC Ventures, LLC, a Delaware limited liability company (the “Company”), and Gavin O’Connor (the “Executive”).

WHEREAS, the Company desires to employ the Executive, and the Executive desires to be employed by the Company, on the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the mutual promises made herein and intending to be legally bound, the Company and the Executive agree as follows:

1. **Employment.** The Company hereby employs the Executive, and the Executive hereby accepts employment with the Company, on the terms and conditions set forth in this Agreement. The term of the Executive’s employment hereunder (the “Initial Term”) shall commence on or around January 6, 2020 (the actual date of commencement is referred to as the “Commencement Date”), and, unless sooner terminated as set forth in Section 5 below, shall expire on the third (3<sup>rd</sup>) anniversary of the Commencement Date; provided, that the Initial Term shall automatically renew for successive additional terms of one (1) year (each, a “Renewal Term”), unless notice of nonrenewal is given in writing by either party at least sixty (60) days prior to the expiration of the then-current term (the Initial Term and any Renewal Term(s) are hereinafter referred to as the “Term”). The Company’s and Executive’s obligations pursuant to this Agreement are conditioned upon the Executive’s commencing employment on or before January 6, 2020, and if that does not occur, the Agreement shall be void *ab initio* without liability to Executive, the Company or any of the Company’s affiliates.

2. **Title and Duties.**

(a) **Title and Duties.** The Executive will serve as Chief Legal Counsel & Corporate Secretary of the Company and its subsidiaries (collectively, the “Group Companies”) and will have the normal duties, responsibilities and authority of this office, subject to the power of the Board of Directors of the Company (the “Board”) and the Chief Executive Officer (the “CEO”) to expand or limit such duties, responsibilities and authority and to override the Executive’s actions. The Executive shall initially report directly to the CEO. The Executive’s duties and responsibilities shall include, without limitation, overseeing all legal and corporate secretary matters for the Company. During the Term, the Executive shall be covered by directors’ and officers’ insurance coverage on terms consistent with the coverage maintained by the Company for its officers.

(b) **Location of Employment.** The Executive’s principal place of employment will be at the Company’s headquarters or such other executive offices designated by the Company from time to time, it being understood that the Company’s headquarters are currently located in Plano, Texas. The Executive acknowledges and understands that travel will be required to fully perform the Executive’s duties and responsibilities hereunder. The Company acknowledges the Executive does not intend to immediately relocate from his current residence in the Pittsburgh, PA area. Accordingly, the Company will not require the Executive to permanently relocate to the Greater Dallas metropolitan area or to any such other area where the Company’s headquarters are located that is outside of the Dallas-Ft. Worth, Texas area; provided, however, that the Executive acknowledges that his position nevertheless requires a regular physical presence at the Company’s principal offices of 4-5 business days per week. At such times, the Executive may in good faith establish his work and travel schedule, taking into account job responsibilities, the Company’s business needs, available travel itineraries and other factors deemed appropriate by the Company and the Executive; provided, that the Company reserves the right to review and modify the Executive’s schedule from time to time in its good faith business discretion. Repeated failures by the Executive to maintain such a regular physical presence at the Company’s principal offices, wherever located, are grounds for a termination by the Company for Cause (as defined below).

(c) **Commuting Expenses.** The Company will reimburse the Executive for reasonable airfare (at economy/coach class), temporary transient accommodations (e.g., standard hotel), and car rental/ground transportation, consistent with Company policy and this Agreement, for travel between the Executive's principal residence in the Pittsburgh, PA area and the Company's headquarters (no more than one round-trip per week) for a period of sixty (60) days following the Commencement Date. When booking travel, the Executive will work in good faith with the Company to take advantage, to the extent reasonably practicable, of corporate accounts and other preferred providers to minimize the Company's out-of-pocket costs, and shall document and deliver to the Company receipts or other appropriate documentation in accordance with the travel and expense policies established by the Company.

3. **Full Time; Best Efforts.** The Executive will devote his best efforts and his full business time and attention to the business and affairs of the Group Companies. The Executive will not engage in any other business activity without the prior written approval of the Board, and will perform his duties and responsibilities hereunder to the Group Companies to the best of his abilities in a diligent, trustworthy and business-like manner. This provision shall not operate to prohibit the Executive from (i) serving on corporate, civic or charitable boards or committees, so long as the Executive has the prior approval of the Board or the CEO, which approval will not be unreasonably withheld, and (ii) delivering lectures or fulfilling speaking engagements, so long as the Executive has the prior approval of the Board or the CEO, which approval will not be unreasonably withheld, so long as in any case above such activities, individually or in the aggregate, do not materially interfere with the performance of the Executive's duties under this Agreement.

4. **Compensation and Benefits.**

(a) **Salary.** Commencing on the Commencement Date, the Company shall pay the Executive a base salary at the annual rate of \$340,000 (as in effect from time to time, the "Salary"), as reduced by all payroll deductions required by law and/or authorized by the Executive, which Salary shall be payable in equal installments in accordance with the Company's normal payroll practice and prorated during any partial year of employment. The Salary shall be subject to annual review by the Board and any increase thereof shall be within the Board's sole discretion.

(b) **Sign-On Bonus.** The Executive shall be paid a sign-on bonus of \$100,000 (the "Sign-On Bonus") payable within thirty (30) days following the Commencement Date. If the Executive's employment with the Company is terminated by the Company for Cause (as defined below) or the Executive resigns without Good Reason (as defined below), in either case, during the two (2) year period immediately following the Commencement Date (the "Clawback Period"), then the Executive shall repay to the Company within ten (10) days following the date of termination a portion of the Sign-On Bonus equal to either (A) if the termination occurs within the one (1) year period immediately following the Commencement Date, then 100% of the Sign-On Bonus, or (B) if the termination occurs beyond such one (1) year period but prior to the expiration of the Clawback Period, then the product obtained by multiplying (i) the Sign-On Bonus by (ii) a fraction, (x) the numerator of which is equal to the number of calendar days remaining in the Clawback Period, and (y) the denominator of which is 731.

(c) **Performance Bonus.** Beginning in calendar year 2019, the Executive will be eligible to participate in the Company's annual incentive bonus plan (the "**Bonus Plan**"). The target payout pursuant to the Bonus Plan shall be 40% (the "**Target Bonus Percentage**"), and the maximum payout pursuant to the Bonus Plan shall be 60%, of the Executive's Salary, in each case to the extent earned, prorated for any partial year of employment (as applicable, the "**Performance Bonus**"). The amount of any such bonus will be determined in the sole discretion of the Board, based on performance against specified objectives established by the Board and shall be paid at the same time annual bonuses are paid to other executive-level employees of the Company. The Executive must remain employed with the Company through the applicable payment date in order to earn his annual bonus.

(d) **Benefits.** The Executive will be entitled to participate in the Company's health and welfare benefit programs and vacation and other benefit programs from time to time in effect for executives of the Company generally, except to the extent that such plans are in a category of benefits otherwise provided to the Executive (*e.g.*, severance pay). Such participation shall be subject to the terms of the applicable plan documents and generally applicable Company policies, and such benefit plans or arrangements may be changed, terminated or reduced from time to time. For the period from the Commencement Date until the date that the Executive is eligible to be covered under the Company's health plans, the Company shall reimburse the Executive during each calendar month the pre-rated monthly amount equal to the COBRA premium rate for such calendar month or portion thereof that is paid by the Executive for the continued health coverage for the Executive and the Executive's eligible dependents under the Executive's former employer's health plans, subject to the presentation of receipts or other appropriate documentation.

(e) **Reimbursement of Expenses.** The Executive shall receive prompt reimbursement of all reasonable expenses incurred in the ordinary course of business on behalf of the Company, subject to the presentation of receipts or other appropriate documentation and approval by, and in accordance with the policies established by, the Company.

(f) **Equity Award.** As soon as reasonably practicable after the Commencement Date, the Executive will be granted a number of profits interest units equal to 0.4% of the outstanding Class A common units of the Company as of the date of grant (the "**Profit Interest Units**"), of which approximately 50% will vest based on service and the remaining portion will vest based on performance (as set out in greater detail in the applicable award agreement). The Profits Interest Units shall be granted pursuant to, and in accordance with, the terms and conditions of (i) an incentive equity plan, (ii) a grant agreement, and (iii) the limited liability company agreements of the Company and a management holding vehicle through which such profits interest will be granted.

(g) **Paid Time Off.** Notwithstanding the Group Companies' standard accrual rates for Paid Time Off ("PTO") under their applicable Paid Time Off and Sick Leave policies in effect from time to time, Executive will initially be eligible for two hundred sixteen (216) hours of PTO subject to such policies. For full-time exempt associates, PTO may be taken for any reason, including vacation, sick days, or other personal time away from work. Group Companies provide a PTO bank in lieu of separate vacation benefits or personal day benefits or other similar programs. The PTO year runs from January 1st through December 31st, and associates accrue PTO hours proportionately each bi-weekly pay period up to their respective total eligible hours for the year. Executive will immediately begin to accrue PTO on the Commencement Date; provided, however accrued PTO will not be available until the expiration of Executive's introductory employment period for associates which is the 60-day period commencing on the Commencement Date. A copy of the Group Companies' PTO current Paid Time Off and Sick Leave policy will be provided to Executive upon the commencement of employment.

5. **Termination of Employment.** The Executive's employment shall end upon the earliest to occur of (i) the Executive's death or a termination of the Executive's employment by the Company due to Disability (as defined below), (ii) a termination of the Executive's employment by the Company for Cause (as defined below), (iii) a termination of the Executive's employment by the Company without Cause, (iv) a termination by the Executive for Good Reason (as defined below) or (v) upon thirty (30) days' written notice, a resignation by the Executive; provided, that, if the Executive gives notice of resignation pursuant to clause (v), (x) the Company may accept such resignation as of a date earlier than the end of the thirty (30) day period, and (y) the Company may put the Executive on "garden leave" for all or part of such period. Upon any termination of the Executive's employment with the Company, the Executive shall be deemed to have concurrently resigned from all other positions with the Company and its affiliates, whether as an officer, director, manager, employee, fiduciary or otherwise, and shall execute any documents reasonably required to effectuate the foregoing, and failure to do so shall result in a termination for Cause. For the avoidance of doubt, a non-renewal of the Initial Term shall not constitute a termination without Cause or a basis for resigning for Good Reason.

(a) **Benefits Payable Upon Separation.**

(i) **Death or Disability.** In the event of the termination of the Executive's employment on account of death or Disability, the Company shall pay to the Executive (or the Executive's estate) (x) all earned but unpaid Salary through such date at the rate then in effect, and (y) any accrued but unused paid time off through the date of termination (together, the "Accrued Benefits").

(ii) **Termination by the Company Without Cause or Resignation by the Executive with Good Reason.** If the Executive's employment with the Company is terminated by the Company without Cause (but not, for the avoidance of doubt, as a result of the Executive's death or Disability) or by the Executive with Good Reason, the Company shall:

1. pay to the Executive the Accrued Benefits; and

2. continue to pay the Executive's Salary for a twelve (12) month period after the Executive's employment termination date, or, if earlier, until the date on which the Executive begins new employment or service with a third party except that in the event the Executive's total compensation received during such 12-month period taking into account amounts received under this Section 5(a)(ii)(2) and amounts received from such subsequent employment or engagement with any third party is less than Executive's Salary, the Company shall pay the difference (less applicable withholdings) within thirty (30) days following the expiration of such 12-month period and the receipt of the Executive's written statement certifying such difference; and

3. pay to the Executive at the time described in Section 4(c), a prorated share of the amount of any Performance Bonus for the year in which the termination occurs, based on Bonus Plan targets for performance in the applicable calendar year and prorated based on the number of days the Executive was employed by the Company in the calendar year in which the termination occurs; and

4. reimburse the Executive for twelve (12) months following termination of employment, an amount equal to the COBRA premium rate for such calendar month that is in effect from time to time for continued coverage under the Company's group health plan for the Executive and the Executive's eligible dependents enrolled in such health plans at the time of termination, subject to the Executive's timely election of COBRA continuation benefits; provided, that the Company's obligation to provide such payments shall cease in the event the Executive becomes eligible for group health coverage provided by a subsequent employer.

The payments and benefits to be provided in clauses (2) through (4) above are conditioned upon the Executive's (or the Executive's estate's, if applicable) execution and delivery to the Company, within sixty (60) days of the date of termination, of a fully effective release of claims (for which the applicable revocation period has expired) in a form satisfactory to the Company and the Executive's continued compliance with the restrictive covenants set forth in Section 6. All payments and benefits set forth in clauses (2) through (4) above that would otherwise be paid prior to the sixtieth (60th) day after the Executive's termination of employment shall be paid in a lump sum as soon as reasonably practicable following the sixtieth (60th) day after the Executive's termination of employment. Further, the amounts payable to the Executive pursuant to clauses (2) through (4) above are in lieu of any severance benefits or other compensation-based payments by the Company to the Executive and are subject to Executive's continued compliance with the terms of this Agreement and any restrictive covenants applicable to the Executive.

(iii) **Termination by the Company for Cause; Resignation by the Executive without Good Reason.** In the event of a termination by the Company for Cause or the Executive's resignation without Good Reason, the Company shall pay to the Executive the Accrued Benefits.

(b) **Definitions.** For the purposes of this Agreement, the following capitalized terms shall have the following meanings:

(i) “Cause” means (i) the indictment, conviction of, or plea of guilty or *nolo contendere* by, the Executive to (A) a felony or (B) another crime involving moral turpitude, (ii) the Executive’s commission of any act of material dishonesty or breach of trust or any act constituting fraud, embezzlement, theft, misappropriation of funds, money, assets, or other property of the Company or any of its subsidiaries or affiliates, customers, or suppliers, (iii) the Executive’s attempt to willfully obtain any personal profit from any transaction in which the Executive has an interest not disclosed to the Board and that is adverse to the interests of the Company or any of its subsidiaries or affiliates, (iv) the Executive’s reporting to work under the influence of alcohol or illegal drugs or repeatedly using alcohol to the point of intoxication or illegal drugs, whether or not at the workplace, (v) the Executive’s failure or refusal to perform duties, or gross negligence in the performance of the Executive’s duties and responsibilities, as reasonably directed by the Company or any of its subsidiaries or affiliates, other than as a result of a Disability or other approved absence, (vi) the Executive’s violation of the rules, regulations, procedures, or instructions (whether written or oral) relating to the conduct of employees, directors, and/or consultants of the Company or any of its subsidiaries or affiliates (that (if capable of cure) is not cured to the Board’s reasonable satisfaction within ten (10) days after written notice thereof to the Executive), (vii) the Executive’s breach of any non-competition, non-disclosure, non-solicitation, or non-disparagement covenant in any agreement with the Company or any of its subsidiaries or affiliates, (viii) the Executive’s improperly or illegally aiding or abetting a competitor, supplier, or customer of the Company or any of its subsidiaries or affiliates to the material disadvantage or detriment of the Company or any of its subsidiaries or affiliates, (ix) without limiting clause (vii) hereof, the Executive’s material breach of any written employment or services agreement (that (if capable of cure) is not cured to the Board’s reasonable satisfaction within ten (10) days after written notice thereof to the Executive), or (x) the Executive’s breach of any fiduciary duty, gross negligence, or willful misconduct with respect to the Company or any of its subsidiaries or affiliates (that (if capable of cure) is not cured to the Board’s reasonable satisfaction within ten (10) days after written notice thereof to the Executive). For the avoidance of doubt, and without limitation to the foregoing, any breach by the Executive of the representations set forth in this Agreement shall be deemed to constitute a breach and violation of a material term of this Agreement and shall serve as the basis for a termination of the Executive’s services pursuant to clause (ix) of the definition of Cause. Notwithstanding anything to the contrary, (i) the Company shall not be required to provide advance written notice to the Executive for any act or omission constituting Cause if the Board determines in good faith that such Cause event is not reasonably capable of prompt cure or the Board determines that its fiduciary obligation requires it to effect a termination of the Executive for Cause immediately, and (ii) the Board may suspend the Executive with full pay and benefits while it conducts an inquiry of whether grounds for Cause exist.

(ii) “Disability” means the Executive’s substantial inability, due to a physical or mental condition, to perform essential functions of the Executive’s position, with or without accommodation, for a period of three (3) consecutive months or for shorter periods aggregating six (6) months during any twelve (12) month period, as determined by the Board in its good faith judgment.

(iii) “Good Reason” means a termination of the Executive’s employment with the Company by the Executive (i) following a reduction in the Executive’s Salary or Target Bonus Percentage, or (ii) a material diminution of the Executive’s authority, duties, and responsibilities; provided, that, Good Reason shall not exist under this clause (ii) solely as a result in a change in the Executive’s reporting structure or if such material diminution of authority, duties, and responsibilities is a result of (1) the hiring of additional subordinates to fill some of the Executive’s duties and responsibilities, or (2) any disposition or sale of any subsidiary or division of the Company; provided, however, that, in each case, the Executive may not terminate his employment for Good Reason unless the Executive (A) provides the Company with 30 days’ advance written notice of his intent to resign for Good Reason, (B) such notice is given within 90 days following the events or circumstances claimed to give rise to Good Reason, (C) the Company fails to cure such alleged violation within 30 days after the Executive delivers such notice, (D) if the Company fails to cure such alleged violation, the Executive terminates his employment within five (5) days following the end of the 30-day cure period. The Executive understands that he may be required to travel at the request of the Company and that such travel shall not constitute Good Reason.

6. **Restrictive Covenants.** In consideration of the Company's offer of employment to the Executive pursuant to this Agreement, and other good and valuable consideration, the receipt of which is hereby acknowledged, the Executive agrees to the covenants contained in this Section 6. For the avoidance of doubt, such covenants are in addition to, and not in lieu of, and do not amend, modify, or abrogate in any way, any other similar covenants that run in favor of the Company and its affiliates and by which the Executive is or may become bound.

(a) **Acknowledgements.** The Executive acknowledges and agrees that (i) the term "Business" means, with respect to any person, firm, corporation, or other entity, in whatever form, (1) franchising, developing, owning and operating businesses engaged in waxing, body hair removal, facial hair removal, or threading, or (2) engaging in the business of providing any other activities, products or services of the specific type conducted, authorized, offered or provided by the Employer Group (as defined below) within six (6) months prior to the termination of the Executive's employment (the date of such termination, the "Termination Date"), (ii) the Executive has intimate and valuable knowledge of the Business, as well as technical, financial, customer, supplier and other confidential information related to the Business, which, if exploited by the Executive in contravention of the terms of this Agreement, would seriously, adversely and irreparably affect the ability of the Employer Group to continue the Business, (iii) the agreements and covenants contained in this Agreement, as they relate to the Business and otherwise, have been determined by the Employer Group to be essential to protect the Business and goodwill of the Employer Group, (iv) the Company would not enter into this Agreement but for the Executive agreeing to be bound by such agreements and covenants, and (v) the Executive has the means to support herself and his dependents other than by engaging in the Business, and the provisions of this Agreement will not impair such ability in any manner whatsoever. For purposes of this Agreement, "Employer Group" shall mean the Company and any direct or indirect parent or subsidiary thereof.

(b) **Non-Competition.** During the period of the Executive's employment and through the second (2<sup>nd</sup>) anniversary of the Termination Date (such period, the "Restricted Period"), the Executive shall not, either directly or indirectly (and whether or not for compensation) (i) engage in the Business for the Executive's own account in any state of the United States and in any other country, in each case as of the Termination Date, in which the Employer Group (1) then conducts business, (2) has plans to conduct business within the Restricted Period or (3) has taken meaningful steps designed to conduct business in the future, even if the Employer Group's plan to conduct business in such country would commence after the expiration of the Restricted Period (the "Restricted Territory"), (ii) render any services to or for any person or entity engaged in the Business in any part of the Restricted Territory, (iii) acquire a financial interest in, or otherwise become actively involved with, any person or entity engaged in the Business in any part of the Restricted Territory, as an individual, partner, stockholder, member, officer, director, employee, principal, agent, trustee or consultant, or (iv) interfere with business relationships between the Employer Group or any direct or indirect parent or subsidiary thereof (each, a "Protected Party" and collectively, the "Protected Parties"), on the one hand, and employees, clients or suppliers of, or consultants to, any Protected Party, on the other hand. Notwithstanding anything to the contrary in this Agreement, the Executive may, directly or indirectly, own, solely through passive ownership as a portfolio investment (with no director designation rights or other special governance rights), securities of any person engaged in the Business which are publicly traded on a national or regional stock exchange or over-the-counter if the Executive (i) is not a controlling person of, or a member of a group which controls, such person and (ii) does not, directly or indirectly, own 2% or more of any class of securities of such person.

(c) **Non-Solicitation.** During the Restricted Period and without written consent of the Company, the Executive shall not, either directly or indirectly, (i) solicit or hire, or attempt to solicit or hire, any person who the Executive knows, or should have known, is (or within six (6) months prior to the Termination Date has been) an employee of, or consultant to, any Protected Party, or (ii) solicit or encourage any person which is (or within the six (6) months prior to the Termination Date has been) a vendor or customer of any Protected Party to terminate or diminish its relationship with them, or otherwise alter such relationship in any manner that is adverse to any Protected Party. Notwithstanding the foregoing, this Section 6(c) shall not prohibit the Executive from making general solicitations of employment that are not specifically targeted at any such employee or consultant, or soliciting or hiring any such person who responds to any such general solicitation or who approaches the Executive without having been solicited in a manner prohibited hereby.

(d) **Nondisclosure.** The Executive hereby agrees to hold in confidence all Confidential Information of the Employer Group that came into the Executive's knowledge during the Executive's employment with the Employer Group and will not disclose, publish or make use of such Confidential Information without the prior written consent of the Company for as long as the information remains Confidential Information other than in connection with the performance of the Executive's duties to the Employer Group. For purposes hereof, "**Confidential Information**" means any data or information that is valuable to any member of the Employer Group (or, if owned by someone else, is valuable to that third party) and not generally known or available to the public or to competitors in the industry, including, but not limited to, any nonpublic information (regardless of whether in writing or retained as personal knowledge) pertaining to research and development; product costs, designs and processes; equityholder information; pricing, cost, or profit factors; formulas or recipes; quality programs; annual budget and long-range business plans; marketing plans and methods; contracts and bids; business ideas and methods, store concepts, inventions, innovations, developments, graphic designs, website designs, patterns, specifications, procedures, databases and personnel; and trade secrets.

(e) **Nondisparagement.** During the Executive's employment with the Company and thereafter, the Executive shall not, directly or indirectly, take any action, or encourage others to take any action, to disparage or criticize any member of the Employer Group or their respective employees, officers, directors, managers, products, services, customers or owners. The foregoing shall not be violated by the Executive's truthful responses to legal process, inquiry by a governmental authority or to incorrect, disparaging or derogatory public statements to the extent reasonably necessary to correct or refute such public statements.

(f) **Assignment of Inventions.** The Executive hereby assigns and agrees to assign in the future to the Company and its affiliates all of the Executive's right, title and interest, if any, in and to any and all "**Inventions**" (which is defined to include any new or useful process, machine, manufacture, composition of matter, or any new and useful improvement thereof, and all Proprietary Rights with respect thereto), whether or not patentable or registrable under copyright or similar statutes, made or conceived or reduced to practice or learned by the Executive, either alone or jointly with others, during the period of the Executive's affiliation with the Company or any predecessor thereof, as a member or stockholder, officer, director, agent, consultant or employee, in each case, pertaining in any manner to the business of the Company, or any of its affiliates. The Executive hereby further assigns and agrees to assign in the future (when any such Inventions or Proprietary Rights are first reduced to practice or first fixed in a tangible medium, as applicable) to the Company and its affiliates all of the Executive's right, title and interest in and to any and all Inventions (and all Proprietary Rights with respect thereto) whether or not patentable or registrable under copyright or similar statutes, made or conceived or reduced to practice or learned by the Executive, either alone or jointly with others, during the period of the Executive's employment, or for a six (6) month period thereafter, with the Company or its affiliates, in each case, pertaining in any manner to the business of the Company or any of its affiliates. The term "**Proprietary Rights**" shall mean all trade secret, patent, copyright, mask work and other intellectual property rights throughout the world. Inventions assigned to the Company, or to a third party as directed by the Company pursuant to this Section 6, are hereinafter referred to as "**Company Inventions**." At the Company's sole cost and expense, the Executive will assist the Company at its reasonable request in every proper way to obtain, and from time to time enforce, U.S. and non-U.S. Proprietary Rights relating to Company Inventions in any and all countries. In the event the Company is unable for any reason, after reasonable effort, to secure the Executive's signature on any document needed in connection with the actions specified in the preceding sentence, the Executive hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as the Executive's agent and attorney in fact, which appointment is coupled with an interest, to act for and in the Executive's behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of this paragraph with the same legal force and effect as if executed by the Executive. The Executive hereby waives and quitclaims to the Company any and all claims, of any nature whatsoever, which the Executive now or may hereafter have for infringement of any Proprietary Rights assigned hereunder to the Company.

(g) **Works for Hire; Obligation to Keep Company Informed.** The Executive acknowledges that all original works of authorship which are made by the Executive (solely or jointly with others) within the scope of the Executive's services to the Employer Group and its affiliates and which are protectable by copyright are "works made for hire," pursuant to the United States Copyright Act (17 U.S.C. § 101, *et. seq.*). The Executive will promptly disclose to the Company all patent applications filed by the Executive or on the Executive's behalf during the Executive's employment and within two (2) years after termination of the Executive's employment.

(h) **Tolling.** The Restricted Period shall be tolled and extended by the length of the Executive's breach of any of the covenants contained in this Section 6, to the extent permitted by law.

(i) **Reasonableness of Restrictions.** The Executive has carefully considered the nature and extent of the restrictions contained in this Section 6 and the rights and remedies conferred upon the Company under this Agreement, and hereby acknowledges and agrees that the same are reasonable in time and territory and that sufficient consideration is being provided to the Executive in exchange for the same.

(j) **Legal and Equitable Remedies.** The Executive acknowledges that the Executive's services are personal and unique, and that the Executive has had or will have access to and become acquainted with the Proprietary Rights and Confidential Information of the Company and its affiliates. The Executive further acknowledges and agrees that irreparable injury will result to the Company and its affiliates and its goodwill if Executive breaches any of the terms of the covenants set forth in this Section 6, the exact amount of which will be difficult or impossible to ascertain, and that remedies at law would be an inadequate remedy for any breach. Accordingly, the Executive hereby agrees that, in the event of the Executive's breach of any of the covenants contained in this Section 6, in addition to any other remedy which may be available at law or in equity, the Company and its affiliates shall be entitled to seek specific performance and injunctive relief, without bond or other security and without prejudice to any other rights and remedies that the Company and its affiliates may have for a breach of this Agreement.

(k) **Independent Enforcement; Blue Pencil.** Each of the covenants set forth in this Section 6 shall be construed as an agreement independent of (i) each of the other covenants set forth in this Section 6, (ii) any other agreements, or (iii) any other provision in this Agreement. If any one or more of the provisions contained in this Section 6 shall for any reason be held to be excessively broad as to duration, geographical scope, activity or subject, it shall be construed by limiting and reducing it, so as to be enforceable to the extent compatible with applicable law.

(l) **Whistleblower Acknowledgement.** Notwithstanding anything to the contrary contained herein, nothing in this Agreement shall prohibit the Executive from reporting possible violations of federal law or regulation to or otherwise cooperating with or providing information requested by any governmental agency or entity, including, but not limited to, the Department of Justice, the Securities and Exchange Commission, the Congress, and any agency Inspector General, or making other disclosures that are protected under the whistleblower provisions of federal law or regulation. The Executive does not need the prior authorization of the Company to make any such reports or disclosures and the Executive is not required to notify the Company that the Executive has made such reports or disclosures.

(m) **Defend Trade Secrets Act Acknowledgment.** Notwithstanding anything to the contrary contained herein, pursuant to the Defend Trade Secrets Act of 2016, the Executive shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that: (A) is made (i) in confidence to a Federal, state, or local government official, either directly or indirectly, or to an attorney, and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. The Executive also understands that if he files a lawsuit for retaliation by the Company for reporting a suspected violation of law, the Executive may disclose the trade secret to his attorney and use the trade secret information in the court proceeding, if the Executive (i) files any document containing the trade secret under seal, and (ii) does not disclose the trade secret, except pursuant to court order.

7. **Surrender of Materials Upon Termination.** Upon any termination of the Executive's employment, regardless of the reason and who is the terminating party, the Executive shall promptly (and in any event within five (5) days) return to the Company: (a) any property of the Employer Group that is in the Executive's possession, custody or control, including any applicable files, forms, brochures, books, materials, written correspondence, memoranda, documents, manuals, computer disks, software products and lists (including financial and other information and lists of customers, suppliers, products and prices), and other materials and equipment provided by any member of the Employer Group, such as access cards, identification cards, employer credit cards, computers, cell/smart phones, manuals and removable information storage devices, and (b) all documents and materials that the Executive has prepared in connection with the Executive's duties under this Agreement. Without limiting the foregoing, the Executive shall delete or destroy, to the extent the Executive possesses any network credentials, files, data, or information relating in any way to any member of the Employer Group or their respective businesses on any non-Employer Group devices, networks, personal computers, storage locations or media in the Executive's possession, custody or control that are not being returned to the Company, each and every file, data, or information relating in any way to any member of the Employer Group or their respective businesses (and will retain no copies in any form). The Executive agrees not to make, for personal or business use or that of any other person, reproductions or copies of any such property or other property of any member of the Employer Group. For the avoidance of doubt, the Executive may retain copies of all materials that are owned by the Executive.

8. **Executive Acknowledgements.** The Executive hereby represents and warrants that the execution of this Agreement and the performance of the Executive's obligations hereunder does not breach and is not in conflict with any other agreement to which the Executive is a party or is bound and that the Executive is not now subject to any covenants against competition or similar covenants that would affect the performance of the Executive's obligations hereunder. The Executive will not disclose to or use on behalf of the Company or its affiliates any proprietary information of a third party without such party's consent. The Executive further acknowledges that the Employer Group may utilize the Executive's name, likeness, voice, image, appearance, biographical information or other characteristics in, on or in connection with any pictures, photographs, audio and video recordings, digital images, websites, social media pages, television programs and advertising, other advertising and publicity, sales and marketing brochures, books, magazines, other publications, and all other printed and electronic forms and media throughout the world, at any time during or after the period of the Executive's employment with the Company, for all legitimate commercial and business purposes of any member of the Employer Group. The Executive hereby consents to the use of such characteristics by the Employer Group and releases the Employer Group and their respective directors, officers, managers, employees, contractors, representatives and agents from any claims, actions, damages, losses, costs, expenses and liability of any kind, arising under any legal or equitable theory whatsoever at any time during or after the period of the Executive's employment by the Company, in connection with any use permitted by this Agreement.

9. **Miscellaneous.**

(a) **Validity and Enforceability.** The invalidity or unenforceability of any provision or provisions of this Agreement shall not affect the validity or enforceability of any other provision or provisions of this Agreement, which shall remain in full force and effect. If any provision of this Agreement is held to be invalid, void or unenforceable in any jurisdiction, any court so holding shall substitute a valid, enforceable provision that preserves, to the maximum lawful extent, the terms and intent of such provisions of this Agreement.

(b) **Binding Effect.** This Agreement shall be binding on and inure to the benefit of the Company and any person or entity that succeeds to the interest of the Company (regardless of whether such succession does or does not occur by operation of law) by reason of the sale of all or a portion of the Company's membership interests or stock, a merger, consolidation or reorganization involving the Company or a sale of the assets of the business of the Company (or portion thereof) in which the Executive performs a majority of the Executive's services. This Agreement shall also inure to the benefit of the Executive's heirs, executors, administrators and legal representatives.

(c) **Assignment.** This Agreement, and the Executive's rights and obligations hereunder, may not be assigned by the Executive. Any successor to the Company's business shall expressly assume the Company's obligations hereunder unless such assumption occurs by operation of law. The Company may assign its rights, together with its obligations, hereunder without the Executive's consent in connection with any sale, transfer or other disposition of all or substantially all of the business assets with respect to which the Executive is performing a majority of the Executive's services at any such time, or in the event that the Company shall hereafter effect a reorganization, consolidate with, or merge into any other entity that is an affiliate of the Company or transfer all or substantially all of its properties or assets to any other person or entity that is an affiliate of the Company.

(d) **Entire Agreement; Acknowledgment of Negotiated Terms.** This Agreement (including all of its exhibits and each of the agreements referenced in this Agreement) constitutes the entire agreement between the parties hereto with respect to the matters referred to herein. No other agreement relating to the terms of the Executive's employment by the Company, oral or otherwise, shall be binding between the parties unless it is in writing and signed by the party against whom enforcement is sought. For the avoidance of doubt, this Agreement shall not in any way supersede the terms of any applicable Profits Interests Award agreement. The Executive acknowledges that this is a negotiated agreement, and that in no event shall the terms of this Agreement be construed against Company on the basis that Company, or its counsel, drafted this Agreement. From time to time, the Executive may, either before or after the Effective Date, become bound by other Company standard confidentiality or non-interference obligations in connection with the Executive's employment, including, by way of example and not limitation, by acknowledging and agreeing to terms of the Employer Group employment handbooks and confidentiality agreements executed pursuant thereto. Again for the avoidance of doubt, such covenants in this Agreement are in addition to, and not in lieu of, and do not amend, modify, or abrogate in any way, any other similar covenants that run in favor of the Company and its affiliates and by which the Executive is bound or may become bound. The Executive shall be bound by the most restrictive obligation then applicable. Regardless of anything expressed anywhere in this Agreement, all obligations of the Executive and the Company to the other party that by their nature should survive the termination or expiration of this Agreement shall survive until fulfilled, or if shorter, the survival period expressly provided herein.

(e) **Waiver.** Waiver by any party hereto of any breach or default by the other party of any of the terms of this Agreement shall not operate as a waiver of any other breach or default, whether similar to or different from the breach or default waived. No waiver of any provision of this Agreement shall be implied from any course of dealing between the parties hereto or from any failure by either party hereto to assert its or his rights hereunder on any occasion or series of occasions.

(f) **Notices.** Any notice required or desired to be delivered under this Agreement shall be in writing and shall be delivered personally, by courier service, by registered or certified mail, return receipt requested, postage prepaid, or by electronic mail or any other electronic means (e-mail or any other electronic means shall constitute a writing for purposes of this Agreement; provided that receipt of such notice sent by e-mail or any other electronic means is confirmed by the recipient) and shall be effective upon actual receipt by the party to which such notice shall be directed; provided, that, a refusal by a party to accept delivery shall constitute receipt. Notices shall be addressed as follows (or to such other address as the party entitled to notice shall hereafter designate in accordance with the terms hereof):

If to the Company: to the address of the Company's headquarters, c/o the Company's Chief Executive Officer.

If to the Executive: to the address then reflected in the Company's records.

(g) **Amendments.** This Agreement may not be altered, modified or amended except by a written instrument signed by each of the parties hereto.

(h) **Headings.** Headings to paragraphs in this Agreement are for the convenience of the parties only and are not intended to be part of or to affect the meaning or interpretation hereof.

(i) **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. The exchange of copies of this Agreement and of signature pages by facsimile transmission or other electronic means shall constitute effective execution and delivery of this Agreement as to the parties and may be used in lieu of the original Agreement for all purposes.

(j) **Withholding.** Any payments provided for herein shall be reduced by any amounts required to be withheld by the Company from time to time under applicable federal, state or local income or employment tax laws or similar statutes or other provisions of law then in effect.

(k) **Governing Law.** It is the intent of the parties hereto that all questions with respect to the construction of this Agreement and the rights and liabilities of the parties hereunder shall be determined in accordance with the laws of the State of Delaware, without regard to principles of conflicts of laws thereof that would call for the application of the substantive law of any jurisdiction other than the State of Delaware.

(l) **Dispute Resolution; Waiver of Jury Trial.**

(i) **Proceedings.** Each party irrevocably agrees for the exclusive benefit of the other that any and all suits, actions or proceedings relating to this Agreement, the Executive's employment with the Company or any termination of such employment (collectively, "**Proceedings**") and, individually, a "**Proceeding**") shall be maintained in either the courts of the State of Delaware or the federal District Courts sitting in Wilmington, Delaware (collectively, the "**Chosen Courts**") and that the Chosen Courts shall have exclusive jurisdiction to hear, determine or settle any Proceeding and any Proceedings shall only be brought in the Chosen Courts. Each party irrevocably waives any objection that it may have now or hereafter to the laying of the venue of any Proceeding in the Chosen Courts and any claim that any Proceedings have been brought in an inconvenient forum and further irrevocably agrees that a judgment in any Proceeding brought in the Chosen Courts shall be conclusive and binding upon it and may be enforced in the courts of any other jurisdiction. Each of the parties hereto agrees that this Agreement involves at least \$100,000 and that this Agreement has been entered into in express reliance on Section 2708 of Title 6 of the Delaware Code. Each of the parties hereto irrevocably and unconditionally agrees (i) that, to the extent such party is not otherwise subject to service of process in the State of Delaware, it will appoint (and maintain an agreement with respect to) an agent in the State of Delaware as such party's agent for acceptance of legal process and notify the other parties hereto of the name and address of said agent, (ii) that service of process may also be made on such party by pre-paid certified mail with a validated proof of mailing receipt constituting evidence of valid service sent to such party at the address set forth in this Agreement, as such address may be changed from time to time pursuant hereto, and (iii) that service made pursuant to clause (i) or (ii) above shall, to the fullest extent permitted by applicable law, have the same legal force and effect as if served upon such party personally within the State of Delaware.

(ii) **Disputes.** Before initiating any legal action to resolve disputes arising from this Agreement, other than equitable relief, which may be pursued immediately, the parties shall comply with the dispute resolution process set out in this Section. The Company and the Executive shall attempt in good faith to resolve each applicable dispute that arises between them related to this Agreement within fifteen (15) days after their first meeting regarding such dispute (or such longer time as such parties may agree in writing). If the Company and the Executive are unable to resolve such dispute within fifteen (15) days after their first meeting regarding such dispute (or such longer time as such parties may agree in writing), the dispute shall be mediated within thirty (30) days from the date a written request for mediation is made by either party under the applicable Mediation Rules of the American Arbitration Association. The mediation shall take place in the county where the Company's principal offices are then located. The mediation shall be conducted before a single mediator to be agreed upon by the parties. If the parties cannot agree on the mediator, each party shall select a mediator and such mediators shall together unanimously select a neutral mediator who will conduct the mediation. Each party shall bear the fees and expenses of its mediator and the parties shall equally bear the fees and expenses of the final mediator, if any. If the parties are unable to entirely resolve their dispute through the mediation process, then the parties may submit any unresolved matters for determination pursuant to Section 9(l)(i).

(iii) **Waiver of Jury Trial.** EACH PARTY HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY SUIT, ACTION OR OTHER PROCEEDING INSTITUTED BY OR AGAINST SUCH PARTY IN RESPECT OF ITS RIGHTS OR OBLIGATIONS HEREUNDER.

(m) **Key-Man Insurance.** The Company and its subsidiaries shall have the option, but not the obligation, to obtain on the life of the Executive, pay all premium amounts related to, and maintain, "key employee" insurance naming one or more of the Employer Group members as beneficiaries. Selection of such insurance policy shall be in the sole and absolute discretion of the Company. The Executive shall cooperate fully with the Company and the insurer in applying for, obtaining and maintaining such life insurance, by executing and delivering such further and other documents as the Company or the insurer may request from time to time, and doing all matters and things which may be convenient or necessary to obtain such insurance, including submitting to any physical examinations and providing any medical information required by the insurer.

(n) **Prevailing Party; Cumulative Remedies.** If any claim is brought for the enforcement of or in connection with this Agreement, the successful or prevailing party or parties shall be entitled to recover reasonable attorneys' fees, court costs and all expenses even if not taxable as court costs (including all such fees, costs and expenses incident to arbitration, appellate, bankruptcy and post-judgment proceedings), incurred in that claim, in addition to any other relief to which such party or parties may be entitled. Each remedy provided to either party pursuant to this Agreement is intended not to be exclusive of any other remedy available to such party pursuant to this Agreement and shall be in addition to every other remedy available to such party. No single or partial exercise by either party of any right, power or remedy provided pursuant to this Agreement shall disallow or preclude any additional exercise of such right, power or remedy by such party.

(o) **Section 409A of the Code.**

(i) **Compliance.** The intent of the parties is that payments and benefits under this Agreement are either exempt from or comply with Section 409A of the Internal Revenue Code of 1986, as amended and Treasury Regulations and interpretive guidance issued thereunder (collectively, "Section 409A") and, accordingly, to the maximum extent permitted, the Agreement shall be interpreted to that end. The parties acknowledge and agree that the interpretation of Section 409A and its application to the terms of this Agreement is uncertain and may be subject to change as additional guidance and interpretations become available.

(ii) **Six Month Delay for Specified Employees.** If any payment, compensation or other benefit provided to the Executive in connection with the Executive's employment termination is determined, in whole or in part, to constitute "nonqualified deferred compensation" within the meaning of Section 409A and the Executive is at the relevant time a "specified employee" as defined in Section 409A, no part of such payments shall be paid before the day that is six (6) months plus one (1) day after the Executive's date of termination or, if earlier, the Executive's death (the "New Payment Date"). The aggregate of any payments that otherwise would have been paid to the Executive during the period between the date of termination and the New Payment Date shall be paid to the Executive in a lump sum on such New Payment Date. Thereafter, any payments that remain outstanding as of the day immediately following the New Payment Date shall be paid without delay over the time period originally scheduled, in accordance with the terms of this Agreement.

(iii) **Termination as a Separation from Service.** A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits subject to Section 409A upon or following a termination of employment until such termination is also a "separation from service" within the meaning of Section 409A, and for purposes of any such provision of this Agreement, references to a "resignation," "termination," "terminate," "termination of employment" or like terms shall mean separation from service.

(iv) **Payments for Reimbursements and In-Kind Benefits.** All reimbursements for costs and expenses under this Agreement shall be paid in no event later than the end of the calendar year following the calendar year in which the Executive incurs such expense. With regard to any provision herein that provides for reimbursement of costs and expenses or in-kind benefits, except as permitted by Section 409A, (x) the right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit, and (y) the amount of expenses eligible for reimbursements or in-kind benefits provided during any taxable year shall not affect the expenses eligible for reimbursement or in-kind benefits to be provided in any other taxable year.

(v) **Payments within Specified Number of Days.** Whenever a payment under this Agreement specifies a payment period with reference to a number of days (e.g., “payment shall be made within thirty (30) days following the date of termination”), the actual date of payment within the specified period shall be decided at the sole discretion of the Company. In the event any payment is due and payable under this Agreement on a non-business day, to the fullest extent permitted by applicable law, such payment may be made on the first business day following such due date.

(vi) **Installments as Separate Payment.** If under this Agreement, an amount is paid in two or more installments, for purposes of Section 409A, each installment shall be treated as a separate payment.

(p) **Interpretation.** The recitals set forth in this Agreement are true and correct and are hereby incorporated into this Agreement. In this Agreement, unless a clear contrary intention appears (i) the singular number includes the plural number and vice versa, (ii) reference to any gender includes each other gender, (iii) reference to any agreement, document or instrument means such agreement, document or instrument as amended or modified and in effect from time to time in accordance with the terms thereof, (iv) reference to any law means such law as amended, modified, codified, replaced or reenacted, in whole or in part, and in effect from time to time, including rules and regulations promulgated thereunder, and reference to any section or other provision of any law means that provision of such law from time to time in effect and constituting the substantive amendment, modification, codification, replacement or reenactment of such section or other provision, (v) the terms “hereof”, “hereby”, “herein”, or words of similar import are used in this Agreement they shall be construed as referring to this Agreement in its entirety rather than to a particular section or provision, unless the context specifically indicates to the contrary, (vi) reference to a particular “Section” or “paragraph” shall be construed as referring to the indicated section or paragraph of this Agreement unless the context indicates to the contrary, (vii) the term “including” herein shall be construed as meaning “including without limitation”, (viii) “or” is used in the inclusive sense of “and/or”, (ix) with respect to the determination of any period of time, “from” means “from and including” and “to” means “to but excluding”, (x) references to documents, instruments or agreements shall be deemed to refer as well to all addenda, Exhibits, Schedules or amendments thereto, and (xi) all references to “Dollars” or “\$” shall mean U.S. Dollars unless otherwise specified. **EMPLOYMENT AGREEMENT**

THIS EMPLOYMENT AGREEMENT (the “Agreement”), dated as of November 4, 2020 (the “Effective Date”), is made and entered into by and between EWC Ventures, LLC, a Delaware limited liability company (the “Company”), and Jennifer Vanderveldt (the “Executive”).

WHEREAS, the Company desires to employ the Executive, and the Executive desires to be employed by the Company, on the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the mutual promises made herein and intending to be legally bound, the Company and the Executive agree as follows:

1. **Employment.** The Company hereby employs the Executive, and the Executive hereby accepts employment with the Company, on the terms and conditions set forth in this Agreement. The term of the Executive’s employment hereunder (the “Initial Term”) shall commence on or around December 7, 2020 (the actual date of commencement is referred to as the “Commencement Date”), and, unless sooner terminated as set forth in Section 5 below, shall expire on the third (3<sup>rd</sup>) anniversary of the Commencement Date; provided, that the Initial Term shall automatically renew for successive additional terms of one (1) year (each, a “Renewal Term”), unless notice of nonrenewal is given in writing by either party at least sixty (60) days prior to the expiration of the then-current term (the Initial Term and any Renewal Term(s) are hereinafter referred to as the “Term”). The Company’s and Executive’s obligations pursuant to this Agreement are conditioned upon the Executive’s commencing employment on or before December 7, 2020, and if that does not occur, the Agreement shall be void *ab initio* without liability to Executive, the Company or any of the Company’s affiliates.

2. **Title and Duties.**

(a) **Title and Duties.** The Executive will serve as Chief Financial Officer of the Company and its subsidiaries (collectively, the “Group Companies”) and will have the normal duties, responsibilities and authority of this office, subject to the power of the Board of Directors of the Company (the “Board”) and the Chief Executive Officer (the “CEO”) to expand or limit such duties, responsibilities and authority and to override the Executive’s actions. The Executive shall initially report directly to the CEO. The Executive’s duties and responsibilities shall include, without limitation, overseeing all financial and accounting matters for the Company. The Executive shall be covered by directors’ and officers’ insurance coverage on terms consistent with the coverage maintained by the Company for its officers for all claims arising from or related to Executive’s service as an officer or employee of the Company or as a fiduciary, officer or director of any subsidiary, plan or other entity at the request of the Company. Executive will be entitled to indemnification, advancement, and exculpation from the Company on terms no less favorable to Executive than consistent with those as provided as of the date hereof to Covered Persons (as such term is defined in the Second Amended and Restated Limited Liability Company Agreement of the Company, dated as of September 25, 2018).

(b) **Location of Employment.** The Executive's principal place of employment will be at the Company's headquarters or such other executive offices designated by the Company from time to time, it being understood that while the Company's headquarters are located in Plano, Texas the corporate team is currently in a remote work setting. The Executive acknowledges and understands that, when necessary, travel will be required to fully perform the Executive's duties and responsibilities hereunder. When the corporate office is reopened, the Executive acknowledges that her position requires a regular physical presence at the Company's principal offices of 4-5 business days per week. At such times, the Executive may in good faith establish her work and travel schedule, taking into account job responsibilities, the Company's business needs, available travel itineraries and other factors deemed appropriate by the Company and the Executive; provided, that the Company reserves the right to review and modify the Executive's schedule from time to time in its good faith business discretion. Repeated failures by the Executive to maintain such a regular physical presence at the Company's principal offices, wherever located, are grounds for a termination by the Company for Cause (as defined below).

3. **Full Time; Best Efforts.** The Executive will devote her best efforts and her full business time and attention to the business and affairs of the Group Companies. The Executive will not engage in any other business activity without the prior written approval of the Board, and will perform her duties and responsibilities hereunder to the Group Companies to the best of her abilities in a diligent, trustworthy and business-like manner. This provision shall not operate to prohibit the Executive from (i) serving on corporate, civic or charitable boards or committees, so long as the Executive has the prior approval of the Board or the CEO, which approval will not be unreasonably withheld, and (ii) delivering lectures or fulfilling speaking engagements, so long as the Executive has the prior approval of the Board or the CEO, which approval will not be unreasonably withheld, so long as in any case above such activities, individually or in the aggregate, do not materially interfere with the performance of the Executive's duties under this Agreement.

4. **Compensation and Benefits.**

(a) **Salary.** Commencing on the Commencement Date, the Company shall pay the Executive a base salary at the annual rate of \$375,000 (as in effect from time to time, the "**Salary**"), as reduced by all payroll deductions required by law and/or authorized by the Executive, which Salary shall be payable in equal installments in accordance with the Company's normal payroll practice and prorated during any partial year of employment. The Salary shall be subject to annual review by the Board and any increase thereof shall be within the Board's sole discretion.

(b) **Sign-On Bonus.** The Executive shall be paid a sign-on bonus of \$100,000 (the "**Sign-On Bonus**") payable within thirty (30) days following the Commencement Date. If the Executive's employment with the Company is terminated by the Company for Cause (as defined below) or the Executive resigns without Good Reason (as defined below), in either case, during the two (2) year period immediately following the Commencement Date (the "**Clawback Period**"), then the Executive shall repay to the Company within ten (10) days following the date of termination a portion of the Sign-On Bonus equal to either (A) if the termination occurs within the one (1) year period immediately following the Commencement Date, then 100% of the Sign-On Bonus, or (B) if the termination occurs beyond such one (1) year period but prior to the expiration of the Clawback Period, then the product obtained by multiplying (i) the Sign-On Bonus by (ii) a fraction, (x) the numerator of which is equal to the number of calendar days remaining in the Clawback Period, and (y) the denominator of which is 731.

(c) **Performance Bonus.** Beginning in calendar year 2021, the Executive will be eligible to participate in the Company's annual incentive bonus plan (the "**Bonus Plan**"). The target payout pursuant to the Bonus Plan shall be 50% (the "**Target Bonus Percentage**"), and the maximum payout pursuant to the Bonus Plan shall be 75%, of the Executive's Salary, in each case to the extent earned, prorated for any partial year of employment (as applicable, the "**Performance Bonus**"). The amount of any such bonus will be determined in the sole discretion of the Board, based on performance against specified objectives established by the Board and shall be paid at the same time annual bonuses are paid to other executive-level employees of the Company. The Executive must remain employed with the Company through the applicable payment date in order to earn her annual bonus.

(d) **Benefits.** The Executive will be entitled to participate in the Company's health and welfare benefit programs and vacation and other benefit programs from time to time in effect for executives of the Company generally, except to the extent that such plans are in a category of benefits otherwise provided to the Executive (*e.g.*, severance pay). Such participation shall be subject to the terms of the applicable plan documents and generally applicable Company policies, and such benefit plans or arrangements may be changed, terminated or reduced from time to time.

(e) **Reimbursement of Expenses.** The Executive shall receive prompt reimbursement of all reasonable expenses incurred in the ordinary course of business on behalf of the Company, subject to the presentation of receipts or other appropriate documentation and approval by, and in accordance with the policies established by, the Company.

(f) **Equity Award.** As soon as reasonably practicable after the Commencement Date, the Executive will be granted a number of profits interest units equal to 0.75% of the outstanding Class A common units of the Company as of the date of grant (the "**Profit Interest Units**"), of which approximately 50% will vest based on service and the remaining portion will vest based on performance (as set out in greater detail in the applicable award agreement). The Profits Interest Units shall be granted pursuant to, and in accordance with, the terms and conditions of (i) an incentive equity plan, (ii) a grant agreement, and (iii) the limited liability company agreements of the Company and a management holding vehicle through which such profits interest will be granted.

(g) **Paid Time Off.** Notwithstanding the Group Companies' standard accrual rates for Paid Time Off ("**PTO**") under their applicable Paid Time Off and Sick Leave policies in effect from time to time, Executive will initially be eligible for two hundred sixteen (216) hours of PTO subject to such policies. For full-time exempt associates, PTO may be taken for any reason, including vacation, sick days, or other personal time away from work. Group Companies provide a PTO bank in lieu of separate vacation benefits or personal day benefits or other similar programs. The PTO year runs from January 1st through December 31st, and associates accrue PTO hours proportionately each bi-weekly pay period up to their respective total eligible hours for the year. Executive will immediately begin to accrue PTO on the Commencement Date; provided, however accrued PTO will not be available until the expiration of Executive's introductory employment period for associates which is the 60-day period commencing on the Commencement Date. A copy of the Group Companies' PTO current Paid Time Off and Sick Leave policy will be provided to Executive upon the commencement of employment.

5. **Termination of Employment.** The Executive's employment shall end upon the earliest to occur of (i) the Executive's death or a termination of the Executive's employment by the Company due to Disability (as defined below), (ii) a termination of the Executive's employment by the Company for Cause (as defined below), (iii) a termination of the Executive's employment by the Company without Cause, (iv) a termination by the Executive for Good Reason (as defined below) or (v) upon thirty (30) days' written notice, a resignation by the Executive; provided, that, if the Executive gives notice of resignation pursuant to clause (v), (x) the Company may accept such resignation as of a date earlier than the end of the thirty (30) day period, and (y) the Company may put the Executive on "garden leave" for all or part of such period. Upon any termination of the Executive's employment with the Company, the Executive shall be deemed to have concurrently resigned from all other positions with the Company and its affiliates, whether as an officer, director, manager, employee, fiduciary or otherwise, and shall execute any documents reasonably required to effectuate the foregoing, and failure to do so shall result in a termination for Cause. For the avoidance of doubt, a non-renewal of the Initial Term shall not constitute a termination without Cause or a basis for resigning for Good Reason.

(a) **Benefits Payable Upon Separation.**

(i) **Death or Disability.** In the event of the termination of the Executive's employment on account of death or Disability, the Company shall pay to the Executive (or the Executive's estate) (x) all earned but unpaid Salary through such date at the rate then in effect, and (y) any accrued but unused paid time off through the date of termination (together, the "Accrued Benefits").

(ii) **Termination by the Company Without Cause or Resignation by the Executive with Good Reason.** If the Executive's employment with the Company is terminated by the Company without Cause (but not, for the avoidance of doubt, as a result of the Executive's death or Disability) or by the Executive with Good Reason, the Company shall:

1. pay to the Executive the Accrued Benefits; and
2. continue to pay the Executive's Salary for a twelve (12) month period after the Executive's employment termination date, or, if earlier, until the date on which the Executive begins new employment or service with a third party; and
3. pay to the Executive at the time described in Section 4(c), a prorated share of the amount of any Performance Bonus for the year in which the termination occurs, based on Bonus Plan targets for performance in the applicable calendar year and prorated based on the number of days the Executive was employed by the Company in the calendar year in which the termination occurs; and

4. reimburse the Executive for twelve (12) months following termination of employment, an amount equal to the COBRA premium rate for such calendar month that is in effect from time to time for continued coverage under the Company's group health plan for the Executive and the Executive's eligible dependents enrolled in such health plans at the time of termination, subject to the Executive's timely election of COBRA continuation benefits; provided, that the Company's obligation to provide such payments shall cease in the event the Executive becomes eligible for group health coverage provided by a subsequent employer.

The payments and benefits to be provided in clauses (2) through (4) above are conditioned upon the Executive's (or the Executive's estate's, if applicable) execution and delivery to the Company, within sixty (60) days of the date of termination, of a fully effective release of claims (for which the applicable revocation period has expired) in a form satisfactory to the Company and the Executive's continued compliance with the restrictive covenants set forth in Section 6. All payments and benefits set forth in clauses (2) through (4) above that would otherwise be paid prior to the sixtieth (60th) day after the Executive's termination of employment shall be paid in a lump sum as soon as reasonably practicable following the sixtieth (60th) day after the Executive's termination of employment. Further, the amounts payable to the Executive pursuant to clauses (2) through (4) above are in lieu of any severance benefits or other compensation-based payments by the Company to the Executive and are subject to Executive's continued compliance with the terms of this Agreement and any restrictive covenants applicable to the Executive.

(iii) **Termination by the Company for Cause; Resignation by the Executive without Good Reason**. In the event of a termination by the Company for Cause or the Executive's resignation without Good Reason, the Company shall pay to the Executive the Accrued Benefits.

(b) **Definitions**. For the purposes of this Agreement, the following capitalized terms shall have the following meanings:

(i) "**Cause**" means (i) the indictment, conviction of, or plea of guilty or *nolo contendere* by, the Executive to (A) a felony or (B) another crime involving moral turpitude, (ii) the Executive's commission of any act of material dishonesty or breach of trust or any act constituting fraud, embezzlement, theft, misappropriation of funds, money, assets, or other property of the Company or any of its subsidiaries or affiliates, customers, or suppliers, (iii) the Executive's attempt to willfully obtain any personal profit from any transaction in which the Executive has an interest not disclosed to the Board and that is adverse to the interests of the Company or any of its subsidiaries or affiliates, (iv) the Executive's reporting to work under the influence of alcohol or illegal drugs or repeatedly using alcohol to the point of intoxication or illegal drugs, whether or not at the workplace, (v) the Executive's failure or refusal to perform duties, or gross negligence in the performance of the Executive's duties and responsibilities, as reasonably directed by the Company or any of its subsidiaries or affiliates, other than as a result of a Disability or other approved absence, (vi) the Executive's violation of the rules, regulations, procedures, or instructions (whether written or oral) relating to the conduct of employees, directors, and/or consultants of the Company or any of its subsidiaries or affiliates (that (if capable of cure) is not cured to the Board's reasonable satisfaction within ten (10) days after written notice thereof to the Executive), (vii) the Executive's breach of any non-competition, non-disclosure, non-solicitation, or non-disparagement covenant in any agreement with the Company or any of its subsidiaries or affiliates, (viii) the Executive's improperly or illegally aiding or abetting a competitor, supplier, or customer of the Company or any of its subsidiaries or affiliates to the material disadvantage or detriment of the Company or any of its subsidiaries or affiliates, (ix) without limiting clause (vii) hereof, the Executive's material breach of any written employment or services agreement (that (if capable of cure) is not cured to the Board's reasonable satisfaction within ten (10) days after written notice thereof to the Executive), or (x) the Executive's breach of any fiduciary duty, gross negligence, or willful misconduct with respect to the Company or any of its subsidiaries or affiliates (that (if capable of cure) is not cured to the Board's reasonable satisfaction within ten (10) days after written notice thereof to the Executive). For the avoidance of doubt, and without limitation to the foregoing, any breach by the Executive of the representations set forth in this Agreement shall be deemed to constitute a breach and violation of a material term of this Agreement and shall serve as the basis for a termination of the Executive's services pursuant to clause (ix) of the definition of Cause. Notwithstanding anything to the contrary, (i) the Company shall not be required to provide advance written notice to the Executive for any act or omission constituting Cause if the Board determines in good faith that such Cause event is not reasonably capable of prompt cure or the Board determines that its fiduciary obligation requires it to effect a termination of the Executive for Cause immediately, and (ii) the Board may suspend the Executive with full pay and benefits while it conducts an inquiry of whether grounds for Cause exist.

(ii) “Disability” means the Executive’s substantial inability, due to a physical or mental condition, to perform essential functions of the Executive’s position, with or without accommodation, for a period of three (3) consecutive months or for shorter periods aggregating six (6) months during any twelve (12) month period, as determined by the Board in its good faith judgment.

(iii) “Good Reason” means a termination of the Executive’s employment with the Company by the Executive (i) following a reduction in the Executive’s Salary or Target Bonus Percentage, (ii) a relocation of the Executive’s principal place of employment or the Company’s headquarters by more than fifty (50) miles from its current location, or (iii) a material diminution of the Executive’s authority, duties, and responsibilities; provided, that, Good Reason shall not exist under this clause (ii) solely as a result in a change in the Executive’s reporting structure or if such material diminution of authority, duties, and responsibilities is a result of (1) the hiring of additional subordinates to fill some of the Executive’s duties and responsibilities, or (2) any disposition or sale of any subsidiary or division of the Company; provided, however, that, in each case, the Executive may not terminate her employment for Good Reason unless the Executive (A) provides the Company with 30 days’ advance written notice of her intent to resign for Good Reason, (B) such notice is given within 90 days following the events or circumstances claimed to give rise to Good Reason, (C) the Company fails to cure such alleged violation within 30 days after the Executive delivers such notice, (D) if the Company fails to cure such alleged violation, the Executive terminates her employment within five (5) days following the end of the 30-day cure period. The Executive understands that he may be required to travel at the request of the Company and that such travel shall not constitute Good Reason.

6. **Restrictive Covenants.** In consideration of the Company’s offer of employment to the Executive pursuant to this Agreement, and other good and valuable consideration, the receipt of which is hereby acknowledged, the Executive agrees to the covenants contained in this Section 6. For the avoidance of doubt, such covenants are in addition to, and not in lieu of, and do not amend, modify, or abrogate in any way, any other similar covenants that run in favor of the Company and its affiliates and by which the Executive is or may become bound.

(a) **Acknowledgements.** The Executive acknowledges and agrees that (i) the term “Business” means, with respect to any person, firm, corporation, or other entity, in whatever form, (1) franchising, developing, owning and operating businesses engaged in waxing, body hair removal, facial hair removal, or threading, or (2) engaging in the business of providing any other activities, products or services of the specific type conducted, authorized, offered or provided by the Employer Group (as defined below) within six (6) months prior to the termination of the Executive’s employment (the date of such termination, the “Termination Date”), (ii) the Executive has intimate and valuable knowledge of the Business, as well as technical, financial, customer, supplier and other confidential information related to the Business, which, if exploited by the Executive in contravention of the terms of this Agreement, would seriously, adversely and irreparably affect the ability of the Employer Group to continue the Business, (iii) the agreements and covenants contained in this Agreement, as they relate to the Business and otherwise, have been determined by the Employer Group to be essential to protect the Business and goodwill of the Employer Group, (iv) the Company would not enter into this Agreement but for the Executive agreeing to be bound by such agreements and covenants, and (v) the Executive has the means to support herself and her dependents other than by engaging in the Business, and the provisions of this Agreement will not impair such ability in any manner whatsoever. For purposes of this Agreement, “Employer Group” shall mean the Company and any direct or indirect subsidiary of EWC Management Holdco, LLC.

(b) **Non-Competition.** During the period of the Executive's employment and through the second (2<sup>nd</sup>) anniversary of the Termination Date (such period, the "Restricted Period"), the Executive shall not, either directly or indirectly (and whether or not for compensation) (i) engage in the Business for the Executive's own account in any state of the United States and in any other country, in each case as of the Termination Date, in which the Employer Group (1) then conducts business, (2) has plans to conduct business within the Restricted Period or (3) has taken meaningful steps designed to conduct business in the future, even if the Employer Group's plan to conduct business in such country would commence after the expiration of the Restricted Period (the "Restricted Territory"), (ii) render any services to or for any person or entity engaged in the Business in any part of the Restricted Territory, (iii) acquire a financial interest in, or otherwise become actively involved with, any person or entity engaged in the Business in any part of the Restricted Territory, as an individual, partner, stockholder, member, officer, director, employee, principal, agent, trustee or consultant, or (iv) interfere with business relationships between the Employer Group or any direct or indirect parent or subsidiary thereof (each, a "Protected Party" and collectively, the "Protected Parties"), on the one hand, and employees, clients or suppliers of, or consultants to, any Protected Party, on the other hand. Notwithstanding anything to the contrary in this Agreement, the Executive may, directly or indirectly, own, solely through passive ownership as a portfolio investment (with no director designation rights or other special governance rights), securities of any person engaged in the Business which are publicly traded on a national or regional stock exchange or over-the-counter if the Executive (i) is not a controlling person of, or a member of a group which controls, such person and (ii) does not, directly or indirectly, own 2% or more of any class of securities of such person.

(c) **Non-Solicitation.** During the Restricted Period and without written consent of the Company, the Executive shall not, either directly or indirectly, (i) solicit or hire, or attempt to solicit or hire, any person who the Executive knows, or should have known, is (or within six (6) months prior to the Termination Date has been) an employee of, or consultant to, any Protected Party, or (ii) solicit or encourage any person which is (or within the six (6) months prior to the Termination Date has been) a vendor or customer of any Protected Party to terminate or diminish its relationship with them, or otherwise alter such relationship in any manner that is adverse to any Protected Party. Notwithstanding the foregoing, this Section 6(c) shall not prohibit the Executive from making general solicitations of employment that are not specifically targeted at any such employee or consultant, or soliciting or hiring any such person who responds to any such general solicitation or who approaches the Executive without having been solicited in a manner prohibited hereby.

(d) **Nondisclosure.** The Executive hereby agrees to hold in confidence all Confidential Information of the Employer Group that came into the Executive's knowledge during the Executive's employment with the Employer Group and will not disclose, publish or make use of such Confidential Information without the prior written consent of the Company for as long as the information remains Confidential Information other than in connection with the performance of the Executive's duties to the Employer Group. For purposes hereof, "**Confidential Information**" means any data or information that is valuable to any member of the Employer Group (or, if owned by someone else, is valuable to that third party) and not generally known or available to the public or to competitors in the industry, including, but not limited to, any nonpublic information (regardless of whether in writing or retained as personal knowledge) pertaining to research and development; product costs, designs and processes; equityholder information; pricing, cost, or profit factors; formulas or recipes; quality programs; annual budget and long-range business plans; marketing plans and methods; contracts and bids; business ideas and methods, store concepts, inventions, innovations, developments, graphic designs, website designs, patterns, specifications, procedures, databases and personnel; and trade secrets.

(e) **Nondisparagement.** During the Executive's employment with the Company and thereafter, the Executive shall not, directly or indirectly, take any action, or encourage others to take any action, to disparage or criticize any member of the Employer Group or their respective employees, officers, directors, managers, products, services, customers or owners. The foregoing shall not be violated by the Executive's truthful responses to legal process, inquiry by a governmental authority or to incorrect, disparaging or derogatory public statements to the extent reasonably necessary to correct or refute such public statements.

(f) **Assignment of Inventions.** The Executive hereby assigns and agrees to assign in the future to the Company and its affiliates all of the Executive's right, title and interest, if any, in and to any and all "**Inventions**" (which is defined to include any new or useful process, machine, manufacture, composition of matter, or any new and useful improvement thereof, and all Proprietary Rights with respect thereto), whether or not patentable or registrable under copyright or similar statutes, made or conceived or reduced to practice or learned by the Executive, either alone or jointly with others, during the period of the Executive's affiliation with the Company or any predecessor thereof, as a member or stockholder, officer, director, agent, consultant or employee, in each case, pertaining in any manner to the business of the Company, or any of its affiliates. The Executive hereby further assigns and agrees to assign in the future (when any such Inventions or Proprietary Rights are first reduced to practice or first fixed in a tangible medium, as applicable) to the Company and its affiliates all of the Executive's right, title and interest in and to any and all Inventions (and all Proprietary Rights with respect thereto) whether or not patentable or registrable under copyright or similar statutes, made or conceived or reduced to practice or learned by the Executive, either alone or jointly with others, during the period of the Executive's employment, or for a six (6) month period thereafter, with the Company or its affiliates, in each case, pertaining in any manner to the business of the Company or any of its affiliates. The term "**Proprietary Rights**" shall mean all trade secret, patent, copyright, mask work and other intellectual property rights throughout the world. Inventions assigned to the Company, or to a third party as directed by the Company pursuant to this **Section 6**, are hereinafter referred to as "**Company Inventions**." At the Company's sole cost and expense, the Executive will assist the Company at its reasonable request in every proper way to obtain, and from time to time enforce, U.S. and non-U.S. Proprietary Rights relating to Company Inventions in any and all countries. In the event the Company is unable for any reason, after reasonable effort, to secure the Executive's signature on any document needed in connection with the actions specified in the preceding sentence, the Executive hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as the Executive's agent and attorney in fact, which appointment is coupled with an interest, to act for and in the Executive's behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of this paragraph with the same legal force and effect as if executed by the Executive. The Executive hereby waives and quitclaims to the Company any and all claims, of any nature whatsoever, which the Executive now or may hereafter have for infringement of any Proprietary Rights assigned hereunder to the Company.

(g) **Works for Hire; Obligation to Keep Company Informed.** The Executive acknowledges that all original works of authorship which are made by the Executive (solely or jointly with others) within the scope of the Executive's services to the Employer Group and its affiliates and which are protectable by copyright are "works made for hire," pursuant to the United States Copyright Act (17 U.S.C. § 101, *et. seq.*). The Executive will promptly disclose to the Company all patent applications filed by the Executive or on the Executive's behalf during the Executive's employment and within two (2) years after termination of the Executive's employment.

(h) **Tolling.** The Restricted Period shall be tolled and extended by the length of the Executive's breach of any of the covenants contained in this Section 6, to the extent permitted by law.

(i) **Reasonableness of Restrictions.** The Executive has carefully considered the nature and extent of the restrictions contained in this Section 6 and the rights and remedies conferred upon the Company under this Agreement, and hereby acknowledges and agrees that the same are reasonable in time and territory and that sufficient consideration is being provided to the Executive in exchange for the same.

(j) **Legal and Equitable Remedies.** The Executive acknowledges that the Executive's services are personal and unique, and that the Executive has had or will have access to and become acquainted with the Proprietary Rights and Confidential Information of the Company and its affiliates. The Executive further acknowledges and agrees that irreparable injury will result to the Company and its affiliates and its goodwill if Executive breaches any of the terms of the covenants set forth in this Section 6, the exact amount of which will be difficult or impossible to ascertain, and that remedies at law would be an inadequate remedy for any breach. Accordingly, the Executive hereby agrees that, in the event of the Executive's breach of any of the covenants contained in this Section 6, in addition to any other remedy which may be available at law or in equity, the Company and its affiliates shall be entitled to seek specific performance and injunctive relief, without bond or other security and without prejudice to any other rights and remedies that the Company and its affiliates may have for a breach of this Agreement.

(k) **Independent Enforcement; Blue Pencil.** Each of the covenants set forth in this Section 6 shall be construed as an agreement independent of (i) each of the other covenants set forth in this Section 6, (ii) any other agreements, or (iii) any other provision in this Agreement. If any one or more of the provisions contained in this Section 6 shall for any reason be held to be excessively broad as to duration, geographical scope, activity or subject, it shall be construed by limiting and reducing it, so as to be enforceable to the extent compatible with applicable law.

(l) **Whistleblower Acknowledgement.** Notwithstanding anything to the contrary contained herein, nothing in this Agreement shall prohibit the Executive from reporting possible violations of federal law or regulation to or otherwise cooperating with or providing information requested by any governmental agency or entity, including, but not limited to, the Department of Justice, the Securities and Exchange Commission, the Congress, and any agency Inspector General, or making other disclosures that are protected under the whistleblower provisions of federal law or regulation. The Executive does not need the prior authorization of the Company to make any such reports or disclosures and the Executive is not required to notify the Company that the Executive has made such reports or disclosures.

(m) **Defend Trade Secrets Act Acknowledgment.** Notwithstanding anything to the contrary contained herein, pursuant to the Defend Trade Secrets Act of 2016, the Executive shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that: (A) is made (i) in confidence to a Federal, state, or local government official, either directly or indirectly, or to an attorney, and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. The Executive also understands that if he files a lawsuit for retaliation by the Company for reporting a suspected violation of law, the Executive may disclose the trade secret to her attorney and use the trade secret information in the court proceeding, if the Executive (i) files any document containing the trade secret under seal, and (ii) does not disclose the trade secret, except pursuant to court order.

7. **Surrender of Materials Upon Termination.** Upon any termination of the Executive's employment, regardless of the reason and who is the terminating party, the Executive shall promptly (and in any event within five (5) days) return to the Company: (a) any property of the Employer Group that is in the Executive's possession, custody or control, including any applicable files, forms, brochures, books, materials, written correspondence, memoranda, documents, manuals, computer disks, software products and lists (including financial and other information and lists of customers, suppliers, products and prices), and other materials and equipment provided by any member of the Employer Group, such as access cards, identification cards, employer credit cards, computers, cell/smart phones, manuals and removable information storage devices, and (b) all documents and materials that the Executive has prepared in connection with the Executive's duties under this Agreement. Without limiting the foregoing, the Executive shall delete or destroy, to the extent the Executive possesses any network credentials, files, data, or information relating in any way to any member of the Employer Group or their respective businesses on any non-Employer Group devices, networks, personal computers, storage locations or media in the Executive's possession, custody or control that are not being returned to the Company, each and every file, data, or information relating in any way to any member of the Employer Group or their respective businesses (and will retain no copies in any form). The Executive agrees not to make, for personal or business use or that of any other person, reproductions or copies of any such property or other property of any member of the Employer Group. For the avoidance of doubt, the Executive may retain copies of all materials that are owned by the Executive.

8. **Executive Acknowledgements.** The Executive hereby represents and warrants that the execution of this Agreement and the performance of the Executive's obligations hereunder does not breach and is not in conflict with any other agreement to which the Executive is a party or is bound and that the Executive is not now subject to any covenants against competition or similar covenants that would affect the performance of the Executive's obligations hereunder. The Executive will not disclose to or use on behalf of the Company or its affiliates any proprietary information of a third party without such party's consent. The Executive further acknowledges that the Employer Group may utilize the Executive's name, likeness, voice, image, appearance, biographical information or other characteristics in, on or in connection with any pictures, photographs, audio and video recordings, digital images, websites, social media pages, television programs and advertising, other advertising and publicity, sales and marketing brochures, books, magazines, other publications, and all other printed and electronic forms and media throughout the world, at any time during or after the period of the Executive's employment with the Company, for all legitimate commercial and business purposes of any member of the Employer Group. The Executive hereby consents to the use of such characteristics by the Employer Group and releases the Employer Group and their respective directors, officers, managers, employees, contractors, representatives and agents from any claims, actions, damages, losses, costs, expenses and liability of any kind, arising under any legal or equitable theory whatsoever at any time during or after the period of the Executive's employment by the Company, in connection with any use permitted by this Agreement.

9. **Miscellaneous.**

(a) **Validity and Enforceability.** The invalidity or unenforceability of any provision or provisions of this Agreement shall not affect the validity or enforceability of any other provision or provisions of this Agreement, which shall remain in full force and effect. If any provision of this Agreement is held to be invalid, void or unenforceable in any jurisdiction, any court so holding shall substitute a valid, enforceable provision that preserves, to the maximum lawful extent, the terms and intent of such provisions of this Agreement.

(b) **Binding Effect.** This Agreement shall be binding on and inure to the benefit of the Company and any person or entity that succeeds to the interest of the Company (regardless of whether such succession does or does not occur by operation of law) by reason of the sale of all or a portion of the Company's membership interests or stock, a merger, consolidation or reorganization involving the Company or a sale of the assets of the business of the Company (or portion thereof) in which the Executive performs a majority of the Executive's services. This Agreement shall also inure to the benefit of the Executive's heirs, executors, administrators and legal representatives.

(c) **Assignment.** This Agreement, and the Executive's rights and obligations hereunder, may not be assigned by the Executive. Any successor to the Company's business shall expressly assume the Company's obligations hereunder unless such assumption occurs by operation of law. The Company may assign its rights, together with its obligations, hereunder without the Executive's consent in connection with any sale, transfer or other disposition of all or substantially all of the business assets with respect to which the Executive is performing a majority of the Executive's services at any such time, or in the event that the Company shall hereafter effect a reorganization, consolidate with, or merge into any other entity that is an affiliate of the Company or transfer all or substantially all of its properties or assets to any other person or entity that is an affiliate of the Company.

(d) **Entire Agreement; Acknowledgment of Negotiated Terms.** This Agreement (including all of its exhibits and each of the agreements referenced in this Agreement) constitutes the entire agreement between the parties hereto with respect to the matters referred to herein. No other agreement relating to the terms of the Executive's employment by the Company, oral or otherwise, shall be binding between the parties unless it is in writing and signed by the party against whom enforcement is sought. For the avoidance of doubt, this Agreement shall not in any way supersede the terms of any applicable Profits Interests Award agreement. The Executive acknowledges that this is a negotiated agreement, and that in no event shall the terms of this Agreement be construed against Company on the basis that Company, or its counsel, drafted this Agreement. From time to time, the Executive may, either before or after the Effective Date, become bound by other Company standard confidentiality or non-interference obligations in connection with the Executive's employment, including, by way of example and not limitation, by acknowledging and agreeing to terms of the Employer Group employment handbooks and confidentiality agreements executed pursuant thereto. Again for the avoidance of doubt, such covenants in this Agreement are in addition to, and not in lieu of, and do not amend, modify, or abrogate in any way, any other similar covenants that run in favor of the Company and its affiliates and by which the Executive is bound or may become bound. The Executive shall be bound by the most restrictive obligation then applicable, provided that nothing in this Section 9(f) shall require Executive to enter into any agreement that would expand the time, scope of activity, or geographic scope of the restrictive covenants provided in Section 6(a)-(c). Regardless of anything expressed anywhere in this Agreement, all obligations of the Executive and the Company to the other party that by their nature should survive the termination or expiration of this Agreement shall survive until fulfilled, or if shorter, the survival period expressly provided herein.

(e) **Waiver.** Waiver by any party hereto of any breach or default by the other party of any of the terms of this Agreement shall not operate as a waiver of any other breach or default, whether similar to or different from the breach or default waived. No waiver of any provision of this Agreement shall be implied from any course of dealing between the parties hereto or from any failure by either party hereto to assert its or her rights hereunder on any occasion or series of occasions.

(f) **Notices.** Any notice required or desired to be delivered under this Agreement shall be in writing and shall be delivered personally, by courier service, by registered or certified mail, return receipt requested, postage prepaid, or by electronic mail or any other electronic means (e-mail or any other electronic means shall constitute a writing for purposes of this Agreement; provided that receipt of such notice sent by e-mail or any other electronic means is confirmed by the recipient) and shall be effective upon actual receipt by the party to which such notice shall be directed; provided, that, a refusal by a party to accept delivery shall constitute receipt. Notices shall be addressed as follows (or to such other address as the party entitled to notice shall hereafter designate in accordance with the terms hereof):

If to the Company: to the address of the Company's headquarters, c/o the Company's Chief Executive Officer.

If to the Executive: to the address then reflected in the Company's records.

(g) **Amendments.** This Agreement may not be altered, modified or amended except by a written instrument signed by each of the parties hereto.

(h) **Headings.** Headings to paragraphs in this Agreement are for the convenience of the parties only and are not intended to be part of or to affect the meaning or interpretation hereof.

(i) **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. The exchange of copies of this Agreement and of signature pages by facsimile transmission or other electronic means shall constitute effective execution and delivery of this Agreement as to the parties and may be used in lieu of the original Agreement for all purposes.

(j) **Withholding.** Any payments provided for herein shall be reduced by any amounts required to be withheld by the Company from time to time under applicable federal, state or local income or employment tax laws or similar statutes or other provisions of law then in effect.

(k) **Governing Law.** It is the intent of the parties hereto that all questions with respect to the construction of this Agreement and the rights and liabilities of the parties hereunder shall be determined in accordance with the laws of the State of Delaware, without regard to principles of conflicts of laws thereof that would call for the application of the substantive law of any jurisdiction other than the State of Delaware.

(l) **Dispute Resolution; Waiver of Jury Trial.**

(i) **Proceedings.** Each party irrevocably agrees for the exclusive benefit of the other that any and all suits, actions or proceedings relating to this Agreement, the Executive's employment with the Company or any termination of such employment (collectively, "**Proceedings**") and, individually, a "**Proceeding**") shall be maintained in either the courts of the State of Delaware or the federal District Courts sitting in Wilmington, Delaware (collectively, the "**Chosen Courts**") and that the Chosen Courts shall have exclusive jurisdiction to hear, determine or settle any Proceeding and any Proceedings shall only be brought in the Chosen Courts. Each party irrevocably waives any objection that it may have now or hereafter to the laying of the venue of any Proceeding in the Chosen Courts and any claim that any Proceedings have been brought in an inconvenient forum and further irrevocably agrees that a judgment in any Proceeding brought in the Chosen Courts shall be conclusive and binding upon it and may be enforced in the courts of any other jurisdiction. Each of the parties hereto agrees that this Agreement involves at least \$100,000 and that this Agreement has been entered into in express reliance on Section 2708 of Title 6 of the Delaware Code. Each of the parties hereto irrevocably and unconditionally agrees (i) that, to the extent such party is not otherwise subject to service of process in the State of Delaware, it will appoint (and maintain an agreement with respect to) an agent in the State of Delaware as such party's agent for acceptance of legal process and notify the other parties hereto of the name and address of said agent, (ii) that service of process may also be made on such party by pre-paid certified mail with a validated proof of mailing receipt constituting evidence of valid service sent to such party at the address set forth in this Agreement, as such address may be changed from time to time pursuant hereto, and (iii) that service made pursuant to clause (i) or (ii) above shall, to the fullest extent permitted by applicable law, have the same legal force and effect as if served upon such party personally within the State of Delaware.

(ii) **Disputes.** Before initiating any legal action to resolve disputes arising from this Agreement, other than equitable relief, which may be pursued immediately, the parties shall comply with the dispute resolution process set out in this Section. The Company and the Executive shall attempt in good faith to resolve each applicable dispute that arises between them related to this Agreement within fifteen (15) days after their first meeting regarding such dispute (or such longer time as such parties may agree in writing). If the Company and the Executive are unable to resolve such dispute within fifteen (15) days after their first meeting regarding such dispute (or such longer time as such parties may agree in writing), the dispute shall be mediated within thirty (30) days from the date a written request for mediation is made by either party under the applicable Mediation Rules of the American Arbitration Association. The mediation shall take place in the county where the Company's principal offices are then located. The mediation shall be conducted before a single mediator to be agreed upon by the parties. If the parties cannot agree on the mediator, each party shall select a mediator and such mediators shall together unanimously select a neutral mediator who will conduct the mediation. Each party shall bear the fees and expenses of its mediator and the parties shall equally bear the fees and expenses of the final mediator, if any. If the parties are unable to entirely resolve their dispute through the mediation process, then the parties may submit any unresolved matters for determination pursuant to Section 9(l)(i).

(iii) **Waiver of Jury Trial.** EACH PARTY HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY SUIT, ACTION OR OTHER PROCEEDING INSTITUTED BY OR AGAINST SUCH PARTY IN RESPECT OF ITS RIGHTS OR OBLIGATIONS HEREUNDER.

(m) **Key-Man Insurance.** The Company and its subsidiaries shall have the option, but not the obligation, to obtain on the life of the Executive, pay all premium amounts related to, and maintain, "key employee" insurance naming one or more of the Employer Group members as beneficiaries. Selection of such insurance policy shall be in the sole and absolute discretion of the Company. The Executive shall cooperate fully with the Company and the insurer in applying for, obtaining and maintaining such life insurance, by executing and delivering such further and other documents as the Company or the insurer may request from time to time, and doing all matters and things which may be convenient or necessary to obtain such insurance, including submitting to any physical examinations and providing any medical information required by the insurer.

(n) **Prevailing Party; Cumulative Remedies.** If any claim is brought for the enforcement of or in connection with this Agreement, the successful or prevailing party or parties shall be entitled to recover reasonable attorneys' fees, court costs and all expenses even if not taxable as court costs (including all such fees, costs and expenses incident to arbitration, appellate, bankruptcy and post-judgment proceedings), incurred in that claim, in addition to any other relief to which such party or parties may be entitled. Each remedy provided to either party pursuant to this Agreement is intended not to be exclusive of any other remedy available to such party pursuant to this Agreement and shall be in addition to every other remedy available to such party. No single or partial exercise by either party of any right, power or remedy provided pursuant to this Agreement shall disallow or preclude any additional exercise of such right, power or remedy by such party.

(o) **Section 409A of the Code.**(i)**Compliance.** The intent of the parties is that payments and benefits under this Agreement are either exempt from or comply with Section 409A of the Internal Revenue Code of 1986, as amended and Treasury Regulations and interpretive guidance issued thereunder (collectively, "Section 409A") and, accordingly, to the maximum extent permitted, the Agreement shall be interpreted to that end. The parties acknowledge and agree that the interpretation of Section 409A and its application to the terms of this Agreement is uncertain and may be subject to change as additional guidance and interpretations become available.

(ii) **Six Month Delay for Specified Employees.** If any payment, compensation or other benefit provided to the Executive in connection with the Executive's employment termination is determined, in whole or in part, to constitute "nonqualified deferred compensation" within the meaning of Section 409A and the Executive is at the relevant time a "specified employee" as defined in Section 409A, no part of such payments shall be paid before the day that is six (6) months plus one (1) day after the Executive's date of termination or, if earlier, the Executive's death (the "New Payment Date"). The aggregate of any payments that otherwise would have been paid to the Executive during the period between the date of termination and the New Payment Date shall be paid to the Executive in a lump sum on such New Payment Date. Thereafter, any payments that remain outstanding as of the day immediately following the New Payment Date shall be paid without delay over the time period originally scheduled, in accordance with the terms of this Agreement.

(iii) **Termination as a Separation from Service.** A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits subject to Section 409A upon or following a termination of employment until such termination is also a "separation from service" within the meaning of Section 409A, and for purposes of any such provision of this Agreement, references to a "resignation," "termination," "terminate," "termination of employment" or like terms shall mean separation from service.

(iv) **Payments for Reimbursements and In-Kind Benefits.** All reimbursements for costs and expenses under this Agreement shall be paid in no event later than the end of the calendar year following the calendar year in which the Executive incurs such expense. With regard to any provision herein that provides for reimbursement of costs and expenses or in-kind benefits, except as permitted by Section 409A, (x) the right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit, and (y) the amount of expenses eligible for reimbursements or in-kind benefits provided during any taxable year shall not affect the expenses eligible for reimbursement or in-kind benefits to be provided in any other taxable year.

(v) **Payments within Specified Number of Days.** Whenever a payment under this Agreement specifies a payment period with reference to a number of days (e.g., “payment shall be made within thirty (30) days following the date of termination”), the actual date of payment within the specified period shall be decided at the sole discretion of the Company. In the event any payment is due and payable under this Agreement on a non-business day, to the fullest extent permitted by applicable law, such payment may be made on the first business day following such due date.

(vi) **Installments as Separate Payment.** If under this Agreement, an amount is paid in two or more installments, for purposes of Section 409A, each installment shall be treated as a separate payment.

(p) **Interpretation.** The recitals set forth in this Agreement are true and correct and are hereby incorporated into this Agreement. In this Agreement, unless a clear contrary intention appears (i) the singular number includes the plural number and vice versa, (ii) reference to any gender includes each other gender, (iii) reference to any agreement, document or instrument means such agreement, document or instrument as amended or modified and in effect from time to time in accordance with the terms thereof, (iv) reference to any law means such law as amended, modified, codified, replaced or reenacted, in whole or in part, and in effect from time to time, including rules and regulations promulgated thereunder, and reference to any section or other provision of any law means that provision of such law from time to time in effect and constituting the substantive amendment, modification, codification, replacement or reenactment of such section or other provision, (v) the terms “hereof”, “hereby”, “herein”, or words of similar import are used in this Agreement they shall be construed as referring to this Agreement in its entirety rather than to a particular section or provision, unless the context specifically indicates to the contrary, (vi) reference to a particular “Section” or “paragraph” shall be construed as referring to the indicated section or paragraph of this Agreement unless the context indicates to the contrary, (vii) the term “including” herein shall be construed as meaning “including without limitation”, (viii) “or” is used in the inclusive sense of “and/or”, (ix) with respect to the determination of any period of time, “from” means “from and including” and “to” means “to but excluding”, (x) references to documents, instruments or agreements shall be deemed to refer as well to all addenda, Exhibits, Schedules or amendments thereto, and (xi) all references to “Dollars” or “\$” shall mean U.S. Dollars unless otherwise specified. #### 4. Administration.

(a) Authority of the Committee. The Committee shall administer the Plan, and shall have the sole and plenary authority to (i) designate Participants, (ii) determine the type, size, and terms and conditions of Awards to be granted and to grant such Awards (including Substitute Awards), (iii) determine the method by which an Award may be settled, exercised, canceled, forfeited, suspended or repurchased by the Company, (iv) determine the circumstances under which the delivery of cash, property or other amounts payable with respect to an Award may be deferred, either automatically or at the Participant’s or Committee’s election, (v) interpret, administer, reconcile any inconsistency in, correct any defect in and supply any omission in the Plan and any Award granted under the Plan, (vi) establish, amend, suspend, or waive any rules and regulations and appoint such agents as the Committee shall deem appropriate for the proper administration of the Plan, (vii) accelerate or modify the vesting, delivery or exercisability of, or payment for or lapse of restrictions on, or waive any condition in respect of, Awards and (viii) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan or to comply with any applicable law. To the extent determined by the Board and/or required to comply with the provisions of Rule 16b-3 promulgated under the Exchange Act (if applicable and if the Board is not acting as the Committee under the Plan), or any exception or exemption under applicable securities laws or the applicable rules of the NASDAQ or any other securities exchange or inter-dealer quotation service on which the Shares are listed or quoted, as applicable, it is intended that each member of the Committee shall, at the time such member takes any action with respect to an Award under the Plan, be (1) a “non-employee director” within the meaning of Rule 16b-3 promulgated under the Exchange Act and/or (2) an “independent director” under the rules of the NASDAQ or any other securities exchange or inter-dealer quotation service on which the Shares are listed or quoted, or a person meeting any similar requirement under any successor rule or regulation (“**Eligible Director**”). However, the fact that a Committee member shall fail to qualify as an Eligible Director shall not invalidate any Award granted or action taken by the Committee that is otherwise validly granted or taken under the Plan.

(b) Delegation. The Committee may delegate all or any portion of its responsibilities and powers to any person(s) selected by it, except for grants of Awards to persons who are members of the Board or are otherwise subject to Section 16 of the Exchange Act. To the extent permitted by applicable law, including under Section 157(c) of the Delaware General Corporation Law, the Committee may delegate to one or more officers of the Company the authority to grant Options, SARs, Restricted Stock Units or other Awards in the form of rights to Shares, except that such delegation shall not be applicable to any Award for a Person then covered by Section 16 of the Exchange Act, and the Committee may delegate to one or more committees of the Board (which may consist of solely one Director) the authority to grant all types of awards, in accordance with applicable law. Any such delegation may be revoked by the Committee at any time.

(c) International Participants. As further set forth in Section 15(g) of the Plan, the Committee shall have the authority to amend the Plan and Awards to the extent necessary to permit participation in the Plan by Eligible Persons who are located outside of the United States or are subject to laws outside of the United States on terms and conditions comparable to those afforded to Eligible Persons located within the United States; provided, however, that no such action shall be taken without stockholder approval if such approval is required by applicable securities laws or regulations or NASDAQ listing guidelines.

(d) Decisions Binding. Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations, and other decisions regarding the Plan or any Award or any documents evidencing Awards granted pursuant to the Plan shall be within the sole discretion of the Committee, may be made at any time and shall be final, conclusive and binding upon all persons and entities, including, without limitation, the Company, any Affiliate, any Participant, any holder or beneficiary of any Award and any stockholder of the Company.

(e) Limitation of Liability. No member of the Board or the Committee, nor any employee or agent of the Company (each such person, an “**Indemnifiable Person**”), shall be liable for any action taken or omitted to be taken or any determination made with respect to the Plan or any Award hereunder (unless constituting fraud or a willful criminal act or willful criminal omission). Each Indemnifiable Person shall be indemnified and held harmless by the Company against and from any loss, cost, liability or expense (including attorneys’ fees) that may be imposed upon or incurred by such Indemnifiable Person in connection with or resulting from any action, suit or proceeding to which such Indemnifiable Person may be involved as a party, witness or otherwise by reason of any action taken or omitted to be taken or determination made under the Plan or any Award Agreement and against and from any and all amounts paid by such Indemnifiable Person with the Company’s approval (not to be unreasonably withheld), in settlement thereof, or paid by such Indemnifiable Person in satisfaction of any judgment in any such action, suit or proceeding against such Indemnifiable Person, and the Company shall advance to such Indemnifiable Person any such expenses promptly upon written request (which request shall include an undertaking by the Indemnifiable Person to repay the amount of such advance if it shall ultimately be determined as provided below that the Indemnifiable Person is not entitled to be indemnified); provided that the Company shall have the right, at its own expense, to assume and defend any such action, suit or proceeding, and once the Company gives notice of its intent to assume the defense, the Company shall have sole control over such defense with counsel of recognized standing of the Company’s choice. The foregoing right of indemnification shall not be available to an Indemnifiable Person to the extent that a final judgment or other final adjudication (in either case not subject to further appeal) binding upon such Indemnifiable Person determines that the acts or omissions or determinations of such Indemnifiable Person giving rise to the indemnification claim resulted from such Indemnifiable Person’s fraud or willful criminal act or willful criminal omission or that such right of indemnification is otherwise prohibited by law or by the Company’s certificate of incorporation or bylaws. The foregoing right of indemnification shall not be exclusive of or otherwise supersede any other rights of indemnification to which such Indemnifiable Persons may be entitled under the Company’s certificate of incorporation or by-laws, as a matter of law, individual indemnification agreement or contract, or otherwise, or any other power that the Company may have to indemnify such Indemnifiable Persons or hold them harmless.

(f) Board. The Board may at any time and from time to time grant Awards and administer the Plan with respect to such Awards. In any such case, the Board shall have all the authority granted to the Committee under the Plan.

## **5. Grant of Awards; Available Shares for Awards; Limitations.**

(a) Awards. The Committee may grant Awards to one or more Eligible Persons. All Awards granted under the Plan shall vest and, if applicable, become exercisable in such manner and on such date or dates or upon such event or events as determined by the Committee and as set forth in an Award Agreement, including, without limitation, attainment of Performance Conditions.

(b) Available Shares. Subject to Section 11 of the Plan and subsection (e) below, the maximum number of Shares available for issuance under the Plan shall not exceed [●], plus the number of Shares set forth in the next sentence (the “**Share Pool**”). The Share Pool will automatically increase each fiscal year following the Effective Date beginning with fiscal year 2022 and ending with fiscal year 2031 by the lesser of (a) 1% of the total number of Shares outstanding on the last day of the immediately preceding fiscal year on a fully diluted basis assuming that all shares available for issuance under the Plan are issued and outstanding or (b) such number of Shares determined by the Board. The increase shall occur on the first day of each such fiscal year or another day selected by the Board during such fiscal year.

(c) Incentive Stock Options Limit. The maximum number of Shares that may be delivered pursuant to the exercise of Incentive Stock Options granted under the Plan shall not exceed the maximum number of Shares available for issuance under the Plan.

(d) Director Compensation Limit. The maximum amount (based on the fair value of Shares underlying Awards on the grant date as determined in accordance with applicable financial accounting rules) of Awards that may be granted in any single fiscal year to any non-employee member of the Board, taken together with any cash fees paid to such non-employee member of the Board during such fiscal year, shall be \$750,000. For the avoidance of doubt, in a year in which a non-employee member of the Board serves as an employee or consultant (including as an interim officer), such limit shall not apply to compensation approved to be paid to such non-employee member of the Board by the other non-employee members of the Board in respect of such service as an employee or consultant.

(e) Share Counting. The Share Pool shall be reduced by the number of Shares delivered for each Award granted under the Plan that is valued by reference to a Share; provided that Awards that are valued by reference to Shares but are required to or may be paid in cash pursuant to their terms shall not reduce the Share Pool. If and to the extent that Awards terminate, expire or are cash settled, canceled, forfeited, exchanged or surrendered without having been exercised, vested or settled, the Shares subject to such Awards shall again be available for Awards under the Share Pool. In addition, any (i) Shares tendered by Participants, or withheld by the Company, as full or partial payment to the Company upon the exercise of Options granted under the Plan; (ii) Shares reserved for issuance upon the grant of Stock Appreciation Rights, to the extent that the number of reserved Shares exceeds the number of Shares actually issued upon the exercise of the Stock Appreciation Rights; and (iii) Shares withheld by, or otherwise remitted to, the Company to satisfy a Participant’s tax withholding obligations upon the exercise of Options or SARs granted under the Plan, or upon the lapse of restrictions on, or settlement of, an Award, shall again be available for Awards under the Share Pool.

(f) Source of Shares. Shares delivered by the Company in settlement of Awards may be authorized and unissued Shares, Shares held in the treasury of the Company, Shares purchased on the open market or by private purchase, or a combination of the foregoing.

(g) Substitute Awards. Substitute Awards shall not reduce the Shares authorized for grant under the Plan. Additionally, in the event that a company acquired by the Company or any Affiliate or with which the Company or any Affiliate combines has shares available under a pre-existing plan approved by stockholders and not approved in contemplation or such acquisition or combination, the shares available for grant pursuant to the terms of such pre-existing plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio or formula used in such acquisition or combination to determine the consideration payable to the holders of common stock of the entities party to such acquisition or combination) may be used for Awards under the Plan and shall not reduce the Shares authorized for grant under the Plan; provided that Awards using such available shares shall not be made after the date awards or grants could have been made under the terms of the pre-existing plan, absent the acquisition or combination, and shall only be made to individuals who were not employed by or providing services to the Company immediately prior to such acquisition or combination. Notwithstanding the foregoing, Substitute Awards issued or intended as “incentive stock options” within the meaning of Section 422 of the Code shall be counted against the aggregate number of Incentive Stock Options available under the Plan.

**6. Eligibility.** Participation shall be for Eligible Persons who have been selected by the Committee or its delegate to receive grants under the Plan (each such Eligible Person, a “**Participant**”). Holders of options and other types of awards granted by a company acquired by the Company or with which the Company combines are eligible for grants of Substitute Awards under the Plan to the extent permitted under applicable regulations of any stock exchange on which the Company is listed.

**7. Options.**

(a) **Generally.** Each Option shall be subject to the conditions set forth in the Plan and in the applicable Award Agreement. All Options granted under the Plan shall be Nonqualified Stock Options unless the Award Agreement expressly states otherwise. Incentive Stock Options shall be granted only subject to and in compliance with Section 422 of the Code, and only to Eligible Persons who are employees of the Company and its Affiliates and who are eligible to receive an Incentive Stock Option under the Code. If for any reason an Option intended to be an Incentive Stock Option (or any portion thereof) shall not qualify as an Incentive Stock Option, then, to the extent of such nonqualification, such Option or portion thereof shall be regarded as a Nonqualified Stock Option properly granted under the Plan.

(b) **Exercise Price.** The exercise price per Share for each Option, which is the purchase price per Share underlying the Option, shall be determined by the Committee at the time of grant and, except in the case of a Substitute Award, such exercise price shall not be less than 100% of the Fair Market Value of a Share on the date of grant of such Option. Any modification to the exercise price of an outstanding Option shall be subject to the prohibition on repricing set forth in Section 14(b).

(c) **Vesting, Exercise and Expiration.** The Committee shall determine the manner and timing of vesting, exercise and expiration of Options. The period between the date of grant and the scheduled expiration date of the Option (“**Option Period**”) shall not exceed 10 years, unless the Option Period (other than in the case of an Incentive Stock Option) would expire at a time when trading in the Shares is prohibited by the Company’s insider-trading policy or a Company-imposed “blackout period,” in which case, unless otherwise provided by the Committee, the Option Period may be extended automatically until the 30th day following the expiration of such prohibition (so long as such extension shall not violate Section 409A of the Code) or the Committee may provide for the automatic exercise of such Option prior to the expiration of the Option Period. The Committee may accelerate the vesting and/or exercisability of any Option, which acceleration shall not affect any other terms and conditions of such Option.

(d) **Method of Exercise and Form of Payment.** No Shares shall be delivered pursuant to any exercise of an Option until the Participant has paid the exercise price to the Company in full, and an amount equal to any applicable U.S. federal, state and local income and employment taxes and non-U.S. income and employment taxes, social contributions and any other tax-related items required to be withheld. Options may be exercised by delivery of written or electronic notice of exercise to the Company or its designee (including a third-party administrator) in accordance with the terms of the Option and the Award Agreement, accompanied by payment of the exercise price and such applicable taxes. The exercise price and delivery of all applicable required withholding taxes shall be payable (i) in cash or by check or cash equivalent or (ii) by such other method as the Committee may permit, in its sole discretion, including without limitation: (A) in the form of other property (including previously owned Shares; provided that such Shares are not subject to any pledge or other security interest) having a Fair Market Value on the date of exercise equal to the exercise price and all applicable required withholding taxes; (B) if there is a public market for the Shares at such time, by means of a broker-assisted “cashless exercise” pursuant to which the Company or its designee (including third-party administrators) is delivered a copy of irrevocable instructions to a stockbroker to sell the Shares otherwise deliverable upon the exercise of the Option and to deliver promptly to the Company an amount equal to the exercise price and all applicable required withholding taxes against delivery of the Shares to settle the applicable trade; or (C) by means of a “net exercise” procedure effected by withholding the minimum number of Shares otherwise deliverable in respect of an Option that are needed to pay for the exercise price and all applicable required withholding taxes. Notwithstanding the foregoing, unless otherwise determined by the Committee or as set forth in an Award Agreement, if, on the last day of the Option Period, the Fair Market Value of a Share exceeds the exercise price, the Participant has not exercised the Option and the Option has not previously expired, such Option shall be deemed exercised by the Participant on such last day by means of a “net exercise” procedure described above. In all events of cashless or net exercise, any fractional Shares shall be settled in cash.

(e) Notification upon Disqualifying Disposition of an Incentive Stock Option. Each Participant awarded an Incentive Stock Option under the Plan shall notify the Company in writing immediately after the date on which the Participant makes a disqualifying disposition of any Share acquired pursuant to the exercise of such Incentive Stock Option. A disqualifying disposition is any disposition (including, without limitation, any sale) of such Share before the later of (i) two years after the date of grant of the Incentive Stock Option and (ii) one year after the date of exercise of the Incentive Stock Option. The Company may, if determined by the Committee and in accordance with procedures established by the Committee, retain possession, as agent for the applicable Participant, of any Share acquired pursuant to the exercise of an Incentive Stock Option until the end of the period described in the preceding sentence, subject to complying with any instruction from such Participant as to the sale of such Share.

(f) Compliance with Laws. Notwithstanding the foregoing, in no event shall the Participant be permitted to exercise an Option in a manner that the Committee determines would violate the Sarbanes-Oxley Act of 2002, or any other applicable law or the applicable rules and regulations of the Securities and Exchange Commission or the applicable rules and regulations of any securities exchange or inter-dealer quotation service on which the Shares of the Company are listed or quoted.

(g) Incentive Stock Option Grants to 10% Stockholders. Notwithstanding anything to the contrary in this Section 7, if an Incentive Stock Option is granted to a Participant who owns stock representing more than 10 percent of the voting power of all classes of stock of the Company or of a parent or subsidiary of the Company (within the meaning of Sections 424(e) and 424(f) of the Code), the Option Period shall not exceed five years from the date of grant of such Option and the exercise price shall be at least 110% of the Fair Market Value (on the date of grant) of the shares subject to the Option.

(h) \$100,000 Per Year Limitation for Incentive Stock Options. To the extent that the aggregate Fair Market Value (determined as of the date of grant) of Shares for which Incentive Stock Options are exercisable for the first time by any Participant during any calendar year (under all plans of the Company) exceeds \$100,000, such excess Incentive Stock Options shall be treated as Nonqualified Stock Options.

## **8. Stock Appreciation Rights (SARs).**

(a) Generally. Each SAR shall be subject to the conditions set forth in the Plan and in the applicable Award Agreement.

(b) Exercise Price. The exercise or hurdle price per Share for each SAR shall be determined by the Committee at the time of grant and, except in the case of a Substitute Award, such exercise or hurdle price shall not be less than 100% of the Fair Market Value of a Share on the date of grant of such SAR. Any modification to the exercise or hurdle price of an outstanding SAR shall be subject to the prohibition on repricing set forth in Section 14(b).

(c) Vesting, Exercise and Expiration. The Committee shall determine the manner and timing of vesting, exercise and expiration of SARs. The period between the date of grant and the scheduled expiration of the SAR (the “**SAR Period**”) shall not exceed 10 years, unless the SAR Period would expire at a time when trading in the Shares is prohibited by the Company’s insider-trading policy or a Company-imposed “blackout period,” in which case, unless otherwise provided by the Committee, the SAR Period may be extended automatically until the 30th day following the expiration of such prohibition (so long as such extension shall not violate Section 409A of the Code) or the Committee may provide for the automatic exercise of such SAR prior to the expiration of the SAR Period. The Committee may accelerate the vesting and/or exercisability of any SAR, which acceleration shall not affect any other terms and conditions of such SAR.

(d) Method of Exercise and Form of Payment. SARs may be exercised by delivery of written or electronic notice of exercise to the Company or its designee (including a third-party administrator) in accordance with the terms of the SAR and the Award Agreement, specifying the number of SARs to be exercised and the date on which such SARs were awarded. Upon the exercise of a SAR, the Company shall pay to the holder thereof an amount equal to the number of Shares subject to the SAR that are being exercised multiplied by the excess, if any, of the Fair Market Value of one Share on the exercise date over the exercise price, less an amount equal to any applicable U.S. federal, state and local income and employment taxes and non-U.S. income and employment taxes, social contributions and any other tax-related items required to be withheld. The Company shall pay such amount in cash, in Shares valued at Fair Market Value as determined on the date of exercise, or any combination thereof, as determined by the Committee. Any fractional Shares shall be settled in cash. Notwithstanding the foregoing, unless otherwise determined by the Committee or as set forth in the Award Agreement, if, on the last day of the SAR Period, the Fair Market Value exceeds the exercise price, the Participant has not exercised the SAR and the SAR has previously expired, such SAR shall be deemed to have been exercised by the Participant on such last day and the Company shall make the appropriate payment therefor.

## **9. Restricted Stock and Restricted Stock Units.**

(a) Generally. Each Restricted Stock and Restricted Stock Unit shall be subject to the conditions set forth in the Plan and the applicable Award Agreement. The Committee shall establish restrictions applicable to Restricted Stock and Restricted Stock Units, including the period over which the restrictions shall apply (the “**Restricted Period**”), and the time or times at which Restricted Stock or Restricted Stock Units shall become vested. The Committee may accelerate the vesting and/or the lapse of any or all of the restrictions on Restricted Stock and Restricted Stock Units, which acceleration shall not affect any other terms and conditions of such Awards. No Share shall be issued at the time an Award of Restricted Stock Units is made, and the Company will not be required to set aside a fund for the payment of any such Award.

(b) Director Retainer Fees. To the extent permitted by the Board and subject to such rules, approvals and conditions as the Committee may impose from time to time, an Eligible Person who is a non-employee Director may elect to receive all or a portion of such Eligible Person’s cash director fees and other cash director compensation payable for director services provided to the Company by such Eligible Person in any fiscal year, in whole or in part, in the form of Restricted Stock Units or Shares.

(c) Stock Certificates; Escrow or Similar Arrangement(d). Upon the grant of Restricted Stock, the Committee shall cause Share(s) to be registered in the name of the Participant, which may be evidenced in any manner the Committee may deem appropriate, including in book-entry form subject to the Company's directions or the issuance of a stock certificate registered in the name of the Participant. In such event, the Committee may provide that such certificates shall be held by the Company or in escrow rather than delivered to the Participant pending vesting and release of restrictions, in which case the Committee may require the Participant to execute and deliver to the Company or its designee (including third-party administrators) (i) an escrow agreement satisfactory to the Committee, if applicable, and (ii) the appropriate stock power (endorsed in blank) with respect to the Restricted Stock.

(e) Voting and Rights as a Stockholder. Subject to the restrictions set forth in the applicable Award Agreement, a Participant generally shall have the rights and privileges of a stockholder with respect to Awards of Restricted Stock, including, without limitation, the right to vote such Shares of Restricted Stock and the right to receive dividends. Unless otherwise provided by the Committee or in an Award Agreement, a Restricted Stock Unit shall not convey to the Participant the rights and privileges of a stockholder with respect to the Share subject to the Restricted Stock Unit, such as the right to vote or the right to receive dividends, unless and until a Share is issued to the Participant to settle the Restricted Stock Unit.

(f) Restrictions; Forfeiture. Restricted Stock and Restricted Stock Units awarded to the Participant shall be subject to forfeiture until the expiration of the Restricted Period and the attainment of any other vesting criteria established by the Committee, and shall be subject to the restrictions on transferability set forth in the Award Agreement. Unless otherwise provided by the Committee, in the event of any forfeiture, all rights of the Participant to such Restricted Stock (or as a stockholder with respect thereto) and to such Restricted Stock Units, as applicable, shall terminate without further action or obligation on the part of the Company. The Committee shall have the authority to remove any or all of the restrictions on the Restricted Stock and Restricted Stock Units whenever it may determine that, by reason of changes in applicable laws or other changes in circumstances arising after the date of grant of the Restricted Stock Award or Restricted Stock Unit Award, such action is appropriate.

(g) Delivery of Restricted Stock and Settlement of Restricted Stock Units.

(i) Upon the expiration of the Restricted Period with respect to any Shares of Restricted Stock and the attainment of any other vesting criteria, the restrictions set forth in the applicable Award Agreement shall be of no further force or effect, except as set forth in the Award Agreement. If an escrow arrangement is used, upon such expiration the Company shall deliver to the Participant or such Participant's beneficiary or Permitted Transferee (via book-entry notation or, if applicable, in stock certificate form) the Shares of Restricted Stock with respect to which the Restricted Period has expired (rounded down to the nearest full Share). To the extent provided in an Award Agreement, dividends, if any, that may have been withheld by the Company and attributable to the Restricted Stock shall be distributed to the Participant in cash or in Shares (or a combination of cash and Shares) having a Fair Market Value (on the date of distribution) equal to the amount of such dividends, upon the release of restrictions on the Restricted Stock.

(ii) Unless otherwise provided by the Committee in an Award Agreement, upon the expiration of the Restricted Period and the attainment of any other vesting criteria established by the Committee in the applicable Award Agreement, with respect to any outstanding Restricted Stock Units, the Company shall deliver to the Participant, or such Participant's beneficiary (via book-entry notation or, if applicable, in stock certificate form), one Share (or other securities or other property, as applicable) for each such outstanding Restricted Stock Unit that has not then been forfeited and with respect to which the Restricted Period has expired and any other such vesting criteria are attained ("**Released Unit**"); provided, however, that the Committee may elect to (A) pay cash or part cash and part Shares in lieu of delivering only Shares in respect of such Released Units or (B) defer the delivery of Shares (or cash or part Shares and part cash, as the case may be) beyond the expiration of the Restricted Period if such extension would not cause adverse tax consequences under Section 409A of the Code. If a cash payment is made in lieu of delivering Shares, the amount of such payment shall be equal to the Fair Market Value of the Shares as of the date on which the Shares would have otherwise been delivered to the Participant in respect of such Restricted Stock Units. To the extent provided in an Award Agreement, dividend equivalents, if any, that may have been withheld by the Company and attributable to the Restricted Stock Units shall be distributed to the Participant in cash or in Shares (or a combination of cash and Shares) having a Fair Market Value (on the date of distribution) equal to the amount of such dividends, upon the release of restrictions on the Restricted Stock Units.

(h) Legends on Restricted Stock. Each certificate representing Shares of Restricted Stock awarded under the Plan, if any, shall bear as appropriate a legend substantially in the form of the following in addition to any other information the Company deems appropriate until the lapse of all restrictions with respect to such Shares:

TRANSFER OF THIS CERTIFICATE AND THE SHARES REPRESENTED HEREBY IS RESTRICTED PURSUANT TO THE TERMS OF THE EUROPEAN WAX CENTER, INC. 2021 OMNIBUS INCENTIVE PLAN AND A RESTRICTED STOCK AWARD AGREEMENT, DATED AS OF [ \_\_\_\_\_, 2021] BETWEEN EUROPEAN WAX CENTER, INC. AND [\_\_\_\_\_]. A COPY OF SUCH PLAN AND AWARD AGREEMENT IS ON FILE AT THE PRINCIPAL EXECUTIVE OFFICE OF EUROPEAN WAX CENTER, INC.

**10. Other Stock-Based Awards and Other Cash-Based Awards.** The Committee may issue unrestricted Shares, rights to receive future grants of Awards, or other Awards denominated in Shares (including performance shares or performance units), or Awards that provide for cash payments based in whole or in part on the value or future value of Shares ("**Other Stock-Based Awards**") and Other Cash-Based Awards under the Plan to Eligible Persons, alone or in tandem with other Awards, in such amounts as the Committee shall from time to time determine. Each Other Stock-Based Award shall be evidenced by an Award Agreement, which may include conditions including, without limitation, the payment by the Participant of the Fair Market Value of such Shares on the date of grant. Each Other Cash-Based Award granted under the Plan shall be evidenced in such form as the Committee may determine from time to time.

**11. Changes in Capital Structure and Similar Events.** In the event of (a) any dividend (other than regular cash dividends) or other distribution (whether in the form of cash, Shares, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, amalgamation, consolidation, split-up, split-off, spin-off, combination, repurchase or exchange of Shares or other securities of the Company, issuance of warrants or other rights to acquire Shares or other securities of the Company, or other similar corporate transaction or event (including, without limitation, a Change in Control) that affects the Shares or (b) unusual or nonrecurring events (including, without limitation, a Change in Control) affecting the Company, any Affiliate, or the financial statements of the Company or any Affiliate, or changes in applicable rules, rulings, regulations or other requirements of any governmental body or securities exchange or inter-dealer quotation service, accounting principles or law, such that in any case an adjustment is determined by the Committee to be necessary or appropriate, then the Committee shall (other than with respect to Other Cash-Based Awards), to the extent permitted under Section 409A of the Code, make any such adjustments in such manner as it may deem equitable, including, without limitation, any or all of the following:

(i) adjusting any or all of (A) the number of Shares or other securities of the Company (or number and kind of other securities or other property) that may be delivered in respect of Awards or with respect to which Awards may be granted under the Plan (including, without limitation, adjusting any or all of the limitations under Section 5 of the Plan) and (B) the terms of any outstanding Award, including, without limitation, (1) the number of Shares or other securities of the Company (or number and kind of other securities or other property) subject to outstanding Awards or to which outstanding Awards relate, (2) the exercise price with respect to any Award and/or (3) any applicable performance measures (including, without limitation, Performance Conditions and performance periods);

(ii) providing for a substitution or assumption of Awards, accelerating the delivery, vesting and/or exercisability of, lapse of restrictions and/or other conditions on, or termination of, Awards or providing for a period of time (which shall not be required to be more than ten (10) days) for Participants to exercise outstanding Awards prior to the occurrence of such event (and any such Award not so exercised shall terminate or become no longer exercisable upon the occurrence of such event); and

(iii) cancelling any one or more outstanding Awards and causing to be paid to the holders thereof, in cash, Shares, other securities or other property, or any combination thereof, the value of such Awards, if any, as determined by the Committee (which, if applicable, may be based upon the price per Share received or to be received by other stockholders of the Company in such event), including, without limitation, in the case of an outstanding Option or SAR, a cash payment in an amount equal to the excess, if any, of the Fair Market Value (as of a date specified by the Committee) of the Shares subject to such Option or SAR over the aggregate exercise price of such Option or SAR, respectively (it being understood that, in such event, any Option or SAR having a per Share exercise price equal to, or in excess of, the Fair Market Value (as of the date specified by the Committee) of a Share subject thereto may be canceled and terminated without any payment or consideration therefor);

provided, however, that the Committee shall make an equitable or proportionate adjustment to outstanding Awards to reflect any “equity restructuring” (within the meaning of the Financial Accounting Standards Codification Topic 718 (or any successor pronouncement thereto)). Except as otherwise determined by the Committee, any adjustment in Incentive Stock Options under this Section 11 (other than any cancellation of Incentive Stock Options) shall be made only to the extent not constituting a “modification” within the meaning of Section 424(h)(3) of the Code, and any adjustments under this Section 11 shall be made in a manner that does not adversely affect the exemption provided pursuant to Rule 16b-3 promulgated under the Exchange Act. Any such adjustment hereunder, upon notice, shall be conclusive and binding for all purposes. In anticipation of the occurrence of any event listed in the first sentence of this Section 11, for reasons of administrative convenience, the Committee in its sole discretion may refuse to permit the exercise of any Award or as it otherwise may determine during a period of up to 30 days prior to, and/or up to 30 days after, the anticipated occurrence of any such event.

## **12. Effect of Termination of Service or a Change in Control on Awards.**

(a) Termination. To the extent permitted under Section 409A of the Code, the Committee may provide, by rule or regulation or in any applicable Award Agreement, or may determine in any individual case, the circumstances in which, and to the extent to which, an Award may be exercised, settled, vested, paid or forfeited in the event of the Participant’s termination of service prior to the end of a performance period or vesting, exercise or settlement of such Award.

(b) Change in Control. Except to the extent otherwise provided in an Award Agreement, or any applicable employment, consulting, change-in-control, severance or other agreement between the Participant and the Company or an Affiliate, in the event of a Change in Control, notwithstanding any provision of the Plan to the contrary:

(i) If the acquirer or successor company in such Change in Control has agreed to provide for the substitution, assumption, exchange or other continuation of Awards granted pursuant to the Plan, then, if the Participant's employment with or service to the Company or an Affiliate is terminated by the Company or Affiliate without Cause (and other than due to death or Disability) on or within 24 months following a Change in Control, then unless otherwise provided by the Committee, all Options and SARs held by such Participant shall become immediately exercisable with respect to 100% of the shares subject to such Options and SARs, and that the Restricted Period (and any other conditions) shall expire immediately with respect to 100% of the shares of Restricted Stock and Restricted Stock Units and any other Awards (other than an Other Cash-Based Award) held by such Participant (including a waiver of any applicable Performance Conditions); provided that if the vesting or exercisability of any Award would otherwise be subject to the achievement of Performance Conditions, the portion of such Award that shall become fully vested and immediately exercisable shall be based on the assumed achievement of actual or target performance as determined by the Committee.

(ii) If the acquirer or successor company in such Change in Control has not agreed to provide for the substitution, assumption, exchange or other continuation of Awards granted pursuant to the Plan, then unless otherwise provided by the Committee, all Options and SARs held by such Participant shall become immediately exercisable with respect to 100% of the shares subject to such Options and SARs, and the Restricted Period (and any other conditions) shall expire immediately with respect to 100% of the shares of Restricted Stock and Restricted Stock Units and any other Awards (other than an Other Cash-Based Award) held by such Participant (including a waiver of any applicable Performance Conditions); provided that if the vesting or exercisability of any Award would otherwise be subject to the achievement of Performance Conditions, the portion of such Award that shall become fully vested and immediately exercisable shall be based on the assumed achievement of actual or target performance as determined by the Committee.

(iii) In addition, the Committee may upon at least ten (10) days' advance notice to the affected Participants, cancel any outstanding Award and pay to the holders thereof, in cash, securities or other property (including of the acquiring or successor company), or any combination thereof, the value of such Awards based upon the price per Share received or to be received by other stockholders of the Company in the event (it being understood that any Option or SAR having a per-share exercise or hurdle price equal to, or in excess of, the Fair Market Value (as of the date specified by the Committee) of a Share subject thereto may be canceled and terminated without any payment or consideration therefor). Notwithstanding the above, the Committee shall exercise such discretion over the timing of settlement of any Award subject to Code Section 409A at the time such Award is granted.

To the extent practicable, the provisions of this Section 12(b) shall occur in a manner and at a time that allows affected Participants the ability to participate in the Change in Control transaction with respect to the Shares subject to their Awards.

**13. Deferred Awards.** The Committee is authorized, subject to limitations under applicable law, to grant to Participants Deferred Awards, which may be a right to receive Shares or cash under the Plan (either independently or as an element of or supplement to any other Award under the Plan), including, as may be required by any applicable law or regulations or determined by the Committee, in lieu of any annual bonus, commission or retainer that may be payable to a Participant under any applicable, bonus, commission or retainer plan or arrangement. The Committee shall determine the terms and conditions of such Deferred Awards, including, without limitation, the method of converting the amount of annual bonus into a Deferred Award, if applicable, and the form, vesting, settlement, forfeiture and cancellation provisions or any other criteria, if any, applicable to such Deferred Awards. Shares underlying a Share-denominated Deferred Award, which is subject to a vesting schedule or other conditions or criteria, including forfeiture or cancellation provisions, set by the Committee shall not be issued until or following the date that those conditions and criteria have been satisfied. Deferred Awards shall be subject to such restrictions as the Committee may impose (including any limitation on the right to vote a Share underlying a Deferred Award or the right to receive any dividend, dividend equivalent or other right), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise, as the Committee may deem appropriate. The Committee may determine the form or forms (including cash, Shares, other Awards, other property or any combination thereof) in which payment of the amount owing upon settlement of any Deferred Award may be made.

**14. Amendments and Termination.**

(a) Amendment and Termination of the Plan. The Board may amend, alter, suspend, discontinue or terminate the Plan or any portion thereof at any time; provided that no such amendment, alteration, suspension, discontinuance or termination shall be made without stockholder approval if such approval is necessary to comply with any tax or regulatory requirement applicable to the Plan (including, without limitation, as necessary to comply with any applicable rules or requirements of any securities exchange or inter-dealer quotation service on which the Shares may be listed or quoted, for changes in GAAP to new accounting standards); provided, further, that any such amendment, alteration, suspension, discontinuance or termination that would materially and adversely affect the rights of any Participant or any holder or beneficiary of any Award theretofore granted shall not to that extent be effective without the consent of the affected Participant, holder or beneficiary, unless the Committee determines that such amendment, alteration, suspension, discontinuance or termination is either required or advisable in order for the Company, the Plan or the Award to satisfy any applicable law or regulation. No Awards may be granted or awarded during any period of suspension, after termination of the Plan or after the Expiration Date.

(b) Amendment of Award Agreements. The Committee may, to the extent not inconsistent with the terms of any applicable Award Agreement or the Plan, waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate, any Award theretofore granted or the associated Award Agreement, prospectively or retroactively (including after the Participant's termination of employment or service with the Company); provided that any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination that would materially and adversely affect the rights of any Participant with respect to any Award theretofore granted shall not to that extent be effective without the consent of the affected Participant unless the Committee determines that such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination is either required or advisable in order for the Company, the Plan or the Award to satisfy any applicable law or regulation; provided, further, that except as otherwise permitted under Section 11 of the Plan, if (i) the Committee reduces the exercise price of any Option or of any SAR, (ii) the Committee cancels any outstanding Option or SAR and replaces it with a new Option or SAR (with a lower exercise price, as the case may be) or other Award or cash in a manner that would either (A) be reportable on the Company's proxy statement or Form 10-K (if applicable) as Options that have been "repriced" (as such term is used in Item 402 of Regulation S-K promulgated under the Exchange Act) or (B) result in any "repricing" for financial statement reporting purposes (or otherwise cause the Award to fail to qualify for equity accounting treatment), (iii) take any other action that is considered a "repricing" for purposes of the stockholder approval rules of the applicable securities exchange or inter-dealer quotation service on which the Share is listed or quoted and/or (iv) cancel any outstanding Option or SAR that has a per Share exercise price (as applicable) at or above the Fair Market Value of a Share on the date of cancellation, and pay any consideration to the holder thereof, whether in cash, securities or other property, or any combination thereof, then, in the case of the immediately preceding clauses (i) through (iv), any such action shall not be effective without stockholder approval.

## 15. General.

(a) Award Agreements; Other Agreements. Each Award (other than an Other Cash-Based Award) under the Plan shall be evidenced by an Award Agreement, which shall be delivered (whether in written or electronic form) to the Participant and shall specify the terms and conditions of the Award and any rules applicable thereto. In the event of any conflict between the terms of the Plan and any Award Agreement or employment, change-in-control, severance or other agreement in effect with the Participant, the terms of the Plan shall control.

(b) Nontransferability.

(i) Each Award shall be exercisable only by the Participant during the Participant's lifetime or, if permissible under applicable law or the Plan, by the Participant's legal guardian or representative or beneficiary or Permitted Transferee. No Award may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by the Participant other than by will or by the laws of descent and distribution or as set forth below in clause(ii), and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or an Affiliate; provided that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance.

(ii) Notwithstanding the foregoing, the Committee may permit Awards (other than Incentive Stock Options) to be transferred by the Participant, without consideration, subject to such rules as the Committee may adopt, to (A) any person who is a "family member" of the Participant, as such term is used in the instructions to Form S-8 under the Securities Act or any successor form of registration statements promulgated by the Securities and Exchange Commission (collectively, the "**Immediate Family Members**"); (B) a trust solely for the benefit of the Participant or the Participant's Immediate Family Members; (C) a partnership or limited liability company whose only partners or stockholders are the Participant and the Participant's Immediate Family Members; or (D) any other transferee as may be approved either (1) by the Board or the Committee or (2) as provided in the applicable Award Agreement (each transferee described in clause(A), (B), (C) or (D) above is hereinafter referred to as a "**Permitted Transferee**"); provided that the Participant gives the Committee or its delegate advance written notice describing the terms and conditions of the proposed transfer and the Committee or its delegate notifies the Participant in writing that such a transfer would comply with the requirements of the Plan.

(iii) The terms of any Award transferred in accordance with the immediately preceding subsection shall apply to the Permitted Transferee, and any reference in the Plan, or in any applicable Award Agreement, to the Participant shall be deemed to refer to the Permitted Transferee, except that, unless otherwise provided by the Committee: (A) Permitted Transferees shall not be entitled to transfer any Award, other than by will or the laws of descent and distribution; (B) Permitted Transferees shall not be entitled to exercise any transferred Option unless there shall be in effect a registration statement on an appropriate form covering the Shares to be acquired pursuant to the exercise of such Option if the Committee determines, consistent with any applicable Award Agreement, that such a registration statement is necessary or appropriate; (C) the Committee or the Company shall not be required to provide any notice to a Permitted Transferee, whether or not such notice is or would otherwise have been required to be given to the Participant under the Plan or otherwise; (D) the consequences of the termination of the Participant's employment by, or services to, the Company or an Affiliate under the terms of the Plan and the applicable Award Agreement shall continue to be applied with respect to the transferred Award, including, without limitation, that an Option shall be exercisable by the Permitted Transferee only to the extent, and for the periods, specified in the Plan and the applicable Award Agreement; and (E) any non-competition, non-solicitation, non-disparagement, non-disclosure or other restrictive covenants contained in any Award Agreement or other agreement between the Participant and the Company or any Affiliate shall continue to apply to the Participant.

(c) Dividends and Dividend Equivalents. The Committee shall provide that dividend equivalents either shall accrue and be paid or distributed upon the vesting of an Award or shall be deemed to have been reinvested in additional Shares, Awards, or other investment vehicles and subject to such restrictions on transferability and risks of forfeiture as the Committee may specify.

(d) No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan or an Award, and the Committee shall determine whether cash or other securities shall be paid or transferred in lieu of any fractional Shares, or whether such fractional Shares or any rights thereto shall be cancelled, terminated or otherwise eliminated.

(e) Tax Withholding.

(i) The Participant shall be required to pay to the Company or any Affiliate, and the Company or any Affiliate shall have the right (but not the obligation) and is hereby authorized to withhold, from any cash, Shares, other securities or other property deliverable under any Award or from any compensation or other amounts owing to the Participant, the amount (in cash, Shares, other securities or other property) of any required withholding taxes (up to the maximum permissible withholding amounts) in respect of an Award, its exercise, or any payment or transfer under an Award or under the Plan and to take such other action that the Committee or the Company deems necessary to satisfy all obligations for the payment of such withholding taxes.

(ii) Without limiting the generality of paragraph (i) above, the Committee may permit the Participant to satisfy, in whole or in part, the foregoing withholding liability by (A) payment in cash, (B) the delivery of Shares (which Shares are not subject to any pledge or other security interest) owned by the Participant having a Fair Market Value on such date equal to such withholding liability or (C) having the Company withhold from the number of Shares otherwise issuable or deliverable pursuant to the exercise or settlement of the Award a number of Shares with a Fair Market Value on such date equal to such withholding liability. In addition, subject to any requirements of applicable law, the Participant may also satisfy the tax withholding obligations by other methods, including selling Shares that would otherwise be available for delivery; provided that the Board or the Committee has specifically approved such payment method in advance.

(f) No Claim to Awards; No Rights to Continued Employment, Directorship or Engagement. No employee, Director of the Company, consultant providing service to the Company or an Affiliate, or other person shall have any claim or right to be granted an Award under the Plan or, having been selected for the grant of an Award, to be selected for a grant of any other Award. There is no obligation for uniformity of treatment of Participants or holders or beneficiaries of Awards. The terms and conditions of Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant and may be made selectively among Participants, whether or not such Participants are similarly situated. Neither the Plan nor any action taken hereunder shall be construed as giving any Participant any right to be retained in the employ or service of the Company or an Affiliate, or to continue in the employ or the service of the Company or an Affiliate, nor shall it be construed as giving any Participant who is a Director any rights to continued service on the Board.

(g) International Participants. With respect to Participants who reside or work outside of the United States or are subject to non-U.S. legal restrictions or regulations, the Committee may amend the terms of the Plan or appendices thereto, or outstanding Awards, with respect to such Participants, in order to conform such terms with or accommodate the requirements of local laws, procedures or practices or to obtain more favorable tax or other treatment for the Participant, the Company or its Affiliates. Without limiting the generality of this subsection, the Committee is specifically authorized to adopt rules, procedures and sub-plans with provisions that limit or modify rights on death, disability, retirement or other terminations of employment, available methods of exercise or settlement of an Award, payment of income, social insurance contributions or payroll taxes, withholding procedures and handling of any stock certificates or other indicia of ownership that vary with local requirements. The Committee may also adopt rules, procedures or sub-plans applicable to particular Affiliates or locations.

(h) Beneficiary Designation. The Participant's beneficiary shall be the Participant's spouse (or domestic partner if such status is recognized by the Company and in such jurisdiction) or, if the Participant is otherwise unmarried at the time of death, the Participant's estate, except to the extent that a different beneficiary is designated in accordance with procedures that may be established by the Committee from time to time for such purpose. Notwithstanding the foregoing, in the absence of a beneficiary validly designated under such Committee-established procedures and/or applicable law who is living (or in existence) at the time of death of a Participant residing or working outside the United States, any required distribution under the Plan shall be made to the executor or administrator of the estate of the Participant, or to such other individual as may be prescribed by applicable law.

(i) Termination of Employment or Service. The Committee, in its sole discretion, shall determine the effect of all matters and questions related to the termination of employment of or service of a Participant. Unless determined otherwise by the Committee: (i) neither a temporary absence from employment or service due to illness, vacation or leave of absence (including, without limitation, a call to active duty for military service through a Reserve or National Guard unit) nor a transfer from employment or service with the Company to employment or service with an Affiliate (or vice versa) shall be considered a termination of employment or service with the Company or an Affiliate; and (ii) if the Participant's employment with the Company or its Affiliates terminates, but such Participant continues to provide services with such Company or such Affiliate in a non-employee capacity (including as a non-employee Director) (or vice versa), such change in status shall not be considered a termination of employment or service with the Company or an Affiliate for purposes of the Plan.

(j) No Rights as a Stockholder. Except as otherwise specifically provided in the Plan or any Award Agreement, no person shall be entitled to the privileges of ownership in respect of Shares that are subject to Awards hereunder until such Shares have been issued or delivered to that person.

(k) Government and Other Regulations.

(i) Nothing in the Plan shall be deemed to authorize the Committee or Board or any members thereof to take any action contrary to applicable law or regulation, or rules of the NASDAQ or any other securities exchange or inter-dealer quotation service on which the Shares are listed or quoted.

(ii) The obligation of the Company to settle Awards in Shares or other consideration shall be subject to all applicable laws, rules and regulations, and to such approvals by governmental agencies as may be required. Notwithstanding any terms or conditions of any Award to the contrary, the Company shall be under no obligation to offer to sell or to sell, and shall be prohibited from offering to sell or selling, any Shares pursuant to an Award unless such Shares have been properly registered for sale pursuant to the Securities Act with the Securities and Exchange Commission or unless the Company has received an opinion of counsel, satisfactory to the Company, that such Shares may be offered for sale or sold without such registration pursuant to and in compliance with the terms of an available exemption. The Company shall be under no obligation to register for sale under the Securities Act any of the Shares to be offered for sale or sold under the Plan. The Committee shall have the authority to provide that all Shares or other securities of the Company or any Affiliate delivered under the Plan shall be subject to such stop-transfer orders and other restrictions as the Committee may deem advisable under the Plan, the applicable Award Agreement, U.S. federal securities laws, or the rules, regulations and other requirements of the U.S. Securities and Exchange Commission, any securities exchange or inter-dealer quotation service upon which such Shares or other securities of the Company are then listed or quoted and any other applicable federal, state, local or non-U.S. laws, rules, regulations and other requirements, and, without limiting the generality of Section 9 of the Plan, the Committee may cause a legend or legends to be put on any such certificates of Shares or other securities of the Company or any Affiliate delivered under the Plan to make appropriate reference to such restrictions or may cause such Shares or other securities of the Company or any Affiliate delivered under the Plan in book-entry form to be held subject to the Company's instructions or subject to appropriate stop-transfer orders. Notwithstanding any provision in the Plan to the contrary, the Committee reserves the right to add any additional terms or provisions to any Award granted under the Plan that it in its sole discretion deems necessary or advisable in order that such Award complies with the legal requirements of any governmental entity to whose jurisdiction the Award is subject.

(iii) The Committee may cancel an Award or any portion thereof if it determines that legal or contractual restrictions and/or blockage and/or other market considerations would make the Company's acquisition of Shares from the public markets, the Company's issuance of Shares to the Participant, the Participant's acquisition of Shares from the Company and/or the Participant's sale of Shares to the public markets illegal, impracticable or inadvisable. If the Committee determines to cancel all or any portion of an Award in accordance with the foregoing, unless prevented by applicable laws, the Company shall pay to the Participant an amount equal to the excess of (A) the aggregate Fair Market Value of the Shares subject to such Award or portion thereof canceled (determined as of the applicable exercise date, or the date that the Shares would have been vested or delivered, as applicable), over (B) the aggregate exercise price (in the case of an Option or SAR) or any amount payable as a condition of delivery of Shares (in the case of any other Award). Such amount shall be delivered to the Participant as soon as practicable following the cancellation of such Award or portion thereof.

(l) Payments to Persons Other Than Participants. If the Committee shall find that any person to whom any amount is payable under the Plan is unable to care for such person's affairs because of illness or accident, or is a minor, or has died, then any payment due to such person or such person's estate (unless a prior claim therefor has been made by a duly appointed legal representative or a beneficiary designation form has been filed with the Company) may, if the Committee so directs the Company, be paid to such person's spouse, child or relative, or an institution maintaining or having custody of such person, or any other person deemed by the Committee to be a proper recipient on behalf of such person otherwise entitled to payment. Any such payment shall be a complete discharge of the liability of the Committee and the Company therefor.

(m) Nonexclusivity of the Plan. Neither the adoption of the Plan by the Board nor the submission of the Plan to the stockholders of the Company for approval shall be construed as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of stock options or awards otherwise than under the Plan, and such arrangements may be either applicable generally or only in specific cases.

(n) No Trust or Fund Created. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate, on the one hand, and the Participant or other person or entity, on the other hand. No provision of the Plan or any Award shall require the Company, for the purpose of satisfying any obligations under the Plan, to purchase assets or place any assets in a trust or other entity to which contributions are made or to otherwise segregate any assets, nor shall the Company maintain separate bank accounts, books, records or other evidence of the existence of a segregated or separately maintained or administered fund for such purposes. Participants shall have no rights under the Plan other than as unsecured general creditors of the Company.

(o) Reliance on Reports. Each member of the Committee and each member of the Board (and each such member's respective designees) shall be fully justified in acting or failing to act, as the case may be, and shall not be liable for having so acted or failed to act in good faith, in reliance upon any report made by the independent, registered public accounting firm of the Company and its Affiliates and/or any other information furnished in connection with the Plan by any agent of the Company or the Committee or the Board, other than such member or designee.

(p) Relationship to Other Benefits. No payment under the Plan shall be taken into account in determining any benefits under any pension, retirement, profit-sharing, group insurance or other benefit plan of the Company except as otherwise specifically provided in such other plan.

(q) Governing Law. The Plan shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to principles of conflicts of laws thereof, or principles of conflicts of laws of any other jurisdiction that could cause the application of the laws of any jurisdiction other than the State of Delaware.

(r) Severability. If any provision of the Plan or any Award or Award Agreement is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction or as to any person or entity or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable laws, or, if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be construed or deemed stricken as to such jurisdiction, person or entity or Award, and the remainder of the Plan and any such Award shall remain in full force and effect.

(s) Obligations Binding on Successors. The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to all or substantially all of the assets and business of the Company.

(t) Section 409A of the Code.

(i) It is intended that the Plan comply with Section 409A of the Code, and all provisions of the Plan shall be construed and interpreted in a manner consistent with the requirements for avoiding taxes or penalties under Section 409A of the Code. Each Participant is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on or in respect of such Participant in connection with the Plan or any other plan maintained by the Company, including any taxes and penalties under Section 409A of the Code, and neither the Company nor any Affiliate shall have any obligation to indemnify or otherwise hold such Participant or any beneficiary harmless from any or all of such taxes or penalties. With respect to any Award that is considered “deferred compensation” subject to Section 409A of the Code, references in the Plan to “termination of employment” (and substantially similar phrases) shall mean “separation from service” within the meaning of Section 409A of the Code. For purposes of Section 409A of the Code, each of the payments that may be made in respect of any Award granted under the Plan is designated as a separate payment.

(ii) Notwithstanding anything in the Plan to the contrary, if the Participant is a “specified employee” within the meaning of Section 409A(a)(2)(B)(i) of the Code, no payments or deliveries in respect of any Awards that are “deferred compensation” subject to Section 409A of the Code shall be made to such Participant prior to the date that is six months after the date of such Participant’s “separation from service” within the meaning of Section 409A of the Code or, if earlier, the Participant’s date of death. All such delayed payments or deliveries will be paid or delivered (without interest) in a single lump sum on the earliest date permitted under Section 409A of the Code that is also a business day.

(iii) In the event that the timing of payments in respect of any Award that would otherwise be considered “deferred compensation” subject to Section 409A of the Code would be accelerated upon the occurrence of (A) a Change in Control, no such acceleration shall be permitted unless the event giving rise to the Change in Control satisfies the definition of a change in the ownership or effective control of a corporation, or a change in the ownership of a substantial portion of the assets of a corporation pursuant to Section 409A of the Code and any Treasury Regulations promulgated thereunder, or (B) a Disability, no such acceleration shall be permitted unless the Disability also satisfies the definition of “disability” pursuant to Section 409A of the Code and any Treasury Regulations promulgated thereunder.

(u) Clawback/Forfeiture. The Committee shall have full authority to implement any policies and procedures necessary to comply with Section 10D of the Exchange Act and any rules promulgated thereunder and any other regulatory regimes. Notwithstanding anything to the contrary contained herein, the Committee may, to the extent permitted by applicable law and stock exchange rules or by any applicable Company policy or arrangement, and shall, to the extent required, cancel or require reimbursement of any Awards granted to the Participant or any Shares issued or cash received upon vesting, exercise or settlement of any such Awards or sale of Shares underlying such Awards. By accepting an Award, the Participant agrees that the Participant is subject to any clawback policies of the Company in effect from time to time.

(v) No Representations or Covenants with Respect to Tax Qualification. Although the Company may endeavor to (i) qualify an Award for favorable U.S. or non-U.S. tax treatment or (ii) avoid adverse tax treatment, the Company makes no representation to that effect and expressly disavows any covenant to maintain favorable or avoid unfavorable tax treatment. The Company shall be unconstrained in its corporate activities without regard to the potential negative tax impact on holders of Awards under the Plan.

(w) No Interference. The existence of the Plan, any Award Agreement and the Awards granted hereunder shall not affect or restrict in any way the right or power of the Company, the Board, the Committee or the stockholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company’s capital structure or its business, any merger or consolidation of the Company, any issue of stock or of options, warrants, or rights to purchase stock or of bonds, debentures, or preferred or prior preference stocks whose rights are superior to or affect the Shares or the rights thereof or that are convertible into or exchangeable for Shares, or the dissolution or liquidation of the Company or any Affiliate, or any sale or transfer of all or any part of their assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

(x) Expenses, Titles and Headings. The expenses of administering the Plan shall be borne by the Company and its Affiliates. The titles and headings of the sections in the Plan are for convenience of reference only, and, in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

(y) Whistleblower Acknowledgments. Notwithstanding anything to the contrary herein, nothing in this Plan or any Award Agreement will (i) prohibit a Participant from making reports of possible violations of federal law or regulation to any governmental agency or entity in accordance with the provisions of and rules promulgated under Section 21F of the Exchange Act or Section 806 of the Sarbanes-Oxley Act of 2002, or of any other whistleblower protection provisions of federal law or regulation, or (ii) require prior approval by the Company or any of its Affiliates of any reporting described in clause (i).

(z) Lock-Up Agreements. The Committee may require a Participant receiving Shares pursuant to the Plan, as a condition precedent to receipt of such Shares, to enter into a shareholder agreement or "lock-up" agreement in such form as the Committee shall determine is necessary or desirable to further the Company's interests.

(aa) Restrictive Covenants. The Committee may impose restrictions on any Award with respect to non-competition, non-solicitation, confidentiality and other restrictive covenants as it deems necessary or appropriate in its sole discretion.

**EUROPEAN WAX CENTER, INC.  
2021 OMNIBUS INCENTIVE PLAN  
OPTION AWARD AGREEMENT**

Pursuant to the Notice of Option Grant (“Grant Notice”) and this Award Agreement, European Wax Center, Inc. (together with its Subsidiaries, whether existing or thereafter acquired or formed, and any and all successor entities, the “Company”) has granted the Participant an Option (the “Option”) under the European Wax Center, Inc. 2021 Omnibus Incentive Plan (the “Plan”) with respect to the number of Shares indicated in the Grant Notice (the “Award”). The Option represents the right to purchase the number of Shares indicated in the Grant Notice (each, an “Option Share”), on the terms and conditions set forth in this Award Agreement and the Plan. The Option is granted to the Participant effective as of the Date of Grant. Capitalized terms not explicitly defined in this Award Agreement or in the Grant Notice but defined in the Plan shall have the same definitions as in the Plan.

1. **Vesting; Settlement.**

(a) **Vesting.** The Option shall vest and become exercisable [     ], subject to the Participant’s continued employment or service with the Company through such date (each such date, a “Vesting Date”).

(b) **Method of Exercise and Form of Payment.** No Option Shares shall be delivered pursuant to any exercise of the Option until the Participant has paid in full to the Company the exercise price and an amount equal to any U.S. federal, state, local and non-U.S. income and employment taxes required to be withheld. The Option may be exercised by delivery of written or electronic notice of exercise to the Company or its designee (including a third-party administrator) in accordance with the terms hereof. The exercise price and all applicable required withholding taxes shall be payable (i) in cash, check, cash equivalent and/or in Shares valued at the Fair Market Value at the time the Option is exercised (including, pursuant to procedures approved by the Committee, by means of attestation of ownership of a sufficient number of Shares in lieu of actual delivery of such Shares to the Company); provided that such Shares are not subject to any pledge or other security interest; or (ii) by such other method as the Committee may permit, including without limitation: (A) in other property having a Fair Market Value equal to the exercise price and all applicable required withholding taxes, (B) if there is a public market for the Shares at such time, by means of a broker-assisted “cashless exercise” pursuant to which the Company is delivered a copy of irrevocable instructions to a stockbroker to sell the Shares otherwise deliverable upon the exercise of the Option and to deliver promptly to the Company an amount equal to the exercise price and all applicable required withholding taxes, or (C) by means of a “net exercise” procedure effected by withholding the minimum number of Shares otherwise deliverable in respect of an Option that are needed to pay for the exercise price and all applicable required withholding taxes. Any fractional Shares resulting from the application of this Section 1 shall be settled in cash.

2. **Termination of Employment.** In the event of the Participant’s termination of employment or service with the Company at any time, the unvested portion of the Option shall be canceled immediately and the Participant shall not be entitled to receive any payments with respect thereto.

3. **Expiration.**

(a) **Option Period.** In no event shall all or any portion of the Option be exercisable after the tenth annual anniversary of the Date of Grant (such ten-year period, the "Option Period"); provided, that if the Option Period would expire at a time when trading in the Shares is prohibited by the Company's insider-trading policy (or a Company-imposed "blackout period"), the Option Period shall be automatically extended until the 30<sup>th</sup> day following the expiration of such prohibition (so long as such extension shall not violate Section 409A of the Code).

(b) **Post-Termination Exercise.**

(i) If, prior to the end of the Option Period, the Participant's employment with, directorship with, or engagement to provide services to, the Company and all Affiliates is terminated without Cause or by the Participant for any reason, then the Option shall expire on the earlier of the last day of the Option Period and the date that is 90 days after the date of such termination; provided, however, that if the Participant's employment, directorship or engagement to provide services to the Company and its Affiliates is terminated and the Participant is subsequently rehired, reappointed or reengaged by the Company or any Affiliate within 90 days following such termination and prior to the expiration of the Option, the Participant shall not be considered to have undergone a termination of employment or service, as applicable. In the event of a termination described in this subsection (i), the Option shall remain exercisable by the Participant until its expiration only to the extent that the Option was exercisable at the time of such termination.

(ii) If (i) the Participant's employment with, directorship with, or engagement to provide services to, the Company or an Affiliate is terminated prior to the end of the Option Period on account of the Participant's Disability, (ii) the Participant dies while still a director of, or still in the employ or engagement of the Company or an Affiliate, or (iii) the Participant dies following a termination described in subsection (i) above but prior to the expiration of an Option, the Option shall expire on the earlier of the last day of the Option Period and the date that is one year after the date of death or termination on account of Disability of the Participant, as applicable. In such event, the Option shall remain exercisable by the Participant or Participant's beneficiary, as applicable, until its expiration only to the extent that the Option was exercisable by the Participant at the time of such event.

(iii) If the Participant ceases employment with or engagement to provide services to the Company or any Affiliates or is removed as a director due to a termination for Cause, the Option (whether vested or unvested) shall expire immediately upon such termination.

4. **Rights as a Stockholder.** The Participant shall have no voting rights with respect to the Option unless and until the Participant becomes the record owner of the Shares subject to the Option.

5. **Tax Withholding.** The Participant shall be solely responsible for any applicable taxes (including, without limitation, income and excise taxes) and penalties, and any interest that accrues thereon, that the Participant incurs in connection with the receipt, vesting or exercise of any Option granted hereunder. Without limiting Section 1(b), the Company shall be authorized to withhold from the Award the amount (in cash or Shares, or any combination thereof) of applicable withholding taxes due in respect of the Award, its exercise or any payment or transfer under the Award and to take such other action (including providing for elective payment of such amounts in cash or other property by the Participant) as may be necessary in the opinion of the Company to satisfy all obligations for the payment of such taxes; provided, however, that no Shares shall be withheld with a value exceeding the maximum statutory rates in the applicable tax jurisdictions.

6. **Clawback; Forfeiture; Detrimental Conduct.** The Option shall be subject to the clawback, forfeiture and detrimental conduct provisions set forth in Section 15(u) of the Plan.

7. **Restrictive Covenants.**

(a) Without limiting any other non-competition, non-solicitation, non-disparagement or non-disclosure or other similar agreement to which the Participant may be a party, the Participant shall be subject to the confidentiality and restrictive covenants set forth on Exhibit A attached hereto, which Exhibit A is incorporated herein and forms part of this Award Agreement.

(b) In the event that the Participant violates any of the restrictive covenants referred to in this Section 7, in addition to any other remedy that may be available at law or in equity, the Option shall be automatically forfeited effective as of the date on which such violation first occurs. The foregoing rights and remedies are in addition to any other rights and remedies that may be available to the Company and shall not prevent (and the Participant shall not assert that they shall prevent) the Company from bringing one or more actions in any applicable jurisdiction to recover damages as a result of the Participant's breach of such restrictive covenants.

8. **Miscellaneous.**

(a) **Compliance with Legal Requirements.** The granting of the Option, and any other obligations of the Company under this Award Agreement, shall be subject to all applicable U.S. federal, state and local laws, rules and regulations, all applicable non-U.S. laws, rules and regulations and to such approvals by any regulatory or governmental agency as may be required. The Participant agrees to take all steps that the Committee or the Company determines are reasonably necessary to comply with all applicable provisions of U.S. federal and state securities law and non-U.S. securities law in exercising the Participant's rights under this Award Agreement.

(b) **Transferability.** The Option shall be subject to Section 15(b) of the Plan.

(c) **Participant's Employment or Other Service Relationship.** Nothing in the Option shall confer upon the Participant any right to continue the Participant's employment or other service relationship with the Company or any of its Affiliates or interfere in any way with the right of the Company or any of its Affiliates or stockholders, as the case may be, to terminate the Participant's employment or other service relationship with the Company or its Affiliates or to increase or decrease the Participant's compensation at any time. The grant of the Option is a one-time benefit and does not create any contractual or other right to receive any other grant of other Awards under the Plan in the future. The grant of the Option does not form part of the Participant's entitlement to compensation or benefits in terms of his or her employment or other service relationship with the Company or its Affiliates.

(d) Waiver. No amendment or modification of any provision of this Award Agreement shall be effective unless signed in writing by or on behalf of the Company and the Participant, except that the Company may amend or modify this Award Agreement without the Participant's consent in accordance with the provisions of the Plan or as otherwise set forth in this Award Agreement. No waiver of any breach or condition of this Award Agreement shall be deemed to be a waiver of any other or subsequent breach or condition whether of like or different nature. Any amendment or modification of or to any provision of this Award Agreement, or any waiver of any provision of this Award Agreement, shall be effective only in the specific instance and for the specific purpose for which made or given.

(e) Section 409A. The Option is not intended to be subject to Section 409A of the Code. This Award Agreement is intended to comply with the requirements of Section 409A of the Code and the regulations thereunder, and the provisions of this Award Agreement shall be interpreted in a manner that satisfies the requirements of Section 409A of the Code, and this Award Agreement shall be operated accordingly. If any provision of this Award Agreement or any term or condition of the Option would otherwise conflict with this intent, the provision, term or condition shall be interpreted and deemed amended so as to avoid this conflict. Notwithstanding the foregoing, the tax treatment of the benefits provided under this Award Agreement is not warranted or guaranteed, and in no event shall the Company be liable for all or any portion of any taxes, penalties, interest or other expenses that may be incurred by the Participant on account of non-compliance with Section 409A of the Code.

(f) Notices. All notices, requests and other communications under this Award Agreement shall be in writing and shall be delivered in person (by courier or otherwise), mailed by certified or registered mail, return receipt requested to the contact details below. The parties may use e-mail delivery, so long as the message is clearly marked, sent to the e-mail address(es) set forth below.

(g) Severability. The invalidity or unenforceability of any provision of this Award Agreement shall not affect the validity or enforceability of any other provision of this Award Agreement, and each other provision of this Award Agreement shall be severable and enforceable to the extent permitted by law.

(h) Successors. The terms of this Award Agreement shall be binding upon and inure to the benefit of the Company and its successors and assigns, and of the Participant and the beneficiaries, executors, administrators, heirs and successors of the Participant.

(i) Entire Agreement. The Participant acknowledges receipt of a copy of the Plan and represents that the Participant is familiar with the terms and provisions thereof (and has had an opportunity to consult counsel regarding the Option terms), and hereby accepts the grant of the Option and agrees to be bound by its contractual terms as set forth herein (including Exhibit A) and in the Plan. The Participant acknowledges and agrees that the grant of the Option constitutes additional consideration to the Participant for the Participant's continued and future compliance with any restrictive covenants in favor of the Company by which the Participant is otherwise bound. The Participant hereby agrees to accept as binding, conclusive and final all decisions and interpretations of the Committee regarding any questions relating to the Option. In the event of a conflict between the terms and provisions of the Plan and the terms and provisions of this Award Agreement, the Plan terms and provisions shall prevail. This Award Agreement, including the Plan, constitutes the entire agreement between the Participant and the Company on the subject matter hereof and supersedes all proposals, written or oral, and all other communications between the parties relating to such subject matter.

(j) Governing Law. Except as otherwise set forth in an Employment Agreement, this Award Agreement shall be construed and interpreted in accordance with the laws of the State of Delaware, without regard to principles of conflicts of laws thereof, or principles of conflicts of laws of any other jurisdiction that could cause the application of the laws of any jurisdiction other than the State of Delaware.

(k) Dispute Resolution; Consent to Jurisdiction. Except as otherwise set forth in an Employment Agreement, the Participant and the Company agree that any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with this Award Agreement (whether brought by any party or any of its Affiliates or against any party or any of its Affiliates) shall be brought in the United States federal and state courts in Delaware, and each of the parties hereby irrevocably consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court.

(l) Electronic Signature and Delivery. This Award Agreement may be accepted by return signature or by electronic confirmation. By accepting this Award Agreement, the Participant consents to the electronic delivery of prospectuses, annual reports and other information required to be delivered by U.S. Securities and Exchange Commission rules (which consent may be revoked in writing by the Participant at any time upon three business days' notice to the Company, in which case subsequent prospectuses, annual reports and other information shall be delivered in hard copy to the Participant).

(m) Electronic Participation in Plan. The Company may, in its sole discretion, decide to deliver any documents related to current or future participation in the Plan by electronic means. The Participant hereby consents to receive such documents by electronic delivery and agrees to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

## Exhibit A

### Restrictive Covenants

In consideration of the awards granted hereby and the compensation now and hereafter paid to Participant, or that Participant may receive in connection with his or her employment with, directorship for, or engagement to provide services to, the Company and all its Affiliates ("Employment"), Participant hereby agrees to be bound by the covenants as set forth in this Exhibit A (the "RC Agreement").

1. Acknowledgements. Participant acknowledges and agrees that (a) the term "Business" means, with respect to any person, firm, corporation, or other entity, in whatever form, (i) franchising, developing, owning and operating businesses engaged in waxing, body hair removal, facial hair removal, or threading or (ii) engaging in the business of providing any other activities, products or services of the specific type conducted, authorized, offered or provided by the Company or any of its Affiliates within six (6) months prior to the termination of Participant's Employment (the date of such termination, the "Termination Date"); (b) Participant has intimate and valuable knowledge of the Business, as well as technical, financial, customer, supplier and other confidential information related to the Business, which, if exploited by Participant in contravention of the terms of this RC Agreement, would seriously, adversely and irreparably affect the ability of the Company or any of its Affiliates to continue the Business; (c) the agreements and covenants contained in this Agreement, as they relate to the Business and otherwise, have been determined by the Company or any of its Affiliates to be essential to protect the Business and goodwill of the Company or any of its Affiliates; (d) the Company would not grant the award pursuant to the terms of the award agreement to which this RC Agreement is attached but for the Participant agreeing to be bound by such agreements and covenants; and (e) Participant has the means to support himself or herself and his or her dependents other than by engaging in the Business, and the provisions of this RC Agreement will not impair such ability in any manner whatsoever.

2. Non-Competition. During the period of Participant's Employment and through the second (2<sup>nd</sup>) anniversary of the Termination Date (such period, the "Restricted Period"), Participant shall not, either directly or indirectly (and whether or not for compensation): (i) engage in the Business for Participant's own account in any state of the United States and in any other country, in each case, in which the Company or any of its Affiliates conducts business or has plans to conduct business as of the Termination Date (the "Restricted Territory"); (ii) render any services to or for any person or entity engaged in the Business in any part of the Restricted Territory; (iii) acquire a financial interest in, or otherwise become actively involved with, any person or entity engaged in the Business in any part of the Restricted Territory, as an individual, partner, stockholder, member, officer, director, employee, principal, agent, trustee or consultant; or (iv) interfere with business relationships between the Company or any of its Affiliates or any direct or indirect parent or subsidiary thereof (each, a "Protected Party" and collectively, the "Protected Parties"), on the one hand, and employees, clients or suppliers of, or consultants to, any Protected Party, on the other hand. Notwithstanding anything to the contrary in this RC Agreement, Participant may, directly or indirectly, own, solely through passive ownership as a portfolio investment (with no director designation rights or other special governance rights), securities of any person engaged in the Business which are publicly traded on a national or regional stock exchange or over-the-counter if Participant (a) is not a controlling person of, or a member of a group which controls, such person and (b) does not, directly or indirectly, own 2% or more of any class of securities of such person.

3. Non-Solicitation. During the Restricted Period and without written consent of the Company, Participant shall not, either directly or indirectly, (i) solicit or hire, or attempt to solicit or hire, any person who Participant knows, or should have known, is (or within six (6) months prior to the Termination Date has been) an employee of, or consultant to, any Protected Party, or (ii) solicit or encourage any person which is (or within the six (6) months prior to the Termination Date has been) a vendor of any Protected Party to terminate or diminish its relationship with them, or otherwise alter such relationship in any manner that is adverse to any Protected Party. Notwithstanding the foregoing, this Section 3 shall not prohibit Participant from making general solicitations of employment that are not specifically targeted at any such employee or consultant, or soliciting or hiring any such person who responds to any such general solicitation or who approaches Participant without having been solicited in a manner prohibited hereby.

4. Nondisclosure. Participant hereby agrees to hold in confidence all Confidential Information of the Company or any of its Affiliates that came into Participant's knowledge during Participant's Employment with the Company or any of its Affiliates and will not disclose, publish or make use of such Confidential Information without the prior written consent of the Company for as long as the information remains Confidential Information other than in connection with the performance of Participant's duties to the Company or any of its Affiliates. For purposes hereof, "Confidential Information" means any data or information that is valuable to any Protected Party (or, if owned by someone else, is valuable to that third party) and not generally known or available to the public or to competitors in the industry, including, but not limited to, any nonpublic information (regardless of whether in writing or retained as personal knowledge) pertaining to research and development; product costs, designs and processes; equityholder information; pricing, cost, or profit factors; recipes; quality programs; annual budget and long-range business plans; marketing plans and methods; contracts and bids; business ideas and methods, store concepts, inventions, innovations, developments, graphic designs, website designs, patterns, specifications, procedures, databases and personnel; and trade secrets. Notwithstanding anything to the contrary contained herein, pursuant to the Defend Trade Secrets Act of 2016, the Participant shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that: (A) is made (i) in confidence to a Federal, state, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. Participant also understands that if he or she files a lawsuit for retaliation by the Company or any of its Affiliates for reporting a suspected violation of law, the Participant may disclose the trade secret to his or her attorney and use the trade secret information in the court proceeding, if the Participant (i) files any document containing the trade secret under seal, and (ii) does not disclose the trade secret, except pursuant to court order.

5. Nondisparagement. During Participant's Employment with the Company or any of its Affiliates and thereafter, Participant shall not, directly or indirectly, take any action, or encourage others to take any action, to disparage or criticize any of the Protected Parties or their respective employees, officers, directors, managers, products, services, customers or owners. The foregoing shall not be violated by the Participant's truthful responses to legal process, inquiry by a governmental authority or to incorrect, disparaging or derogatory public statements to the extent reasonably necessary to correct or refute such public statements. Notwithstanding anything to the contrary contained herein, nothing in this Agreement shall prohibit the Participant from reporting possible violations of federal law or regulation to or otherwise cooperating with or providing information requested by any governmental agency or entity, including, but not limited to, the Department of Justice, the Securities and Exchange Commission, the Congress, and any agency Inspector General, or making other disclosures that are protected under the whistleblower provisions of federal law or regulation. The Participant does not need the prior authorization of the Protected Parties to make any such reports or disclosures and the Participant is not required to notify the Protected Parties that the Participant has made such reports or disclosures.

6. Rights and Remedies Upon Breach. If Participant breaches, or threatens to commit a breach of, any of the provisions of Sections 1, 2, 3, 4 or 5 of this RC Agreement (the "Restrictive Covenants"), the Protected Parties shall have the following rights and remedies, each of which rights and remedies shall be independent of the others and severally enforceable, and each of which is in addition to, and not in lieu of, any other rights and remedies available to the Protected Parties under law or in equity: (a) the right and remedy to seek to have the Restrictive Covenants specifically enforced by any court of competent jurisdiction, and to seek to establish an injunction without the requirement to post bond, it being agreed that any breach or threatened breach of the Restrictive Covenants would cause irreparable injury to the Protected Parties and that money damages would not provide an adequate remedy to the Protected Parties; and (b) the right and remedy to (i) require Participant to pay to the Protected Parties and (ii) offset against any distributions or other payments that Participant is entitled to receive from any member of the Company or any of its Affiliates (whether directly or indirectly), in each case, all damages, losses, costs or expenses incurred by the Protected Parties as the result of any action constituting a breach of the Restrictive Covenants, as determined by a court of competent jurisdiction on a final, nonappealable basis.

7. Tolling. The Restricted Period shall be tolled by and extended by the length of any breach by Participant, to the extent permitted by law.

8. Severability of Covenants. Participant acknowledges and agrees that the Restrictive Covenants are reasonable and valid in geographical and temporal scope and in all other respects. If any court determines that any of the Restrictive Covenants, or any part thereof, are invalid or unenforceable, the remainder of the Restrictive Covenants shall not thereby be affected and shall be given full effect without regard to the invalid portions. If this Agreement is required to be reformed in any way, it shall be reformed in the manner to most closely reflect the intent of the parties.

9. Blue-Penciling. It is expressly understood and agreed that although Participant and the Company and its Affiliates consider the Restrictive Covenants to be reasonable, if a judicial determination is made by a court of competent jurisdiction that the time or territory or any other restriction contained in this Agreement is an unenforceable restriction against Participant, the provisions of this RC Agreement shall not be rendered void but shall be deemed amended to apply as to such maximum time and territory and to such maximum extent as such court may judicially determine or indicate to be enforceable. Alternatively, if any court of competent jurisdiction finds that any restriction contained in this RC Agreement is unenforceable, and such restriction cannot be amended so as to make it enforceable, such finding shall not affect the enforceability of any of the other restrictions contained herein.

**EUROPEAN WAX CENTER, INC.  
2021 OMNIBUS INCENTIVE PLAN  
RESTRICTED STOCK UNIT AWARD AGREEMENT**

Pursuant to the RSU Grant Notice (“Grant Notice”) and this Award Agreement, European Wax Center, Inc. (together with its Subsidiaries, whether existing or thereafter acquired or formed, and any and all successor entities, the “Company”) has granted the Participant Restricted Stock Units (the “RSUs”) under the European Wax Center, Inc. 2021 Omnibus Incentive Plan (the “Plan”) with respect to the number of Shares indicated in the Grant Notice (the “Award”). Each RSU represents the right to receive one Share. The RSUs are granted to the Participant effective as of the Date of Grant. Capitalized terms not explicitly defined in this Award Agreement or in the Grant Notice but defined in the Plan shall have the same definitions as in the Plan.

1. **Vesting; Settlement.**

(a) **Vesting.** The RSUs shall vest [        ], subject to the Participant’s continued employment or service with the Company through each such date (each such date, a “Vesting Date”).

(b) **Settlement.** Subject to the provisions of this Award Agreement, promptly following the applicable Vesting Date (and no later than the thirtieth (30<sup>th</sup>) day following the applicable Vesting Date), the Participant shall receive the number of Shares that correspond to the number of RSUs that have vested subject to Section 1(a), less any Shares withheld by the Company pursuant to Section 5 below. Upon such delivery, such Shares shall be fully assignable, saleable and transferable by the Participant, provided that any such assignment, sale, transfer or other alienation with respect to such Shares shall be in accordance with applicable securities laws.

2. **Dividend Equivalents.** Unless otherwise provided by the Committee, the Participant shall not be eligible to receive dividend equivalents with respect to the RSUs unless and until the Participant becomes the record owner of the Shares underlying the RSUs, at which time accrued dividend equivalents shall be paid pursuant to Section 9(g)(ii) of the Plan.

3. **Termination of Employment.** In the event of the Participant’s termination of employment or service with the Company at any time, all unvested RSUs shall be canceled immediately and the Participant shall not be entitled to receive any payments with respect thereto.

4. **Rights as a Stockholder.** The Participant shall have no voting rights with respect to the RSUs unless and until the Participant becomes the record owner of the Shares underlying the RSUs.

5. **Tax Withholding.** The Participant shall be solely responsible for any applicable taxes (including, without limitation, income and excise taxes) and penalties, and any interest that accrues thereon, that the Participant incurs in connection with the receipt, vesting or settlement of any RSU granted hereunder. The Company shall be authorized to withhold from the Award the amount (in cash or Shares, or any combination thereof) of applicable withholding taxes due in respect of the Award, its settlement or any payment or transfer under the Award and to take such other action (including providing for elective payment of such amounts in cash or other property by the Participant) as may be necessary in the opinion of the Company to satisfy all obligations for the payment of such taxes; provided, however, that no Shares shall be withheld with a value exceeding the maximum statutory rates in the applicable tax jurisdictions.

6. **Clawback; Forfeiture; Detrimental Conduct.** The RSUs shall be subject to the clawback, forfeiture and detrimental conduct provisions set forth in Section 15(u) of the Plan.

7. **Restrictive Covenants.**

(a) Without limiting any other non-competition, non-solicitation, non-disparagement or non-disclosure or other similar agreement to which the Participant may be a party, the Participant shall be subject to the confidentiality and restrictive covenants set forth on Exhibit A attached hereto, which Exhibit A is incorporated herein and forms part of this Award Agreement.

(b) In the event that the Participant violates any of the restrictive covenants referred to in this Section 7, in addition to any other remedy that may be available at law or in equity, the RSUs shall be automatically forfeited effective as of the date on which such violation first occurs. The foregoing rights and remedies are in addition to any other rights and remedies that may be available to the Company and shall not prevent (and the Participant shall not assert that they shall prevent) the Company from bringing one or more actions in any applicable jurisdiction to recover damages as a result of the Participant's breach of such restrictive covenants.

8. **Miscellaneous.**

(a) **Compliance with Legal Requirements.** The granting of the RSU, and any other obligations of the Company under this Award Agreement, shall be subject to all applicable U.S. federal, state and local laws, rules and regulations, all applicable non-U.S. laws, rules and regulations and to such approvals by any regulatory or governmental agency as may be required. The Participant agrees to take all steps that the Committee or the Company determines are reasonably necessary to comply with all applicable provisions of U.S. federal and state securities law and non-U.S. securities law in exercising the Participant's rights under this Award Agreement.

(b) **Transferability.** The RSUs shall be subject to Section 15(b) of the Plan.

(c) **Waiver.** No amendment or modification of any provision of this Award Agreement shall be effective unless signed in writing by or on behalf of the Company and the Participant, except that the Company may amend or modify this Award Agreement without the Participant's consent in accordance with the provisions of the Plan or as otherwise set forth in this Award Agreement. No waiver of any breach or condition of this Award Agreement shall be deemed to be a waiver of any other or subsequent breach or condition whether of like or different nature. Any amendment or modification of or to any provision of this Award Agreement, or any waiver of any provision of this Award Agreement, shall be effective only in the specific instance and for the specific purpose for which made or given.

(d) Section 409A. This Award Agreement is intended to comply with the requirements of Section 409A of the Code and the regulations thereunder, and the provisions of this Award Agreement shall be interpreted in a manner that satisfies the requirements of Section 409A of the Code, and this Award Agreement shall be operated accordingly. If any provision of this Award Agreement or any term or condition of the RSUs would otherwise conflict with this intent, the provision, term or condition shall be interpreted and deemed amended so as to avoid this conflict. Notwithstanding anything else in this Award Agreement, if the Committee considers a Participant to be a “specified employee” under Section 409A of the Code at the time of such Participant’s “separation from service” (as defined in Section 409A of the Code), and the amount hereunder is “deferred compensation” subject to Section 409A of the Code any distribution that otherwise would be made to such Participant with respect to RSUs as a result of such separation from service shall not be made until the date that is six months after such separation from service, except to the extent that earlier distribution would not result in such Participant’s incurring interest or additional tax under Section 409A of the Code. If the Award includes a “series of installment payments” (within the meaning of Section 1.409A-2(b)(2)(iii) of the Treasury Regulations), the Participant’s right to the series of installment payments shall be treated as a right to a series of separate payments and not as a right to a single payment. Notwithstanding the foregoing, the tax treatment of the benefits provided under this Award Agreement is not warranted or guaranteed, and in no event shall the Company be liable for all or any portion of any taxes, penalties, interest or other expenses that may be incurred by the Participant on account of non-compliance with Section 409A of the Code.

(e) General Assets. All amounts credited in respect of the RSUs to the book-entry account under this Award Agreement shall continue for all purposes to be part of the general assets of the Company. The Participant’s interest in such account shall make the Participant only a general, unsecured creditor of the Company.

(f) Notices. All notices, requests and other communications under this Award Agreement shall be in writing and shall be delivered in person (by courier or otherwise), mailed by certified or registered mail, return receipt requested to the contact details below. The parties may use e-mail delivery, so long as the message is clearly marked, sent to the e-mail address(es) set forth below.

(g) Severability. The invalidity or unenforceability of any provision of this Award Agreement shall not affect the validity or enforceability of any other provision of this Award Agreement, and each other provision of this Award Agreement shall be severable and enforceable to the extent permitted by law.

(h) Successors. The terms of this Award Agreement shall be binding upon and inure to the benefit of the Company and its successors and assigns, and of the Participant and the beneficiaries, executors, administrators, heirs and successors of the Participant.

(i) Entire Agreement. The Participant acknowledges receipt of a copy of the Plan and represents that the Participant is familiar with the terms and provisions thereof (and has had an opportunity to consult counsel regarding the RSU terms), and hereby accepts the grant of RSUs and agrees to be bound by its contractual terms as set forth herein (including Exhibit A) and in the Plan. The Participant acknowledges and agrees that the grant of the RSUs constitutes additional consideration to the Participant for the Participant's continued and future compliance with any restrictive covenants in favor of the Company by which the Participant is otherwise bound. The Participant hereby agrees to accept as binding, conclusive and final all decisions and interpretations of the Committee regarding any questions relating to the RSU. In the event of a conflict between the terms and provisions of the Plan and the terms and provisions of this Award Agreement, the Plan terms and provisions shall prevail. This Award Agreement, including the Plan, constitutes the entire agreement between the Participant and the Company on the subject matter hereof and supersedes all proposals, written or oral, and all other communications between the parties relating to such subject matter.

(j) Governing Law. Except as otherwise set forth in an Employment Agreement, this Award Agreement shall be construed and interpreted in accordance with the laws of the State of Delaware, without regard to principles of conflicts of laws thereof, or principles of conflicts of laws of any other jurisdiction that could cause the application of the laws of any jurisdiction other than the State of Delaware.

(k) Dispute Resolution; Consent to Jurisdiction. Except as otherwise set forth in an Employment Agreement, the Participant and the Company agree that any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with this Award Agreement (whether brought by any party or any of its Affiliates or against any party or any of its Affiliates) shall be brought in the United States federal and state courts in Delaware, and each of the parties hereby irrevocably consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court.

(l) Electronic Signature and Delivery. This Award Agreement may be accepted by return signature or by electronic confirmation. By accepting this Award Agreement, the Participant consents to the electronic delivery of prospectuses, annual reports and other information required to be delivered by U.S. Securities and Exchange Commission rules (which consent may be revoked in writing by the Participant at any time upon three business days' notice to the Company, in which case subsequent prospectuses, annual reports and other information shall be delivered in hard copy to the Participant).

(m) Electronic Participation in Plan. The Company may, in its sole discretion, decide to deliver any documents related to current or future participation in the Plan by electronic means. The Participant hereby consents to receive such documents by electronic delivery and agrees to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

## Exhibit A

### Restrictive Covenants

In consideration of the awards granted hereby and the compensation now and hereafter paid to Participant, or that Participant may receive in connection with his or her employment with, directorship for, or engagement to provide services to, the Company and all its Affiliates ("Employment"), Participant hereby agrees to be bound by the covenants as set forth in this Exhibit A (the "RC Agreement").

1. Acknowledgements. Participant acknowledges and agrees that (a) the term "Business" means, with respect to any person, firm, corporation, or other entity, in whatever form, (i) franchising, developing, owning and operating businesses engaged in waxing, body hair removal, facial hair removal, or threading or (ii) engaging in the business of providing any other activities, products or services of the specific type conducted, authorized, offered or provided by the Company or any of its Affiliates within six (6) months prior to the termination of Participant's Employment (the date of such termination, the "Termination Date"); (b) Participant has intimate and valuable knowledge of the Business, as well as technical, financial, customer, supplier and other confidential information related to the Business, which, if exploited by Participant in contravention of the terms of this RC Agreement, would seriously, adversely and irreparably affect the ability of the Company or any of its Affiliates to continue the Business; (c) the agreements and covenants contained in this Agreement, as they relate to the Business and otherwise, have been determined by the Company or any of its Affiliates to be essential to protect the Business and goodwill of the Company or any of its Affiliates; (d) the Company would not grant the award pursuant to the terms of the award agreement to which this RC Agreement is attached but for the Participant agreeing to be bound by such agreements and covenants; and (e) Participant has the means to support himself or herself and his or her dependents other than by engaging in the Business, and the provisions of this RC Agreement will not impair such ability in any manner whatsoever.

2. Non-Competition. During the period of Participant's Employment and through the second (2<sup>nd</sup>) anniversary of the Termination Date (such period, the "Restricted Period"), Participant shall not, either directly or indirectly (and whether or not for compensation): (i) engage in the Business for Participant's own account in any state of the United States and in any other country, in each case, in which the Company or any of its Affiliates conducts business or has plans to conduct business as of the Termination Date (the "Restricted Territory"); (ii) render any services to or for any person or entity engaged in the Business in any part of the Restricted Territory; (iii) acquire a financial interest in, or otherwise become actively involved with, any person or entity engaged in the Business in any part of the Restricted Territory, as an individual, partner, stockholder, member, officer, director, employee, principal, agent, trustee or consultant; or (iv) interfere with business relationships between the Company or any of its Affiliates or any direct or indirect parent or subsidiary thereof (each, a "Protected Party" and collectively, the "Protected Parties"), on the one hand, and employees, clients or suppliers of, or consultants to, any Protected Party, on the other hand. Notwithstanding anything to the contrary in this RC Agreement, Participant may, directly or indirectly, own, solely through passive ownership as a portfolio investment (with no director designation rights or other special governance rights), securities of any person engaged in the Business which are publicly traded on a national or regional stock exchange or over-the-counter if Participant (a) is not a controlling person of, or a member of a group which controls, such person and (b) does not, directly or indirectly, own 2% or more of any class of securities of such person.

---

3. Non-Solicitation. During the Restricted Period and without written consent of the Company, Participant shall not, either directly or indirectly, (i) solicit or hire, or attempt to solicit or hire, any person who Participant knows, or should have known, is (or within six (6) months prior to the Termination Date has been) an employee of, or consultant to, any Protected Party, or (ii) solicit or encourage any person which is (or within the six (6) months prior to the Termination Date has been) a vendor of any Protected Party to terminate or diminish its relationship with them, or otherwise alter such relationship in any manner that is adverse to any Protected Party. Notwithstanding the foregoing, this Section 3 shall not prohibit Participant from making general solicitations of employment that are not specifically targeted at any such employee or consultant, or soliciting or hiring any such person who responds to any such general solicitation or who approaches Participant without having been solicited in a manner prohibited hereby.

4. Nondisclosure. Participant hereby agrees to hold in confidence all Confidential Information of the Company or any of its Affiliates that came into Participant's knowledge during Participant's Employment with the Company or any of its Affiliates and will not disclose, publish or make use of such Confidential Information without the prior written consent of the Company for as long as the information remains Confidential Information other than in connection with the performance of Participant's duties to the Company or any of its Affiliates. For purposes hereof, "Confidential Information" means any data or information that is valuable to any Protected Party (or, if owned by someone else, is valuable to that third party) and not generally known or available to the public or to competitors in the industry, including, but not limited to, any nonpublic information (regardless of whether in writing or retained as personal knowledge) pertaining to research and development; product costs, designs and processes; equityholder information; pricing, cost, or profit factors; recipes; quality programs; annual budget and long-range business plans; marketing plans and methods; contracts and bids; business ideas and methods, store concepts, inventions, innovations, developments, graphic designs, website designs, patterns, specifications, procedures, databases and personnel; and trade secrets. Notwithstanding anything to the contrary contained herein, pursuant to the Defend Trade Secrets Act of 2016, the Participant shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that: (A) is made (i) in confidence to a Federal, state, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. Participant also understands that if he or she files a lawsuit for retaliation by the Company or any of its Affiliates for reporting a suspected violation of law, the Participant may disclose the trade secret to his or her attorney and use the trade secret information in the court proceeding, if the Participant (i) files any document containing the trade secret under seal, and (ii) does not disclose the trade secret, except pursuant to court order.

---

5. Nondisparagement. During Participant's Employment with the Company or any of its Affiliates and thereafter, Participant shall not, directly or indirectly, take any action, or encourage others to take any action, to disparage or criticize any of the Protected Parties or their respective employees, officers, directors, managers, products, services, customers or owners. The foregoing shall not be violated by the Participant's truthful responses to legal process, inquiry by a governmental authority or to incorrect, disparaging or derogatory public statements to the extent reasonably necessary to correct or refute such public statements. Notwithstanding anything to the contrary contained herein, nothing in this Agreement shall prohibit the Participant from reporting possible violations of federal law or regulation to or otherwise cooperating with or providing information requested by any governmental agency or entity, including, but not limited to, the Department of Justice, the Securities and Exchange Commission, the Congress, and any agency Inspector General, or making other disclosures that are protected under the whistleblower provisions of federal law or regulation. The Participant does not need the prior authorization of the Protected Parties to make any such reports or disclosures and the Participant is not required to notify the Protected Parties that the Participant has made such reports or disclosures.

6. Rights and Remedies Upon Breach. If Participant breaches, or threatens to commit a breach of, any of the provisions of Sections 1, 2, 3, 4 or 5 of this RC Agreement (the "Restrictive Covenants"), the Protected Parties shall have the following rights and remedies, each of which rights and remedies shall be independent of the others and severally enforceable, and each of which is in addition to, and not in lieu of, any other rights and remedies available to the Protected Parties under law or in equity: (a) the right and remedy to seek to have the Restrictive Covenants specifically enforced by any court of competent jurisdiction, and to seek to establish an injunction without the requirement to post bond, it being agreed that any breach or threatened breach of the Restrictive Covenants would cause irreparable injury to the Protected Parties and that money damages would not provide an adequate remedy to the Protected Parties; and (b) the right and remedy to (i) require Participant to pay to the Protected Parties and (ii) offset against any distributions or other payments that Participant is entitled to receive from any member of the Company or any of its Affiliates (whether directly or indirectly), in each case, all damages, losses, costs or expenses incurred by the Protected Parties as the result of any action constituting a breach of the Restrictive Covenants, as determined by a court of competent jurisdiction on a final, nonappealable basis.

7. Tolling. The Restricted Period shall be tolled by and extended by the length of any breach by Participant, to the extent permitted by law.

8. Severability of Covenants. Participant acknowledges and agrees that the Restrictive Covenants are reasonable and valid in geographical and temporal scope and in all other respects. If any court determines that any of the Restrictive Covenants, or any part thereof, are invalid or unenforceable, the remainder of the Restrictive Covenants shall not thereby be affected and shall be given full effect without regard to the invalid portions. If this Agreement is required to be reformed in any way, it shall be reformed in the manner to most closely reflect the intent of the parties.

9. Blue-Penciling. It is expressly understood and agreed that although Participant and the Company and its Affiliates consider the Restrictive Covenants to be reasonable, if a judicial determination is made by a court of competent jurisdiction that the time or territory or any other restriction contained in this Agreement is an unenforceable restriction against Participant, the provisions of this RC Agreement shall not be rendered void but shall be deemed amended to apply as to such maximum time and territory and to such maximum extent as such court may judicially determine or indicate to be enforceable. Alternatively, if any court of competent jurisdiction finds that any restriction contained in this RC Agreement is unenforceable, and such restriction cannot be amended so as to make it enforceable, such finding shall not affect the enforceability of any of the other restrictions contained herein.
