Explanation of Responses:

- Shares of Class B common stock of the Issuer have one vote per share but no economic rights (including rights to dividends and distributions upon liquidation) and are issued in an equal amount to the number of common units of EWC Ventures, LLC ("EWC Ventures Units") held.
- Pursuant to the terms of the Exchange Agreement, effective as of August 4, 2021, by and among the Issuer, EWC Ventures, LLC and the equityholders of EWC Ventures, LLC (the "Exchange Agreement"), EWC Ventures Units, together with a corresponding number of shares of Class B common stock, may be exchanged for shares of Class A common stock of the Issuer, which have one vote per share and economic rights (including rights to dividends and distributions upon liquidation), on a one-for-one basis at the discretion of the holder. The exchange rights under the Exchange Agreement do not expire.
- The Issuer sold an additional 913,998 shares of Class A common stock of the Issuer, pursuant to the underwriters' exercise in full of the over-allotment option the Issuer granted to the underwriters in connection with its recently closed initial public offering of 10,600,000 shares of Class A common stock. The Issuer used a portion of the net proceeds from the offering of the additional 913,998 shares of Class A common stock to purchase EWC Ventures Units and corresponding shares of Class B common stock. The purchase price per EWC Ventures Unit and share of Class B common stock was \$17.00, the same price per share received by the Issuer from the underwriters in the initial public offering.
